

YAHUAH'S TIMELINE

YAHUAH'S TIMELINE

1st Seal

THE SCROLL WITH THE 7 SEALS:

1ST SEAL – THE WHITE HORSE/RIDER HAS A BOW – THIS WOULD BE OUR FIRST INDICATOR THAT WE NEED TO GET PREPARED FOR THE TRIBULATION/DISTRESS

AS YAHUAH'S CHILDREN WE ARE TOLD THAT WE ARE TO ENDURE AND CONQUER BY OVERCOMING OUR FEARS AND PUTTING OUR TRUST INTO YAHUAH AND USING THE TORAH AS OUR GUIDE AND WEAPON. – AT THIS TIME THE ANTI-MESSIAH AND THE FALSE PROPHET HAVE NOT TAKEN OVER THE WORLD.

Rev 6:1-2 And then I paid attention to and considered when the Lamb opened and disclosed one of the seven seals, and I heard and understood one of the four living creatures speaking in a voice like thunder, "Come!" And I looked, and behold, a bright white horse, and the one sitting on it had a bow which is a sign of his strength and power, and a wreath signifying accomplishment and victory was given to him, and he went out conquering and overcoming so the he might prevail and overcome.

Witnesses to the 1st Seal:

Dan 12:1 “Now at that proper time, Micha’al, the great Messenger, will arise and take a stand, the protector, being upright over the sons of your people, and it will be and come to pass in a time of distress, trouble and anxiety that has not been or occurred since or before, being a part of a nation until that time. And at the time your people will escape and be freed from harm and evil, everyone who is found written or marked in the scroll/book.

Rev 2:10 Do not be afraid, anxious or apprehensive of the things which you are about to experience or suffer. Behold, the adversary is about to throw or cast you into prison so that you may be tested and tempted, and you will experience tribulation, distress and anguish ten days. Be faithful and trustworthy until death, and I will give you the crown or wreath of life.

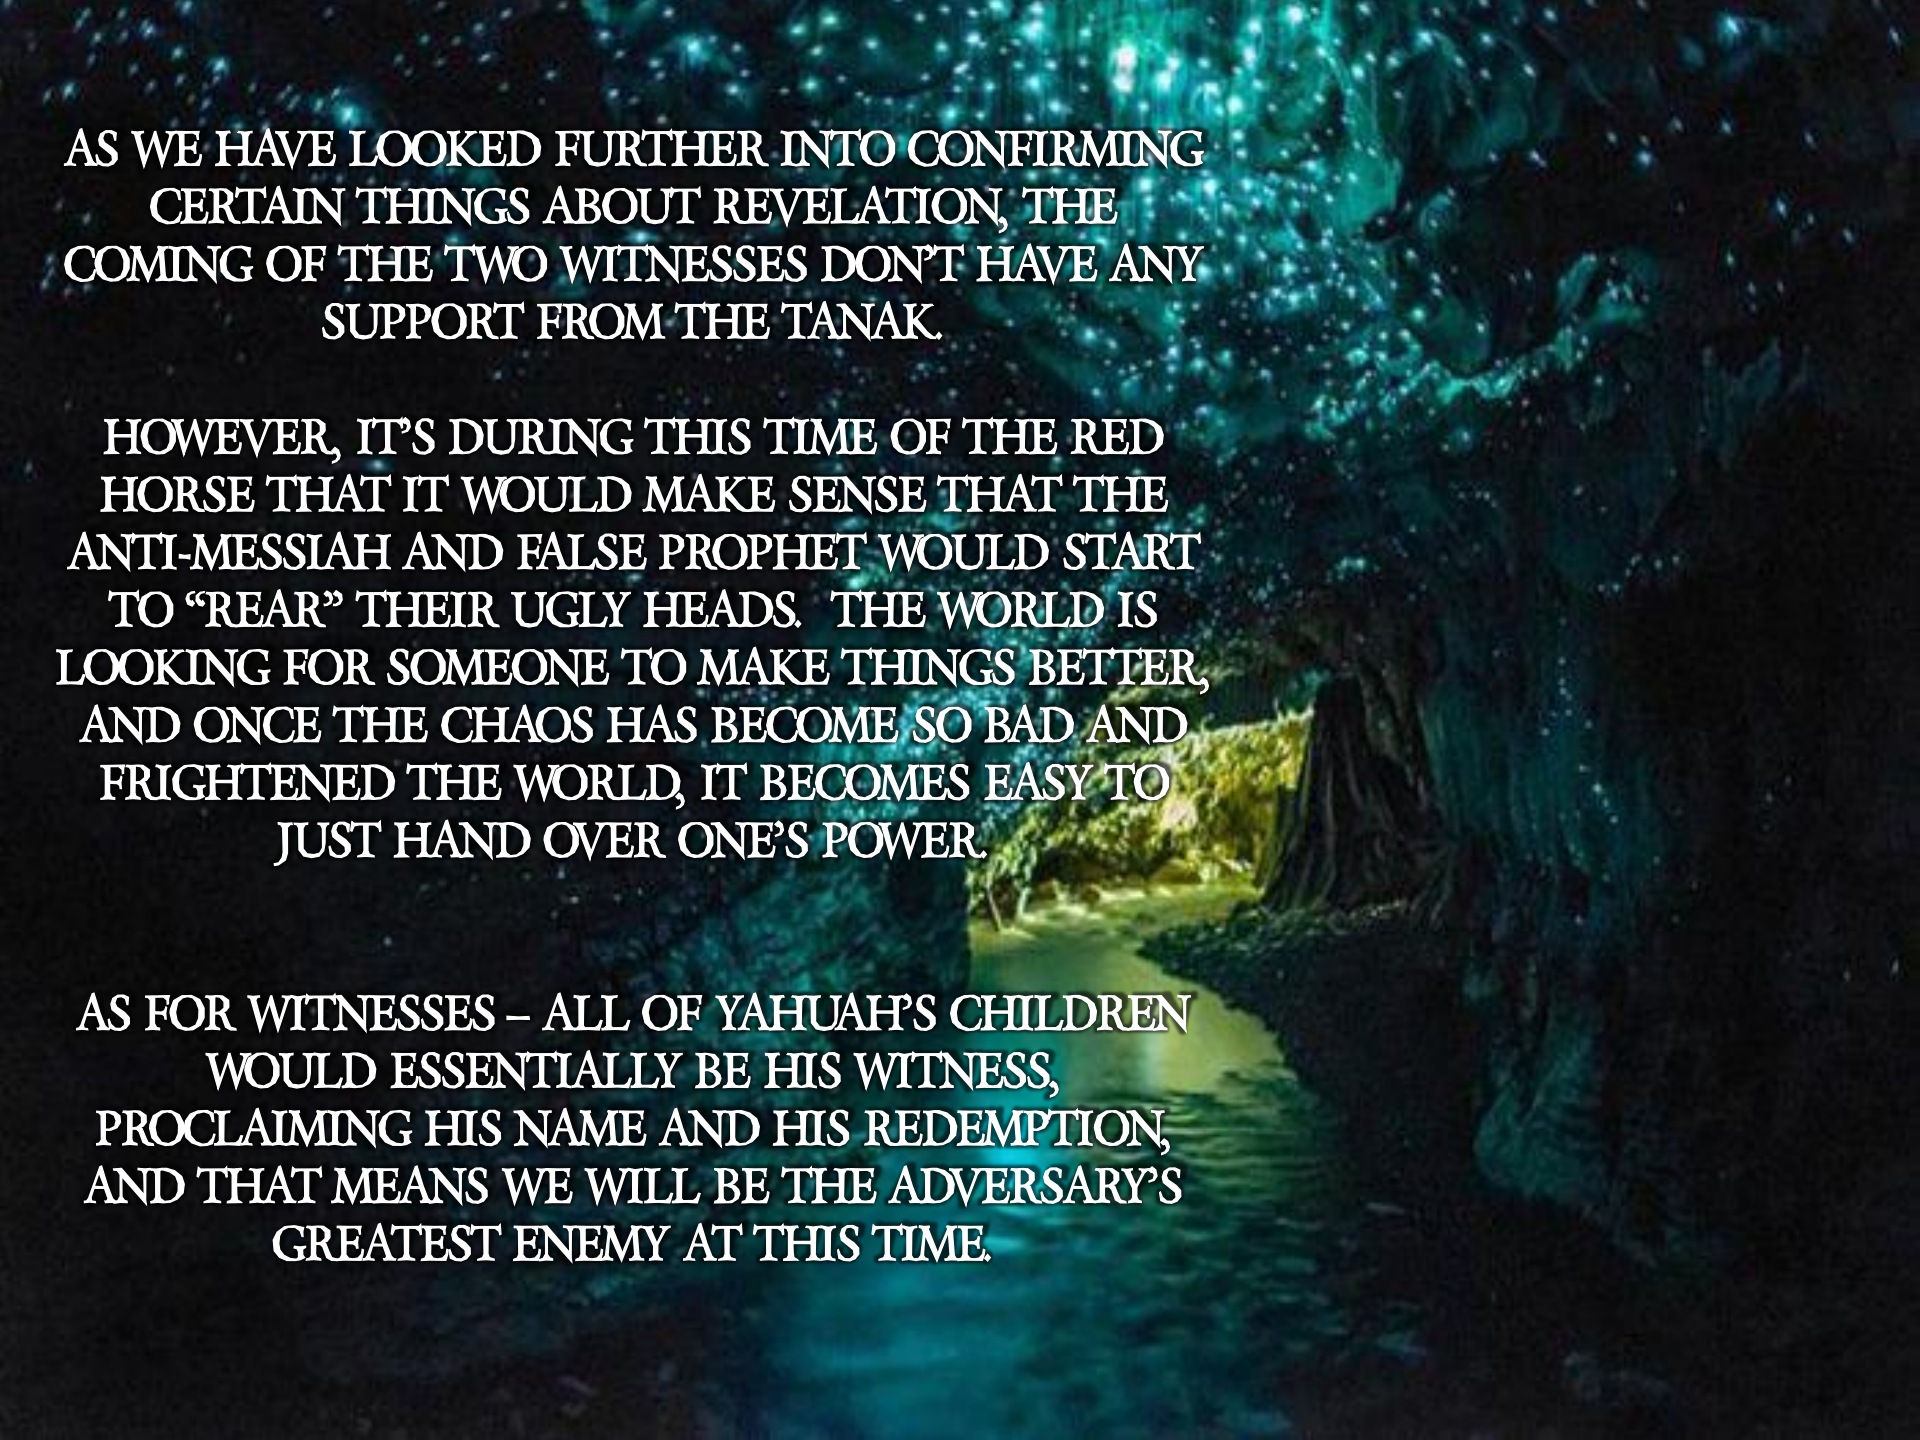

2nd Seal

2ND SEAL – THE FIERY RED HORSE/RIDER HAS A SWORD – THIS IS THE TIME WHEN PEACE HAS BEEN TAKEN FROM THE EARTH.

AS WE CAN SEE FROM THIS WORLD THAT WE LIVE IN, WE HAVE WARS AND RUMOR OF WARS. CHAOS AND TERROR AND ALL IS BEING DONE BY THE ADVERSARY WHO IS WORKING TOWARDS HIS GOAL OF USURPING YAHUAH. THE RIDER'S SWORD IS ONE OF DISCORD AND DEATH.

It's not all that impossible to think that we are in the 1st and 2nd seals – this is our time to endure and become cemented in our trust of Yahuah and Yahusha, with what is happening in the world today.

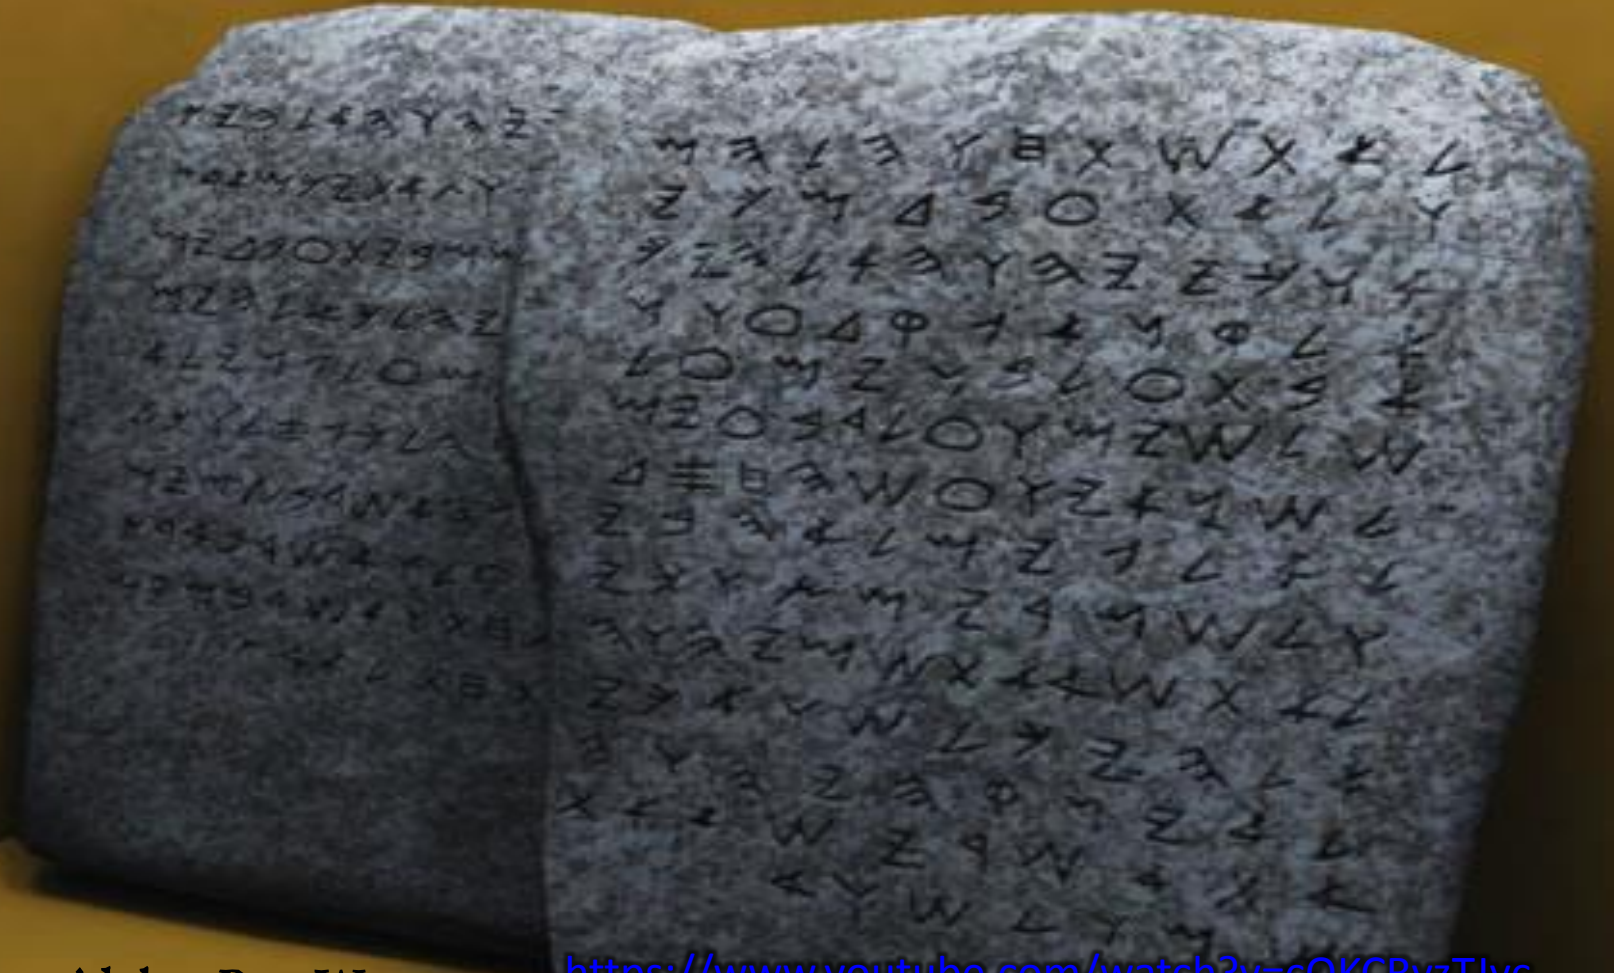

Rev 6:3-4 And when he opened the second seal, I heard and paid attention to the second living creature, saying, "Come and behold!" Then another horse came out, fiery red like the color of fire emitting from burning wood, and it was granted to the one seated on it to take peace, rest and prosperity from the earth, and that they would slaughter and indiscriminately and without mercy kill one another, and a large sword of discord and death was given to him.

AS WE HAVE LOOKED FURTHER INTO CONFIRMING
CERTAIN THINGS ABOUT REVELATION, THE
COMING OF THE TWO WITNESSES DON'T HAVE ANY
SUPPORT FROM THE TANAK.

HOWEVER, IT'S DURING THIS TIME OF THE RED
HORSE THAT IT WOULD MAKE SENSE THAT THE
ANTI-MESSIAH AND FALSE PROPHET WOULD START
TO "REAR" THEIR UGLY HEADS. THE WORLD IS
LOOKING FOR SOMEONE TO MAKE THINGS BETTER,
AND ONCE THE CHAOS HAS BECOME SO BAD AND
FRIGHTENED THE WORLD, IT BECOMES EASY TO
JUST HAND OVER ONE'S POWER.

AS FOR WITNESSES – ALL OF YAHUAH'S CHILDREN
WOULD ESSENTIALLY BE HIS WITNESS,
PROCLAIMING HIS NAME AND HIS REDEMPTION,
AND THAT MEANS WE WILL BE THE ADVERSARY'S
GREATEST ENEMY AT THIS TIME.

It's been said that Ron Wyatt found the Ark of the Covenant – there's also an interesting “theory” about the 2 Tablets Of Instructions being the Witnesses!

<https://www.youtube.com/watch?v=cQKCRvzTJyc>

<https://www.youtube.com/watch?v=XOWrPFb6w0w>

This first one is his death bed confession so it's just audio and 2nd is the video of him excavating it.

It's very interesting to look at these 2 Tablets being the witnesses. All the Instructions Yahuah gave us, those Instructions that will either confirm or deny our Salvation and entrance into Yahuah's kingdom.

Ever wonder where the Tablets that Yahuah etched with His hand went after they were broken? Can't imagine that He would have left those behind – it would be the ones that Moshe scribed that someone could find. Of course there would have been power on those Tablets, as it's said when Yahuah was still speaking to "us" the Ark is where He "sat" – once He left, the power would be gone and only Moshe's etched stones would have been left behind to remind us of the Covenant of the Ark.

Rev 11:3-7 I will appoint, allow and grant authority to two witnesses, they will prophesy as my representatives for one thousand two hundred sixty days, dressed in sackcloth which is indicative of mourning. These are the two olive trees and the two lampstands that stand firm before the Everlasting of the earth. And if anyone wants to unjustly mistreat, injure or harm them, a fire of punishment comes out of their mouth and consumes and destroys their enemies. And if anyone wants to mistreat, injure or harm them, in this way he must be put to death. These possess the authority, jurisdiction and permission to shut the shamayim, so that it does not rain during the days of their prophecy representing the will of Yahuah. And they have the authority, jurisdiction and permission over the waters, to turn them to blood, and to afflict and strike the earth with every plague, distress and stroke of misfortune as often as they wish or have a desire for. And when they have fulfilled and finished their testimony in bearing witness, the beast that comes up from the abyss will declare a war with them and will overcome and conquer them and will slay them.

If Yahuah sends his witnesses, it will be prior to the Beast and false prophet coming, since it is those two that will have the authority to kill them. However, they only have 3 and ½ years.

Once the beast and false prophet have killed the 2 witnesses – this is what life will look like..

Rev 13:4-8 And they worshiped and paid reverence to the dragon because he had appointed and given authority, power and control to the beast, wicked person, saying, “Who is like, resembling and having the same characteristics as the beast, wicked person, and who is able to fight and make war with him? A mouth was allowed and given to him speaking out of the ordinary and surprising things and blasphemies, speaking slander against Yahuah, and authority and domain to act and behave in this manner was allowed and given to him for forty-two months. And he opened his mouth to speak slander and profane blasphemies toward Yahuah, to slander, profane and blaspheme His name and reputation; and His dwelling and tabernacle, those who live and reside in the shamayim. And it was allowed and given to him to cause and make war with the set-apart ones and to conquer, prevail and overcome them. And authority, jurisdiction and domain was allowed and given to him over every tribe and people and language and nation. And all those who live on the earth will bow down and pay reverence and worship him, everyone whose name is not written, engraved or recorded from the foundation, creation of the world in the book or scroll of life and existence of the Lamb who was slaughtered and killed indiscriminately.

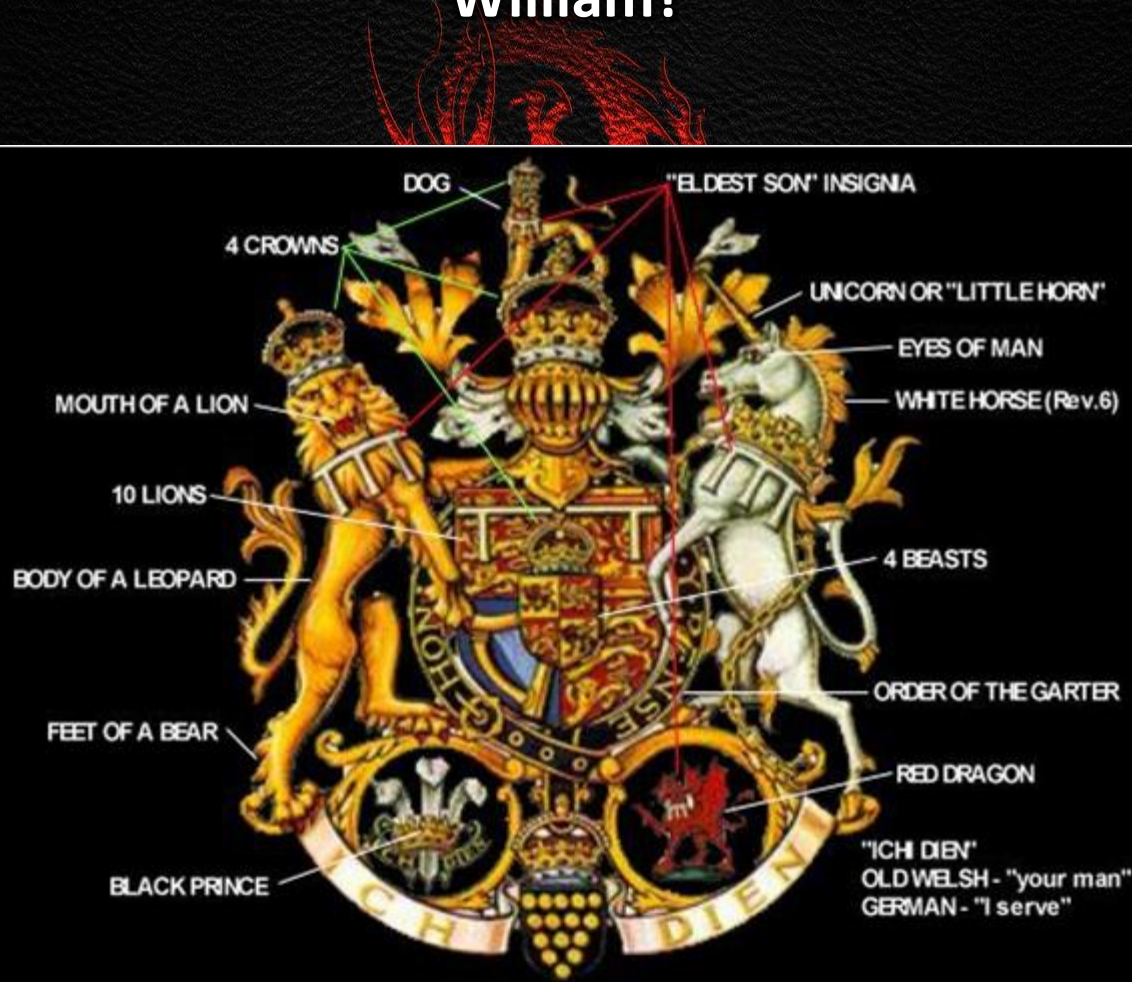

Rev 13:11-17 I saw another beast, wicked person coming up. Arising from the earth, he had two horns resembling a lamb, but he was speaking and proclaiming like a dragon. Indeed, he exercises and performs all the authority and dominion of the first beast, wicked person on behalf and in presence of him, and he causes the earth and those who live and inhabit in it to worship and do great reverence to the first beast, wicked person whose fatal wound had been healed. And he performs and carries out great and remarkable signs of supernatural acts, so that he even causes fire from the shamayim to come down to the earth in the presence of the people. Then he deceives, leads astray and seduces those who live on the earth because of these signs of supernatural acts that it has been allowed and granted to him to perform and cause to happen on behalf and in presence of the beast, wicked person, telling those who inhabit and live on the earth to make and manufacture an image or likeness to the beast, wicked person who has the wound of the sword and yet lived. And it was allowed and given to him to put breath and spirit into the image, likeness of the beast, wicked person, in order and as a result that the image, likeness of the beast, wicked person both spoke and caused to happen that all those, unless they worshiped and paid reverence to the image, likeness of the beast, wicked person, should be killed. Then he causes all people, the small and the great, and the rich and the poor, and the free and the slave, that they appoint and give them a mark or stamp an image on their right hand or on their forehead. And that no one was able to buy or to sell except the one who had the mark or stamp of the image – the name of the beast, wicked person or the number of his name and reputation.

Witness to the event of the beast and the false prophet:

Dan 7:20-26 Concerning the horns that are on its head, and the other that came and ascended up from which three fell, and this horn had eyes and a mouth speaking and uttering boastfully and with great self-importance, and its appearance larger and more powerful than its companions. I continued watching and realized what was being revealed, and this horn made and carried out war with the set-apart ones and it prevailed, conquered and overcame them, until the Ancient of Days came and gave judgement and justice to the set-apart ones of the Most High; and the set time arrived and in due course the set-apart ones took possession and ownership of the kingdom. And he will speak words against and concerning the Most High, and he will wear out and oppress the set-apart ones of the Most High, and he will attempt and make an effort to change, alter, and violate times and Torah, and they will be allowed and given into his hand for a time and two times and half a time. Then the court will sit, and his dominion, authority and power will be removed, cease and be taken away, to be eradicated and destroyed totally.

Who is the anti-christ? We've heard it could be the Pope and actually that has the most votes, but what about....Prince William?

This is William's coat of arms.

Goat of Mendes

The photo shows prince William posing with a lamb like Jesus Christ, who the Bible calls the Lamb of God. Why is Prince William holding a Lamb in this next picture and why is he holding the hoof?

What is the significance of this photograph? To the unaware observer, the photograph is perfectly innocent. But to insiders familiar with the Protocols of Zion, Freemasonry and the Book of Revelation, William is identified in the photo as the antichrist.

The antichrist has been described in art and literature as a handsome and charming and a master of lies and deception. Freemasons call him the Baphomet, Pan, or Goat of Mendes. He is commonly illustrated with cloven hind hooves as seen in the next images:

Pan - god of Saturn

Baphomet

Baphomet

This royal family keeps saying they are from the tribe of Yahudah – in actuality it's the Tribe of Dan – the Tribe that is NOT coming back and this would also fit with a thought that the AC may be a Hebrew – making the Pope the false prophet.

William's Birth

Prince William was born on June 21, 1982 on the Summer Solstice. The summer solstice occurs when the sun is the 'most high' in the summer sky; representing the sun-worship taking place during the birth of William. In the Bible the "Most High" represents Jehovah, so the sun worship of Freemasons and Illuminati directly opposes this by worshipping the created, not the Creator.

Another interesting event that took place on William's birth to add to the mysticism of this birth was a Solar Eclipse. The last time these two events (Summer Solstice and Solar Eclipse) occurred together was in 1964 to show you how rare it is. Solar Eclipses are measured in what's called a Saros Cycle and classified by lifetime in terms of years. The Hebrew word "Sar" in Saros means Ruler/Prince/King. The eclipse cycle Prince William was born under is Saros 117. It was in its 1189th year when he was born. The last time it had occurred was in 1964 and the next time it would occur would be on his mother's birthday, July 1st 2000.

3rd Seal

3RD SEAL – THE BLACK HORSE/RIDER WITH THE SCALES – THIS IS THE HORSE THAT BRINGS ON SUPER INFLATION, WHAT IT WILL COST TO BUY FOOD, BUT IT’S ALSO THE TIME WHEN THOSE SCALES WEIGH OUR JUSTICE, LOYALTY AND RIGHTEOUSNESS.

ANOTHER OPPORTUNITY FOR US TO PUT OUR TRUST IN YAHUAH AND ENDURE.

Rev 6:5-6 And when he opened the third seal, I heard the third living creature saying, “Come and behold!”

And I looked and paid attention to, and behold, a black horse the one seated on it possessed a balance scale in his hand with the power and control of measuring and weighing. And I heard and paid attention to a voice in the midst of the four living creatures, saying, “A quart of wheat for a days’ wage, and three quarts of barley for a days’ wage, and do not damage the olive oil and the wine.

Witnesses to the 3rd seal:

Job 31:5-6 If I have behaved and walked with falseness, wickedness and vanity, and my foot has hastened to deceit, betrayal and disappointment, let him determine the weight of me in the balance of justice, honesty, loyalty and righteousness, and let Yahuah reveal my state of innocence, integrity and uprightness.

Pro 16:2 All the ways, conduct and strength of a man are pure, clean and free of guilt and sin in his own eyes, but Yahuah weighs, examines and determines the mind, spirit, and heart for substance and courage or emptiness, anger and resentment

Dan 5:25; 27 Now this the writing that was inscribed: "Mene (to number, review and appoint), Mene (to number, review and appoint, Tekel (to weigh) and Parsin (divide and be separated).

"Tekel-you have been weighed, critically observed and judged on scales and you have been found wanting, lacking and deficient."

THIS IS ALSO THE TIME JUST BEFORE THE ARRIVAL OF THE 4TH HORSE THAT 4 MESSENGERS WILL HOLD BACK THE 4 WINDS UNTIL YAHUAH'S SET-APART BELIEVERS HAVE BEEN SEALED WITH HIS NAME AS IN REV: 7:1-3 AND SHOULD ALSO HAVE CONFIRMED THAT WE DID NOT TAKE THE MARK OF THE BEAST.

