This may be a little redundant but I wanted to remind you of who is encouraging the fixation with death, the exact thing that will happen to those who have turned away from Yahuah and His Torah. The Catholic Church is also responsible for changing Sabbath to Sunday and sun god worship, idol worship, divination and co-conspirators in hiding Yah's name. Not exactly a credible source to get spiritual guidance.

Witchcraft in Mexico - Sanat Muerte Death Cult - Catholic Skull Worship & the Catholic Inquisitions

Celtic in origin, Halloween celebrates the midpoint for the Celts between the autumnal equinox, the beginning of the winter and the New Year celebrated on November 1st. The Celtic tradition held that demonic possession was most likely on this day so the people that believed this myth dressed in costumes to make themselves look like demons and witches. It was believed that by wearing these costumes the wearer of the costume would be protected against the demonic possession. During this time sweets were offered around bon fires as the participant believed this brought protection.

Eventually during the ninth century of the Common Era the Catholic Church proclaimed that November 1st was "All Saints' Day". In the west "All Saints' Day" is still kept on November 1st as it was instituted by Pope Gregory IV in 837 CE.

Considering that Halloween is a festival not found in the Scriptures it would be hard to imagine that those who believe in the Heavenly Father participate in such an observance. The fact is that a majority of the Christian world observes Halloween and is resistant to giving it up. Many of the proponents to Halloween defend it as a tradition and not a religious observance. For those proponents I ask

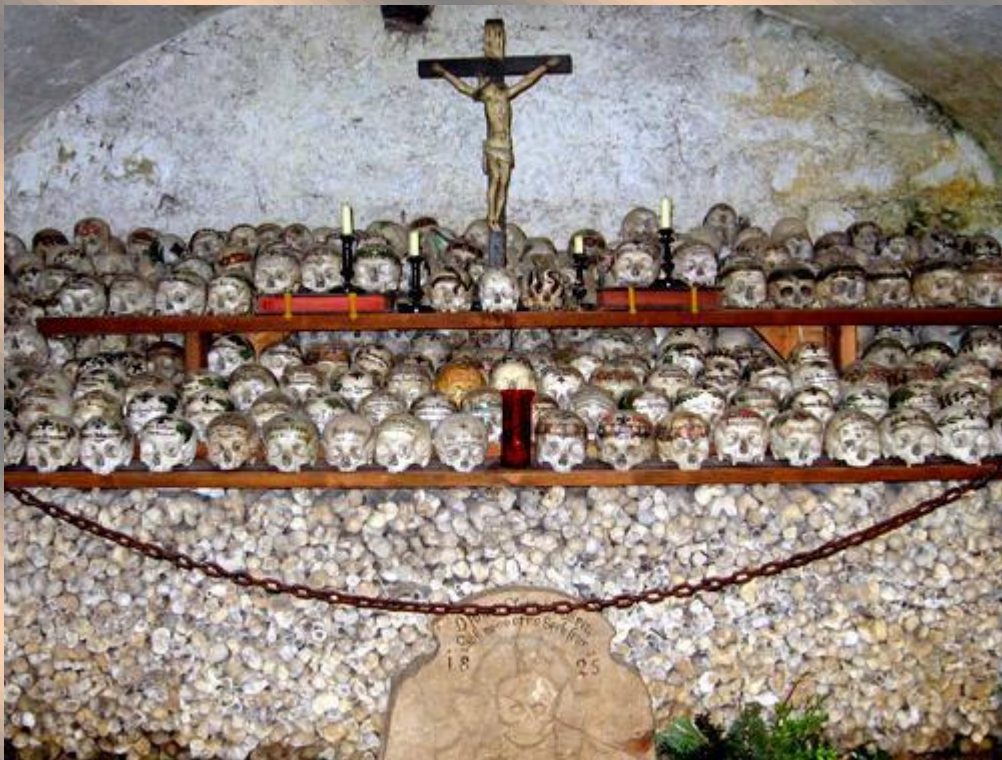

if it is just a tradition then why are the original pagan Celtic practices still found in today's observance. Just the costumes alone should be a clue that the origin of dressing as a witch or other satanic figure goes back to the time of when this was done to scare off evil spirits. Unfortunately to the benefit of the proponents of the pagan holiday common sense is not a part of Halloween at all.

Adults celebrate Halloween today with parties while their young adults destroy the neighborhood. Needless to say no aspect of Halloween is reflective of the good fruit of Yahuah. One example of how Halloween goes against Yahuah is kindness and goodness; if a trick-or-treater doesn't get the kind of candy they want it is not uncommon for the child to vandalize the person's property.

Halloween resembles exactly the practices that will lead to a person not inheriting the kingdom of Yahuah. Proponents of Halloween rely on their own understanding and have led much of the world astray. Perhaps if the Catholic Church would have never incorporated "All Saints' Day" into their worship we wouldn't hear of Halloween today. With the allure for both adults and children it is doubtful that this Celtic custom would have ever been any different than it is today. For many Christians the acceptance of Halloween by the Catholic Church is like a stamp of approval. It is time to give up on the religion of the world which condones sin and the result of which is death. Halloween holds no lesson for the believer in truth. 2 John 1:4 I rejoice greatly that I have found certain of thy children walking in truth, even as we received commandment from the Father.

1200 skulls in the Bone House of Hallstatt in Austria

by ivarfjeld

Another Satanic Catholic Trophy Room The Worship of skulls is not only prominent in Mexico and Bolivia, but also in Hallstatt in Austria. The Miners in Hallstatt were massacred during the reformation. **The Roman Catholics took skulls up from the grave, exposed them to moon light, and decorated them.** The official story of the bone house in Hallstatt Austria, have omitted that the Roman Catholic bishop of Salzburg used Papal troops to massacre Christians. This is the story written on a Hallstatt.net. But the Archbishop of Salzburg's troops quelled the rebellion: the leaders were condemned to death and their houses burned. Source: Hallstatt.net Another website has also recorded the massacre of Christians in the area: There was so much resistance and upheaval in the Salzkammergut during this period of religious Reformation. In 1601, all bridges were destroyed, transportation of wood and boats were made impossible.... Christian preachers appealed against the Catholic Church. Yet the Archbishop of Salzburg's supporters suppressed this rebellion, and condemned the opposition to death and set their homes on fire. Here are some more pictures:

The Roman Catholic priests in Hallstatt killed Christians cut their heads off their bodies and decorated some of those they had beheaded! This is demonic! What in the world? Can you imagine if the Nazi's had beheaded the Jews after killing them and then decorated the heads and kept them as trophies? They are proud of this! This religion is obsessed with death, the death of saints, foes, and of course their Christ. Death is of satan. He caused it to come into the world and this is the fruit.

Only completely demon possessed people would do this, and stilled be called "fathers" and "holy priests".

A synagogue of Satan, with a dead counterfeit Jesus in the center

Yet the Roman Catholic Church does not recognize any wrongdoing behind the existence of the "bone house" of Hallstatt. This is the official story: The Beinhaus (bone house) in Hallstatt dates back to twelve century AC. There are over 1200 skulls in the charnel, of them 610 have been painted in flowery designs, they are neatly stacked in rows along with next of kin and have the date of decease written on them. Since the cemetery is so small without the possibility to expand and due to the fact that cremations were in former days forbidden there was just not enough space. The graves were opened 10 - 15 years later and the skulls were removed along sometimes with other bones. The skull was cleaned and exposed to the sun and moon light for weeks until they were bleached ivory white. As one would decorate a grave with flowers the skulls were painted symbolically with a crown of flowers. This tradition began in 1720 AD. Source: Hallstatt.net Let us compare this with the worship of "Santa Muerte" in Mexico, and "the feast of the day of the dead". Here are some pictures:

The worshipers of Santa Muerte decorate their skulls, to honor the spirit of death.

There is no lack of skills in art in regards to claimed "spirituality" in Mexico.

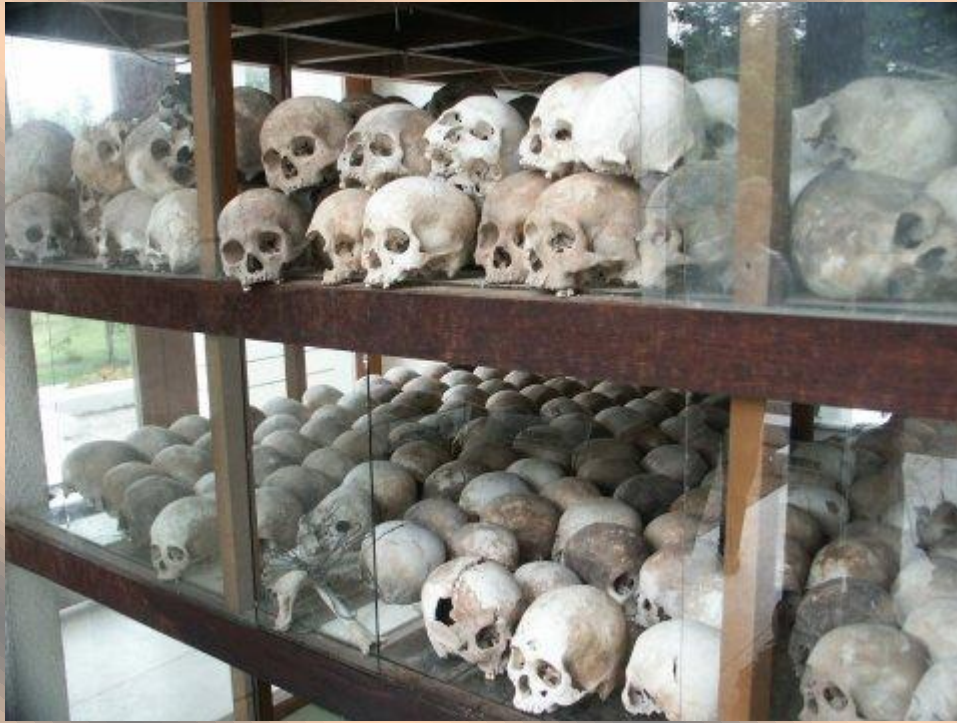

Sanat Muerte on the cross in Catholic Mexico. The skulls are on the altar

The Mexican kingdom of "god"" is full of decorated and dressed skulls, skeletons and bones.

The skull and bone collectors of the Roman Catholic Church are grave looters. Instead of letting the remains go back to dust, the Roman Catholic priest likes to keep their skulls for display, veneration and worship. It must have been an awesome display of wickedness, looking at the priest cleaning the skulls, and even exposing them to the "light of the moon" to make them look "bleached ivory white". It reminds me about the "the day of the dead" in Mexico, were skulls and bones are also bleached, adored and venerated. The Spirit of death reigns there. When I see pictures of the "Bone House" in Catholic Hallstatt, it can be compared to the Killing Fields National memorial in Phnom Penh in Cambodia. Here are some pictures from the memorial in Phnom Penh:

More than a million people were slaughtered. The skulls have been recovered from mass graves.

The butchers believed they were doing a great service for "god".

The People in Cambodia who did not submit to their leaders, were slaughtered.

The slaughtered in Cambodia wanted to live in freedom. Their skulls are now displayed to condemn the butchers who massacred them. **But this is really not different than the Catholic inquisitions when the Papal butchers massacred**

millions of people who refused to bow down to *"Catholic Mary"*, and submit to the authority of the Pope and his priests, more on this later in this report.

Catholics in Mexico worship the "saint of death"

Written by Ivar

November 1, 2011--*A bad tree cannot bear good fruit. Take a look of the fruit of Roman Catholicism in Mexico.*

Catholics in Mexico parade their saint of death through the streets.

They pray their rosaries to the *"Mother of God"*, and they do their worship in Catholic shrines & they worship *"Santa Muerte"*, the saint who brings *"holy death"*, is nothing less than the devil himself. Just when you thought you knew all about the evil chaos the Vatican has spread all over Earth. *How on Earth could claimed "true Christianity", produce insanity like this?* If you did not know that the Pope himself is a worshipper of skulls, skeletons and corpses, you might not have been able to find the correct answer:

The spiritual source of this deception lies with the Papacy in Rome, the chair of their Catholic *"Holy Father"*, who has been elevated to the Power seat of God himself.

These Catholics have put an idol of this devil inside the family altar to worship him.

The Vatican claims that this religious movement in Mexico is a cult. The reason behind the Pontiff's rejection of them is only because that they do not adore and venerate the Papal approved bones. They are viewed as a kind of freelancers within the Roman Catholic movement.

No wonder why thousands of people in Mexico have been slaughtered in their drug wars.

On the first of November the anniversary of the altar to Santa Muerte constructed by Enriqueta Romero is celebrated. The Santa Muerte of Tepito is dressed as a bride and wears hundreds of pieces of gold jewelry given by the faithful to show gratitude for favors received, or to ask for one. The celebration officially begins at the stroke of midnight of November 1. About 5,000 faithful turn out to pray the rosary. For purification, instead of incense, there is the smoke of marijuana.

Devil worshippers gather in the streets of Mexico while a cult member wants to join his idol in the eternal death.

As of 2009, devotion to Santa Muerte has been on the rise in the United States for the past ten years or so, mostly following the millions of Mexicans who have illegally immigrated to the country. Evidence of devotion to her can be seen anywhere there is a large Mexican community, such as New York City, Houston, Tucson and Los Angeles. There are fifteen officially registered religious groups dedicated to her in Los Angeles alone which includes the Temple of Santa Muerte.

The Vatican Pope is head of a death cult

June 30, 2011

The Pope visits the corpse of Pope Caestio V. that is kept in a Church in Central Italy.
The most perverted religious people on Earth, are the Vatican approved clergy who worship skulls, corpses and bones.

A papal bishop adores a „beautified“ skull.
The Bible is available for the Papal clergy.

But since they have rejected the truth of Yah's Word He has handed them over to Satan and a reprobate mind with their consciences seared with a hot iron, to become the devils of the Catholic priesthood.

They live by their sinful nature and are led into all kinds of falsehoods and perversions.

This is not fiction. This is a Roman Catholic chapel in Poland.

The Set-Apart Spirit will never be part of this kind of religious movement.

Vatican appointed priests and bishops are promoted as “*holy men*” and honored in public life.

