Migrant sex attacks against children in Sweden could escalate, officials warn," by Will Kirby, Express, November 11, 2016:

<https://www.jihadwatch.org/2016/11/swedish-police-warn-muslim-migrant-sex-attacks-on-children-could-increase>

The Qur'an teaches that Infidel women can be lawfully taken for sexual use (cf. its allowance for a man to take "captives of the right hand," 4:3, 4:24, 23:1-6, 33:50, 70:30). The Qur'an says: "O Prophet, tell your wives and your daughters and the women of the believers to bring down over themselves of their outer garments. That is more suitable that they will be known and not be abused. And ever is Allah Forgiving and Merciful." (33:59) The implication there is that if women do not cover themselves adequately with their outer garments, they may be abused, and that such abuse would be justified.

This includes children, in imitation of Muhammad. Few things are more abundantly attested in Islamic law than the permissibility of child marriage. Islamic tradition records that Muhammad's favorite wife, Aisha, was six when Muhammad wedded her and nine when he consummated the marriage:

Talmud Permits Child-Adult Sex

Talmud law permits sexual intercourse between children and adults. This doctrine is contained in a number of Mishnahs. Before we examine them, however, it is necessary that the reader be familiar with the word *kethubah*.

KETHUBAH (Lit., 'a written [document]'); (a) a wife's marriage settlement which she is entitled to recover on her being divorced or on the death of her husband. The minimum settlement for a virgin is two hundred zuz, and for a widow remarrying one hundred zuz; (b) the marriage contract specifying the mutual obligations between husband and wife and containing the amount of the endowment and any other special financial obligations assumed by the husband.

— Babylonian Talmud, Soncino Talmud Glossary

(Zuz is an ancient Jewish silver coin)

Now let's look at a Mishnah from
Kethuboth 11a:

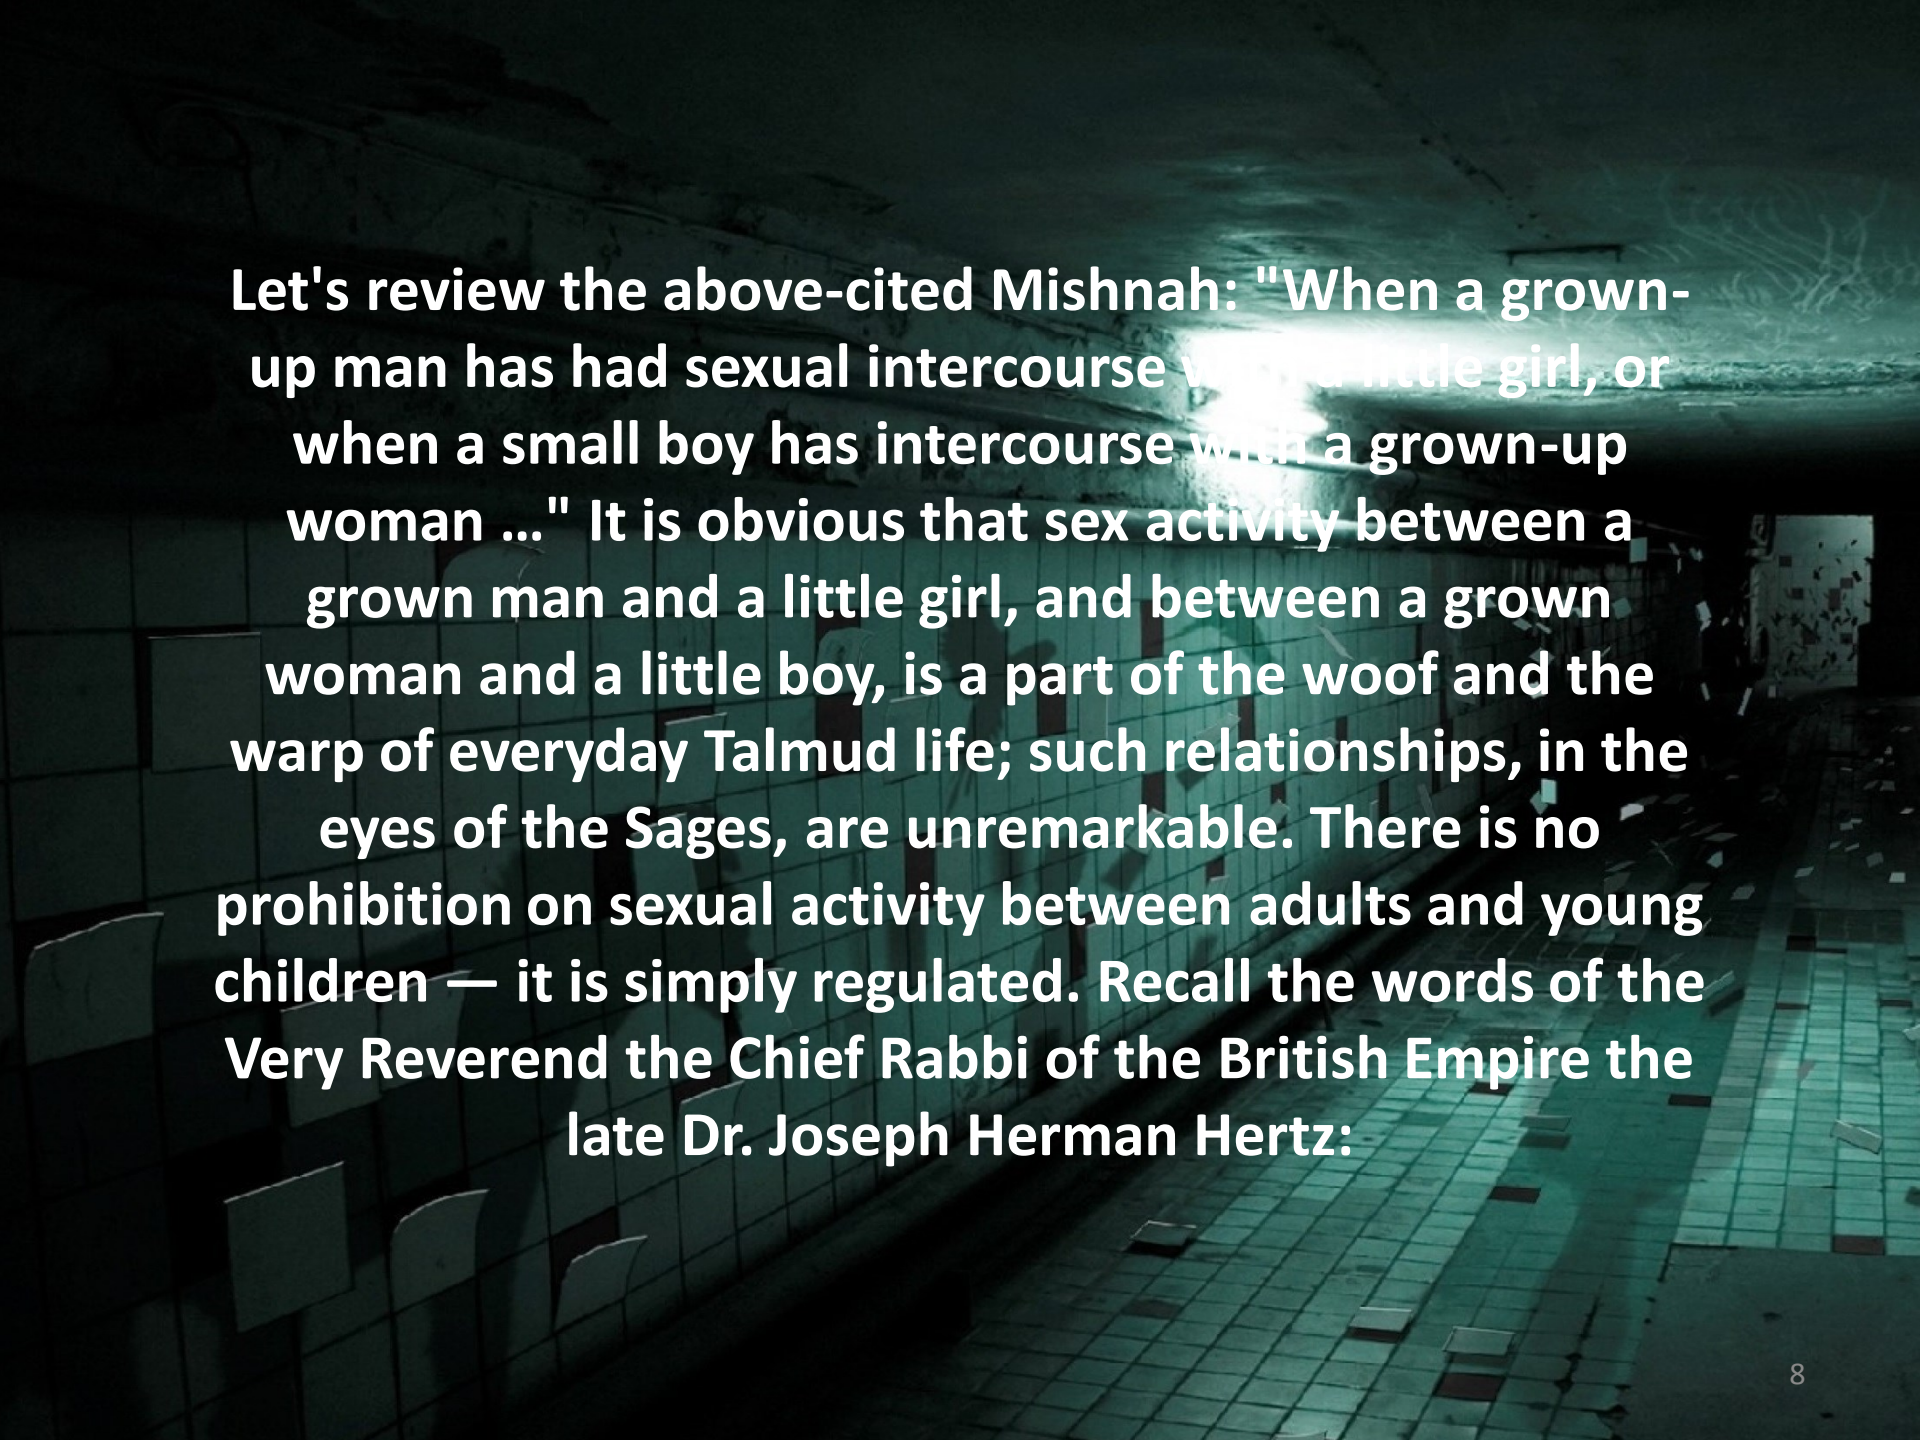

**MISHNAH. WHEN A GROWN-UP MAN
(7) HAS HAD SEXUAL INTERCOURSE
WITH (8) A LITTLE GIRL, (9) OR WHEN
A SMALL BOY (10) HAS INTERCOURSE
WITH A GROWN-UP WOMAN, OR
[WHEN A GIRL WAS ACCIDENTALLY]
INJURED BY A PIECE OF WOOD (11) —
[IN ALL THESE CASES] THEIR
KETHUBAH IS TWO HUNDRED [ZUZ]**

