Matthew 22:40

The tricky thing about going chronological is that we get hints of an instruction way before it was written down in Exodus. This will be a great eye opener as we go through *Genesis*. They knew of these things from somewhere. Adam and Hawah must have taught their children and now that the 365 books of Enoch are lost, we do not have an accurate picture of the first mention of these things.

We have chosen to deal with this by acknowledging the first mention of a subject but will not address it fully until the actual instruction is given. We want to recreate the feeling of starting from scratch. It seems to us that Yahuah watched mankind and as we progressed kept note of the things which caused us to stumble the most. It was then at Sinai that Yahuah was able to set in stone the things for us to guard against and remember that would keep us on the path. But we will see that the moral code was already in practice as well as some ceremonial things. How could it be otherwise? Everyone has had the information they needed to come to love and choose Yahuah, if He has chosen them. There are some things that prevent Him from choosing certain creations, so let us keep that in mind, even if we do not fully understand it.

# PROPHECIES

A dramatic sky scene featuring a large, dark, vertical cloud formation that tapers towards the top. On the left side, a bright sunburst breaks through the clouds, casting a glow. The sky is filled with various cloud textures and colors, ranging from dark blues to bright yellows. In the foreground, there is a dark silhouette of a landscape with hills and utility poles.

Gen 3:15 “**And I will cause to occur enmity** (hostile mind or intention) between **you (the enchanter) and the woman**, and between **your seed (offspring) and her seed (offspring)**. He shall crush your head, and you shall bruise His heel.”

**I missed putting this in before we got too far down the road so to speak.**

Notice: Yahuah put the hostility between the enchanter and the woman and her offspring and the enchanter's offspring. Why would He do this? We think it was to protect Hawah-so she would not make the same mistake. Then further down the line to protect us. We should have an inner aversion to him to fight off his ultimate desire to destroy us. If not we would continue to be easy prey like Hawah in the Garden. Are we still easy prey today. Yes. Why? Because we cannot serve two masters. The more we serve shatan the more we pull away from Yahuah. But there should be in our DNA an aversion to shatan. As it becomes more altered by shatan through environmental, (food, water, air) medical, spiritual and ancestral manipulation we become less like Yahuah and more like Shatan. We can see the evidence of this all around us.

# CONSEQUENCES

8/17/2019

Because of the corrupted flesh and violence..

Gen 6:17 “**And see, I Myself** am bringing floodwaters on the earth, to destroy all flesh in which is the breath of life from under the heavens – all that is on the earth is to die.

# Covenant

Because Noah was righteous and walked with Yahuah..

Gen 6:18 “And I shall establish My covenant with you, and you shall come into the ark, you and your sons and your wife and your sons’ wives with you.

88 souls kept our existence from being wiped out. Due to Noah’s righteousness. One man due to his walk with Yahuah, saved us from extinction. Do you see how the story is repeated again with Yahusha? One man, a very unique being, saved those who want to be covenanted with Yahuah from extinction. Our life line from going over the falls. Talk about a remnant!

Gen 6:20 “Of the birds after their kind, and of the cattle after their kind, and of all creeping creatures of the earth after their kind, two of each are to come to you, to keep them alive.

Again we see the instruction to protect the animals- and it is interesting that again we see animals being brought to man, not for naming but for saving.

# FOOD

8/17/2019

Gen 6:21 “As for you, **take of all food that is eaten and gather it to yourself. And it shall be food for you and for them.**”

**It sounds like there was no meat eating yet and that everyone ate of the same food.**

# HOW TO BE BLESSED BY YAHUAH

Gen 7:1 And יהוה said to Noah, “Come into the ark, you and all your household, because I have seen that you are righteous before Me in this generation.

The Covenant is our Ark in the end times. When Yahuah sees that we are righteous (Torah filled) before Him, He will invite us into His Covenant Family at the end of this trial of life. As He invited Noah and his family at the end of all life in those days before the flood. There is nothing new under the sun, just different circumstances.

Gen 7:2 “Of all the clean beasts take with you seven pairs, a male and his female; and of the beasts that are not clean two, a male and his female; 7:3 and of birds of the heavens seven pairs, male and female, to keep offspring alive on the face of all the earth.

### טהור

In Kal, *to be pure, clean, clear*. See inter al. Num. xxxi. 23, 24. In a transitive sense, *to cleanse, make pure, or clean*. Num. viii. 6, 15, & al. Also, *to pronounce clean*. Lev. xiii. 6, 23, & al. In Hiph. *to purify*. Isa. lxvi. 17. As a participial N. טהור *pure, clean, clear*. Also, *purity*, &c. freq. occ.

The word is applied not only to things ceremonially *pure*, but to the heavens. Exod. xxiv. 10. comp. Job xxxvii. 21.—to gold. Exod. xxv. 11, & al. freq.—to silver. Mal. iii. 3.—to the heart. Ps. li. 12. Prov. xxii. 11.—to moral or spiritual purity. Job iv. 17. Ezek. xxiv. 13. As a N. מטהר, “*brightness, unsullied honour*.” Bate. occ. Ps. lxxxix. 45.

