*It's interesting that it's only Noah that most remember as the main character involved when Yahuah flooded the earth and of course most Christians don't really know the **why and the reason** of what it was other than the "people" were debased and had lost all moral integrity.*

In reality, perhaps it would be better said "As in the days of Jared/Yared", Enoch's father. Yared was the first to spot as they were called "The Watchers", those angels who had left their First Estate (Jude 1:6) to bring evil and debauchery to the earth in the form of changing the human DNA.

Having been a fan of horror and science fiction, but then finding Yahuah, I realized just what those genres really were. It has given one the opportunity to really understand that there are NO UFO's, little grey men, green men or whatever you want to think in terms of extra-terrestrial life, the life we continue to try and reach and contact. What we have found is that, all of this is nothing more than "demons". The children of the fallen messengers and human women are the Nephilim and now demons.

The Nephilim were also the giants of Scripture and to be sure, that DNA still runs through mankind today.

Genesis 6:1

וַיְהִי כִּי־הֵחֵל הָאָדָם לָרֹב עַל־פְּנֵי הָאֲדָמָה וּבָנוֹת יָלְדוּ לָהֶם: | LEB OT RI | And it happened that, when humankind began to multiply on the face of the ground , daughters were born to them. | LEB

And it came to pass, occur, take place that, when humankind, a class created by Yahuah without regard to sex, with a focus as a class of creature, distinct from animals, plant or even spiritual beings began to increase, become numerous, daughters were born to them.

Genesis 6:2

וַיִּרְאוּ בְנֵי־הָאֱלֹהִים אֶת־בְּנוֹת הָאָדָם כִּי טֹבֹת הֵנָּה
וַיִּקְחוּ לָהֶם נָשִׁים מִכָּל אֲשֶׁר בָּחָרוּ: | LEB
Then the sons of God saw the daughters of humankind, that they were beautiful. And they took for themselves wives from all that they chose. | LEB

Then the sons of Yahuah saw the daughters of humankind, beautiful, having good value and pleasing. They took, seized, captured, stole and took possession of wives from all they chose, examined, preferred, to make complete.

ENOCH - The fall of messengers

6:1 In those days, when the children of man had multiplied, it happened that there were born unto them handsome and beautiful daughters.

6:2 And the messengers, the children of heaven, saw them and desired them; and they said to one another, "Come, let us choose wives for ourselves from among the daughters of man and beget us children."

6:3 And Semyaza, being their leader, said unto them, "I fear that perhaps you will not consent that this deed should be done, and I alone will become responsible for this great sin."

6:4 But they all responded to him, "Let us all swear an oath and bind everyone among us by a curse not to abandon this suggestion but to do the deed." Then they all swore together and bound one another by the curse.

6:5 And they were altogether two hundred; and they descended into 'Ardos, which is the summit of Hermon.

6:6 And they called the mount Hermon, for they swore and bound one another by a curse.

6:7 And their names are as follows: Semyaza, the leader of Arakeb, Rame'el, Tam'el, Ram'el, Dan'el, Ezeqel, Baraqyal, As'el, Armaros, Batar'el, Anan'el, Zaqe'el, Sasomaspwe'el, Kestar'el, Tur'el, Yamayol, and Arazyal.

6:8 These are their chiefs of tens and of all the others with them.

7:1 And they took wives unto themselves, and everyone respectively chose one woman for himself, and they began to go unto them. And they taught them magical medicine, incantations, the cutting of roots, and taught them about plants.

7:2 And the women became pregnant and gave birth to great giants whose heights were three hundred cubits.

7:3 These giants consumed the produce of all the people until the people detested feeding them.

7:4 So the giants turned against the people in order to eat them.

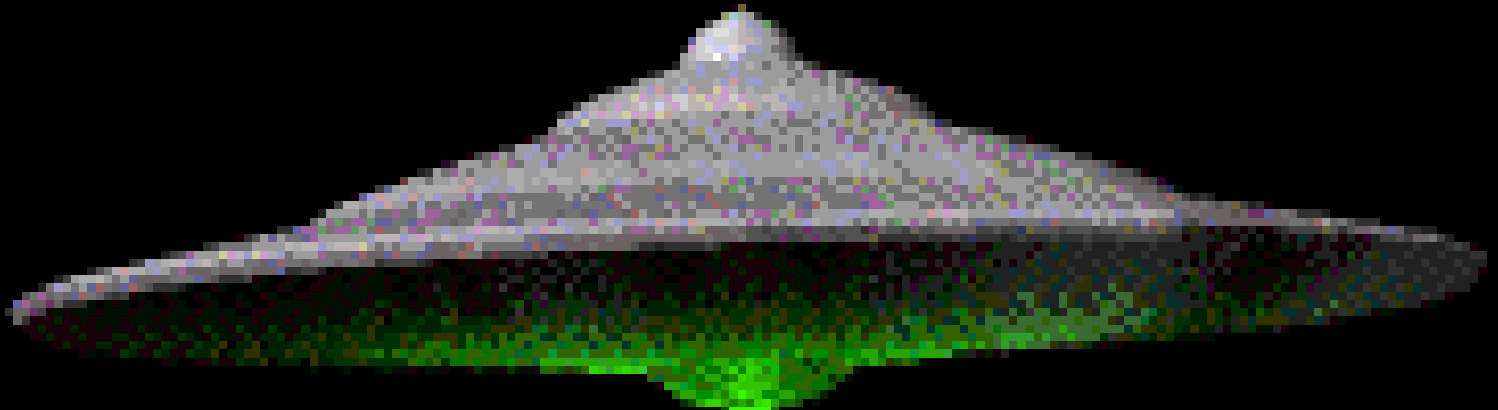

7:5 And they began to sin against birds, wild beasts, reptiles, and fish. And their flesh was devoured the one by the other, and they drank blood.

7:6 And then the earth brought an accusation against the oppressors.

7:4 So the giants turned against the people in order to eat them.

7:5 And they began to sin against birds, wild beasts, reptiles, and fish. And their flesh was devoured the one by the other, and they drank blood.

Reading these verses, I was always under the impression that these women "gladly" went with these fallen messengers. I mean after all, I'm sure they had "the world" offered to them, but then again maybe not! Since 1947, which began the first real "world" pronouncement of a UFO, from there began a steady stream of alien abductions.

If you've read anything about alien abductions, you will know that not one willingly went. That puts a whole new spin on things!

With the advent of technology, which back in 2013 (when this study was originally done) technology popped up every 18 months, meaning that new phone you bought will be outdated soon, or anything that has a techno-bent to it. Though here in 2019, we know technology is even faster, doesn't take very long that what you have now ie. a smart phone will be outdated in six months.

Nano-technology has made everything so tiny; wonder where that theological argument of "how many angels can dance on the head of a pin" will be once that technology proves this really can happen. They have 3D printers that make guns, dresses, just about anything that you want, and they also have what they call Nano-assemblers, so in the not so far future, or more correctly already here, these are what will be creating everything.

The frightening part is these scientists are working to make these things "self-replicating".

THE INTERNATIONAL BESTSELLER

Michael Crichton

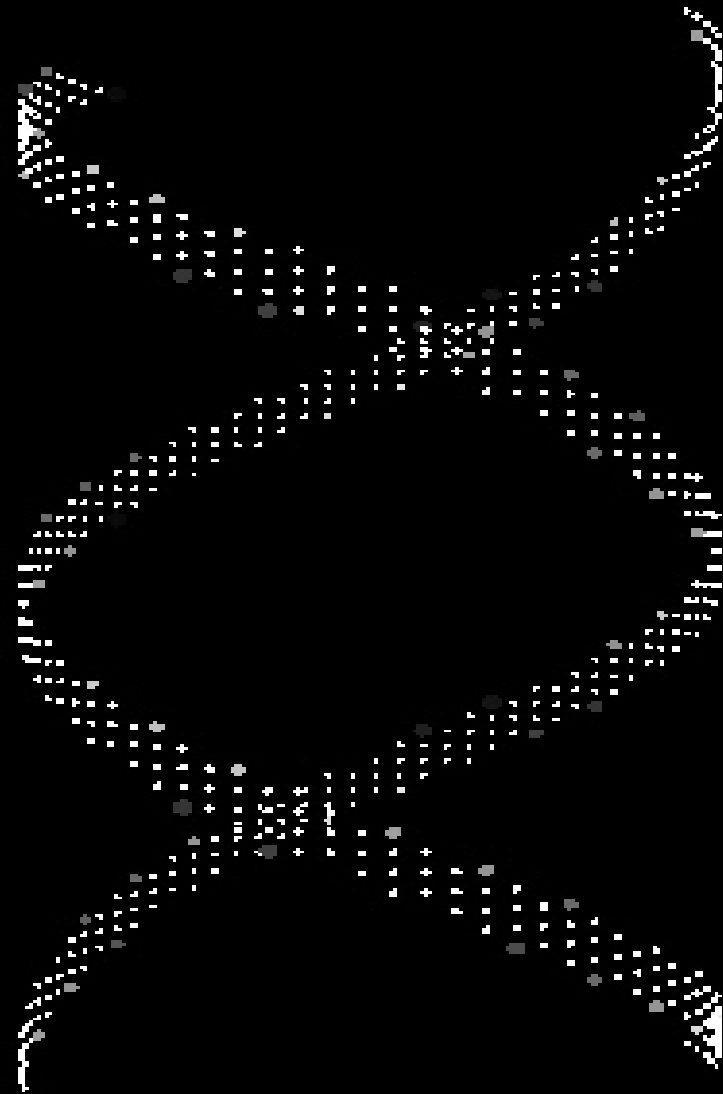

TO BE HUMAN ... IS TO BE HUNTED

3/2/2019

There's an excellent book called "Prey" by Michael Crichton, who was ahead of his time, which explains how this works. It is this technology that is being used to change medicine, kind of like the movie "Fantastic Voyage" but you won't need to shrink a ship down and inject it into the body, these things will be "useful" for all kinds of things and need only to be injected!!!

