Introduction

What is all the fuss about celebrating a harmless, fun for the whole family, dress up and let loose and be a little crazy holiday? Most Christians don't think twice about it. Yet everything about this holiday is completely against what is in the Christian bible- even by the KJV version! How did this holiday get a pass and endorsement by 'god fearing folks' which are so enthusiastic about dressing up their babies and little ones while never once questioning where this practice came from and most importantly if Yahuah approves. Shouldn't this be the Standard by which we live our lives?

In this study I will endeavor to bring to you some little known facts about this holiday. Honestly there are so many good Youtube videos and websites that expose this holiday that I was reluctant to add my voice to it. I will add a list of good ones to check out at the end of this study. It is another sad case of herd mentality where we can't stand the thought of being different, even though somewhere down deep we know what we are doing is wrong and quite frankly is an abomination to Yahuah. I will be showing you from His perspective why it's offensive and why if we continue to participate in this and condone it, our children we will also partake of the wrath Yah, which He has stored up for Babel during the end times. If the customs come from Babel and Yahuah condemns them, then it's not rocket science to figure out, not only why we shouldn't be doing it but also the ramification for doing it.

For those who do answer Yahuah's invitations to His Appointed Times (feasts-and Set Apart Times) in the fall is a most awesome celebration. It is a seven day feast or party called Sukkot or Feast of Tabernacles. It is the culmination of all the feasts of the year when after understanding and participating in the previous feasts, we get to "camp out with Yahuah". It is a picture and dress rehearsal of when Yahusha comes back and we are all together. All of the Appointed Times of Yahuah are dress rehearsals and acknowledgements of our being on the path that leads directly back to Yahuah and thus redemption.

There is a stark contrast between this and the holidays of the shatan's world. In the fall, we find the world keeping its un-set-apart-days to shatan, and I would like to consider what the Scriptures have to say about incorporating pagan observances into our relationship with Yahuah and into the fabric of our lives.

The purpose of this study is not to put others down, but to confirm by Scriptures, the truth and danger of Halloween, to those who might not realize it. There is urgency about these studies as I know our time is short. I present these things also with a high level of outrage at shatan for causing so many to be led away from Yahuah, who do not realize they must dig deep to prove everything for themselves.

Man and shatan do not want to be questioned. Yah begs us to question and investigate everything. Since He is truth, if investigated honestly, you will find Yahuah and begin to cleanse yourself from Babel. That is why He asks us to do this. If more people did it, more people would find Him! He does not want His children to be lost forever!

Having said this, we do know that there are many within the confines of Christianity that believe Yah 'doesn't mind' if we observe Christmas, have the Cross as the sign of our faith, call upon Yahuah using a pagan title of god and lord, calling His Son Jesus and many other such practices that have its roots in paganism. The logic is, 'the meaning of these things 'has changed' and they no longer mean those things today or to me'. Therefore Yahuah 'doesn't mind' if we do these things since the meaning has 'changed'.

For examples, here are some responses that I have encountered over the years:

- * It's okay to eat pork, the pig has been domesticated and is fed whole grains for its food and is not roaming the earth eating garbage like it used to.
- * It's okay to keep the Sabbath day on the first day instead of the 7th day because this is the day the Messiah resurrected. The 7th day is no longer kept by Christians so as long as you are keeping a Sabbath, Yahuah 'doesn't mind'.

* It's okay to keep Christmas, it used to be pagan but it doesn't mean that anymore, even though we know His son could not have been born on Dec 25th but hundreds of pagan idols were.

* It's okay to have the cross as the sign of our faith, it was pagan but it doesn't mean that anymore.

* It's okay to call Yahuah by the pagan name "god", it used to be pagan but it doesn't mean that anymore.

* It's okay to call Yahusha 'Jesus', it of course is not the real name of the Messiah, but it's the English version.

Within the logic of each of these statements, we find a common thread. Each statement is saying that something has changed. Because of that change, what USED to be wrong is now considered right! I believe this to be a snare. Do we find any examples of this in the Scriptures? Is there anything in Genesis through Revelation that would justify the idea that something that used to be wrong can later on be right? The answer is, "No, to the contrary!, we are warned that this will be reasoning of the lost and corrupted.

(Isaiah) YahshaYahu 5:20

Isa 5:20 Woe (Hi) (sorrow, regret)^{H1945} **to them that call** (Amar) certify, boast, demand or desire ^{H559} **evil** (Ra) pertaining to that which is not morally pure, that which has no value, or good according to Yahuahs standard the Torah, defames and is harmful ^{H7451} **good**(Tob) pertaining to the moral opposite of evil, having good value, joyful, beautiful, cheer, kind, good as to character and value ^{H2896} **and good**(Tob) pertaining to the moral opposite of evil, having good value, joyful, beautiful, cheer, kind, good as to character and value ^{H2896} **evil**(Ra) pertaining to that which is not morally pure or good according to Yahuahs standard the Torah, that which has no value, defames and is harmful ;^{H7451} **that put** (Shym) Change, attach, determine, disguise, establish ^{H7760} **darkness**