— Babylonian Talmud, Tractate
Kethuboth 11a

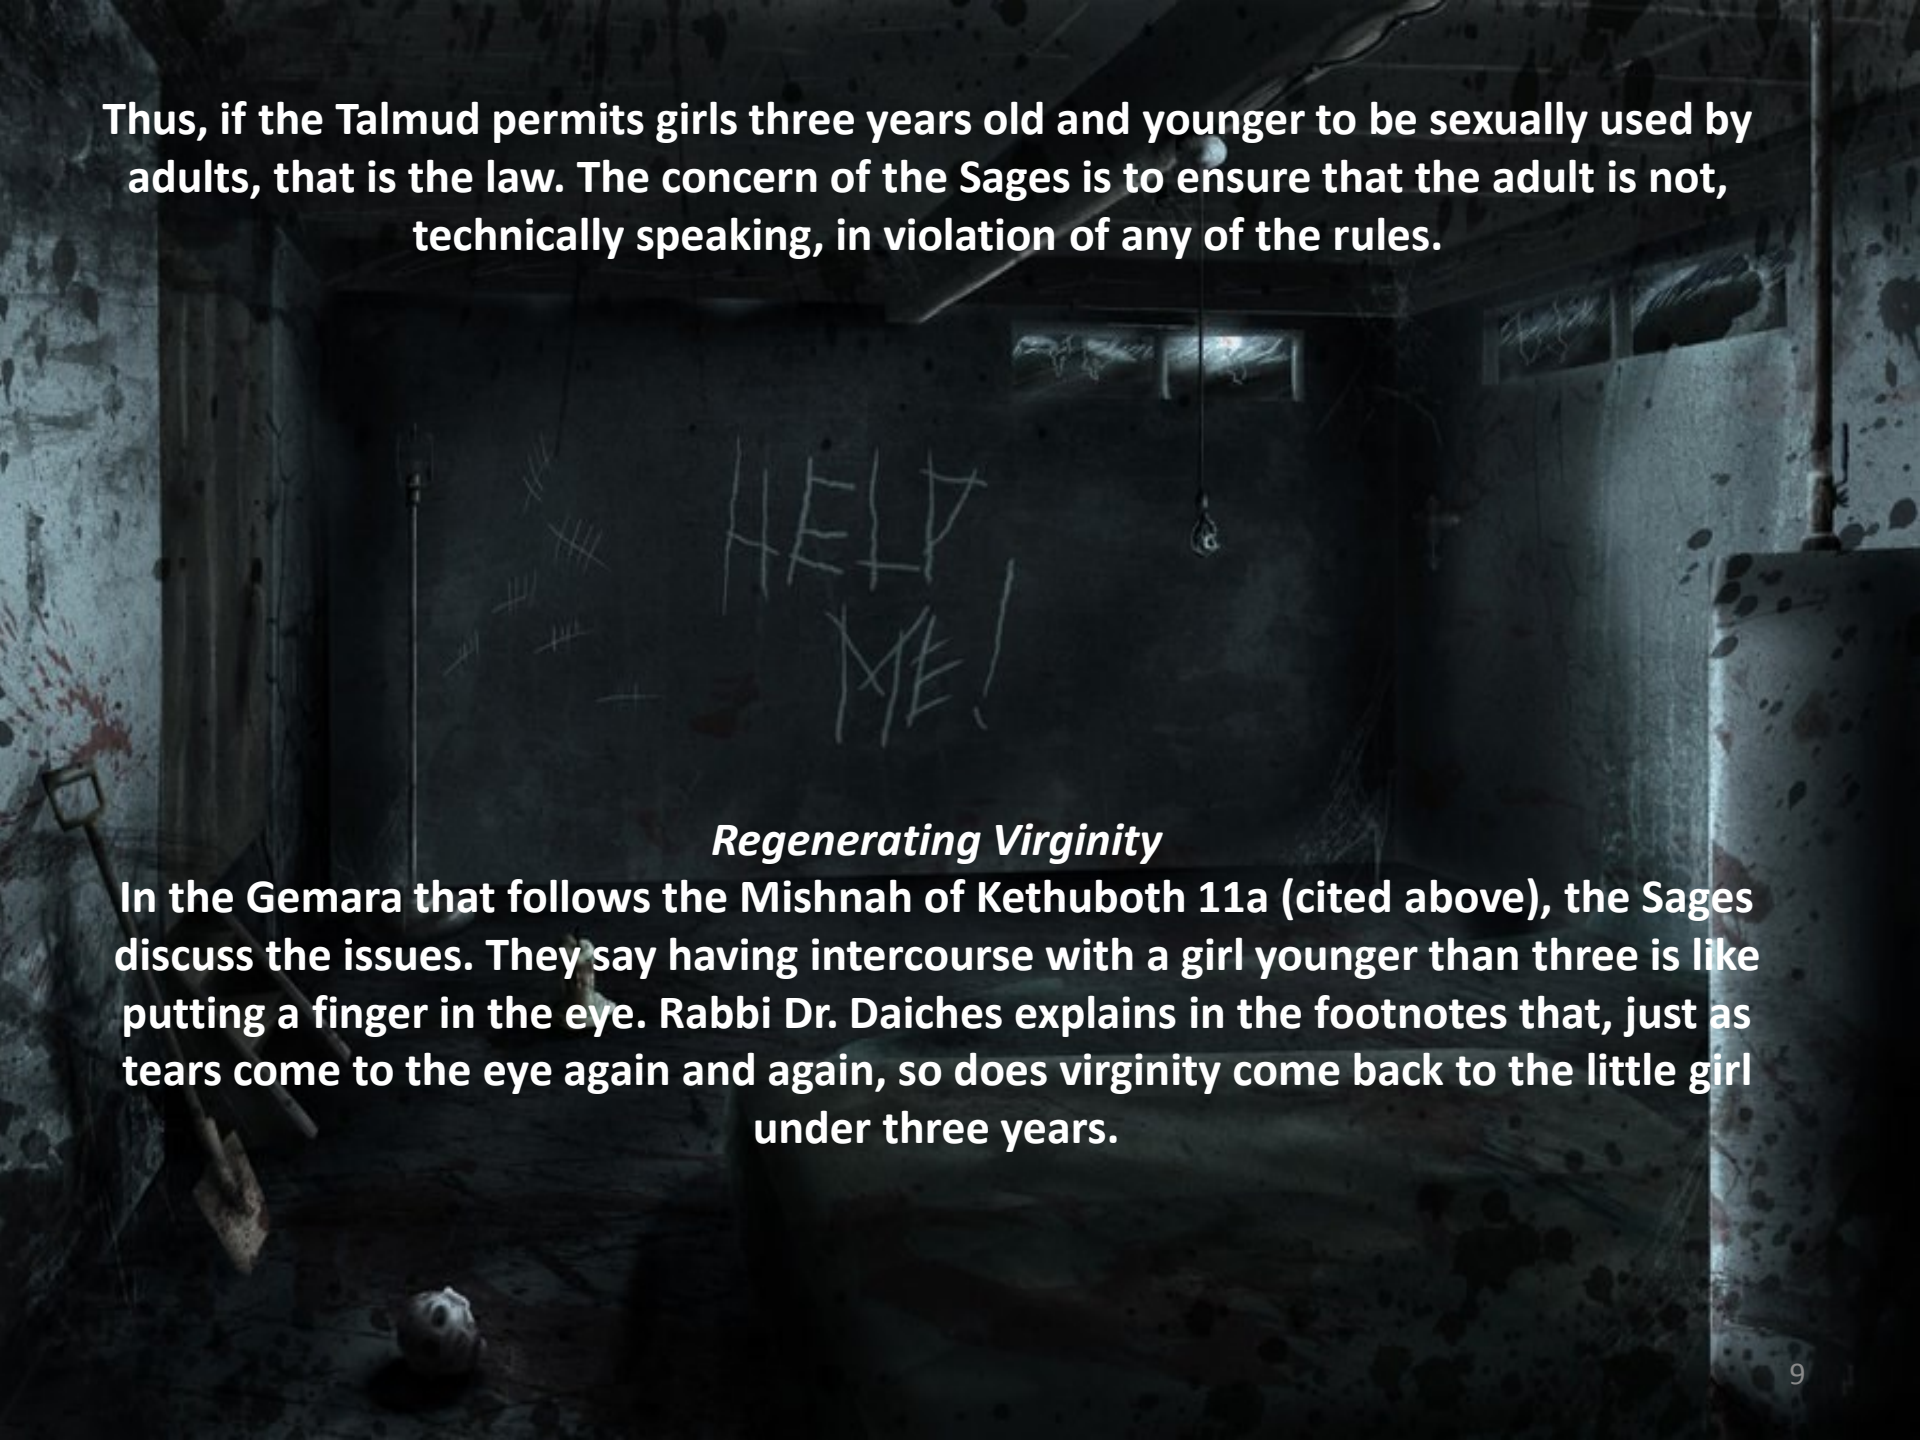

Soncino 1961 Edition, page 57

The translator, Rabbi Dr. Samuel Daiches, amplifies the text with footnotes:

7. A man who was of age.
8. Lit., 'who came on'.
9. Less than three years old.
10. Less than nine years of age.
11. Lit., 'One who was injured by wood', as a result of which she injured the hymen.

Let's review the above-cited Mishnah: "When a grown-up man has had sexual intercourse with a little girl, or when a small boy has intercourse with a grown-up woman ..." It is obvious that sex activity between a grown man and a little girl, and between a grown woman and a little boy, is a part of the woof and the warp of everyday Talmud life; such relationships, in the eyes of the Sages, are unremarkable. There is no prohibition on sexual activity between adults and young children — it is simply regulated. Recall the words of the Very Reverend the Chief Rabbi of the British Empire the late Dr. Joseph Herman Hertz:

A dark, grimy room with graffiti on the wall and a hanging light fixture. The room appears to be a prison cell or a similar confined space. The walls are covered in graffiti, including the word "HELP" and "ME!". A light fixture hangs from the ceiling, and a door is visible on the right side of the frame. The overall atmosphere is bleak and oppressive.

Thus, if the Talmud permits girls three years old and younger to be sexually used by adults, that is the law. The concern of the Sages is to ensure that the adult is not, technically speaking, in violation of any of the rules.

Regenerating Virginity

In the Gemara that follows the Mishnah of Kethuboth 11a (cited above), the Sages discuss the issues. They say having intercourse with a girl younger than three is like putting a finger in the eye. Rabbi Dr. Daiches explains in the footnotes that, just as tears come to the eye again and again, so does virginity come back to the little girl under three years.

GEMARA. Rab Judah said that Rab said: A small boy who has intercourse with a grown-up woman makes her [as though she were] injured by a piece of wood. (1) When I said it before Samuel he said: 'Injured by a piece of wood' does not apply to (2) flesh. Some teach this teaching by itself: (3) [As to] a small boy who has intercourse with a grown-up woman, Rab said, he makes her [as though she were] injured by a piece of wood; whereas Samuel said: 'Injured by a piece of wood' does not apply to flesh. R. Oshaia objected: **WHEN A GROWN-UP MAN HAS HAD INTERCOURSE WITH A LITTLE GIRL, OR WHEN A SMALL BOY HAS INTERCOURSE WITH A GROWN-UP WOMAN, OR WHEN A GIRL WAS ACCIDENTALLY INJURED BY A PIECE OF WOOD — [IN ALL THESE CASES] THEIR KETHUBAH IS TWO HUNDRED [ZUZ]; SO ACCORDING TO R. MEIR. BUT THE SAGES SAY: A GIRL WHO WAS INJURED ACCIDENTALLY BY A PIECE OF WOOD — HER KETHUBAH IS A MANEH!** (4) Raba said, It means (5) this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this, (6) it is as if one puts the finger into the eye; (7) but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood,' and [with regard to the case of] 'a girl injured by a piece of wood,' itself, there is the difference of opinion between R. Meir and the Sages.

— Babylonian Talmud, Tractate Kethuboth 11b

Soncino 1961 Edition, page 57-58

1. Although the intercourse of a small boy is not regarded as a sexual act, nevertheless the woman is injured by it as by a piece of wood.
2. Lit., 'is not in'.
3. I.e., the difference of opinion between Rab and Samuel with regard to that question was recorded without any reference to R. Judah.
4. The Sages differ only with regard to a girl injured by a piece of wood, but not with regard to a small boy who has intercourse with a grown-up woman. This shows that the latter case cannot be compared with the former case. The Mishnah would consequently be against Rab and for Samuel.
5. Lit., 'says'.
6. Lit., 'here', that is, less than three years old.
7. I.e., tears come to the eye again and again, so does virginity come back to the little girl under three years. Cf. Nid. 45a.

— Rabbi Dr. Daiches

"... Of Lesser Age, No Guilt is Incurred"

In modern America, sex between an adult and a child is condemned in proportion to the youth of the child. That is, Americans generally consider sex with a fifteen year old, a twelve year old, a six year old, and a three-year-old on a continuous scale of condemnation. The younger the child, the greater the condemnation.

Talmudic law works on the reverse scale: sex with younger children is less significant than sex with older children. How did this doctrine come about?

Scripture states thus:

Thou shalt not lie with mankind, as with womankind: it is abomination.

— Leviticus 18:22 (KJV)

The Old Testament prohibits a man lying with a man; but notice, the Old Testament does not prohibit a man lying with a boy. Thus, the Talmud Sages arrive at their position on pederasty. In the following, bestiality said to be committed "naturally" when a man uses the vaginal passage of the beast, and "unnaturally" when a man uses the anal passage of the beast. The Sages make a similar distinction for the couplings of a woman with a beast.

As has always been the case with "man" - if they can find a loophole to allow things, they will - without a doubt, this would NOT have been ANYTHING Yahuah wanted to happen to his children!!!!

This belongs more with the adversary, the "do what you will" culture - but the adversary is a good lawyer who will help you find the loopholes!!!

Children as Concubines, Babies as Wives

The ancient Hebrews were permitted to use children as concubines. Moses established the precedent. In the passage below, the Hebrews have just massacred the Midianite men. They return home with booty, and the Midianite women and children. Moses directs them to slaughter the captive women and children with this exception: virgin girl children are to be kept as concubines for the Hebrews.

Numbers 31:18 But all the women children, that have not known a man by lying with him, keep alive for yourselves

In the following, the Talmud Sages reason that, since Phinehas was among the Hebrews who were permitted a child concubine and Phinehas was a priest, Numbers 31:17-18 is Divine sanction for the marriage of priests with girls under the age of three — babies. The rabbis describe the babies as proselytes. The *American Heritage Dictionary* defines *proselyte* as "a Gentile converted to Judaism." In the following passage, a bondman is a male slave, and a bondwoman a female slave.

Muslim cleric defends 'marriage' to six-year-old girl by saying she was 'religious offering' to him

This girl does not speak, but only repeats one thing- 'I am afraid of this man', ' an official said

An Afghan cleric has defended his marriage to a six-year-old girl, saying she was a "religious offering" to him.

Mohammad Karim, who is believed to be in his sixties, was arrested after marrying the girl. He has told officials that he had been given the girl as a "religious offering" by her parents, Agence France-Presse reports.

However, her parents reportedly claim she was abducted without their consent from the Herat province.

**By exaggerating Palestinian suffering, and by blaming the Jews for it, the UN has muffled the cries of those who suffer on a far larger scale.
For over fifty years the indigenous black African population of Sudan -- Christians and Muslims alike --- have been the victims of the brutal, racist Arab Muslim regimes in Khartoum.**

In South Sudan, my homeland, Sudan, about four million innocent men, women and children were slaughtered from 1955 to 2005. Seven million were ethnically cleansed, and they became the largest refugee group since World War II.

Everybody at the United Nations is concerned about the so-called Palestinian refugees. They dedicated a separate agency to provide for them; this agency, UNWRA, treats them with a special privilege.

Created in December 1949, the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA)

Meanwhile, my people, ethnically cleansed, murdered and enslaved, are relatively ignored. The UN even resisted using the word "slavery" to describe the enslavement of tens of thousands of my people. Why? Because slavery is a crime against humanity, apparently no one committing it wanted to end up before an international court. When Khartoum insisted that the term "abducted people" be substituted for the word "slaves," the UN, caved to Arab pressure and agreed.

RWANDA
IN DARFUR

PROTECT DARFUR

www.protectdarfur.org

Take Darfur, for example. Who knows really what is happening in Darfur? It is not a "tribal conflict." It is a conflict rooted in Arab colonialism, as it has typically been practiced in Africa. In Darfur, a region in the Western Sudan everybody is Muslim. Everybody is Muslim because the Arabs invaded the North of Africa and converted the indigenous people to Islam. In the eyes of the Islamists in Khartoum, the Darfuris are not Muslim enough. And they also do not want to be Arabized. They like their own African languages and dress and customs. They resist Arabization. The Arab response is genocide. But nobody tells the truth about Darfur.

In the Nuba Mountains, another region of Sudan, genocide is taking place as I speak. The regime is targeting the black Africans -- Muslims and Christians. This happened to the Nuba people before. In the 1990's hundreds of thousands were murdered; a large number of women were raped; children were abducted and forcibly converted to Islam. Nobody at the UN told the truth about the Nuba Mountains.

Chattel slavery, a centuries-long practice in Sudan, was revived as a tool of war in the early '90s. The Islamist regime in Khartoum declared jihad, or holy war, and thereby legitimized taking slaves as war booty. Arab militias were sent to destroy Southern villages and were encouraged to take African women and children as slaves. We believe that up to 200,000 were kidnapped, brought to the North and sold into slavery. I am a living proof of this crime against humanity.

I do not like talking about my experience as a slave, but I do it because it is important for the world to know that slavery exists even today.

A photograph of Simon Deng, a man with a mustache, wearing a dark blue suit, white shirt, and red patterned tie. He is speaking and gesturing with his right hand. The background is a blurred green outdoor setting. A small American flag pin is visible on his lapel.

I was only nine years old when I was made a slave. An Arab neighbor named Abdullahi tricked me into following him to a boat destined to Northern Sudan where he gave me as a gift to his family. For three and a half years I was their slave going through something that no child should ever go through: brutal beatings and humiliations; working around the clock; sleeping on the ground with animals; eating the family's left-overs. During those three years I was unable to say the word "no." All I could say was "yes," "yes," "yes."

Islamic Sex Slavery: Muslim Gangs Now Kidnapping Thousands of Girls and Women in Europe

Walid Shoebat — November 12, 2016

<http://freedomoutpost.com/islamic-sex-slavery-muslim-gangs-now-kidnapping-thousands-of-girls-and-women-in-europe/>

Nigerian females have been landing in Italy in significant numbers since the 1980s, lured by the promise of jobs only to find themselves with colossal debts to the traffickers who got them here.

The trade has exploded in recent years. According to IOM figures, 433 Nigerian women arrived in 2013, 1,454 in 2014, 5,653 last year and 7,768 in the first nine months of 2016.

“We estimate that between 70 and 80 percent of them are in danger of being forced into prostitution,” said the IOM’s Luca Pianese, adding that the numbers do not include hundreds of minors.

This should come as no surprise. Muslims have always been involved in the sex slave trade since the dawn of Islam. African, European, or Asian, it did not matter, since as long as they are non-Muslims and because Islam has no respect for life they would trade people like baseball cards and abuse them like dogs for their convenience or pleasure. The [Muslim slave trade](#) in African people dwarfed anything the Europeans had ever done, and it was often times African Muslims who sold fellow Africans to European traders for work on the plantations of the American and Caribbean and Christians who rescued them.

Such was the case of Giuseppina Margherita [Bakhita](#). She was born in 1869 as pagan in Sudan and was captured at the age of 8 by Muslim slave traders. Over the next six years she was sold to five different masters, viciously raped and beaten daily, and subjected to horrible torture, such as with one master, and Ottoman Turk, whose wife had her body permanently scarified for fun.