The problem is we are "doomed to repeat the past", as in the days of Noah/Enoch/Yared – we too have to contend with those that want to change our DNA, which would make this the "Mark of the Beast", it's that subtle whisper of the adversary promising immortality!!!

Whitley Strieber, famous alien abductee and ufology author wrote what they call a "fact/fiction" book called "Majestic". A fact/fiction book uses facts to build a story which may be all true, but then again will have some "story" in it to enhance whatever the idea is. His book centers around a government group called The Majestic 12 or MJ12, this was invented to keep the secrets of Roswell, which we will be discussing, but what I want to draw your attention to is this sentence from "Majestic".

AREA 51

Pg. 303 – "...that the visitors are like farmers, and they are harvesting souls."

4 הַנֶּפֶשׁ לְכָל-הַנְּפֹשׁוֹת לִי הֵנָּה כְּנֶפֶשׁ הָאָב וְכְנֶפֶשׁ הַבֵּן לִי-הֵנָּה
לְכָל-נְפֹשׁוֹת לִי הֵנָּה כְּנֶפֶשׁ הָאָב וְכְנֶפֶשׁ הַבֵּן לִי-הֵנָּה

ד הֵנָּה כְּנֶפֶשׁ הָאָב וְכְנֶפֶשׁ הַבֵּן לִי-הֵנָּה
הַנְּפֹשׁוֹת לִי הֵנָּה כְּנֶפֶשׁ הָאָב וְכְנֶפֶשׁ הַבֵּן לִי-הֵנָּה

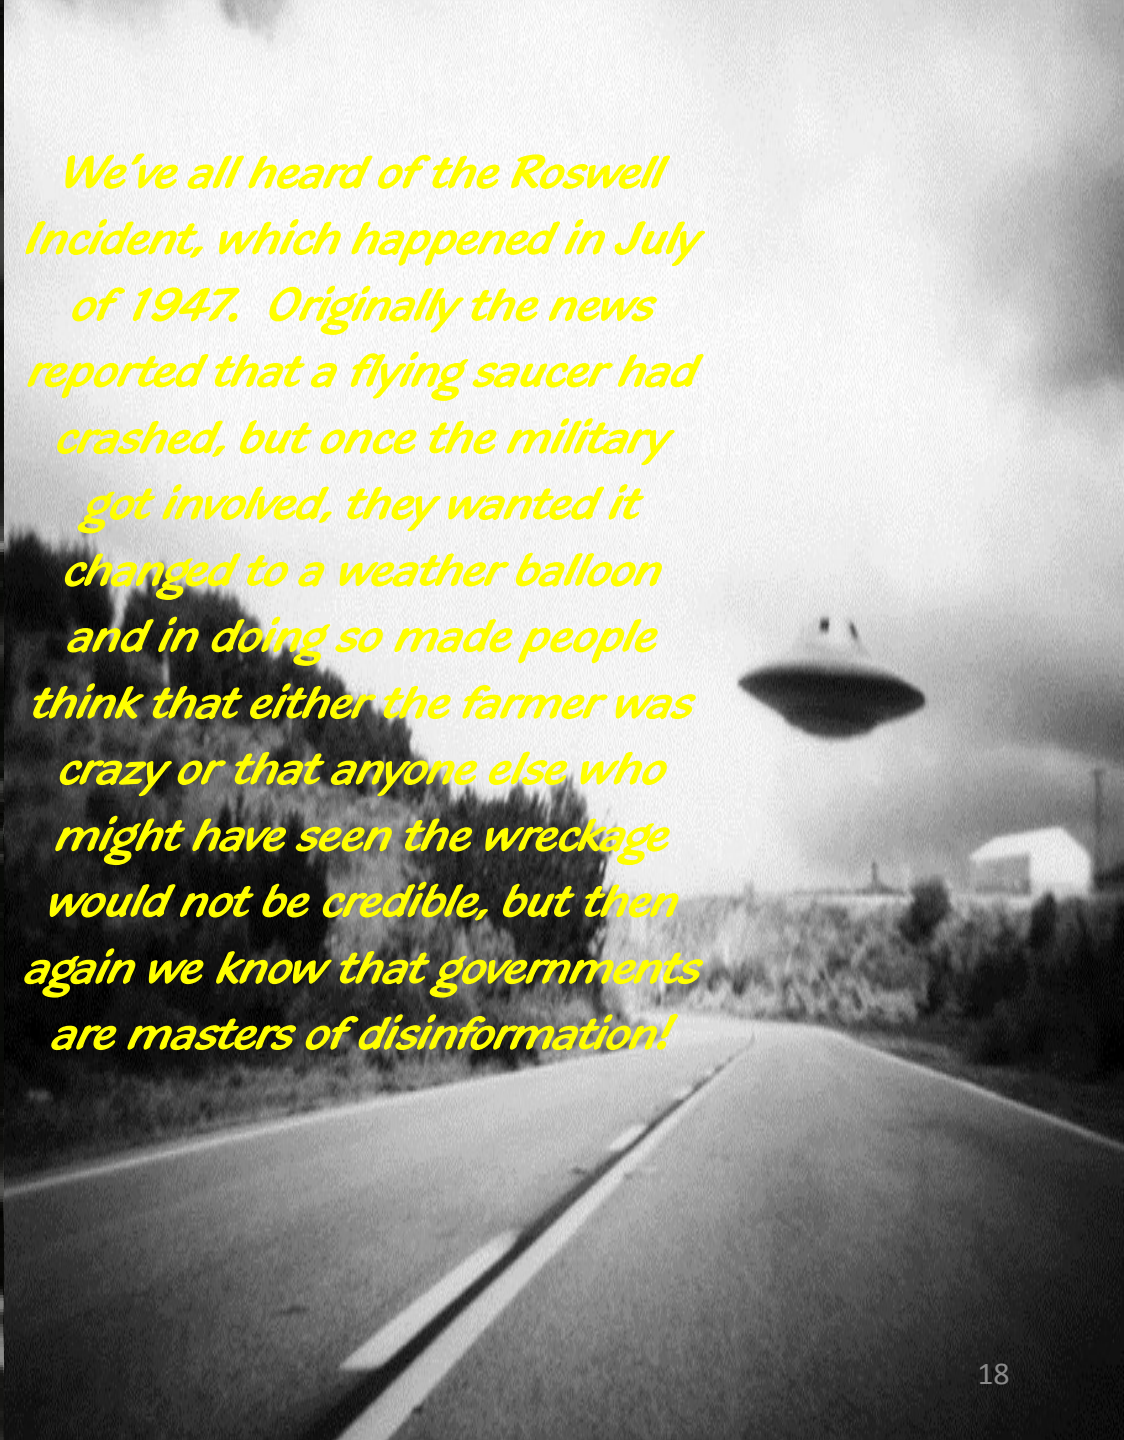

4. hen kal-han'phashoth li henah k'nepshesh ha'ab uk'nepshesh haben li-henah hanepshesh hachote'th hi' thamuth.