But behind closed doors they have indulged in almost unbelievable Satanic worship of the dead.

The hidden evils of the Roman Catholic Church seems to have no limits.

Now the internet and alternative news outlets are exposing what has been hidden in darkness and only has been known to a limited numbers of insiders in Rome.

Take a look at the fruits of this death cult, who has the Pope in Rome as its head.

Headless Mary Magdalene hailed in Catholic Church in France

A skull placed inside a head of gold, with “golden hair” is paraded and adored in France and claimed to be Mary Magdalene.

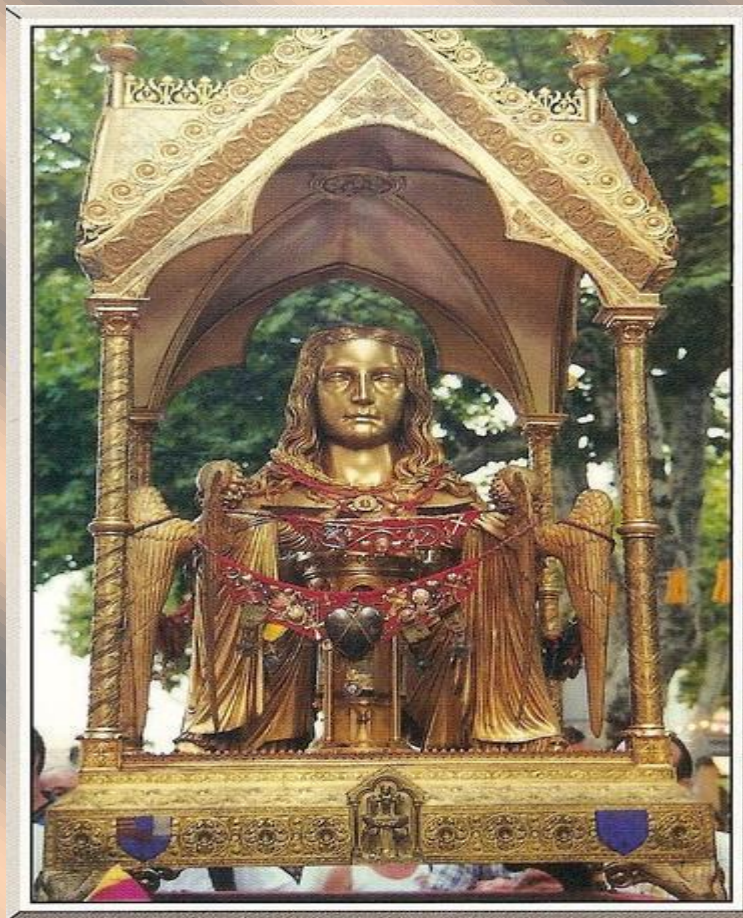

This “reliquary with skull of Mary Magdalene” can be venerated and adored in the basilica crypt of St. Maximin in la Saint Baume in France. This is what a blogger writes:

The supposed skull of Saint Mary Magdalene encased in a golden mask decorated by figurines. Christians believe she was healed by Jesus, and that He appeared to her after His resurrection.

That this skull is venerated inside this crypt is bad enough, but the public parade of this front part of a human head, is tasteless and almost beyond explanation.

These Catholics claim this skull is of the first Christian witness that saw the risen Messiah. But while they parade these bones on their shoulders, the skull is hidden behind a golden mask.

The skull is covered by a golden mask, when this abomination is paraded through the streets.

They have put a front cover on the skull, to make it look like a "golden angel". But inside the "Church", the worshiper's can adore and venerate the skull.

The golden mask is removed, when the golden idol is displayed inside this Vatican approved and blessed "Church".

A “Church” that would fit perfectly in a horror movie, the golden statue is placed at the center of the room meant for prayer and worship.

The Bible is very clear about what will happen to those who have made this kind of golden mockery of the truth.

Isa 44:9 All those who form^{H3335} an idol from nothing^{H6459} all^{H3605} of them
vanity;^{H8414} and their delightful things^{H2530} shall not^{H1077} profit;^{H3276} and they^{H1992} *are*
their own witnesses;^{H5707} they see^{H7200} not,^{H1077} nor^{H1077} know;^{H3045} that^{H4616} they may
be ashamed.^{H954}

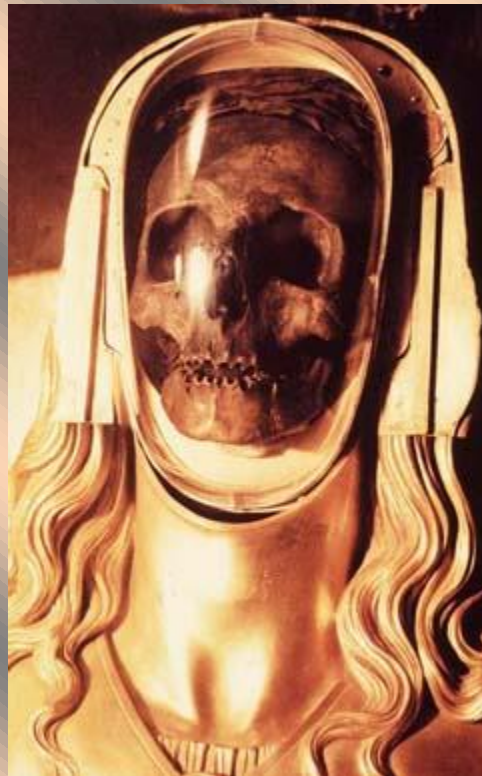

Isa 45:15 Verily^{H403} thou^{H859} *art* a God^{H410} that hidest thyself,^{H5641} O God^{H430} of
Israel,^{H3478} the Saviour.^{H3467}

Isa 45:16 They shall be ashamed,^{H954} and also^{H1571} confounded,^{H3637} all^{H3605} of them:
they shall go^{H1980} to confusion^{H3639} together^{H3162} *that are* makers^{H2796} of idols.^{H6736}

Isa 45:17 *But* Israel^{H3478} shall be saved^{H3467} in the LORD^{H3068} with an everlasting^{H5769}
salvation:^{H8668} ye shall not^{H3808} be ashamed^{H954} nor^{H3808} confounded^{H3637} world
without end.^{H5704 H5769 H5703}

The skull is placed on a cut of head, made of gold, lifted up by golden demons.

It is not easy to confirm that this skull is of a female. I guess the golden hair made the difference for the Pope in Rome.

The Apostle Jude has something to say to “certain individuals who have secretly slipped in among you” through your acceptance of the Papacy into the Family of Yahuah.

Jud 1:1 Jude,^{G2455} the servant^{G1401} of Yahusha^{G2424} the Annoited,^{G5547} and^{G1161} brother^{G80} of James,^{G2385} to them that are sanctified^{G37} by^{G1722} Yahuah^{G2316} the Father,^{G3962} and^{G2532} preserved^{G5083} in Yahusha^{G2424} The Annoited,^{G5547} *and* called:^{G2822}

Jud 1:2 Mercy^{G1656} unto you,^{G5213} and^{G2532} peace,^{G1515} and^{G2532} love,^{G26} be multiplied.^{G4129}

Jud 1:3 Beloved,^{G27} when I gave^{G4160} all^{G3956} diligence^{G4710} to write^{G1125} to you^{G5213} of^{G4012} the^{G3588} common^{G2839} salvation,^{G4991} it was needful^{G2192} ^{G318} for me to write^{G1125} to you,^{G5213} and exhort^{G3870} *you* that you should earnestly contend for^{G1864} the^{G3588} faith^{G4102} which was once^{G530} delivered^{G3860} unto the^{G3588} saints.^{G40}

Jud 1:4 For^{G1063} there are certain^{G5100} men^{G444} crept in unawares,^{G3921} who were before of old ordained^{G4270 G3819} to^{G1519} this^{G5124} condemnation,^{G2917} ungodly men,^{G765} turning^{G3346} the^{G3588} grace^{G5485} of our^{G2257} Everlasting^{G2316} into^{G1519} lasciviousness,^{G766} and^{G2532} denying^{G720} the^{G3588} only^{G3441} Yahuah^{G1203} Everlasting,^{G2316} and^{G2532} our^{G2257} messiah^{G2962} Yahusha^{G2424} the Anointed.^{G5547}

Jud 1:5 I^(G1161) will^{G1014} therefore put you in remembrance,^{G5279 G5209} though you^{G5209} once^{G530} knew^{G1492} this,^{G5124} how that^{G3754} the^{G3588} Yahuah,^{G2962} having saved^{G4982} the people^{G2992} out of^{G1537} the land^{G1093} of Egypt,^{G125} afterward^{G1208} destroyed^{G622} them that believed^{G4100} not.^{G3361}

Jud 1:6 And^{G5037} the angels^{G32} which kept^{G5083} not^{G3361} their^{G1438} first estate,^{G746} but^{G235} left^{G620} their own^{G2398} habitation,^{G3613} he hath reserved^{G5083} in everlasting^{G126} chains^{G1199} under^{G5259} darkness^{G2217} unto^{G1519} the judgment^{G2920} of the great^{G3173} day.^{G2250}

Jud 1:7 Even as^{G5613} Sodom^{G4670} and^{G2532} Gomorrhah,^{G1116} and^{G2532} the^{G3588} cities^{G4172} about^{G4012} them^{G846} in like manner,^{G3664 G5158} giving themselves over to fornication,^{G1608} and^{G2532} going^{G565} after^{G3694} strange^{G2087} flesh,^{G4561} are set forth^{G4295} for an example,^{G1164} suffering^{G5254} the vengeance^{G1349} of eternal^{G166} fire.^{G4442}

Jud 1:8 Likewise^{G3668} also^{G2532} these^{G3778} filthy dreamers^{G1797} defile^{G3392} the flesh,^{G4561(G3303)} despise^{G114} dominion,^{G2963} and^{G1161} speak evil of^{G987} dignities.^{G1391}

Jud 1:9 Yet^{G1161} Michael^{G3413} the^{G3588} archangel,^{G743} when^{G3753} contending^{G1252} with the^{G3588} devil^{G1228} he disputed^{G1256} about^{G4012} the^{G3588} body^{G4983} of Moses,^{G3475} durst^{G5111} not^{G3756} bring against^{G2018} him a railing^{G988} accusation,^{G2920} but^{G235} said,^{G2036} Yahuah^{G2962} rebuke^{G2008} you.^{G4671}

Jud 1:10 But^{G1161} these^{G3778} speak evil of^{G987} those things^{G3745} which they^(G3303) know^{G1492} not:^{G3756} but^{G1161} what^{G3745} they know^{G1987} naturally,^{G5447} as^{G5613} brute^{G249} beasts,^{G2226} in^{G1722} those things^{G5125} they corrupt themselves.^{G5351}

Jud 1:11 Woe^{G3759} unto them!^{G846} for^{G3754} they have gone^{G4198} in the^{G3588} way^{G3598} of Cain,^{G2535} and^{G2532} ran greedily after^{G1632} the^{G3588} error^{G4106} of Balaam^{G903} for reward,^{G3408} and^{G2532} perished^{G622} in the^{G3588} gainsaying^{G485} of Core.^{G2879}

Jud 1:12 These^{G3778} are^{G1526} spots^{G4694} in^{G1722} your^{G5216} feasts of charity,^{G26} when they feast with^{G4910} you,^{G5213} feeding^{G4165} themselves^{G1438} without fear:^{G870} clouds^{G3507} *they are* without water,^{G504} carried about^{G4064} of^{G5259} winds;^{G417} trees^{G1186} whose fruit withereth,^{G5352} without fruit,^{G175} twice^{G1364} dead,^{G599} plucked up by the roots;^{G1610}

Jud 1:13 Raging^{G66} waves^{G2949} of the sea,^{G2281} foaming out^{G1890} their own^{G1438} shame;^{G152} wandering^{G4107} stars,^{G792} to whom^{G3739} is reserved^{G5083} the^{G3588} blackness^{G2217} of darkness^{G4655} forever.^{G1519} ^{G165}

Jud 1:14 And^{G1161} Enoch^{G1802} also,^{G2532} the seventh^{G1442} from^{G575} Adam,^{G76} prophesied^{G4395} of these,^{G5125} saying,^{G3004} Behold,^{G2400} Yahuah^{G2962} cometh^{G2064} with^{G1722} ten thousands^{G3461} of his^{G848} saints,^{G40}

Jud 1:15 To execute^{G4160} judgment^{G2920} upon^{G2596} all,^{G3956} and^{G2532} to convince^{G1827} all^{G3956} that are ungodly^{G765} among them^{G846} of^{G4012} all^{G3956} their^{G848} ungodly^{G763} deeds^{G2041} which^{G3739} they have ungodly committed,^{G764} and^{G2532} of^{G4012} all^{G3956} their hard^{G4642} *speeches* which^{G3739} ungodly^{G765} sinners^{G268} have spoken^{G2980} against^{G2596} him.^{G846}

Jud 1:16 These^{G3778} are^{G1526} murmurers,^{G1113} complainers,^{G3202} walking^{G4198} after^{G2596} their own^{G848} lusts;^{G1939} and^{G2532} their^{G848} mouth^{G4750} speaketh^{G2980} great swelling^{G5246} *words*, having men's persons in admiration^{G2296} ^{G4383} because of^{G5484} advantage.^{G5622}

Jud 1:17 But,^{G1161} beloved,^{G27} remember^{G3415} ye^{G5210} the^{G3588} words^{G4487} which were spoken before^{G4280} of^{G5259} the^{G3588} apostles^{G652} of our^{G2257} Messiah^{G2962} Yahusha^{G2424} the Anointed;^{G5547}

Jud 1:18 How that^{G3754} they told^{G3004} you^{G5213} there should^(G3754) be^{G2071} mockers^{G1703} in^{G1722} the last^{G2078} time,^{G5550} who should walk^{G4198} after^{G2596} their own^{G1438} ungodly^{G763} lusts.^{G1939}

Jud 1:19 These^{G3778} be^{G1526} they who separate^{G592} themselves,^{G1438} sensual,^{G5591} having^{G2192} not^{G3361} the Spirit.^{G4151}

Jud 1:20 But^{G1161} ye,^{G5210} beloved,^{G27} building up^{G2026} yourselves^{G1438} on your^{G5216} most holy^{G40} faith,^{G4102} praying^{G4336} in^{G1722} the Set Apart^{G40} Spirit,^{G4151}

Jud 1:21 Keep^{G5083} yourselves^{G1438} in^{G1722} the love^{G26} of Yahuah,^{G2316} looking for^{G4327} the^{G3588} mercy^{G1656} of our^{G2257} Teacher^{G2962} Yahusha^{G2424} the Anointed^{G5547} unto^{G1519} eternal^{G166} life.^{G2222}

Jud 1:22 And^{G2532} of some^{G3739 G3303} have compassion,^{G1653} making a difference:^{G1252}

Jud 1:23 And^{G1161} others^{G3739} save^{G4982} with^{G1722} fear,^{G5401} pulling^{G726} *them* out of^{G1537} the^{G3588} fire;^{G4442} hating^{G3404} even^{G2532} the^{G3588} garment^{G5509} spotted^{G4696} by^{G575} the^{G3588} flesh.^{G4561}

Jud 1:24 Now^{G1161} unto him that is able^{G1410} to keep^{G5442} you^{G5209} from falling,^{G679} and^{G2532} to present^{G2476} *you* faultless^{G299} before the presence^{G2714} of his^{G848} glory^{G1391} with^{G1722} exceeding joy,^{G20}

Jud 1:25 To the only^{G3441} wise^{G4680} Yahuah^{G2316} our^{G2257} Saviour,^{G4990} *be* glory^{G1391} and^{G2532} majesty,^{G3172} dominion^{G2904} and^{G2532} power,^{G1849} both^{G2532} now^{G3568} and^{G2532} ever.^{G1519 G3956 G165} Amen.^{G281}

Get out of this falsehood called the Roman Catholic Church.