(hoshek) terror, ignorance, sadness, confusion, evil, withholding light, death, destruction ^{H2822} **for light** (aur) guidance, health, life, prosperity, enlightened judgment, make shine, shed light, ^{H216} **and light** (aur) guidance, health, life, prosperity, enlightened judgment, make shine, shed light ^{H216} **for darkness** (hoshek) terror, ignorance, sadness, confusion, evil, withholding light, death, destruction ; ^{H2822} **that put** (Shym) Change, attach, determine, disguise, establish ^{H7760} **bitter** (Mar) sorrowful, anguished mental state of intense distress, poisonous-a deadly substance when applied through a weapon causes death, bitter taste, a bitter soul of a person that can cause harm to another ^{H4751} **for sweet** (Matoq) pleasant, agreeable and acceptable enjoyment, ^{H4966} **and sweet** ^{H4966} **for bitter** (Mar) sorrowful, anguished mental state of intense distress, poisonous-a deadly substance when applied through a weapon causes death, bitter taste, a bitter soul of a person that can cause harm to another !^{H4751}

Woe, sorrow and regret to those that boast, certify and desire that evil which has no value, (and is against the Standard of Yahuah's Torah), that which is harmful and defames Him, saying what is immorally pure, is good. Good being the opposite of evil and has good character and value and is joyful, beautiful. And also say, that which is good, (which is the opposite of evil), and has good character and value, is joyful and is beautiful, is evil- which has no value, (and is against the Standard of Yahuah's Torah). It is harmful and immoral and defames Yah. Changing to disguise and establishing by attaching darkness which is terror, ignorance, sadness, confusion, death and destruction by means of withholding light and saying it is light, which is guidance, health, life, prosperity, enlightened judgment, and that light which is guidance, health, life, prosperity, enlightened judgment is darkness which is terror, ignorance, sadness, confusion, death and destruction. They also change, attach, determine, disguise and establish that which is bitter in taste and anguished mental states of intense distress and supply poisonous substances that kill because their souls are bitter and they cause harm to others but say it is sweet, pleasant, agreeable and acceptable enjoyment. Then say that which actually is sweet, pleasant, agreeable and acceptable enjoyment is really bitter in taste and anguished mental states of intense distress and supply poisonous substances that kill because their souls are bitter and they cause harm to others.

Wow do you see everyday examples in the above warning?

- The AMA, who kill millions every year say Yah's herbs are bad.
- Vaccinations for our children that are supposed to protect their health cause disease and death.
- Sordid entertainment is really just funny and mindless entertainment.
- Illuminati Musical artists are just harmless entertainment and should be supported.
- Constitutionlists are terrorists.
- By not condoning actions against Yah's Torah, you are evil and intolerant.
- Only those who act against the Torah have freedom of speech.
- Trans-humanism is the way to eternal life, not the Torah.
- The American Government who says it's immoral for other countries to use chemical weapons on its own citizens, yet spray chemtrails everyday over the American population filled with aluminum, barium and blood wastes, not to mention poisoning the water with fluoride.
- US Gov't telling people they cannot grown their own gardens as it is not safe for the public, yet are trying to force feed us GMO's with documented proof of deadly results.

I could go on and on, but this should convince you Yahuah is timeless, current and right up date on what is happening in this world today with this prophecy and warning to them that do this. Yah will deal with them. Read verse 24 and see why this happens....

Isa 5:24 Therefore^{H3651} as the fire^{H784} devoureth^{H398} the stubble,^{H7179} and the flame^{H3852} consumeth^{H7503} the chaff,^{H2842} their root^{H8328} shall be^{H1961} as rottenness,^{H4716} and their blossom^{H6525} shall go up^{H5927} as dust.^{H80} because^{H3588} they have rejected (Maas) trashed, avoided association with and despised, ^{H3988 (H853)} the TORAH^{H8451} of YAHUAH^{H3068} of hosts,^{H6635} and despised^{H5006} the Word^{H565} of the SET APART One^{H6918} of Israel.^{H3478}

This could not be any clearer. We cannot reject, trash, despise and avoid association with The Torah of Yahuah and expect a happy ending! This is straight from Yahuah!

Above all things remember when considering any issue: **THE ONLY OPINION THAT MATTERS IS YAHUAH'S!**

Let's consider first of all the Scriptural prohibition of incorporating paganism into our relationship with Yahuah. When the children of Israel were about to go into the promise land, Yahuah's desire was that they not take their pagan practices and apply it to Him:

Deu 12:28 Observe(Shamar) guard, preserve and protect **H8104** and hear(Shama) hear intelligently, discern **H8085 (H853)** all**H3605** these**H428** words (Debar) **H1697** which**H834** I**H595** command (Sawah) instruct, tell, give direction to**H6680** you, that**H4616** it may go well (Yatab) be pleasing, happy, merry, a benefit, make better, **H3190** with you, and with your children**H1121** after**H310** you forever (Olam) everlasting, eternity,**H5704 H5769** when**H3588** you will be doing (Asha) accomplish **H6213** *that which is* good(Tob) merry, pleasant, beautiful, kind, good character and value**H2896** and right (Yashar) straightness, honest, **H3477** in the sight(Ayin) presence, understanding **H5869** of Yahuah**H3068** Your Everlasting.**H430**

Yahuah has told us exactly what we need to do to have a happy life that will extend to our children for eternity in just one verse. Let me rewrite this without the Strong's numbers.