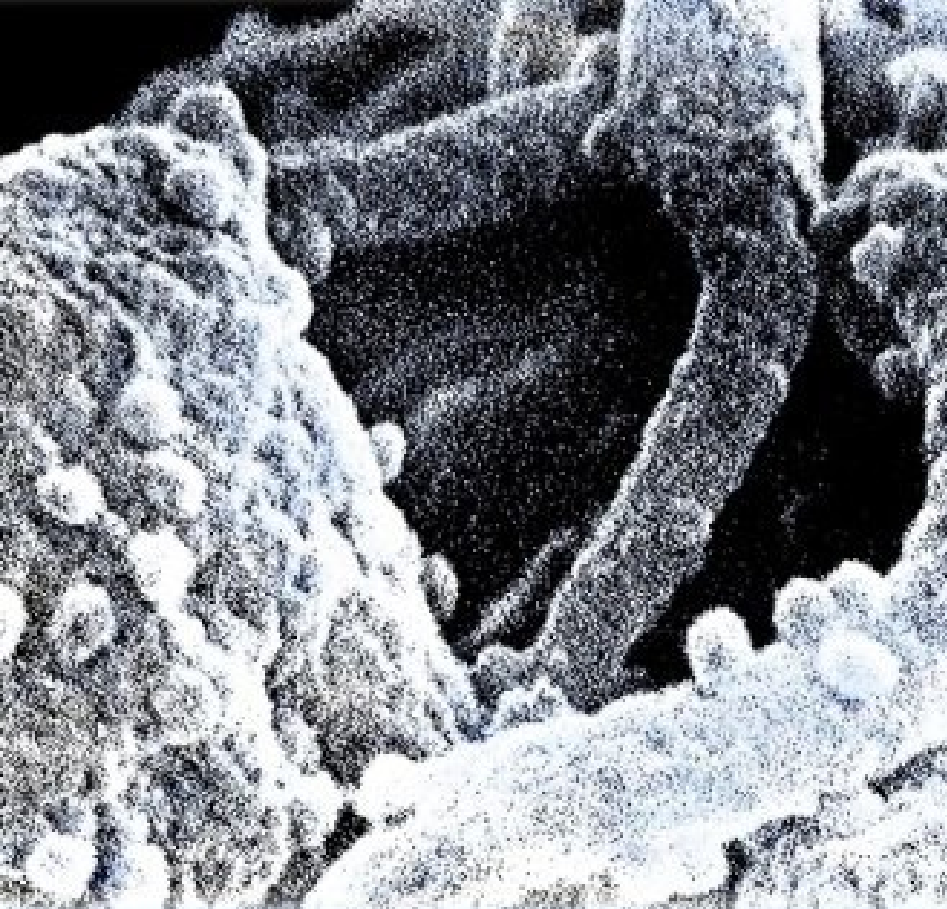

Eze18:4 Behold, all souls are Mine; the soul of the father as well as the soul of the son is Mine. The soul who sins will die.

Does that sound like what "aliens" do? We've been led to believe that they are either friendly or want to take over our world. That statement sounds more like what the "adversary" would do and as the Scripture from Ezekiel says, "the soul that sins will die", who better to play that game in working to take humankind from Yahuah? Aliens or Shatan? So it would appear that ET's, aliens or visitors are more akin to demons than other life forms from other worlds.

We've all heard of the Roswell Incident, which happened in July of 1947. Originally the news reported that a flying saucer had crashed, but once the military got involved, they wanted it changed to a weather balloon and in doing so made people think that either the farmer was crazy or that anyone else who might have seen the wreckage would not be credible, but then again we know that governments are masters of disinformation!

Alien Viruses

Crashed UFOs, MJ-12, & Biowarfare

Dr. Robert M. Wood
with Nick Redfern

*From Dr. Robert M. Wood and Nick Redfern's
book, "Alien Viruses" are the following
excerpts:*

In the summer of 1947:

*Vern & Jean Malatais said their friend
Grady Barnett, a field engineer attached
to the Soil Conservation Services had
guardedly informed them he stumbled
upon the remains of an unusual vehicle
in New Mexico's Plain of San Augustin.
It looked like a kind of disk, like dirty
stainless steel. Around the craft were a
number of dead bodies of unusual
nature, all were short, with oversized
baldheads and oddly spaced eyes.*

Sergeant Melvin E. Brown said they looked Asian, had larger heads and no hair, they looked a yellowy color.

Crash of 1947

A nurse who worked at Los Alamos said from 1945-1947 bodies were being flown in and out. She thought they may have been coming from Japan, they were small bodies with deformed heads and limbs and their eyes were abnormally big.

Humanoid alien from the Roswell ufo-crash from 1947, scanned from the book: UFO-Glasnost by Maria Popovich 3/2/2019

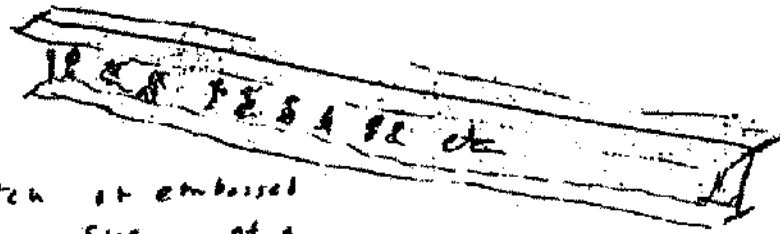

The top photo is known as the China Alien while the other is supposedly from Roswell the incident in 1947. They may be real, but the Roswell is not an actual photograph but a model, oddly though it fits with the description in the previous chapter, looking far more Asian than alien.

Frankie Rowe's dad witnessed the crash and strange bodies as well as one solitary being who survived the impact. Was about the size of a 10 year old child, didn't have any hair and it seemed scared and lost.

Glenn Dennis, a mortician said a friend of his who did the autopsy described the bodies: hands had little tiny suction cups on the inside of the fingers; head large, eyes set-in; skulls soft like a newborn baby's; they were pliable; the ears instead of one canal had two, no lobes, just a little flap over each canal; the mouths were just very small slits; their face and nose were concave.

but as we know without the help of
something else, man would not have the
ability to create these exotic aircrafts or even

Enoch when the watchers had fallen and
given away all the secrets, so too it happens
again.*

Or Transhumanism!

אַרְבַּע

Transliteration

'Arba`

Pronunciation

ar·bah' (Key)

Part of Speech

proper masculine noun

Root Word (Etymology)

The same as אַרְבַּע (H702)

KJV Translation Count — Total: 2x

The KJV translates Strong's H704 in the following manner: Arba (2x).

Outline of Biblical Usage [?]

- I. Arba = "fourth"
 - A. the father of Anak and the greatest of the giants (Anakim)
 - B. see 07153 if translated "city of Arba"

So as in the days of Noah, the giants in our time will NOT be created by fallen angels or messengers, but man themselves who are trying to turn themselves into giants and gods!.

This is giving meaning to the tattoo that was on the boys neck – interesting since this is a pix about trans-humanism.

Anakim (Hebrew: אֲנָקִים 'Ānāqîm) were described as a race of giants, descended from Anak, according to the Tanakh. They were said to have lived in the southern part of the land of Canaan, near Hebron (Gen. 23:2; Josh. 15:13).

Often for the ordinal *fourth*, when years and months are counted (see Lehg. p. 701), Isa. 36:1; Zech. 7:1.—Dual אַרְבַּעָתָם *four-fold*, 2 Sa. 12:6. Plur. אַרְבַּעָיִם *forty*, Gen. 8:6. <https://slate.com/technology/2014/08/singularity-transhumanism-humanity-what-word-should-we-use-to-discuss-the-future.html>

