We'd like to welcome you to our site YAH STRUCK, where we are introducing the YAH STRUCK series of books. Though they are fictional, they are based on Child Trafficking as well as real events that have happened, though they are disguised. The books have a supernatural aspect to them with the help and strong presence of our Heavenly Father and Creator YAH and a group of Covenant family members destined to take on the sheer evil itself - in all its forms. You will also find blogs and merchandise to help support us as we promote the Name and Authority of Yahuah in this world.

In the fashion of all Hebrew words YAH-STRUCK has two sides. Yahuah can strike us in Righteous Vengeance, or to wake us up and get us to turn back around to Him or the best, for us to be YAH-STRUCK in amazement of Loyal Love, kindness and sheer brilliance.

Gatekeeper of DC Society Sally Quinn Comes Out as Occultist, Used Hex to Kill People

By John Nolte, Breitbart.com, Sept 12, 2017
(AP Photo/Evan Agostini)

The latest revelation surrounds Sally Quinn, the surviving widow of Ben Bradlee, the **Washington Post's** powerful executive editor from 1968 to 1991, who then served as the paper's vice president until his death in 2014.

For nearly 50 years, the entire social and political world of DC revolved around this couple. Bradlee and Quinn were the New Camelot (his career took off in large part because of his friendship with John F. Kennedy), the Gatekeepers of who was in and who was out, the Elite Deciders among our Ruling Class with the extraordinary power of the Washington Post, and by extension the rest of the mainstream media, to abuse and weaponize their will against the rest of us.

We have just discovered that one of the primary movers and shakers of the last half-century is a practicing occultist, and...Nothing. Nobody cares. Worse still, our Ruling Class is now joking about Quinn putting a deadly hex on President Trump...Let's just say it out loud... The most powerful people in our country are either outright occultists, are comfortable with witchcraft and Satanism, or are moving and shaking among those who are.

Gatekeeper of DC Society Sally Quinn Comes Out as Occultist, Used Hex to Kill People

Whether or not you believe in the power of the occult, that does not matter. Also beside the point is whether or not the Podestas and Quinn and those calling to have Trump hexed believe.

What we do know is that these people have completely rejected any notion of a loving Eternal, and moved towards darkness.

