

A dramatic scene of Noah's Ark with animals on the roof and a storm brewing. The ark is a large wooden structure with a ramp on the right side. On the roof, there is an elephant, a giraffe, and several birds. The sky is dark and stormy, with rain falling. The overall tone is urgent and warning.

**DON'T BEG ANYONE  
TO GET ON THE ARK.**

**JUST KEEP BUILDING AND  
LET EVERYONE KNOW THE  
RAIN IS COMING.**

Chokmah is Hebrew for wisdom and all praise to Yahuah for leading us in our quest for that. [Read more](#)

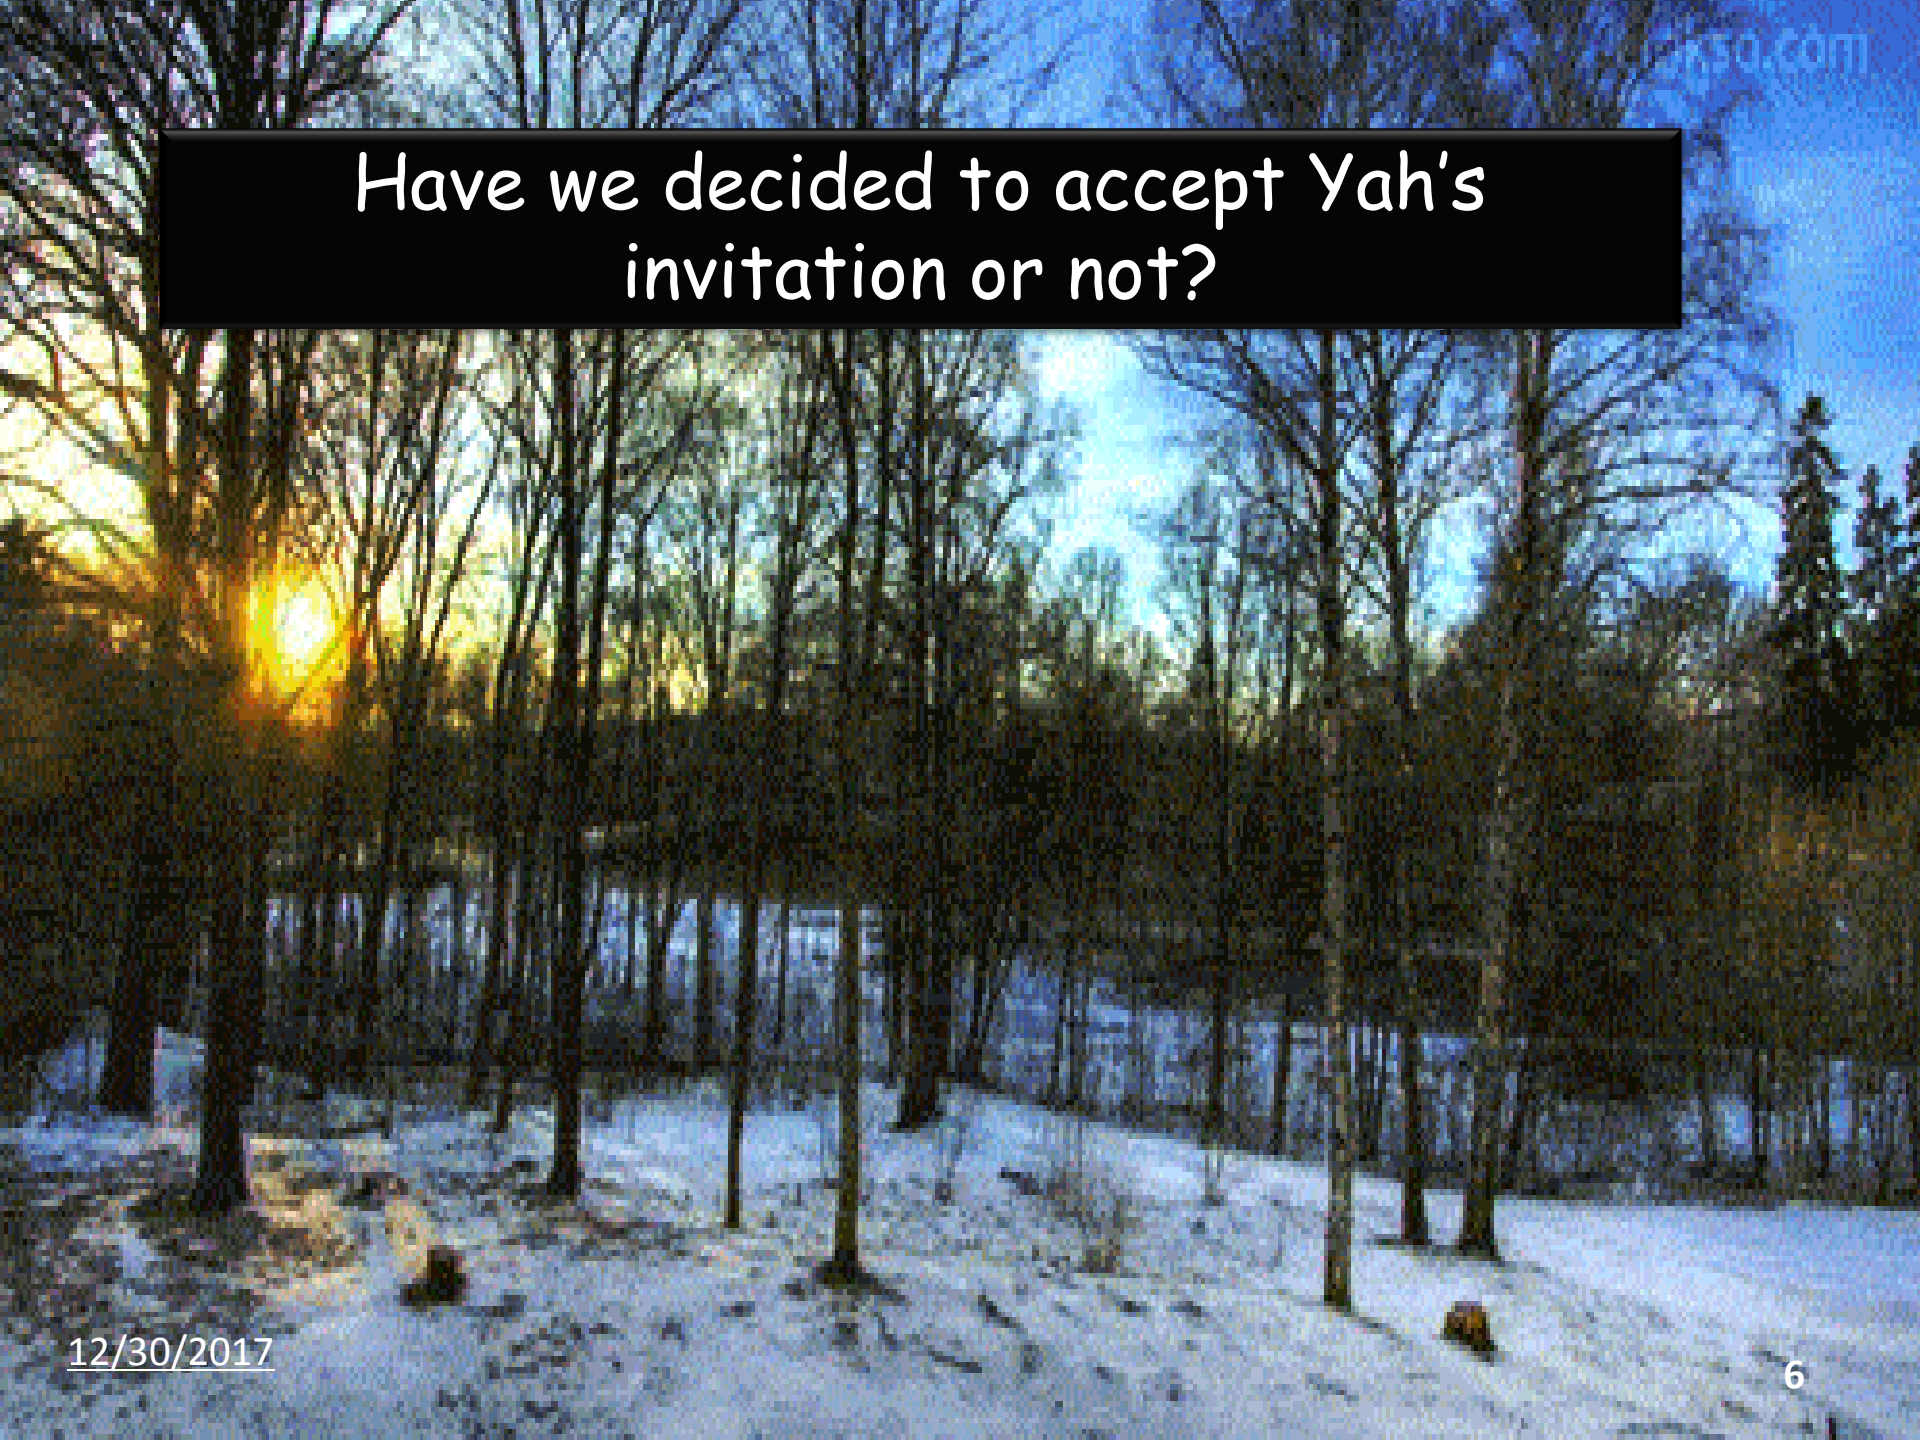

As we stop and reflect during the time of Pesach-Passover, Matzsa - Unleavened Bread and Bakurim -First Fruits 2018 we thought going through a check list of questions, that these events might spur within us, to look at during this time.

# Part one Passover

Point: 1. Lessons learned from the Exodus

Have we decided to accept Yah's invitation or not?

Thou hast the words of  
eternal life.

[John 6:68]

Are we prepared to listen to Yah's instructions and execute them  
to fullest of our abilities?

Are we prepared to be responsible for knowing what the instructions are?

Do we harden our hearts like Pharoah? Are our necks still stiff?

Are we prepared to be responsible for knowing what the instructions are?

Are we prepared to learn from the consequences of being outside the covenant and quickly get back on the path through repentance and a change of direction?

Are we prepared to leave our comfort zones behind?

A person is shown from the chest up, wearing a dark, textured garment. They are holding an open Bible with both hands, and the pages are visible. The background is a blurred, textured surface, possibly a wall or a large piece of fabric. Overlaid on the image is the text of Psalm 119:11 in a large, white, serif font.

I HAVE  
STORED UP  
YOUR WORD  
IN MY  
HEART, THAT  
I MIGHT  
NOT SIN  
AGAINST YOU.

*Psalm 119:11*

Are we prepared to examine the gods of rock, wood and circuit boards we still put in front of Yahuah and put them in the proper place?

I finally realized it. People are **prisoners** of their phones, that's why they are called **cell** phones.

Spirit Science

What does "with all our heart and all our might mean"? Are we all in?

What more do we need Yahuah to do to prove that He is who He says He is and is trustworthy?

Why do we need Him to still prove  
Himself to us?