Rev 7:1-3 After this I saw and considered four messengers set in place and standing at the four corners of the earth, holding and keeping in check the four winds of the earth, so that no wind could forcibly blow on the earth or on the sea or on any tree. And I saw and considered another messenger ascending from the east, holding and in his possession the seal, the mark of the eternal Yahuah, and he cried out with a loud voice to the four messengers who were granted the authority and permission to damage and harm the earth and the sea, Saying, "Do not damage and harm the earth or the sea or the trees until we have sealed and identified the servants of our Everlasting on their foreheads."

Job 30:21-22 You have transformed, changed and turned cruel, heartless and ruthless to me; you persecute and bear a grudge against me with your hand's might and strength. You lift and raise me up to the wind, my intellectual frame of mind which is my courage and resentment – you make me ride and carry it like a millstone, and you dishearten and toss me about in the storm of my intense desires.

4th Seal

4TH SEAL – THE PALE/GREEN HORSE – THE RIDER IS DEATH WITH SHEOL FOLLOWING AFTER.

ONE FOURTH OF THE PEOPLE ON THE EARTH ARE TO BE KILLED BY WARS, FAMINE, PESTILENCE AND PLAGUES.

AND LET'S NOT FORGET THE BEAST AND FALSE PROPHET ARE STILL RULING THE EARTH.

Rev 6:7-8 And when he opened and spread out the fourth seal, I heard and paid attention to a voice from the fourth living creature saying, "Come and behold!" Then I looked, and behold, a pale greenish gray horse, and the one seated on it was named Death, and Hades, Sheol or the grave followed, accompanied as a follower and disciple after him. And authority over this domain was granted and appointed to them over a fourth of the earth, to kill, slay by the sword of war and by famine and by pestilence, plagues that specifically cause death and by the wild beasts of the earth.

The 3rd and 4th Seals can be interchangeable, meaning that without the one, you really can't have the other. It's wars, famines, pestilence and plagues that will hit the economic systems – the amount of money that is and will be spent on those things will finally overwhelm the monetary systems, so essentially it would be possible for both of those seals to somewhat occur at the same time, especially super-inflation.

Witnesses to the 4th Seal:

Eze 26:20 - 21 Conversely I will bring you down with those people who have fallen and are going down to the grave, the world of the dead, an ancient race of people, and I will cause you to dwell and take up residence in the world of the depths, which is the realm of the grave and death, in the ruins and desolation of a place laid to waste from an old and distant past with those who are going down to the grave, so that you will not be inhabited or dwell and have a place or honor in the land of the living blessed with a promise of prosperity and favorable circumstances of life. Sudden terrors, calamities and destruction I will permit and bring on you, and you shall no longer like, an emptiness exist; and you will be sought after and inquired about, but you will not be found or determined to have existed again for all time, declares Yahuah.

ENOCHE 22:13

Such has been made for the spirits of men who were not righteous but sinners, who were complete in transgression, and of the transgressors they shall be companions, but their spirits shall not be destroyed in the day or judgement nor shall they be raised from here.

5th Seal

5TH SEAL – SLAIN FOR THE WITNESS OF YAHUAH, THIS IS SHOWING US THOSE SOULS WHO HAVE ALREADY DIED FOR THE WORD OF YAHUAH AND ARE ASKING FOR VENGENANCE AND JUDGMENT.

THIS IS ALSO THE TIME WHEN THEY ARE TOLD THAT THEY MUST WAIT A LITTLE WHILE LONGER, AS THEIR FELLOW SERVANTS AND BROTHERS MUST BE FULFILLED AND COMPLETED IN DEATH AS THEY WERE.

WHAT WILL THEY BE WAITING FOR? US, BECAUSE WE WILL NOT TAKE THE MARK OF THE BEAST, WE WILL HAVE TO BE SLAIN.

Rev 6:9-11 And when he opened and spread out the fifth seal, I saw under the altar of their sacrifices the souls and spirits of those who had been killed indiscriminately and slaughtered because of the Word of Yahuah and because of the testimony and witness which they had experienced, and they cried out with a loud voice saying and asserting, “How long, Set-apart and true Everlasting, will you not evaluate, consider and judge and then avenge and punish our blood, sacrifice and death from those who inhabit and live on the earth?” Then to each one of them a radiant white robe, raiment was given, and it was said to them that they should rest and abide yet a short time, until their fellow servants and their brothers who were about to be put to death as they likewise were fulfilled and completed also.

Witnesses to the 5th Seal:

THIS IS THE TIME WHEN
WE WILL BE PUT TO THE
TEST: DO WE TAKE THE
MARK OR DO WE STAND
AND ENDURE FOR
YAHUAH SO THAT WE
ARE PART OF YAHUSHA'S
ARMY TO HELP REIGN
DURING THE 1000
YEARS?

REV 20:4; 6 Then I paid attention and saw thrones, and they sat down on them, and authority to judge, decree and sentence was granted and allowed to them. And the souls of those who had been beheaded because of the witness and testimony about Yahusha and because of the Word of Yahuah, and who had not worshiped and paid reverence to the beast or his image, and did not select to and receive the mark or brand on their forehead and on their hand, and they were resurrected and came to life and reigned with Yahusha for a thousand years. Blessed and set-apart is the one who has a part in the first resurrection. Over this person the second death has no authority and domain, but they will be priests of Yahuah and Yahusha, and they will reign with him a thousand years.

ENOCH 103:2-4

I have read the heavenly tablets and have seen the set-apart books, and have found written in it and inscribed regarding them. That all goodness and joy and esteem are prepared for them, and written down for the spirits of those who have died in righteousness, and that much good shall be given to you in reward for your labors, and that your lot is abundant beyond the lot of the living. And the spirits of you who have died in righteousness shall live and rejoice, and your spirits shall not perish, nor shall your memory from before the face of the Great One to all the generations of the world, therefore no longer fear their abuse.

Job 29:14-18 I put on righteousness, honesty and justice, and it clothed and covered me; my justice and judgement were like a robe and a headband. I was eyes of understanding to the blind and unknowledgeable, and I feet to the lame and maimed who were considered low in society. I was father and caregiver to the poor and needy who were oppressed, and I investigated, determined and pled the case of the stranger's legal dispute and contention of trouble. Then I broke the integrity of the evil and unrighteous one's jaw bones and I made his fresh-picked prey drop and be cast away from his teeth.

And I thought and uttered, "I will pass away, perish and die in my nest, and like the phoenix or sands of the sea I shall multiply and increase my days and lifetime.

Isa 61:10-11I will rejoice and be pleased greatly in Yahuah; my being, heart, soul and life shall shout in exultation and joy in my Everlasting. For he has clothed and covered me with garments of salvation, deliverance and victory, he has covered and clothed me with the robe of righteousness, innocence and justice, as a bridegroom adorns and anoints himself with a head wrap or diadem like a priest, and as a bride adorns and anoints herself with her jewelry. For the earth brings forth and produces its sprout, bud, and as a garden makes its plants sprout, so Master Yahuah will make righteousness, honesty, justice and innocence sprout, and praise and renown in front of all the peoples.

Rev 14:12-13 Here is the steadfast endurance, the power to withstand hardship and stress, especially having the inward fortitude necessary to persevere and wait expectantly of the Set-Apart ones, those who and guard the instructions of Yahuah and trust and loyalty in Yahusha. Then I heard a voice from the shamayim saying, "Write: "Blessed and happy are the dead who die in Yahuah from now on!" "Yes", says the Spirit, "in order and as a result that they may rest and be refreshed from their labors, suffering, trouble and fatigue, for their deeds and good works accomplished through their efforts follow after them."

Ps 34:19 Many are the afflictions of evil,
misery, misfortune and injury of the righteous,
upright and innocent, but Yahuah delivers,
rescues, saves and delivers him out of them all

6th Seal

6TH SEAL – WHEN EVERYTHING CHANGES – THIS SEAL ENCOMPASSES AND SHOWS US WHAT WILL BE HAPPENING WITH THE SHOFARS AND BOWLS THAT ARE YET TO COME.

THIS SPEAKS OF AN EARTHQUAKE, THE SUN BECOMING BLACK AND THE MOON LIKE BLOOD, ALL THAT OCCUR WHEN THE SHOFARS ARE BLOWN AND THE BOWLS ARE Poured OUT.

THIS IS ALSO WHERE WE BEGIN TO SEE THE BOWLS AND SHOFARS ARE OUT OF ORDER

Rev 6:12-14 And I paid attention and learned when he opened the sixth seal, and a great and remarkable earthquake was created and took place, and the sun became black like mourning sackcloth made of animal hair, and the whole moon became like blood and death, and the stars of heaven fell to the earth like a fig tree lets fall its unripe, immature figs when shaken and agitated by a great and remarkable wind that moves with considerable force. Then the shamayim was opened suddenly and violently and split apart like a scroll that is rolled up, and every mountain and island were shaken up and moved from their place.

Witnesses to the 6th Seal:

Isa 13:9-11 Behold and see! The day of Yahuah is coming, with an extreme intensity of emotions and convictions and wrath and fury and the burning of anger, to make the earth a place of desolation; a horror, a wasteland and He will destroy and exterminate its sinners who bear the blame for not thoughtfully considering and discerning His Word. Indeed the stars of the heavens and their constellations which are a configuration of stars seen from earth, will not flash forth or emit their light; the sun will keep back and become devoid of light, and the moon will not allow its light to shine. And I will punish and impose a penalty on the world for its evil wickedness and the wicked, unrighteous transgressors for their iniquity and depravity. And I will put an end to the pride and loftiness of the arrogant and insolent, and I will bring the haughtiness and conceit of the ruthless tyrants to be humbled and low.

Isa 34:3-5 And their slain shall be cast and scattered out; as for their corpses and lifeless idols, their stench shall go up as a sacrifice. And the mountains shall melt away and dissolve with their blood, and all the heavenly bodies, stars, the sun and the moon of heaven shall rot and decay and melt away. And the skies shall roll up like a scroll or book, and all their warriors shall wither and crumble away like the crumbling away of a leaf from a vine, or like the decaying of a fig tree. When my sword is drenched and satisfied in the heavens, look and behold! It will descend and rain down upon Edom, and upon the people devoted to destruction, for judgement and my decision.

Eze 32:7-8 And I will conceal and keep hidden at extinguishing and quenching your heavens, and I will make dark and gloomy their stars, I will cover the sun with the cloud, and the moon will not emit and give its light. All sources of light in the heavens, I will make them grow dark over you, and I will put darkness and mourning on your land, declares Yahuah.

7th Seal

**7TH SEAL – THE MOMENTARY SILENCE FOR ABOUT
A ½ HOUR AND THEN THE 7 MESSENGERS WHO
STAND BEFORE YAHUAH AND ARE GIVEN A
SHOFAR.**

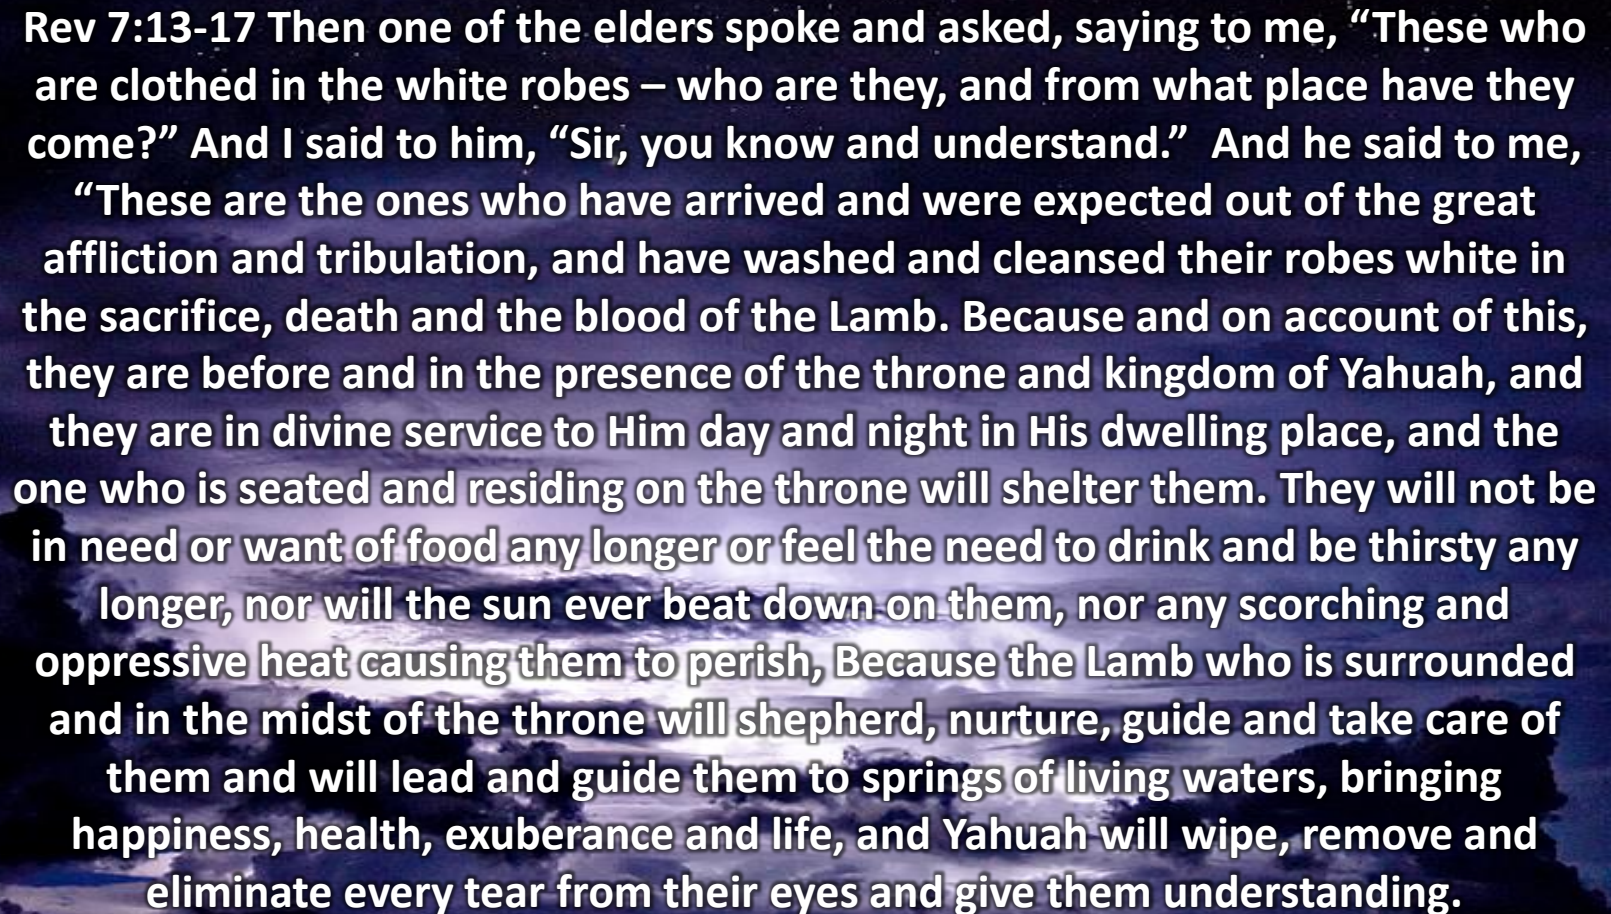

Rev 8:1-2 Then I saw and beheld the seven messengers who stand before Yahuah, and seven trumpets were given to them. And when he opened and spread out the seventh seal, there was silence and quiet in heaven for about half an hour.

For half an hour there is silence! It's during this time that we think Yahusha does his reaping! We think this would be the 1st resurrection, or more rightly our most important event if we have been deemed worthy by Yahusha and NOT a 'RAPTURE'.

Rev 14:14-16 And I looked and paid attention, and behold, a white cloud, and on the cloud was seated resembling a son of man, having on his head a golden crown or wreath signifying his sign of distinction and reward for his accomplishments and in his hand the control of a sharp sickle or scroll. Then another messenger came out of the temple of Yahuah, crying out with a loud voice to the one seated on the cloud, "Send out your sickle or scroll and reap and gather, because the hour to reap and gather has come, because the harvest of the earth is ripe and mature and ready for harvesting. And the one seated on the cloud cast down and moving in a curve or arc swung his sickle or scroll on the earth, and the earth was reaped, harvested and gathered up.

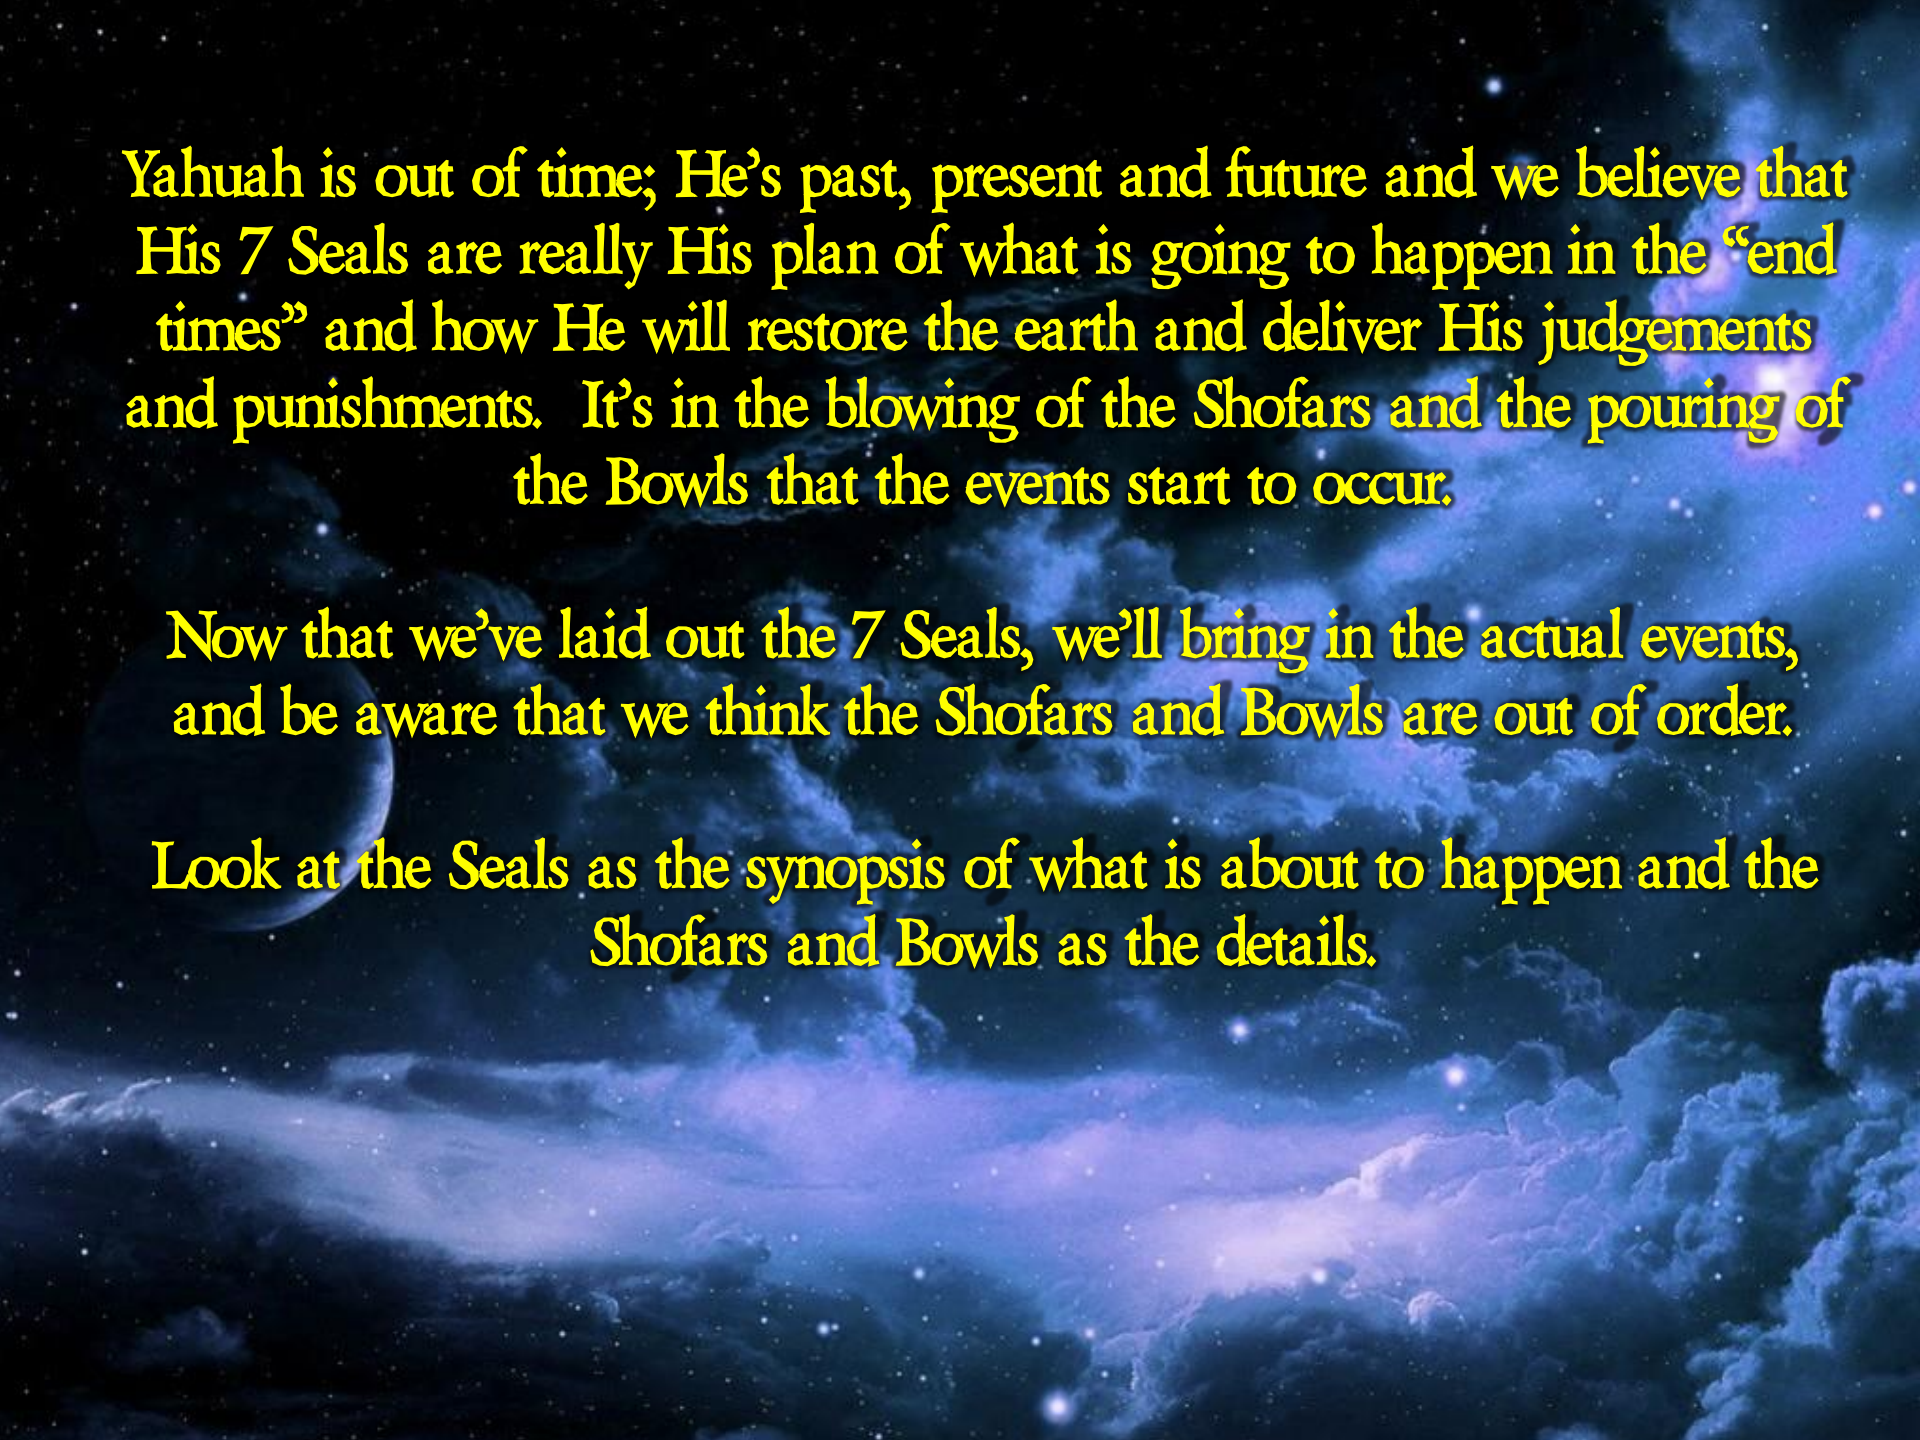

Sow, give birth and plant for yourselves righteousness, honesty and innocence; reap and harvest loyal love, kindness, goodness and graciousness. Break up and cultivate for yourself fallow and freshly cultivated ground; this is the proper time to seek, inquire and search for a relationship with Yahuah so he will come and rain by teaching and instructing righteousness upon you. Hosea 10:12

Enoch 104:6-8 And now fear not, you righteous, when you see the sinners growing strong and prospering in their ways; do not be their companions, but keep away from their violence. For you shall become companions of the hosts of heaven. And, although you sinners say: "all our sins shall not be found out and be written down," nevertheless they shall write down all your sins every day. And now I show to you that light and darkness, day and night, see all your sins.

Rev 7:13-17 Then one of the elders spoke and asked, saying to me, “These who are clothed in the white robes – who are they, and from what place have they come?” And I said to him, “Sir, you know and understand.” And he said to me, “These are the ones who have arrived and were expected out of the great affliction and tribulation, and have washed and cleansed their robes white in the sacrifice, death and the blood of the Lamb. Because and on account of this, they are before and in the presence of the throne and kingdom of Yahuah, and they are in divine service to Him day and night in His dwelling place, and the one who is seated and residing on the throne will shelter them. They will not be in need or want of food any longer or feel the need to drink and be thirsty any longer, nor will the sun ever beat down on them, nor any scorching and oppressive heat causing them to perish, Because the Lamb who is surrounded and in the midst of the throne will shepherd, nurture, guide and take care of them and will lead and guide them to springs of living waters, bringing happiness, health, exuberance and life, and Yahuah will wipe, remove and eliminate every tear from their eyes and give them understanding.

Ps 36:7-9 How precious, rare and splendid is Your loyal love, unfailing kindness and mercy, O Yahuah, and the children of humankind take refuge and find safe shelter in the shadow and protection of Your wings. They drink their fill and are refreshed with the fullness and richness of Your house and temple, and You give them drink from the river of Your delights, paradise of Eden and joy. For with You the fountain, spring and flow of life, happiness, energy and vitality flourishes; in Your light we become aware and see light and are brightened.

Yahuah is out of time; He's past, present and future and we believe that His 7 Seals are really His plan of what is going to happen in the "end times" and how He will restore the earth and deliver His judgements and punishments. It's in the blowing of the Shofars and the pouring of the Bowls that the events start to occur.

Now that we've laid out the 7 Seals, we'll bring in the actual events, and be aware that we think the Shofars and Bowls are out of order.

Look at the Seals as the synopsis of what is about to happen and the Shofars and Bowls as the details.

THE SILENCE IS BROKEN

After the ½ hour of silence in the shamayim which was the opening of the 7th and final seal, now begins the Revealing of the Blowing of the Shofars and the Pouring of the Bowls!!

Rev 8:3-5 And another messenger who had a golden censer which is used for burning frankincense came and stood at the altar, and a large amount of fragrant spices was given to him, as a result and in order that he could offer and produce the prayers and reverent petitions of all the set-apart people on the golden altar that is before and in the presence of the throne. And the messenger took the censer used for burning frankincense and filled it with the fire from the altar and threw and cast it down on the earth, and there underwent a change and created thunders and sounds and noises and lightnings and an earthquake. And the messenger took the censer used for burning frankincense and filled it with the fire from the altar and threw and cast it down on the earth, and there underwent a change and created thunders and sounds and noises and lightnings and an earthquake.

Rev 8:6 Then the seven messengers who possessed the seven shofars made ready and prepared themselves as a result and in order to sound and blow them.

Witnesses and Warnings:

Isa 26:21 Then behold! Yahuah is about to proceed and come out from his place and abode to impose a penalty and punish the iniquity, depravity, perversity, guilt and sin of the inhabitants of the earth against him, and the earth will disclose and make known the information about her blood, the slaughter and murder and will no longer prevent or keep hidden her slain.

Isa 13:11 And I will impose a penalty and inflict punishment on the world for its evil and wickedness causing misery and suffering and the wicked and unrighteous transgressors for their iniquity, depravity, perversity, guilt and sin. And I will impose and bring to an end the pride, loftiness, and arrogance of the inflated and presumptuous, and I will humble and humiliate the haughtiness, unreasonable and inordinate self-esteem of the merciless and violent tyrants

Mal 4:1 “For behold, the day is about to come and pass, burning like an oven, and all the presumptuous, inflated and arrogant and every morally objectionable evildoer that manufactured and caused wickedness will be stubble and worthless chaff. The coming day will consume, burn, and devour them,” says Yahuah of hosts. “It will not leave unchanged, undisturbed or behind for them root and foundation or branch.

1st Bowl

1ST BOWL – THIS BOWL IS EXPRESSLY FOR THOSE THAT HAVE TAKEN THE MARK OF THE BEAST AND WORSHIPED HIS IMAGE.

THEY GET TO FULLY EXPERIENCE EVIL, LOATHSOME AND PAINFULLY WICKED FESTERING WOUNDS.

Rev 16:1-2 Then I heard and paid attention to a loud voice from the temple saying to the seven messengers, “Go and pour out to cause the earth to fully experience the seven bowls of the wrath, fury and intense anger of Yahuah.” And the first went and poured, causing the earth to fully experience his bowl, and there was an evil, loathsome and painfully wicked sore and festering wound on the people who had the mark, brand, stamp and image of the beast and who worshiped and paid reverence and obeisance to his image.

Isa 3:9 The bias and partiality of feelings expressed on their faces testifies and gives answers against them and they declare and give evidence to their sin and transgressions like Sodom; they do not hide, deny or conceal it from being seen or discovered. Isa 42:8 I am Yahuah, that is My name, reputation and standing, and I do not give My honor, esteem and reputation to another, nor My praise and words of homage to the pagan graven images and idols.