12:28 Observe, guard, preserve, protect and hear with intelligence and discernment all the words which I (Yahuah) tell, instruct and give direction to you, so that it will be of benefit you. It will make you happy, merry, and make your life better for you and your children after you, for forever and provide the way to eternity, because what you will accomplish and do is considered good, merry, pleasant, and is of good character and value and is straightness and honest in the sight, presence and understanding of Yahuah your Everlasting.

Sounds pretty important right? If we want to live in eternity with our children, we just need to really understand the words that Yahuah has spoken to us and guard and protect them as true and honest and live by them because it's the right and honest thing to do.

Deu 12:29 When ^{H3588} Yahuah ^{H3068} your Everlasting ^{H430} shall cut off ^{H3772} ^(H853) the nations ^{H1471} from before ^{H4480} ^{H6440} you, where ever ^{H834} ^{H8033} you ^{H859} go ^{H935} to possess (Yarash) to gain possession of an inheritance, received by ancestral agreement ^{H3423} them, and you succeed (Yarash) to gain possession of an inheritance, received by ancestral agreement ^{H3423} them, and dwell ^{H3427} in their land; ^{H776}

12:29 When Yahuah your Everlasting, shall cut off and destroy the nations from before you, wherever you go to gain the inheritance that was promised to you through My promise to your ancestors from these people, then you will succeed to gain possession of this inheritance of land from them, and live in their land.

Notice two things. Yahuah is the one destroying the nations not His people He was sending in and it was because these people did two things. They had stolen (breaking Torah) the land from His people that Yahuah had promised to our ancestors. If Yahuah the creator of the universe gives you something it is yours forever! This should be comforting in regards to the binding promise of eternal life for His family. By whose authority did these nations think they had the right to take this land away from them? Number two: Every time people listen to Shatan and try to override what Yahuah has said, there will be death and eternal extinction for those people falling in with Shatan. You can take that to the bank. He is a protective father and will not allow men to have the power to break His promises to His people. His word is true. If only our words and actions would be the same, we would not have this mess.

Deu 12:30 Take heed (Shamar) guard, preserve and protect ^{H8104} yourself that ^{H6435} you will not be snared (Naqas) controlled, struck down, get caught ^{H5367} by following (Achar) be a follower of, pursue or imitate ^{H310} them, after that (Achar) be a follower of, pursue ^{H310} they be destroyed (Shamad) be exterminated, which can include death of a person or extinction of an entity ^{H8045} from before ^{H4480} ^{H6440} you; and that ^{H6435} you inquire (Darash) to care for, learn information about, seek after, repeatedly study ^{H1875} not after their gods, ^{H430} saying, ^{H559} How ^{H349} did these ^{H428} nations (Goyim) gentiles,

pagan people ^{H1471} serve ^{H5647 (H853)} their gods? ^{H430} even so ^{H3651} will I ^{H589} do ^{H6213} likewise. ^{H1571}

Here are the words that Yahuah wants us to take heed of and really pay attention to:

12:30 Guard and protect yourself that you are not snared, controlled, struck down or get caught up by following or pursuing after or becoming a follower of or imitating them, that after they are destroyed and exterminated before you, you do not inquire or learn information by repeatedly studying or caring for and seeking after these pagan people's gods, saying how did these pagans serve their gods? And so I will do likewise.

Sounds like good advice right? Pay attention to a few things:

1. The pagan people the gentiles that were worshipping anything other than Yahuah were being exterminated.
2. They are not burning in hell they are just ceasing to exist. It is fair. Life is a gift and they did not want to live with the creator of this gift so they cease to live.
3. Do not learn how they worship their gods and then imitate it.

Deu 12:31 You must not ^{H3808} do ^{H6213} likewise ^{H3651} toward Yahuah ^{H3068} Your Everlasting: ^{H430} for ^{H3588} every ^{H3605} detestable thing (Toabat) things which are an abomination and repulsion anything which is loathsome to Yah, ^{H8441} to Yahuah, ^{H3068} which ^{H834} he hates (Shana) an enemy, open feeling of hostility and intense dislike, strife with another, ^{H8130} have they done ^{H6213} for their gods; ^{H430} for ^{H3588} even ^{H1571} (Alef Tav) ^{H853} their sons ^{H1121} and their daughters ^{H1323} they have burnt (Shrap) serpents, to consume, to suck in, sacrificed ^{H8313} in the fire ^{H784} to their gods. ^{H430}

12:31 You must not do likewise towards Yahuah, your Everlasting. For every detestable, loathsome and repulsive thing, which is an abomination to Yahuah, which He hates and has an open feeling of hostility and intense dislike for, which is the enemy He strives with, they have done these things for their gods, and even their sons and their daughters they have burnt and sacrificed in the fire to their gods.