If not your whole body will fall into corruption, and your soul will be filled with mortal spiritual diseases. The Vatican is surely a house of demons.

Pope calls Catholics to venerate 1600 year old skull

<http://ivarfjeld.com/2013/09/02/pope-wants-catholics-to-venerate-1700-year-old-skull/>

The dressed skeleton of claimed saint Ambrose is in Milan. The Pope wants Catholics to hail him on his feast today.

A horrible display of paganism, presented as “Christianity” by wicked people.

The CNA reports that the “Catholic Church will celebrate the memory of St. Ambrose, the brilliant Bishop of Milan who influenced St. Augustine’s conversion and was named a “Doctor of the Church”.

Well and good.

No place to rest. Skeletons brought out of the grave, and put for display and veneration in a Catholic Church.

The challenge is again that Catholic faithful are called by the pope to venerate a skull, dressed up in fine linen and gold. The corpse of this 1600 hundred old person is found in a crypt in a Catholic Church in Milan and this man called Ambrose, is lying next to two other skeletons. That is the remains of "Saints Gervasius and Protasius".

That Catholics do not worship these skeletons and corpses is not true.

Here is a comment from a Catholic blogger, who proudly admit he was "praying before this remains". If praying is not worship, then nothing is.

” This past June while in Milan it was a great honor to pray before the remains of this holy saint with a fellow North American, the great Shawn Tribe, Catholic journalist of NLM fame” (<http://www.newliturgicalmovement.org/>).

“With the help of Emperor Valentinian, who ruled the Western Roman Empire at the time, a mob of Milanese Catholics virtually forced Ambrose to become their bishop against his own will” ,“Eight days after his baptism, Ambrose received episcopal consecration on Dec. 7, 374 A.D. The date would eventually become his liturgical feast”.

Source: CNA.

I can literally see the Catholic mob chasing this man into the Bishops palace. It must have been painful for him, to place himself in the chair of totalitarian authority.

Skeletons presented as “Holy bones”. The Pope call his faithful to adore them.

Not so lucky holy bones, not yet dressed up with gold and silver linen, “Holy relics” of Saint Anthony of Padua.

Catholic nuns bow before the box with bony remains of claimed saint Theresa.

There seems to be no limits of Roman Catholic filth and rubbish presented as the truth. The story behind this claimed "sainthood" is such baloney, that I hope some Papist's reading this message, will be able to escape their house of demons.

The skeleton of Ambrose is most likely the remains of a Baptist preacher, who was chased by the Catholic mob. Presented in the Bishops palace in Milan, and executed.

The Vatican full of dead Popes kept for display

Corpses of dead Popes are kept in the crypt in the Vatican. The body of Pope Celestino V is kept in the open in Central Italy.

The former Pope pray besides the remains of Pope Celestino V

Catholic worship of corpses, skulls and bones has its origin in the crypt in St. Peters Basilica in the Vatican.

A total of 91 popes are buried in crypts in the grotto in St. Peters Basilica in Rome. This including popes like Innocent IX, Benedicts XII and XV, Pius XI and Paul VI.

But not all the Popes are buried and kept for display inside the Vatican. Pope Celestino is kept in the open of St. Maria of Collemaggio Church in L'Aquila in central Italy. The roof of this Church came down during the earthquake on April 6th 2009.

The Pope prays in front of the corpse of a Pope, who died 700 years ago.

The Pope touches the glass coffin, and lead other Catholic priest into worship of the dead Pontiff.

This is the [official](#) story of the Pope, who pays “*homage*” to a dead pope.

Pope Benedict XVI blesses the faithful in front of the remains of Pope Celestine V at the end of a mass in Sulmona, Italy, Sunday, July 4, 2010. The Pontiff had traveled to the central Italian town to pay homage to Celestine V, the 13th-century hermit pontiff who resigned after saying he was not up to the task. Benedict urged the faithful Sunday to learn from Celestine’s sober

and simple life. He praised Celestine for his detachment from material things such as money and clothes.

The Pope paid "homage" to the only Pope that has resigned from the Papacy. Not only did he resign, but he was arrested by the Pope that succeeded him.

Pope Celestine knew he was ill prepared for the papacy, and actually resigned from the Petrine office on December 13, 1294. Now back to being "Fra Pietro", he had hoped to return to hermetical life. But his successor, Pope Boniface VIII, feared that the ex-pope could be used in an attempt to unseat him. The Pope confined him to a house arrest, and though he managed to escape for a time, he was eventually confined to a tower in Castel Fumone. There, though not mistreated, he died of an infection from an abscess on May 19, 1296. His remains were transferred to Sta. Maria di Coemaggio in 1317.

This contact between the Pope and a dead Pope sets the example for worship of corpses, skulls and bones in the Roman Catholic Church.

Did Pope Celestinie V die with his shoes on? The Pope greets the crowd who have already been lead into prayer and worship.

This is the place Pope Celestino V was put up for display, before the earthquake in central Italy brought his remains down on to the floor.

There is absolutely no Bible verse that approves of digging up the dead from their graves, neither is there any Biblical defense for keeping corpses, skulls and bones for display inside Churches and Chapels.

Many Catholics will be surprised by the high numbers of corpses of Popes, who have been kept inside the Vatican. But many dead Popes are put on display in Churches in other Italian cities.

We need to investigate this matter and look at pictures of this pagan practice. The Papal system has kept more dead people for display than Communist Russia ever did in the Kremlin in Moscow.

From Wikipedia:

There are over 100 tombs within St. Peter's Basilica (extant to various extents), many located in the Vatican grotto, beneath the Basilica. These include 91 popes, St. Ignatius of Antioch, Holy Roman Emperor Otto II, and the composer Giovanni Pierluigi da Palestrina. Exiled Catholic British royalty James Francis Edward Stuart and his two sons, Charles Edward Stuart and Henry Benedict Stuart, are buried here, having been granted asylum by Pope Clement XI. Also buried here are Maria Clementina Sobieska, wife of James Francis Edward Stuart, Queen Christina of Sweden, who abdicated her throne in order to convert to Catholicism, and Countess Matilda of Tuscany, supporter of the Papacy during the Investiture Controversy. The most recent interment was Pope John Paul II, on April 8, 2005. Beneath, near the crypt, is the recently discovered vaulted fourth-century "Tomb of the Julii".

Plenty of Popes are kept for display inside the crypt in St. Peter Basilica in the Vatican statehood.

The corpse of Pope Paul XXIII looks a little bit like Santa Claus.

The red dress and the red cap make this waxed body look very different from other corpses.

This dead Pope is not put for public display. The Vatican priests even offer Mass at the altar, on top of the tomb of "Blessed John XXIII". The priest, who offers the mass, is Dom Louis Marie, Abbot of Le Barroux.

A Catholic mass is offered, with a corpse of a dead Pope inside the altar.

Catholic chapel with rotten man and child hanging from chains

Vatican priests who have done this have blood on their hands and a heart of stone.

This chapel is made by a priesthood of perverts with a Pope as their leader.

This image is taken from Capela dos Ossos in Portugal. This Holy Roman Catholic site is located in the city of Évora 130 kilometer south of Lisbon. In plain English “Capela dos Ossos” should be translated Chapel of Bones. The Chapel is located next to the entrance of the Church of St. Francis.

The dead Messiah of Rome hanging on the wall among skulls and bones.

At the entrance of the Capela dos Ossos it is written in Portuguese: Nós ossos que aqui estamos pelos vossos esperamos (“We bones, lying here bare, are awaiting yours”).

The walls of this chapel are strengthened with thousands of human bones and skulls.

Rev 17:5 And^{G2532} upon^{G1909} her^{G848} forehead^{G3359} was a name^{G3686} written,^{G1125} MYSTERY,^{G3466} BABYLON^{G897} THE^{G3588} GREAT,^{G3173} THE^{G3588} MOTHER^{G3384} OF HARLOTS^{G4204} AND^{G2532} ABOMINATIONS^{G946} OF THE^{G3588} EARTH.^{G1093}

Rev 17:6 And^{G2532} I saw^{G1492} the^{G3588} woman^{G1135} drunken^{G3184} with^{G1537} the^{G3588} blood^{G129} of the^{G3588} saints,^{G40} and^{G2532} with^{G1537} the^{G3588} blood^{G129} of the^{G3588} witnesses^{G3144} of Yahusha:^{G2424} and^{G2532} when I saw^{G1492} her,^{G846} I wondered^{G2296} with great^{G3173} admiration.^{G2295}

The chapel holds 5000 skeletons. Some of these skulls have been scribbled on with graffiti. Two desiccated corpses, one of which is a child, dangles from a chain.

A Roman Catholic Church in Portugal with priests and parishioners headed for the eternal flames of Hell.

Skulls immersed in cement, looking down from the walls.

This is not Halloween or an image from a horror movie. This is a Vatican approved chapel.

You have to have a heart of stone to be able to create such a Chapel of horror. There are a few Bible verses that can express the final destiny for all who have contributed to the building of this "Holy site" and all the Popes who have not eradicated this chapel from the face of the Earth.

Rev 20:15 And^{G2532} whosoever^{G1536} was not^{G3756} found^{G2147} written^{G1125} in^{G1722} the^{G3588} book^{G976} of life^{G2222} was cast^{G906} into^{G1519} the^{G3588} lake^{G3041} of fire.^{G4442}

The roof of this religious site is decorated with skulls.

You can't simply build such an abnormal house of horror expect to be forgiven and even for a second think about being granted access to the Kingdom of Heaven. If this not an eternal, non-forgivable mortal sin against the Holy Spirit, than nothing can be.

Father Yah must be wiping blood when he sees how this child is hanging, treated like an animal inside a claimed to be Church. How can man pervert himself and fall into such a pitiful low condition?

Then keep this for display, for Papal approved adoration and veneration? Kept for hundreds of years?

If this Vatican site of vulgarity and insanity of inexpressible proposition is not an act of Satan, then nothing can ever be.

A cruel, Satanic and horribly insane site of evil made by people who call themselves “Christians”

Jezebel was eaten by dogs. I still feel that is to mild a punishment for the people who call this chapel a “Holy” site.

Judas bought a field; there he fell headlong, his body burst open and all his intestines spilled out.

That seems to be a more reasonable response from Heaven, to penalize these criminals.

If it is still not possible to convince you that the Pope of Rome is Lucifer’s High priest on Earth, there is probably nothing I can do to open your eyes. As a papist, you will also eventually end up in the same place as Him.

Rev 21:5 And^{G2532} He that sat^{G2521} upon^{G1909} the^{G3588} throne^{G2362} said,^{G2036} **Behold,**^{G2400} **I**^{G4160} **make**^{G3956} **all things**^{G2537} **new.** And^{G2532} He said^{G3004} unto me,^{G3427} **Write:**^{G1125} **for**^{G3754} **these**^{G3778} **words**^{G3056} **are**^{G1526} **true**^{G228} **and**^{G2532} **faithful.**^{G4103}

Pope prays in front of skeleton dressed up as a nun

The Pope visited St. Rose. The skull and bones are dressed up like a Catholic nun.

This is the skull of St. Rose, adored and venerated by the Roman Catholic Church. I have seen a lot of bones and skulls adored and venerated by the Roman Catholic Church. But I never thought I would see these skeletons dressed up like Catholic Nuns. Like St. Rose. Even an iron ring has been put around her head, to symbolize her lost glory.

The Pope is in need of deliverance. What is the Pontiff doing in front of this skull and mummified body in Viterbo in central Italy?

Pope Benedict XVI next to Viterbo bishop Mons and Lorenzo Chiarinelli look at the mummified body of St. Rose inside the St. Rose's shrine during his visit at Viterbo, central Italy on Sunday, Sept. 6, 2009.

What is the Pope doing here?

What kind of spirits does the Pope submit to, when he prays in front of a skeleton of a lady that has been "*preserved*", and dressed up like a nun?

The most bizarre pictures you might ever see are those of St. Cathrine. She is dressed up like a nun, completely, even with the black head cover.

ST. CATHERINE OF BOLOGNA

Her incorrupted Body is venerated in «Corpus Domini» Sanctuary named «La Santa» (the Saint)

St. Catherine or whoever this skeleton might be was never laid to rest, but put for public display by the Vatican.

Let's take a closer look at this Italian lady Catherine, whose skull and bones have been made "holy".

The mummified relic of St. Catherine, patron saint of artists and temptation.