Changing climate lengthens forest fire season

Date: July 20, 2015

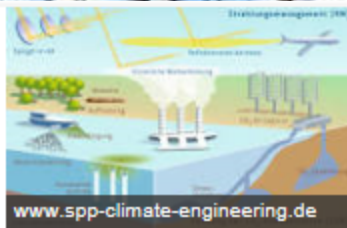

Source: South Dakota State University

Summary: Over a 35-year period, the length of forest fire seasons worldwide increased by 18.7 percent due to more rain-free days and hotter temperatures, according to research. The study examined weather data from 1979 through 2013 to determine how a changing climate impacts forest ecosystems.

As we look at the shofars and bowls, the more we study it, it becomes more and more apparent that it's the human population that brings on what is occurring. It is geo-engineering the weather that has changed the climate. No rain causes more fires. There's not a place in the world these days that does not show that there is spraying of chemtrails.

Geoengineering is the artificial modification of Earth's climate systems through two primary ideologies, Solar Radiation Management (SRM) and Carbon Dioxide Removal (CDR)

[Geoengineering Watch | Exposing the climate engineering ...](http://www.geoengineeringwatch.org/)

Aluminum is one of the main ingredients in the chemtrails and they have found that it makes fires burn hotter and longer.

Yahuah doesn't have to do anything, because He knew and it is written in His Scroll with 7 Seals that we would basically destroy the earth and ourselves. The End will be when Yahuah has had enough and reclaims His earth and His remnant.

Graupel

What? You've never heard of graupel? It's a real thing, and looks a lot like sleet or small hailstones, but the small balls are made of snow, not ice, and they are white. They almost look like tiny styrofoam pellets.

This form of precipitation starts as snowflakes, then those snowflakes grow larger and larger as supercooled water funnels up into the clouds and bonds to the flakes. You can tell the difference between graupel and hail or sleet by picking up the tiny snowballs — if they're soft and easy to crush, it's graupel. In fact, graupel is often referred to as "soft hail." It often bounces and breaks apart once it hits the ground.

Graupel looks like tiny styrofoam pellets; sometimes called "soft hail."

Methane gas leak creates ghost town i...

By Stefan Stanford - All News Pipeline - Live Free Or Die

www.PorterRanchILawsuit.com

The story over at ENENews tells us about the largest gas leak ever recorded equivalent to the strength of a volcanic eruption, and according to one expert, "It's so far above and beyond what I've ever seen." Telling us that what we're now watching unfolding in Los Angeles (with barely a peep from the mainstream media!!!) is 'potentially devastating' on a planetary scale', we're also told we're watching a disaster unfolding in slow motion that may take up to 4 months or more to stop and is leaving thousands of Californians suffering nosebleeds and vomiting according to this story.

Being called the biggest environmental disaster since the 2010 BP oil spill, activist Erin Brockovich joins Democracy Now in the 2nd video below to talk about this unbelievable mess that has left one California city a 'ghost town' as shared in the 3rd video below while in the 1st video below, we hear the warning from a medical doctor, "if you're in the area, get out now!"

Methane gas leak creates ghost town i...

First, from Erin Brockovich.: Southern California Gas Co., or SoCalGas, has essentially ignored the impact to victims and its actions have instead added to their suffering. The company has refused to release air quality data that could be used to protect its residents, it has made relocation very difficult, and it has forged ahead with plans to expand its facility before the leak has even been contained.

The enormity of the Aliso Canyon gas leak cannot be overstated. Gas is escaping through a ruptured pipe more than 8,000 feet underground, and it shows no sign of stopping. As the pressure from weight on top of the pipe causes the gas to diffuse, it only continues to dissipate across a wider and wider area. According to tests conducted in November by the California Air Resources Board, the leak is spewing 50,000 kilograms of gas per hour — the equivalent to the strength of a volcanic eruption. At this rate, in just one month, the leak will have accounted for one-quarter of the total estimated methane emissions in the state of California.

We also can take a look at the real-time impact of the Aliso Canyon methane leak in the interactive chart below which shows us the amount of CO2 being released into the air and how that compares to gasoline and US dollars. As of this moment, over 78,000 metric tons of methane has escaped since October 23, 2015. as Brockovich tells us, in just one month, this leak has accounted for 1/4 of the TOTAL estimated methane emissions in the entire state. What kind of damage is this doing to our atmosphere every moment of the day? As we've been told, it is an unprecedented catastrophe.

Ps 37:34-36 Wait and look forward to the arrival of Yahuah and keep, preserve and guard His way, path and manner, and He will exalt and lift you up to possess and inherit the land. When the wicked and unrighteous are cut off and exterminated, you will see and become aware of it. I have seen the wicked and unrighteous acting violently, showing no mercy and causing fear while spreading himself out like a luxuriant native citizen. Then he went on his way and behold, he was absent. And I sought and tried to discover him, but he could not be found.

Ps 18:12 From and on account of the brightness before Him, His clouds passed over and moved with hail and coals of smoldering fire.

Ps 90:5-6 You sweep their life away without a trace, pouring forth like a flood. They fall into the sleep of death. In the morning they are like grass that sprouts anew. In the morning it blossoms, radiates, flourishes and sprouts anew; by evening it withers, shrivels and is cut down.

Jer 7:20 Therefore and most assuredly says Yahuah, "Look and behold, my anger and my wrath will be poured without restraint on this place, on the humankind and on the animal, and on the tree of the field, and on the fruit of the ground, and it will burn, consume and destroy and will not be extinguished or quenched."

Rev 8-9 Then the second messenger blew and sounded the shofar, and something like a great and remarkable mountain burning with a destructive and punishing fire was thrown and cast down into the sea, and a third of the sea appeared as if hemorrhaging blood, And a third of the creatures, brought into existence by Yahuah, in the sea – the ones which had possessed vitality and the state of being alive – died, and a third of the ships were utterly destroyed.

2ND BOWL – GOES WITH THE 2ND SHO FAR, WHICH IS Poured ONTO THE SEA AND THE SEA DIES. THIS WOULD CORRESPOND WITH THE FACT THAT THE SHO FAR SHOWS A THIRD OF THE SEA DIES, BUT THIS BOWL COULD HAVE BEEN Poured ON THAT THIRD.

Rev 16:3 And the second poured and caused to flow out of his bowl like a sacrifice on the sea, and it became blood, like a dead lifeless person, and every living soul of things, once being in a state of healthiness and vitality, that was in the sea died.

Underwater volcano erupting, hard to tell if it was thrown down into the sea or coming up from the sea!

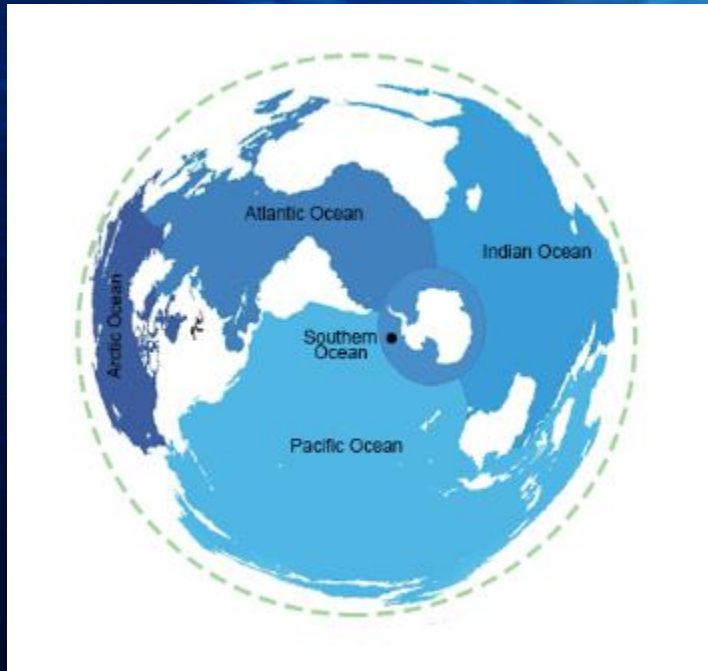

Another underwater volcano erupting, was it thrown down into the sea or coming up from the sea?

Reading Rev 16:3 you will note that it's "SEA" not "SEAS" – thought that was interesting since we think there are multiples of this, but if Yahuah says "SEA" then He must be correct!

How many oceans are there?

There is only **one** global ocean.

While there is only one global ocean, the vast body of water that covers 71 percent of the Earth is geographically divided into distinct named regions. The boundaries between these regions have evolved over time for a variety of historical, cultural, geographical, and scientific reasons.

Historically, there are four named oceans: the Atlantic, Pacific, Indian, and Arctic. However, most countries - including the United States - now recognize the Southern (Antarctic) as the fifth ocean. The Pacific, Atlantic, and Indian are known as the three major oceans.

Canadian scientists track Pacific Ocean currents... using Fukushima radiation

The **Pacific Ocean** is the largest of the Earth's oceanic divisions. It extends from the Arctic Ocean in the north to the Southern Ocean (or, depending on definition, to Antarctica) in the south and is bounded by Asia and Australia in the west and the Americas in the east.

At 155.56 million square kilometers (60.1 million square miles) in area, this largest division of the World Ocean—and, in turn, the hydrosphere—covers about 46% of the Earth's water surface and about **ONE-THIRD** of its total surface area, making it larger than all of the Earth's land area combined.!

It was the worst year in the center's 40-year history, staff said... **Only half the usual number of sea lion pups were born off the California coast in 2015**, [Dr. Shawn Johnson, director of veterinary science at the Marine Mammal Center] said... veterinarians at the Marine Mammal Center are bracing for the worst.

Eze 47:9-11 Then every living being with which it teems and swarms, to every place the waters move along and gather it will live and be well; and abundant and greatly varied fish will live because these waters came and gathered there, then it will be purified of dangerous elements, being healed and restored so everything will be revived and flourish with life everywhere that the stream will come and gather. Then fishermen from En Gedi, which is a place on the western shore of the Dead Sea, and on up to En Eglaim, also near the Dead Sea, will stand respectfully and in position beside it, a sea-girt drying yard for nets: their fish will be of every kind, like the fish of the great sea, and with great abundance. But its waterlogged ground, marshes and its swamps will not be purified of dangerous elements and cured, for these were allowed to be given and caused to produce salt thereby turning the area into a barren wasteland with no vegetation.

Is 2:12-17 Verily a day in regard to Yahuah of hosts against and on account of all of the proud and the lofty and against and on account of all that is lifted, raised up, exalted and humbled, And against and on account of all the lofty and lifted up, exalted cedars of Lebanon, and against and on account of all the large trees of Bashan, And against and on account of all the high mountains and exalted mountains, and against and on account of all the lofty and raised up hills, And against and on account of every kind of high and exalted tower, and against and on account of every kind of fortified and inaccessible wall, And against and on account of all the ships of Tarshish carrying precious stones, and against and on account of all the ships of desire and regret for precious and valuable things. Then the arrogance and haughtiness of the people shall be humbled and humiliated, forcing them to bow down, and the pride and defiance of everyone shall be brought low, and Yahuah alone and set-apart will be exalted, honored and raised up on that day.

3RD SHOFAK SOUNDS – THIS IS WHEN WORMWOOD FALLS FROM THE SHAMAYIM AND A THIRD OF THE RIVERS AND SPRINGS OF WATER ALL DIE.

Rev 8:10-11 Then the third messenger blew and sounded the shofar, and a remarkable and great star burning like a torch of lightning fell from the shamayim and died, and it collapsed, bringing death on a third of the rivers and on the springs of water. And the name of the celestial body, star was called and identified as Wormwood, an herb of the genus, Artemisia, and a third of the waters became and changed into wormwood having a harsh and unpleasant taste, and many people died from the waters because they were made bitter with resentment and in agony.

3RD BOWL – GOES WITH THE 3RD SHOFAK, WHICH IS Poured ON THE RIVERS AND SPRINGS OF WATER BECOME BLOOD OF DEATH

Rev 16:4 Then the third caused to flow and poured out his bowl on the rivers and the springs of water, and they became blood of death.

1) Lake Victoria borders three countries in East Africa - Kenya, Tanzania and Uganda - people who come in contact with the water are susceptible to coming away with several diseases including, schistosomiasis, bilharzia, cholera, pneumonia, diarrhea, and several skin diseases.

2) The 200-mile long Citarum River in Indonesia hosts more than 500 factories along its banks and is quite possibly the most polluted river in the world -

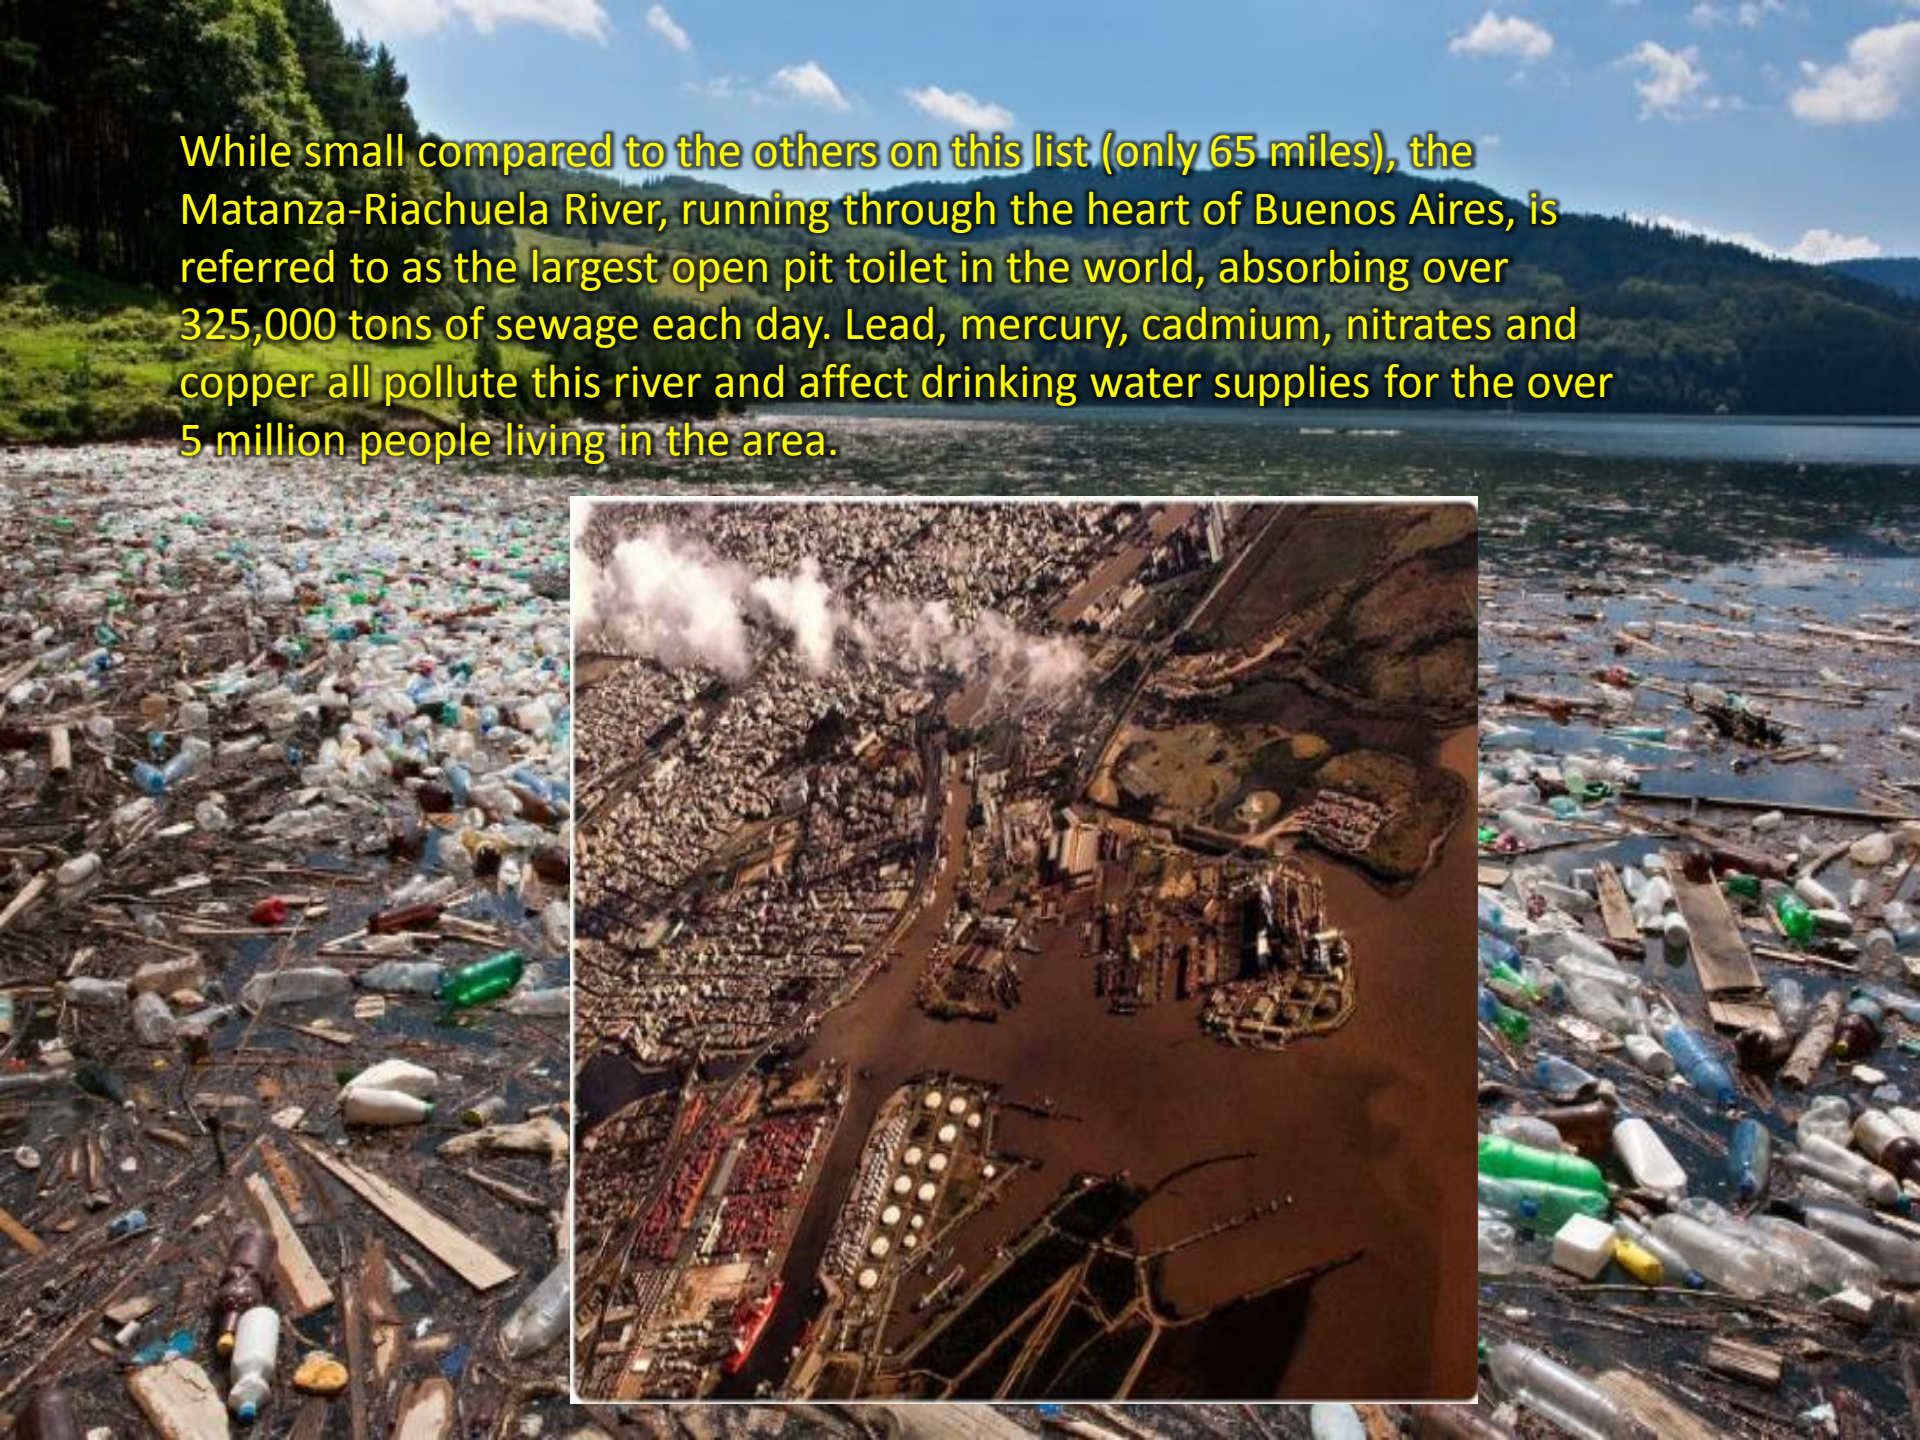

The Great Lakes (US/Canada) have taken a beating over the years thanks to pollution from the auto industry, oil refineries, steel plants, agricultural runoff and pollution, chemical plants and transportation runoff. While not the worst on this list, the lakes have accumulated a toxic soup that we have yet to deal with.

This 3,400 mile-long Yellow River in China is frequently contaminated by chemical spills, and frequent diversions and damming, which causes the Yellow to often run dry and sometimes even turn red. 1/3 of the river is unusable, but this doesn't seem to be slowing things down as the river is used to provide water for millions of people in China, whose expanding cities are another reason the river is contaminated.

While small compared to the others on this list (only 65 miles), the Matanza-Riachuela River, running through the heart of Buenos Aires, is referred to as the largest open pit toilet in the world, absorbing over 325,000 tons of sewage each day. Lead, mercury, cadmium, nitrates and copper all pollute this river and affect drinking water supplies for the over 5 million people living in the area.

Lake Onondaga (US) is so polluted it was designated a hazardous waste site by the US Environmental Protection Agency. Phosphorous, ammonia, nitrite, mercury, bacterial contaminants, from a long history of industrial activity in the area, along with non-point source pollutants, combine to make this lake one toxic soup.

This lake is in New York

Believe it or not, Lake Karachay (Russia) is completely contaminated with radioactive (and other types of) waste, that was dumped into the lake from the Mayak Nuclear Waste Storage Facility, starting in the 1950's. The waste is currently seeping out into area soils and rockbeds, threatening other rivers and even the Arctic. Scientists predict that if it makes it to the Arctic, it could spread around the world.

The Yumana River may be the site of historic and holy rituals, but it's also got its share of crap - literally. Over 3.5 billion liters of sewage pass through the river daily (making it over 100,000 times higher than limits safe for bathing), and the city removes another 1.1 billion litres of river water each day. No fish or plants can live in the river and holy leaders have threatened to boycott annual pilgrimages to the area due to the high contamination levels.

Pin it

More than 2,800 factories line the shores of Lake Tai, the 3rd largest lake in China, contributing to its title as one of the largest and most polluted in the country. Officials have estimated a hefty \$14.4 billion price tag to clean up all of the industrial dumping and sewage that contaminates these waters. Currently the waters have a green tint from all of the algae flourishing thanks to their ample source of industrial pollution in the lake.

The damage done to the Yangtze River due to pollution is so bad its been described as irreversible. Over 360 miles of the 3,860-mile long Yangtze River are polluted due to damming, inadequate sewage, industrial pollution and rapid population growth. Currently the river is responsible for 35% of the country's fresh water fish supply, while construction of the Three Gorges Dam along the river displaced over 1 million people.

The Mississippi River (US). How could we forget this mammoth river that crosses 10 states and carries millions of metric tons of pollutants with it to its mouth in the Gulf of Mexico each year, creating a the notorious "deadzone." During the 1990s, this river discharged over 100 million pounds of toxics downriver each year. The Dead Zone is aptly named due to the low levels of oxygen, causing no aquatic life to survive in this area.

5TH SHO FAR IN THE 4TH POSITION SOUNDS – THIS IS WHEN THE MESSENGER OPENS UP THE PIT AND THE LOCUSTS ARE GIVEN THE POWER TO TORMENT AND TORTURE FOR 5 MONTHS, BUT NOT INTENTIONALLY KILL THEM. ONLY THOSE WITH THE SEAL OF YAHUAH WILL BE LEFT UNHARMED.

Rev 9:1-5 Then the fifth messenger blew and sounded the shofar, and I saw a celestial star, a visible supernatural being, that fell down from the shamayim to the earth, and the key to unlock the shaft, dungeon, pit of the abyss, which is bottomless and used for detaining and punishing demons, was given and granted to him. And he opened and disclosed the shaft, dungeon, pit of the bottomless abyss, and smoke traveled up the shaft like smoke from a great and remarkable melting furnace, and the sun and the air were darkened into blindness by the smoke from the shaft. And out of the smoke locusts came forth to the earth, and power, authority and jurisdiction was granted, permitted and given to them like the scorpions, which being associated with punishment, of the earth have power, authority, and jurisdiction. Then it was told to them that they should not damage, harm or injure any green plant or any tree, except those people who lack and are without the seal and mark of Yahuah on their foreheads. And it was permitted, allowed and granted to them that they should not intentionally and knowingly kill them, but that they would be tormented, harassed, battered, become extremely troubled and experience anguish five months, and their torment and experience of unbearable physical pain and extreme mental distress is like the torment and unbearable physical pain of a scorpion when it stings, strikes and wounds a person.

Rev 9:6-11 Yet in those days people will seek, inquire and desire death and will never find or obtain it, and they will long and greatly desire to die, yet death will have no refuge and flee from them. Likewise the appearance and image of the locusts was like horses prepared and suitably equipped for battle, and on their heads crowns of distinction similar and resembling gold, and their faces and countenance were like men's faces and countenance, and they had hair like the hair of women, and their teeth were as lions, and they had and wore breastplates like iron breastplates, and the sound and outcry of their wings appeared like the sound and outcry of many horse-drawn chariots running and moving swiftly into battle. They also have and possess tails resembling and similar in appearance to scorpions, with a long segmented tail ending in a stinger that stings, goads and prods, and their power, authority, control and jurisdiction to injure, harm and mistreat people for five months is in their tails. They have as king and ruler over them the messenger of the bottomless and deep abyss, whose name in Hebrew Abaddon, and in Greek he has the name Apollyon.

We know the destruction that locusts can do on the earth, but we also know what man can do to this earth – through geo-engineering it is possible to make a “land that was a bread basket into cracked and dried earth” bringing on famine. In Haiti, they eat dirt, what a horrible way to die, it’s not quick.

Then you have wars and “victims of wars” – or as the victor calls, the prizes of wars – good example of what is going on these days with ISIS.

One of the women told Dakhil that she had been forced to watch as Islamic State terrorists raped her 9-year-old daughter and then let the girl bleed to death.

(If you think that ISIS couldn't sink lower than this, you're wrong.)

Dakhil told her interviewer an even more horrific story about a Yazidi mother who was separated from her two young children by Islamic State terrorists.

After they had forced her to abandon her children, the mother was starved for two days by ISIS, after which they finally brought her a meal that consisted of rice and meat.

After she finished eating, the mother was told that she just ate the meat of her three-year-old son.

Witnesses:

Joel 1:4 What the cutting locust or caterpillar has left behind, the swarming locust or migratory with wings grasshopper has eaten and devoured. What the swarming locust has left behind, the hopping or creeping without wings locust has eaten and devoured. What the hopping locust has left behind, the destroying locust in its consuming and destructive phase has eaten and devoured.