Both these words in Hebrew are Tahor. Not Tahor and Tamei like we see in the instructions in Leviticus for “clean and unclean” animals to eat. So we must not get ahead of ourselves.

There are virtually no English equivalents for the Hebrew words *tahor* and *tamei* (often rendered pure and impure, or clean and unclean, respectively).

This was a revelation to us about the verse we had never seen before. We never looked at the Hebrew and we were under the impression this was the first time we saw the animals being divided into "clean" and "unclean" for eating purposes as in Leviticus. But this is not the case! Yahuah uses Tahor twice- as in clean and *not clean* and there is a big difference between that and something being called Tamei- or *Unclean*.

Tahor means pure and unmixed. What was going on before the flood? Animals were being mixed with something to defile them. So Yahuah is asking for animals of pure breeding to be brought on the Ark (7 pairs) and 2 pairs of animals that were mixed breeding-not pure. Keep in mind that Yahuah said to bring in the same food the humans were eating for the animals to eat. We think this is strong indicator that the animals had not turned into carnivores as this time.

This would answer why all the animals in the ark got along- and did not try to eat each other. So at this point in the story Yahuah is just dividing up what animals are mixed and which animals are pure. We will discuss the Tamei in just a bit.

# Psalm 51

16 For You do not desire **sacrifice**, or else I would give it; You do not delight in burnt offering. 17 The **sacrifices of** Yahuah are a broken spirit, a broken and contrite heart – these, O Yahuah, you will not despise.

Gen 8:20 **And Noah built an altar to יהוה** , and took of every clean beast and of every clean bird, **and offered burnt offerings on the altar.** 8:21 **And יהוה smelled a soothing fragrance, ....**

**Psa 51:17 The sacrifices of Yahuah are a broken spirit, A heart broken and crushed, O Yahuah, These You do not despise.**

**Psa 4:5 Offer sacrifices of righteousness, And trust in יהוה.**

Hos 8:13 “As for My offerings: they sacrifice flesh and they eat. יהוה shall not accept them. Now does He remember their crookedness and punish their sins. Let them return to Mitsrayim!

Yahuah makes no reckoning of their services: Yahuah accepts them not. How should He, when they did not offer their sacrifice upon that altar which alone sanctified the gift, **and when they only sacrificed flesh, but not the spiritual sacrifice of a penitent believing (trusting) heart?** He takes that occasion to reckon with them for their sins; now will He, instead of pardoning their iniquity and blotting out their sins, as they expected, **remember their iniquity and visit their sins.** Such an abomination to Yahuah are the sacrifices of the wicked that they provoke **Him to call them to an account for all their other abominations.** When they think by their sacrifices to bribe the Judge of heaven and earth into a connivance at their wickedness He will resent that as the highest affront they can put upon Him, and it shall be the measure-filling sin. – Matthew Henry Commentary

Gen 8:20 **And Noah built an altar to יהוה** , and took of every clean beast and of every clean bird, and offered burnt offerings on the altar. 8:21  
**And יהוה smelled a soothing fragrance, ....**

Given this information, what do you think made Yahuah the happiest? Noah slaughtering the animals and birds or the condition of his heart. That after all this ordeal, Noah was offering thanks to Yahuah? We don't have any information as to when the offerings were instructed.

First mentioned with Cain and Able, but we don't see the specific instructions regarding it. Cain's issue was what Matthew Henry pointed out. His heart was not right. He was just going through the motions.

We will go out on a limb here and say that the animal sacrifice was not very important to Yahuah in His plan to get us home, or He would not have taken that away from the people so many times and in our current time. The people abused time and time again the sacrifices as a means of obtaining "forgiveness" when there was no teshuva involved. So if animal sacrifice is not available to us, and we can still walk this path home, it cannot be an important ritual to Yahuah. He tells us what we need to sacrifice to make Him happy, and it is not animals.

His promises

8:21 And יהוה smelled a soothing fragrance, and יהוה said in His heart,  
“Never again shall I curse the ground because of man, although the  
inclination of man’s heart is evil from his youth, and never again smite  
all living creatures, as I have done,

Gen 8:22 as long as the earth remains, seedtime and harvest, and cold and heat, and winter and summer, and day and night shall not cease.”

Gen 9:1 And Eternal blessed Noah as (a strong covenant mark) and his sons, and said to them, “Bear fruit and increase, and fill-replenish (as a strong covenant mark) the earth.

It is interesting to note that this is the same word that Yahuah used in Genesis 1 when he was first starting with this creation. It can mean to fill or to replenish. We will look at that more fully when we get back to our Genesis study.

This is now something new. The relationship the animals who lived peacefully in the Ark with Noah and his family has been broken - shattered. They will no longer trust man, and for good reason. Their role is now changed.

# FOOD

8/17/2019

Gen 9:3 “Every moving creature that lives is food/prey for you. I have given you all, as the green plants.