One day when her last master put her up for sale, an Italian diplomat in Sudan, Augusto Micheli, saw her and purchased her as a servant for the consulate with the intention of giving her freedom after he left. However, she insisted that she come with him to Italy. Bakhita eventually was baptised, and became a nun with the Canossian Sisters and in 2000 was canonized by the Catholic Church.

The Irish Slave Trade The Forgotten White Slaves

Whenever they rebelled or even disobeyed an order, they were punished in the harshest ways. Slave owners would hang their human property by their hands and set their hands or feet on fire as one form of punishment. They were burned alive and had their heads placed on pikes in the marketplace as a warning to other captives

Irish Slave Facts

The Irish slave trade began when **James II sold 30,000 Irish prisoners as slaves to the New World.** His Proclamation of **1625** required Irish political prisoners be sent overseas and sold to English settlers in the West Indies. By the mid **1600s**, the **Irish were the main slaves** sold to Antigua and Montserrat (70% of the total population of Montserrat were Irish slaves at this time). From **1641 to 1652**, over 500,000 Irish were killed by the English and **over 300,000 were sold as slaves.**

Ireland's population fell from about 1,500,000 to 600,000 in one single decade.

During the **1650s**, over **100,000 Irish children** between the ages of 10 and 14 were forcibly taken from their parents and sold as slaves in the West Indies, Virginia and New England. Another **52,000 Irish (mostly women and children)** were sold to Barbados and Virginia while **30,000 Irish men** were sold to the highest bidder.

In **1656**, Oliver Cromwell ordered that **2000 Irish children** be taken to Jamaica and sold as slaves to English settlers.

African slaves were very expensive (50 Sterling), had to be transported long distances and paid for not only in Africa but in the New World. Irish slaves were cheap (no more than 5 Sterling) and most often were either kidnapped from Ireland, prisoners or forcibly removed. They could be worked to death, whipped or branded without it being a crime. Many, many times they were beat to death and while the death of an Irish slave was a monetary setback, it was far cheaper than the death of an expensive African. Therefore, African slaves were treated much better in Colonial America.

The importation of Irish slaves continued well into the eighteenth century, long after the importation of African slaves became the norm. Records state that **after the 1798 Irish Rebellion**, thousands of Irish slaves were sold to both America and Australia.

Irish slavery didn't end until **Britain decided to end slavery in 1839** and stopped transporting slaves.

White slavery in the Industrial Revolution

in the 18th century in Britain and America, the Industrial Revolution spawned the factory system whose first laborers were miserably oppressed White children as young as six years of age. They were locked in the factories for sixteen hours a day and mangled by the primitive machinery. Hands and arms were regularly ripped to pieces. Little girls often had their hair caught in the machinery and were scalped from their foreheads to the back of their necks.

White Children wounded and crippled in the factories were turned out without compensation of any kind and left to die of their injuries. Children late to work or who fell asleep were beaten with iron bars. Lest we imagine these horrors were limited to only the early years of the Industrial Revolution, eight and ten year old White children throughout America were hard at work in miserable factories and mines as late as 1920."

HOW KENNEDY AND HIS PEDOPHILES WEAKENED THE CHILD SAFETY BILL

By Rev. Ted Pike Fall 2014

On October 20, 2005 Sen. Edward Kennedy had it all. His cherished "anti-hate bill," the Local Law Enforcement Hate Crimes Protection Act of 2005, had been passed by the House of Representatives. It had been attached as a rider to the Children's Safety Act, H.R.3132. There was no opposition in the House, and it passed in only 45 minutes.

If the hate bill had passed, America would have entered the prison of a "bias-motivation" justice system, with federal and local police jurisdiction largely united. Such a "police state" has already muzzled lovers of free speech in countries like Canada, Sweden, and Germany. (think what has been going on today in 2016)

A dark, narrow hallway with brick walls and a doorway at the end. The lighting is dim, creating a somber and confined atmosphere. The walls are made of rough, textured bricks, and the floor appears to be concrete or stone. A doorway is visible at the end of the hallway, leading to a brighter area.

Kennedy, riding high, was in no hurry to pass his hate bill. He considered its passage already assured. What he really wanted was to make his pedophile supporters happy. They were distressed by the restrictions the Children's Safety Act would impose upon them. Kennedy made this proposal: If the Republicans would water down their version of the Children's Safety Act (CSA), lightening the penalties for pedophilia, he would wait to attach his hate bill (S.1145) until he introduced it in the Senate.

Update: In 2012 the (UNODC) United Nations Office on Drugs and Crime reports the percentage of child victims had risen in a 3 year span from 20 per cent to 27 per cent. Of every three child victims, two are girls and one is a boy.

Gender and age profile of victims detected globally: 59% Women - 14% Men - 17% Girls and 10% were Boys.

- 600,000 to 800,000 women, children and men bought and sold across international borders every year and exploited for forced labor or commercial sex (U.S. Government)

- When internal trafficking victims are added to the estimates, the number of victims annually is in the range of 2 to 4 million

- 50% of those victims are estimated to be children

- It is estimated that 76 percent of transactions for sex with underage girls start on the Internet

- 2 million children are subjected to prostitution in the global commercial sex trade (UNICEF)

- There are 20.9 Million victims of Trafficking World wide as of 2012

- 1.5 Million victims in the United States

http://henrymakow.com/illuminati_defector_mary_anne.html

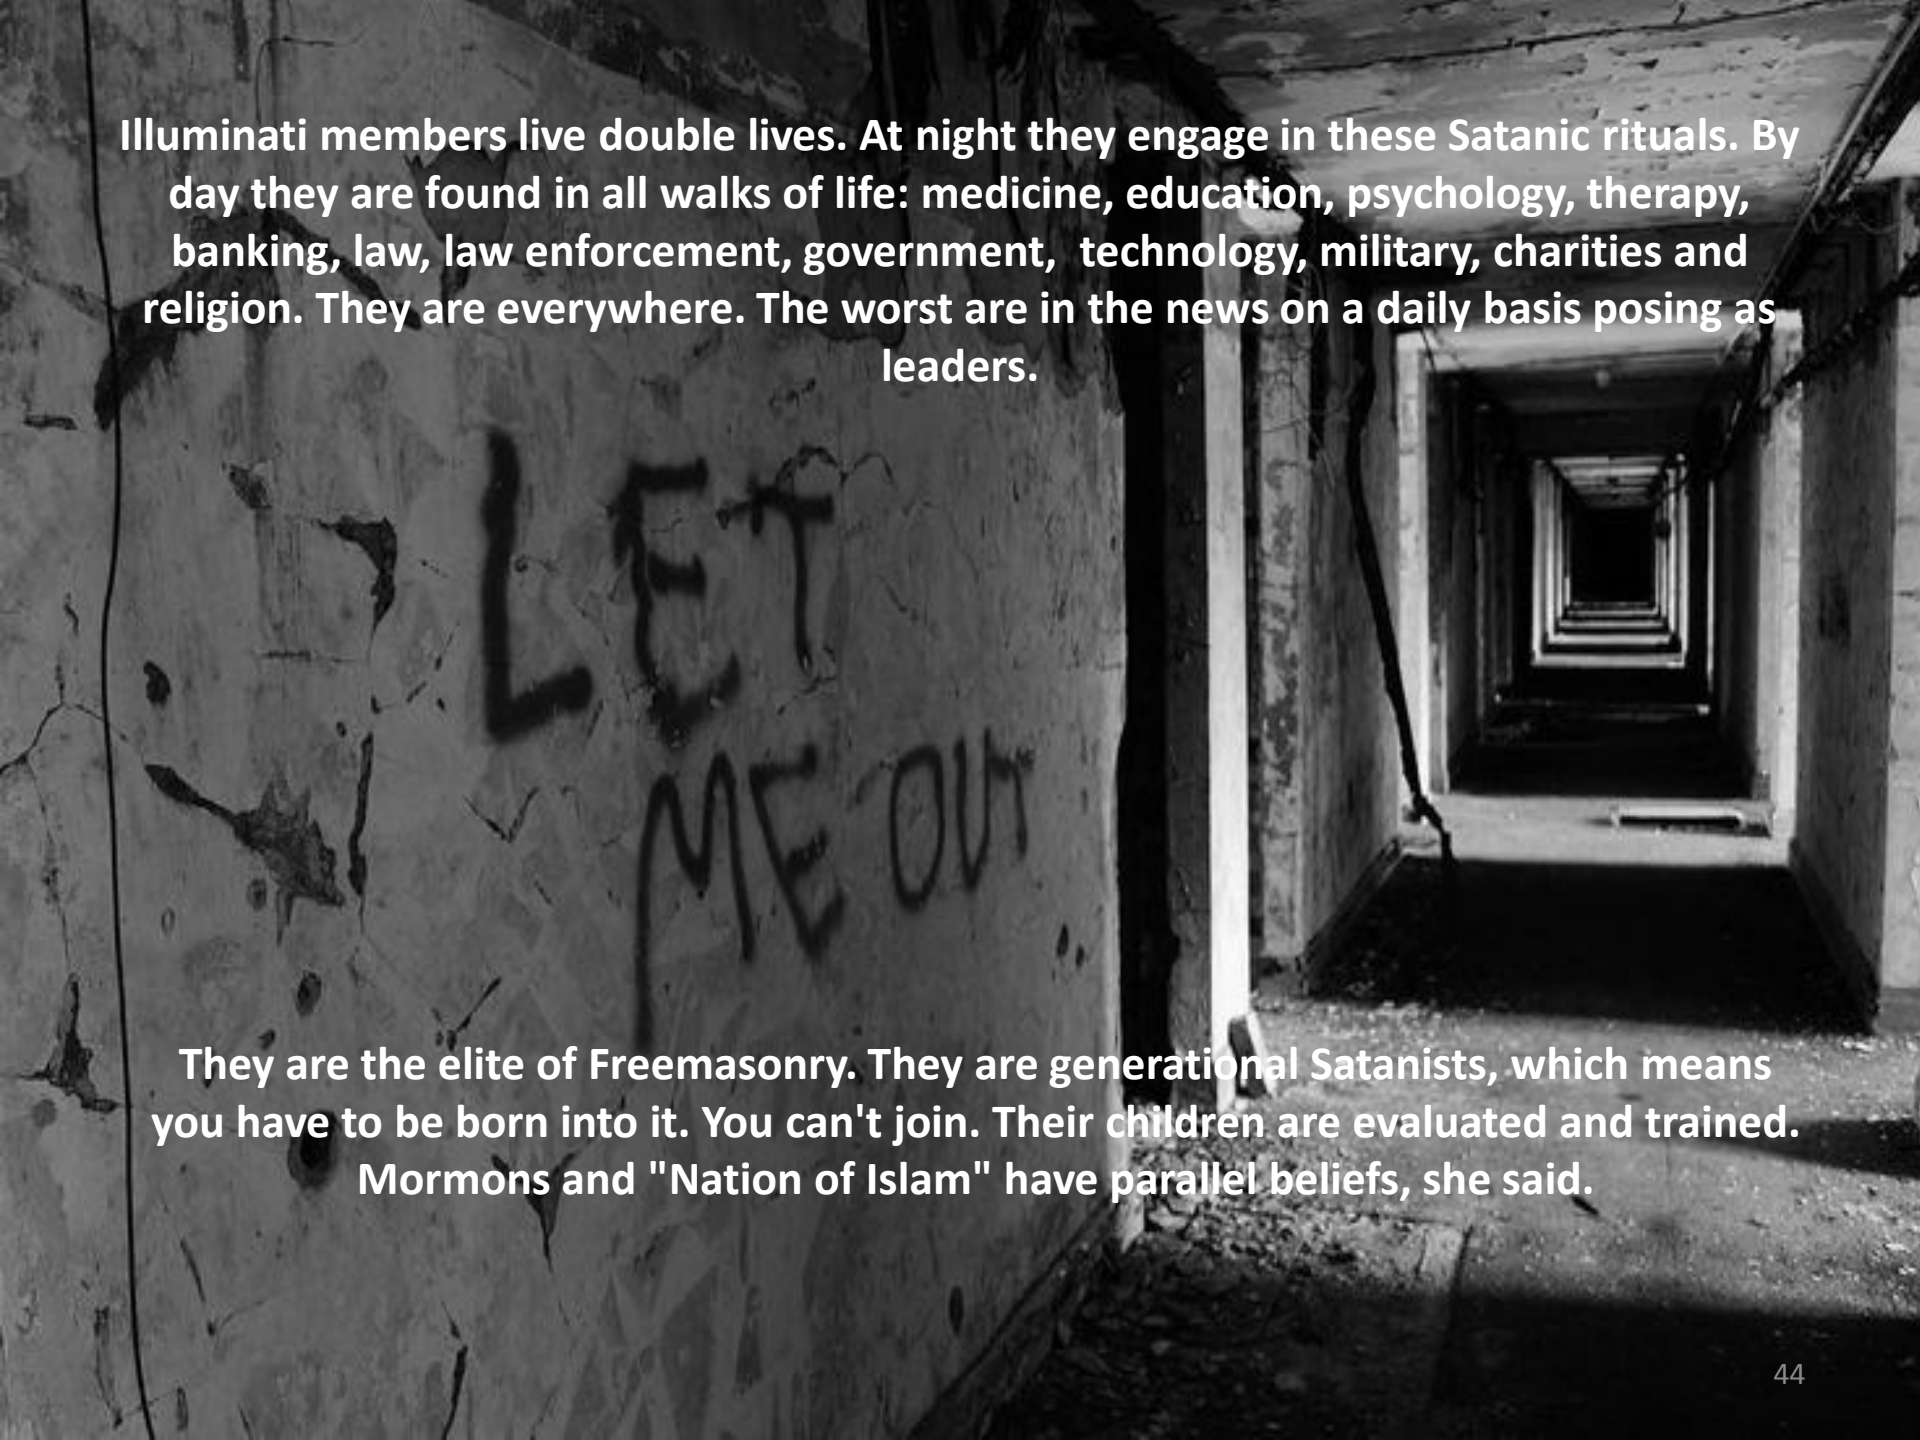

The Illuminati sacrifice children in rituals eight times a year, "Mary Anne," an Illuminati defector who had been groomed for high political office, told me Sept 21, 2008 .

I am summarizing [my 2008 interview here](#) and another 14 months later. Much of what she says is *simply outrageous*. I can't vouch for any of it. But it is consistent with the testimony of other defectors, Svali, [Sue Ford and Cathy O'Brien](#). The Illuminati count on people to be incredulous. That's their protection. The more egregious their crimes, the safer they are.