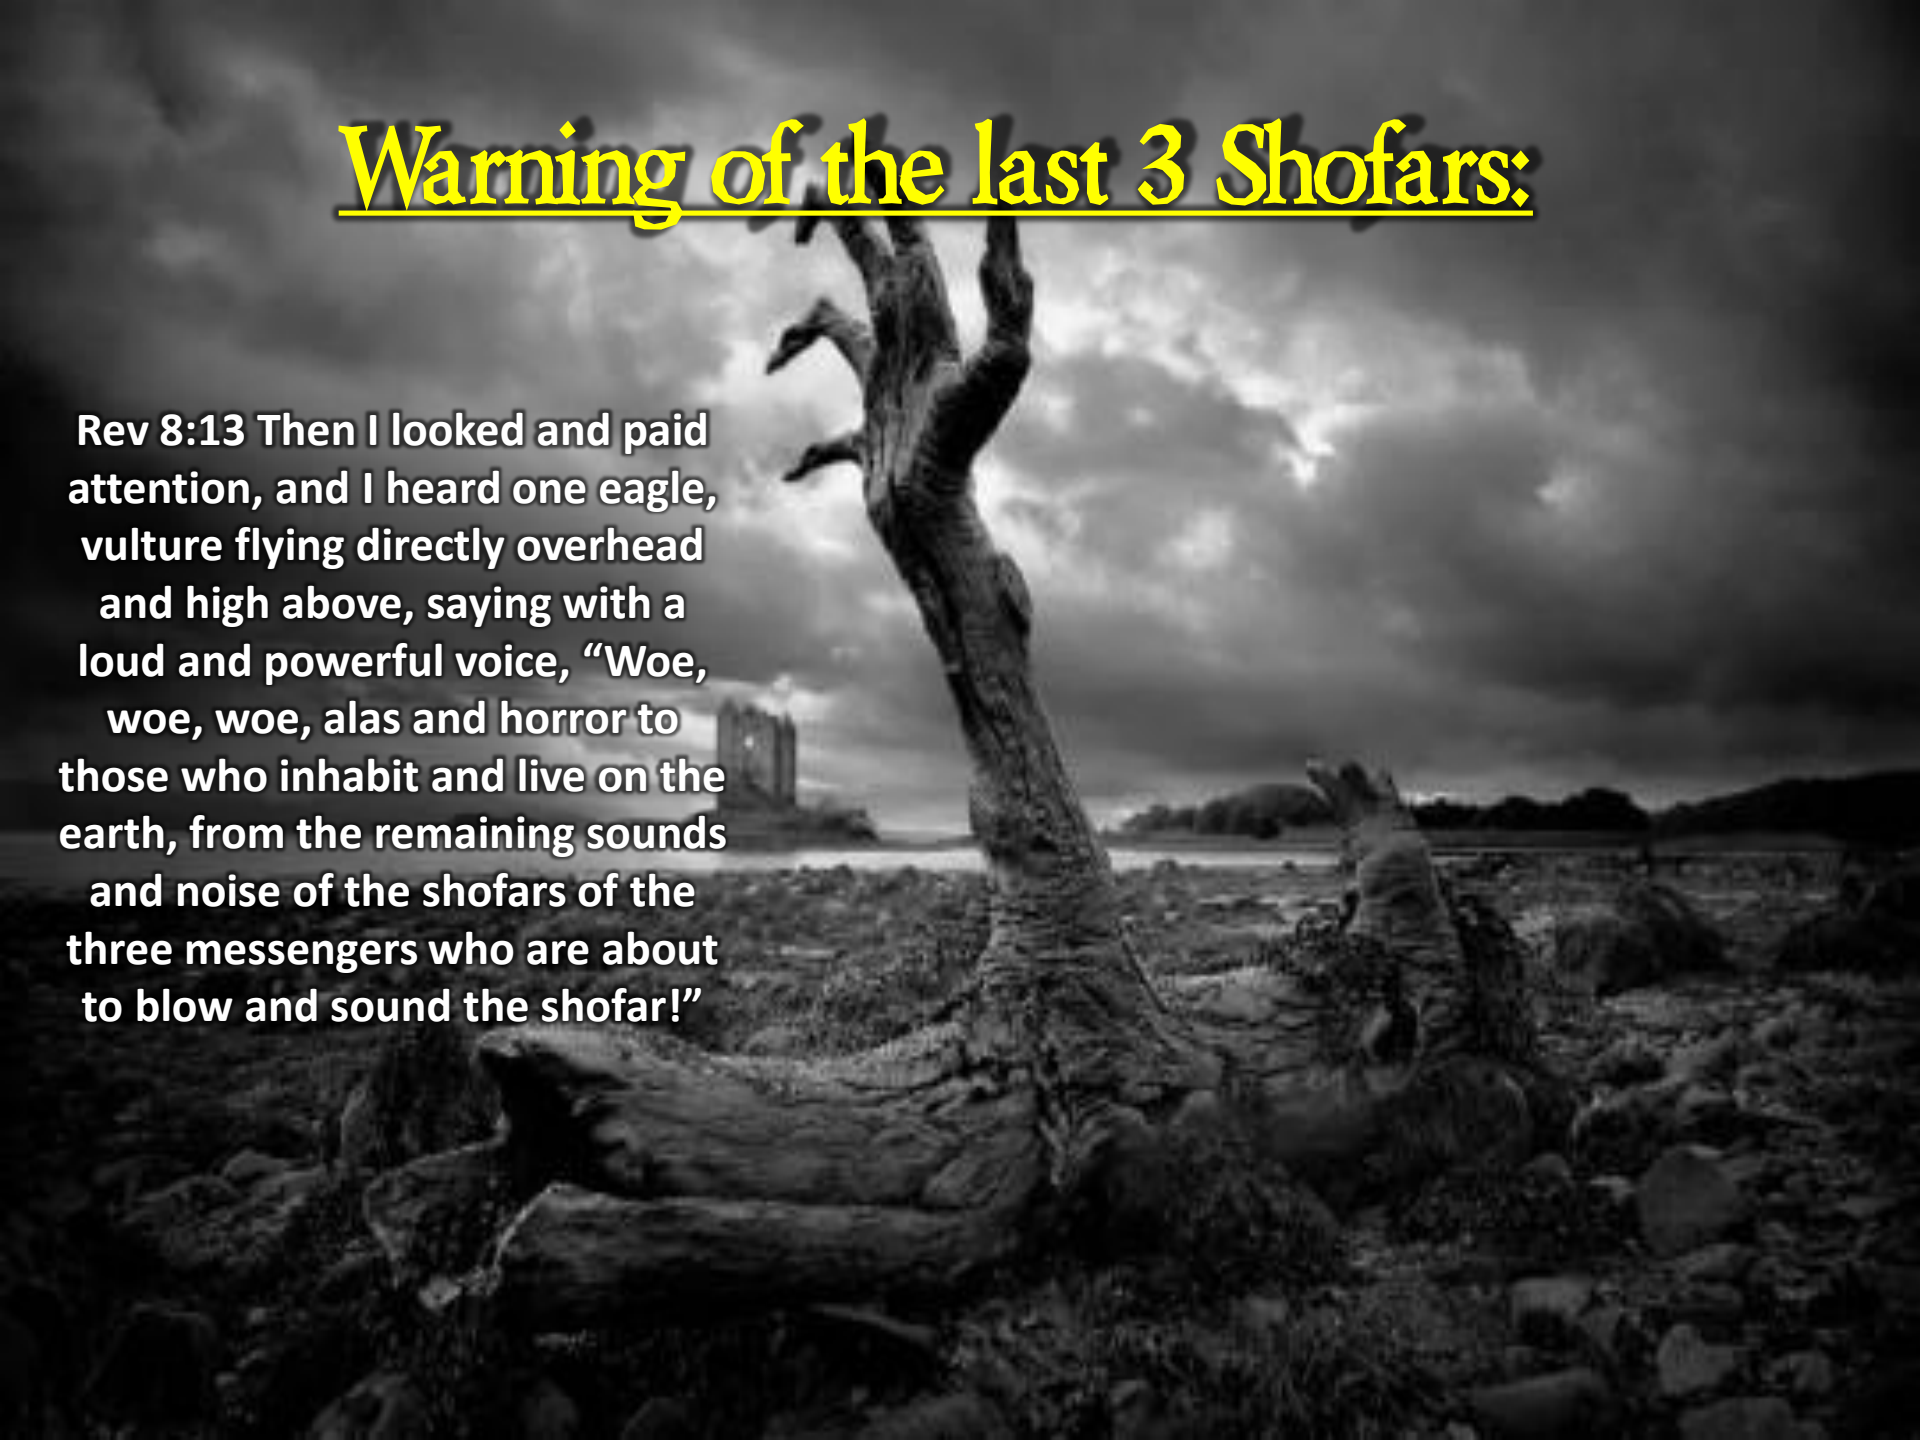

Joel 1:6-7 Surely a nation, a swarm has invaded and offered up my land as a sacrifice, strong and powerful and beyond counting. Its teeth the teeth of a lion, and its fangs a lioness. It has made and caused my vine a desolation of decay and destruction, and my fig tree a completely splintered and broken stump. It has stripped them bare and cast them down; their branches have turned white, purified and spotless.

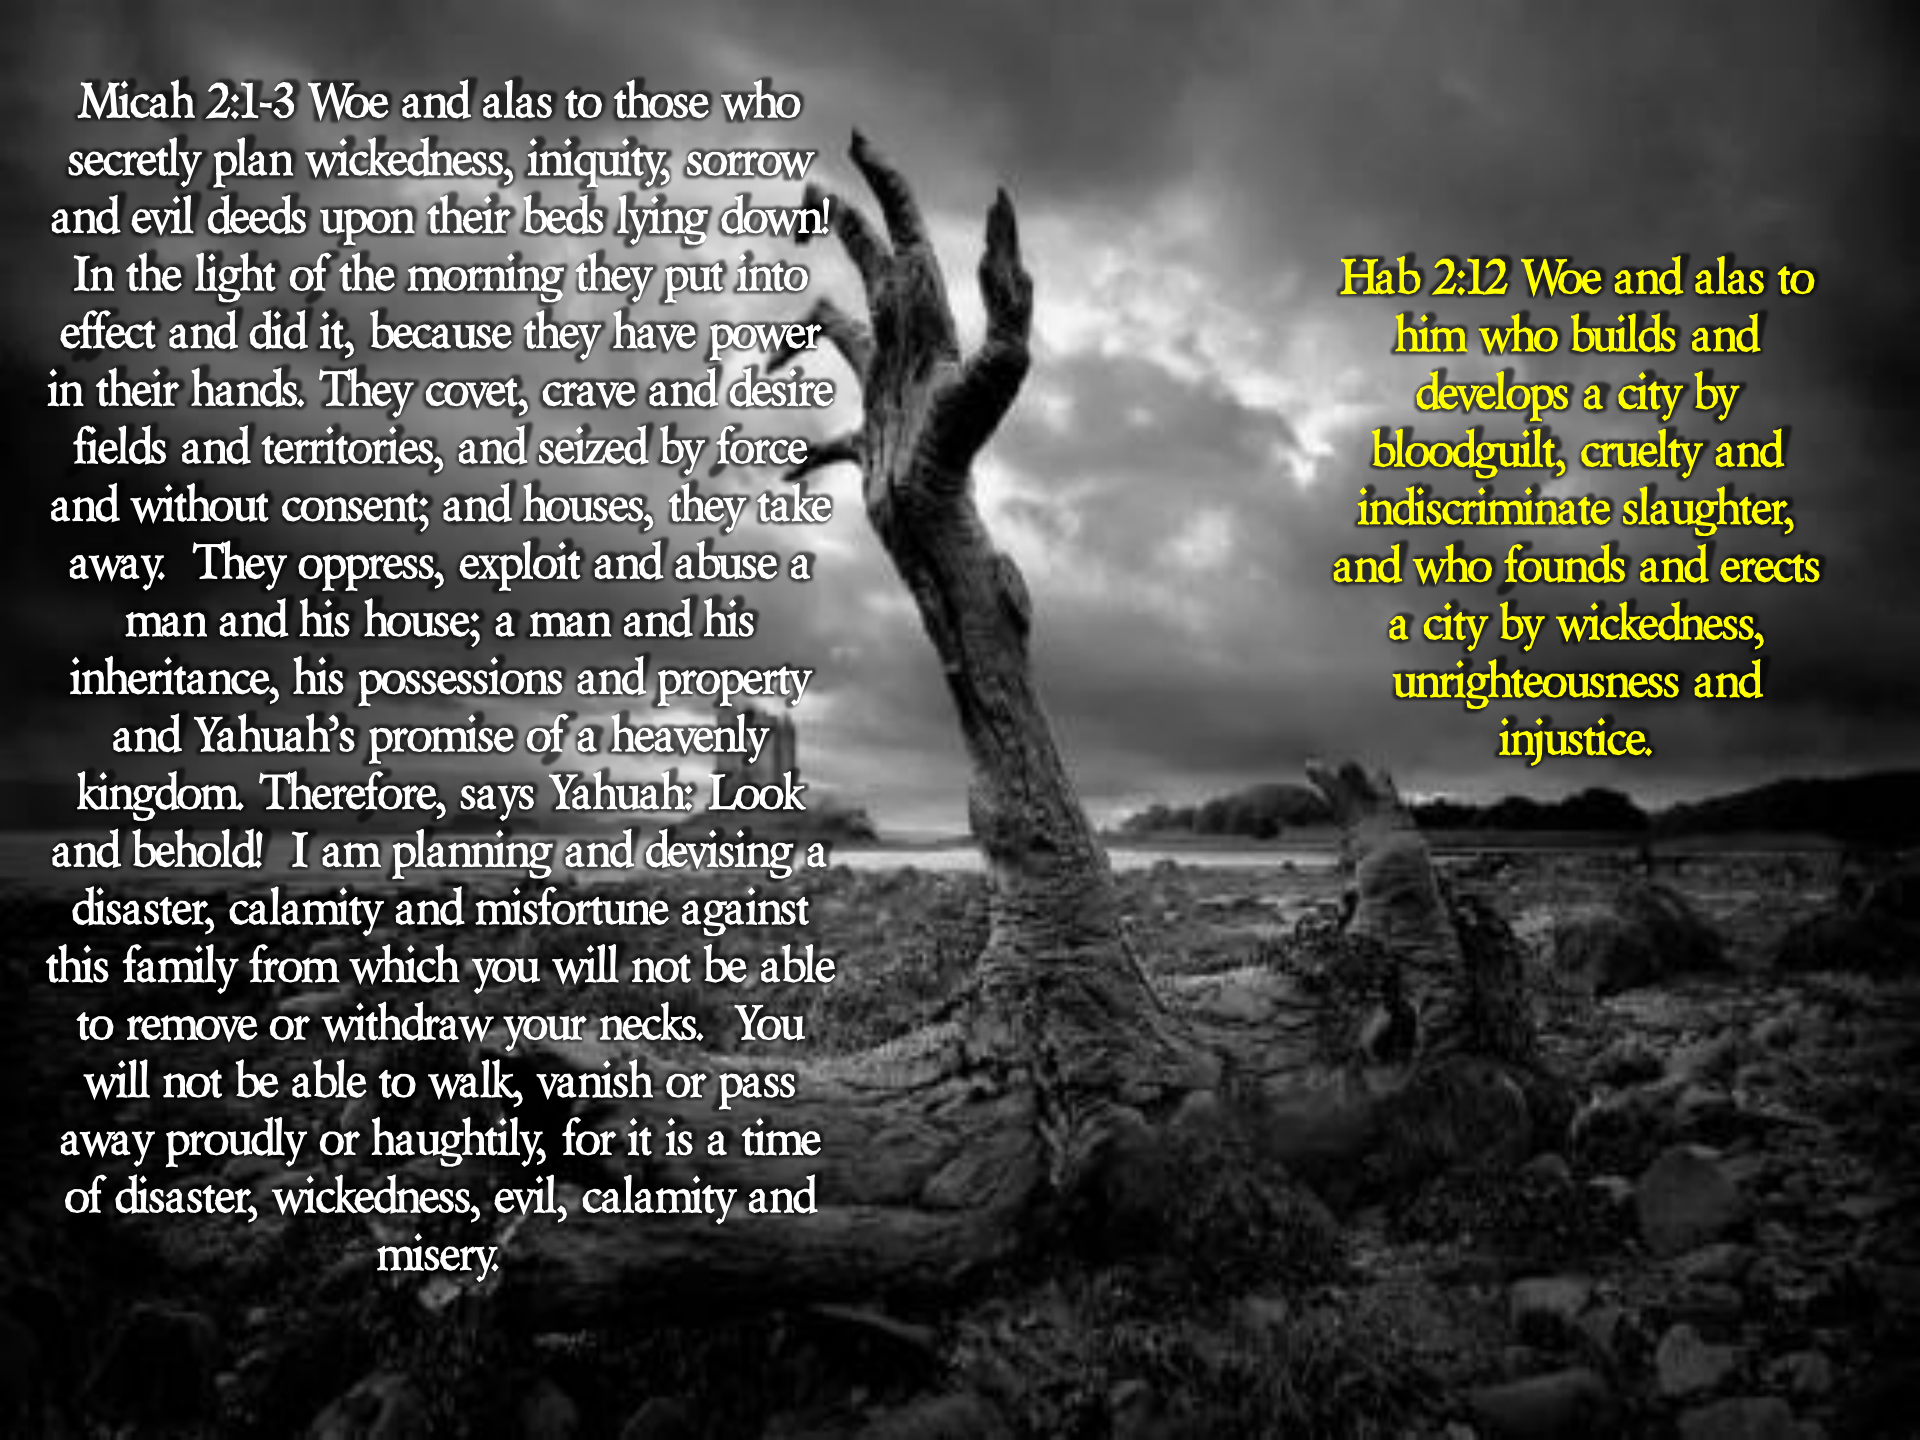

Joel 2:4-6 Like the appearance and vision of horses is their clearness, and like horsemen they run; like the sound and noise of chariots on the tops of the mountains, they leap and dance about; like the sound and noise of a flame of fire devouring and completely destroying stubble, straw or chaff; like a strong army arranged in rows for battle. From before and because of them nations writhe, tremble and are in a state of anguish, all faces turn pale from emotional distress.

Warning of the last 3 Shofars:

Rev 8:13 Then I looked and paid attention, and I heard one eagle, vulture flying directly overhead and high above, saying with a loud and powerful voice, “Woe, woe, woe, alas and horror to those who inhabit and live on the earth, from the remaining sounds and noise of the shofars of the three messengers who are about to blow and sound the shofar!”

Micah 2:1-3 Woe and alas to those who secretly plan wickedness, iniquity, sorrow and evil deeds upon their beds lying down!

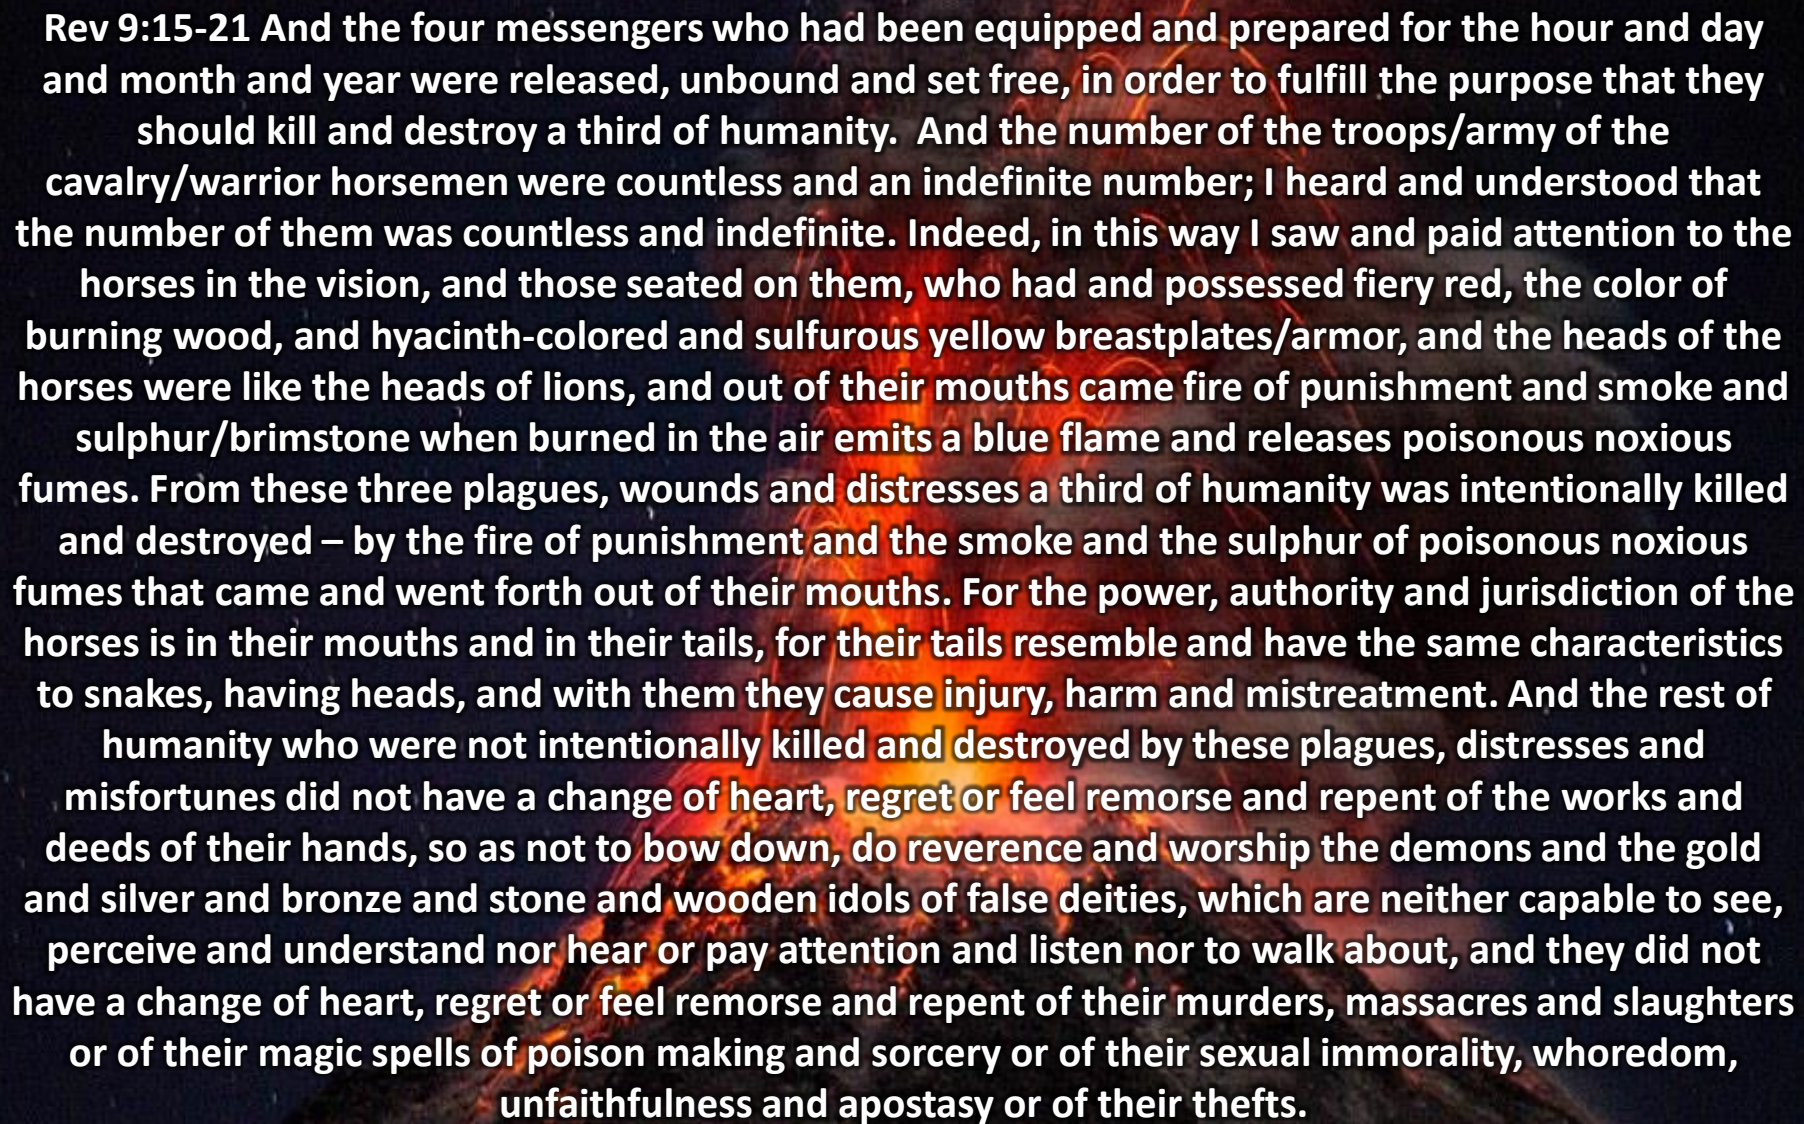

In the light of the morning they put into effect and did it, because they have power in their hands. They covet, crave and desire fields and territories, and seized by force and without consent; and houses, they take away. They oppress, exploit and abuse a man and his house; a man and his inheritance, his possessions and property and Yahuah's promise of a heavenly kingdom. Therefore, says Yahuah: Look and behold! I am planning and devising a disaster, calamity and misfortune against this family from which you will not be able to remove or withdraw your necks. You will not be able to walk, vanish or pass away proudly or haughtily, for it is a time of disaster, wickedness, evil, calamity and misery.

Hab 2:12 Woe and alas to him who builds and develops a city by bloodguilt, cruelty and indiscriminate slaughter, and who founds and erects a city by wickedness, unrighteousness and injustice.

5th Shofar

**6TH SHOFAR IN THE 5TH
POSITION SOUNDS – THIS
IS
WHEN THE 4 MESSENGERS
WHO HAD BEEN BOUND
AND IMPRISONED AT THE
EUPHRATES ARE
UNBOUND TO FULFILL
THE PURPOSE OF KILLING
AND DESTROYING A THIRD
OF HUMANITY.**

Rev 9:13-14 Then the sixth messenger blew and sounded the shofar, and I heard and paid attention to one voice from the horns and the Power of the golden altar that is before and in sight of Yahuah saying to the sixth messenger, the one who had the shofar, “Release, unbind and set free the four messengers who have been bound and imprisoned in chains at the great river Euphrates (Perath, meaning to break forth; rushing), a river of the east, (the largest and longest river of Western Asia, rises from two chief sources in the Armenian mountains, and southward of Babylon unites with the Tigris and empties itself into the Persian Gulf)!”

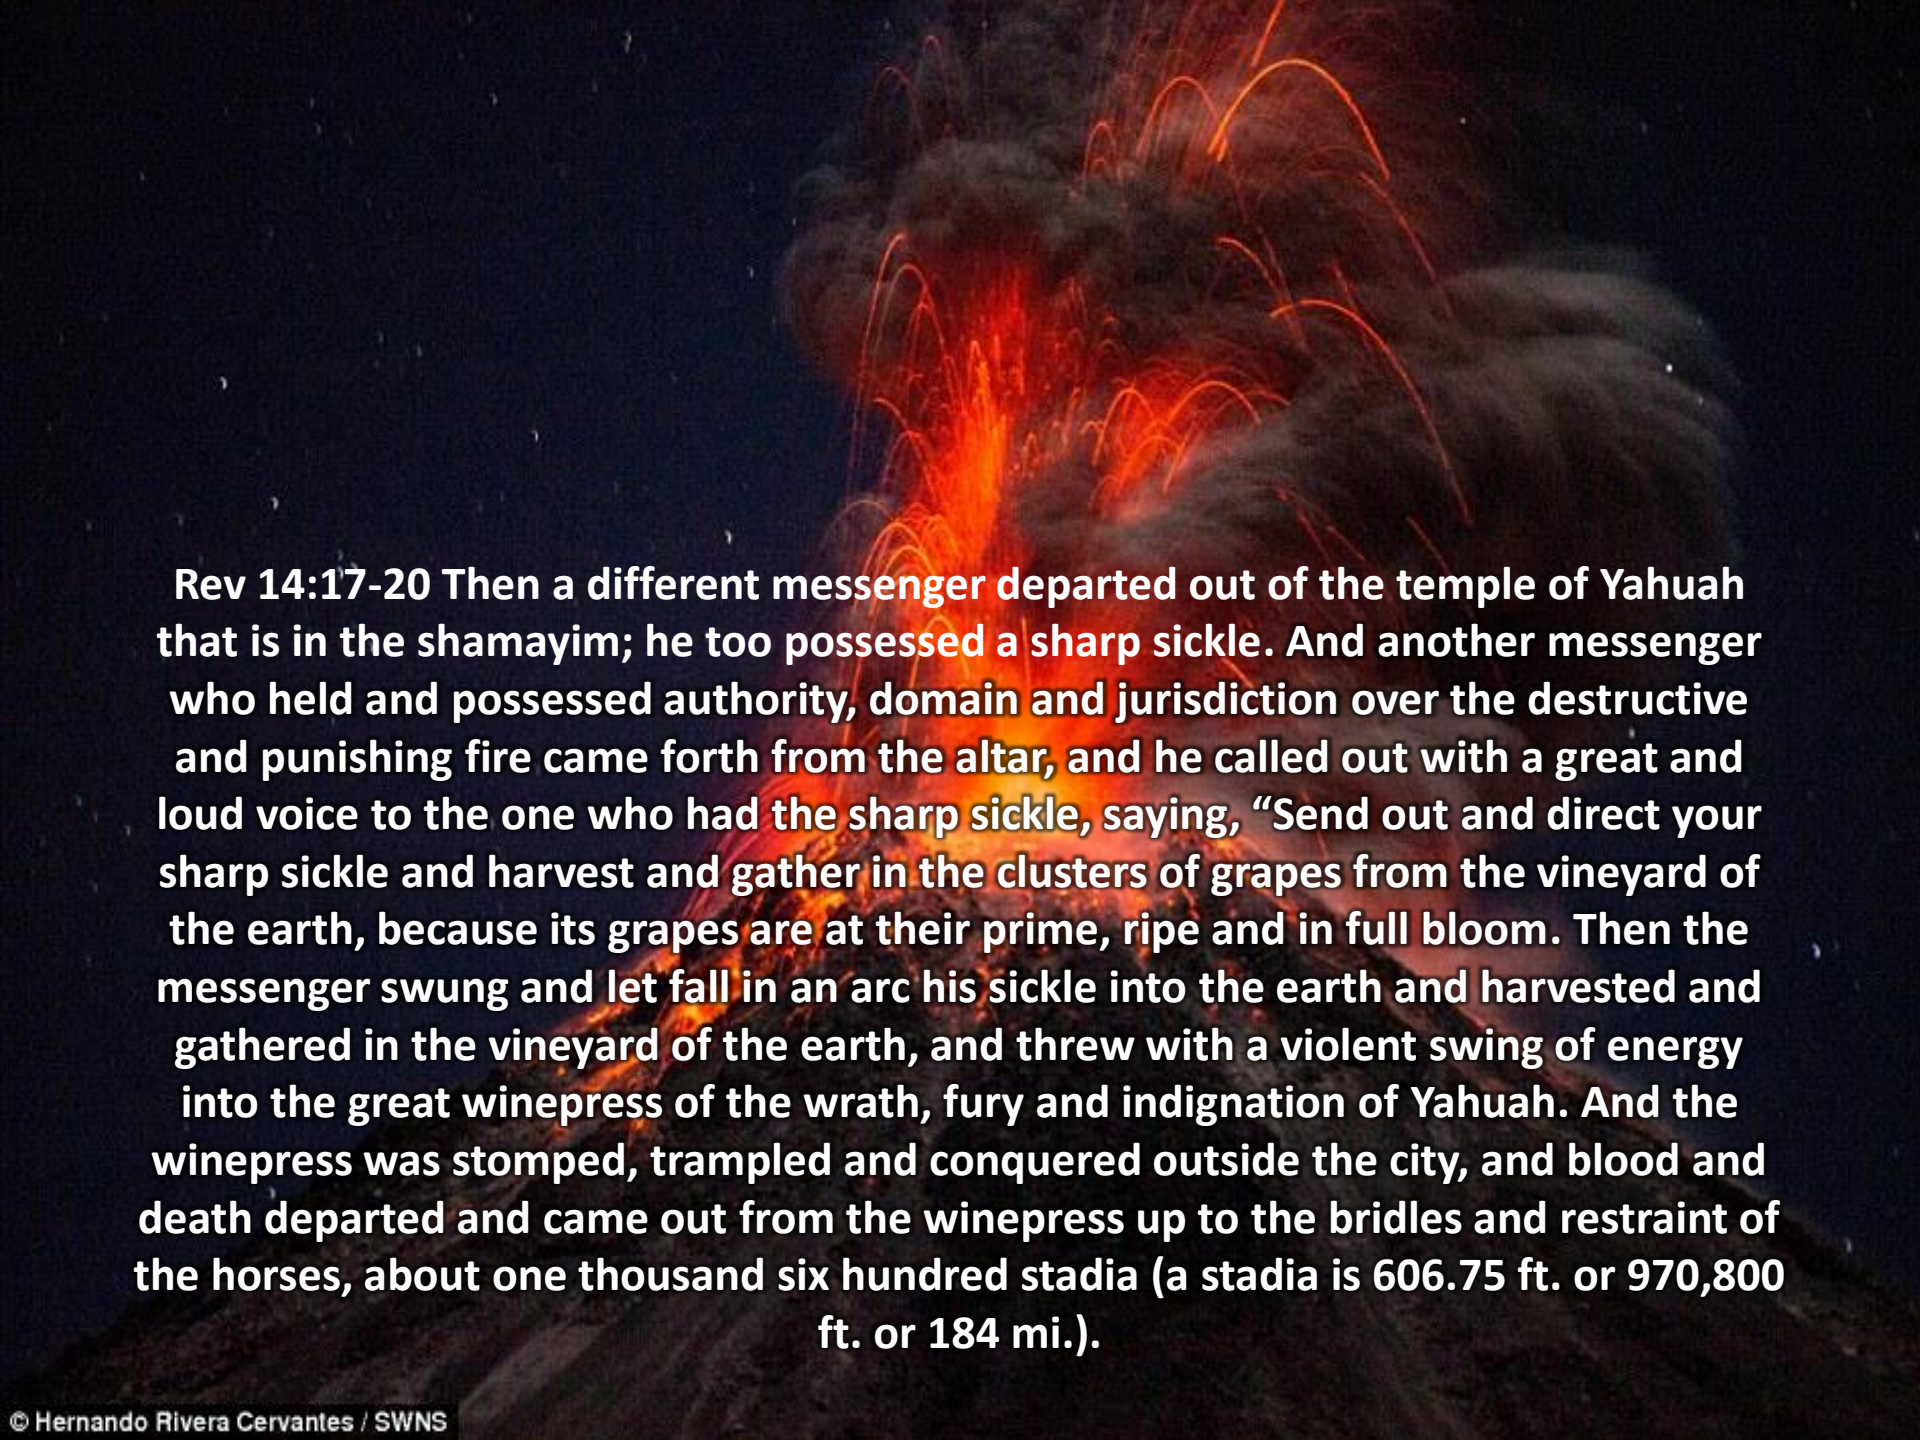

Rev 9:15-21 And the four messengers who had been equipped and prepared for the hour and day and month and year were released, unbound and set free, in order to fulfill the purpose that they should kill and destroy a third of humanity. And the number of the troops/army of the cavalry/warrior horsemen were countless and an indefinite number; I heard and understood that the number of them was countless and indefinite. Indeed, in this way I saw and paid attention to the horses in the vision, and those seated on them, who had and possessed fiery red, the color of burning wood, and hyacinth-colored and sulfurous yellow breastplates/armor, and the heads of the horses were like the heads of lions, and out of their mouths came fire of punishment and smoke and sulphur/brimstone when burned in the air emits a blue flame and releases poisonous noxious fumes. From these three plagues, wounds and distresses a third of humanity was intentionally killed and destroyed – by the fire of punishment and the smoke and the sulphur of poisonous noxious fumes that came and went forth out of their mouths. For the power, authority and jurisdiction of the horses is in their mouths and in their tails, for their tails resemble and have the same characteristics to snakes, having heads, and with them they cause injury, harm and mistreatment. And the rest of humanity who were not intentionally killed and destroyed by these plagues, distresses and misfortunes did not have a change of heart, regret or feel remorse and repent of the works and deeds of their hands, so as not to bow down, do reverence and worship the demons and the gold and silver and bronze and stone and wooden idols of false deities, which are neither capable to see, perceive and understand nor hear or pay attention and listen nor to walk about, and they did not have a change of heart, regret or feel remorse and repent of their murders, massacres and slaughters or of their magic spells of poison making and sorcery or of their sexual immorality, whoredom, unfaithfulness and apostasy or of their thefts.