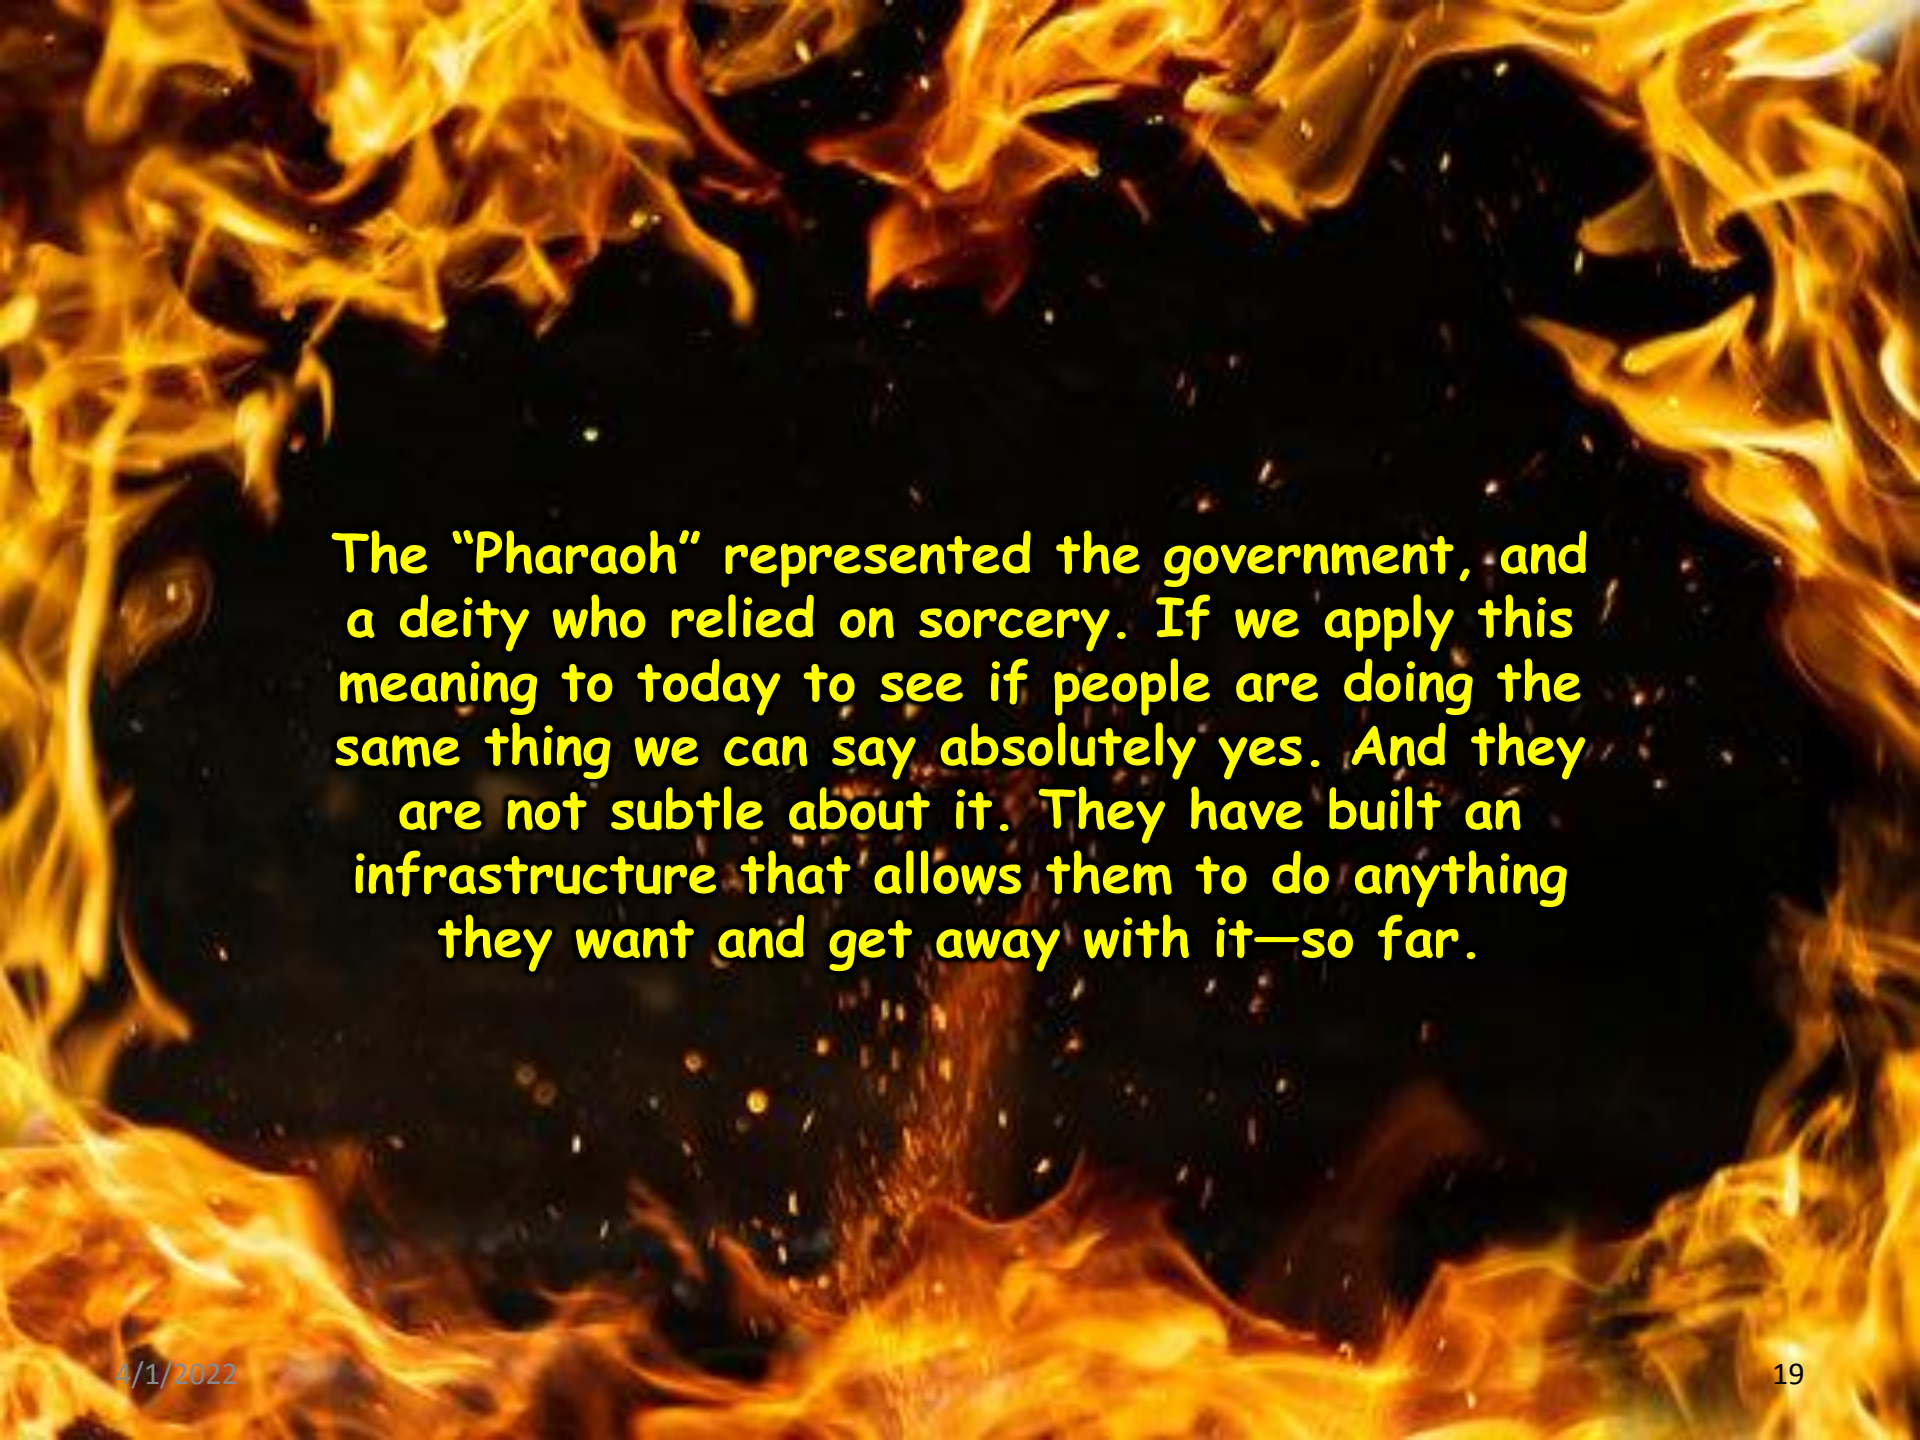

Furthermore, we also know that this darkness is not about consenting adults behaving badly amongst themselves. Rather, this is about them attempting to harness a power to control others, to manipulate events to their will, to hurt or outright kill those who offend or insult them.

As I said, this explains so, so much. Especially the fact that everyone is shrugging over the disturbing news, as though it is not news, as though it is normal, or at least as though it should be normal.

30:2

**Who walks and goes down to Egypt,
but they do not ask or inquire of My
mouth or seek My communication, to
take refuge and seek safety in the
protection of Pharaoh and to take
refuge and seek safety in the shadow
of Egypt.**

The background of the slide is a close-up, high-contrast photograph of a fire. A ring of bright orange and yellow flames surrounds a central point where a stream of fire falls, creating a shower of sparks and embers. The overall effect is one of intense heat and energy.

The “Pharaoh” represented the government, and a deity who relied on sorcery. If we apply this meaning to today to see if people are doing the same thing we can say absolutely yes. And they are not subtle about it. They have built an infrastructure that allows them to do anything they want and get away with it—so far.

1,400 investigated in child sex abuse inquiry, including politicians

Sandra Laville :: 5/20/2015

This article is more than 6 years old

This article is more than 6 years old

Officer leading Operation Hydrant inquiry says out of 1,433 alleged offenders 76 were politicians, 43 were from music industry and 135 were from TV, film or radio

Of these 216 are dead,

Clockwise from top left: Fred Talbot, Gary Glitter, Jimmy Savile, Rolf Harris, Stuart Hall, Max Clifford

Authorities warned that the number of victims could run into the hundreds of thousands, and called for much more support for survivors of child abuse. He said he believed that the enormous increase in reports of all types of child sexual abuse – which have risen by 71% since 2012 to 116,000 reports this year – was not just down to more victims coming forward.