A closer look at Catherine exposes that she is holding a crucifix.

We must pray that the skulls of these Polish nuns visiting the Vatican will not be dressed like the one of St. Catherine,

The head of Catherine is sometimes moved, and kept separately for display. The priests have also changed her dress.

The undressed skull of Catherine here waiting to be adorned with a crown of flowers. It might be difficult to believe that this is the truth. Please visit this [Catholic](#) web-site and look around for yourself.

The so-called incorruptible hand of St. Catherine
Not all the Roman Catholic ladies have been as “*lucky*” as St. Catherine or St. Rose, their skeletons dressed up to be adored. The tragic end of St. Agnes might be a warning to us all. Her skull was separated from her bones, and put on display for adoration and veneration inside a golden box.

The Basilica of St. Agnes in Rome:

From outside you will not get the real story. Inside you will find the adorn skull of St. Agnes of Rome.

The skull can be adored and venerated, from outside this glass protected site.

Rome has its own way of making people holy after they should have departed.

You do not have to be a Roman Catholic priest, to be puzzled by the very idea of this skull being a female, and you might also struggle to see anything holy about this gruesome sight inside a claimed to be "Church".

The Papal butchers who killed true Christians

Without any shame, the Catholics in Spain continue to hail their religious past of despotism, mass murders of Christians and Fascism. Photo: Cliff. Whitty. [\(Kind of like the Ku Klux Klan\)](#)

The 'Holy week' in Spain is a celebration of the mass murder of Christians who refused to bow down to the papacy.

Take a look at the two linked up sites below, who exposes this horrific tradition in Spain. The Roman Catholics are celebrating their Fascist history, when masked men rounded up and arrested people who did not submit to this religious and political totalitarian regime.

This website has printed this official version:

A common feature in Spain is the general usage of the nazareno or penitential robe for some of the participants in the processions. This garment consists of a tunic, a hood with conical tip (capirote) used to conceal the face of the wearer, and sometimes a cloak. The exact colors and forms of these robes depend on the particular procession. The robes were widely used in the medieval period for penitents, who could demonstrate their penance while still masking their identity.

The Roman Catholic clergy wants us to believe that people had to hide their faces when they were called by the priests, to do penance for the Church. The meaning of "*penance*", is good works ordered by priests to reconfirm their obedience to the Pontiff and his men.

The Papal butchers are attending a Catholic mass inside a claimed to be a "Church".

The truth is that these men covered their identity, to avoid being exposed during their Satanic acts during the Spanish inquisition. When the priests told them to butcher Baptist Christians, the clergy made it impossible for the victims to identify the criminals. Family members of slaughtered followers of Jesus were not able to alarm other Christians about whom the butchers were.

Rome and Madrid ruled Spain by fear. If anyone did not do what the Papists had ordered, he would face persecution and possible martyrdom. The dark ages were really dark. Still Rome rejoices in its passed criminal acts.

“Penitenziagite”

Holy Week is soon to come. Do penance. Avoid sin. Do not relax on your Lenten sacrifices.

From Wiki:

A common feature in **Spain** is the almost general usage of the *nazareno* or penitential robe for some of the participants in the processions. The exact colors and forms of these robes depend on the particular procession. The robes were widely used in the medieval period for penitents, who could demonstrate their penance while still masking their identity.

THIS IS DISGUSTING!

I have during the past month published multiple stories of thousands of skeletons, kept inside Catholic Churches. If you have been puzzled with who killed them, just take a deeper look at the above pictures.

Just add 1+1...You need 2 to tango, the priest and the butcher.

Catholics adore skeleton and “feast of its tongue”

These Catholic priests carries a “fresh tongue” on their shoulder, claimed to have been a part of a 750 year old skeleton.

Roman Catholic priest carries the “Holy tongue” from Northern Italy. The “*feast of the tongue*” was last celebrated in May 2010 in Colombo on Sri Lanka. For this purpose the tongue of “*St. Anthony*” had been transported from Italy to the Island nation in the Indian Ocean.

St. Antony is also called “*Anthony of Lisbon*”, and his remains have been taken up from the grave. They are kept for adoration in the Relics Chapel of Padua’s Basilica in Northern Italy. The UK Newspaper Daily Mail wrote an [article](#) about this Vatican claimed to be saint on February 15th 2010.

Roman Catholic monks adore a 750 year old skeleton inside the Relics Chapel of Padua's Basilica in Italy.

There you can read the following:

The display, which will last until Saturday will be in chapel of his tomb in Padua and marks the feast of the transfer of St Anthony, also known as the 'feast of the tongue'.

When his coffin was moved 30 years after his burial it was opened and it is claimed most of his body was found to have returned to dust. However his tongue remained fresh, which was seen as a sign of his gift of preaching, and was kept in a separate relic box.

A closer look at the claimed to be holy tongue, tells a different story. It looks like a black stone. It must be pretty hard and I do not think anyone would like to take a bite. Not even touch it. I guess that is why it has been kept in a glass case and put inside an idol of gold.

This item hardly looks like a tongue. Maybe it is a stone?

When I see Catholic priests carrying this “*fresh tongue*” on their shoulder, bowing down to the image, pray to and kiss the idol of gold, it is very disturbing.

I guess this kind of activity fits into a couple of Bible verses that exposes false teachers. They are supposed to go from bad to worse, and much worse than this, I can only with great difficulty imagine what it would be.

2Pe 2:1 But^{G1161} there were^{G1096} false prophets^{G5578} also^{G2532} among^{G1722} the^{G3588} people,^{G2992} even^{G2532} as^{G5613} there shall be^{G2071} false teachers^{G5572} among^{G1722} you,^{G5213} who^{G3748} privily shall bring in^{G3919} damnable^{G684} heresies,^{G139} even^{G2532} denying^{G720} the^{G3588} Lord^{G1203} that bought^{G59} them,^{G846} and bring upon^{G1863} themselves^{G1438} swift^{G5031} destruction.^{G684}

2Pe 2:2 And^{G2532} many^{G4183} shall follow^{G1811} their^{G846} pernicious ways;^{G684} by reason of^{G1223} whom^{G3739} the^{G3588} way^{G3598} of truth^{G225} shall be evil spoken of.^{G987}

2Pe 2:3 And^{G2532} through^{G1722} covetousness^{G4124} shall they with feigned^{G4112} words^{G3056} make merchandise^{G1710} of you:^{G5209} whose^{G3739} judgment^{G2917} now of a long time^{G1597} lingereth^{G691} not,^{G3756} and^{G2532} their^{G846} damnation^{G684} slumbereth^{G3573} not.^{G3756}

2Pe 2:4 For^{G1063} if^{G1487} God^{G2316} spared^{G5339} not^{G3756} the angels^{G32} that sinned,^{G264} but^{G235} cast *them* down to hell,^{G5020} and delivered^{G3860} *them* into chains^{G4577} of darkness,^{G2217} to be reserved^{G5083} unto^{G1519} judgment;^{G2920}

How can a Pope who approves this kind of paganism can still be branded as the "Holy Father" is a mystery.

I wonder how the Catholics can be sure that the skeleton really is the man they claim is Anthony of Lisbon?

I will not be surprised if the whole story is made up.

When I saw the picture of the frame the Catholics had put around this stony kind of "tongue", it looks like a copy of the frame in Mecca. Have you seen the pictures of the frame inside Islam's "holiest shrine", that has a black stone in its center?

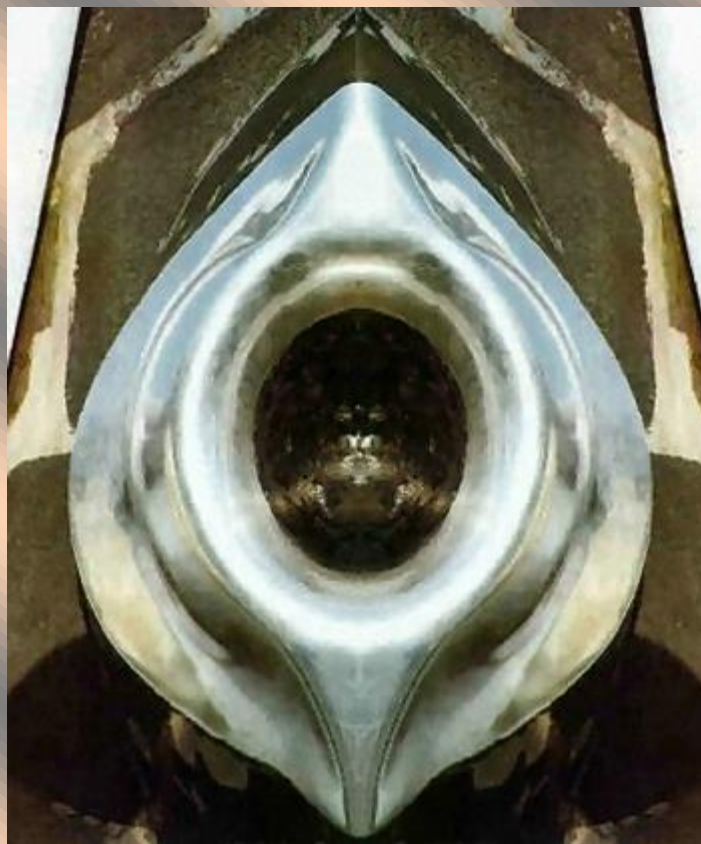

The Muslims are told to kiss this stone, which is supposed to take away their sins.

This frame in on the Kaaba in Mecca, and inside there is a black stone.

The frame and item inside could be a copy of the stone worship in Mecca.

A close look at the black stone in Mecca, will display a group of small black stones.

In regards to this “*holy tongue*” and the “*holy black stone*”, the Pope and Islam seem to be walking in perfect union. They will both end up in the One World One Religion that is built on a theology of all faiths leading to the same god.

Will kissing this stone in Mecca wash away the sins of Khaled Mashaal?

In this picture you see the leader of Hamas bowing down, ready to kiss the black stone in Mecca. What makes him any different from Roman Catholic priests that bow down to kiss the black tongue sent from a “*Church*” in Northern Italy?

A Vatican appointed priest kiss the image of gold that is supposed to have a holy tongue in a frame in its center.

Catholic priest burning incense in front of the gold idol with a tongue placed where people normally would find the heart.

A Roman Catholic priest bows down and prays in front of the image of Gold.

You have to be pretty blind not to see that these priests are doing evil, and participate in blasphemy against the living God.

If you want to live, you will have to run for your life from men like these. Don't ever let them touch you or your children, and do not listen to what they tell you.

Santa Muerte hailed in Catholic Church in Rome

December 30, 2010

An idol of Santa Muerte displayed and blessed inside a Church in Rome.

Catholics in Mexico pray their rosaries to the “Mother of God”, they worship in Catholic shrines while many also pray to “Santa Muerte”, the saint who brings “holy death”.

Mexican Catholics parade "Santa Muerte" through their streets.

The Roman Catholic Church supposedly does not accept the Mexican worshipers of "death". The Vatican Bishops calls them members of a cult.

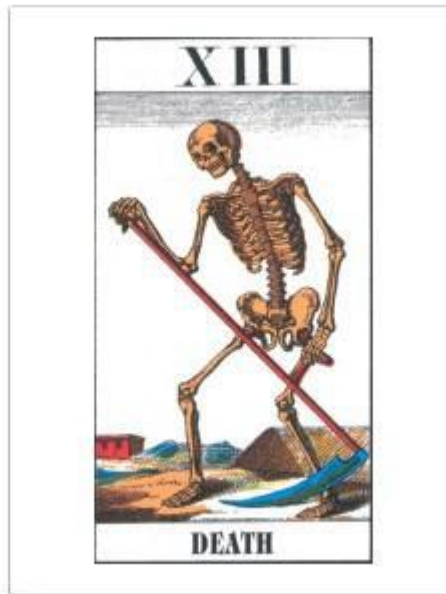

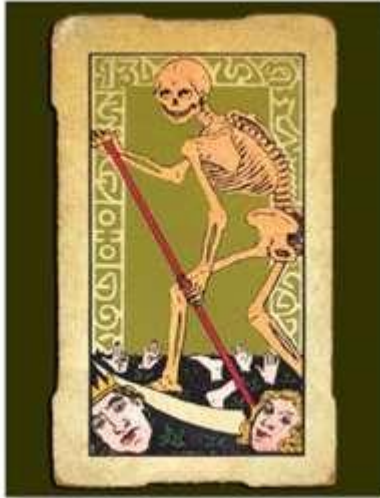

But the same "saint of death" is found in a Roman Catholic Church in Rome, The Church of St. Peter's chains. "Santa Muerte" is watching over a dead Roman Catholic, enshrined at the Basilica di San Pietro in Vincoli. **That the "Santa Muerte" „saint of death" has been blessed and acknowledged by a Church in the "eternal city" is another example of injustice and double standards of the Roman Catholic Church.**

A display of Satanism inside a Catholic church in Rome and the same church site in a different color setting. Take a look at Lucifer's feet. The Angel of Death has wings, and can walk.

The "Angel of Death" Azrael will appear as a shadow or a hooded figure grim reaper or as a skeleton, sometimes with hood. The number 13 tarot card is the death card and is portrayed as a skeleton on a horse. There is a whole cult devoted to Azrael at: <http://www.westgatenevromantic.com/index.html>

Proceed with extreme caution and prayer as this material is beyond morbid. They even had a museum for this cult but it was destroyed by Hurricane Katrina.

SANTA MUERTE

From the website listed above we read: *Santa Muerte is the Mexican interpretation of our own beloved Angel of Death. She is a deity or saint-like figure worshiped and venerated in Mexico, a syncretism between Mesoamerican and Catholic beliefs. Mexican culture since pre-Hispanic times has always maintained a certain reverence towards Death, which can be seen in the widespread Mexican celebration of the Day of the Dead. Santa Muerte generally appears as a skeletal figure, clad in a long robe and carrying one or more objects, usually a scythe and a globe. As the worship of this deity was clandestine until recently, most prayers and other rites were done privately in the home. However, for the past ten years or so, worship has become more public, especially in Mexico City. The number of believers in the deity has grown over the past ten to twenty years, to approximately two million followers in Mexico and has crossed the border into Mexican communities in the United States. Mesoamerica had always maintained a certain reverence towards Death, which manifested itself among the*

religious practices of ancient Mexico, including in the religion of the Aztecs. Death became personified in Aztec and other cultures in the form of humans with half their flesh missing, symbolizing the duality of life and death. The Aztecs inherited from their ancestors the gods: The Lord and Lady of Mictlan, the realm of the dead. In order for the deceased to be accepted into Mictlan offerings to the Lord and Lady were necessary. Many of the offerings given then are the same as those offered to Santa Muerte today.