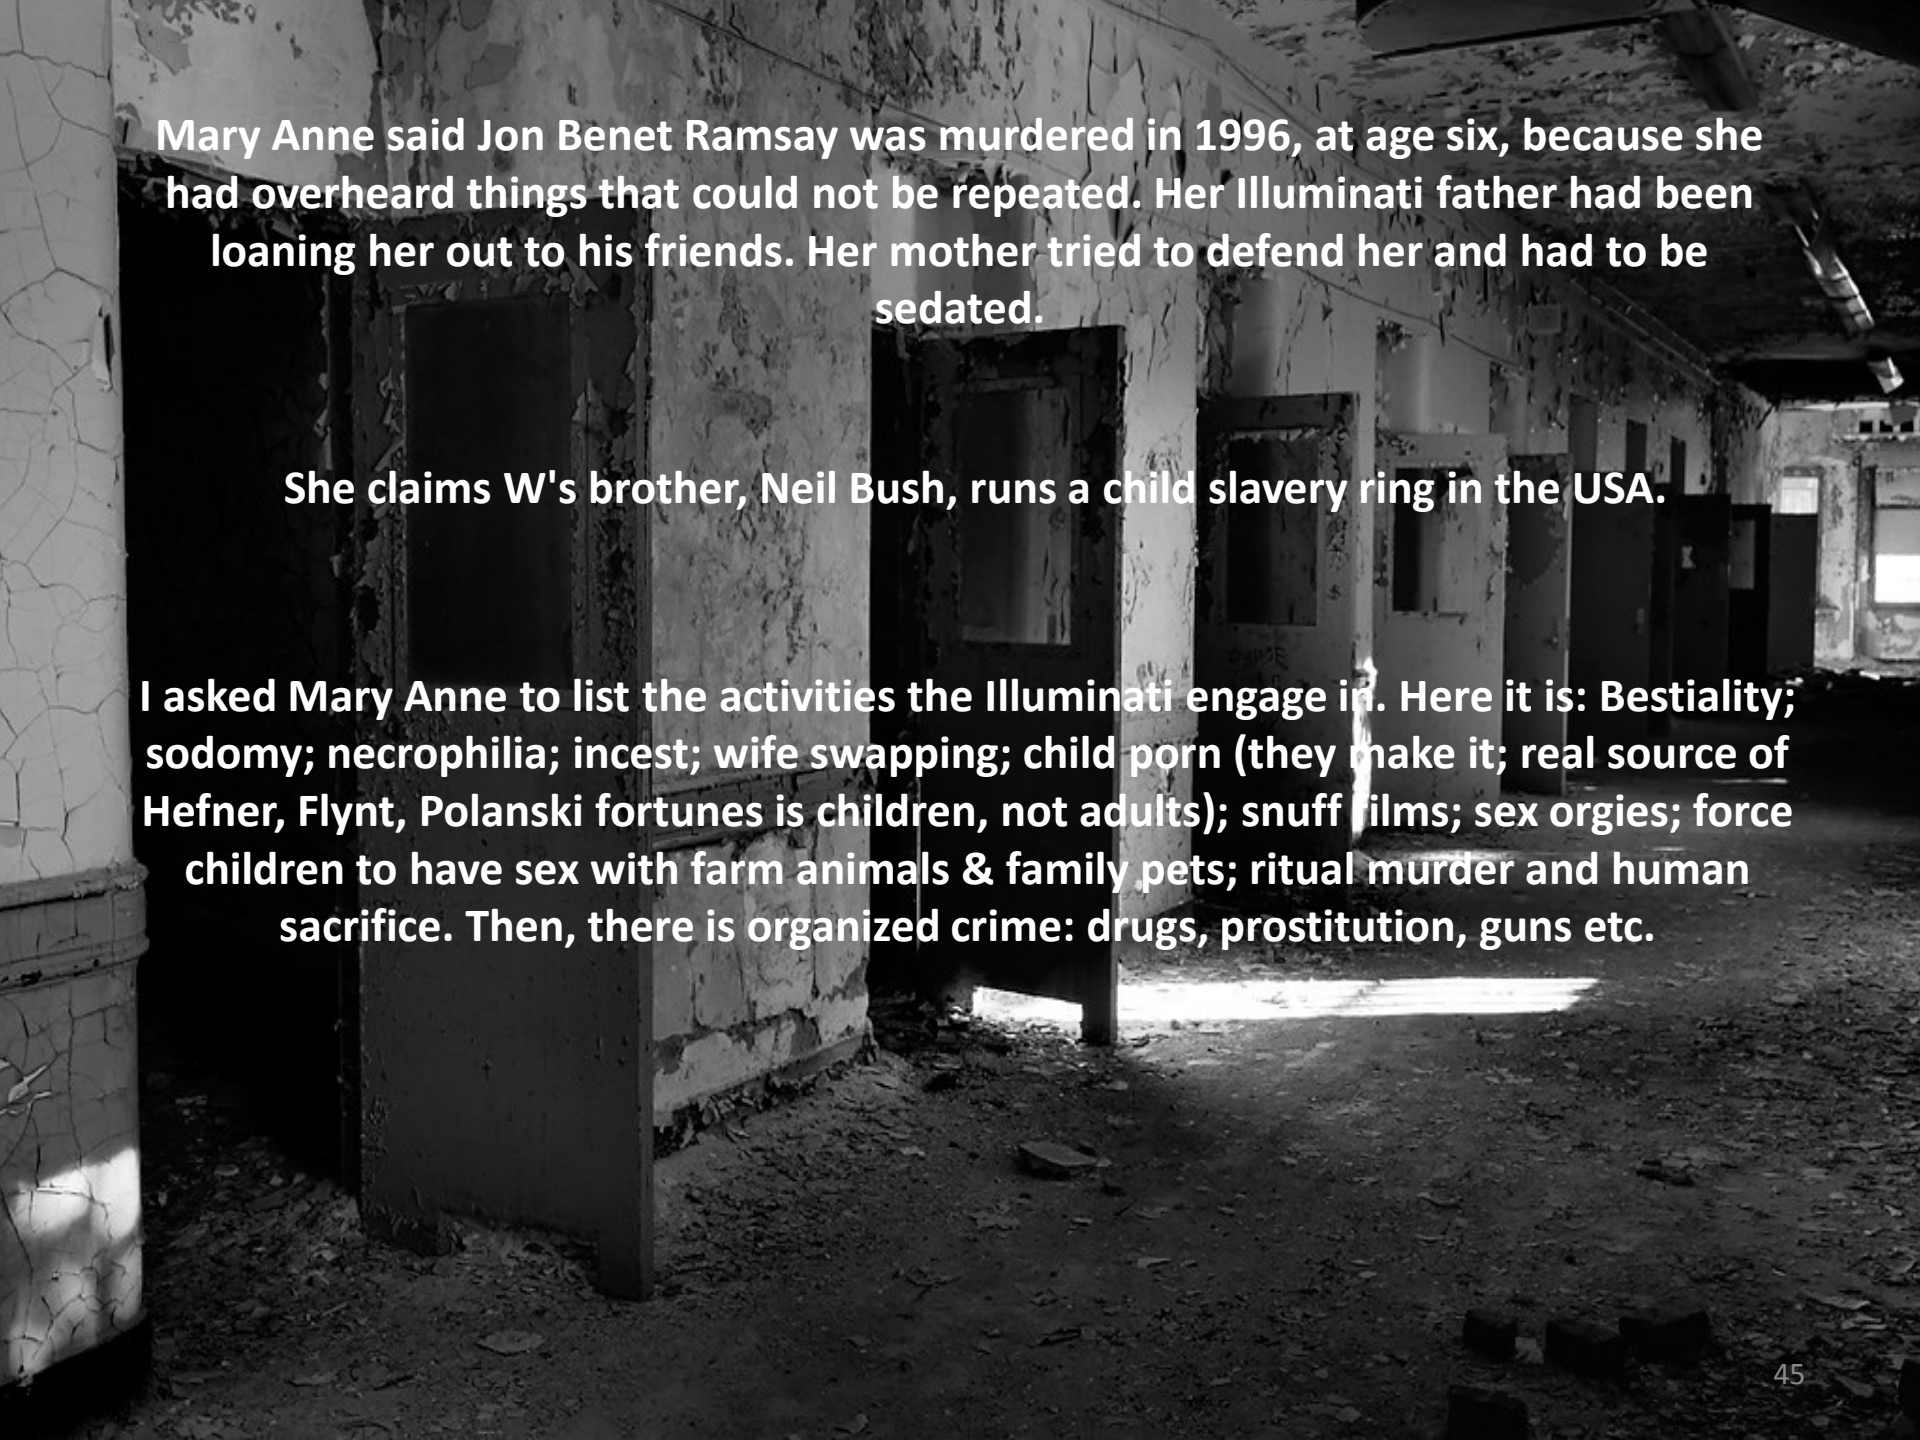

Sept. 21, 2008 was the autumnal equinox. Mary Anne said that tens of thousands of children will be sacrificed that night in Illuminati ceremonies. The children are bred for the purpose or kidnapped. Satanists believe they gain power from killing. Often they rip out the heart and eat a piece of it. They prefer it to be still beating. At Easter, they kill adults.

There are also sexual rituals involving young children. They are believed to increase power, and create fear and solidarity in members.

Illuminati members live double lives. At night they engage in these Satanic rituals. By day they are found in all walks of life: medicine, education, psychology, therapy, banking, law, law enforcement, government, technology, military, charities and religion. They are everywhere. The worst are in the news on a daily basis posing as leaders.

They are the elite of Freemasonry. They are generational Satanists, which means you have to be born into it. You can't join. Their children are evaluated and trained. Mormons and "Nation of Islam" have parallel beliefs, she said.

A dark, abandoned hallway with peeling paint and debris on the floor. The walls are covered in cracked and peeling white paint, and the floor is littered with rubble and dirt. Several door frames are visible, some of which are dark and appear to be boarded up or missing. The lighting is dim, with a bright patch of light on the floor in the distance, creating a somber and desolate atmosphere.

Mary Anne said Jon Benet Ramsay was murdered in 1996, at age six, because she had overheard things that could not be repeated. Her Illuminati father had been loaning her out to his friends. Her mother tried to defend her and had to be sedated.