During the investigation of the late Radio 1 DJ it emerged that intelligence and information, including reports of abuse, were buried in the system – in some cases to prevent leaks – which meant when individual police forces with their own allegations checked the national police computer database his name did not come up.

Tom Watson, the Labour MP whose **claims made in the Commons that there was a paedophile network linked to parliament triggered a Scotland Yard investigation**, said: “The sheer number of allegations just shows why there should be a dedicated national police response **to child abuse inquiries**. Intelligence gathering and data sharing will be far easier were there to be a dedicated team comprising of specialists from around the country.

“**We are only just beginning to understand how as a country, over many generations, we managed to turn a blind eye to Britain’s child abuse scandal.** The survivors deserve justice and future generations require greater protection.”

Gabrielle Shaw, chief executive of the National Association for People Abused in Childhood (Napac), said: **“And what a measure it is; prolific offenders from all spheres of society, thinking they were untouchable, abusing children and the most vulnerable in settings where they should have been safest , including schools, care facilities and religious institutions.”**

5) Dark Horse - Katy Perry feat. Juicy J (2014)

Set "a crazy long time ago" in Memphis, Egypt, the video shows several pharaohs trying to impress Queen Katy Pätra (a spin-off on Cleopatra) by getting her expensive gifts.

Throughout 2017, we have witnessed an explosion in the use of one-eye symbolism throughout Western art, television, photography, music and culture. **The meaning is always the same: the Illuminati is everywhere, is taking over the planet, and has its all-seeing-eye fixated on YOU, the programmed and conditioned public. The agenda, as in all these cases, is to process the Group Mind into an acceptance of control by this all-powerful elite which now runs our planet.**

The term Oscar also dates back to the Egyptian god Osiris who ruled over the underworld in the constellation Orion.