The day after Westgate Necromancy went on the real estate market....Katrina hit..and destroyed this abomination.

The "Angel of death" is a patron saint for many Roman Catholics in Mexico.

Lucifer with wings, a Mexican copy of the idol venerated in a Church in Rome. *Mr. Pope: Why single out only Mexican Catholics, as worshipers of Satan when you do the same?*

The Roman Catholics mock the truth every day. The Catholic religion also keeps millions of non-believers away from the Messiah as the paganism in Rome seems to be unlimited.

The Pope himself is a worshiper of skulls, skeletons and corpses.
Basilica.

Basilica di San Pietro in Vincol in Rome. Catholics have put some rusted chains inside this church and demand us to believe they are "holy" and were used to arrest Peter. That Peter ever was in Rome is debatable, but inside the Church of St. Peter's chains, you will also see that the Catholics adore and venerate the claimed chains that were used during the arrest of the Apostle Peter.

What is adorable about chains?

In particular, if they were ever used by satanic anti-Christian butchers?
What a shameful, totally distasteful site of extreme wickedness.

Luk 21:10 Then^{G5119} said^{G3004} he unto them,^{G846} Nation^{G1484} shall rise^{G1453} against^{G1909} nation,^{G1484} and^{G2532} kingdom^{G932} against^{G1909} kingdom:^{G932}

Luk 21:12 **But** before all these, they shall lay their hands on you, and persecute you, delivering you up to the synagogues, and into prisons, being brought before kings and rulers for my name's sake.

Luk 21:13 **And** it shall turn to you for a testimony.

Luk 21:14 **Settle** therefore in your hearts, not to meditate before what ye shall answer:

Luk 21:15 **For** I will give you a mouth and wisdom, which all your adversaries shall not be able to refute or deny nor resist.

Luk 21:16 **And** ye shall be betrayed both by parents, and brethren, and kinsfolks, and friends; and some of you shall they cause to be put to death.

Luk 21:17 **And** ye shall be hated of all men for my name's sake.

Luk 21:18 **But** there shall not an hair of your head perish.

Luk 21:19 **In** your patience possess ye your souls.

Multitudes of Catholics in Mexico worship the spirit of death.

The DISGUSTING Santisima Muerte.

We get why Catholicism is so full of paganism but why is Christianly going after paganism as well? From Cutting Edge Ministries: They do not know Yah's Name but they are calling the caldron black.

Where Did Halloween Come From?

REDEEMING SATAN'S BLACK MAGICK CELEBRATION?

Cutting Edge Ministries has been exposing the Satanic evil of Halloween for so many years, we thought every Christian ministry by now understood that Christians had no

business participating in such an evil, Satanic "Feast of the Dead" celebration.

However, Focus on the Family has just issued a shocking new book entitled, "Redeeming Halloween: Celebrating Without Selling Out". Just the title raised my hackles, but once I began to read this book, I was positively livid. **In all my years of researching the occult, and Bible prophecy, and the bold plan to produce Antichrist, I have never, ever read such a treatise designed to deceive individual Christians** who comprise the precious Body of Jesus Christ, trying to convince them they can participate in a Satanic celebration in which Black Magick Witchcraft -- the religion of Antichrist -- is controlling.

This book represents the worst attempt to encourage Christians to accept, and to participate in, the following abominations:

1. **The Roman Catholic Church -- Throughout this book, actions by Popes and the Catholic Church are simply referred to as "church". The major premise of this book, and of the Focus On The Family radio interview tape, is that Halloween was a "Christian Church" holiday that needs now to be "redeemed" by today's genuine Christian. What you are never told is that the "Christian" fountainhead of Halloween in this book is Roman Catholicism.** Through this deceitful method, the reader is encouraged to place faith in the actions taken by unregenerate Popes and the terribly wicked Roman Catholic Church. **Once a Christian begins to participate in Halloween, they will discover a common bond with practicing Catholics -- and pagans and Satan worshippers.** (NOTE: We have dealt with the issue of the paganism of Roman Catholicism, showing that the Pope has been selected to fill the role of the False Prophet once Antichrist is on the world scene. Read the articles contained within our section, "What Saith Rome?") .
2. Ecumenism -- The world is rapidly moving toward the establishment of a global church, whose doctrines are so broad that people all over the world can participate. Narrow, exclusive-minded Christians have no place in this new church. This book encourages Christians to abandon Biblical principle so they can participate in this most wicked of holidays.
3. Black Magick Witchcraft -- Daniel 8:23-25 describes the religion of Antichrist, and it is Black Magick Witchcraft. Halloween is the ultimate celebration of Black Magick Witchcraft. **Therefore, as global events show us how rapidly the world is getting to the actual appearance of Antichrist, Dr. Dobson suddenly pops up to encourage Christians to participate in Black Magick Halloween.** Thus, when Antichrist really steps on the world scene, people who consider themselves to be Christian will be pre-disposed to accept the Man of Perdition because they have already accepted his High Holy Day (Halloween).

"Redeeming Halloween: Celebrating Without Selling Out", by Kim Wier & Pam McCune, A Focus On The Family book, published by Tyndale House Publishers, Wheaton, Illinois, 2004.

The foundational premise of this book is simple: **"Far from divisive, what we discovered was a place where all Christians -- of any denomination -- can find agreement. For you see, the story of Halloween begins at the foot of the cross."** [Page 9]

How is this possible? How can a celebration of the Babylonian Satanic "Feast of the Dead" be traced to the foot of Jesus' precious cross? Further, as we have revealed in an archived article on Halloween (NEWS1796), this night is the most important of the year to the global Illuminati, which practices the most powerful of all Black Magick Witchcraft! **This night to all dark Satanists calls for human sacrifice.** Read more at: <http://cuttingedge.org/news/n1969.cfm>

* *"FOCUS ON THE FAMILY CONTINUES TO TAKE FOLLOWERS INTO THE ABYSS AS IT URGES CHRISTIANS TO "REDEEM HALLOWEEN"!* Part 2 of 3- COMMITTING THE "SIN OF AARON" - Even though Focus On The Family is encouraging Christian families to "Redeem Halloween", we wonder why Christians should even be interested in celebrating a Satanic Black Magick "Festival of the Dead". Two Scriptures come to mind immediately:

"But he that sinneth against me wrongeth his own soul: all they that hate me love death." [Prov 8:36] "He (God) is not the God of the dead, but the God of the living: ye therefore do greatly err." [Mark 12:27]

* *"FOCUS ON THE FAMILY CONTINUES TO TAKE FOLLOWERS INTO THE ABYSS AS IT URGES CHRISTIANS TO "REDEEM HALLOWEEN"!* Part 1 of 3 - After telling parents it is all right for them to read Harry Potter to their children and after publishing a book entitled, "Finding God In Lord of the Rings", Dr. Dobson continues his free-fall into the Abyss by telling his followers they can participate in Halloween, because it was a "Christian" holiday whose roots can be traced to the "foot of the cross"! What advice does the Bible have for Dr. Dobson?

The Cathedral of St John the Divine in New York City is the setting for the annual Halloween Extravaganza. In this 2009 clip we see the Procession of the Ghouls, with organ music by Tim Blumfield - check out this video

http://www.youtube.com/watch?v=93sHg_V5HSw

In 1974, artist Ralph Lee founded New York City's Village Halloween Parade, which originally left from his apartment building in the West Village.

Since 1990, his creatures have haunted the Cathedral of St. John the Divine at the annual Halloween event known as the Procession of the Ghouls.

Back stage... hmmm no irony here, got jc throwing the illuminti hand sign.

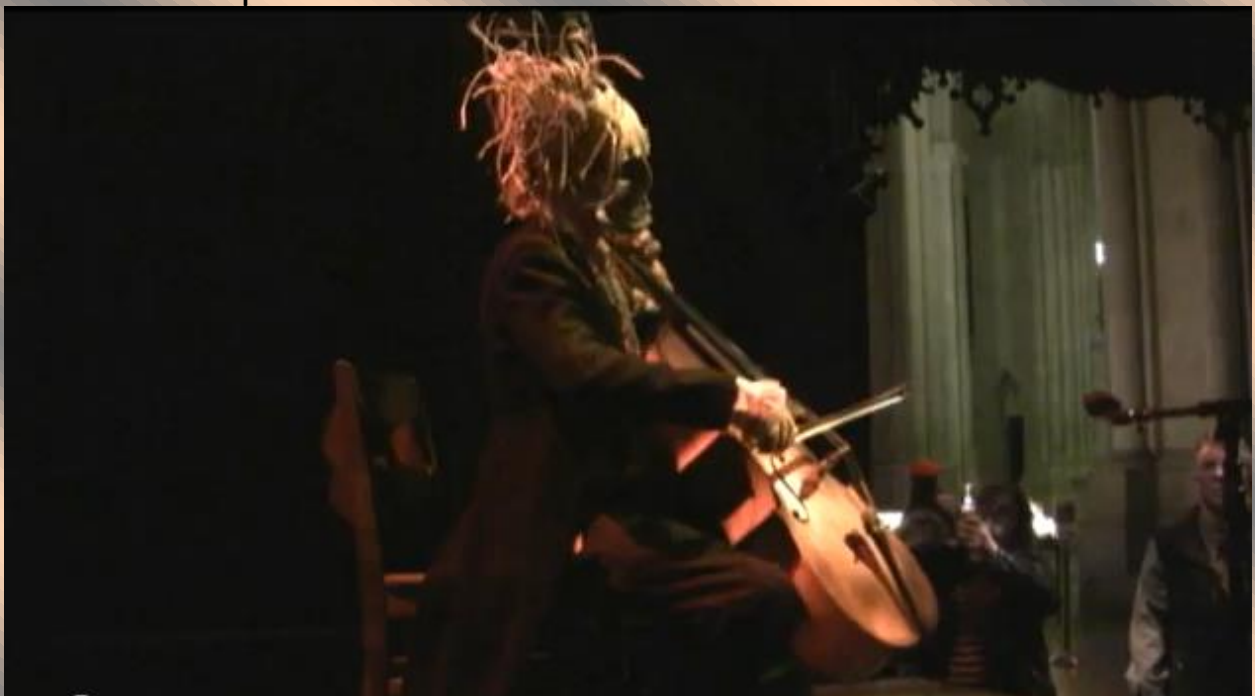

About 6,000 people attend 2 shows every year. This was 2009

Here is some pre-show entertainment

Then they showed a classic 1922 movie Nosferatu. It's about a Vampire. The Torah tells us not to drink blood.

Keep in mind the horns of shatan

Reminds me of Dawn of the Dead..

http://www.youtube.com/watch?v=AXz2_IkZysc

This reporter says The gothic cathedral is taken over by demons.. I think that is an oxymoron.

Shout out to the Bohemian Grove Owl.. never miss an illuminati signal

or a virgin sacrifice.. Whats that mark on her forehead?

It must be the same show..as here is some pix from last years "event".

Nice.. I wonder who he is worshipping??? One guess.. A skeleton Pope..hmmm where did we just see that? Ah but this just for fun right? They don't believe this right?

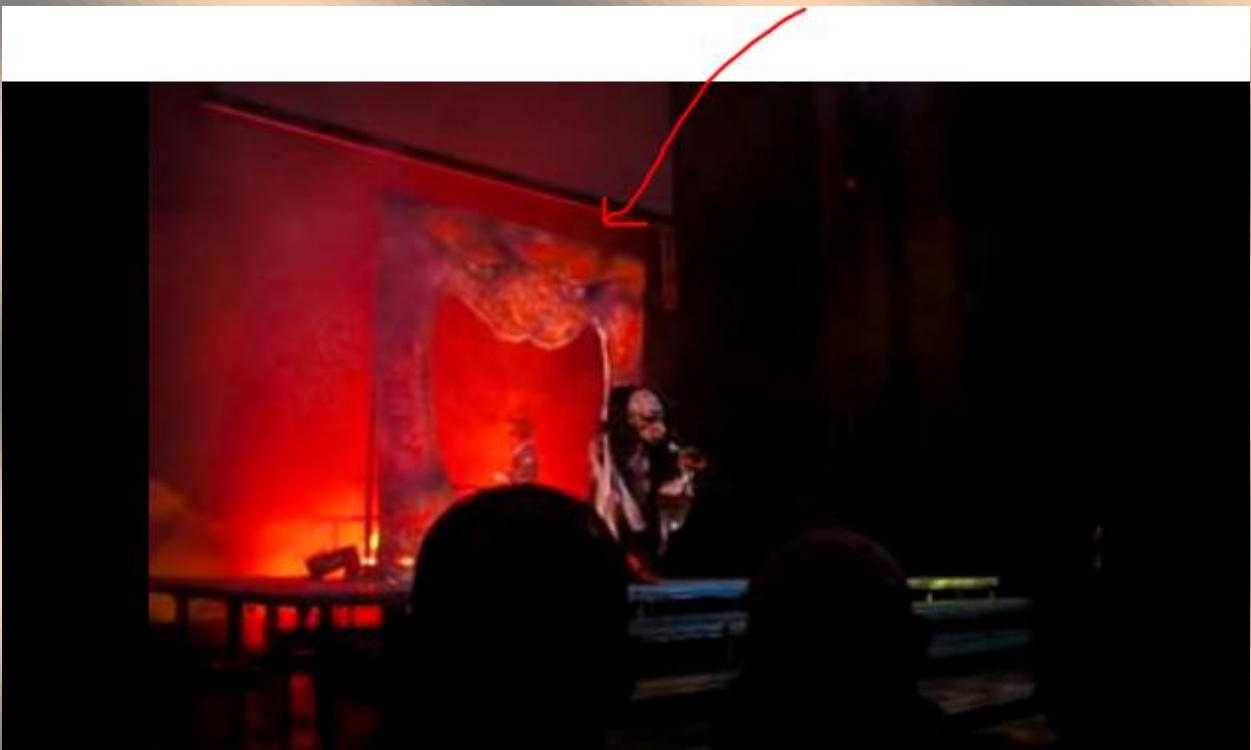

Remember that big creepy baby at England's summer olympics? Wonder why we keep seeing this image? I mean its not really a normal halloween costume, except of course for the child sacrificial aspect.