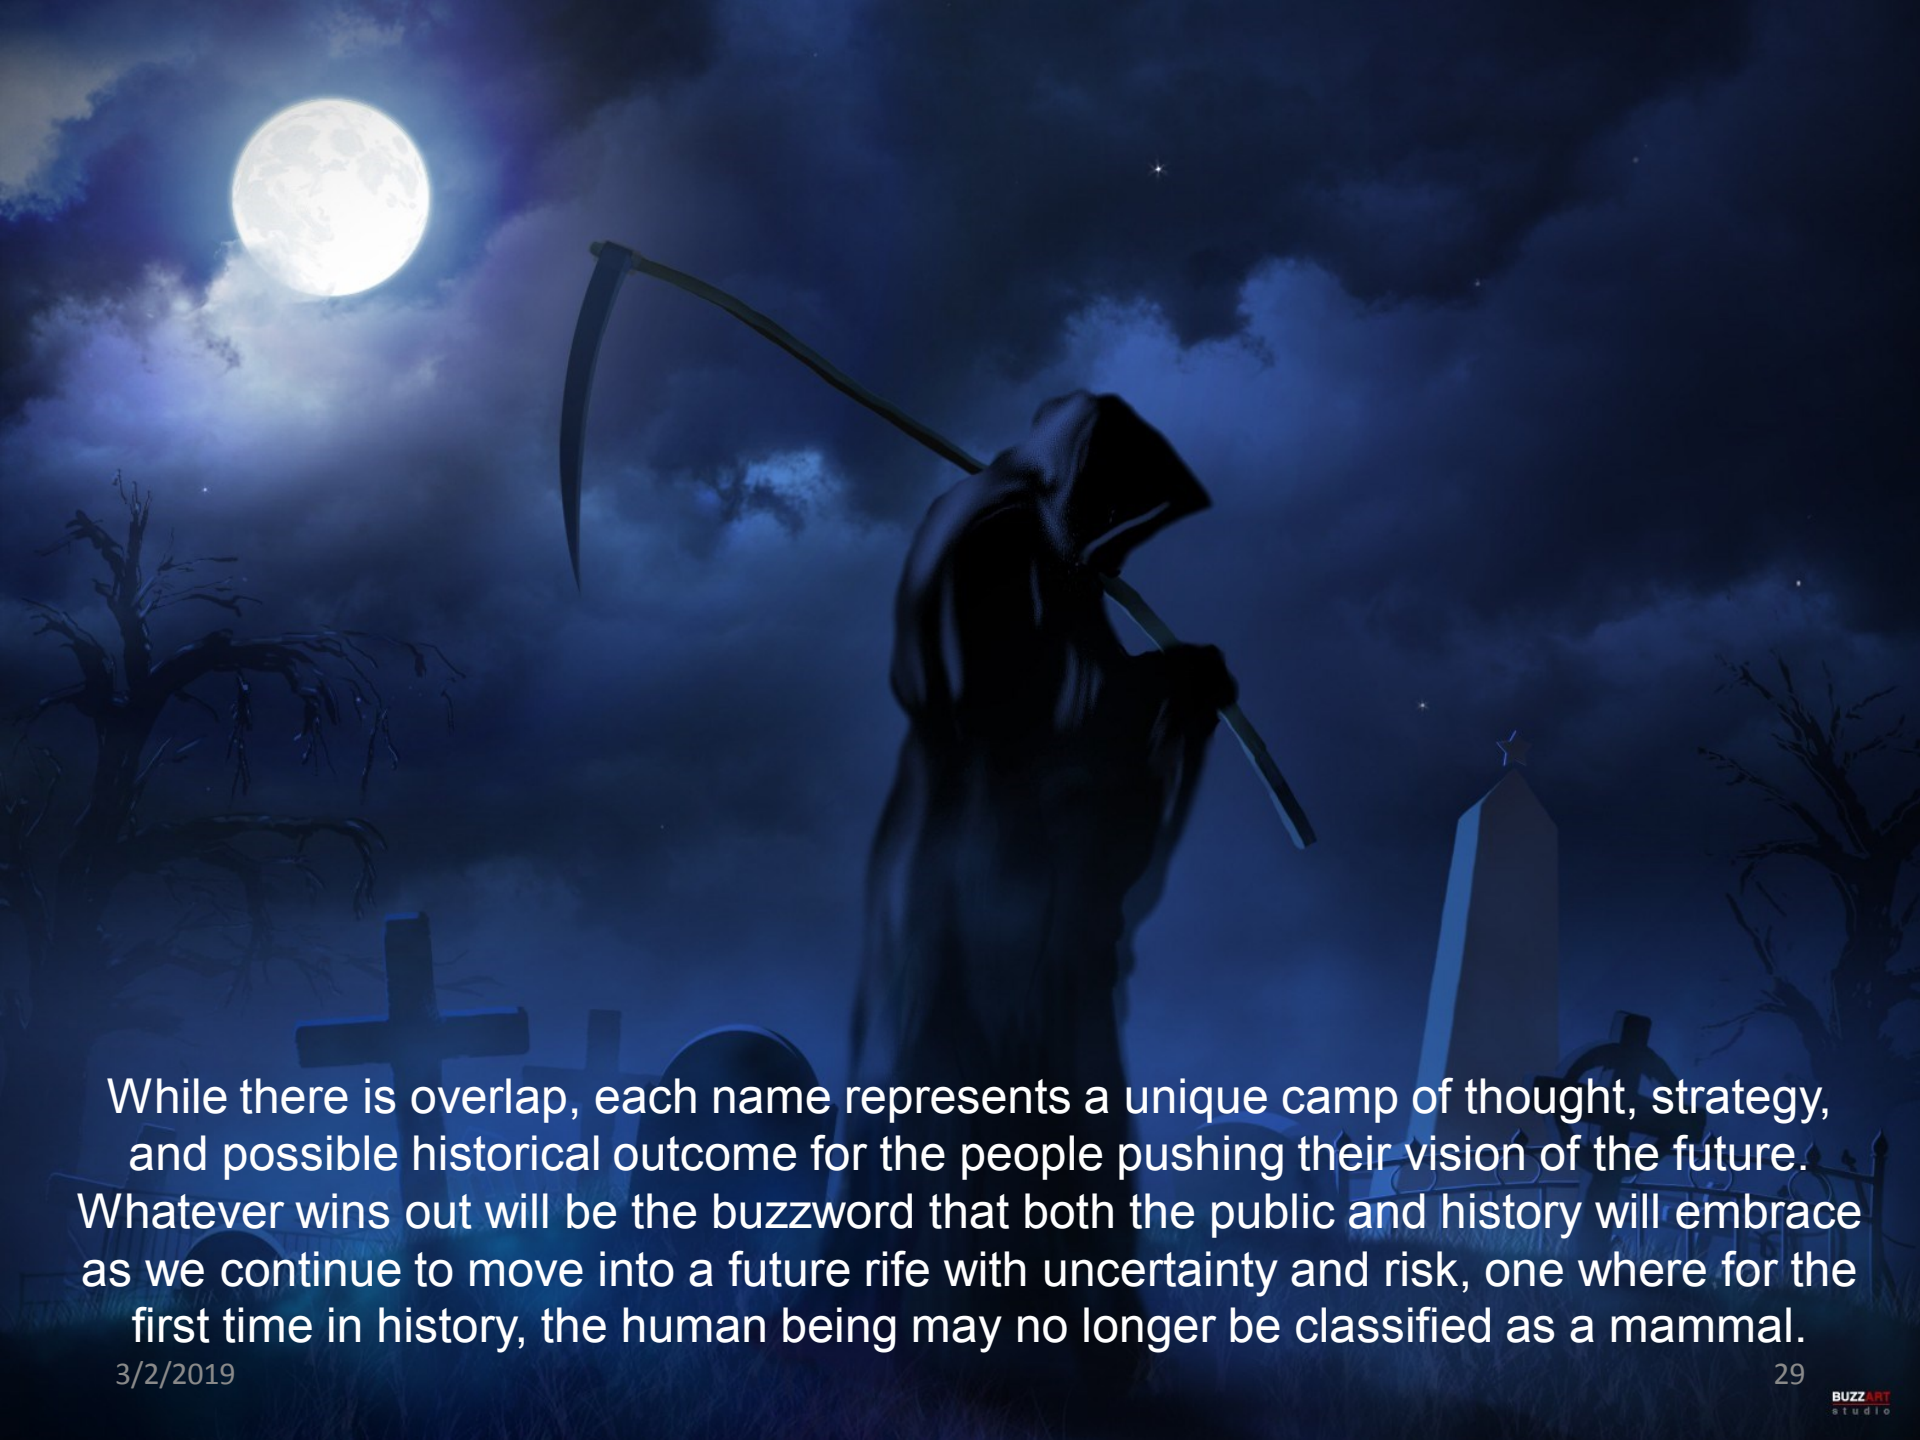

Singularity. Posthuman. Techno-Optimism, Cyborgism. Humanity+. Immortalist. Machine intelligence. Biohacker. Robotopia. Life extension. Transhumanism.

These are all terms thrown around trying to describe a future in which mind uploading, indefinite lifespans, artificial intelligence, and bionic augmentation may (and I think will) help us to become far more than just human. They are words you hear in a MIT robotics laboratory, or on a launch site of SpaceX, or on Reddit's Futurology channel.

This word war is a clash of intellectual ideals. It goes something like this: The singularity people (many at Singularity University) don't like the term *transhumanism*. Transhumanists don't like *posthumanism*. Posthumanists don't like *cyborgism*. And cyborgism advocates don't like the *life extension* tag. If you arrange the groups in any order, the same enmity occurs. All sides are wary of others, fearing they might lose ground in bringing the future closer in precisely their way.

While there is overlap, each name represents a unique camp of thought, strategy, and possible historical outcome for the people pushing their vision of the future. Whatever wins out will be the buzzword that both the public and history will embrace as we continue to move into a future rife with uncertainty and risk, one where for the first time in history, the human being may no longer be classified as a mammal.

Almost by default, *transhumanism* has become the overwhelming leader of the name rivalry. Around the world, a quickly growing number of people know what *transhumanism* is and also subscribe to some of it. It has become the go-to futurist term to express how science and technology are upending *the human playing field*.

The History & Occult Roots of TRANSHUMANISM

<http://christianobserver.net/transhumanism-the-illuminati/>

While all the attention of conspiracy researchers has been focused on JFK, UFOs and 9/11, a plot to create the ultimate surveillance tool has proceeded almost unsuspected. It has been the plan to bring about the All-Seeing Eye of the reverse side of the American dollar bill: the personal computer.

The history of transhumanism is the history of Satanism in our time. It begins with the *Cybernetics Group*, a CIA front, headed by Norbert Wiener. In *God and Golem, Inc.*, Wiener compares the creation of *artificial intelligence with the Kabbalistic legend of the golem*, a supposed living being created through magical means.

A Prague reproduction of the Golem. 57

In Jewish folklore, a golem is an animated anthropomorphic being that is magically created entirely from inanimate matter. The word was used to mean an amorphous, unformed material in Psalms and medieval writing.

Psalm 139:16

Your eyes saw my (*golem – beginning fetus/perceived to be life with an unformed body*) formless embryo, and in Your book, scroll they were all written and recorded – days fashioned and formed for me when there was not one.

The Cybernetics Group

From the Cybernetics Group also emerged *MK-Ultra*, the CIA's "mind-control" program, which was an extension of the Nazis' experiments on schizophrenics, imported with Operation Paperclip. *MK-Ultra promoted the "mind-expanding" quality of psychedelic drugs, based on occult legends that the shamans of ancient times used similar substances, equated with the "apple" of the Tree of Knowledge, to contact the spirit world.*

Through MK-Ultra patients among the Beat Poets, like Allen Ginsberg, and agents William S. Burroughs, the CIA produced the Hippie culture of 60s. With “sex, drugs and rock ‘n roll”, they fulfilled the plans of the Frankfurt School to overthrow traditional morality by way of the infamous bands of the Laurel Canyon scene, in league with members of Crowley’s OTO, the Manson Family and the Church of Satan.