According to pyramid text, the Pharaoh's soul would ascend into Orion to be reborn as a ?STAR? to live for an eternity, but there was a catch. The Pharaoh's soul would have to transform into a spirit to reach Osiris. Once the spirit reached the Osiris, it was immortalized and remembered forever. **I find it a fascinating parallel that a person has to become an ACTOR (transforming your spirit into another) to win an Oscar. These stars are then immortalized by placing their names in a stone star on the Hollywood walk of fame.**

Nicole Kidman: "Stanley Kubrick Told Me The World Is Run By Pedophiles Just Before He Died"

Stanley Kubrick's last film before he died was *Eyes Wide Shut* (1999), starring Nicole Kidman and Tom Cruise. In the film, the main characters infiltrate an Illuminati sex cult employing dark magic and ritualistic sex orgies. The film was an attempt to reveal in fictional form what Kubrick had learned really goes on behind the guarded doors of the world's super-elites. Years later, following Kubrick's death, Kidman came forward to reveal what Kubrick had disclosed to her in private: "the world is run by pedophiles". With access to unlimited power and money, and with well-established networks infiltrating law enforcement agencies ensuring immunity

from prosecution, the world's elites are now bonded together by the dark secrets they hold. And once you're in "the club", there is no way out - except death.

Kubrick's intended next film, which he had already started on, was to be about psychopathic pedophiles, taking us further down the rabbit hole of the secret world of power elites first begun with *Eyes Wide Shut*.

The 1999 film, starring Kidman and her then husband Tom Cruise, was Stanley Kubrick's last outing as director before his death the same year. Many people believe Kubrick gave away too many secrets in the film about secret societies and the global elite, and it may have cost him his life.