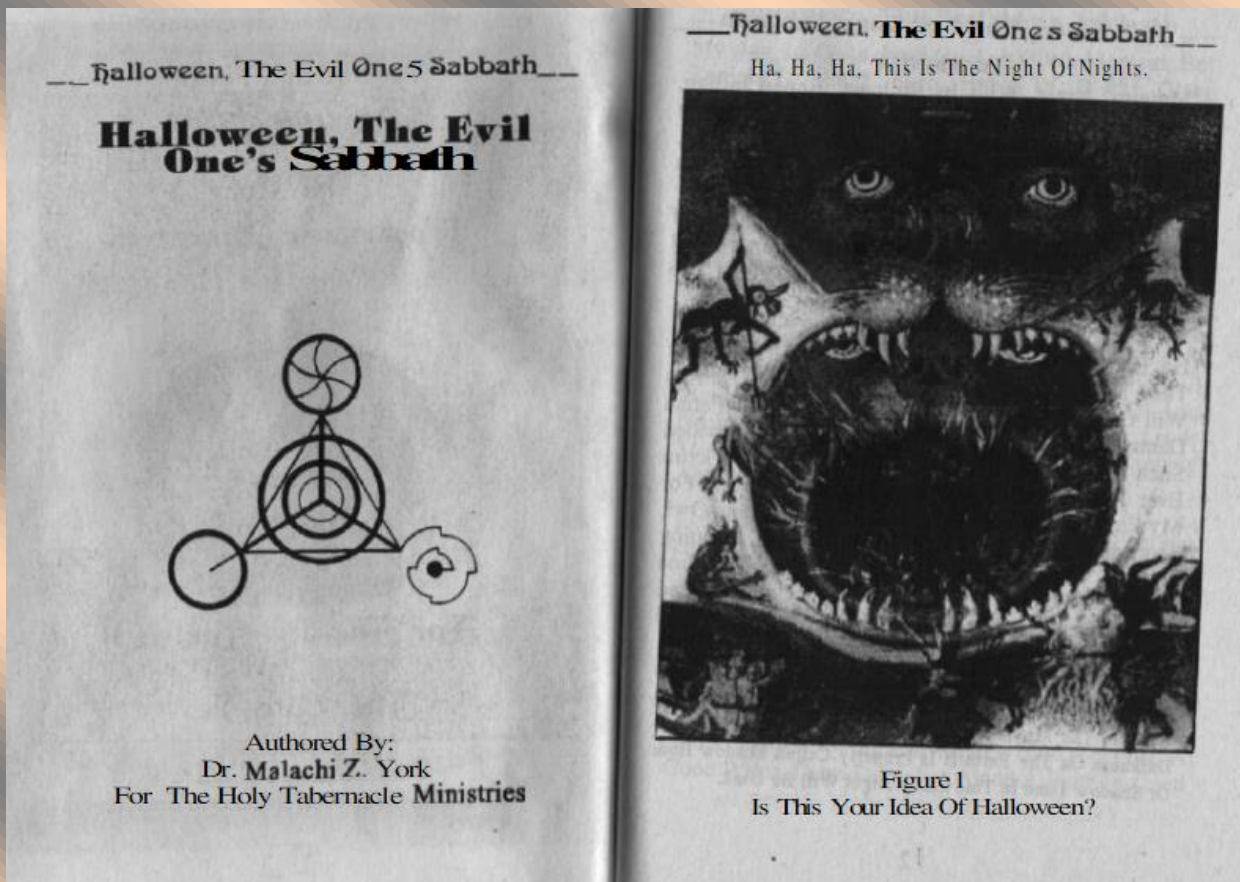

This must be how it starts.. wow.. remember Yah saying to NOT PASS THROUGH THE FIRE?! This is where all the gouls come from at the front of the church. And when you get a good shot, entrance is a mouth..

Just as a side note the pillars on the St. John Cathedral for the coming destructions..

From 2009

The destruction of New York city (including the Twin Towers) sculpted right on the building... Strange occult symbols on the floor... Weird rituals being performed in the sanctuary... Home of the *Temple of Understanding* which admittedly seeks to instate a new world religion... This cathedral is definitively "different", as some people might say. But the "difference" lies in the fact that the cathedral is in fact a temple for the occult elite. I personally couldn't care less about each individual's beliefs, but to trick unsuspecting church goers into an occult house of worship is nothing less than Evil.

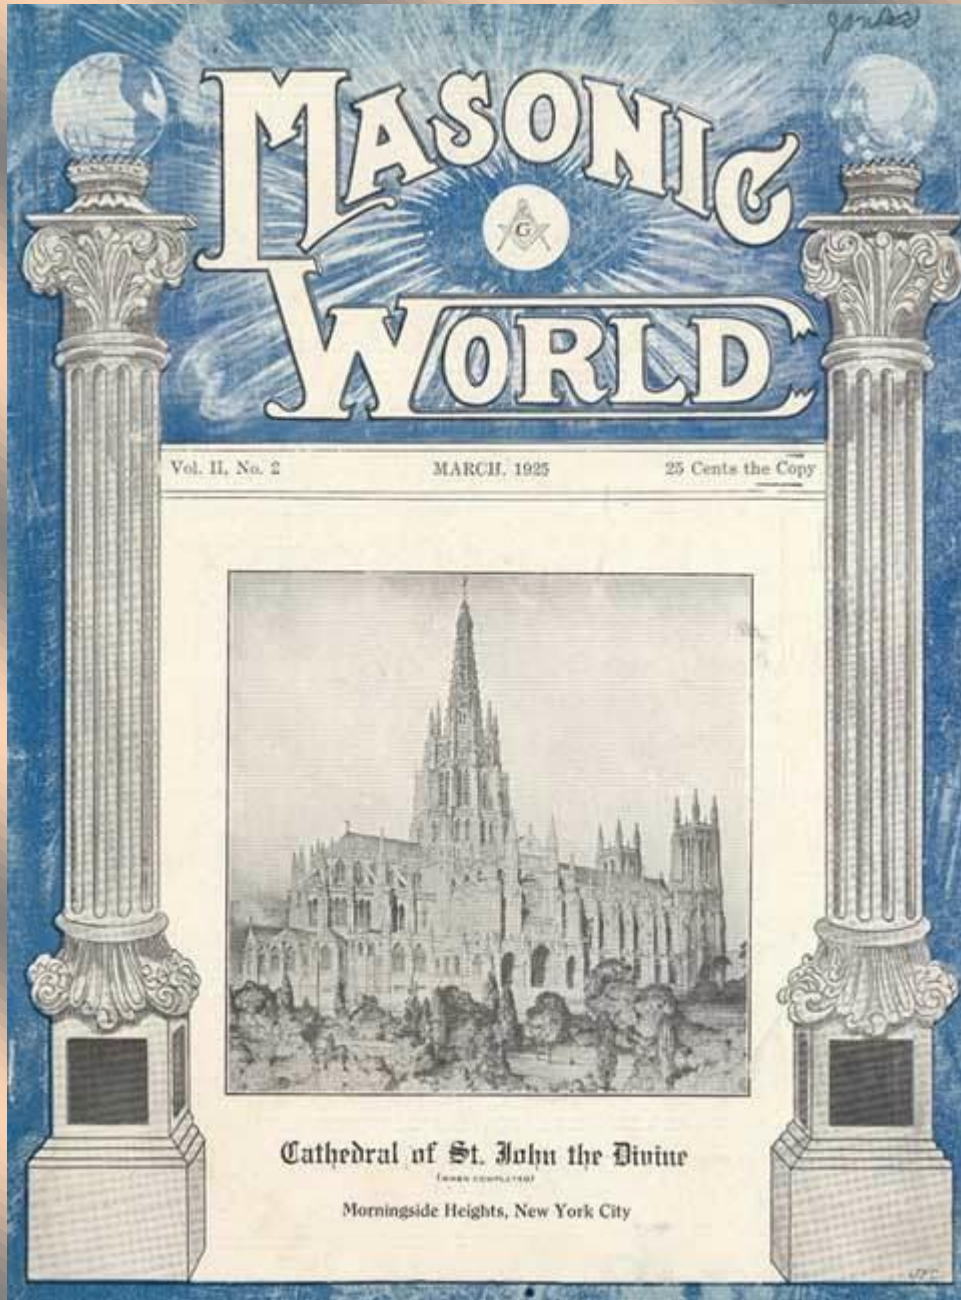

"The pagan intellectuals re clothed their original ideas in a garment of christian phraseology but bestowed the keys of the symbolism only upon those duly initiated and bound to

secrecy”

- Manly P. Hall, *The Secret Teachings of All Ages*

Background and History of the Cathedral

This unfinished building has been claimed as being the world’s largest cathedral. It is realistic to maintain such high aspirations when your sources of funding include tycoons like JP Morgan and prominent figures like the Grand Master of the Masons of the state of New York. The completion of the cathedral was such a prized accomplishment for the Freemasons that it was featured on the front page of “Masonic World” of March 1925.

“It is particularly fitting that the Masons, who were the principal builders of cathedrals and churches during the greatest cathedral-building period, should now have a prominent part in the movement to build America’s greatest cathedral (...) Little need be added to the story of Freemasonry during the cathedral-building period; its monuments are its best history, alike of its genius, its faith and its symbols.”

The article openly admits that masonic cathedrals represent the best legacy of the Brotherhood and the symbolism is prominently showcased. The masses are however too ignorant to recognize the meanings behind the art, so they just stare at them, thinking “it’s pretty nice”.

Freemasonry and the Occult

As you might know, Masonry has been, through the ages, the keeper of the “ancient mysteries”, which are occult and esoteric teachings only communicated to the initiates. I will not explain here the mystery religion as it takes several years of studies to get some understanding. I can however say that the occultists draw their teachings from ancient Egyptian, Babylonian, Kaballah and Gnostic cultures, who predate by many centuries the Christian era. Secret societies have been forced to hide the true nature of their philosophies in a veil of Christianity to avoid persecution by the Church. Freemasons and their fellow organisms, the [Rosicrucian Order](#) and the [Knights Templar](#) have all been accused of devil worship and idolatry in Europe.

While many low-level Freemasons may be practicing Christians, those looking to reach higher degrees within the Brotherhood are required to study the tenants and the philosophies of the Mystery Religion. Freemasons do not necessarily seek for the world to embrace their brand of spirituality, as it is strictly reserved to the initiates. However, people in high places, who often happen to be **Masons are seeking to steer the population towards a “dumbed-down”** version of their paganism, as you will read later. **Halloween certainly fits the bill.**

Prophetic Pillars on St. John the Divine Cathedral?

One of the first articles published on this site was [Sinister Sites – St. John the Divine Cathedral](#), where I've described the building's occult symbolism and its role in the United Nations' efforts to push a single world religion. Probably the most shocking part of that article was the pictures of the columns, conceived in 1997, depicting the destruction of New York city (including the Twin Towers). The Church was named after St. John the Divine, the author of the Book of Revelation.

The original article showed only two of these columns (the others were not visible at the time I took the pics). Since then however, the other pillars are visible and their symbolism is as esoteric and mysterious as those originally posted. Here they are (in no particular order).

On the western facade of the cathedral, stonemasons have sculpted numerous scenes that seem oddly out of place for a Cathedral. The most striking one is the chilling ***depiction of the collapse of the twin towers and the destruction of New York city and its landmarks.*** This scene was created in ***1997, four years before***

the destruction of the Twin Towers. Other recognizable skyscrapers are the Chrysler Building and the Citigroup center.

Twin towers collapsing

The scene above was done in 1997, four years before the destruction of the Twin Towers. Other recognizable skyscrapers are the Chrysler Building and the Citigroup center. **Yah always puts a fly in the ointment, since the twin towers were not destroyed by water and will not be standing when the other buildings are destroyed.**

Posted in the original article on St. John the Divine, this pillar depicts an apocalyptic New York city being engulfed by enormous waves. The next pillar shows the Brooklyn bridge crumbling. Cars and buses are falling into the churning waters. To the right, the Statue of Liberty is sinking. Beneath this horrifying prophecy is the New York Stock Exchange (NYSE), with street people selling all around it. What is the purpose of these carvings? Who is St. John the Divine? St. John is credited with writing the Book of Revelation in the Bible which uses symbolic imagery to describe the events of the apocalypse.

Occultists believe that the Book of Revelation has been hermetically coded so that its true meaning is accessible only to the initiates. This Pillar scene is carved on the west entrance of the cathedral and depicts New York as "Babylon the Great" which is completely destroyed by the wrath of God. New York city matches the Biblical description of "Babylon the Great" which is a "Great Prostitute" who sits on many waters – peoples, multitudes, nations and languages – holding a golden cup. She rules over the kings of the Earth = **The Statue of Liberty/United**

Nations. Merchants of the Earth grew rich of her “excessive luxuries”. She weeps because nobody buys her goods anymore = **New York Stock Exchange**.

The scene above might be unsettling for New York residents. At the right is the Statue of Liberty, which seems to be sinking in the water. Beneath this horrifying prophecy is the New York Stock Exchange, with people trading goods around it.