Witness:

Ps 11:5-6 Yahuah tests and examines in order to ascertain the righteous, innocent and truly upright, but the wicked, guilty and unrighteous and the lover of violence, aggression, and oppression His soul and being hates and is unwilling to put up with. He will rain coals and lay a snare and trap of destruction on the wicked, guilty and unrighteous. Burning sulphur that are poison and noxious fumes with scorching wind and tempest of indignation and wrath will be their fate and portion of their cup.

We think that it will
be at this time when
the 2nd Reaping
occurs. This is not to
be confused with
Yahusha's reaping of
his people!

Rev 14:17-20 Then a different messenger departed out of the temple of Yahuah that is in the shamayim; he too possessed a sharp sickle. And another messenger who held and possessed authority, domain and jurisdiction over the destructive and punishing fire came forth from the altar, and he called out with a great and loud voice to the one who had the sharp sickle, saying, “Send out and direct your sharp sickle and harvest and gather in the clusters of grapes from the vineyard of the earth, because its grapes are at their prime, ripe and in full bloom. Then the messenger swung and let fall in an arc his sickle into the earth and harvested and gathered in the vineyard of the earth, and threw with a violent swing of energy into the great winepress of the wrath, fury and indignation of Yahuah. And the winepress was stomped, trampled and conquered outside the city, and blood and death departed and came out from the winepress up to the bridles and restraint of the horses, about one thousand six hundred stadia (a stadia is 606.75 ft. or 970,800 ft. or 184 mi.).

Witnesses:

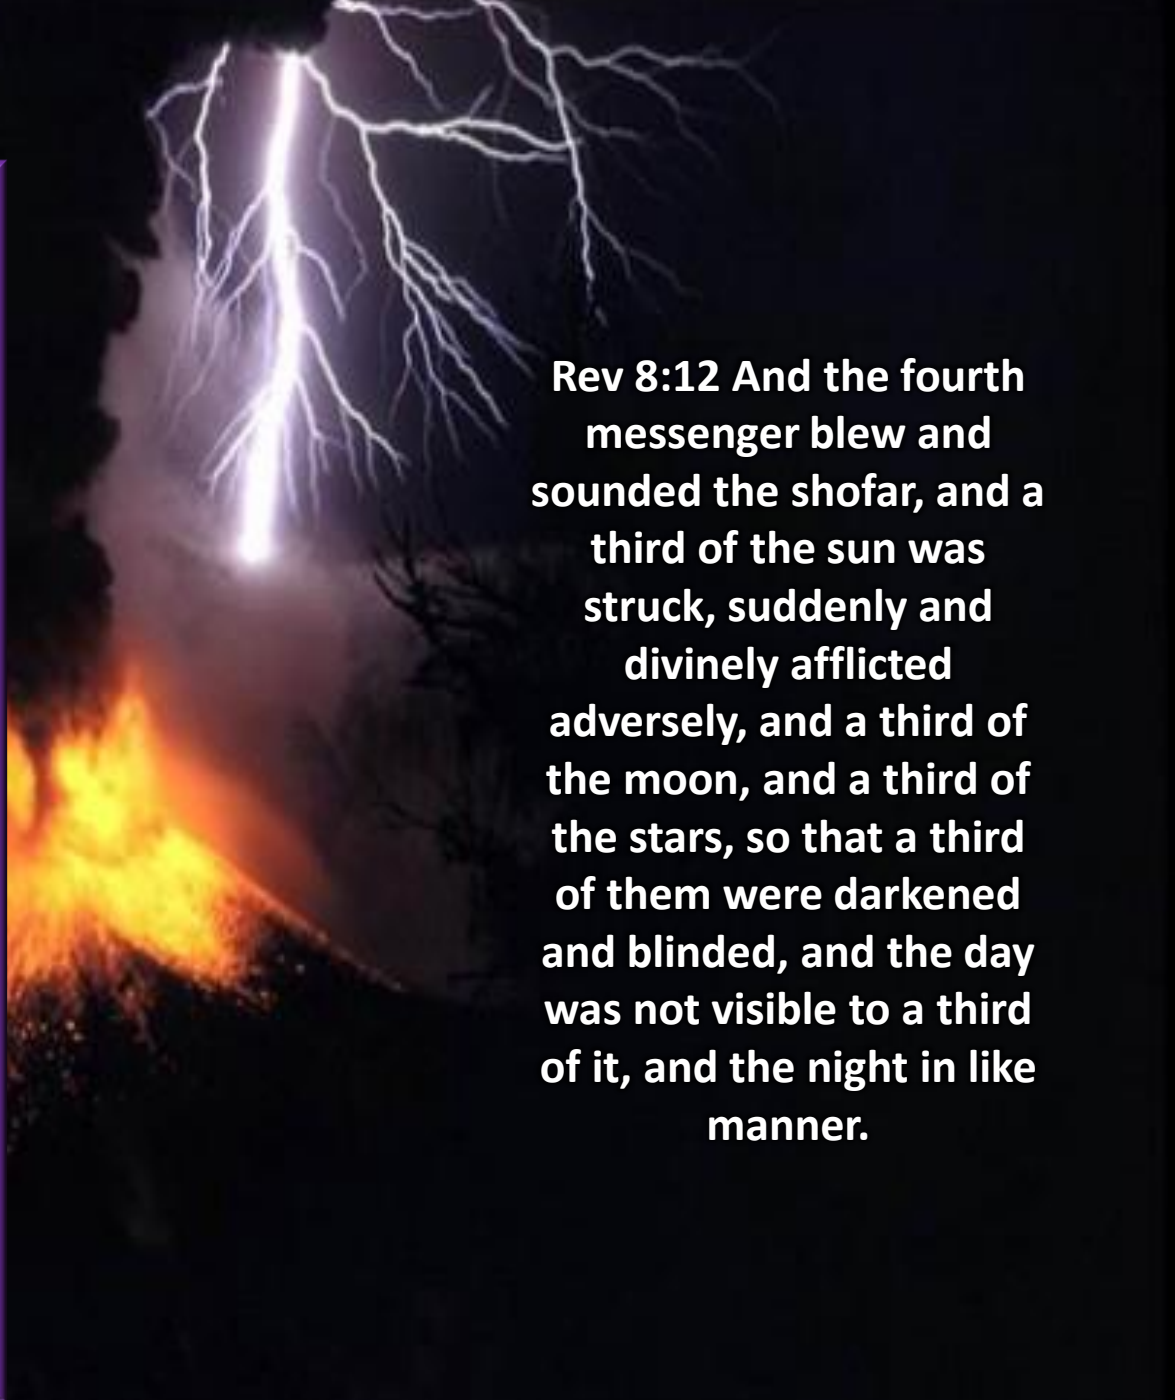

Joel 3:13-14 Send and stretch forth the sickle, for the harvest is ripe and mature! Go tread, crush and dominate, for the winepress is full! The vats have reached their limits and overflow, because their evil, wickedness and depravity is great and overly abundant. Commotion and turmoil, murmurs and roars of the crowds in the valley of decision and verdict! For the day of Yahuah is not far in the distant time and coming soon in the valley of decision and verdict of punishment.

Is 17:10-11 Indeed you have wiped out the memory of and forgotten Yahuah of your salvation, rescue, deliverance, liberation and safety, and you have not remembered and recalled the rock of your refuge, strength, fortress and stronghold; therefore you plant plants of a pagan fertility deity, and you plant a vine of a foreigner, stranger or an enemy. On your planting day you go astray in sin and error, and in the morning of your sowing you bring these blooms to flourish, the harvest will become a heap, a barrier and ruin in a day of sickness and regret and incurable, despairing pain, sorrow and anguish.

4TH SHO FAR IN THE 6TH POSITION SOUNDS— THIS IS WHEN A THIRD OF THE SUN, MOON AND STARS ARE ALL STRUCK AND THIS ALSO COINCIDES WITH THE 6TH SEAL.

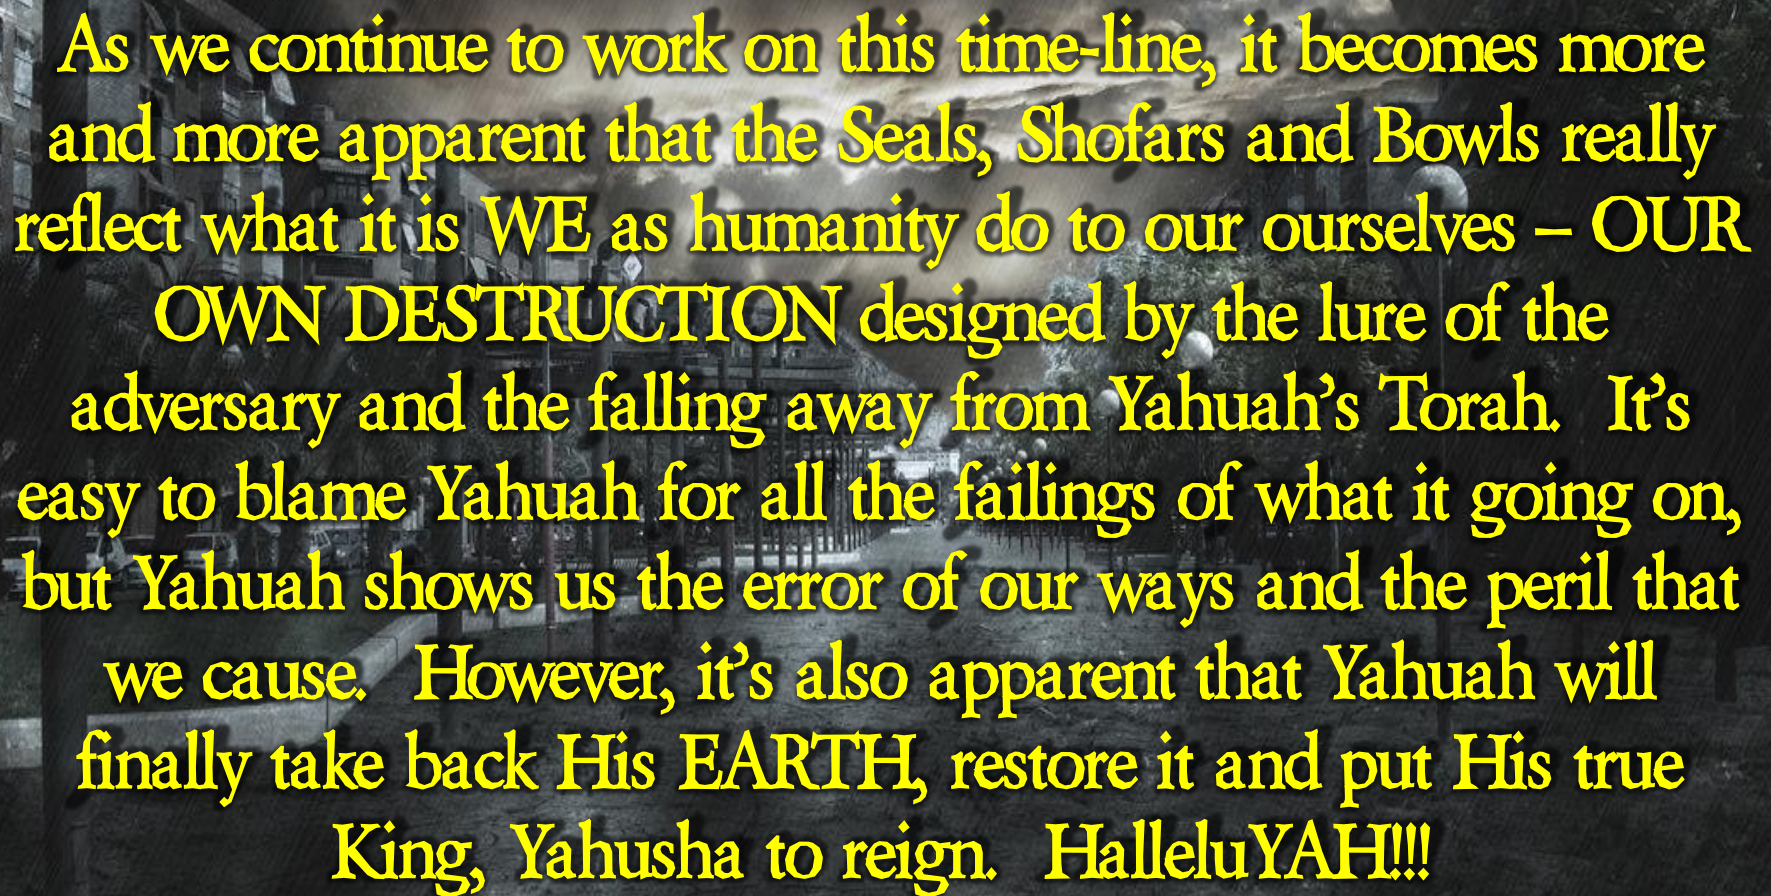

WHEN EVERYTHING CHANGES – THIS SEAL ENCOMPASSES AND SHOWS US WHAT WILL BE HAPPENING WITH THE SHO FAR S AND BOWLS THAT ARE YET TO COME – THIS SPEAKS OF AN EARTHQUAKE, THE SUN BECOMING BLACK AND THE MOON LIKE BLOOD.

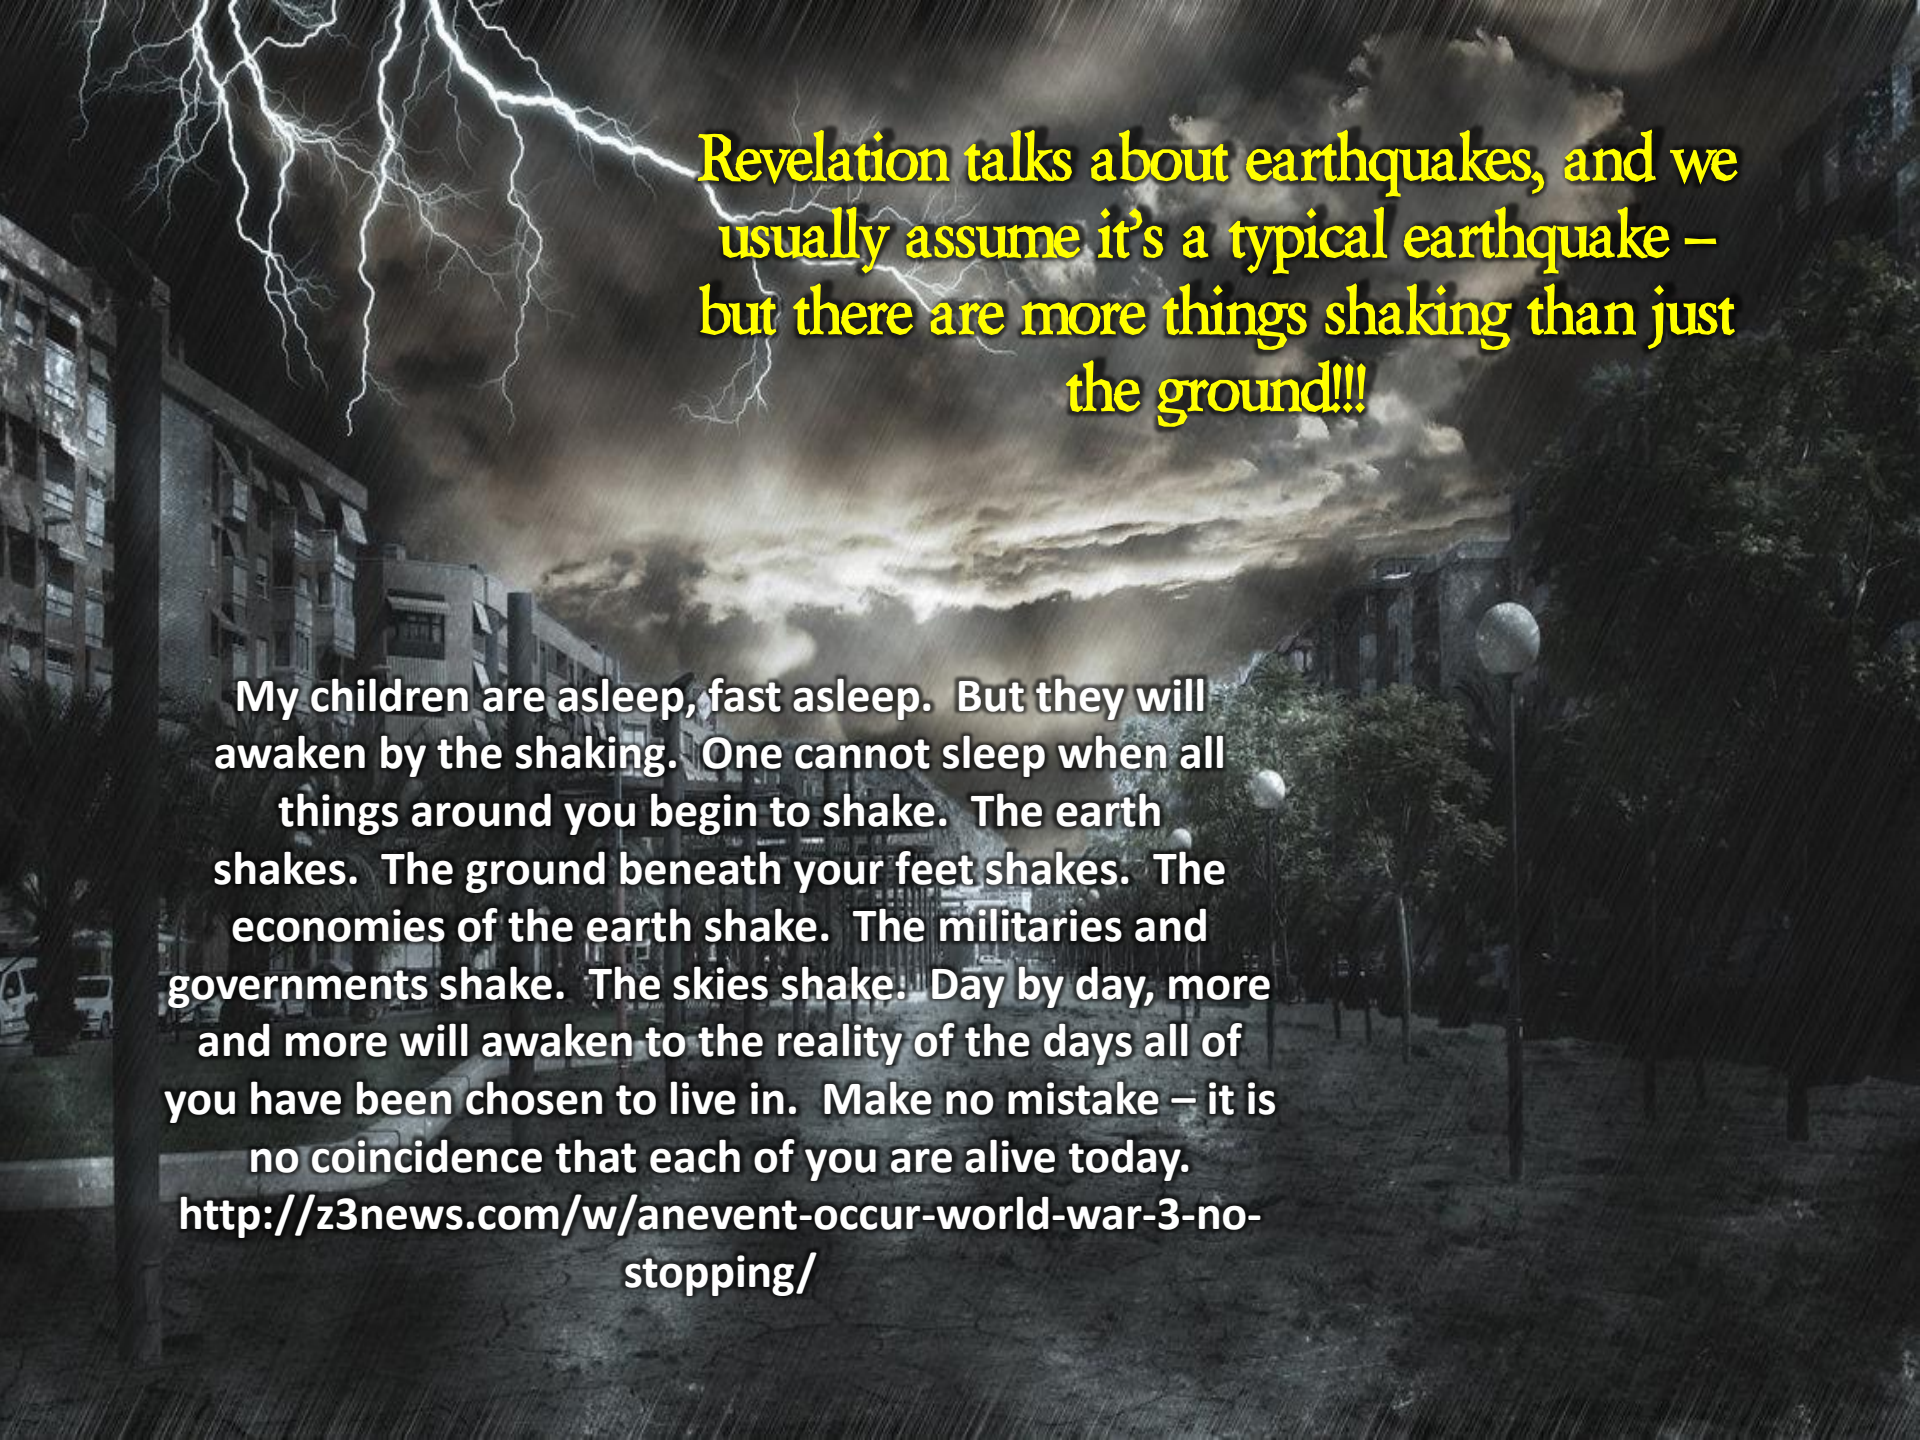

Rev 8:12 And the fourth messenger blew and sounded the shofar, and a third of the sun was struck, suddenly and divinely afflicted adversely, and a third of the moon, and a third of the stars, so that a third of them were darkened and blinded, and the day was not visible to a third of it, and the night in like manner.

Witnesses:

Joel 2:30-32 And I will set and permit wonders and signs in the shamayim, and on earth, blood and death and fire and columns of smoke. The sun will be changed and transformed to darkness and obscurity, and the moon to blood and bloodguilt (the state of a penalty for wrongdoing), before the coming in due course of the great, remarkable and awe inspiring and fearsome day of Yahuah. Then it will come to pass and occur; everyone who calls, summons and makes an appeal or request on the name of Yahuah will be rescued escaping danger, because on Mount Zion and in Yahrushalam there will be those who escape, spared and are delivered, as Yahuah said, and among the survivors or remnant who have lived through the affliction whom Yahuah is calling and has summoned.

A dramatic, dark sky with a bright lightning bolt striking down over a city street at night. The lightning bolt is the central focus, branching out across the upper half of the frame. The city below is dimly lit, with buildings and streetlights visible in the shadows. The overall mood is ominous and powerful.

As we continue to work on this time-line, it becomes more and more apparent that the Seals, Shofars and Bowls really reflect what it is WE as humanity do to our ourselves – OUR OWN DESTRUCTION designed by the lure of the adversary and the falling away from Yahuah's Torah. It's easy to blame Yahuah for all the failings of what it going on, but Yahuah shows us the error of our ways and the peril that we cause. However, it's also apparent that Yahuah will finally take back His EARTH, restore it and put His true King, Yahusha to reign. HalleluYAH!!!

Revelation talks about earthquakes, and we usually assume it's a typical earthquake – but there are more things shaking than just the ground!!!

My children are asleep, fast asleep. But they will awaken by the shaking. One cannot sleep when all things around you begin to shake. The earth shakes. The ground beneath your feet shakes. The economies of the earth shake. The militaries and governments shake. The skies shake. Day by day, more and more will awaken to the reality of the days all of you have been chosen to live in. Make no mistake – it is no coincidence that each of you are alive today.

Pro 4:14-19 In the path and behavior of the wicked transgressor, unrighteous and guilty, do not go and cohabit with; do not walk and behave in the way, manner and behavior of those who do evil and are morally wrong. Avoid and steer clear of it; do not transgress or pass over on account of it; turn away and change direction, decline and turn aside it and pass by. For indeed, they will not sleep if they have not committed an act that is morally wrong, and they are robbed and relieved of their sleep if they do not cause stumbling, falling into ruin. For they ate nourishment of wickedness, injustice and unrighteous, and they drank the wine of violence, oppression and destruction. But the path, manner and behavior of the righteous and just ones is like the light of dawn bringing knowledge and brightness, causing to walk by leading and shining and illuminating until the day is full in preparation to stand upright, be established and steadfast. The way, manner and behavior of the wicked, evil and unrighteous ones is like deep darkness of gloominess and calamity; they do not know, possess or are aware of what they stumble and are brought down over.

A scenic sunset over a beach. The sun is low on the horizon, creating a bright glow and lens flare. The sky is filled with dark, dramatic clouds. The ocean waves are gently washing onto the sandy beach. On the left, a large, textured rock formation dominates the foreground. On the right, a cliffside with some trees is visible. The overall atmosphere is serene and majestic.

Dan 8:26-27 And the appearance of the vision of the evening, foreigners, strangers, foreign kings, and the morning, daybreak of punishment that has been described, brought to light and made known, it is true and trustworthy; and you, seal up, hide and keep secret the vision, for it refers and points into the direction of many days to come. And I, Daniel, was overcome and exhausted, and I became ill and afflicted for a period of time, then I performed and carried out the business of the king, and I was dismayed, confused and appalled over the vision and I did not understand or was able to examine and consider or give heed to it.

This vision of Daniel leads us to believe that what he was seeing is what is about to happen when Yahuah and Yahusha deliver the punishments.

Rev 10:5-7 And the messenger whom I saw and paid attention to standing firm on the sea and on the land raised and lifted up his right hand to the shamayim And swore an oath by the One who lives forever and ever and is eternal, who created and brought into existence the shamayim and the things in it, and the earth and the things in it, and the sea and the things in it, “There will be no more delay as time has run out! And swore an oath by the One who lives forever and ever and is eternal, who created and brought into existence the shamayim and the things in it, and the earth and the things in it, and the sea and the things in it, “There will be no more delay as time has run out!

Witnesses:

Dan 12:7 Then I heard and perceived the man who was clothed in linen and set-apart, who above the water of the stream, and he raised and lifted upward his right hand and his left hand to the shamayim and he swore and took an oath by the one who lives forever that appointed time of agreed upon meetings, appointed times of seasons and agreed upon meetings, and half, with the help of the hand of Yahuah when the shattering and pulverizing of the power and control of the set-apart people would be completed and brought to an end; all these things will be accomplished and finished.

Rev 14:6-7 Then I saw and perceived another messenger flying high in the sky and mid-shamayim overhead, having and possessing an eternal, everlasting message of good news to proclaim to those who reside and inhabit the earth, and to every nation and tribe and language and people, Saying with a loud and great voice, "Be in awe and give respect and reverence to Yahuah and give Him honor and praise, because the hour and time of His judgment, decision and assignment of rewards and punishments has arrived, and worship, giving deference and reverence to the One who created and brought into existence the shamayim and the earth and the sea and the springs of water!"

Isa 40:22-23 The One who sits and dwells above the circle of the earth, and its inhabitants, dwellers like grasshoppers; the One who stretches, spreads out and extends the shamayim like a veil or canopy and spreads, stretches and extends them like a covering or a tent to live in, the One who brings princes to nothing, emptiness and non-existence; He makes rulers of the earth like nothing, emptiness and ruination and confusion.