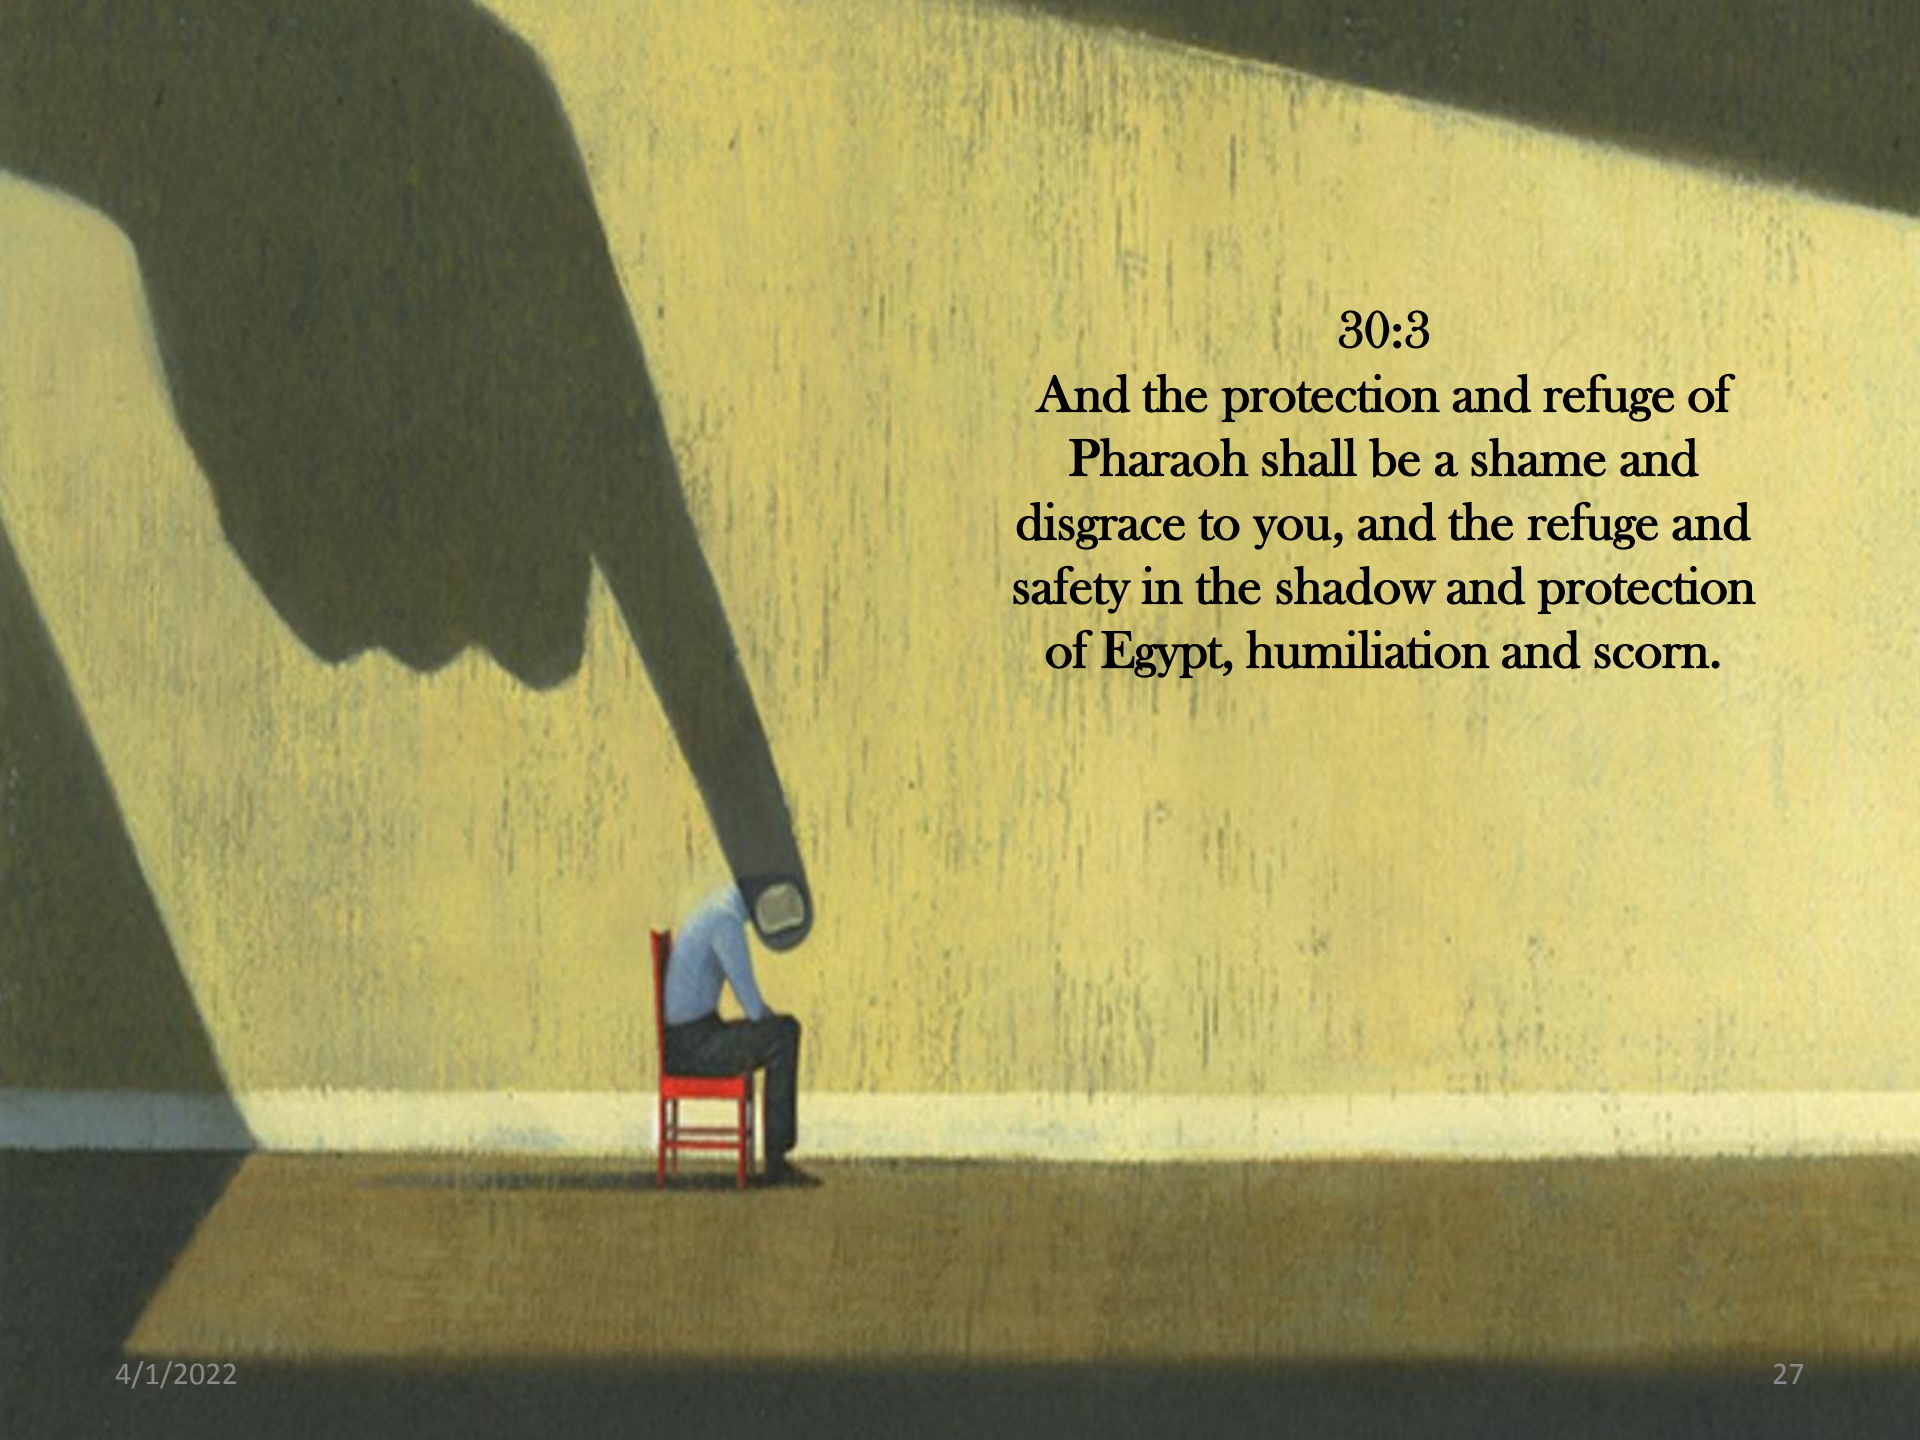

Asked if Kubrick's knowledge of secret societies and their darkest secrets had anything to do with his death, Kidman raised an eyebrow and said "That's not a question I can answer here."