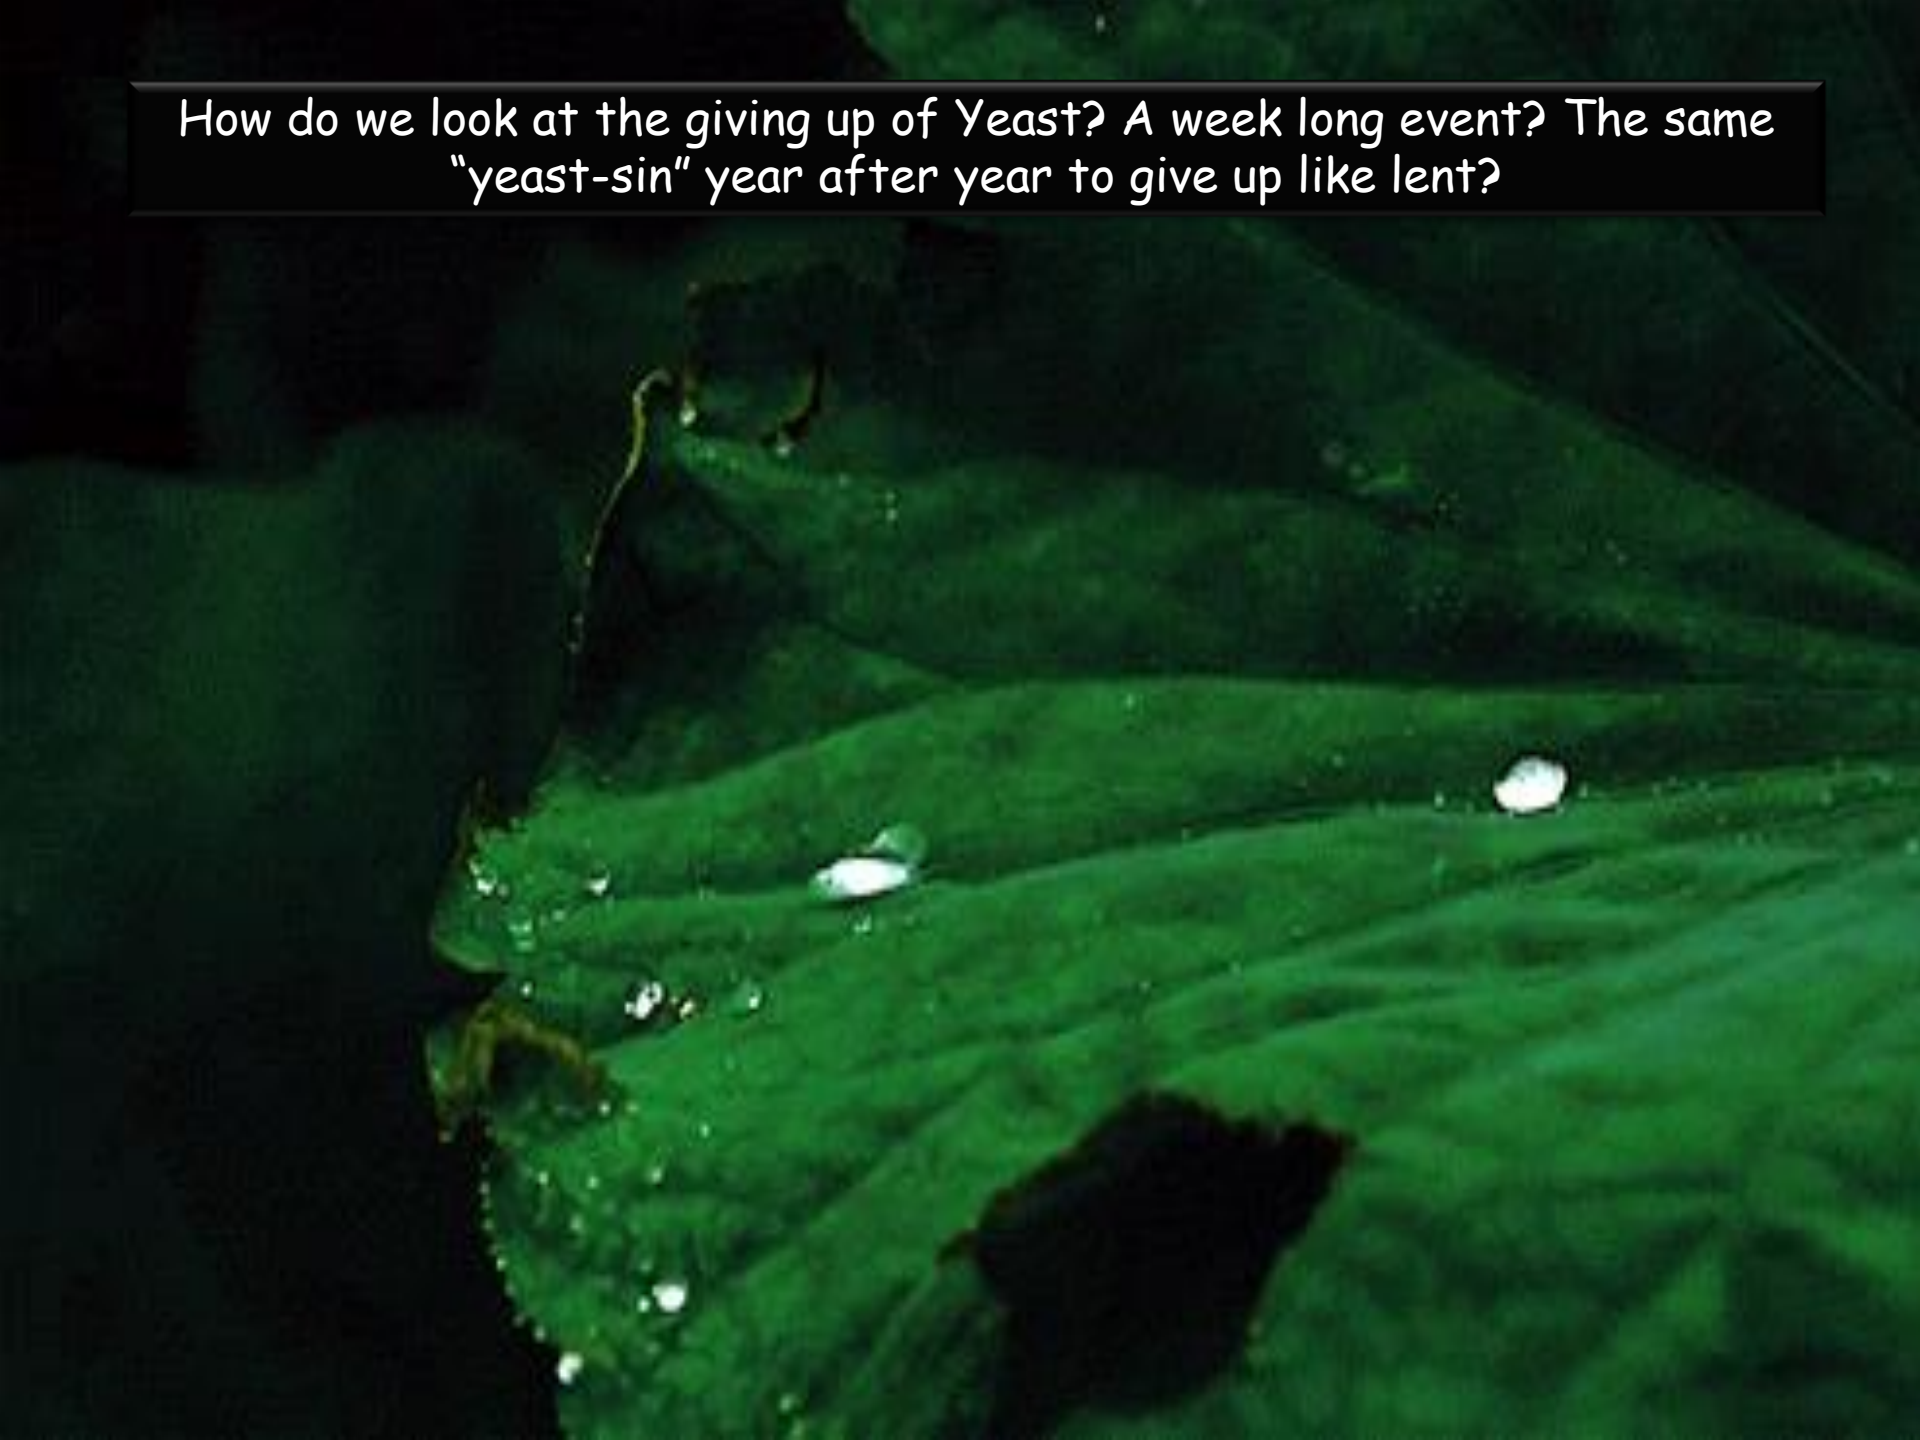

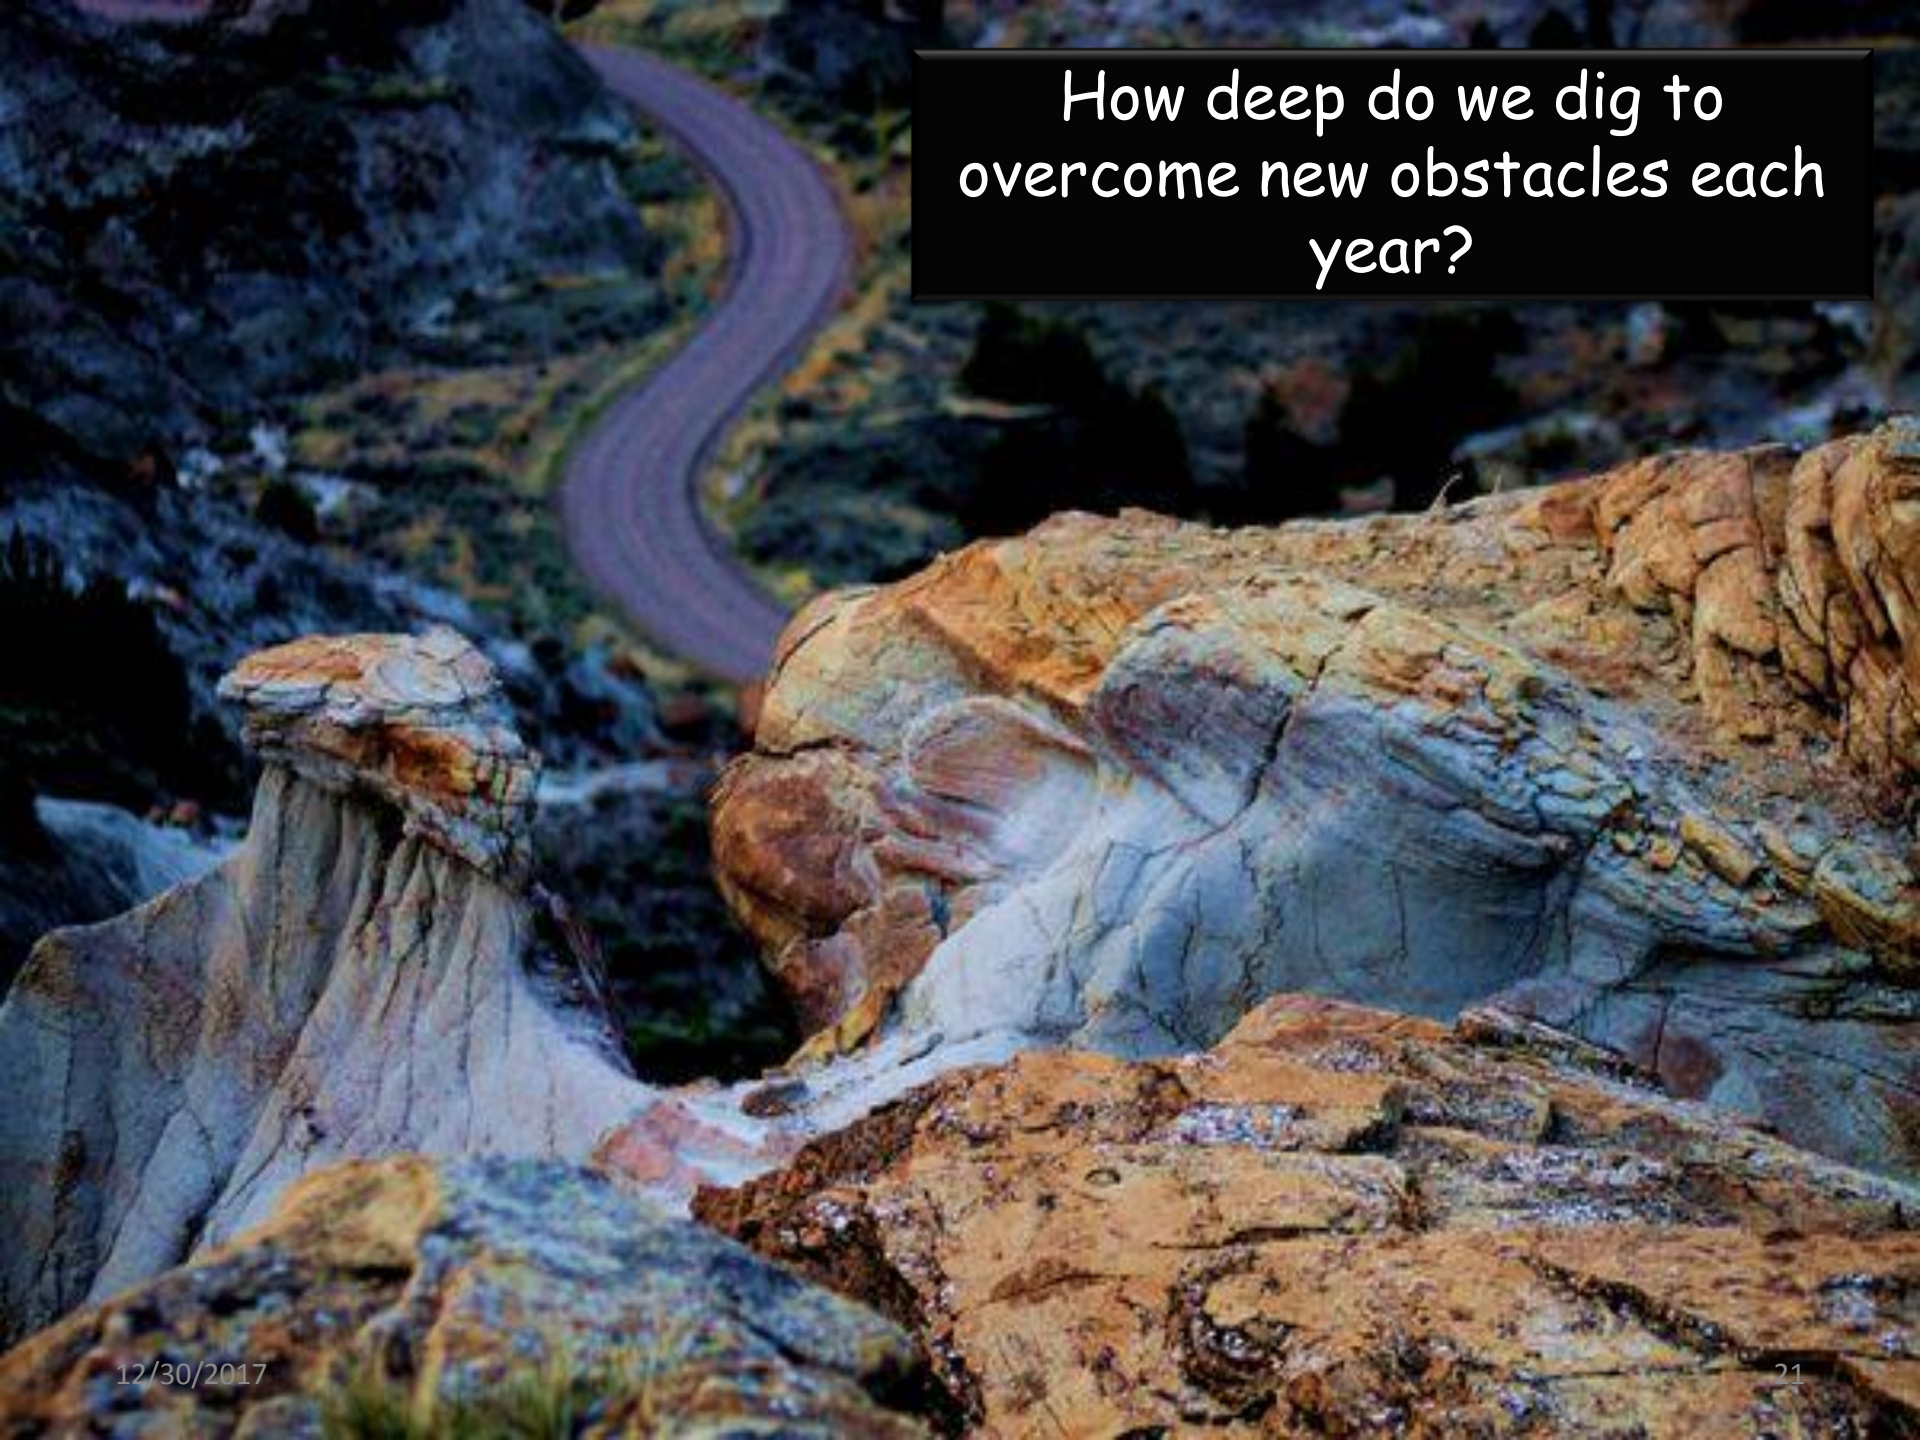

What does trusting Yahuah  
look like in our lives?

# Point 2 Lessons from Unleavened bread

How do we look at the giving up of Yeast? A week long event? The same "yeast-sin" year after year to give up like lent?

How deep do we dig to  
overcome new obstacles each  
year?

How well are we maintaining our cleansing of  
past yeast?

What has been the benefit of these cleansings?

I wasn't forced to follow  
יהוה (YAHUAH), I decided.

I don't worship to hear  
my voice, I worship  
because He deserves it. I  
don't read His Word  
because it's a story, I  
read it because it's TRUE.

I LOVE יהוה

and I won't deny it to  
anyone, for any  
reason.