Knowing that the creation of the computer would be correctly suspected as a tool of Big Brother, the CIA aligned the Hippie ideals with the emerging computer culture to produce a movement called Cyberpunk, from which transhumanism evolved.

And with Cyberpunk begins the true story of the Illuminati conspiracy in our time. It starts with an avant-garde movement known as Situationism, which evolved from occult and fascist-influenced art movements like Dada, Lettrism and Surrealism. By aligning with the French postmodernist philosophers, and teaming up with William S. Burroughs, Andy Warhol and the New York Underground, they produced the Punk movement of the late 1970s.

CYBERPUNK

The Roleplaying Game of the
Dark Future

The Punk movement was closely connected with the emerging chaos magic scene, derived from Crowley's student, Austin Osman Spare. It was heavily influenced by the parody religion of Discordianism, founded by a good friend of Lee Harvey Oswald, Kerry Thornley, whom Jim Garrison suspected as serving as Oswald's double. Discordianism's leading exponent was Robert Anton Wilson, author of *The Illuminatus! Trilogy*, and a key figure in the cult of neo-paganism and neo-shamanism, along with Terence McKenna.

Together with MK-Ultra agent Timothy Leary, who went from evangelist of LSD to evangelist for the personal computer, they become the father figures of the Cyberpunk movement. It's leading publication was the techno-pagan *Mondo 2000*, founded by R.U. Sirius, who went on to become a major figure in the transhumanist movement.

Transhumanist themes have been reflected for decades in movies such as *2001: A Space Odyssey*, *Blade Runner*, the *Terminator* series, *The Matrix*, and *Transcendence*, but is best encapsulated in the recent movie *Lucy*, starring Scarlett Johansson, who takes a "smart drug" to achieve ever increasing intelligence, until she merges her mind with the Internet, to become a god.

The image shows the UNESCO logo, which consists of the word "UNESCO" in large, white, three-dimensional capital letters. The logo is mounted on a blue, textured wall that has a classical architectural design with a pediment above the letters. At the bottom of the image, there is a row of various national flags. The entire scene is lit with a blue light, giving it a monochromatic appearance.