"Though maybe I could. None of you in the media would be allowed to print it, would you? The men who own your companies wouldn't allow it to get out," Kidman said.

4/1/2022

"Stanley told me the world is run by pedophiles," Nicole Kidman said while promoting HBO's *Big Little Lies*, in Los Angeles. "He studied secret societies his whole life, he was fascinated by them, and he said the elite, the top secret societies, they are full of men with a certain predilection. They are tied together, sort of bonded, by pedophilia.

"They all know each other's dark secrets. There is no way out for any of them. It's a lifetime bond. Even if one of them wanted to go straight, repent, so to speak, he can't. His peers will bring him down. They are in it until death, driving the world to ruin. That's kind of how Stanley explained it but it was all very complex. I'm probably not doing it justice."

Celebrities shamed for partying while Whitney Houston's body was still in building

By Post Staff Report

LOS ANGELES — It was business as usual less than three hours after the sudden death of pop icon Whitney Houston at the Beverly Hilton Hotel Saturday, as hundreds of high-profile celebrities partied away at the annual Clive Davis Grammy party.

But in a suite just four floors above, police were conducting an investigation into the death of the Grammy-winning singer.

The Egyptian Statue

When they showed films on Whitney's death, I did notice an Egyptian statue, but Whitney was a star in Hollywood. You are going to see the Egyptian, and it's image in Hollywood. It is a place that seems to believe in Egypt. The pyramid is there.

The singer was 48 years old when she died on Feb. 11, 2012

Bobbi Kristina RIP

Bobbi Kristina's death was mysterious from the beginning. **She always thought she would die just like her famous mother, Whitney Houston--- and she did --- by drowning and drug overdose.** The mystery deepens when the realization comes that Bobbi Kristina's death by drowning was on January 31, the eve of IMBOLC, the ancient Pagan Holiday of Fire and Lamb's Milk. IMBOLC means "in the belly". ****Tombstone reads 7-26-2015.**

After her drowning Bobbi Kristina was "in the belly" of the UNDERWORLD where she then remained in a coma for 6 months. (PLUTO-RITUAL) After six months in the Underworld she finally rose from her earthly tomb to higher realms-- Her release from her fleshly tomb was over the ancient Pagan Holy day of LAMMAS --- known as the Feast of the First Fruits...Her body of flesh was laid to rest on August 3, today. Note that the God of the Underworld is PLUTO. Pluto's love interest was Persophone-- he would keep her captive in the Underworld for "6 months" each year before releasing her to HER MOTHER. (NASA just flew by the Planet Pluto.)

Her Death was on IMBOLC January 31 - then she spent 6 months in the Underworld/Coma- (like Persophone, Pluto's Bride) Her Burial was on LAMMAS August 3- Bobbi Kristina was buried in New Jersey today with the Energetics of Egyptian Royalty.

Bobbi Kristina's Funeral was like being at an Egyptian Temple.

There were Egyptian Sarcophagi guarding the entrances as well as many other Egyptian artifacts and statues present during the ceremony.

The body of Bobbi Kristina Brown leaves Whigham Funeral Home following a funeral service on August 3, 2015 in Newark, New Jersey. Bobbi Kristina Brown, daughter of Whitney Houston and Bobby Brown, was reportedly found unconscious in her bathtub on January 31, 2015.

Bobbi Kristina's Funeral was like being at an Egyptian Temple. Her mortician is a student of EGYPTIAN EMBALMING and her mortician is a Member of the Freemasonic Eastern Star..... Her mortician's father and founder of the Funeral home was the Master of Masonic Lodge #33. She was laid to rest like an Egyptian Princess.

30:6

An oracle or pronouncement of the animals of Negev: Through the land of trouble, anguish and distress and oppression, of lioness and lion, among them snake and flying serpent causing great trouble and dire consequences; they carry their wealth on the backs of male donkeys and their treasures on the humps of camels, to a people that cannot profit or find value from them.

Bill Gates and WHO: Hands off Africa

For Bill Gates and his foundation, this seems to be a great opportunity for his continued population control rhetoric he has pushed since centuries ago. His interest is to have a Corona Virus Vaccines tested on Africa as he stages them (vaccines) as the only solution to the pandemic.

Bill Gates has made the African population an agenda for him since ages ago. He has had a very particular concern about the apparently "high population" that Africa has. To him, the Africa population needed to go down. Recently, he delivered a stark warning on population growth in Africa saying if left unchecked it could unravel decades of progress and fuel instability across the globe

In 2018 Bill and Melinda Gates were also quoted lamenting that the progress toward reducing poverty is threatened by the presence of too many poor people, particularly in sub-Saharan Africa. Melinda Gates told the Washington Post she is frustrated with the Trump administration's decision to cut funding for international "reproductive-rights projects," (READ ABORTION) calling it "incredibly disappointing."