Don't miss this. Yahuah does not want us to do anything that the pagans do and then attribute it to Him. Unless Yahuah asks us to do something we should not do it especially if we see that it has pagan background ties. This should be the litmus test. Notice too how strongly Yahuah feels about these customs. We saw in the introduction to this, that this is exactly what the people did with the golden calf. Yahuah does not condone human sacrifice and especially sacrificing children.

Deu 12:32 All (Kol)the whole totality of, (H853) of the things(Debar) Word, communications H3605 H1697 H834 I H595 command (Sawah) instruct, give direction, ordained, decree with authority H668o you, you must diligently observe (Shmar) to watch, keep guard, preserve, protect, stick to an agreement, keep an appointment H8104 to do (Ashah) accomplish H6213 it: you shall not H3808 add(Yasap) increase a quantity by adding to the collection H3254 to it, H5921 nor H3808 take away (Gara) to scratch or scrape off(this is how scribes would erase words off the scrolls) reduce the number of , sever an object from a core or base, shave or cut down H1639 from H448o it.

12:32All, the whole totality of the Words and communications that I instruct and give direction are ordained as a decree with My authority to you. You must observe and watch over, keeping guard to preserve and protect them and stick to the agreement and keep our appointments and accomplish it. You shall not add by increasing or adding to the collection or take away by scraping off letters or words as it severs the message from the core or base (which is Yahuah).

This is huge so pay attention. Yah is warning protect His word (interesting they try to water it down by using the word 'things'), and His instructions as the direction we must go to be protected and happy. He wants us to stick to our agreement! First off to do this, one has to actually read the words He gave us in Hebrew. You don't have to know Hebrew, you just have to have a good lexicon and there are plenty online that are free and some that are well worth the price to dig deeper, easier and faster. Huge is the warning not to add to His word. This should give everyone pause about the "New Testament" and books in the New Testament that are letters, not from Yahuah but from men that have been elevated to Scripture. By who's authority? At every turn we will see the Catholic church overstepping Yahuah's authority in keeping Sabbath, His Name, His Son's Name,

His Son's Message, corruption of translations, and in this study the propagation of pagan customs into our society and Christianity going along with it. There is also a warning to not take away from His word. It is interesting that the word means to scrape off, which is how the scribes would change words and letters on the animal skins and papyrus scrolls. By scraping off Yahuah's name and changing it to adoni or lord and scraping the yahu off of most biblical names of import, Hebrew and Gentile scribes are in violation of this. Additionally by scrapping off Yahusha's name completely and adding Jesus is also a huge violation. He also talks about the importance of sticking to our agreement with Yah and to keep our appointments (the appointed feasts and Sabbath) with Him.

Deu 13:1 If (Kya) surely, truly, ^{H3588} **there arise**(Qum)stands up and rises in status, establishing himself ^{H6965} **among** (Qarab) in your inner thoughts, in the midst of ^{H7130} **you a prophet**,^{H5030} **or**^{H176} **a dreamer**^{H2492} **of dreams**,^{H2472} **and gives**(Natan) implying value of it (the sign and wonder)^{H5414} ^{H413} **you a sign**(Aut) miraculous sign, showing ones power, mark, signal or symbol which has meaning as a crafted or natural object^{H226} **or**^{H176} **a wonder** (Mupet) miracle, a beautiful or splendid deed, phenomenon in the skies, that also causes a response of awe.^{H4159}

13:1 ~~If~~—Surly and truly there will arise and establishing himself as high in status in your midst, and in your thoughts, a prophet or a dreamer of dreams that gives (implying it has value) you a miraculous sign, signal, or symbol which has a meaning as a crafted or natural object, showing power, or a wonder, miracle which is beautiful or a phenomenon in the skie that will cause you to be in awe or a splendid deed.

Yahuah does not waste His breath to warn us about things that are not going to happen or have already happened in our life time. Not only in Revelation does it warn about signs and wonders but these are awe inspiring that will fool people into serving other gods and not Yahuah. Don't miss this warning! Just because we see a miracle does not mean it is from Yahuah ! Miracles done in the name of Jesus is a

prime example. It binds the blind into following this imposter who has not come in the Name of the Father Yahuah. The litmus of 'seeing is believing' should not be applied. We are being warned! Where King James wants us to see 'if' this happens, the Hebrew clearly says, truly and surly this will happen, and in the next verse here is our litmus test.