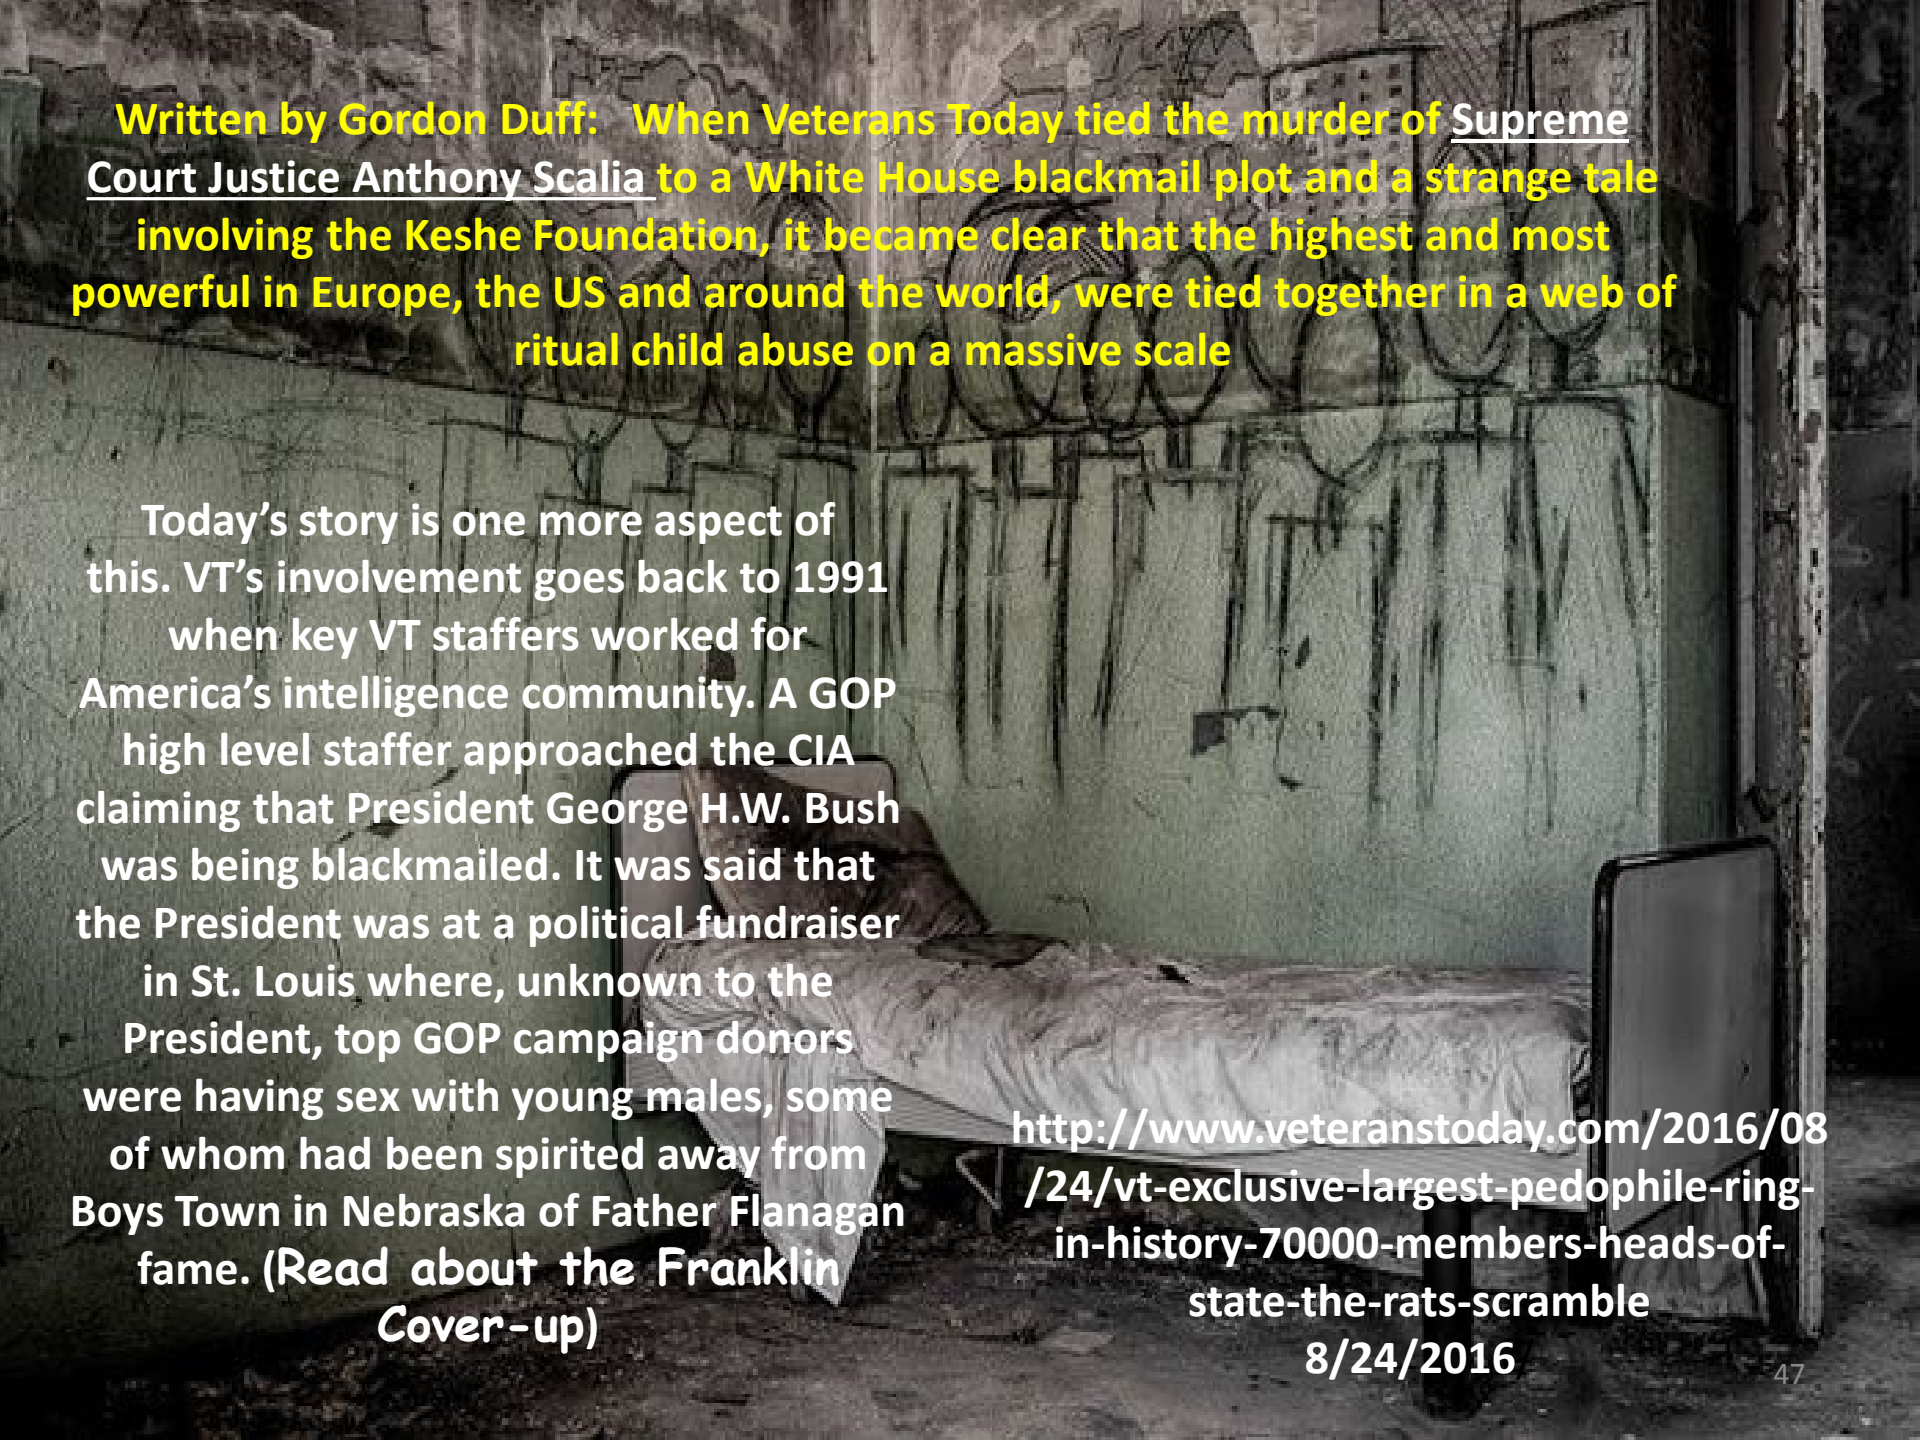

She claims W's brother, Neil Bush, runs a child slavery ring in the USA.

I asked Mary Anne to list the activities the Illuminati engage in. Here it is: Bestiality; sodomy; necrophilia; incest; wife swapping; child porn (they make it; real source of Hefner, Flynt, Polanski fortunes is children, not adults); snuff films; sex orgies; force children to have sex with farm animals & family pets; ritual murder and human sacrifice. Then, there is organized crime: drugs, prostitution, guns etc.

VT (Veterans Today) and Keshe take the lead in breaking the most insidious human trafficking gang on the planet.

(Actually they are behind, as the UK has been dealing with this now for over a year, and many others have been talking about the mess here in the US and how high up it goes, but better late than never)

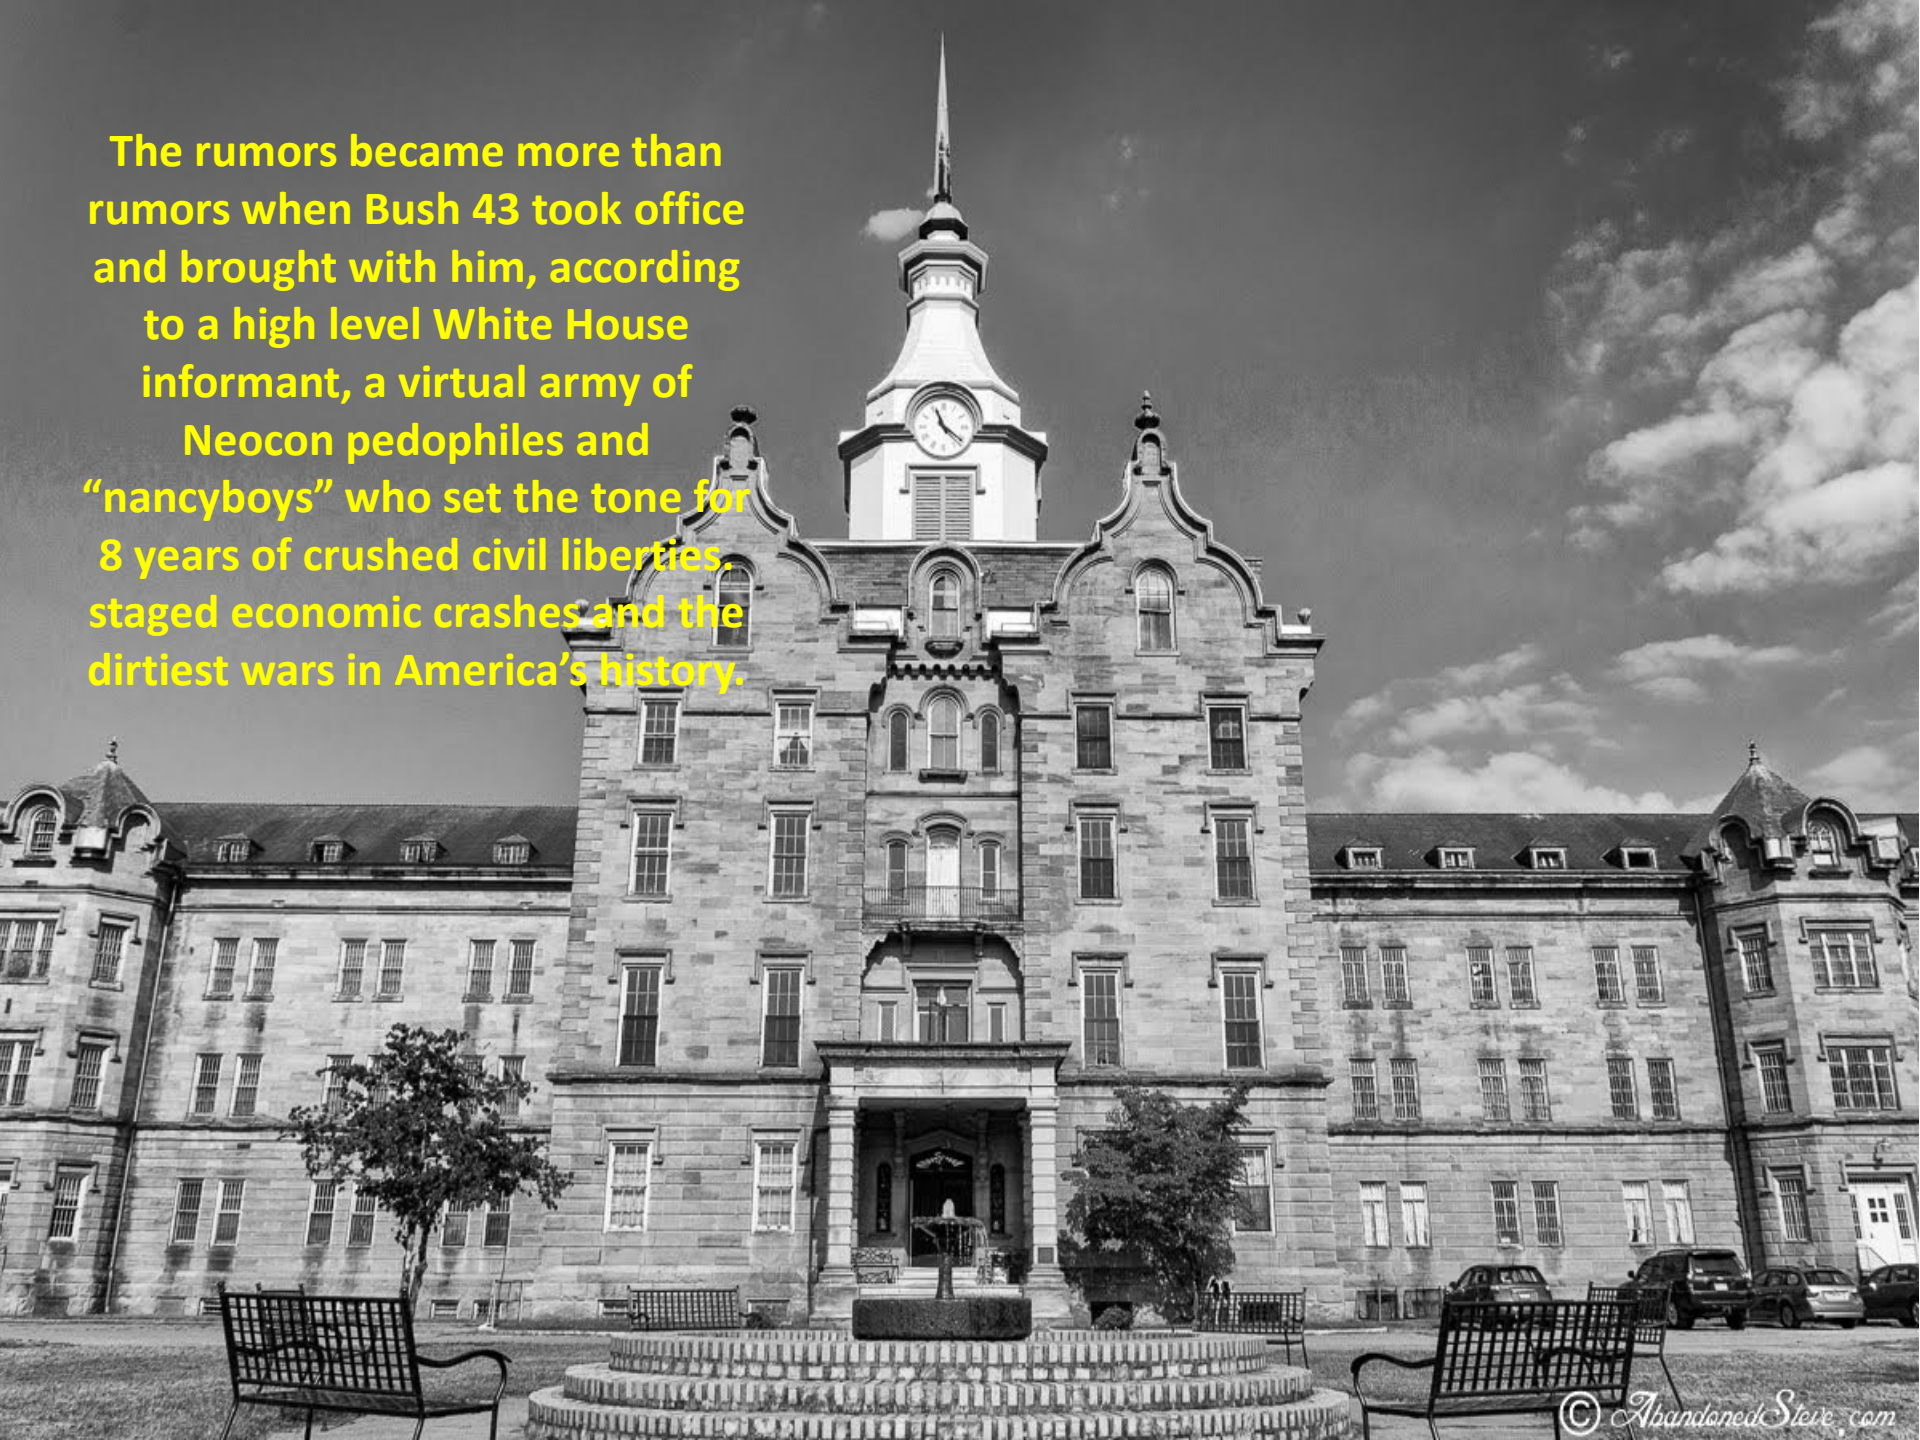

A dark, grainy photograph of a room, possibly a dormitory or a prison cell. In the foreground, there is a bed with a white sheet and a dark pillow. The wall behind the bed is covered in graffiti, including several circular symbols and some illegible text. The lighting is dim, creating a somber and unsettling atmosphere.

Written by Gordon Duff: When Veterans Today tied the murder of Supreme Court Justice Anthony Scalia to a White House blackmail plot and a strange tale involving the Keshe Foundation, it became clear that the highest and most powerful in Europe, the US and around the world, were tied together in a web of ritual child abuse on a massive scale

Today's story is one more aspect of this. VT's involvement goes back to 1991 when key VT staffers worked for America's intelligence community. A GOP high level staffer approached the CIA claiming that President George H.W. Bush was being blackmailed. It was said that the President was at a political fundraiser in St. Louis where, unknown to the President, top GOP campaign donors were having sex with young males, some of whom had been spirited away from Boys Town in Nebraska of Father Flanagan fame. The rumors became more than rumors when Bush 43 took office and brought with him, according to a high level White House informant, a virtual army of Neocon pedophiles and “nancyboys” who set the tone for 8 years of crushed civil liberties, staged economic crashes and the dirtiest wars in America’s history.

The door didn't open again until Iranian physicist, Mehran T. Keshe came to us with his own story. Invited to Belgium, sponsored by the Royal Family, Keshe was introduced to internet guru Sterling Allen and Belgian "fixer," Dirk Laressens. Within a short time, it became clear that he was there as a prisoner, not a guest, having fallen into a web of pedophiles that control public life in Belgium and the Netherlands, control corporations, courts, the police and do so rather publicly.

With Keshe's story, we traced Sterling Allen, through his work with Belgium's Royal Family, to his questioning by the FBI, to the seizure of his computers and eventually to his real task in life, webmaster for a massive pedophile ring that supplied children for the members of secret societies that control our daily lives through suppression of technology and the waging of endless war. Internet searches reportedly revealed several online videos in which Allan admitted he was a pedophile and had committed sex offenses against children.

BELGIUM ROYAL PALACE

A pedophile ring, 70,000 strong, has been identified and hundreds arrested, an organization run on the internet, centered in the Free Energy Community, including websites run out of Paris, the Netherlands and Belgium.

What isn't being told is that this same organization, also known as the Red Circle, runs through secret societies around the world:

**Bilderberg
St. Hubertus
Federalist Society
Knights of Malta (Rome, not
KMFAP in Budapest)
Council on Foreign Relations
Federal Reserve Bank
NATO
Royal Families of Belgium and
Netherlands

When Scalia arrived in Houston and chartered a plane after ditching his US Marshall protection detail, Scalia and his companion, C. Allen Foster. Foster heads the Order of Hubertus and is co-owner with John Poindexter of the Cibolo Creek Ranch, 25,000 plus acres free for anyone to use, according to John Poindexter, “free of charge,” so long as they are a supreme court justice, “A list” celebrity like Mick Jagger or billionaires, others need not apply.

The crux of the story is how they got Scalia. According to sources, Scalia had been providing protection for an international pedophile ring and was murdered by “friends” who he had informed of the nature of his visit with Obama and the doom it signaled for those around Scalia, prosecution, ruin and Citizens United reversed.

The mechanism Scalia used to provide this protection was the Federalist Society which chooses the judges throughout the US judiciary system so should any unfortunate pedophile find himself in court, the judge was under Scalia’s control, thus making a successful prosecution difficult to achieve.

Scalia met with the Order of Saint Hubertus, the patron saint of million dollar dude ranch hunting. As of yet, no one has identified who was there, it seems that Supreme Court justices are found all the time with pillows over their faces and nobody asks a thing, but this was Texas and they make their own rules down there.