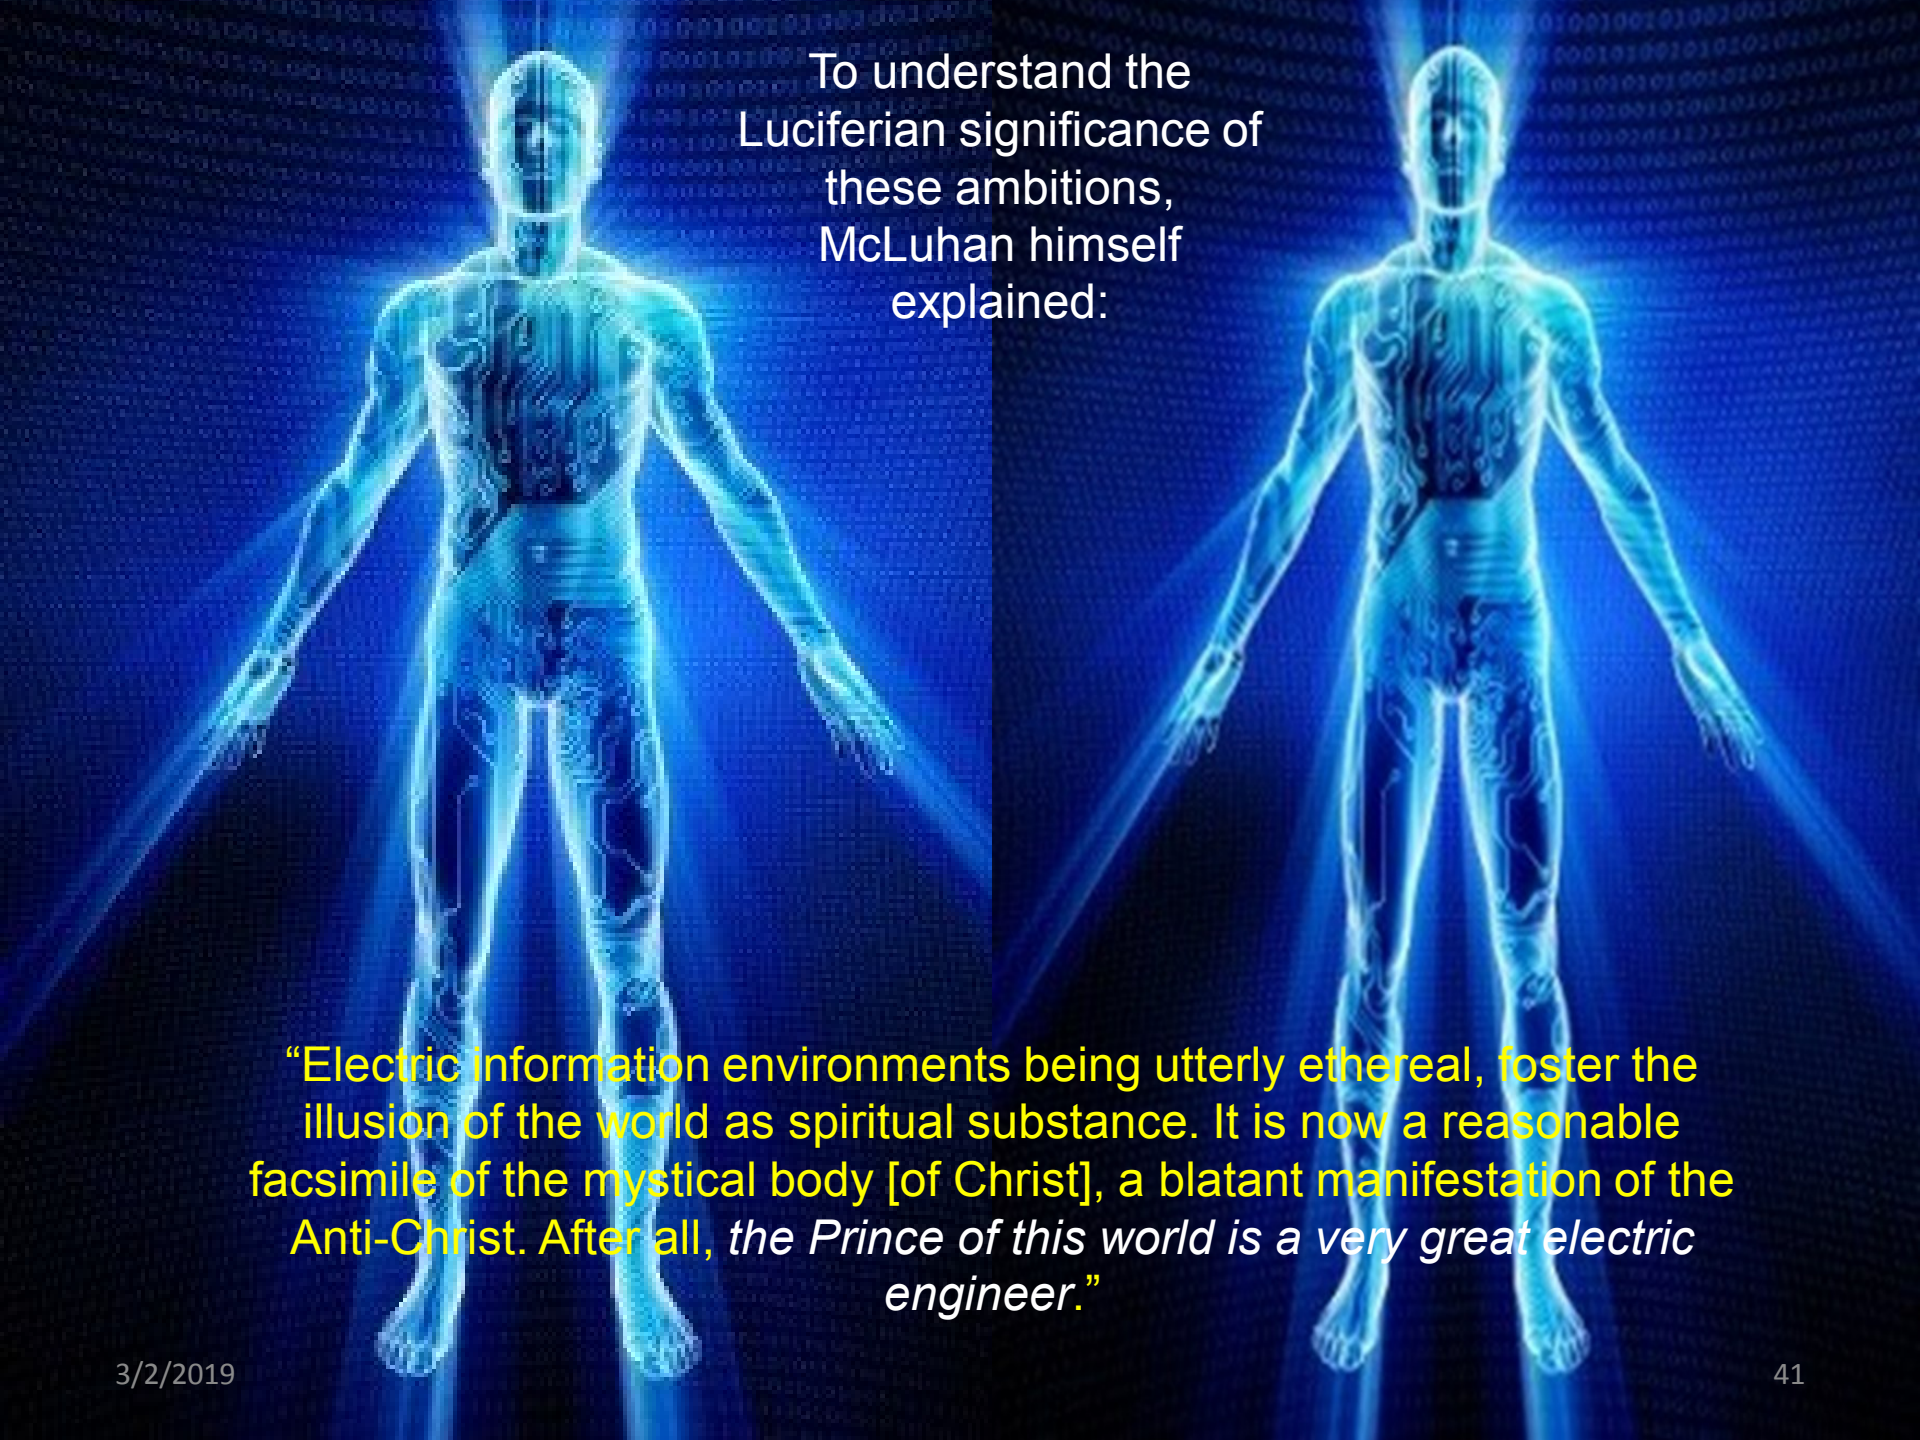

UNESCO

This idea is rooted in an age-old occult belief first developed in the sixteenth century by Isaac Luria, father of the New Kabbalah, and the godfather of Rosicrucianism. Luria's idea, which proposed that man was evolving through time to become God, served as the basis for the Theory of Evolution, promoted by Thomas Huxley's X Club. Huxley's grandsons were Aldous Huxley, the visionary behind MK-Ultra, and eugenicist Julian Huxley, a founder of UNESCO.

Julian also wrote the introduction to *The Phenomenon of Man* by Jesuit priest Pierre Teilhard de Chardin (1881 –1955), known as the Catholic Darwin. Identified as the leading influence of the New Age movement, Teilhard is also regarded as the “Patron Saint of the Internet.” Teilhard influenced Marshall McLuhan, Arthur C. Clarke, Philip K. Dick and Terence McKenna with his theory of a “Noosphere,” which would represent *humanity’s development of a collective consciousness*.

Today referred as the “Global Mind,” it underlines the plans of Google and the transhumanists in creating artificial intelligence. By merging with the Internet, which will represent the accumulation of the totality of human knowledge, and be able to peer into every aspect of our lives, it will achieve omniscience.

To understand the
Luciferian significance of
these ambitions,
McLuhan himself
explained:

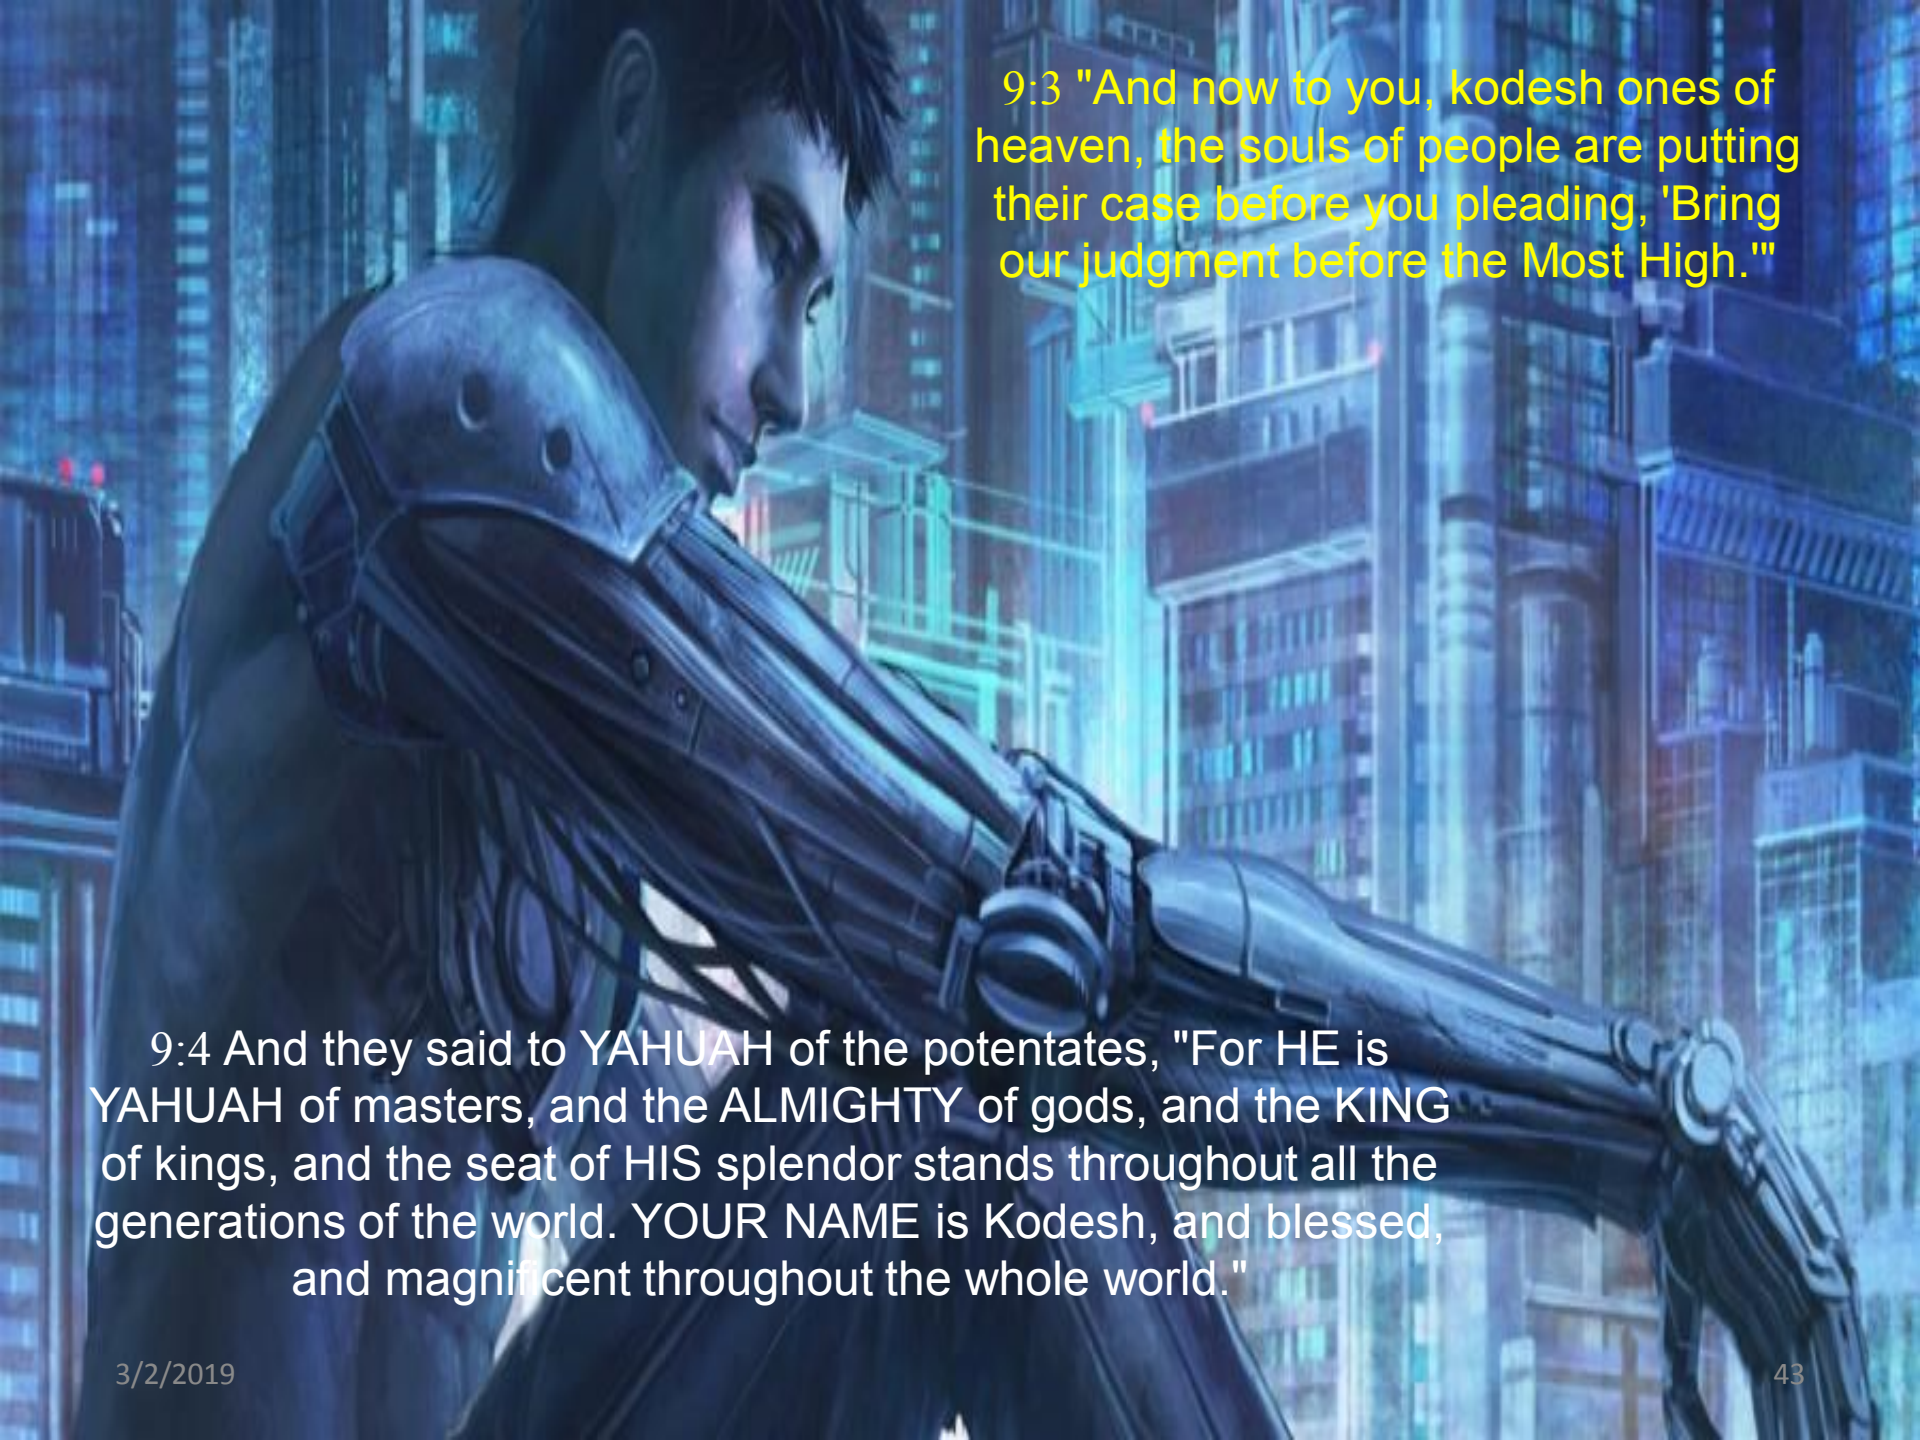

“Electric information environments being utterly ethereal, foster the illusion of the world as spiritual substance. It is now a reasonable facsimile of the mystical body [of Christ], a blatant manifestation of the Anti-Christ. After all, *the Prince of this world is a very great electric engineer.*”

9:1 Then Micha'el, Surafel, and Gabri'el observed carefully from the sky and they saw much blood being shed upon the earth, and all the oppression being wrought upon the earth.

9:2 And they said to one another, "The earth, from her empty foundation, has brought the cry of their voice unto the gates of heaven."

A man in a futuristic, metallic, and fiber-optic suit stands in a city at night. The suit is dark with glowing blue and green lines, suggesting advanced technology. The background shows a cityscape with tall buildings and lights, creating a cyberpunk atmosphere.

9:3 "And now to you, kodesh ones of heaven, the souls of people are putting their case before you pleading, 'Bring our judgment before the Most High.'"

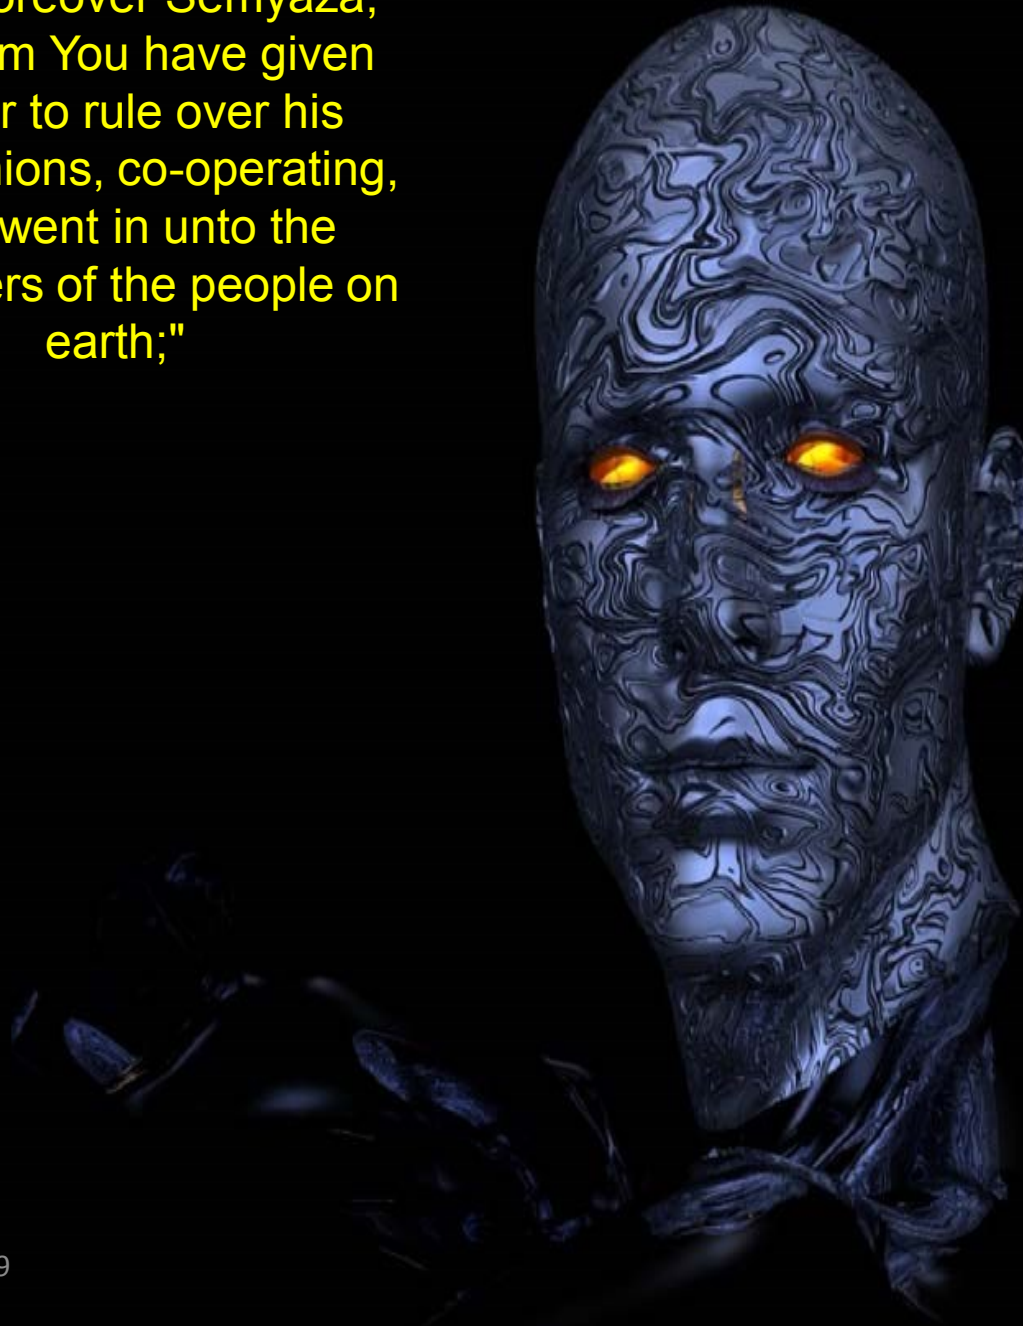

9:4 And they said to YAHUAH of the potentates, "For HE is YAHUAH of masters, and the ALMIGHTY of gods, and the KING of kings, and the seat of HIS splendor stands throughout all the generations of the world. YOUR NAME is Kodesh, and blessed, and magnificent throughout the whole world."

9:5 "You have made everything

9:6 "You see what Azaz'el has done; how

and which man learned."

9:7 "Moreover Semyaza,
to whom You have given

daughters of the people on
earth;"

9:8 "And they lay together with them-with those women-and defiled themselves, and revealed to them every kind of sin."

9:9 "As for the women, they gave birth to giants to the degree that the whole earth was filled with blood and oppression."