The Final Shofar blows:

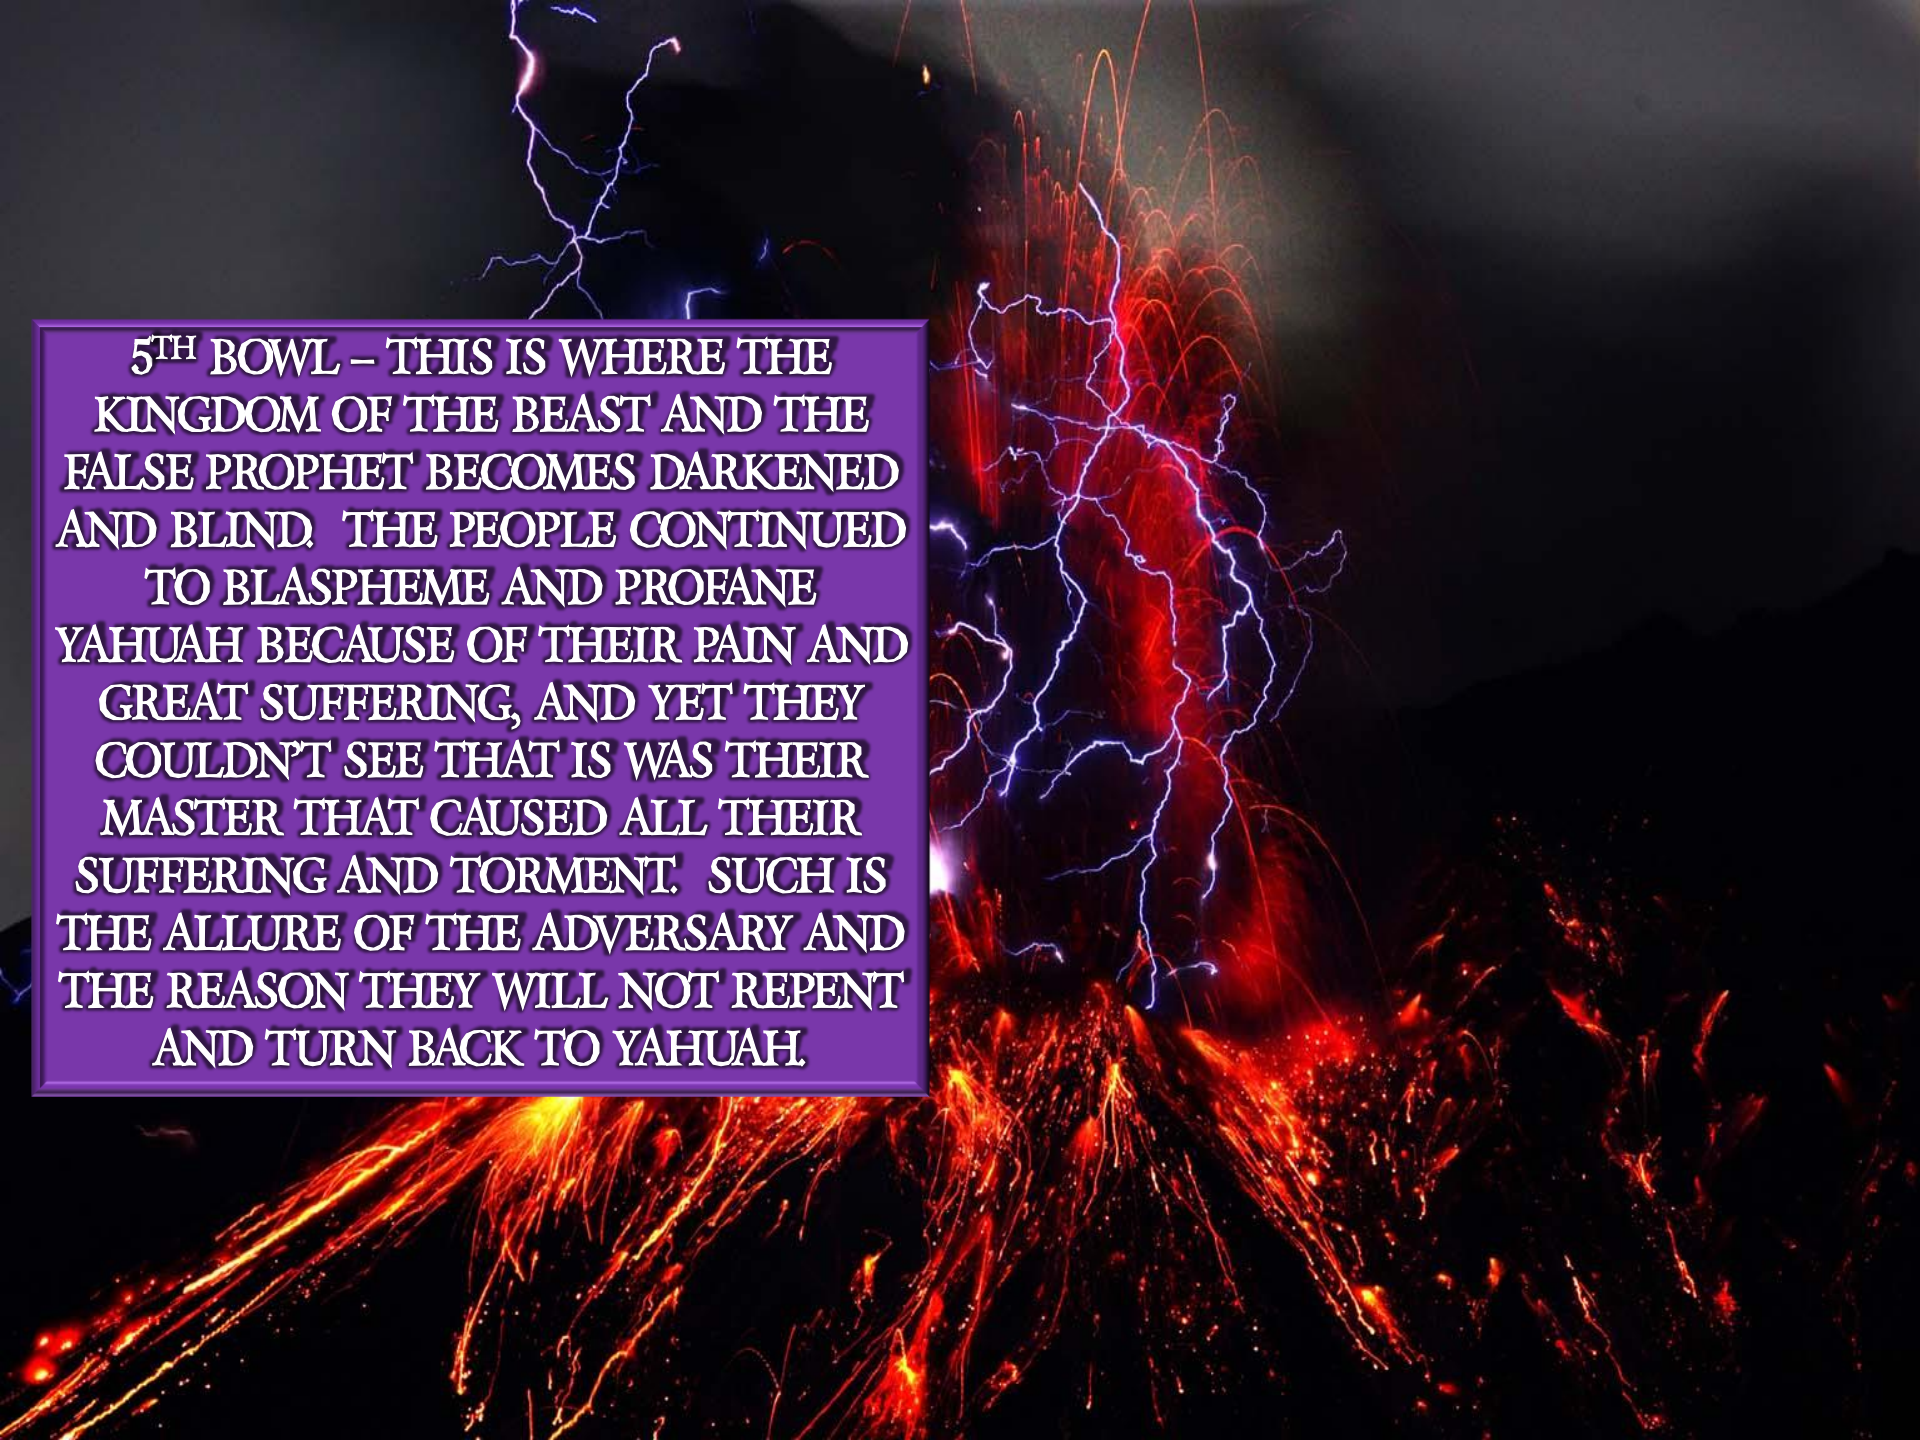

Rev 11:15-17 Then the seventh messenger blew and sounded the shofar, and there came a loud and great voice in the shamayim saying, “The kingdom and dominion of the world has become that of our Almighty and of His MashiYah, and He will take possession and rule with complete control forever and ever.”

And the twenty-four elders who are seated on their thrones of esteem before Yahuah, fell upon each other’s necks and showed great reverence and deference towards Yahuah, Expressing, “We give thanks and gratitude to You, Almighty Yahuah All-Powerful, the One who is and the One who was, because You have taken and assumed Your great power, strength and authority and have begun to reign and rule completel

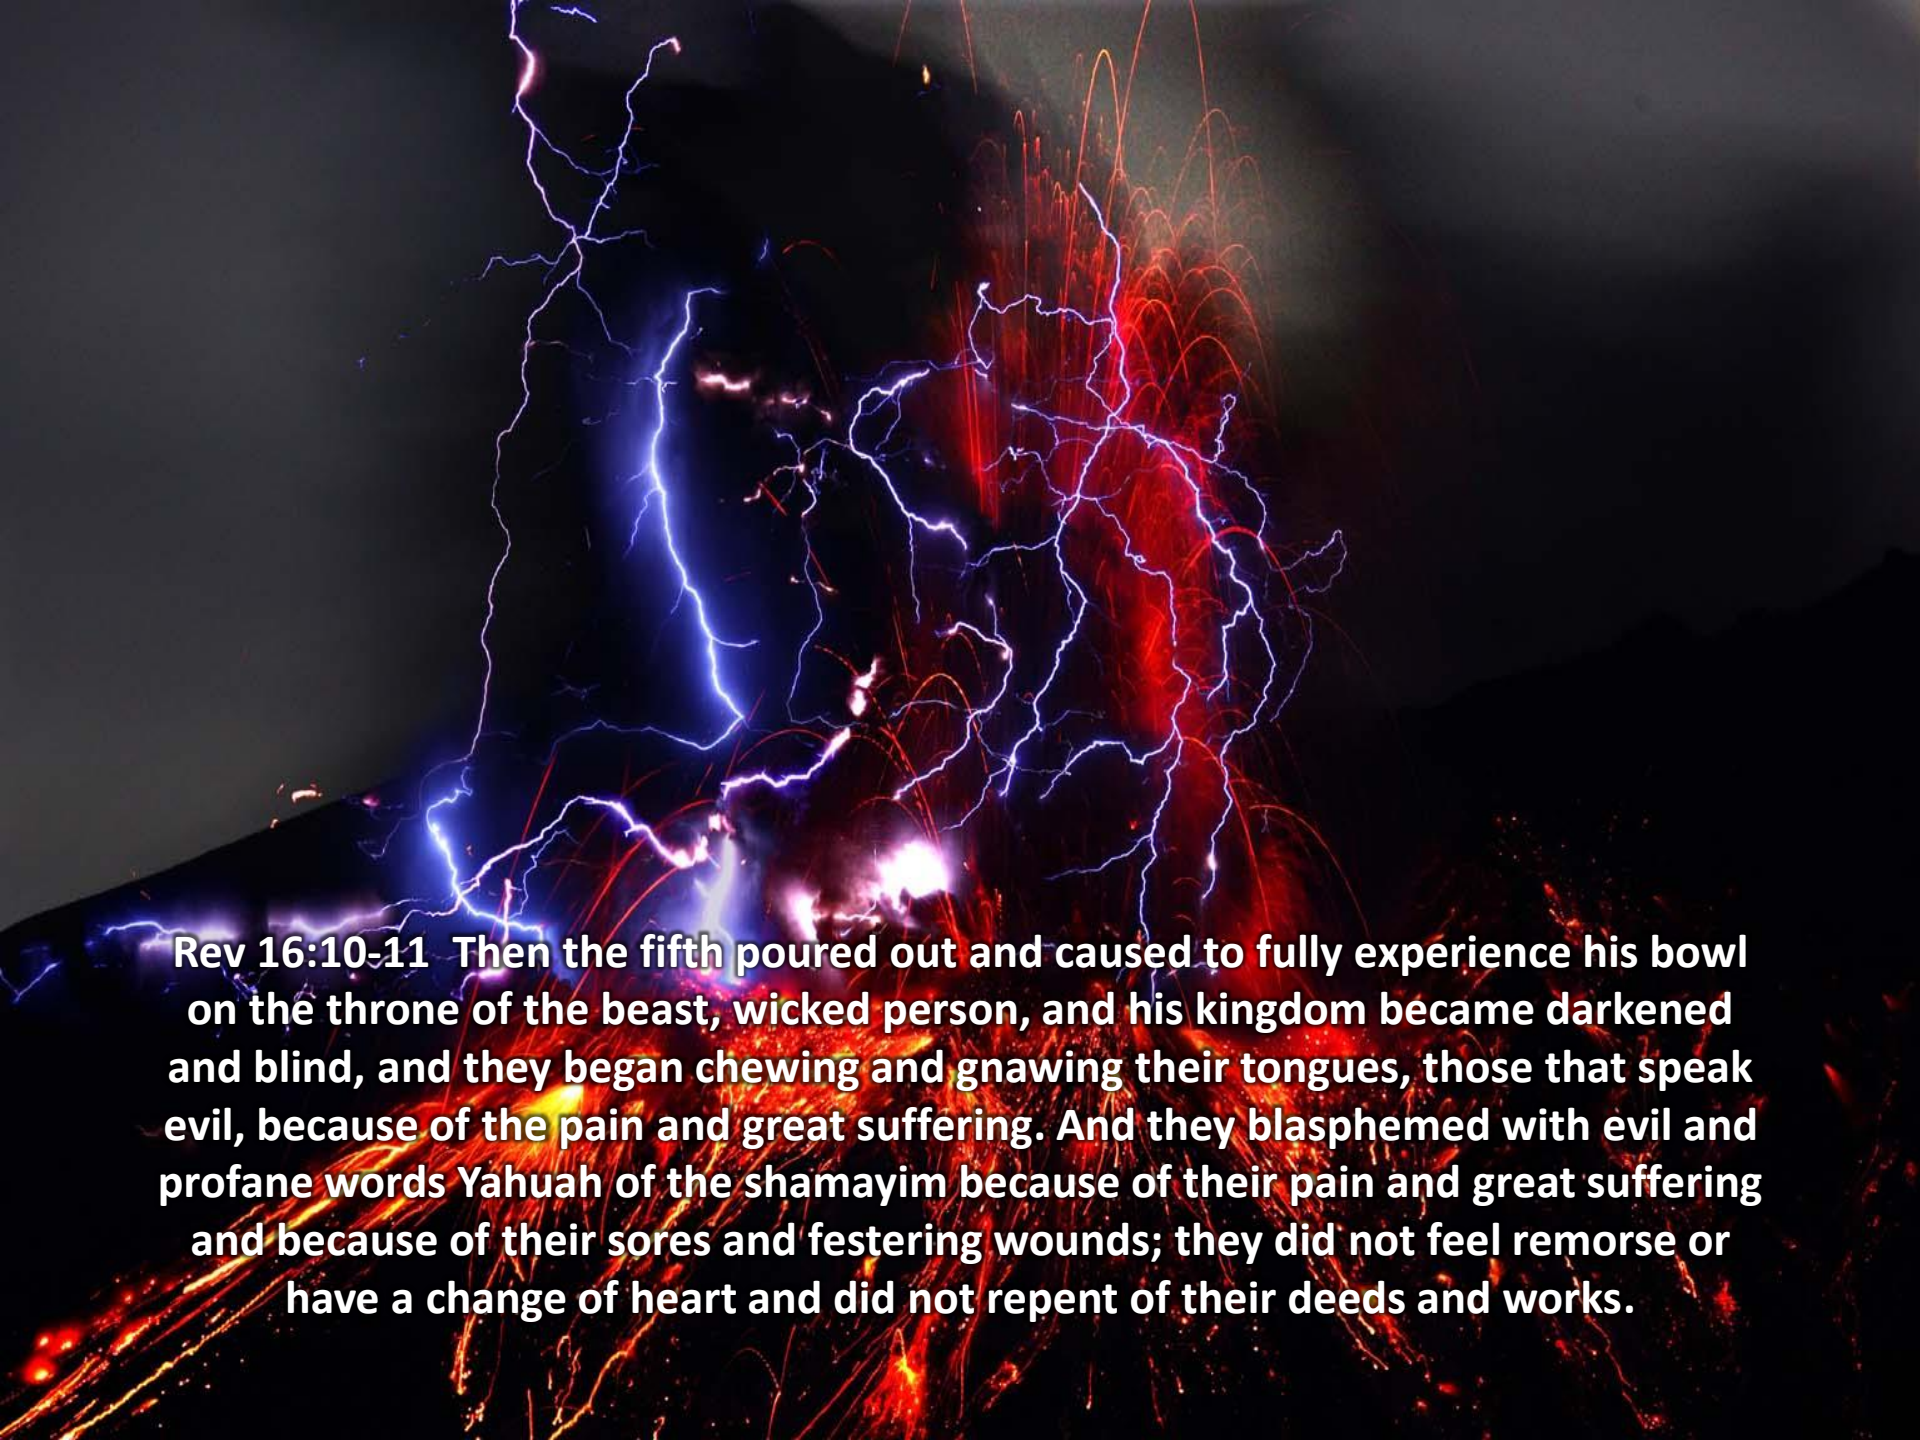

Witness:

Dan 2:44 And in the day of those kings, the Almighty of the shamayim will establish, appoint and raise up a kingdom that will never perish or be destroyed, and the kingdom will not be left for another nation or peoples to control or protect, and it will fulfill and bring an end to all these kingdoms, moreover it will arise and stand, enduring forever.

5TH BOWL – THIS IS WHERE THE KINGDOM OF THE BEAST AND THE FALSE PROPHET BECOMES DARKENED AND BLIND. THE PEOPLE CONTINUED TO BLASPHEME AND PROFANE YAHUAH BECAUSE OF THEIR PAIN AND GREAT SUFFERING, AND YET THEY COULDN'T SEE THAT IS WAS THEIR MASTER THAT CAUSED ALL THEIR SUFFERING AND TORMENT. SUCH IS THE ALLURE OF THE ADVERSARY AND THE REASON THEY WILL NOT REPENT AND TURN BACK TO YAHUAH.

Rev 16:10-11 Then the fifth poured out and caused to fully experience his bowl on the throne of the beast, wicked person, and his kingdom became darkened and blind, and they began chewing and gnawing their tongues, those that speak evil, because of the pain and great suffering. And they blasphemed with evil and profane words Yahuah of the shamayim because of their pain and great suffering and because of their sores and festering wounds; they did not feel remorse or have a change of heart and did not repent of their deeds and works.

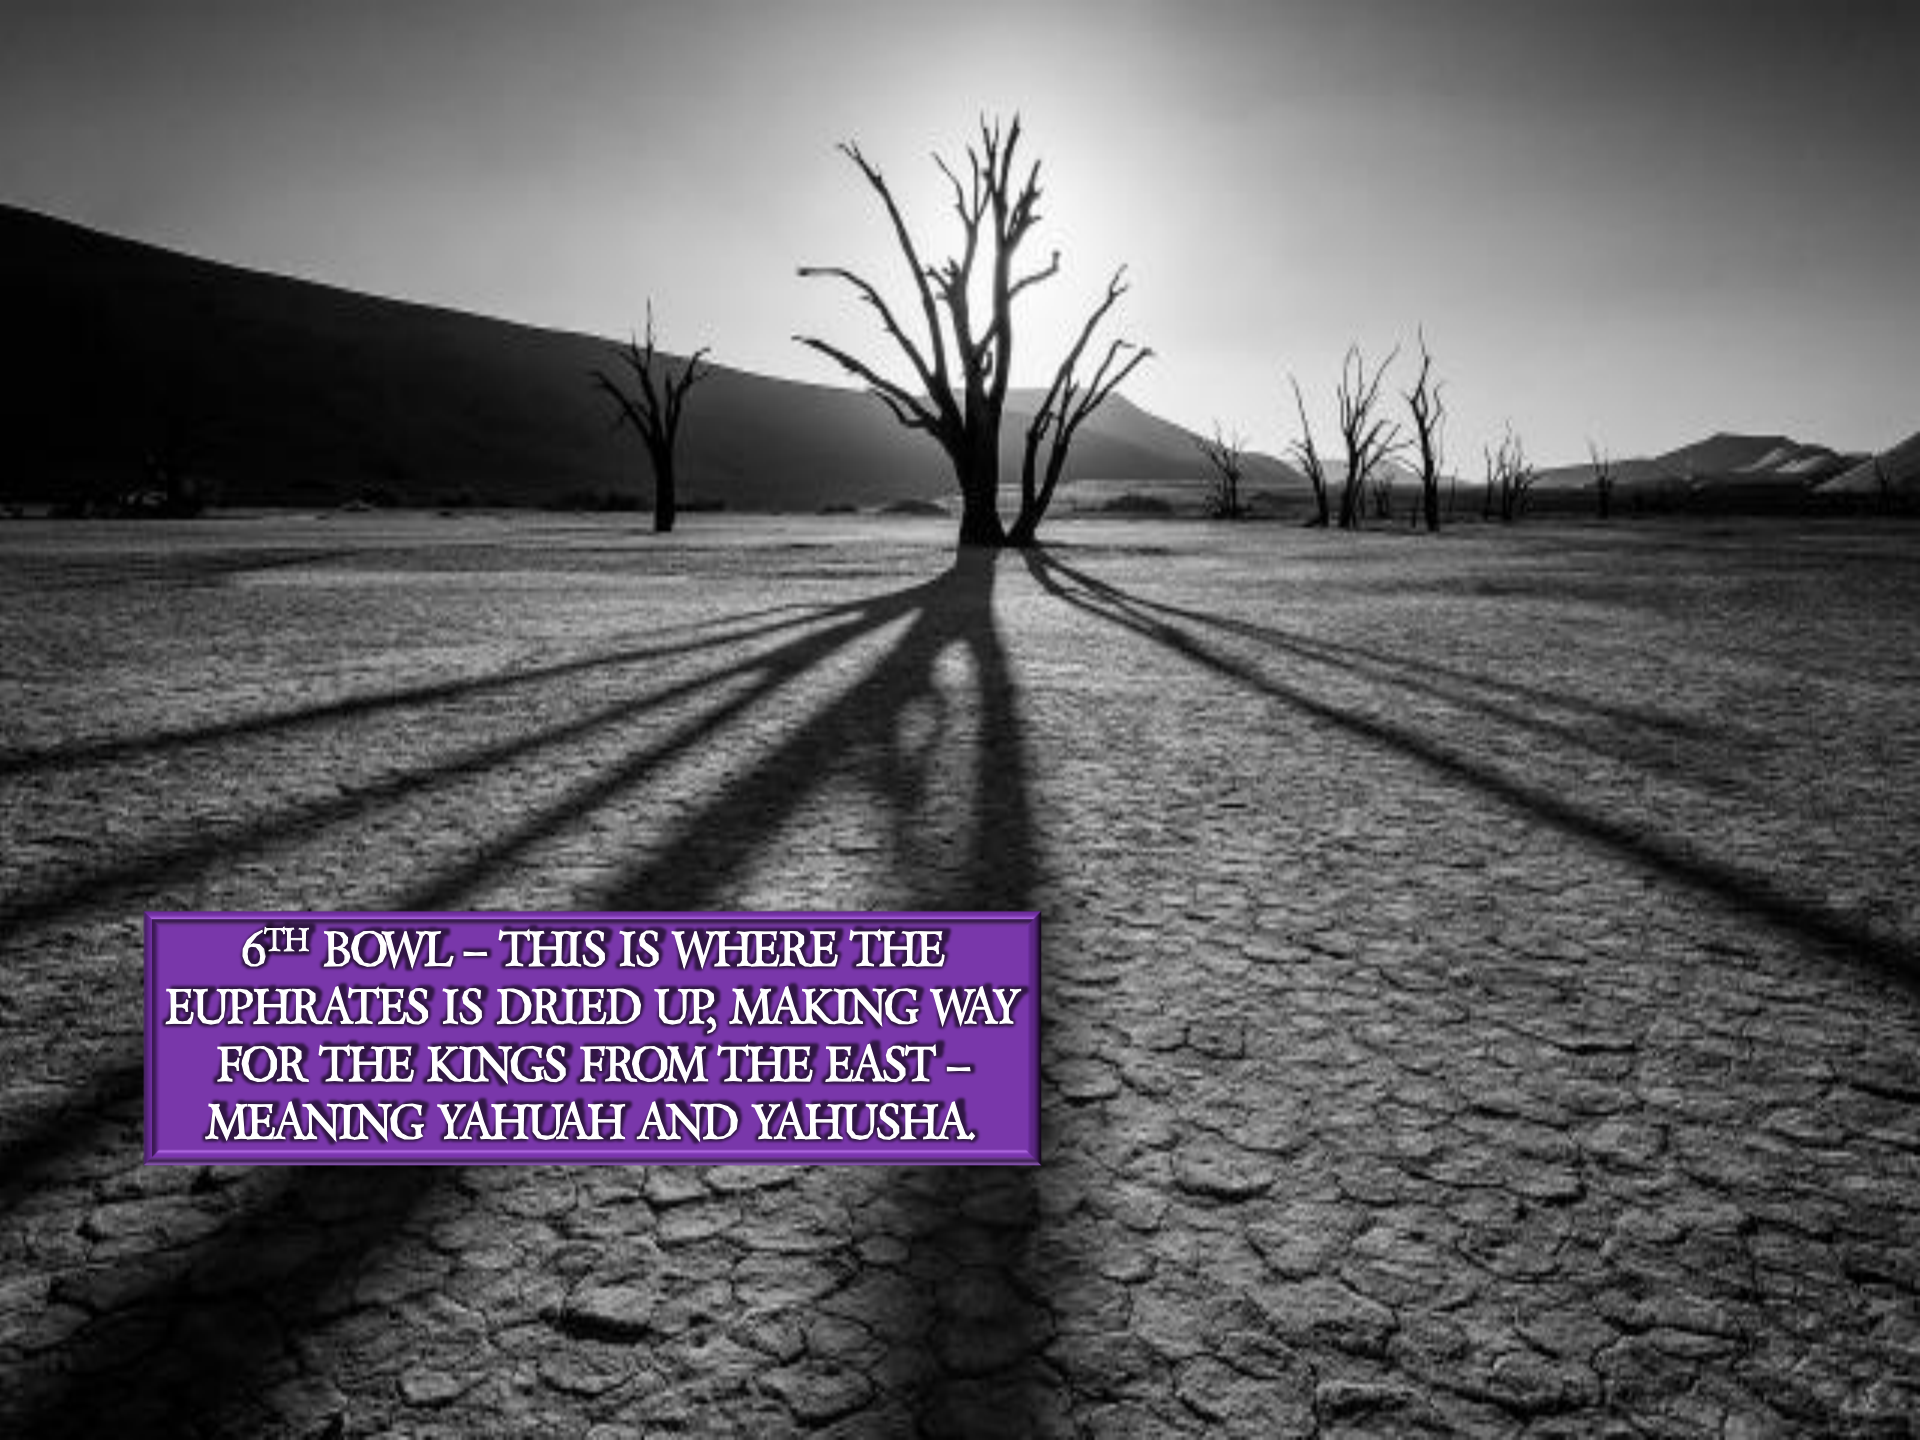

Witnesses:

Pro 20:20 He who curses by invoking divine harm or evil on his father and his mother, his lamp (happiness and prosperity) will be extinguished and disappear in the midst of darkness.