It was this from Veterans Today that helped push this forward: “It was Keshe’s information given to the FBI in Italy that led to the seizure of Sterling Allan’s computer back in January of 2016, which led to the Obama White House getting files tying Justice “Tony” Scalia to a child sex ring and demonstrating that it was Scalia that had protected Allan. With Justice Scalia exposed to Obama blackmail, his own friends smothered him to death with a pillow, and walked past police, while the world moved on, no autopsy, no investigation.”

That explains why Hollande (President of the French Republic) was scared he is linked to child abuse in France, via Belgium as well. Abdessalem (Foreign Minister of Tunisia) was traded by the FBI so Hollande can stay in power, sign the tafta and much more allow American military presence in France, which is now turning against him... That explains why the US military unit near Milan was behind us to see what we had in stock against Bibi (Netanyahu) and Hollande... now that they have Hollande, they are pushing him to the edge, using pressure on Sarkozy, right hand of Bibi, they moved in Tripoli, blackmailing Roma.

Report: Bill Clinton Wasn't Only One to Go to 'Sex Slave Island,' Hillary Went with Him--'Six Times'

Citing a “well-placed source” in the New York Police Department, Blackwater USA founder and retired Navy SEAL Erik Prince claims that among the 650,000 Huma Abedin emails on her estranged husband’s laptop is evidence Hillary Clinton, as well as former President Bill Clinton, was a visitor to convicted pedophile Jeffrey Epstein’s Caribbean hideaway, known as “Orgy Island.”

Prince [told the Breitbart News Daily radio show](#) that Abedin and her estranged husband, former Democratic Rep. Anthony Weiner, are now cooperating with authorities in multiple investigations of Bill and Hillary Clinton. "They found State Department emails," he said of FBI investigators.

“They found a lot of other really damning criminal information, including money laundering ,including the fact that Hillary went to this sex island with convicted pedophile Jeffrey Epstein. Bill Clinton went there more than 20 times. Hillary Clinton went there at least six times.”

In May, [FoxNews.com](https://www.foxnews.com) reported Bill Clinton was a much more frequent flyer on Epstein’s infamous Boeing 727 “Lolita Express” jet than previously reported.

Flight logs show he took at least 26 trips and apparently even ditched his Secret Service detail for at least five of the flights. The manifests for the trips, between 2001 and 2003, identified fellow passengers by their initials or first names, including “Tatiana.” The jet was reportedly outfitted with a bed where passengers had group sex with young girls.

Vistors to Epstein's St James Island include

- **Ehud Barak**, the former Prime Minister of Israel (1999-2001) – pedophile being pandered underage girls by Epstein. Former Israeli Minister of Defense and also deputy Israeli prime minister under Binyamin Netanyahu from 2009 to 2013.
- **Prince Andrew** – British royalty – Jeffrey Epstein and his girlfriend Ghislaine Maxwell pandered Epstein sex slave Virginia Roberts to Prince Andrew multiple times. The victim girls say Prince Andrew was very sexually sadistic; they despised this sick, twisted creature.
- **Kevin Spacey** – actor in House of Cards. People tell me Spacey is gay and my response is "Have you ever heard of the word bisexual?" Spacey very good friends with 2 bigtime pedophiles: Jeffrey Epstein and Bill Clinton. Spacey, big Hollywood star, has 3.78 million Twitter followers.
- **Alan Dershowitz** – longtime friend of Epstein as well as one of his defense lawyers. **Dershowitz** was the one who negotiated that aburd plea bargain for Epstein that gave him a 13 months (served) sentence and a 16 hour/day day pass so he could spend most of his time in his mansion. Epstein sex slave Virginia Roberts has said that Epstein made her have sex with Dershowitz numerous times. The real question is how many other underage girls was Dershowitz having sex with? Virginia Roberts says Dershowitz also witnessed Epstein's pedophilic activities.

The Clinton investigation is now connected to a massive child trafficking and pedophile sex ring operating within Washington, D.C. Over the next few days, and this November 5th, we will be referencing evidence and exposing the Clinton foundations for multiple incidences of child trafficking and sex scandals.

Hillary Clinton is being investigated by the FBI for involvement in an elite Washington pedophile ring, according to veteran State Department official Steve Pieczenik.

Fact 3 (F3) John Podesta's emails dating back to the time of the abduction are missing.

John Podesta's emails were wiped or are missing from the Wikileaks release leading up to the date that McCann was missing. This cannot be disputed and is verifiable by Google authenticated email leaks released by Wikileaks. Here is a screenshot showing one of the earliest emails from Wikileaks — note the date of May 4, 2007, the day after McCann went missing.

Fact 4 (F4) An assistant was sending emails on John Podesta's behalf on May 4, 2007.

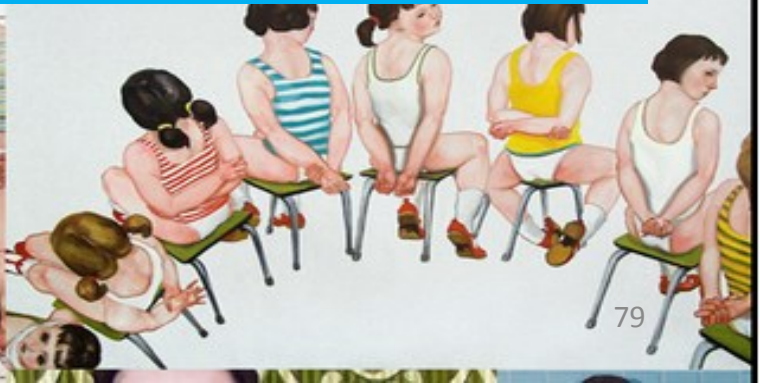

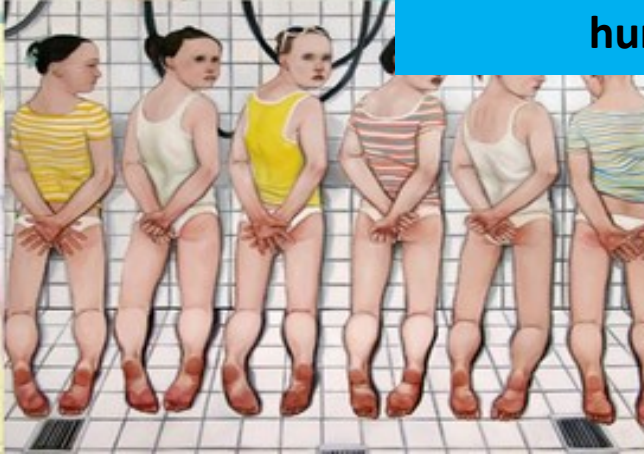

The email that starts on May 4, 2007, the day after McCann's abduction, is written to Mr. Sandler. Crucially: is *not* written *from* John Podesta himself, but *on behalf* of John Podesta, by an assistant named Elizabeth, indicating that John Podesta was either out of town or otherwise unavailable to handle emails.

You can view the email here: <https://wikileaks.org/podesta-emails/emailid/9364>.

These images were provided by [Biljana Djurdjevic](#), one of Tony's favorite "artists," who paints very realistic scenes of child abduction and/or abuse. Here is a collection of some images by Djurdjevic (you will notice Tony's school girl among them, next to the malnourished boy being hung against a tiled wall):

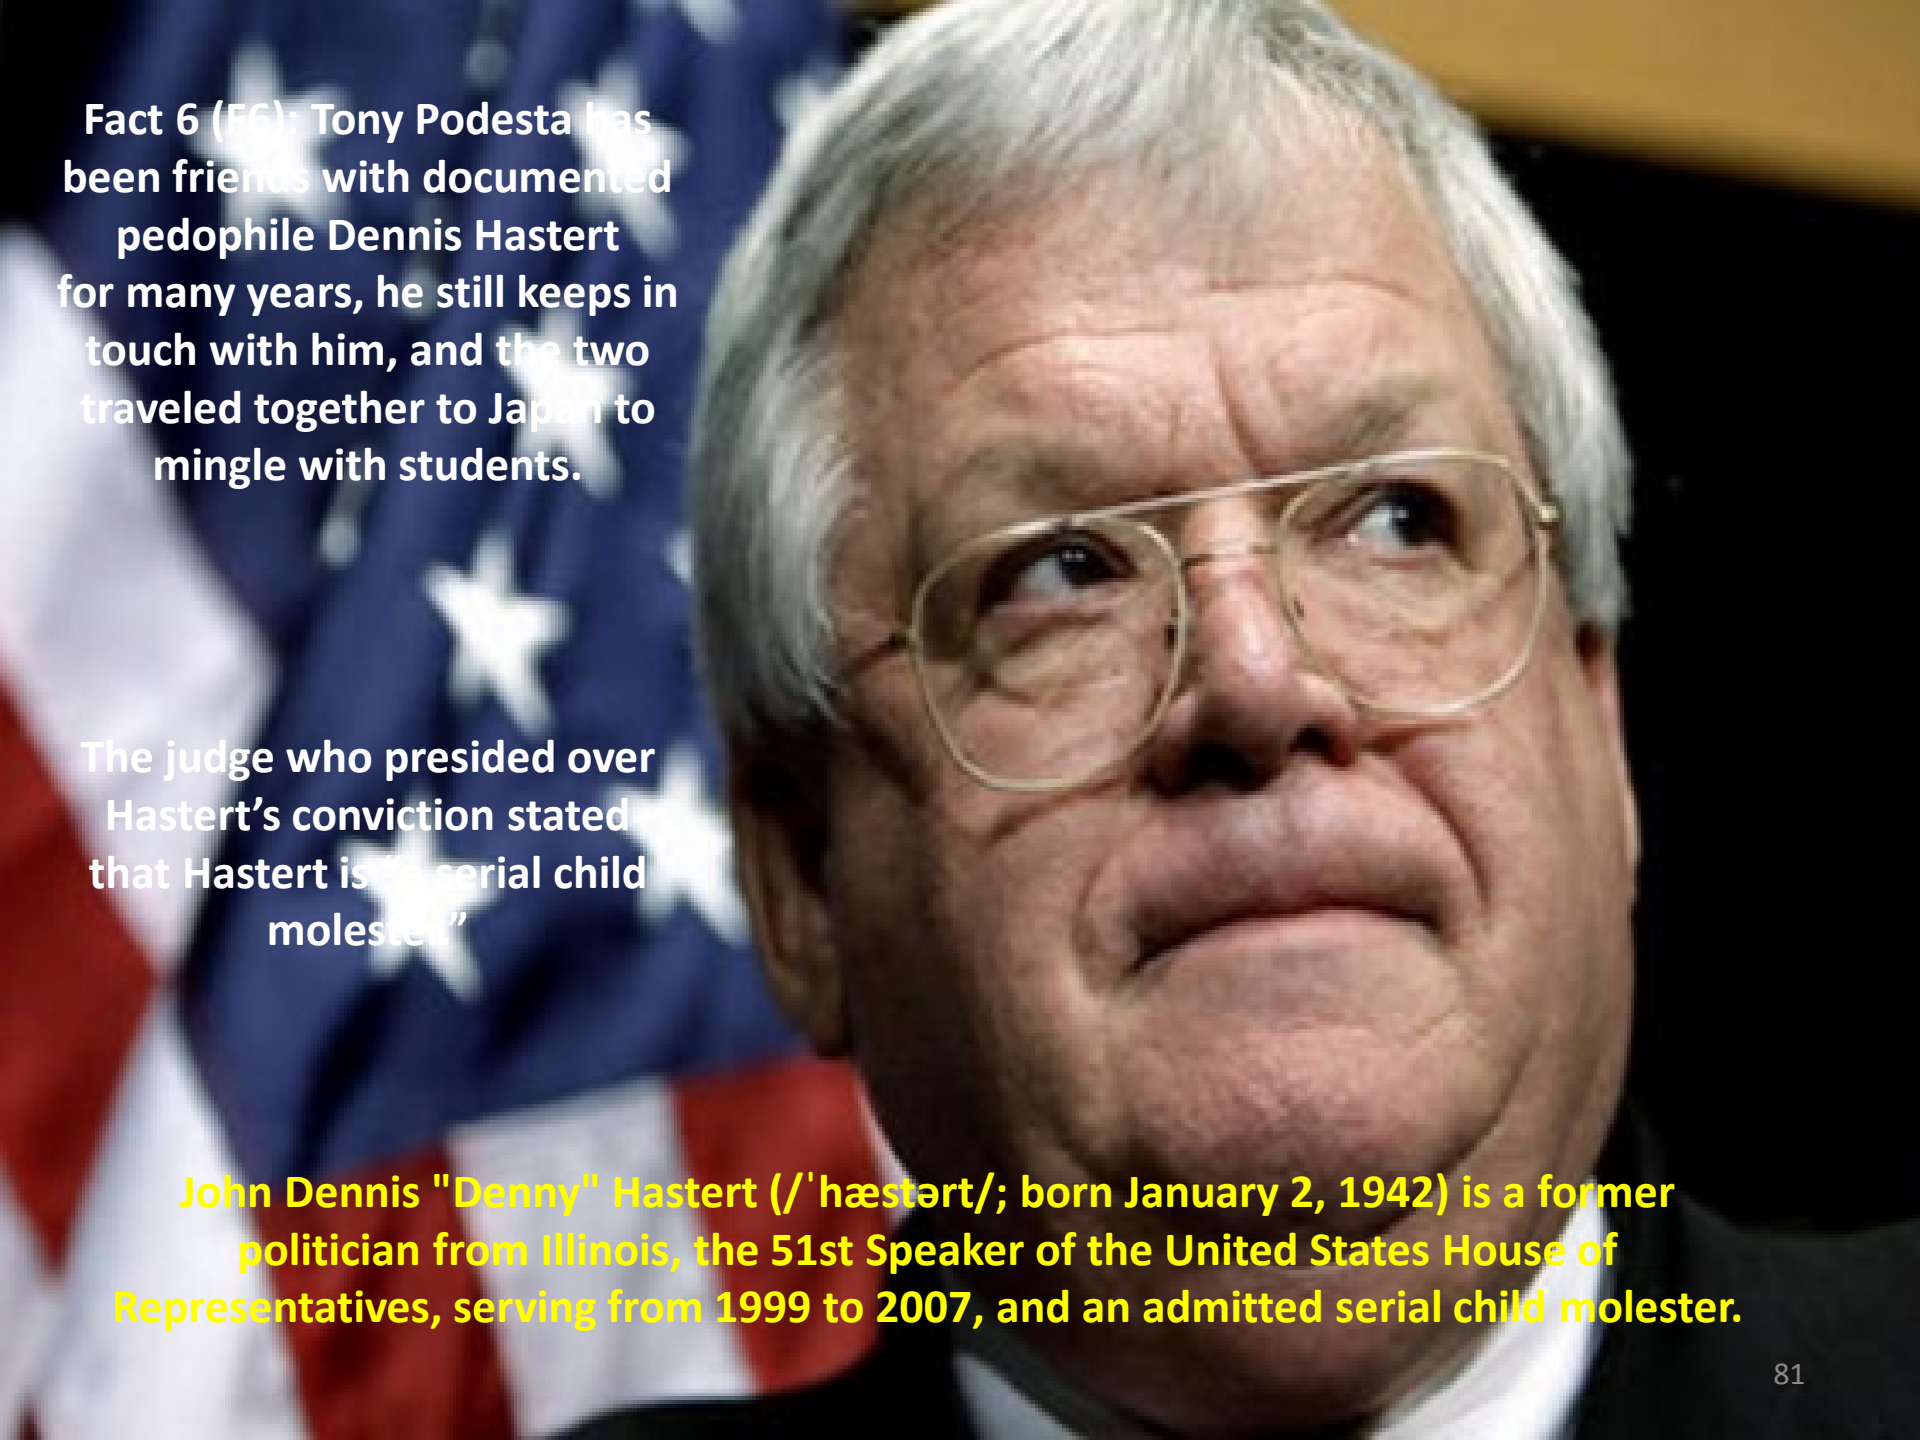

Jeffrey Dahmer loved to take Polaroids of his victims in strange poses after he had killed them. I suppose these were his trophies... in addition to the body parts he kept in the fridge. This person found himself to be quite the contortionist in death.
Practical Homicide Investigation by Vernon J. Geberth, CRC Press, 1996

Another sculpture that Tony has in his home appears to represent the same pose as a victim who was abducted and killed by Jeffrey Dahmer. Pictured on the left is Jeffrey Dahmer's actual victim, and on the right is Tony Podesta's representation near a cage-like structure beneath a staircase. (Note: this is known as the "Arch of Hysteria" – a sculpture by Louise Bourgeois.)