Bill and Melinda Gates have been pushing for "small families" and contraception in Africa. They have invested a lot of finances towards reducing her population. Also in their areas of investment is in vaccines which specifically target Africa.

Vaccines have been used to target African nations especially on fertility issues. In 2014 Kenyan Catholic doctors discovered that a nationally launched Tetanus vaccine was laced with HCG which could induce abortions on pregnant women and also subject targets to infertility.

Three independent Nairobi accredited biochemistry laboratories tested samples from vials of the WHO tetanus vaccine being used in March 2014 and found hCG where none should be present. In October 2014, 6 additional vials were obtained by Catholic doctors and were tested in 6 accredited laboratories. Again, hCG was found in half the samples.

A recent expose has confirmed that the leaders of WHO are committed to legalizing abortion. For example, the current Director-General, Tedros Adhanom Ghebreyesus, led a successful effort to legalize abortion across Ethiopia when he was that country's health minister from 2005 to 2012. It was reported that "Efforts to introduce and scale-up safe legal abortion were spearheaded by the Ethiopian Ministry of Health—led by then-Minister Tedros—with contributions from several international NGOs, including Ipas." (It should be noted that Ipas is the manufacturer of "EasyGrip," the handheld abortion suction device.)

While everyone is worried about the impact of the COVID -19 pandemic, it is even more worrying to see the focus on having Africa get the pilot testing of a possible vaccine. Africans are being treated and viewed as test objects without human dignity. This has emboldened medics from France and the UK who think a trial test should be done on Africa

Summary of Terrorism Threat to the U.S. Homeland

The United States remains in a heightened threat environment fueled by several factors, including an online environment filled with false or misleading narratives and conspiracy theories, and other forms of [mis-dis- and mal-information](#) (MDM) introduced and/or amplified by foreign and domestic threat actors. These threat actors seek to exacerbate societal friction to sow discord and undermine public trust in government institutions to encourage unrest, which could potentially inspire acts of violence. Mass casualty attacks and other acts of targeted violence conducted by lone offenders and small groups acting in furtherance of ideological beliefs and/or personal grievances pose an ongoing threat to the nation. While the conditions underlying the heightened threat landscape have not significantly changed over the last year, the convergence of the following factors has increased the volatility, unpredictability, and complexity of the threat environment: **(1)** the proliferation of false or misleading narratives, which sow discord or undermine public trust in U.S. government institutions; **(2)** continued calls for violence directed at U.S. critical infrastructure; soft targets and mass gatherings; faith-based institutions, such as churches, synagogues, and mosques; institutions of higher education; racial and religious minorities; government facilities and personnel, including law enforcement and the military; the media; and perceived ideological opponents; and **(3)** calls by foreign terrorist organizations for attacks on the United States based on recent events.

Additional Details

The primary terrorism-related threat to the United States continues to stem from lone offenders or small cells of individuals who are motivated by a range of foreign and/or domestic grievances often cultivated through the consumption of certain online content. The convergence of violent extremist ideologies, false or misleading narratives, and conspiracy theories have and will continue to contribute to a heightened threat of violence in the United States.

- For example, there is widespread online proliferation of false or misleading narratives regarding unsubstantiated widespread election fraud and COVID-19. Grievances associated with these themes inspired violent extremist attacks during 2021.

COVID-19 mitigation measures—particularly COVID-19 vaccine and mask mandates—have been used by domestic violent extremists to justify violence since 2020 and could continue to inspire these extremists to target government, healthcare, and academic institutions that they associate with those measures.

- Domestic violent extremists have also viewed attacks against U.S. critical infrastructure as a means to create chaos and advance ideological goals, and have recently aspired to disrupt U.S. electric and communications critical infrastructure, including by spreading false or misleading narratives about 5G cellular technology.

“They [Generation Z] tend to support gay marriage and transgender rights as part of everyday life. It would be rare for a Z to not have a close friend from the LGBT community. Because of this sociability, the thin line between friendship and condoning behavior begins to blur and to be difficult to draw.”

The hospital payments include:

- A "free" required PCR test in the Emergency Room or upon admission for every patient, with government-paid fee to hospital.
- Added bonus payment for each positive COVID-19 diagnosis.
- Another bonus for a COVID-19 admission to the hospital.
- A 20 percent "boost" bonus payment from Medicare on the entire hospital bill for use of remdesivir instead of medicines such as Ivermectin.
- Another and larger bonus payment to the hospital if a COVID-19 patient is mechanically ventilated.
- More money to the hospital if cause of death is listed as COVID-19, even if patient did not die directly of COVID-19.
- A COVID-19 diagnosis also provides extra payments to coroners.

CMS implemented "value-based" payment programs that track data such as how many workers at a healthcare facility receive a COVID-19 vaccine. Now we see why many hospitals implemented COVID-19 vaccine mandates. They are paid more.