This scene, carved on the west entrance of the cathedral, depicts New York as being "Babylon the Great", the city who gets completely destroyed by the wrath of God. The Book of Revelation mentions:

*"Fallen! Fallen is Babylon the Great!
 She has become a home for demons
 and a haunt for every evil spirit,
 a haunt for every unclean and detestable bird.
 For all the nations have drunk
 the maddening wine of her adulteries.
 The kings of the earth committed adultery with her,
 and the merchants of the earth grew rich from her excessive luxuries."*

-Book of Revelation 18

The artists might be on to something because there is indeed numerous similarities between the actual New York city and the description of Babylon the Great in the Bible. The Book of Revelation mentions:

1. A "Great Prostitute" who sits on many waters – peoples, multitudes, nations and languages – holding a golden cup. She rules over the kings of the Earth. = **The Statue of Liberty**
2. Merchants of the Earth who grew rich of her "excessive luxuries", weeping because nobody buys their goods anymore = **New York Stock Exchange**

*"The merchants who sold these things and gained their wealth from her will stand far off,
 terrified at her torment. They will weep and mourn and cry out:
 " 'Woe! Woe, O great city,*

*dressed in fine linen, purple and scarlet,
and glittering with gold, precious stones and pearls!
In one hour such great wealth has been brought to ruin!*

- *Book of Revelation, 18*

Knowing that, still today, over 70% of the world's capital goes through the NYSE, we understand why the building was depicted on the apocalyptic pillar. It represents the "financial" aspect of the Book of Revelation, where it repeatedly refers to rich merchants and trading goods.

So, a landmark of NYC, the St. John the Divine Cathedral, predicts in vivid detail the destruction of its home city. Pretty unusual. Under the rendering of the NYSE, we have a skeleton and strange creatures, who seem to represent death and destruction.

Horsemen of the Apocalypse? Four beings ride out on white, red, black, and pale horses. The four riders are commonly seen as symbolizing Conquest, War, Famine and Death.

A scene depicting a birth from some kind of flower, surrounded by mummies and above a lamb with its legs tied. Who is being born? Is the Anti-Christ who is said by the Book of Revelation to the beast “*coming up out of the earth; and had two horns like a lamb*”? Underneath is a spiral vortex (symbolizing change of consciousness?) and people apparently praising or worshipping the figure.

This pillar symbolizing death with the “wheel within a wheel, full of eyes all around” from the vision in the beginning of the book of Ezekiel. The next pillar symbolizes death. At the base is a criss-crossing “wheel within a wheel” with “eyes all around” the wheels. This death vision is found at the beginning of the Book of Ezekiel. **“And I looked, and, behold, a whirlwind came out of the north, a great cloud, and a fire infolding itself, and a brightness was about it, and out of the midst thereof as the colour of amber, out of the midst of the fire”.** (nuclear war).

Pillar with the Kabbalistic Tree of Life. The Book of Revelation is said to be encoded with Kabbalistic numerology to reveal its esoteric meaning. The Next Pillar shows the ***Jewish Kabbala's Tree of Life***. The Book of Revelation is said to be encoded with ***Kabbalistic numerology*** which reveal its ***esoteric meaning only to the initiated***.

The man above the Tree of Life is also uncharacteristic for a Cathedral. The man is ***one-eyed***. He wears a large clear quartz amulet, which is said to have magical and metaphysical properties. His ***one eye symbolizes the Satanic all-seeing-eye of Horus*** printed on the American one dollar bill.

Little to no documentation exists about the meaning of the pillars and the rest of the Cathedral contains a lot of art with strange symbolism alluding to catastrophe and a new era. Strange place.

2- Pagan Sculpture

Side of the tired moon

Pretty disgusting body

This sculpture, which basically symbolizes the struggle between Good and Evil, features numerous elements we can find in paganism: Sun worship, mythical creatures and sun versus moon duality. Called “Fountain of Peace”, the sculpture borrows the fantastic, bizarre and distorted art style of the Grotesque. All sorts of animal creatures are emerging from a smiling sun, which represents the basic paradigm of Sun Worship (the Sun as giver of life). The idol points to the east, an ancient pagan tradition. There is also weird stuff on the sculpture like a DNA symbol (a DNA symbol also appears at the entrance of the Cathedral). We all know how genetic modification is as Christian as it gets. We can also find a quote of John Lennon saying “...one day the world will live as one”. Think this is spooky? Read on.

Strange Rituals

A) Procession of the Ghouls

Every year, at Halloween, St. John the Divine is the host of a strange event called “The Grand Procession of the Ghouls”. It is basically a parade taking place right inside the sanctuary of the Cathedral where people dressed in costumes of demons, ghouls, monsters and other creepy things, walk around to macabre organ music. This thing resembles the strange rituals held behind closed doors by occult groups. Outside of the great number of costumes representing demons and Satan (already extremely bizarre for a Cathedral), some costumes seem to make a mockery out of Christianity.

Does this look like JC crucified to you?

Other pictures:

A priest-monster with an evil looking crucifix floating behind him

The "bishop" standing in the pulpit while the ghouls parade

Don't satanic rituals make fun of Christian rituals by distorting them? Well that's as distorted as it can get. Processions are a pagan tradition like the "Procession of the Prechten" in Germany, which is very similar to the one at St. John the Divine in many ways.

Procession of the Perchten in Germany

B) The Blessing of the Animals

Another bizarre ritual is the Blessing of the Animals that takes place in September of every year. You have a bunch of animals INSIDE and outside the sanctuary of the Cathedral **“worshiping God” (in their words)**. Since when do animals read the Bible and such? They never did. An article published in 1996 by the California Forestry Association describes the scene:

“...goats, horses and other animals are led to the alter to receive blessings. Camels and elephants walk the aisles as worshipers march to the alter with bowls of compost and worms.”

This is another pagan ritual, taking place inside a church. Notice the white robes everybody is wearing.

Hope this horse won't poop while getting its blessing

This cow is all worshiped out

Did you notice those white robes? Look at those pictures of other pagan rituals:

Celebrating "Lucia"

Pagan ritual in Greece

So we've blessed, horses, monkeys and aunt Sylvia's poodle dressed like a ballerina. What is there left to bless? Why not people's bicycles while we're at it?

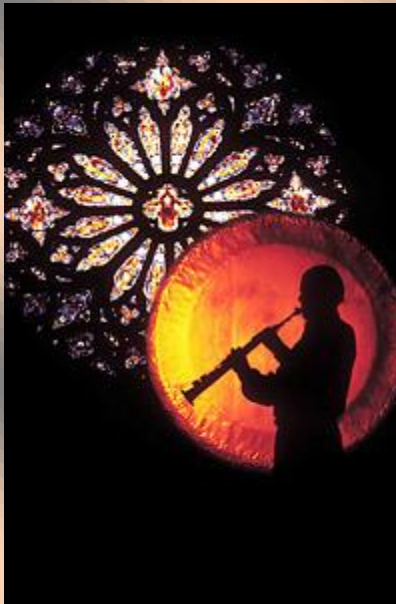

C) The Blessing of Bicycles

I won't even talk about this, it is too stupid.

The environment is our religion and we don't know it yet

D) Paul Winter's Winter Solstice Celebration

Can't worship the Sun more than that

This famous New Age musician celebrates the Winter solstice, one of the most ancient pagan rituals. He says on his website about the consort:

In ancient times, observers watched the sun sink lower in the sky each day, and feared it would disappear completely and leave them in darkness.

*People practiced special rituals intended to entice the sun's return. Bonfires and candles, with their imitative magic, helped fortify the waning sun and ward off the spirits of darkness. **These symbols live on in our modern seasonal customs: the candles of Hanukkah and Christmas are kin to the fiery rites of old, which celebrated the miracle of the earth's renewal.***

So, yes he is Pagan, he's proud of it and he performs inside a cathedral.

The Temple of Understanding

St. John the Divine is the headquarters of the Temple of Understanding, an interfaith effort to steer away people from traditional religions to a hybrid kind of spirituality based on New Age philosophies, Neo-Paganism and a mix of organized religions' traditions. The "friends" who have assisted the founder Juliet Hollister include John D. Rockefeller II, the XIV Dalai Lama, Pope John XXIII, Eleanor Roosevelt, UN Secretary-General U Thant, **International Planned Parenthood** and the Jewish Theological Seminary. Jean Houston, a New Age guru and supporter of the Temple of Understanding wrote in her book "Trojan Horse":

"The Temple's purpose is to facilitate the one world religion, through the promoting both the acceptance and the embrace of all religions, beliefs and rituals. The Temple of Understanding's Meditation Room was to be known as the "Hall of Illumination" where the Illuminati, Masters of Wisdom, Our Leaders of the Temple of Understanding will train the public in the new humanistic cult...to create a new type of mystic"

The Temple has received full UN accreditation and has been a key actor in the "spiritual" department of the UN. Twelve individuals listed as Directors or Advisors of the Temple of Understanding are also members of the UN's Global Forum councils. Those Forums have received numerous speakers who've openly supported a neo-pagan world religion based on Earth worship. James Lovelock, one of the speakers mentioned that "**Gaia**" (an ancient term describing the Earth as a Goddess) was the giver of life and had the capacity to heal herself. He describes humans as being cancers to Gaia, an "illness too overwhelming for her to heal herself". In other words, humans are parasites to the goddess Gaia.

Al Gore has been a guest several times at the Cathedral of St. John the Divine where he infamously said "*God is not separate from the Earth*". Well, in Christianity, Judaism and Islam, God IS in fact separate from the Earth (in the Heavens). If you decipher Gore's phrase:

God = Earth = Earth is God

Gore has been repeatedly applauded by Pagan groups for his books and lectures. The Church of All Worlds congratulated the Clinton/Gore victory in 1996 by writing:

*“We are Neo-Pagans — implying an eclectic reconstruction of ancient Nature religions, and combining archetypes of many cultures with other mystic and spiritual disciplines — and our beliefs and values are no different from those you describe as your own. Your book, Earth in Balance, is heralded by our People as a manifesto for all we hold dear...**Know that there are half million NeoPagans out here who support you, and who voted for you, and who will rally to the aid of your policies for the salvation of the Earth and the reunification of the Great Family**”.*

Another member of the board of directors of the Temple of Understanding is Thomas Berry. He believes that the world is being called to a new, “post-denominational”, even a post-Christian belief system that sees the earth as a living being — with mankind as her consciousness.

Ok, so what the heck does this mean?

If you read my article about the Georgia Guidestones or the [Denver International Airport](#), you’re already aware of unusual monuments and art placed by powerful yet secretive groups calling for a new type of global spirituality. Key words or expressions are often used to make this religious shift socially acceptable: “Peace”, “balance with nature” or “harmony with the infinite”. How can you be against peace? You can’t. Those buzz words hide however the means that will be used to obtain those objectives: “Peace” will only happen when all there will be a single world government. “Balance with nature” will only happen when the world population will drastically decrease and “harmony with the infinite” will only happen when the world will give up traditional religions to embrace neo-pagan humanism.

The St. John the Divine Cathedral acts as a nervous center for the spiritual side of the global shift. Through numerous forums and UN summits, the Temple of Understanding reunites leaders from all major religions to devise a universal message. This message will later be communicated to the masses through local religious networks. In a slow yet steady manner, all religious faiths are leaning towards the same sets of values and will eventually converge into humanism.

Interfaith meeting at the Temple of Understanding

An example of this is Madeleine L'Engle's courses given inside the Cathedral (she also is one of the founders of the Temple). **Her teachings include shamanism, out-of-body experiences, astral projection, Tarot methods of fortune telling, earth worship, psychic abilities, yoga, Tantric Toga (sexual form of Black Magic) and astrology.** Almost all of those practices have been severely condemned by Christianity for centuries yet they are being accepted within the Cathedral. Those types of courses are being promoted in various religious temples across the world.

But the main value that needs to be globally accepted is environmentalism. By creating a sense of urgency and fear regarding the degradation of Nature, it is easy to pass laws that would be otherwise unpopular, to raise taxes for the sake of environment and to shift the masses' focus from their respective religions' laws to the worship of the Earth. People embracing this New Age spirituality are more likely to accept **controversial projects like Planned Parenthood and eugenics. When Nature is your religion, you see human life as a parasitic presence and more likely to rationalize the death of masses of population.**

What is being promoted by pagans, Catholics and Islam is that death is good. Halloween plays a part in this. It's all about death, spirits beyond death, vampires-the living dead and sweets that will cause death, since when is being dead fun?

The church of Rome Massacred Rhe Albigensian

by ivarfjeld

As many as 60.000 Albigensian were massacred in France during a crusade from 1209 to 1229.

The Albigensian Crusade or Cathar Crusade (1209–1229) was a 20-year military campaign initiated by Pope Innocent III to eliminate Catharism in Languedoc, in the south of France.

Catharism (/ˈkæθərɪzəm/; from Greek: καθαροί, katharoi, "the pure")[1] was a Christian dualist movement that thrived in some areas of Southern Europe, particularly northern Italy, northern Spain and southern France, former Occitania and Catalonia, between the 12th and 14th centuries. Cathar beliefs varied between communities because Catharism was initially taught by ascetic priests who had set few guidelines.

The skull of Saint Celia in Albi Cathedral, a city where all the Christians were massacred.

Roman Catholic "saint" Cecilia is known to have had an angel or Lucifer as her lover.

"There is a secret, Valerian, I wish to tell you. I have as a lover an angel of God who jealously guards my body."

The ancient Celia with her lover, and angel claiming to be from “god”.

These are the records written by the Roman Catholic website Catholic Culture. St. Celia died as a claimed martyr around 200 A.D. Her tomb was discovered around 820 A.D. But the Pope did not open the tomb before 1599, and the remains were exhumed.

The remains were exhumed 1400 years after the concerned person died. Now a wax figure is adored and venerated in church of Saint Cecilia in Trastevere in Rome.

The wax figure of Santa Cecilia in a side chapel in the basilica in Rome.

This is what Catholic Culture has recorded: *"In 1599 her grave was opened and her body found in a coffin of cypress wood. It lay incorrupt, as if she had just breathed forth her soul."*

Cecilia led a life of prayer and meditation and had vowed lifelong virginity, but a youth by the name of Valerian, relying upon the approval of her parents, hoped to marry her. When the wedding night arrived, she confided to Valerian,

"There is a secret, Valerian, I wish to tell you. I have as a lover an angel of God who jealously guards my body."

Valerian promised to believe in Christ if he would be enabled to see that angel. Cecilia explained how such was impossible without baptism, and Valerian consented to be baptized.