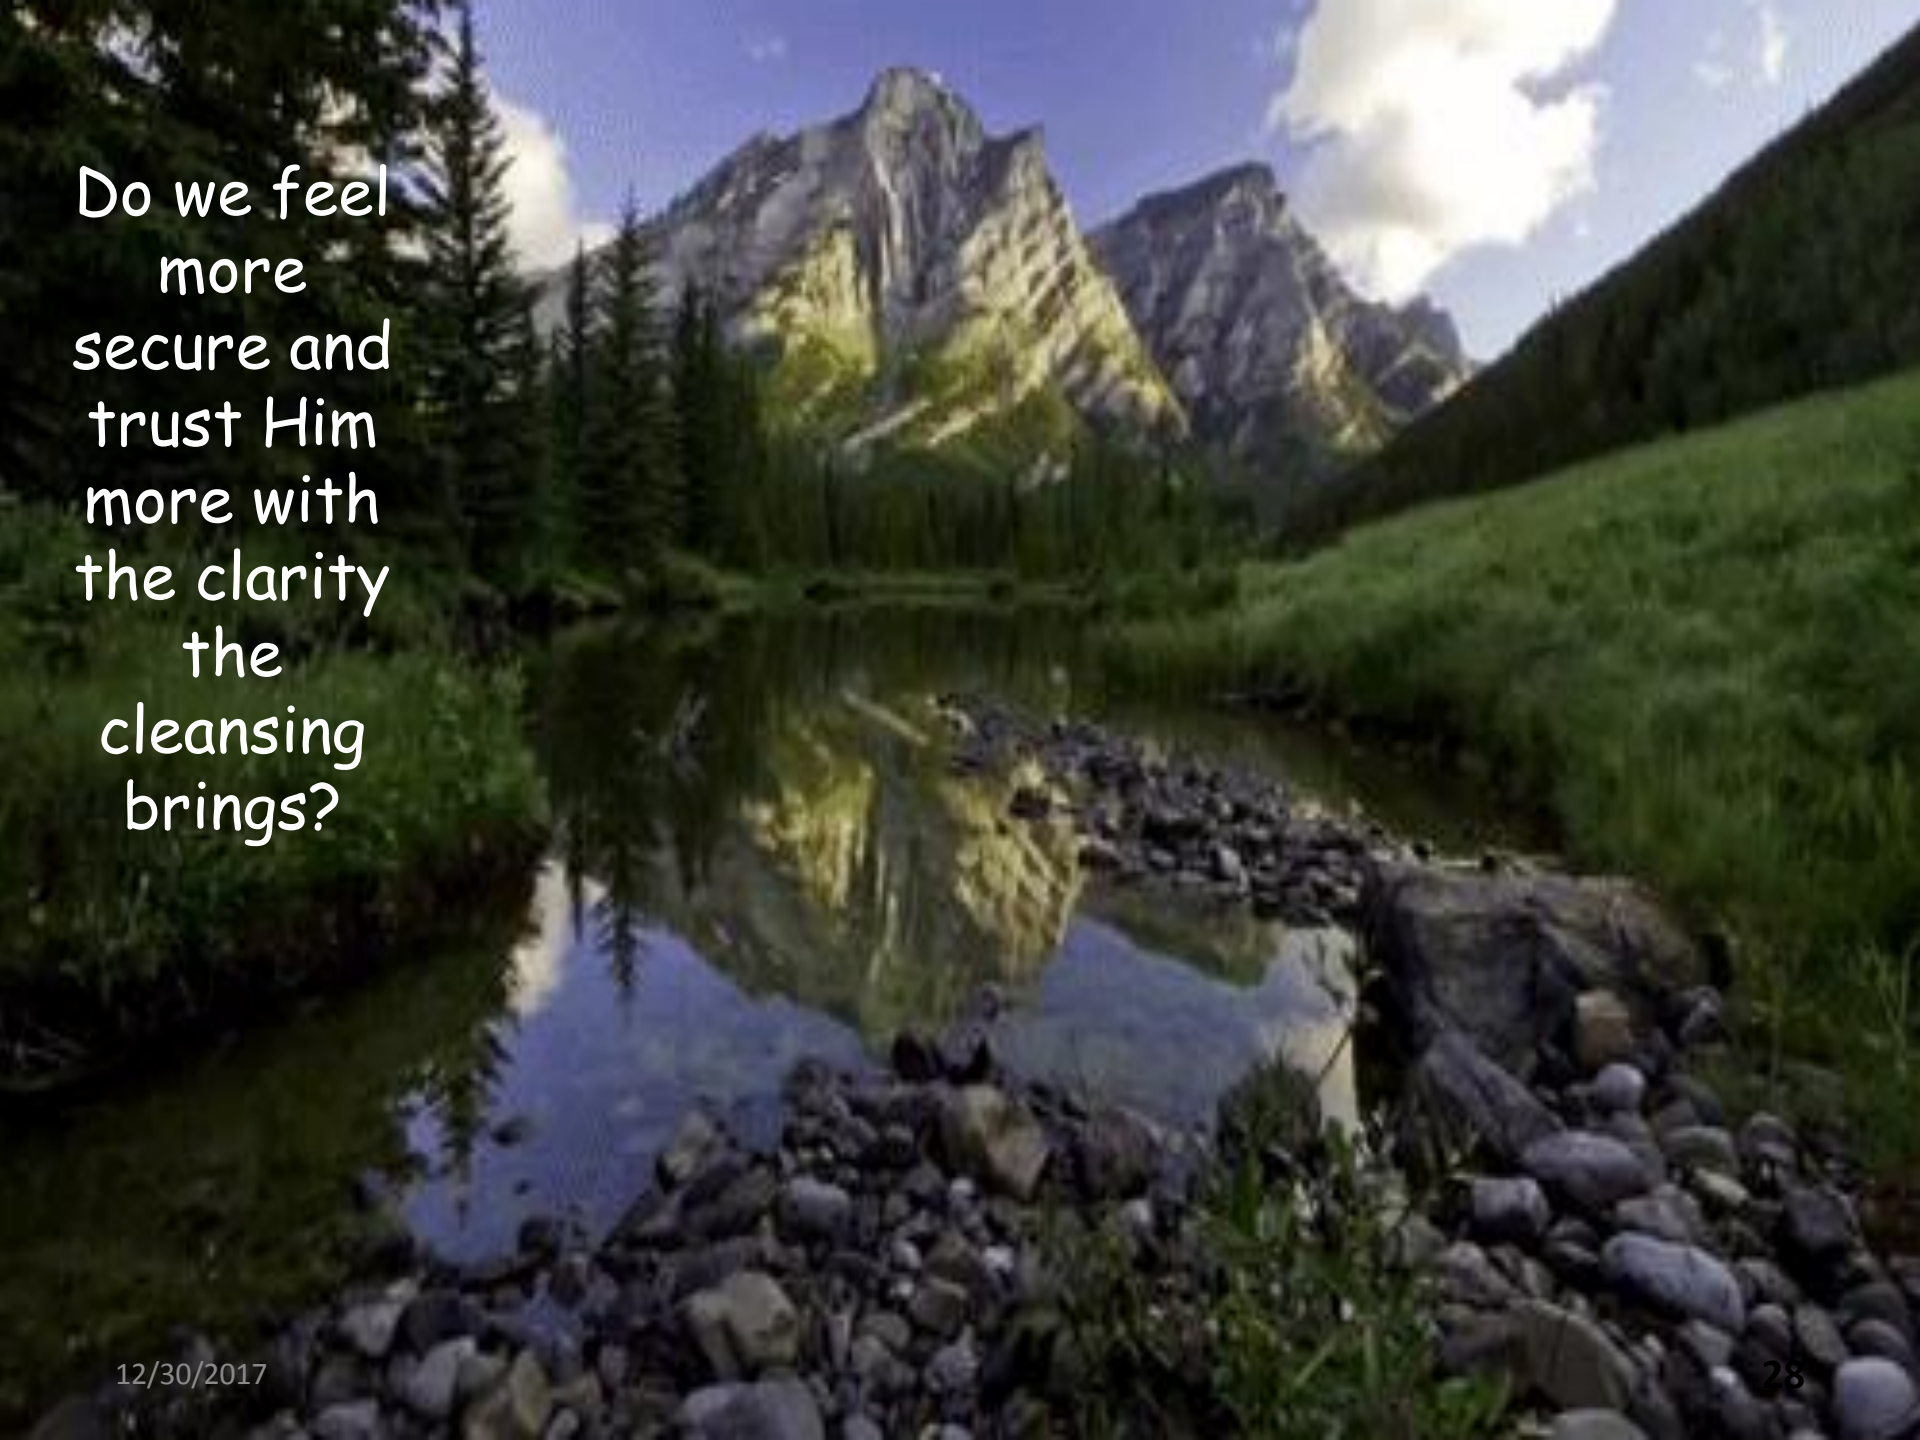

What has been the hardest thing to overcome to start  
cleansing?

Are we basing our cleansing on Torah principles?

**Do we feel closer to  
Yahuah by doing these  
cleansings?**

Do we feel  
more  
secure and  
trust Him  
more with  
the clarity  
the  
cleansing  
brings?

A close-up photograph of a field of purple flowers, possibly crocuses, with their stems and buds visible against a background of brown mulch. The text "Does it become easier the more we do this?" is overlaid in yellow with a black outline.

**Does it become easier the more we do this?**

Do we have a better understanding of  
Yahusha's love for us by doing these  
cleansings?

# Point 3 Lessons learned from First Fruits

The trials by fire can be scary

The trials by fire will not last forever

WHOEVER DRINKS OF THE WATER  
THAT I WILL GIVE HIM SHALL NEVER THIRST

12/30/2017

*John 4:14*

Do we trust that  
Yahuah is overseeing  
each and every trial,  
not giving us more  
than we can take?

Are we setting our lives apart and presenting ourselves as the best of the harvest we have ever been each year to Yahuah?  
This should be a joyous celebration and our goal.