Putin Threatens to Release Satellite Evidence of 9/11, Russia is preparing the release of evidence of the involvement of the US government and intelligence services in the September 11 attacks. The list of evidence includes satellite images. Putin has threatened to release this evidence in the past in 2015 and 2016, and it looks like this time he means it.

Putin claims to have satellite images and other materials that can prove the US government involvement in the 9/11 attacks and the successful manipulation of public opinion. The attack was planned by the US government, but exercised using her proxy, so that an attack on America and the people of the United States looked like an act of aggression by international terrorist organizations.

The motive for deception and murder of its own citizens served US oil interests and the Middle East state corporations. The deep state is losing their propaganda war as more and more truth comes to light. Many deep state players have already been exposed and removed. The only way they can win their war against Trump is to get rid of about a hundred million Americans who support and voted for him. And trust me, they are trying.

30:23

And He will give rain for your seed with which you sow the ground, and grain, the produce of the ground, and it will be rich and fertile. On that day, your cattle will graze in broad pastures.

On that day, your cattle will graze in broad pastures, the ground, and it will be rich and fertile. On that day you will sow the ground, and grain, the produce of the ground, and it will be rich and fertile. And He will give rain for your seed with which you sow the ground, and grain, the produce of the ground, and it will be rich and fertile.

30:24

And the oxen and the donkeys that till the ground will eat fodder, sorrel that has been winnowed with shovel and pitchfork.

30:25
And there will be
streams on every
high mountain and
elevated hill,
watercourses of
water, on a day of
reconciliation and a
great slaughter,
when towers fall.

30:26

And the light (guidance and enlightened judgement) of the full moon will be like the light (guidance and enlightened judgement) of sun, the light (guidance and enlightened judgement) of the sun will be sevenfold, like the light (guidance and judgement) of seven (which involves time and space) days, on the day of reconciliation when Yahuah binds up and bandages the breakage and wounds of His people, and He heals (yiqtol) the wound of His blow, hardships and afflictions.

30:27

Look and behold! The name, reputation and authority of Yahuah comes from afar, burning and consumed with His anger and wrath and heaviness and thick mass of cloud and burden of distress. His lips are full of indignation and anger, and His tongue, speaking words is like a devouring and all consuming fire.

A misty, blue-toned landscape with evergreen trees and a small cabin in the distance. The scene is hazy and atmospheric, with a soft, ethereal light. The trees are dark against the lighter mist, and the cabin is a small, dark structure nestled among them.

30:28

And His breath and spirit like an overflowing and engulfing river; it reaches up to divide the neck and its control and to shake the nations (peoples) with the sieve of chaff, impurities and worthlessness and falsity; and a bridle that leads astray on the jawbones of the peoples.

30:29

You will have a song as in the night when a set-apart festival is kept, and a gladness of heart like one who goes with the flute not looking at the deeds of Yahuah, to go to the mountain of Yahuah, to the Rock of Yahsharal.

GRATITUDE

30:30

Then Yahuah will cause and allow the majesty and splendor of His voice to be heard, and He will cause and allow the descent of His arm to be seen, in furious rage and anger and a flame of devouring and consuming fire, with a cloudburst and a rainstorm and stones of hail.

30:31

Indeed, Assyria will be shattered and filled
with terror by the voice of Yahuah; He
strikes (yiqtol) and destroys with the rod of
punishment.

30:32

And every stroke and blow of the staff of foundation that Yahuah lays will be on it with
4/1/2022 timbrels and lyres, and He will fight against it with battles brandishing. 80

30:33

For Topheth (Valley of Ben Hinnom-the place of defilement and death) has been prepared and put in order from yesterday; indeed, it is made ready for the king/leader. He makes its pile of wood deep and wide; he makes fire and wood abundant. The breath and anger of Yahuah burns in it like a stream of sulfur and brimstone.

The comfort Yahuah provides in His word is not us watching as a spectator in the colosseum as He destroys all the evil in the world. Those who are destroyed and forever taken out of the presence of Yahuah and His family have done this to themselves by their own freewill. They are forcing Yahuah to do this, it was not His first choice. This is not a joyous occasion for Him nor should it be for us. It is a necessary cleansing of leaven.

The most comfort that Isaiah 30 brings is the continual pattern of the original Passover event. Credible warnings are given as to what to expect if there is continued rebellion against Yahuah. Lo-shema playing the part of the Pharaoh, will end up in the abyss- not a watery grave, but in a interdimensional prison of darkness. Lo-shema is void of the light of the truth, so it is a fitting and ironic ending for her. She has continually tried to enslave the people with lies, tyranny, propaganda, and a promise of eternal life that for some in her higher ranks will be one of eternal suffering. Truth mixed in with the harsh reality. What she says and what people hear are not the same. Her mission is only to destroy humankind. Not to provide a eternity of the "summer of love" where "do what thou wilt is the whole of the law". Words matter. Shamar- Be On Guard. Shama- Listen with the knowledge there is an expectation that a response from us is required.