Since the roles of every moving creature on the Ark were about to change it is reasonable to conclude that Yahuah was talking to every living creature. He had given man and animal the green plants to eat, and now it has to change. Not much greenery around and lots of dead bodies. Every moving creature is now going to be food for someone- except man- but that is jumping ahead a bit. For all animals are now prey. Either from man or from each other. Living on green plants is still the norm for some, but they are prey. This is fascinating. Yahuah was not telling man he could eat of every moving creature now, He was explaining the new rules on this new planet to everyone and to give the animals who were pure or tahor or mixed a fighting chance, as they're instincts are to fear man and run from him.

## טמא

In Kal, *to pollute, defile*. Gen. xxxiv. 5, 13, 27. Jer. ii. 7. Ezek. v. 11. *To pronounce unclean*. Lev. xiii. 3, 8, & al. *Also, to be polluted, defiled, unclean*. Lev. xv. 5. Num. v. 19, & al. freq. The translation of Deut. xxiv. 1—4, should run thus: *When a man hath taken a woman and married her, THEN IT SHALL BE, if*

Getting back to Tamei or UNCLEAN - it is different from not clean because Tami means you have been made unclean or defiled- mostly by blood, death, or dis-ease. Once the animals who were prone to eating flesh was established, we think they became Tamei for humans to eat. They became the garbage collectors.

There is quite a simple way to define purity and impurity as they are denoted in the Torah. Purity is everything that is connected to Life, hope, possibility and growth. Impurity, or Tameh - stems from the word 'Satum' which means closed off, and connotes anything that is disconnected from its life source, with no possibility for connection, growth or movement. So everything that is connected with death, is in the realm of impurity. These terms have nothing to do with physical cleanliness or dirt.

We think here we are seeing the progression of how the Levitical instructions <sup>36</sup> became set in stone as the animals developed into their new roles on the planet after the flood. At least for the time being Noah and family knew they could eat of the non mixed pure animals - by reason that they had brought more of them on the Ark. Still just a theory as we do not have a lot of specifics. But we do know Yahuah is consistent. The bottom line is that if something is Tamei it is definitely NOT FOOD!

3. On Num. xix. 11, &c. it may be observed, that we meet with a remarkable account of the notions of certain modern heathen concerning *pollution* by the *dead*, and of their ceremonies respecting it, in Captain Cook's Third Voyage, vol. i. p. 305. Speaking of a walk he took in Tongataboo, one of the Friendly Islands in the Pacific Ocean, he says, "In this walk we met with about half a dozen women, in one place at supper. Two of the company, I observed, being fed by the others, on our asking the reason, they said *taboo mattee*. On farther inquiry we found that one of them had, two months before, washed the *dead corpse* of a chief, and that on this account she was not to handle any food for five months. The other had performed the same office to the *corpse* of another person of inferior rank, and was now under the same restriction; but not for so long a time. At another place, hard by, we saw another woman fed, and we learned that she had assisted in washing the *corpse* of the above-mentioned chief." Is it not farther remarkable that the words *taboo mattee* may be derived from the Heb. טמא מת the very terms used in Num. xix. 11, with less force than the learned editor thinks it reasonable to allow in other instances? # **Accept Yahuah's Instructions**

**and live!**

1780 Gen 9:4 “But do not eat flesh with its life, its blood.

We think now to man, He adds to not eat flesh that is still alive with the blood. Dennis Prager thinks the first instruction given to man was to be kind to the animal and the 2<sup>nd</sup> was to not eat blood.

“The 2<sup>nd</sup> instruction contained in this injunction was that the blood must be drained prior to eating the flesh. This instruction has no parallel in the ancient Near East. Bible scholar Jacob Milgrom, professor and chair of the Dept of Near Eastern Studies at University of CA at Berkley, discovered that “none of Israel’s neighbors possessed this absolute and universally –binding blood prohibition. Blood is everywhere (else) partaken of as food... But in Yah’s view, man has a right to nourishment, not to life. Hence the blood, which is the symbol of life, must be drained, returned to Yahuah.’

## **Our Statement of Trust in Yahuah**

**10. We will trust Yahuah and not complain when He brings into our lives challenging circumstances but will ask for guidance from Him.**

**11. We will trust that Yahuah is looking after His sheep better than we can, so we do not have to feel compelled to correct or grumble against a Covenant Family Member. If they need our help, Yahuah will lead them to us to ask for it.**

**12. We agree to trust in Yahuah's Covenant plan and will learn all we can about them so we can stay on His path.**

**13. We agree when we enter into a Marriage Covenant that we do not rush into it and seek to understand and trust the pattern that Yahuah has set inside it. A pattern of how to treat each other and Him.**

## **Our Statement of Trust in Yahuah**

**14. We will trust Yahuah when He asks us to take our rightful positions, to be able to function as He has planned from the beginning.**

**15. We will be on guard to not eat food that will change our DNA or that does not have His original DNA coding in them. These are Genetically Modified plants and animals.**