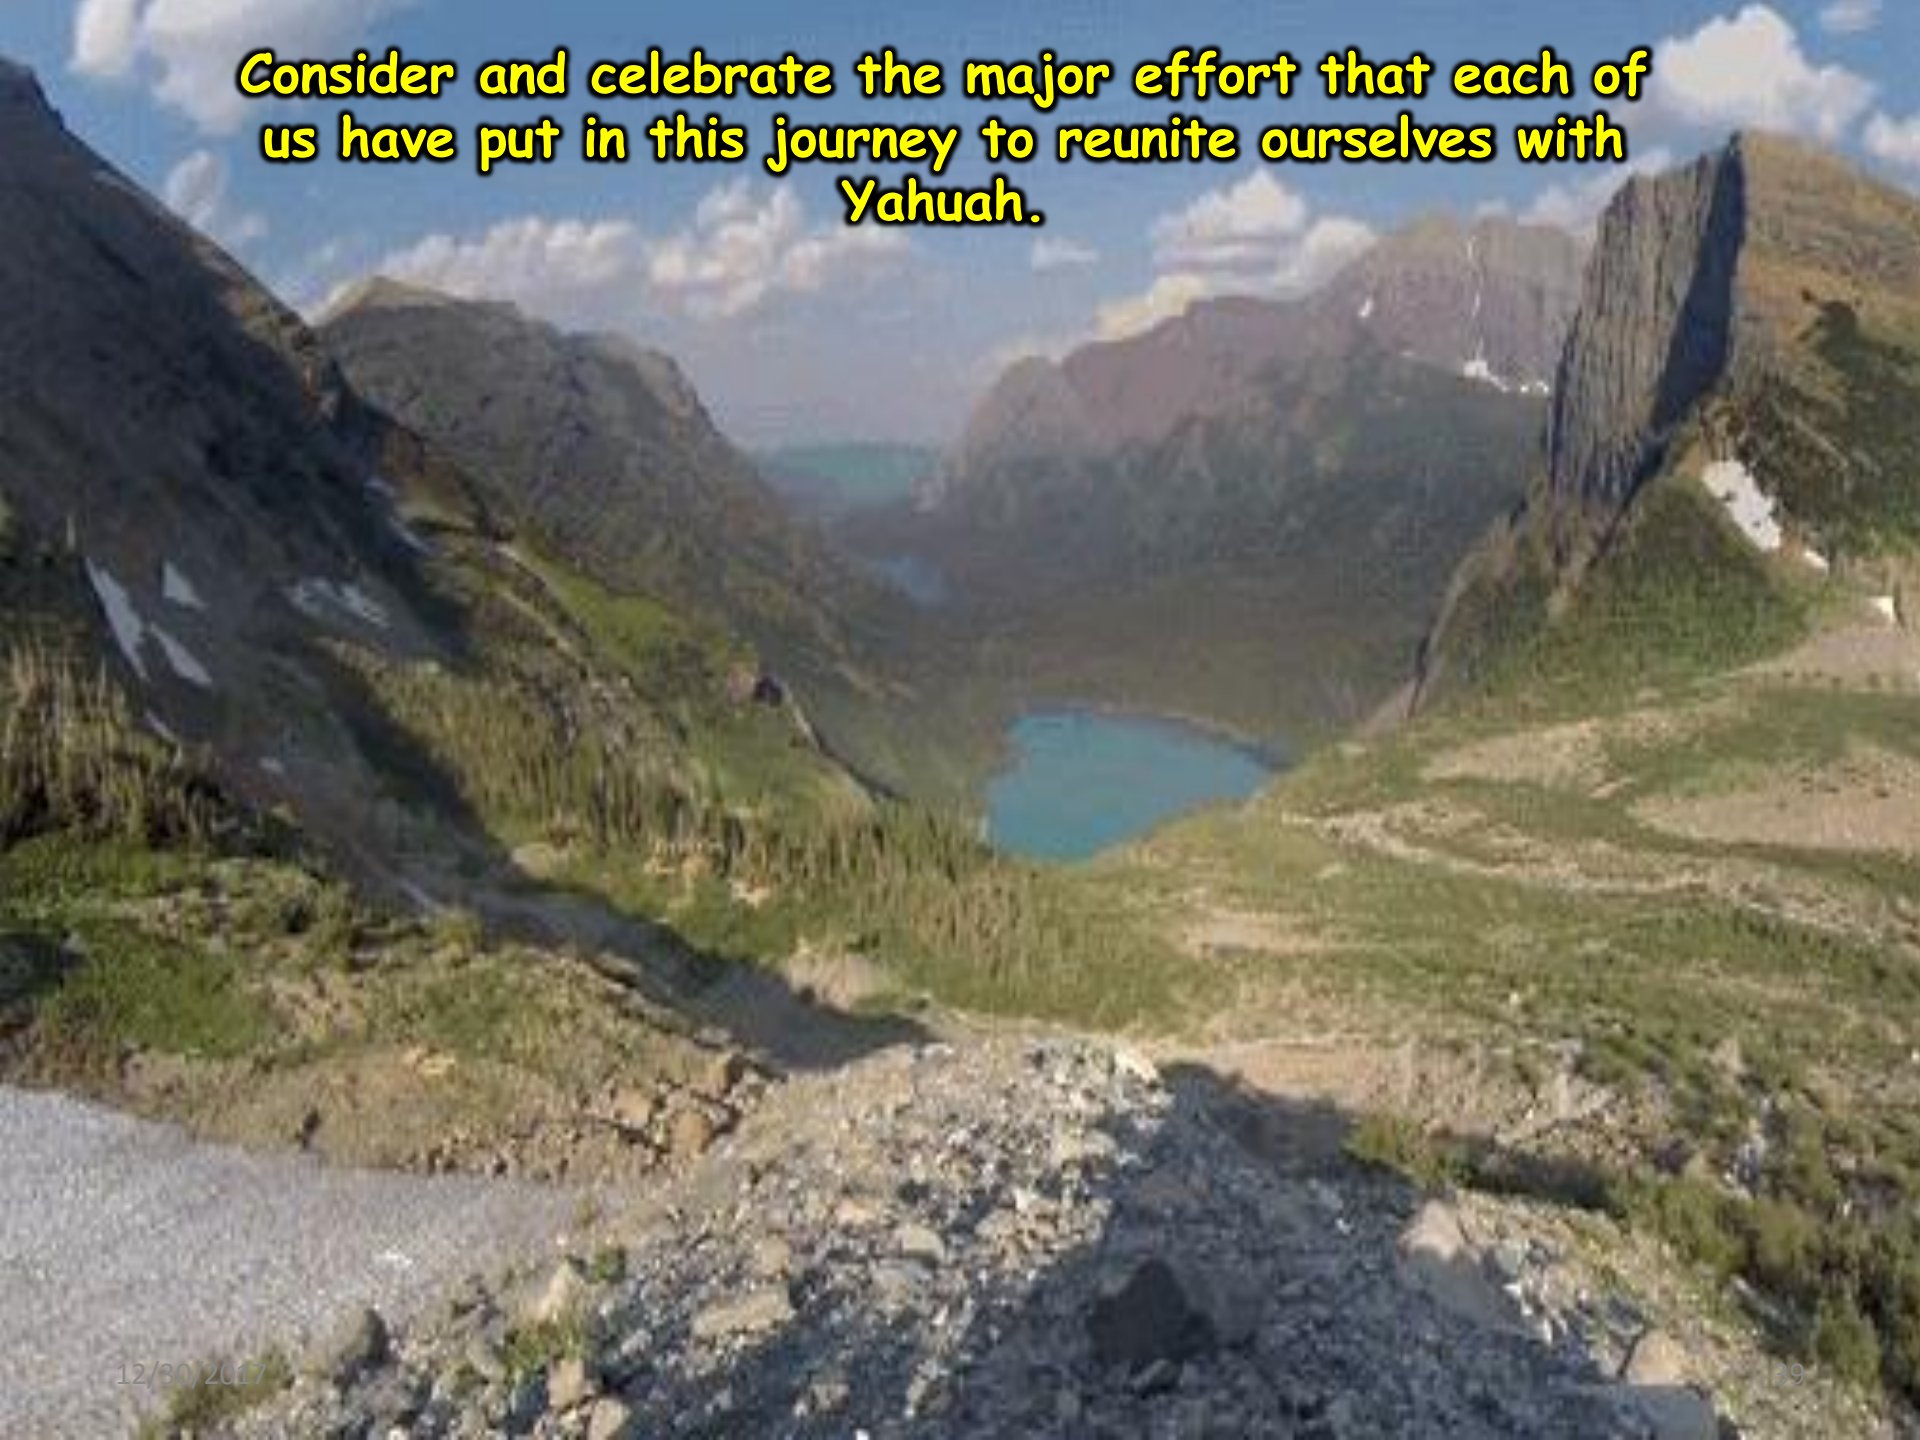

Being thankful we have a tangible way to express  
our gratitude to Yahuah for calling us to Him.

Do we accept the simple fact that if He has called us, we are worthy and able to make the journey back to Him if we endure.

**Consider and celebrate the major effort that each of us have put in this journey to reunite ourselves with Yahuah.**

Together we are proving to the universe and Shatan that Yahuah was right to make us. We have the capacity, will and desire to love and serve Yahuah and are grateful for the opportunity He has extended to each of us. To want nothing more than to just be loved by Yahuah and love Him back- Father to child- an unbreakable bond.