Deu 13:2 And the sign (Aut) miraculous sign, showing ones power, mark, signal or symbol which has meaning as a crafted or natural object ^{H226} or the wonder (Mupet) miracle, a beautiful or splendid deed, phenomenon in the skies, that also causes a response of awe ^{H4159} come to pass (Bua) ,^{H935} whereof^{H834} he speaks^{H1696} to^{H413} you, saying, ^{H559} Let us go (Halak) ^{H1980} after^{H310} other^{H312} gods, ^{H430} which^{H834} thou hast not^{H3808} known (Yada) revealed, acquire knowledge to intimately acquainted, ^{H3045} and let us serve (Abad) labor and to tasks and publish information about^{H5647} them;

13:2 And if the miraculous sign or signal or symbol which has meaning as a crafted or natural object, showing ones power or the wonder or phenomenon in the skies that causes a response of awe or a beautiful or splendid deed does come to pass that he speaks about, saying lets now go after other gods, (than Yahuah) which you have not known, revealed or acquired knowledge about or are not intimately acquainted, and lets labor and do tasks and publish information about them.

Wow does anyone remember Constantine's "miraculous" vision of the cross in the sky and then when on to co-create Christianity based on murdering those who did not convert. That is not Yahuah. How could it be since Constantine kept the pagan practices up after this victory!

Maxentius organized his forces—still twice the size of Constantine's—in long lines facing the battle plain, with their backs to the river. Constantine's army arrived at the field bearing unfamiliar symbols on either its standards or its soldiers' shields. According to Lactantius, **Constantine was visited by a dream the night before the battle, wherein he was advised "to mark the heavenly sign of God on the shields of his soldiers...by means of a slanted letter X with the top of its head bent round, he marked Christ on their shields."** Eusebius describes another version, where, while marching at midday, **"he saw with his own eyes in the heavens a trophy of the cross arising from the light of the sun, carrying the message, *In Hoc Signo Vincas* or "with this sign, you will conquer" (a dreamer of dreams and seeing a phenomenon in the skies- This is prophecy being fulfilled and it won't be the last time in history this is used by shatan);** in Eusebius's account, Constantine had a dream the following

night, in which Christ appeared with the same heavenly sign, and told him to make a standard, the *labarum*, for his army in that form. Eusebius is vague about when and where these events took place, but it enters his narrative before the war against Maxentius begins.

Eusebius describes the sign as Chi (X) traversed by Rho (P): ☩, a symbol representing the first two letters of the Greek spelling of the word *Christos* or *Christ*. The Eusebian description of the vision has been explained as a type of solar halo called a "sun dog", a meteorological phenomenon which can produce similar effects. In 315 a medallion was issued at Ticinum showing Constantine wearing a helmet emblazoned with the *Chi Rho*, and coins issued at Siscia in 317/18 repeat the image. The figure was otherwise rare, however, and is uncommon in imperial iconography and propaganda before the 320s.

However, Constantine certainly did not patronize Christianity alone. After gaining victory in the Battle of the Milvian Bridge (312), a triumphal arch—the Arch of Constantine—was built (315) to celebrate his triumph. The arch is decorated with images of the goddess Victoria. At the time of its dedication, sacrifices to gods like Apollo, Diana, and Hercules were made.

Absent from the Arch are any depictions of Christian symbolism. However, as the Arch was commissioned by the Senate, the absence of Christian symbols may reflect the role of the Curia at the time as a pagan redoubt.

Later in 321, Constantine instructed that Christians and non-Christians should be united in observing the venerable day of the sun, referencing the sun-worship that Aurelian had established as an official cult. Furthermore, and long after his oft alleged conversion to Christianity, Constantine's coinage continued to carry the symbols of the sun. Even after the pagan gods had disappeared from the coinage, Christian symbols appeared only as Constantine's *personal* attributes: the chi rho between his hands or on his *labarum*, but never on the coin itself. Even when Constantine dedicated the new capital of Constantinople, which became the seat of Byzantine Christianity for a millennium, he did so wearing the Apollonian sun-rayed Diadem; no Christian symbols were present at this dedication.

From this "miraculous" sign, we have Sabbath changed to Sunday, Pagan idols established i.e. the cross, halos, "christ" and not the Messiah! This is a huge warning! Look what this wicked sign and wonder has spawned! A new religion for shatan that since its beginnings was used to murder millions!

Deu 13:3 You shall not^{H3808} listen (shama) process the information about and proclaim and make known, publish^{H8085} to^{H413} the words^{H1697} of that^{H1931} prophet,^{H5030} or^{H176} that^{H1931} dreamer^{H2492} of dreams:^{H2472} for^{H3588} **Yahuah**^{H3068} your Eternal^{H430} is testing(Nasah) attempting to know the true nature,^{H5254} you, to know (Yada) reveal, make known intimately^{H3045} whether^{H3426} you love (Ahab) an affection based on a close relationship,

showing your love, to ^{H157 (H853)} **Yahuah** ^{H3068} **your Eternal** ^{H430} **with all** ^{H3605} **your heart**(Lebab) mind, soul, spirit, your source of inner life ^{H3824} **and with all** ^{H3605} **your soul** (Nepsh) the essence of life including thinking, feeling, willing, emotion, passion and desire. ^{H5315}

13:3 You shall not listen and process the information (rationalize) proclaim and make known (promote) and publish the words of that prophet, or that dreamer of dreams for Yahuah your Eternal is testing, attempting to know and show your true nature, if you know intimately, whether you love with an affection based on a close relationship, showing your love to Yahuah, your Eternal with all your heart, mind, soul, spirit, your source of inner life and with all your soul, Nephesh, the essence of life including thinking, feeling, willingness, emotion, passion and desire.