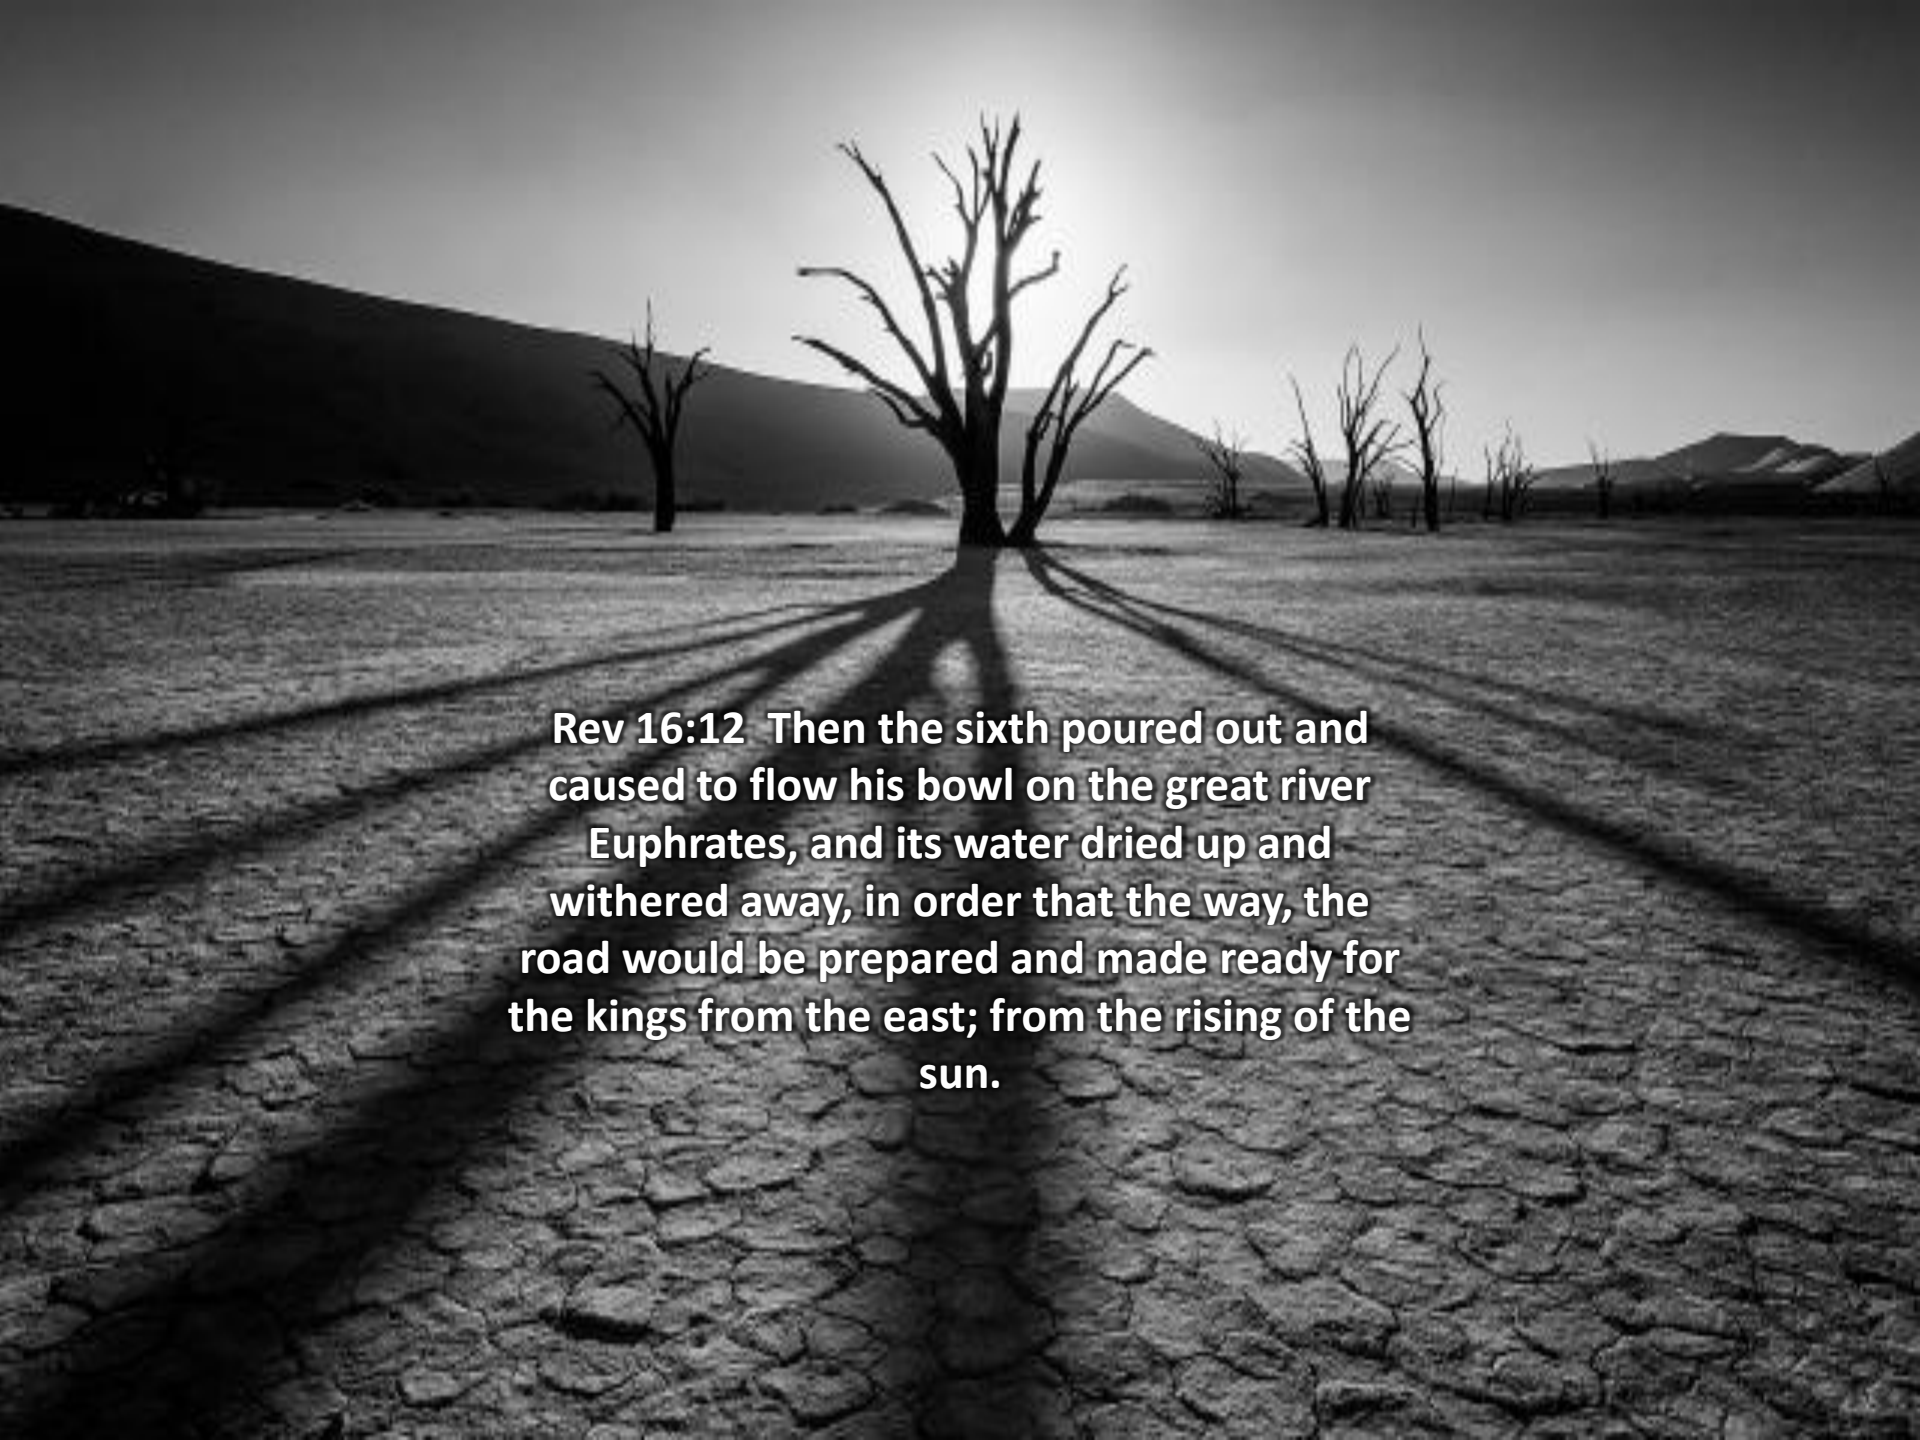

Job 18:5 Moreover, the light of the wicked and unrighteous transgressor is extinguished and snuffed out, and the flame or spark of his fire will not give light and shine.

Zep 3:6-7 “I have cut off, put an end to nations and peoples; their strongholds are deserted and desolate. I have laid waste and utterly destroyed and made parched their streets, so that none pass or travel through. Their cities have been destroyed, devastated and cut down; without a man, without an inhabitant.”

I have said, “Surely she will feel awe towards Me, giving me respect and honor; she will accept and receive willingly discipline, chastening and correction. Then her dwelling place will not be cut down and exterminated, or fail to see all that I have assigned and appointed over her.” Nevertheless, they rise early; they make all their deeds corrupt, blemished and polluted.

**6TH BOWL – THIS IS WHERE THE
EUPHRATES IS DRIED UP, MAKING WAY
FOR THE KINGS FROM THE EAST –
MEANING YAHUAH AND YAHUSHA.**

Rev 16:12 Then the sixth poured out and caused to flow his bowl on the great river Euphrates, and its water dried up and withered away, in order that the way, the road would be prepared and made ready for the kings from the east; from the rising of the sun.

Witness:

Isa 41:2 Who has roused, awoken and stirred salvation, righteousness and justice from the east, from the rising of the sun, summoned and called Him to his foot, gives, permits and allows nations and peoples in his presence or visible to his face, and subjugates by force and authority kings? He makes and defeats them in a manner making them as dust with his sword, like scattered and blown away stubble or chaff with His bow.

Rev 14:1, 3-5 Then I looked and paid attention, and behold, the Lamb standing firm on Mount Zion, and in his presence and with him one hundred and forty-four thousand who had his name and reputation and the name and reputation of his Father written and recorded on their foreheads.

And they were singing something that appeared like a new song of praise before and in front of the throne of esteem and before the four living creatures and the elders, and no one was able or had the power to learn and understand the song of praise except the one hundred forty-four thousand who had been bought and redeemed from the earth. These are those who have not been stained and defiled with women by soiling themselves with fornication and adultery, for they are virgins and blameless of sin. These are the ones who follow and accompany as disciples the Lamb wherever he goes and travels. These were bought and redeemed from humanity as first fruits to Yahuah and to the Lamb, For in their mouth a lie or deception was not found or discovered; they are blameless, without blemish and spotless.

Witnesses:

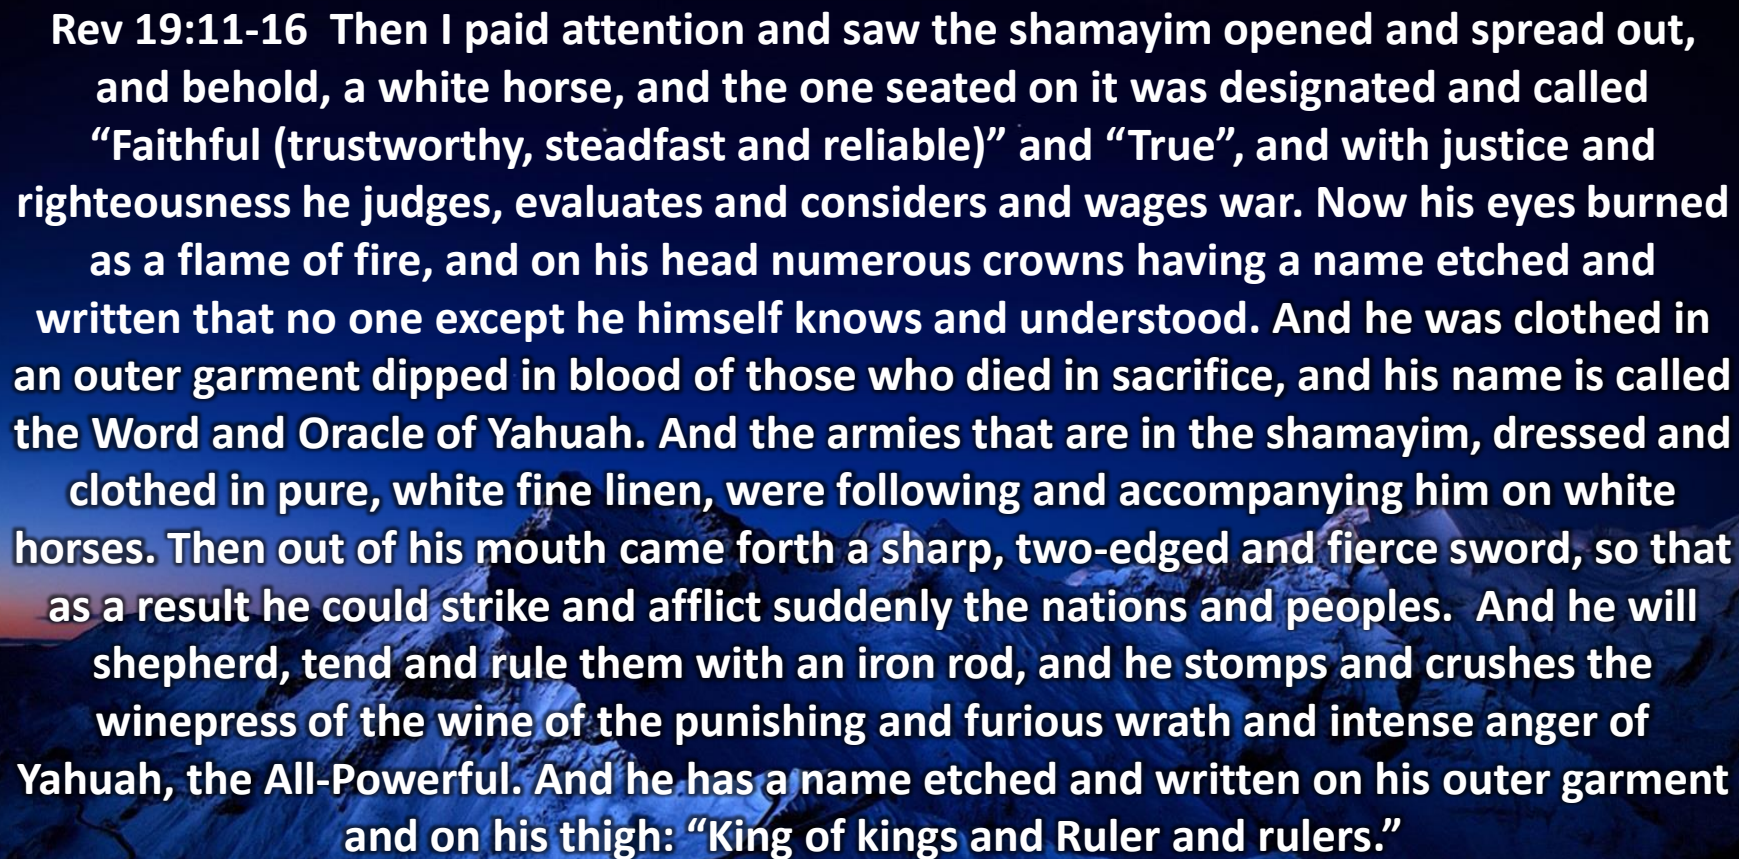

Zep 3:13 The remnant, remainder and survivors of YAHsharal shall not do wickedness and unrighteousness; they shall not speak or utter deception and lies, nor shall a deceitful tongue or word be found in their mouth. For they shall graze, be tended to and lie down and stretch out, and nothing shall cause them to be afraid.

Psa 98:1 Sing to Yahuah a new song of praise, for He has done wonders, that are marvelous and extraordinary. His right hand and His set-apart arm of strength and power have secured and delivered His victory and salvation.

Mat 24:27- 31 For just as the lightning comes out from the east and becoming visible flashed to the west, so the arrival, coming and presence of the Son of man will come to pass. Wherever the corpse and carcasses are, in that place the carrion-eating birds will gather and assemble. “Then immediately and with no hesitation or delay after the tribulation and great distress of those days, the sun will be darkened (people will no longer understand) and the moon will not give its light (penalty for sin), and the stars will fall, die from heaven, and the powers and strength of the shamayim will be shaken, afflicted and disturbed And then take note and pay special attention as the sign of the Son of man will become visible and appear in the shamayim, and then all the tribes and nations of the earth will mourn and lament, striking and beating their chests, and they will perceive and behold the Son of man arriving on the clouds of the shamayim possessing, controlling and influencing reality in a supernatural manner, power and strength and with remarkable and great honor, praise and splendor. Then he will send out his messengers with a great and loud shofar call, and they will gather and assemble his elect and chosen together from and by means of the four winds, from the furthest and extreme end of the shamayim to the other furthest and extreme end of it.

**YAHUSHA ARRIVES, SEATED ON A WHITE HORSE; HE IS
THE WORD OF YAHUAH AND IT IS THE WORD THAT IS THE
DOUBLE EDGED SWORD.**

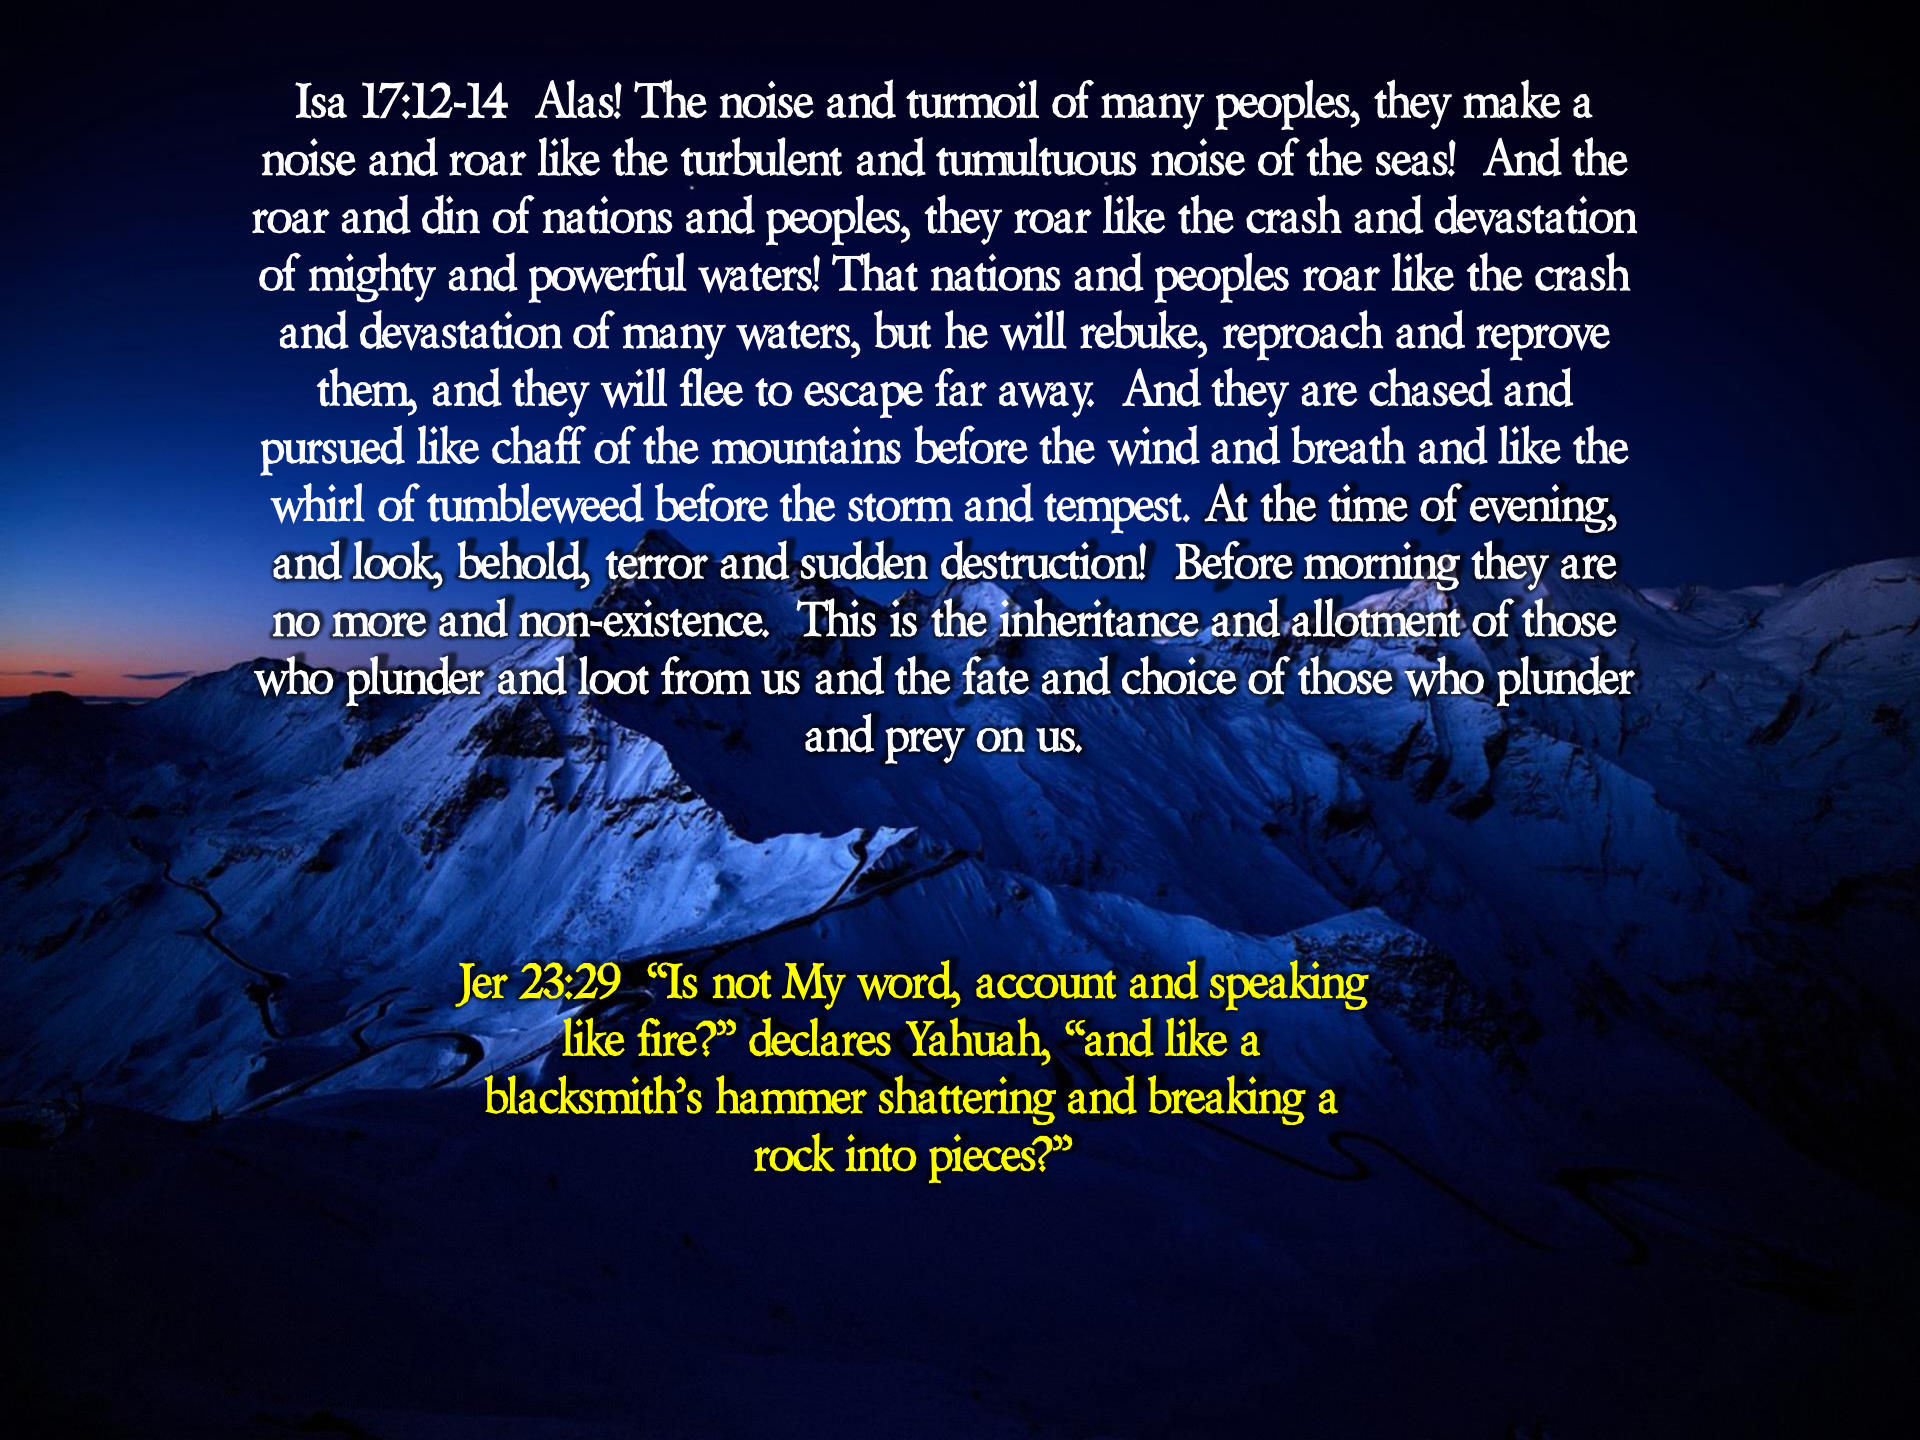

A blue-tinted landscape featuring sand dunes in the foreground and a sunset sky in the background. The text is overlaid on this image.

Rev 19:11-16 Then I paid attention and saw the shamayim opened and spread out, and behold, a white horse, and the one seated on it was designated and called “Faithful (trustworthy, steadfast and reliable)” and “True”, and with justice and righteousness he judges, evaluates and considers and wages war. Now his eyes burned as a flame of fire, and on his head numerous crowns having a name etched and written that no one except he himself knows and understood. And he was clothed in an outer garment dipped in blood of those who died in sacrifice, and his name is called the Word and Oracle of Yahuah. And the armies that are in the shamayim, dressed and clothed in pure, white fine linen, were following and accompanying him on white horses. Then out of his mouth came forth a sharp, two-edged and fierce sword, so that as a result he could strike and afflict suddenly the nations and peoples. And he will shepherd, tend and rule them with an iron rod, and he stomps and crushes the winepress of the wine of the punishing and furious wrath and intense anger of Yahuah, the All-Powerful. And he has a name etched and written on his outer garment and on his thigh: “King of kings and Ruler and rulers.”

Witnesses:

Isa 11:1-5 And a shoot, branch, son will come forth from the stump, stock of Jesse, and branch, descendant from its roots, foundation, lineage will bear fruit. And the ruah of Yahuah shall rest and be in alliance with him – a ruah of wisdom, experience, understanding and insight, a ruah of counsel, prudence and advice and might, strength and power, a ruah of knowledge, discernment and the profound respect, reverence and awe of Yahuah and his smell of delight and acceptance is in the profound respect, reverence and awe of Yahuah. Then he shall judge and decide not by his eyesight of what appears to be, and he shall rebuke and chasten not by what he hears as rumor, gossip or hearsay with his ears. But he shall make decisions and judge the poor, weak and humble with righteousness, honesty and uprightness, and he shall decide and determine what is right for the needy and afflicted of the earth with rectitude, justice and fairness. And he shall strike with a sharp blow the earth with the rod, scepter of his mouth, and he shall slay the wicked and guilty transgressor with the ruah of his lips. And righteousness, justice, honesty and vindication shall be the belt around his waist, and faithfulness, steadfastness and fidelity the belt around his loins.

Isa 17:12-14 Alas! The noise and turmoil of many peoples, they make a noise and roar like the turbulent and tumultuous noise of the seas! And the roar and din of nations and peoples, they roar like the crash and devastation of mighty and powerful waters! That nations and peoples roar like the crash and devastation of many waters, but he will rebuke, reproach and reprove them, and they will flee to escape far away. And they are chased and pursued like chaff of the mountains before the wind and breath and like the whirl of tumbleweed before the storm and tempest. At the time of evening, and look, behold, terror and sudden destruction! Before morning they are no more and non-existence. This is the inheritance and allotment of those who plunder and loot from us and the fate and choice of those who plunder and prey on us.

Jer 23:29 “Is not My word, account and speaking like fire?” declares Yahuah, “and like a blacksmith’s hammer shattering and breaking a rock into pieces?”

THE BEAST AND THE KINGS OF THE EARTH AND THEIR ARMIES ASSEMBLE TO MAKE WAR WITH YAHUSHA.