Fact 6 (56): Tony Podesta has been friends with documented pedophile Dennis Hastert for many years, he still keeps in touch with him, and the two traveled together to Japan to mingle with students.

The judge who presided over Hastert's conviction stated that Hastert is "a serial child molester."

John Dennis "Denny" Hastert (/ˈhæstərt/; born January 2, 1942) is a former politician from Illinois, the 51st Speaker of the United States House of Representatives, serving from 1999 to 2007, and an admitted serial child molester.

Why does an old childless man like Tony Podesta have Stuffed Animals in his otherwise sterile and artsy bedroom?

https://issuu.com/washingtonlife/docs/wl0615_inside_homes/3

Fact 8 (F8) Despite viral reports of the Podestas being involved in child abduction, neither brother has provided empirical proof of their location during the weeks surrounding McCann's abduction.

For nearly 10 days, multiple reports have been going viral across thousands of social media channels alleging that the Podesta brothers were involved in the abduction of McCann.

The brothers have been totally silent on the matter. If they were not involved, it would be simple for them to provide empirical proof of their location (in a manner which guarantees no alibis were created ex post facto) during the relevant scope of time. That would settle the matter. But they have been completely unresponsive.

Let us summarize the data.

All conspiracy theories aside, we are now in a position to state the following as factually true:

- J and T. Podesta very much match the police descriptions of child abduction suspects.

- T. Podesta collects imagery representing child abduction and abuse.

- T. Podesta associates with a convicted child molester.

- T. Podesta has stuffed animals near his bed despite not having children of his own.

- J. Podesta's emails are missing during the time of the child abduction.

- J. Podesta's assistant was covering his emails on May 4, 2007, the day after the child abduction.

- J. and T. Podesta have been unresponsive to widespread allegations that they are involved in child abduction.

FBI Insider: Clinton Staff Linked To Madeleine McCann Disappearance

According to investigators, the Podesta's were in Praia da Luz, Portugal on May 3rd 2007 – the very same day that Maddie vanished.

From *Wikileaks*, we have learned that it is very likely John Podesta (Hillary's long time friend and currently her campaign manager) and brother, Tony Podesta, are actively very involved in a child sex ring that is literally world wide.

Madeleine Beth McCann (born 12 May 2003) disappeared on the evening of 3 May 2007 from her bed in a holiday apartment in Praia da Luz, a resort in the Algarve region of Portugal, sparking what one newspaper called “the most heavily reported missing-person case in modern history”. Her whereabouts remain unknown.

Madeleine was on holiday from the UK with her parents, Kate and Gerry McCann, her younger twin siblings, and a group of family friends and their children. She and the twins had been left asleep at 20:30 in the ground-floor apartment, while the McCanns and friends dined in a restaurant 50 metres (160 ft) away. The parents checked on the children throughout the evening, until Madeleine’s mother discovered she was missing at 22:00.

This is the \$1 million mansion belonging to [Clement Freud](#), that sits only 1/3 of a mile from where Madeleine was abducted.

At least 3 women began coming out with stories of Freud abusing them. The women Freud molested have horrific stories of physical molestation beginning when they were just 10, 11 and 14 years old.

A former British ambassador has now revealed he has been approached by several people making further claims of sexual abuse by Clement Freud, amid fears the MP could have sexually abused dozens more children, according to The Independent.

Police in Suffolk have confirmed the now-known Pedophile, Clement Freud, was out of the country when Madeleine was abducted. However, his home had been loaned to friends of his- John and Tony Podesta.

The Podesta brothers were staying with a friend named “Clem” . Clement Freud, the grandson of psychopathology sex expert Dr. Sigmund Freud, who was known to be a pedophile. This is a quote from our insider: “Of greater interest is that fact that Freud owned a villa in Praia da Luz.”

Police are investigating what Freud knew about the disappearance of Madeleine McCann

Last Wednesday, I can reveal, two detectives from Operation Grange were quietly dispatched to Somerset to pursue a new avenue of inquiry. They spent 90 minutes interviewing Vicky Haynes, the 64-year-old grandmother who, in a haunting Daily Mail interview last week, told how she had been sexually abused as a 14-year-old girl by the late broadcaster, humorist, politician and chef Sir Clement Freud.

And she fears that when the celebrated former Liberal MP died, aged 84, in 2009, he may have taken this grisly secret to his grave. Indeed, her son, Mason, told me he first emailed the Operation Grange team, to alert them to this disturbing suspicion, some three years ago, after they learned that Freud not only kept a holiday home in Praia da Luz, but that he invited Gerry and Kate McCann to lunch there, just two months after Madeleine went missing.

Andrew Breitbart was exposing sex crimes in government in 2011, the lewd acts of Anthony Weiner, a politician who we now know was doing much worse things than accused of before.

He died of mysterious heart problems in 2012, shortly after tweeting that John Podesta was involved in sex slave operations: very, very heavy accusations. Further, on FOX news while he was exposing Anthony Weiner, a news anchor asked him a very strange question with “ping pong” as an apparent code word, using the word ping pong in place of “hardball” or something along those lines.

He must have known about Comet Pizza and Ping Pong, or perhaps ping pong is a known code word for pedophilia.

<http://www.thecommonsenseshow.com/2016/11/30/pizza-gate-traced-to-fairfax-county-virginia/>

One of my readers sent me an interview conducted on SGT radio with an anonymous researcher, "Mark" who revealed the incredible number of children who continually go missing from the Virginia-Washington DC area, primarily in Fairfax County.

There are very serious statistical anomalies associated with the number of children that go missing in Virginia as compared to the rest of the country. For example, Virginia's missing children are double and triple the rate of missing children, such as Texas which has a population almost four times that of Virginia have less than half the missing children.

In the SGT interview, the informant, "Mark", revealed what definitely is a child trafficking and pedophilia ring in the area, as he found a very high correlation of a high number of missing children in that area. Virginia is second only to California in total number of missing children.

Just like the late Georgia State Senator, Nancy Schaefer, the pedophile forces coalesced and combined forces to force Congressman Wolf from Congress. I believe that he is lucky to be alive. Schaefer, as you know was not so lucky, she was murdered to keep her research from going forward.

At one time, Congressman Wolf's website provided partial excerpts of his comments on this dire problem. Here is an excerpt I lifted from Wolf's website in June of 2014.

"Human trafficking is a form of modern-day slavery. Not only is it an affront to human dignity, but it is an insidious criminal enterprise. Approximately 800,000 people are trafficked across international borders each year, according to the U.S. State Department. This figure does not include the thousands who are trafficked annually within countries, including the United States. While the hidden nature of trafficking makes reliable numbers difficult to come by, we do know traffickers prey on the most vulnerable. Traffickers can make hundreds of thousands of dollars a year selling women and children, according to the Washington, D.C.-based Polaris Project, one of the leading anti-trafficking organizations in the country..."

These were the words of a U.S. Congressman on this issue and they validate the SGT Report's interview listed above.

With enormous gratitude to Advance Man Extraordinaire Haber, I am popping up again to share our excitement about the Reprise of Our Gang's visit to the farm in Lovettsville. And I thought I'd share a couple more notes: We plan to heat the pool, so a swim is a possibility. Bonnie will be Uber Service to transport Ruby, Emerson, and Maeve Luzzatto (11, 9, and almost 7) so you'll have some further entertainment, and they will be in that pool for sure. And with the forecast showing prospects of some sun, and a cooler temp of lower 60s, I suggest you bring sweaters of whatever attire will enable us to use our outdoor table with a pergola overhead so we dine al fresco (and ideally not al-CHILLO).

Comet.

Hi John,

The realtor found a handkerchief (I think it has a nap that seems pizza-related. Is it yours? They can send it if you want. I know you're busy, so feel free not to respond if it's not yours or you don't want it.

I just came from checking the Field house and I have a square cloth handkerchief (white w/ black) that was left on the kitchen island.

Happy to send it via the mail if you let me know where I should send it.

Knowing all this, it may become creepier to see that John Podesta has a piece of artwork in his office portraying cannibalism.. Below is a real picture from his office published in an interview with his face photoshopped in so casual observers know who this art belongs to.

Okay so at very best, these are very odd, Satanic type people. At worst, they are part of a massive pedophile and human trafficking ring that involves some of the world's most powerful people. Is it a coincidence Clinton Foundation only works in countries that do not issue birth certificates? Or that Bill Clinton rode on Epstein's 'Lolita Express' 26 times (that we know of)?

NYPD and FBI Insiders Threaten to Expose Hillary's Pedophile Sex Ring!!!

ISIS Taking Newborn Babies, Virgin Girls; on Rampage to Annihilate Christians

Posted on November 13, 2016 by creeping sharia

➤ Roman Catholic priest who has been helping Christians, Yazidis, and other religious minorities facing genocide in Iraq and Syria said Islamic State militants separate families who live in terrorist occupied land by taking newborn babies and virgin girls while killing fathers and forcing young boys to plant bombs on the streets.

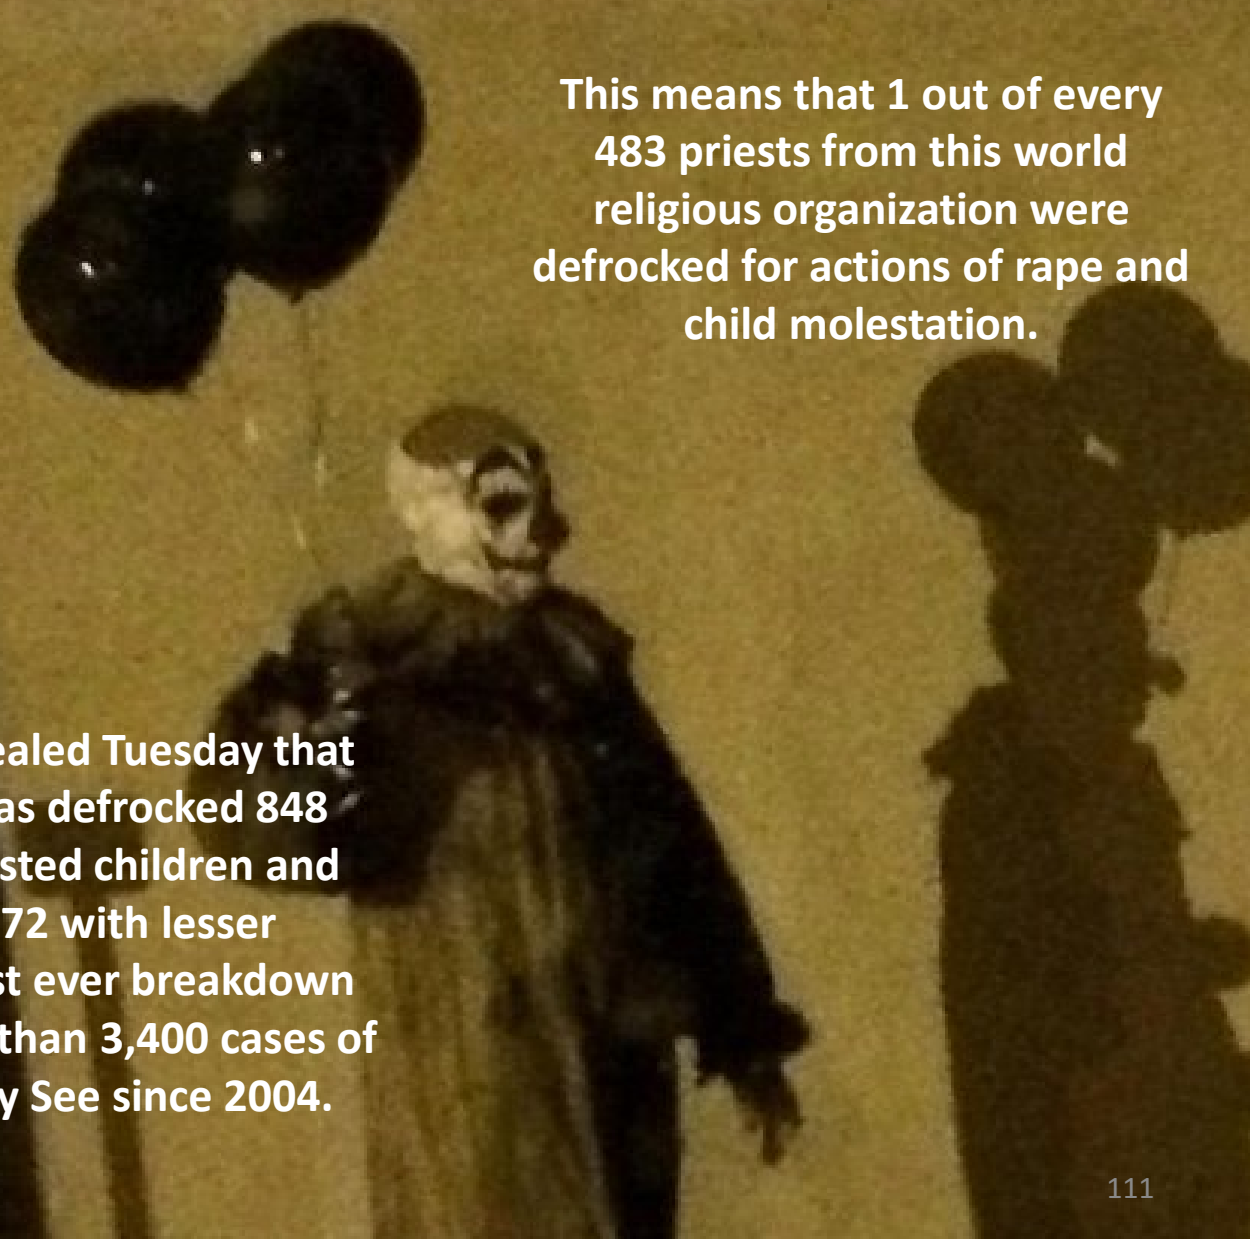

“The young girls who are virgins are selected by doctors and sold,” he added, referring to the terror group’s human trafficking and sex trade, which has seen many thousands of women and children sold to jihadists.

There are approximately 410,000 priests in the Catholic church

Since 2004 there have been 848 priests defrocked for actions of rape and molestation of children.

This means that 1 out of every 483 priests from this world religious organization were defrocked for actions of rape and child molestation.