No games-free will, but it is a test. The same test today. Do you follow the pagan crowd or do you follow Yahuah. That is the test where the rubber meets the road. Celebrating Christmas, Easter, Halloween and Sunday worship are pagan customs. You can't fool Yahuah. Again the only opinion that matters is Yahuah's and He has laid down the gauntlet and the litmus test. How do you stack up today? If you are failing, how long will it take you, (if you love Yahuah), to make the changes with a joyful and heart full of love for Him, knowing that He is leading you away from eternal death with this decision and leading you toward being a child of His forever. He could not be clearer. Make no mistake, it's not that Yahuah does not know what you will choose, He is making US aware of how our choices are either not showing all our heart and soul that we would not know if we were not told what His litmus test is. He is saying don't make these bad teachings and customs acceptable and certainly don't pass it on to your children as being harmless!

Deu 13:4 **Ye shall walk** ^{H1980} **after** ^{H310} **Yahuah** ^{H3068} **your Eternal,** ^{H430} **and revere** (Yare) showing profound respect that borders on fear for ^{H3372} **Him, and keep** (Shamar) to watch, keep guard, preserve, protect, stick to an agreement, keep an appointment ^{H8104} **His commandments**-(Mizuwah) instruction or prescription for life the written legal conditions which are binding in a contract ^{H4687} **and obey** (Shama) listen carefully and intelligently, consider and discern ^{H8085} **his voice,** ^{H6963}

and you shall serve^{H5647} him, and cleave (Dabaq) to be firmly attached as if glued, stick and cling^{H1692} unto him.

13:4 You shall walk after Yahuah your Eternal and revere Him showing profound respect that borders on fear of Him and keep guard, preserve, protect, stick to an agreement and keep Yah's appointments, His instructions and prescriptions for life which is the legal conditions which are binding in a contract, and listen carefully and intelligently and consider with discernment His voice, and you shall serve Him and cleave, as to be firmly attached to Him as if glued and stick and cling to Him.

Again a reminder of how we stay on the straight and narrow path. We have to stick like glue to Yahuah! Has Christianity done that? They for the most part do not even know who Yahuah is! Does it sound like Yah is interested in offering a different path to Him other than the one He has clearly been pointing out? Here are more warnings of just how hard this will be.

Deu 13:6 If^{H3588} your brother,^{H251} the son^{H1121} of your mother,^{H517} or^{H176} your son,^{H1121} or^{H176} your daughter,^{H1323} or^{H176} the wife^{H802} of your bosom,^{H2436} or^{H176} your friend,^{H7453} which^{H834} is as your own soul,^{H5315} entice (Sut) instigate, lead astray, seduce, draw out away,^{H5496} you secretly (Seter),^{H5643} saying,^{H559} Let us go^{H1980} and serve^{H5647} other^{H312} gods,^{H430} which^{H834} you have not^{H3808} known,^{H3045} you,^{H859} nor your fathers;^{H1}

13:6 If your brother, the son of your mother or your son, or your daughter or the wife of your bosom or your friend, which is as your own soul, entice, instigate, seduce to draw you out from my word and lead you astray by secretly saying, 'let us go and serve other gods which you have not known, you nor your fathers,

Here Yah is warning that our most intimate inner circle may try and pressure us to fall away from Yah. In the case of Christians coming out of its paganisms, they may say, 'Yahuah is the new god my father never knew.' Let us look at this. If Yahuah's name had not been changed 7,000

times, then it would have been the Eternal that our forefathers knew. In fact they did know, but were instrumental in covering it up to make it more palatable for gentiles. So the everyday Christian has been serving 'another god' from inception. That should give you a chill down your spine. We hear preachers mouth that they service the god of Abraham, Isaac and Jacob but since they do not follow His Torah instructions, don't rest on Sabbath or answer His invitations to the Appointed Feasts nor know His Name-- they do not have a real relationship with Him. How close are you to someone who does not know anything about your life and calls you by the wrong name. Would you consider them as close as a family member?