After he was baptized by Pope Urban and had returned "He found Cecilia in her little room lost in prayer, and next to her the angel of the Lord was standing. When Valerian saw the angel, he was seized with great terror." The angel handed to them a bouquet of fiery red roses and snow-white lilies as a reward for Cecilia's love of chastity, a bouquet that would not wither, yet would be visible only to those who love chastity. As a further favor Valerian besought the conversion of his brother Tiburtius.

Many of official stories around "Catholic saints" are grotesque. Others are clearly based on mythology, and others are free fantasy. Behind all this is damnable occult powers, that leads a man into idolatry. Shameless sin is presented as "holiness".

The story about "Satan Celia" is one of these shameless stories. That a woman who lived around 200 A.D had an angel as a lover. This is clearly a dark angle, an angel of Lucifer.

The story contradicts itself, like fake stories normally do. A lady who claimed to be a "virgin" should not have had lovers. Not even an Angel.

The Scriptures warns us about fallen angels, the messenger of Satan. They are surely around us, trying to deceive us and even demonize us.

Be careful. Do not flirt with occult powers. The Roman Catholic Church is surely a house of demons, the great prostitute. Mysterious Babylon, with its headquarter in the Vatican.

The Cathars were a direct challenge to the Catholic Church, which renounced its practices and dismissed it outright as the Church of Satan.

It is likely that we have only a partial view of their beliefs, because the writings of the Cathars were mostly destroyed because of the doctrinal threat perceived by the Papacy; much of our existing knowledge of the Cathars is derived from their opponents.

Cathars, in general, formed an anti-sacerdotal party in opposition to the Church of Rome, protesting against what they perceived to be the moral, spiritual and political corruption of the Church.

The Cathars also refused the Catholic Sacrament of the eucharist saying that it could not possibly be the body of Christ.

The doors of the church of St Mary Magdalene were broken down and the refugees dragged out and slaughtered. Reportedly, 7,000 people died there. Elsewhere in the town many more thousands were mutilated and killed. Prisoners were blinded, dragged behind horses, and used for target practice.

Arnaud-Amaury wrote to Pope Innocent III, *"Today your Holiness, twenty thousand heretics were put to the sword, regardless of rank, age, or sex"*.

The Inquisition was established in 1234 to uproot the remaining Cathars.[60] Operating in the south at Toulouse, Albi, Carcassonne and other towns during the whole of the 13th century, and a great part of the 14th, it succeeded in crushing Catharism as a popular movement and driving its remaining adherents underground.[60] Cathars who refused to recant were hanged, or burnt at the stake.

From May 1243 to March 1244, the Cathar fortress of Montségur was besieged by the troops of the seneschal of Carcassonne and the archbishop of Narbonne.[62] On 16 March 1244, a large and symbolically important massacre took place, where over 200 Cathar Perfects were burnt in an enormous pyre at the prat dels cremats ("field of the burned") near the foot of the castle

Hunted by the Inquisition and deserted by the nobles of their districts, the Cathars became more and more scattered fugitives: meeting surreptitiously in forests and mountain wilds.

After several decades of harassment and re-proselytising, and perhaps even more importantly, the systematic destruction of their religious texts, the sect was exhausted and could find no more adepts. The leader of a Cathar revival in the Pyrenean foothills, Peire Autier was captured and executed in April 1310 in Toulouse.

If you want to really open your eyes to the horror of this organization, check out on your own the story of Sister Catherine- she disappeared 11-7, 1969 and then found murdered in 1-3-1970.

All the pedophilia and case after case of abuse and torture, there is no way this can be of Yahuah and should be exposed for what it is.

With new lead, police reopen old murder case

June 19, 1994 | By Joe Nawrozki and Robert A. Erlandson | Joe Nawrozki and Robert A. Erlandson, Sun Staff Writers

An article in The Sun June 19 about the unsolved murder of Sister Catherine Ann Cesnik reported that during the investigation of her disappearance on Nov. 7, 1969, Inspector Julian I.

Forrest Sr., chief of detectives, had pressured investigators on behalf of the Archdiocese of Baltimore.

In fact, Mr. Forrest had retired in October 1966.

Col. Edwin E. Taylor, who was chief of the criminal investigation division when Sister Catherine disappeared, retired Dec. 25, 1969, just before her body was found Jan. 3, 1970, in Lansdowne. Mr. Taylor said yesterday that he has no recollection of the case and knew nothing of any outside interference.

The Sun regrets the errors.

On a gray Saturday morning almost 25 years ago, two hunters crossing a snow-custed field in Lansdowne stumbled on a terrifying sight -- the partly clothed body of a young woman sprawled halfway down an embankment. The only evidence of life was fresh animal tracks.

It was Jan. 3, 1970. With Baltimore's daily newspapers on strike, the discovery of the frozen, mutilated body of Sister Catherine Ann Cesnik made barely a ripple compared with the furor over her mysterious disappearance eight weeks earlier.

Despite months of investigation by Baltimore and Baltimore County homicide detectives, the killer of the popular, 26-year-old teaching nun was never found, and the motive for the slaying remains unclear. Over the years, the thick case file lay dormant in county police headquarters in Towson.

But police revived the investigation this spring after a former student at Archbishop Keough High School approached them with a startling story. She said a Catholic priest who had sexually abused her took her to see Sister Catherine's body weeks before the hunters discovered it on a local dumping ground off the 2100 block of Monumental Ave.

The woman, now 41, was an Archbishop Keough student when Sister Catherine taught there. She also told police that another man she met in the priest's office told her he had beaten Sister Catherine to death because the nun knew of the alleged sexual ((molestation.

She said the priest and the other man -- whom she has not identified -- warned her that she would suffer the same fate if she told her story to anyone else.

Meanwhile, several detectives involved in the investigation in 1970 have told The Sun that their initial efforts were hampered by pressure and lack of cooperation from the Roman Catholic Archdiocese of Baltimore.

City detectives said that after a visit to the police commissioner by archdiocesan representatives, they were forced to cut short the questioning of a priest about the nun's death. A county officer said he was ordered to destroy investigative documents because of church sensitivity.

William Blaul, spokesman for the archdiocese, said officials there deny that such interference could have occurred.

The woman whose allegations caused the case to be reopened is one of several who have told Towson lawyers Phillip G. Dantes, Beverly A. Wallace and James Maggio that they were sexually abused while they were students at Archbishop Keough in the late 1960s and early 1970s. The lawyers declined to comment.

Police have been unable to verify or disprove the woman's allegations. But in interviews with police and The Sun, she provided details about the body that were known only to investigators at the time, and detectives have not dismissed her claims.

"We are continuing our investigation into the Cesnik murder and are looking for additional information that someone might have out there to direct us to a suspect," Maj. Allan J. Webster, commander of Baltimore County's Criminal Investigation Services Division, said last week.

Investigators have traveled recently to three states to interview witnesses. They are also applying techniques developed over the years since the slaying, including the creation of a psychological profile of a possible suspect -- a stranger to the nun -- which they hope will elicit a response from the public.

"To a dedicated investigator, there's no such thing as a closed case," said Baltimore County Police Chief Michael D. Gambrill, who worked on the Cesnik case as a young detective and who has taken a personal interest in the renewed investigation.

"Even now, 20 years after I left the homicide squad, I'll recall an unsolved case and try to remember if we left anything undone," Chief Gambrill said.

Conflicting evidence

The slaying remains particularly puzzling because some evidence points to a street robbery turned deadly, and other evidence points to a killer who knew Sister Catherine or was at least familiar with her activities.

The crime was also set against a backdrop of rebellion against authority that was sweeping the country as it struggled with the Vietnam War and of change that was gripping the Catholic Church in the wake of the Second Vatican Council.

If you want to really open your eyes to the horror of this organization, check out on your own the story of Sister Charlotte, a nun who escaped the horrors of being a nun in a Carmelite convent. Who tried to warn people of the evils that went on there and the lies first hand that we have been taught. She spoke out all over the country. There was a book written about her life. This testimony was taken from a cassette tape recording of Sister Charlotte giving her testimony in a Christian gathering (I've heard a copy of the tape). Sources have told us that Charlotte was born in 1898, and entered the convent in approximately the year of 1910. She experienced salvation in 1945, and began giving this testimony in the next few years following her conversion throughout the United States and Canada.

This is a riveting youtube and should be listened to by all.

Re: Rare Sister Charlotte Testimony - tortured nun

She spoke at our camp, in a heavily catholic town and the local priest showed up ,he would keep shouting thats not true!.He totaly destroyed a nice felt hat he had been wearing, by twisting it nervously in his hands.They even let him on the platform as i remember, so everyone got a good view of him,while he was beside himself in protest ,amazing to read and how everything she said has been proven true ,then, people would ridicule you for thinking or saying the priests were abusing everyone from altar boys to nuns.

Sister Charlotte escapes and tells full story

By **Greg Szymanski, JD**

Editor's Note: We bring this story back to your attention since people quickly forget.

The shocking testimony of Sister Charlotte Wells should have led to an open investigation of murder and child killing in all cloistered Vatican convents in the U.S. and around the world.

But instead, after Sister Charlotte went public with her shocking account of murder, torture, sexual abuse and child killing behind the walls of a Carmelite convent, the whole tragedy was hushed up after she was murdered by the Pope's henchmen in the Jesuit Order.

And how such torture and killing can be ignored by Popes and government leaders shows just how much power the Vatican really wields.

"Fr. Alberto Rivera, an ex-Jesuit, told us about how Sister Charlotte was killed for going public," said researcher and author of *Vatican Assassins*, Eric Jon Phelps, adding Rivera said an undercover Jesuit priest entered her life, having her killed for telling the truth.

Sister Charlotte's oral testimony can be heard on Greg Szymanski's radio show aired Monday on *The Investigative Journal*.

Verifying Sister Charlotte's testimony were several other nuns, their statements listed on the *Jesus Is Lord* web site. Here are comments about Sister Charlotte on that courageous site, trying to alert the American people.

The Sister Charlotte Keckler Story

The Horrors Deep Within The Church Of Rome

<http://wesdancin.wordpress.com/2011/11/28/the-sister-charlotte-keckler-story-the-horrors-deep-within-the-church-of-rome-get-this-to-every-female-male-woman-man-of-all-ages-all-parents-all-grand-parents-2/>

Charlotte Keckler Born April 12, 1889 Died September 1983

Social Security # 261-58-5764

Last Residence Napa, California

Resided some years in Boston, Massachusetts

My father Ben C. Reckart knew Sister Charlotte Keckler personally. For several years he passed out tracts that contained bits of her chilling account of Roman Catholic cruelty in the Convents. An investigation of all Convents would not at all be unreasonable or unconstitutional. Human slavery even to a religion is a violation of basic human rights. The following 37 links were transcribed from a public testimony by Sister Charlotte in 1963.

THE PAPACY SEEKS TO DISCREDIT CHARLOTT'S TESTIMONY

I was sent an email today by a man named Sean Hyland using the name of John, who claims he has information that proves the Sister Charlotte testimony is false. I went to his web page where his so-called facts were supposed to be presented. The attacker is so credible he has to have a free web-site on anglefire! I found nothing there but some disoriented ramblings. He was complaining because Charlotte used the name Wells and not Keckler. The man had done so much research he didn't even know her name was Keckler. All he could do was attempt to cast doubt on her testimony by attacking her use of the name Wells. Well I have the solution for that but I will see how long it takes this dirt merchant to find it for himself. He complains Charlotte didn't give the name of the convent she was a prisoner in and so he had no way to check her story out. So, he determined since he had no way to check it out it did not exist and was false. He then tried to claim that Charlotte stole the testimony of another former nun. He claimed Charlotte never was a Catholic and he picked on

her use of words to try and prove his point. When I completed reading his alleged expose of her validity, I could not help but wonder why these yapping dogs wait 21 years to quit playing with the altar boys to decide to trash this woman's testimony. Really, the Catholic Church could have sued her at any time during her 15 years of testimony and put her under oath. How come they were silent? How come the Jesuits that attended her public meetings did not challenge her in front of all these large congregations? Could it be they didn't because she could have exposed the whole horrible nightmare of the Catholic Church by open examination of the Convent's records under the legal right of discovery? Could it be the Catholic Church remained silent because there were more nuns in deathly conditions in other convents and a court case that might open all these up to police investigations was to be avoided at all cost? We do not know all the reasons why the Catholic Church decided not to debunk her testimony until after she is long dead. But we know this: The Catholic Church has been a deceptive and murdering institution ever since the Council of Nicaea in 325AD. The papacy has killed millions and there is no shame or no repentance. When the Jews forgive Hitler we will forgive the papacy and the Catholic Church. But then, we have no power to forgive the sins of Rome done against someone the members have killed.

Here's an excerpt from a modern day Roman cloistered nun (<http://www.passionistnuns.org/vocationstories/findinglove/>). This quote is supposed to make a convent sound good where is the Scripture of any of what they are teaching them?

Being a Passionist Nun: I had always desired to enter more deeply into the mystery of Jesus' love for us in **His sacred Passion**. Where better than a **Passionist Monastery** where one takes a vow to promote devotion to and grateful remembrance of the **Passion of Jesus**? Flowing out of this main vow we take four other vows: Chastity, Poverty, Obedience and Enclosure. Prayer, **penance, poverty, silence and solitude** are a very important part of our spirit handed down to us by our Holy Founder, St. Paul of the Cross. Also, a deep love for our Spouse, **Jesus in the Eucharist** [a cracker Romans call "Jesus"]; **devotion to our Immaculate Mother and fidelity to the Magisterium of the church** attracted me to this hidden way of life, where prayer knows no bounds.

This organization has gotten and is getting away with murder, torture, abuse, indoctrination of idol worship and worst of all blasphemy against Yahuah for centuries. We should not support in any way, any doctrine or with money that will help make this satanic organization prosper. Remember to them it's all about

death. Even in the above "promo", this monastery is all about "christ's passion", ie his death on the cross. That is not what Yahusha said to concentrate on!

There is so much more I could have provided but I think I have made the point. We are slipping down the slope into the open mouth of permanent extinction if we continue to allow this 'church' to influence our relationship with Yahuah. There is nothing Set-Apart to Yah! They have lead billions astray over time. We must extract ourselves from their form of worship of the dead and idols. Yahuah is about life and love and no fear. Isn't it clear there is a wide gulf between that and what they teach.