9:10 "And now behold, the Kodesh One will cry, and those who have died will bring their suit up to the gate of heaven. Their groaning has ascended into heaven, but they could not get out from before the face of the oppression that is being wrought on earth."

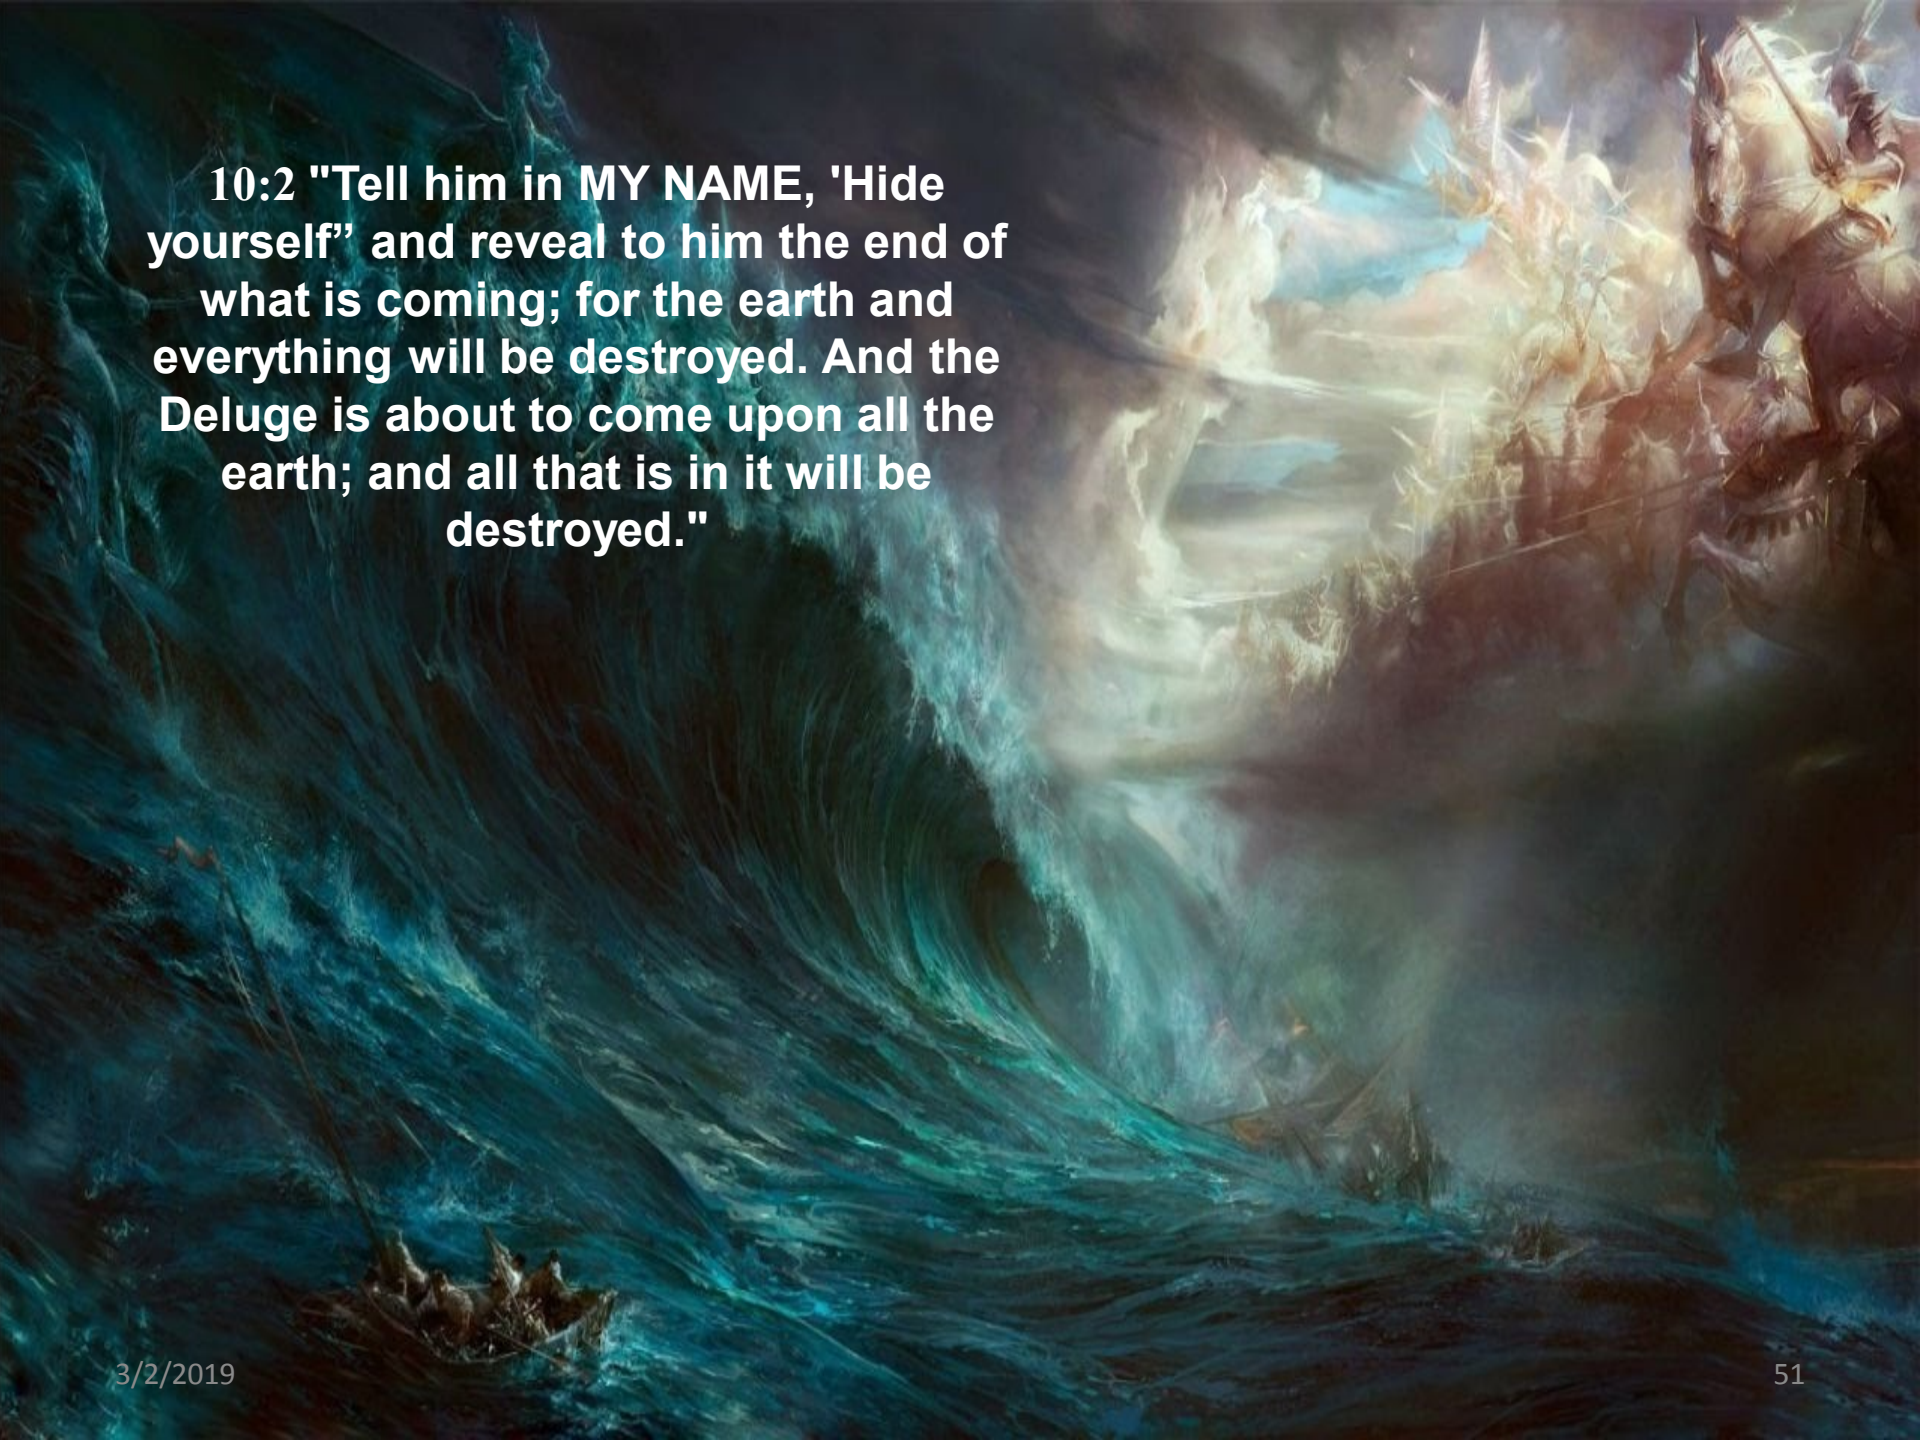

9:11 "And You know everything even before it came to existence, and YOU see this thing but YOU do not tell us what is proper for us that we may do regarding it."