Deu 13:7 *Namely, of the gods*^{H4480 H430} **of the people**(Am) a very large kinship group related biologically, language, other cultural common features ^{H5971} **which**^{H834} **are round about** (Sabib) on all side, neighborhoods, on all sides, encircling, encompassing, ^{H5439} **you, those near**(Qarob) have a state or condition of intimate association, stain close proximity, neighbors or family ^{H7138} **to**^{H413} **you, or**^{H176} **far off**^{H7350} **from**^{H4480} **you, from the one end**^{H4480 H7097} **of the earth**^{H776} **even to**^{H5704} **the other end**^{H7097} **of the earth;**^{H776}

13:7 Namely of the gods of the people who are related by language, culture or biologically which surrounds you on all sides, encircling and encompassing you right in your neighborhoods, those people who are family and neighbors to you and people from the end of the earth even to the other end of the earth.

Another warning from Yah about us being surrounded by family and friends who think there is nothing wrong with it. There is great pressure to go along with the herd! They are being deceived, and are being influenced by people and cultures from one end of the earth to the other. This is exactly what we are talking about in this study. We are surrounded by these pagan customs from thousands of years ago incorporated as Halloween, Christmas, Easter, and Sunday worship. We will

prove that this is exactly what Yah is telling us to stop doing and stop saying we are doing these things in reverence to Yahuah or 'god". He hates this! Halloween has nothing to do with Yahuah and has everything to do with glorifying witchcraft, demons, magic and everything opposed to Yahuah. That is why Yahuah's people are by His own words Qodesh or Set-Apart. Just like He set apart Adam in the in protected Garden of Eden, He wants us to be set apart for protection purposes from the people and practices of Babel. Yet He knows we will be surrounded by these celebrations and decorations in our neighborhoods, stores, TV shows, music, movies and commercials, and yes even in churches. It will be right in our face just like He must endure it right in His face. He warns us of the emotional pull but tells us we must not give in! We must overcome!

Deu 13:8 You must not^{H3808} give in(Abah) be willing to consent, yield, agree to demands, voluntarily accepting and consenting to a situation, want to ^{H14} to him, or^{H3808} listen(shama) listen carefully and intelligently, consider and discern ^{H8085} to^{H413} him; neither^{H3808} shall your eye(Ayin) look in ^{H5869} pity (Tahos) be troubled about or show mercy or look upon with compassion ^{H2347} ^{H5921} him, neither^{H3808} will you spare (Hamal) show kindness to one in an unfavorable or difficult or dangerous situation, be mild or gentle,^{H2550} neither^{H3808} shalt you cover up (Kasah) forgive, remove guilt of a wrongdoing as a extension of hiding or covering up an object or information, keeping information from others though known and understood by oneself or hide ^{H3680} ^{H5921} him:

13:8 You must not give in or be willing to consent or agree by yielding and voluntarily accepting and consenting to him or listen without discernment to him, nor should you take pity on or show mercy to him as he is in a dangerous situation, don't be mild or gentle or should you cover up his wrongdoing because he has kept information from others that were known and understood by him and you should not forgive this or remove the guilt of his wrongdoing.

This is not harsh and Yahuah is not speaking of people who do not know the truth! He is speaking of those who do know the truth, (preachers, media and rulers and the Tribe of Dan, * More on that later). However, be warned, once you do know, if

you don't stop participating and don't warn others, then you are working for shatan not Yahuah. If you turn a blind eye and continue to cover up or propagate the lies by teaching them to your children because you don't want to be separated from the herd, then you have made your choice and Yahuah looks at you without compassion, as you are in fact leading others away from Him, just like shatan is doing. This is that important. For those that do not want to know the truth of what Yahuah has said, the line is drawn by Yahuah. They made the free will choice to reject Him and His mercy.

Let's put this all together and read it again.

12:28 Observe, guard, preserve, protect and hear with intelligence and discernment all the words which I (Yahuah) tell, instruct and give direction to you, so that it will be of benefit you. It will make you happy, merry, and make your life better for you and your children after you, for forever and provide the way to eternity, because what you will accomplish and do is considered good, merry, pleasant, and is of good character and value and is straightness and honest in the sight, presence and understanding of Yahuah your Everlasting.

12:29 When Yahuah your Everlasting, shall cut off and destroy the nations from before you, wherever you go to gain the inheritance that was promised to you through My promise to your ancestors from these people, then you will succeed to gain possession of this inheritance of land from them, and live in their land.

12:30 Guard and protect yourself that you are not snared, controlled, struck down or get caught up by following or pursuing after or becoming a follower of or imitating them, that after they are destroyed and exterminated in front of you that you do not inquire or learn information by repeatedly studying or caring for and seeking after these pagan people's gods, saying how did these pagans serve their gods? And so I will do likewise.

12:31 You must not do likewise towards Yahuah, your Everlasting. For every detestable, loathsome and repulsive thing, which is an abomination to Yahuah, which He hates and has an open feeling of hostility and intense dislike for, which is the enemy He strives with, they have done these things for their gods, and even

their sons and their daughters they have burnt and sacrificed in the fire to their gods.