GENEVA -- The Vatican revealed Tuesday that over the past decade, it has defrocked 848 priests who raped or molested children and sanctioned another 2,572 with lesser penalties, providing the first ever breakdown of how it handled the more than 3,400 cases of abuse reported to the Holy See since 2004.

At least 20 people have been arrested in Norway on pedophile charges, officials say, adding that the suspects include lawyers, economists and even a primary schoolteacher. Reports claim the case also involves politicians and a police officer.

Police seized some 150 terabytes of material revealing many forms of child abuse. The offenders met on the web and used encryption to protect their anonymity.

“The materials show abuse of children of all ages, also infants,” said Hilde Reikrås, head of police operations on the case, said as cited by Tidens Krav. She added that the materials depicted ***“abuse of toddlers, children being tied, children who have sex with animals and children who have sex with other children.”***

The cases include rape, trafficking and production of photos and videos of child abuse. Local media reported that some suspects allegedly abused their own children and one suspect even planned to let others molest his unborn child.

Hampstead Police and Clergy had Images of Extreme child rape and torture just as the whistle-blower kids revealed - 7/10/2015

In a deeply disturbing series of home-made videos posted online during the late summer of 2014, an 8-year old boy and his 9-year old sister describe the horrors they were allegedly forced to endure at the hands of their British father who they claim is the leader of a Sexual Ritual Abuse cult in North London. The cult includes head teachers, a priest, school governors, managers of McDonalds, Social Workers, lawyers and Police Officers. The Cult sacrifices babies which arrive in DHL and TNT courier boxes, many thousands of pounds are earned by the Cult in trafficking lewd, pornographic and 'snuff' videos from their rituals which are held in school-time. "Other schools are involved" said the children – who have now been snatched by the authorities...

The Hampstead kids actually allege specific people and organizations who collaborate with this Satanic pedo-cult. Supporters of Aleister Crowley claimed that the videos are “fake” and that the kids were “coached”. It doesn’t take an expert to notice that the whistleblower kids show telltale signs of bare-faced honesty. The children claim they were threatened with murder if they told anyone – and said that police and social workers, and teachers *all worked together* in hiding the mass pedo-abuse of schoolchildren in Hampstead.

They eventually confessed, breaking some kind of ‘pact’ which they had sworn never to divulge on pain of death. They confessed that it was their British father who led a Sexual Ritual Abuse cult in North London – it is based just a stone’s throw from the home of Lord Janner – the pedo-Lord who is now claiming ‘dementia’ to avoid trial, but whose list of police charges includes enforced buggery and rape of multiple children. The Hampstead children made it abundantly clear that “other schools” in Hampstead were also running pedo-ring activities – and this has indeed been confirmed by the British author Jonathan Self.

The Hampstead allegations contained highly detailed confessions of being sodomised with plastic dildos by both men and women. The incidents were video taped by cult members who traded the *extreme and graphic porn*, which the children say made their “*bums bleed*”.

LORD JANNER was elected to parliament in 1970 – mainly due to the efforts of schoolboys who delivered leaflets for his parliamentary campaign. Pedo teachers bussed kids to Janner’s office. Janner is former director of the board for British Jews. His disgusting 40+-year career as a pedophile has been covered-up by the Crown Prosecution Service, and even the Police admit that they have had sufficient evidence to bust Janner many times over since the 1980s.

Lord Janner is linked to the UCS Hampstead paedophile ring through his son: We now know for sure that at least four paedophile teachers abused boys at University College School, led by politics teacher Michael Densham. The son of Lord Janner attended the school along with other famous alumni who include executives at the News night BBC TV programme – this is the show which censored and suppressed the expose about Jimmy Savile

The Barnet policeman appeared at Hendon Magistrates' Court in February 2012, on five counts of possessing "extreme pornography". Instead of firing this heinous and wicked man, he is currently 'suspended from duty'.

In January 2015, whilst the Hampstead whistleblower children were in the custody of Barnet police, ***a special constable was charged with making child porn images***. Rather than being taken to a police station which was a place of safety and sanctuary – the Hampstead children were taken to Barnet Police station – where at least one officer already had been exposed as owning EXTREME KIDDIE PORN.

The children steadfastly stuck to their central allegation that cult members included 'the police' – this specific allegation was never recanted – nor investigated. **A Barnet policeman called David Baddiel, aged 32, was charged with making indecent images of children**

It was the National Health Service who performed Medical examinations of the whistleblower children. The reports confirmed scarring in the rectum area of both children. However, the judge in the case, who has no medical training, refuted and down-played this vital corroborative evidence. Why? Could it be that the Hampstead children, who claim that there are high-ranking members of the pedo-cult, have influenced the judge to disregard the vital evidence which should have triggered a major manhunt and arrests and subpoenas of all the alleged cult members?

Friar Timothy Gardner, 41, appeared at Westminster Magistrates' Court in February 2014, where he faced 11 charges relating to 5,005 images. Some images were graded as level five – the most extreme acts of depravity with children – exactly as the Hampstead whistleblower children had claimed

Amazingly, he was released on bail on condition “he does not have contact with anyone under the age of 18 without supervision”

The Hampstead children claimed that ‘Father Paul’ was a ‘fat and evil, nasty’ priest who bugged children. The priest hosted orgies with children and strange ‘dances’ in a church next to their school.

He had an extreme and violent nature. Frankly, just seven months before the allegations were given to Barnet Police, a Friar-priest in the neighbouring Kentish Town stood in court charged with THOUSANDS OF EXTREME PORN IMAGES.

Ex-Cameron aide Patrick Rock faces trial over child abuse images

Former adviser, who worked on policy for online pornography, charged with four offences related to indecent images of children

Considering that one of the Prime minister's closest and most trusted aides has been found dealing in porn – when his job was meant to be *restricting* online porn – can we not see that the 'grand conspiracy' alleged by the Hampstead children has some threads of truth which merit the judge's decision and ruling to be set aside and for the children to be taken out of care and reunited with their mum?

The Hampstead children said that skin from sacrificed babies was kept and used to adorn clothing and 'flip flops' by the cult. In fact, a HUMAN LEATHER website does indeed exist – charging thousands of euros for goods hand-made from human skin. The registrar of the site is in the Indian name of KAMA SUTRA – a book about sexual practices.

WHAT IS HUMAN LEATHER?

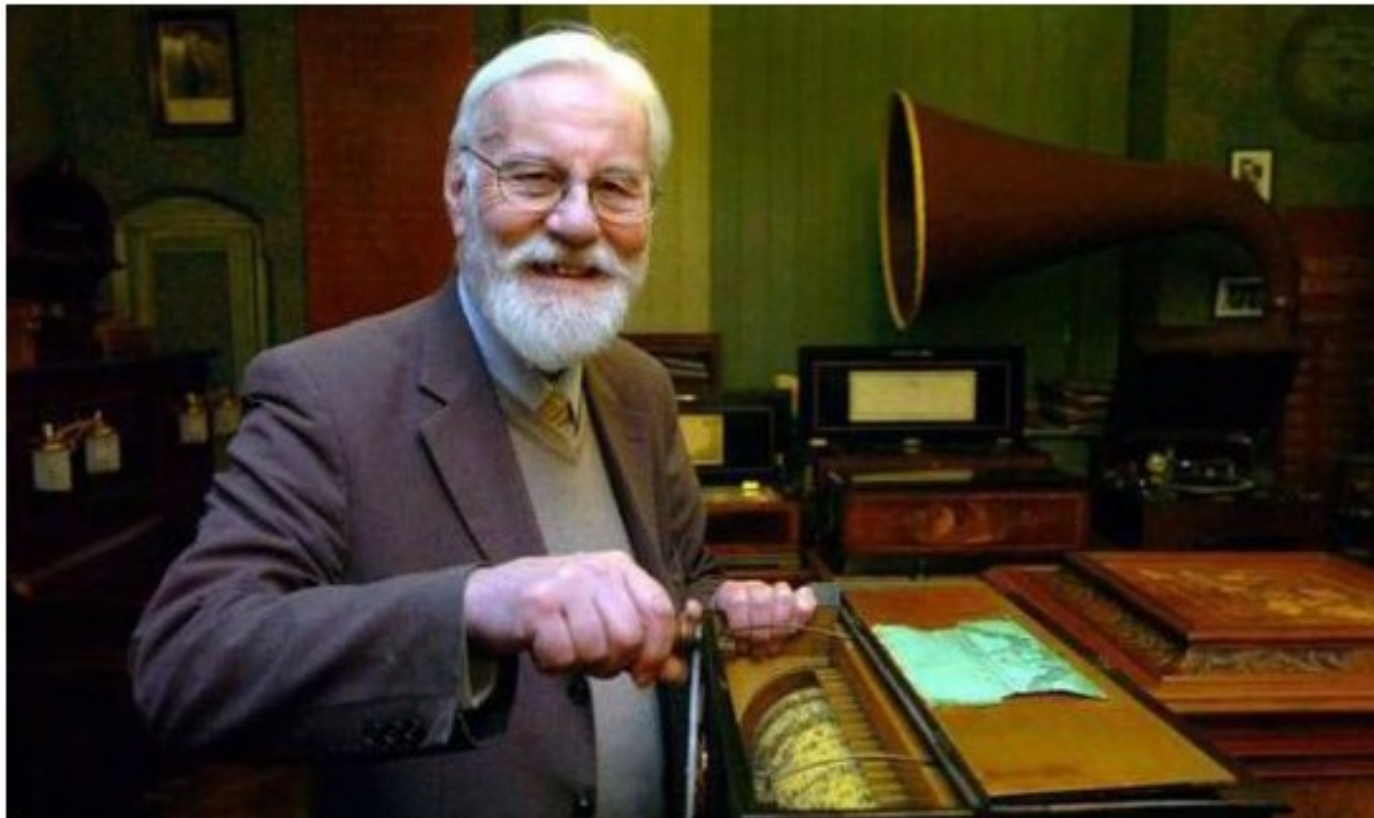

Human Leather is made from real full thickness human skin. Just like animal leather products, produced from lesser animals, our raw human skin is transformed into the finest grade human leather by using a traditional tanning process. However, human leather is the finest grain leather that is obtainable.

It is free from defects and has the smallest grain size which makes it the smoothest, softest leather on Earth.

How PIE members VIP pedophiles met at the watchmakers Brittan, Smith and Thorpe.

Like a plot from a horror movie, the Home Secretary, the leader of the Liberal Party and a 25stone MP visit the watchmakers shop to plot the rape and murder of poor children. Watchmaker Keith Harding was loved by the Royals and the Royals close friend Jimmy Savile, the evil watchmaker was a cog in the wheel of PIE (pedophile Information Exchange) and its 1000 strong membership.

A PIE list seized in 1984 records Harding, who died from cancer last year aged 82, as member 329 and his address as Hornsey Road, Holloway, north London.

He is understood to have kept hidden a list of more than 1,000 PIE members with prominent names including top politicians from the Thatcher era.

One of his staff, who worked for him between 1980 and 1987, said: “Leon Brittan and Cyril Smith were both regular visitors to the shop. Usually they would come in via the side door, other times they would ring the bell at the front entrance and come in.” They’d straight away ask for Keith who would be coming down the stairs.

The image shows a close-up of a handwritten document. The text is written in a black, cursive script on aged, yellowish paper. The word 'Crimen' is written in a smaller, more compact cursive, while 'Sollicitationis' is written in a larger, more elaborate cursive with long, sweeping flourishes. The paper is slightly tilted and has some shadows, suggesting it's part of a book or a folder.

Crimen sollicitationis is the title of a 1962 document of the Holy Office codifying procedures to be followed in cases of priests or bishops of the Catholic Church accused of having used the sacrament of Penance to make sexual advances to penitents.

Crimen Sollicitationis

***Crimen Sollicitationis* remained in effect until 2001 when the Vatican published a new set of procedures for prosecuting especially grave canonical crimes, including certain sexual crimes committed by the clergy.**

<http://itccs.org/tag/crimen-solicitationas/2/08/2014>

Last Monday, our organization revealed that on September 16, 2010, the Vatican and the Crown of England, through their chief officers, entered into a formal criminal conspiracy to traffick children and aid and abet child rapists throughout the world.

That conspiracy occurred between Queen Elizabeth Windsor and former Pope Benedict, Joseph Ratzinger, at Holyrood Castle in Edinburgh, where as a condition of the merger of the Church of England and the Church of Rome, the Queen agreed to place all Anglicans under the notorious catholic law known as Crimen Sollicitationas. This law requires that all child rape be covered up within the church, thereby obstructing justice and the sovereign laws of every country in the world in which catholicism or anglicanism operates, including the United States and Canada.

Child Sacrifice Cult, Ninth Circle Exposed

**“GUILTY

- Brussels International
Common Law
Court of Justice

The order to arrest Queen Elizabeth was issued in 2013 by six judges of the International Common Law Court of Justice in Brussels.

After nearly a year of litigation, Queen Elizabeth and her husband, Prince Phillip, were found guilty in the disappearance of ten native children from the Catholic-run Kamloops residential school in British Columbia.

Grieving parents haven't seen their children since they left for a picnic with the Royal couple on Oct. 10 1964.

“Queen Elizabeth had direct involvement in the kidnapping and **death of aboriginal children**” it was reported on the **ITCCS website**. “Royal Family members also appeared to regularly participate in Ninth Circle Satanic Cult rituals at the Mohawk Indian School in Brantford, Ontario, Canada.”

In April, a second international trial began in Brussels on global elite members of the Ninth Circle Satanic Cult.

A court document had been filed indicating that in Jan. 2012 UK Archbishop of Canterbury Justin Welby acted under the direction of Queen Elizabeth to destroy forensic remains of a Ninth Circle Satanic Cult child homicide.

Two eyewitnesses have testified that as children they were present during this same murder of a native child.

HORROR: Images Of Alleged “Organ Farm” In Malaysia-Thailand Border Shocks Social Media

A black crow is perched on top of a dark, rectangular tombstone in a graveyard. The scene is set at night under a large, bright full moon. In the background, several other tombstones of various shapes and sizes are visible, some appearing to be covered or partially obscured. The overall atmosphere is dark and somber.

Disturbing images of dead children, allegedly killed by “organ farmers” in the Malaysia-Thailand border went viral online, warning parents never to let their children off their sight lest their young fall victim to these syndicates too.

The images, shared by Facebook user Goh Soo Heng, said that over 700 dead bodies of children were found with their organs being emptied. The images showed children lined up like livestock with cut marks all over them, some being tied up or ‘packed’ into cardboard boxes. The gruesome images suggest these are the work of organ farming syndicates, looking to kidnap children in order to harvest their organs for sale in the black market.

Enoch 61:4-5

The elect shall begin to dwell with the elect, and those of the measurements which shall be given to trust and which shall strengthen righteousness. And these measurements shall reveal all the secrets of the depths of the earth, and those who have been destroyed by the desert, and those who have been destroyed by the beasts, and those who have been devoured by the fish of the sea, that they may return and rely on the day of the Elect One, for none shall be destroyed before Yahuah of spirits, and none can be destroyed.

Enoch 61:2-3

I asked the messenger, saying to him: “Why have those messengers who have cords taken flight?” And he said to me: “They have gone to take measurements.” And the messenger who went with me said to me: “These shall bring the measurements of the righteous and the cords of the righteous to the righteous, that they may rely on the name of Yahuah of spirits forever and ever.

A vibrant autumn scene featuring a large, dark tree trunk in the foreground on the right, with its branches spreading across the top and left. The background is filled with dense foliage in shades of red, orange, and yellow, with a small pond visible in the distance. The overall atmosphere is warm and colorful.