12:32 All, the whole totality of the Words and communications that I instruct and give you direction are ordained as a decree with My authority to you. You must observe and watch over, keeping guard to preserve and protect them and stick to the agreement and keep our appointments and accomplish it. You shall not add by increasing or adding to the collection or take away by scraping off letters or words as it severs the message from the core or base (which is Yahuah).

13:1 ~~If~~—Surly and truly there will arise and establishing himself as high in status in your midst, and in your thoughts, a prophet or a dreamer of dreams that gives (implying it has value) you a miraculous sign, signal, or symbol which has a meaning as a crafted or natural object, showing power, or a splendid deed. A wonder or miracle which is beautiful or a phenomenon in the skies that will cause you to be in awe

13:2 And if the miraculous sign or signal or symbol which has meaning as a crafted or natural object, showing ones power or a splendid deed or the wonder or phenomenon in the skies that causes a response of awe which is beautiful does come to pass that he speaks about, saying lets now go after other gods, (than Yahuah) which you have not known, revealed or acquired knowledge about or are not intimately acquainted, and lets labor and do tasks and publish information about them.

13:3 You shall not listen and process the information (rationalize) proclaim and make known (promote) and publish the words of that prophet, or that dreamer of dreams for Yahuah your Eternal is testing, attempting to know and show your true nature, if you know intimately, whether you love with an affection based on a close relationship, showing your love to Yahuah, your Eternal with all your heart, mind, soul, spirit, your source of inner life and with all your soul, Nephesh, the essence of life including thinking, feeling, willingness, emotion, passion and desire.

13:4 You shall walk after Yahuah your Eternal and revere Him showing profound respect that borders on fear of Him and keep guard, preserve, protect, stick to an agreement and keep Yah's appointments, His instructions and prescriptions for life which is the legal conditions which are binding in a contract, and listen carefully and intelligently and consider with discernment His voice, and you shall serve Him and cleave, as to be firmly attached to Him as if glued and stick and cling to Him.

13:6 If your brother, the son of your mother or your son, or your daughter or the wife of your bosom or your friend, which is as your own soul, entice, instigate, seduce to draw you out from my word and lead you astray by secretly saying, 'let us go and serve other gods which you have not known, you nor your fathers,

13:7 Namely of the gods of the people who are related by language, culture or biologically which surrounds you on all sides, encircling and encompassing you right in your neighborhoods, those people who are family and neighbors to you and people from the end of the earth even to the other end of the earth.

13:8 You must not give in or be willing to consent or agree by yielding and voluntarily accepting and consenting to him or listen without discernment to him, nor should you take pity on or show mercy to him as he is in a dangerous situation. Don't be mild or gentle or should you cover up his wrongdoing, because he has kept information from others that were known and understood by him and you should not forgive this or remove the guilt of his wrongdoing.

Looking at the Hebrew words and bringing out the meanings make Scripture not only easier to understand but Yahuah is much easier to understand. He as our Father is always trying to keep His kids out of trouble! He repeats Himself with such patience and is so justly logical that this ogre picture of Him melts away. He is doing everything He can without stepping over our freewill to lead us back to Him. He warns us of where the pot holes are that need to be avoided. He tells us what we must do to not be considered His enemy. For those who have been born and received this first gift of life, if they choose not to accept His offer for eternal life will just cease to exist on His timeframe. They are not tortured in hell. That is reserved for shatan and his demons and those humans who have

actively engaged in lying about Yahuah, His Torah and Son. That is why Yah tells us not to have pity for those that deceive us. They are trying to lead you to extinction. We owe them nothing but contempt. Yahuah will deal with them.

I hope you see the relevance in these Scriptures overall to avoid these pagan customs and the urgency of why they must be avoided. I will also provide specific Scriptures on witchcraft and familiar spirits (talking to dead friends and relatives- thus they are familiar to us).

If something was wrong in 2000BCE then it is also wrong in the 21st century.

Christmas, Easter, Cross symbols and various others 'strange doctrines' (though under different names) were alive and well in Yahusha's time and they are alive and well in the 21st century. It was wrong then, it is wrong now.

Consider this if something was wrong in the year 300...in what year did it become acceptable to Yahuah? 301? 400? 500?? 1900?? The answer is NEVER.

Regardless of excuses, reasoning's, etc. there is one standard that we will be expected to live by and that is Yah's word. If Yah's word says it was wrong then and it is ALWAYS wrong.

These are all attempts to undermine the word of Yahuah. If it was wrong to change the Sabbath to Sunday in years gone by, it is wrong now. If it was wrong to take heathen customs and apply them to Yahuah in years gone by, then it is wrong now. Yahuah does not change. Shouldn't the roots of our relationship with Him be in the Scriptures of HIS WORDS rather than in idolatry and vain customs? Yet just the opposite is embraced today...all with a million excuses, none of which will stand. All of these are embraced and Yahuah's Torah is rejected. Yahuah invites us to keep the feasts, keep the Sabbaths, call upon His name and walk in HIS ways, not the ways of the world.

So let's take a closer look at Halloween- where the customs came from and what Yah has to say about them along the way.