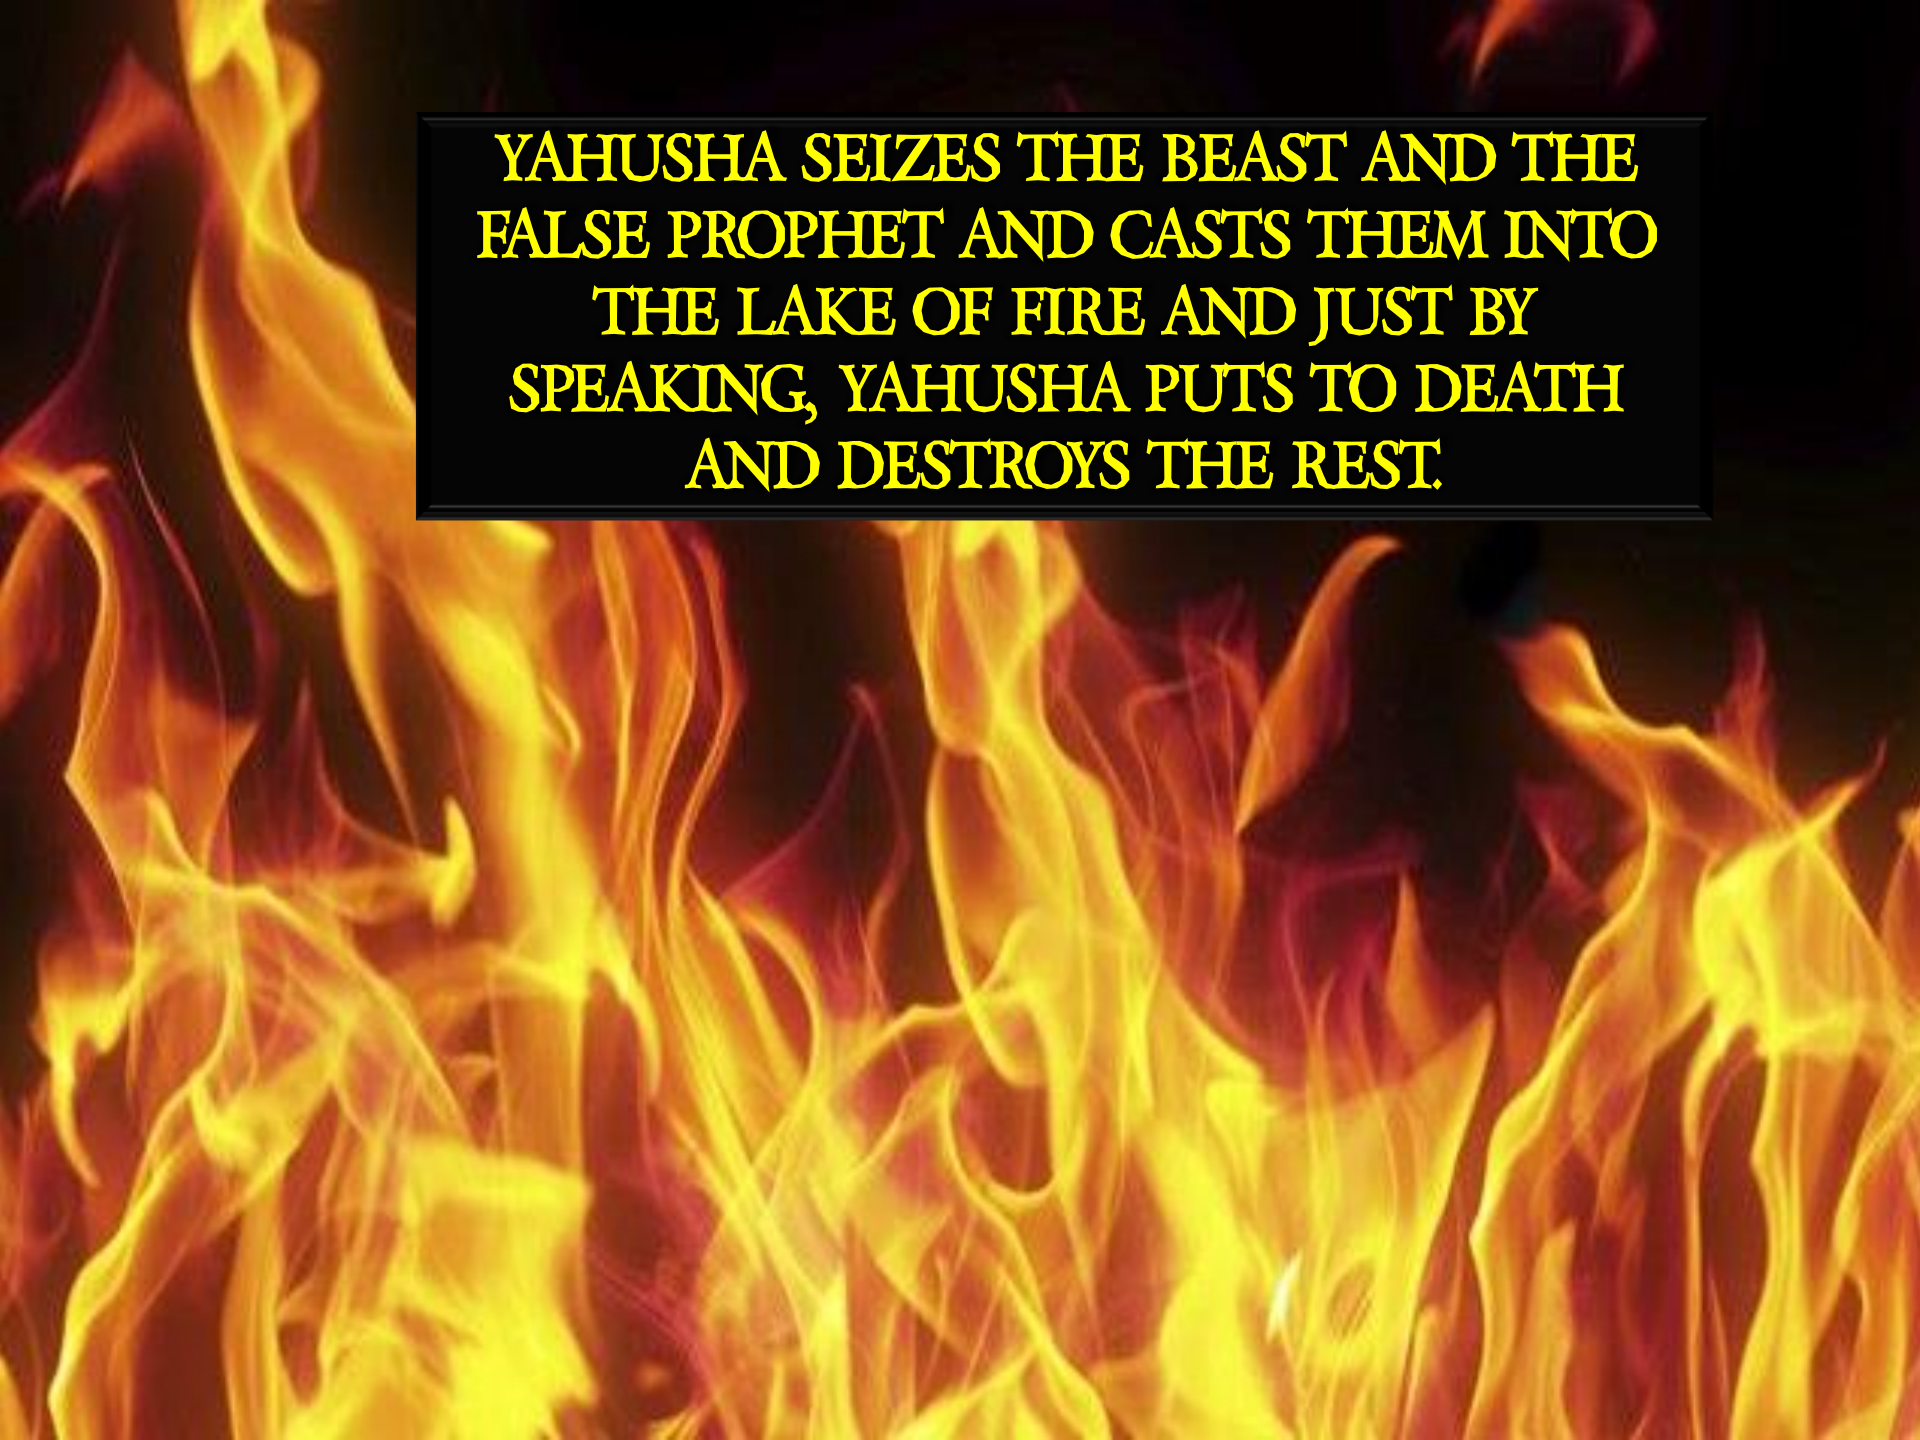

Rev 16:13

Then I perceived and saw issuing and coming forth out of the mouth of the dragon, adversary and out of the mouth of the beast, wicked person and out of the mouth of the false prophet three unclean, impure and evil spirits like frogs, detestable things.

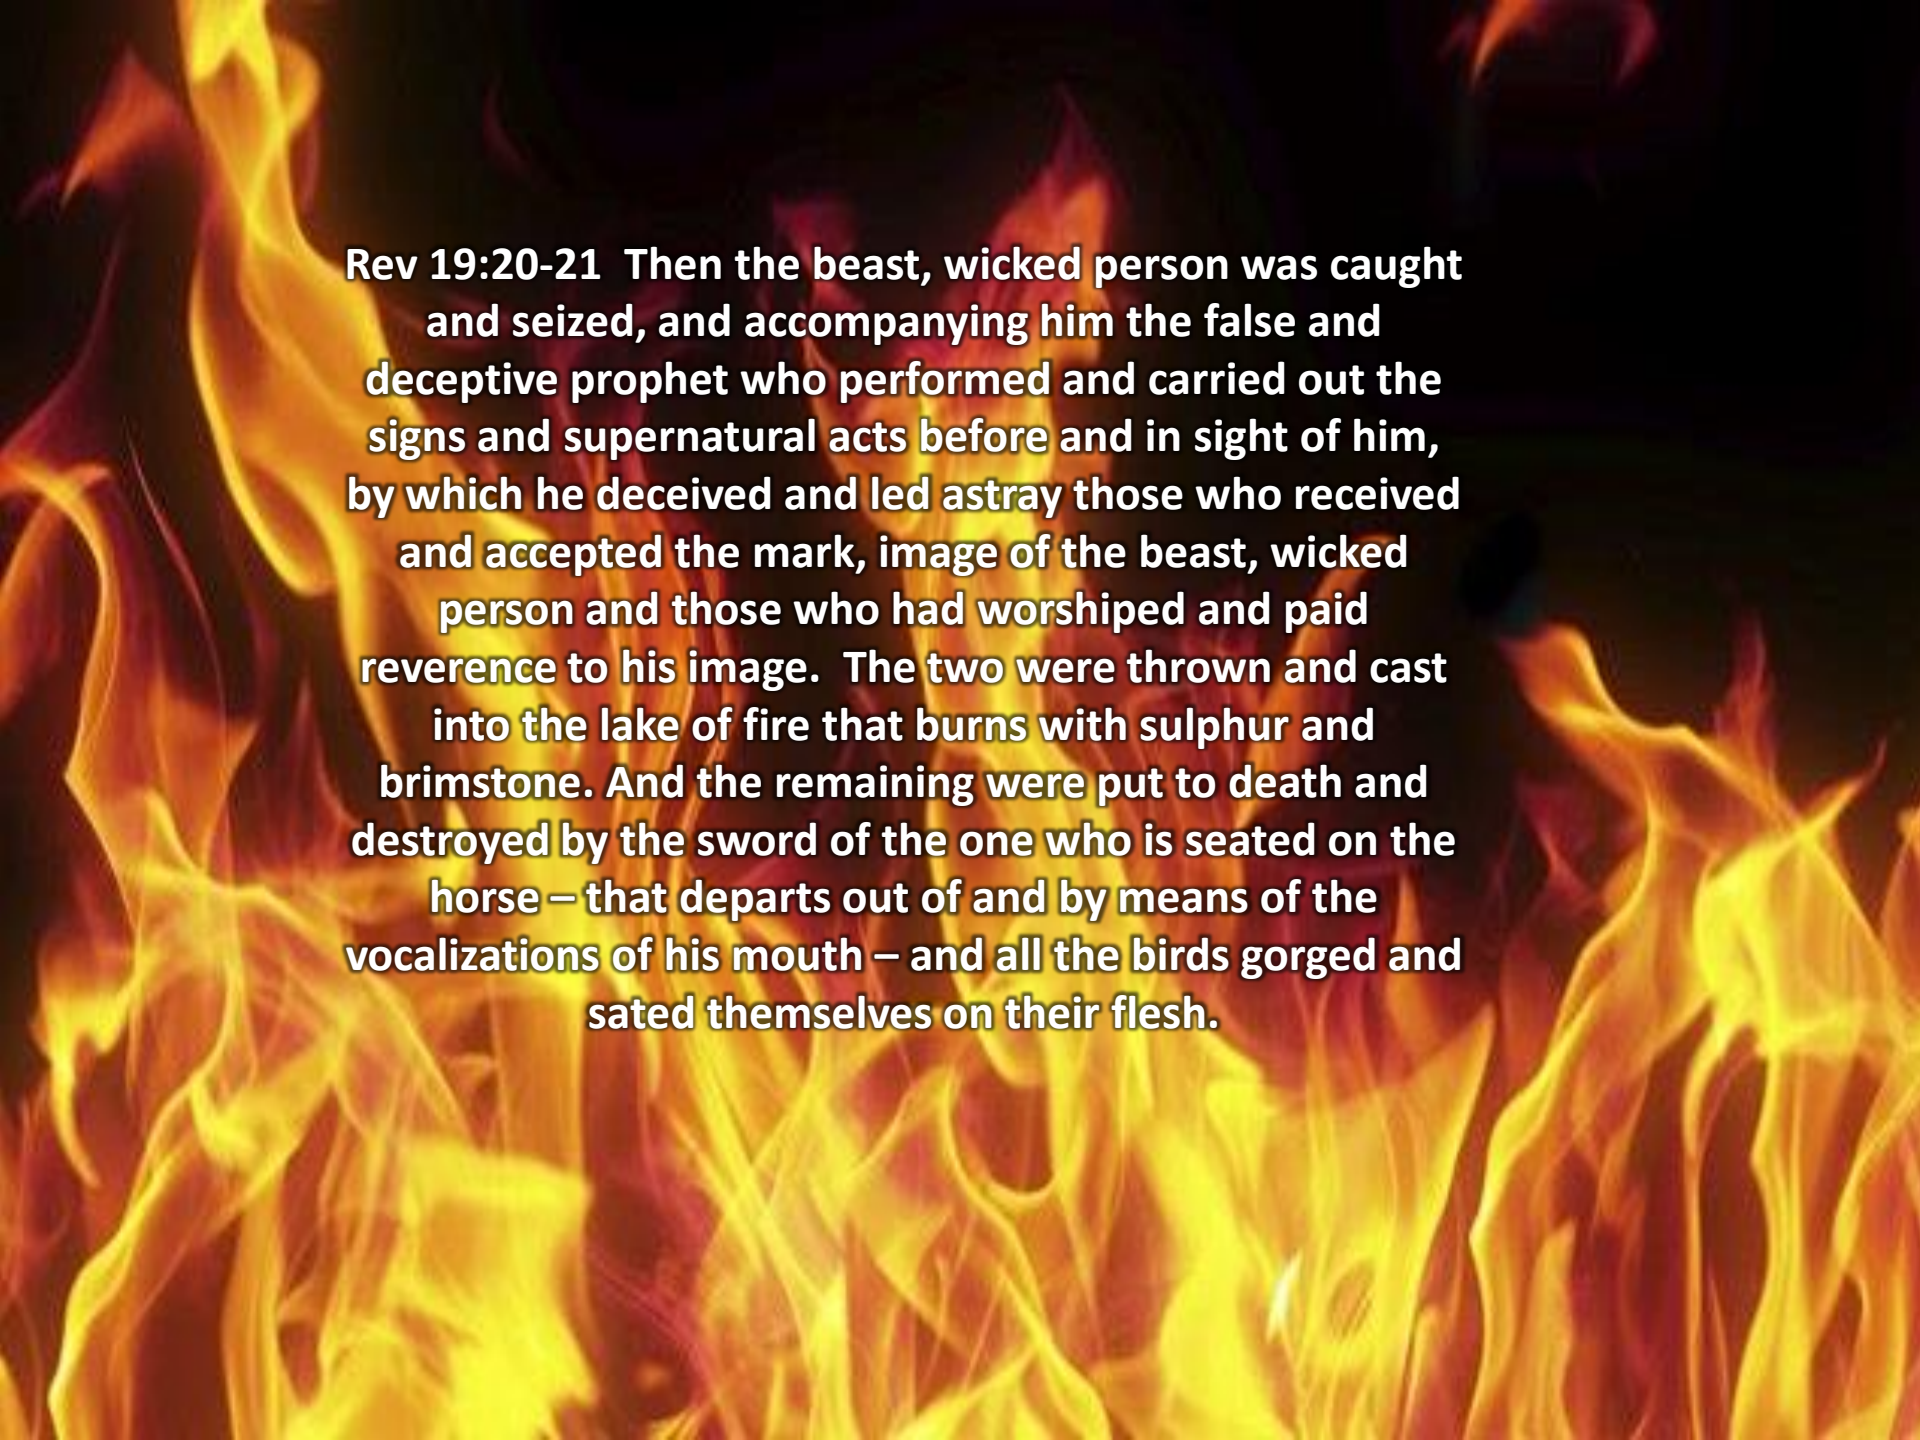

Rev 19:19 Then I paid attention and saw the beast, wicked person and the kings of the earth and their armies, warriors and gather together to make war and battle with the one who is seated on the horse and with his warriors.

Witness:

Psa 27:3 Even though an army encamp and lay siege against me, my heart will not be discouraged or tremble with fear. Though war rises up against me, even in this I will remain confident and have complete trust and reliance in Yahuah.

**YAHUSHA SEIZES THE BEAST AND THE
FALSE PROPHET AND CASTS THEM INTO
THE LAKE OF FIRE AND JUST BY
SPEAKING, YAHUSHA PUTS TO DEATH
AND DESTROYS THE REST.**

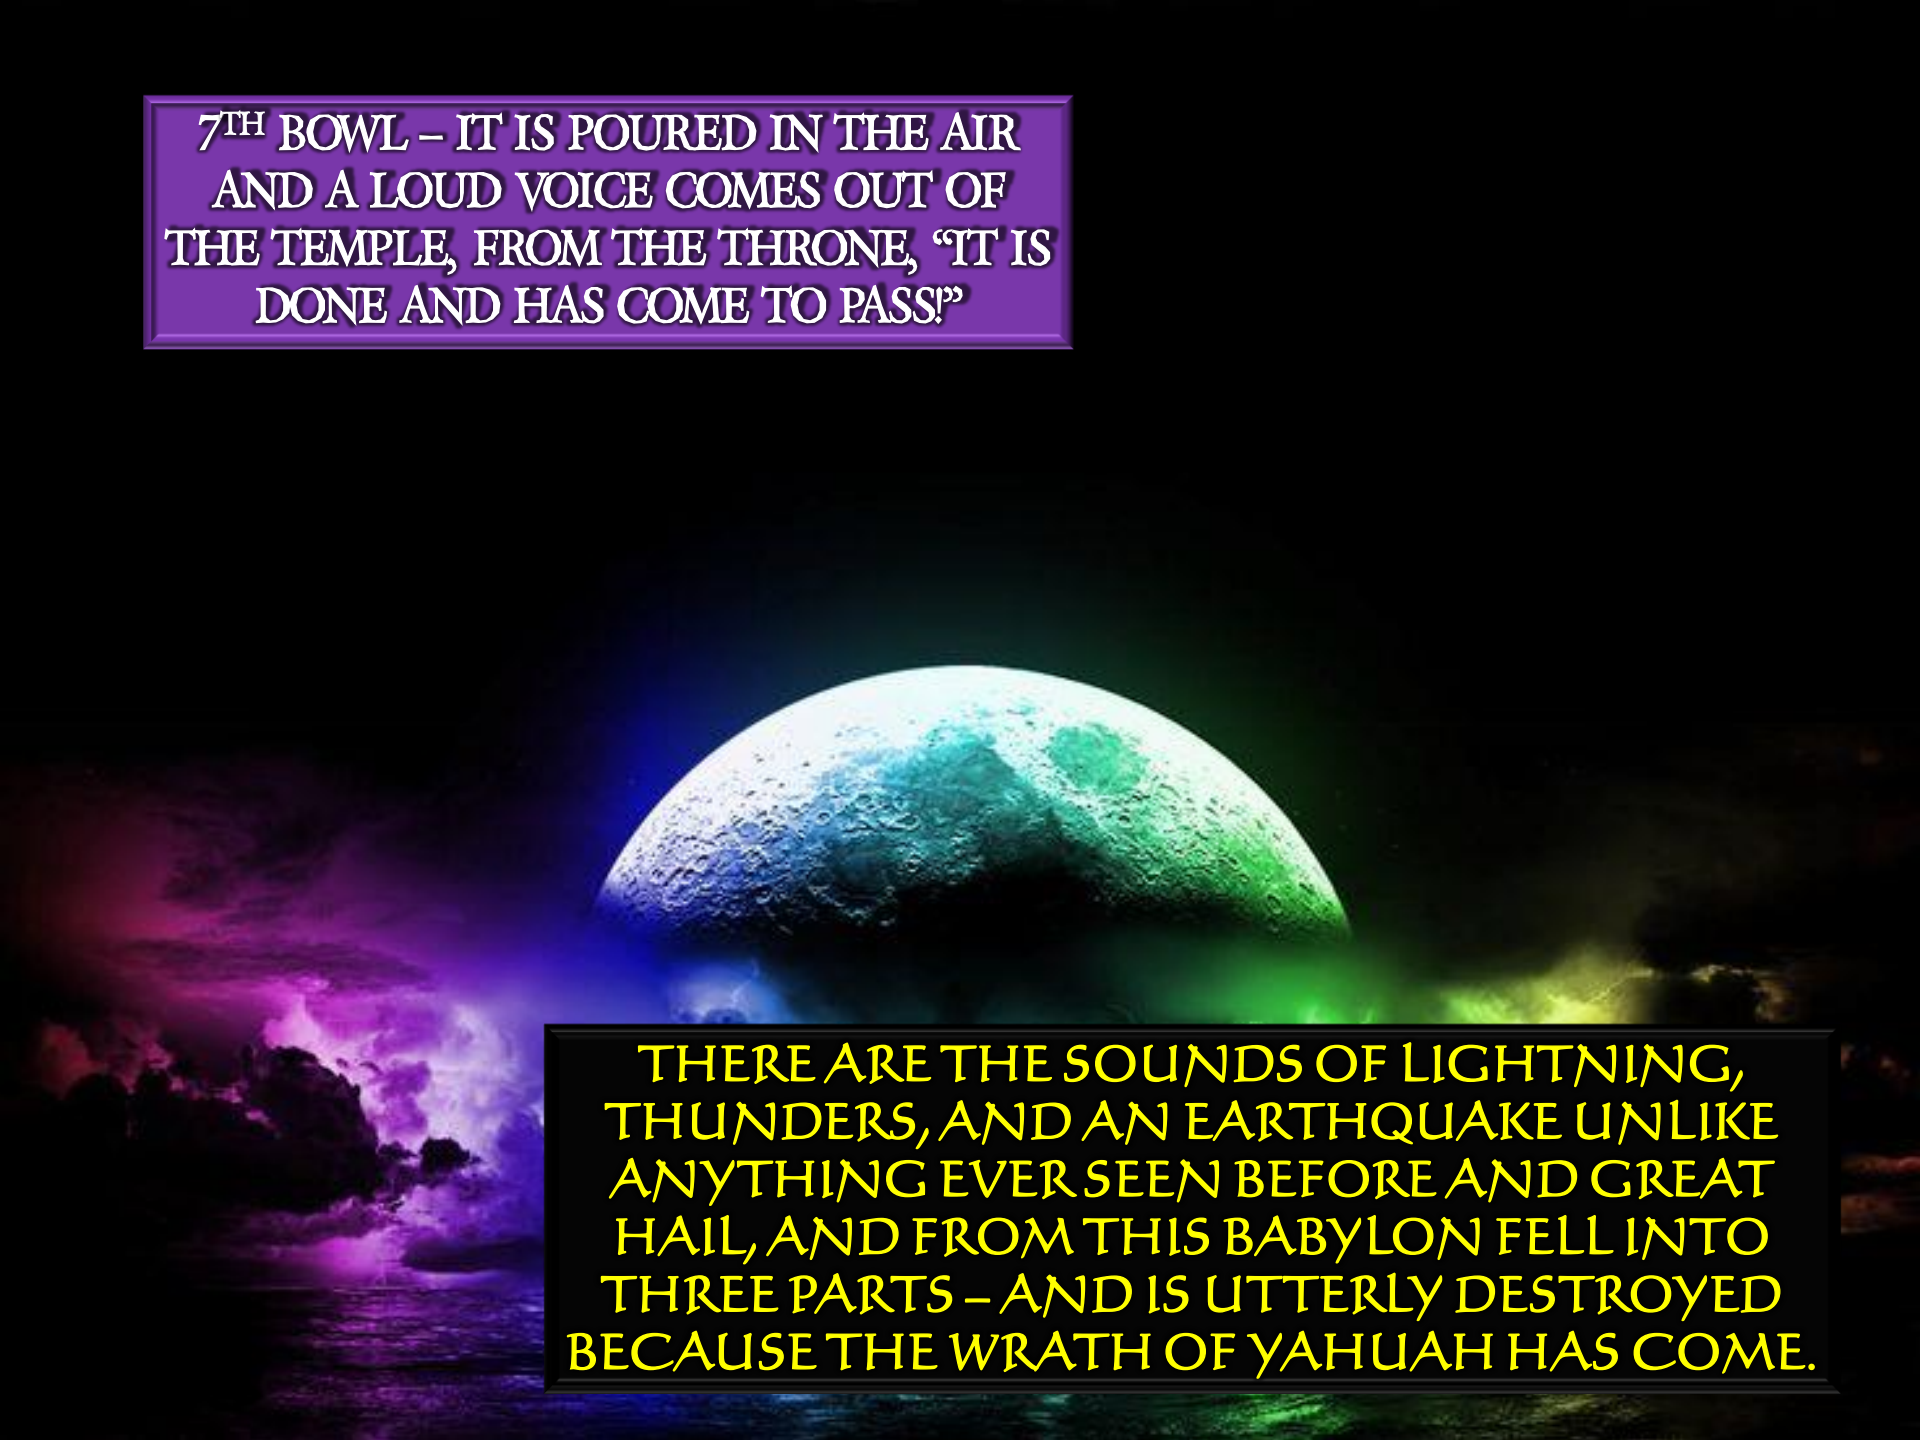

Rev 19:20-21 Then the beast, wicked person was caught and seized, and accompanying him the false and deceptive prophet who performed and carried out the signs and supernatural acts before and in sight of him, by which he deceived and led astray those who received and accepted the mark, image of the beast, wicked person and those who had worshiped and paid reverence to his image. The two were thrown and cast into the lake of fire that burns with sulphur and brimstone. And the remaining were put to death and destroyed by the sword of the one who is seated on the horse – that departs out of and by means of the vocalizations of his mouth – and all the birds gorged and sated themselves on their flesh.

Witness:

Dan 7:11 “I continued watching and looked attentively and on account of the noise of the boastful, self-important words of the horn who was speaking; I continued watching and looked attentively until the beast, wicked person was put to death and its body was destroyed, then it was given as payment to burning with fire.

The Empire State Building

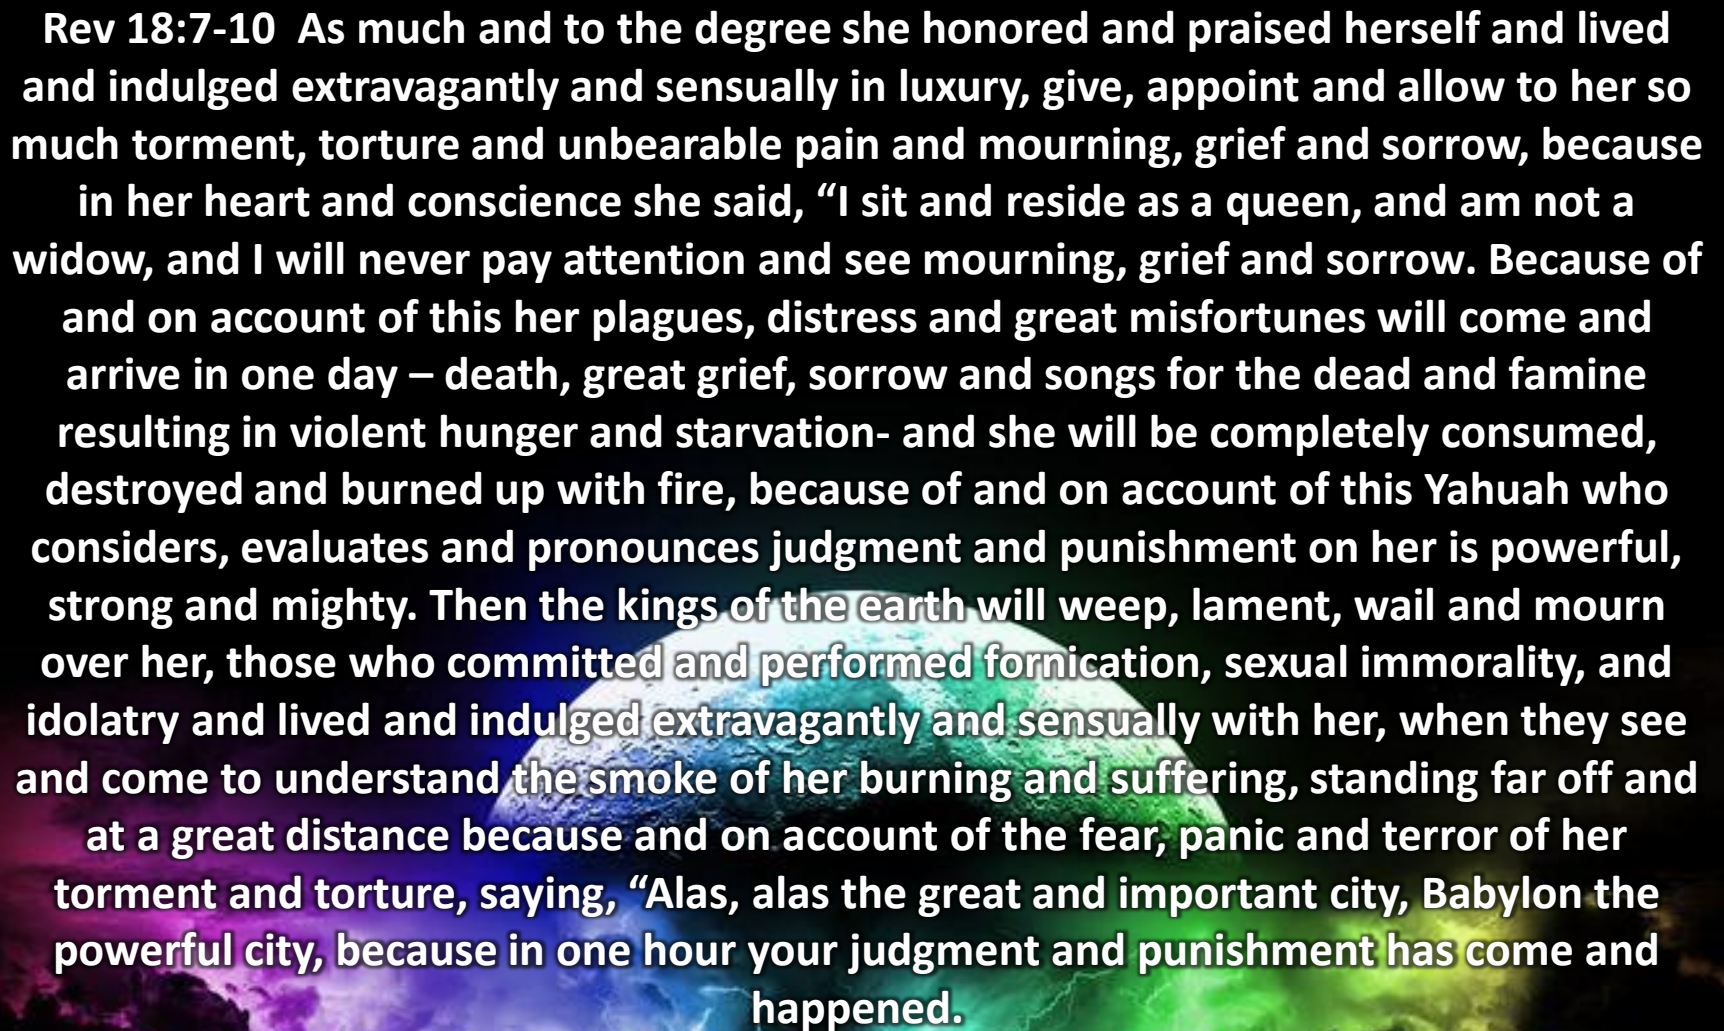

The world's tallest building at 2700 ft. in the financial district of Dubai, this building is called "Burj Khalifa".

Rev 16:17-21 Then the seventh caused to flow and poured out his bowl on the air and sky, and a great loud voice came out of the temple, from the throne, saying, “It is done and has come to pass!” Then there were lightnings and sounds and thunders, and there was a great and powerful earthquake and vibrating storm, such has not happened or occurred from the time humanity was created and has been on the earth – so great and remarkable of the vibrating and whirring in the manner of this storm and earthquake. And the great and important city fell into three parts, and the cities of the nations and peoples fell in defeat and ruin. Then Babylon the great was remembered before and in front of Yahuah, to give and grant her the cup of the wine of His furious and intense wrath. And every island surrounded by water fled, taking refuge by disappearing, and mountains were not found or discovered. And large and imposing hailstones, about a hundred pounds, weighing a talent, came down from the shamayim upon people, and the people blasphemed and profaned Yahuah because of the plague, distress and misfortune of hail, because the plague, distress and misfortune of it was very great.

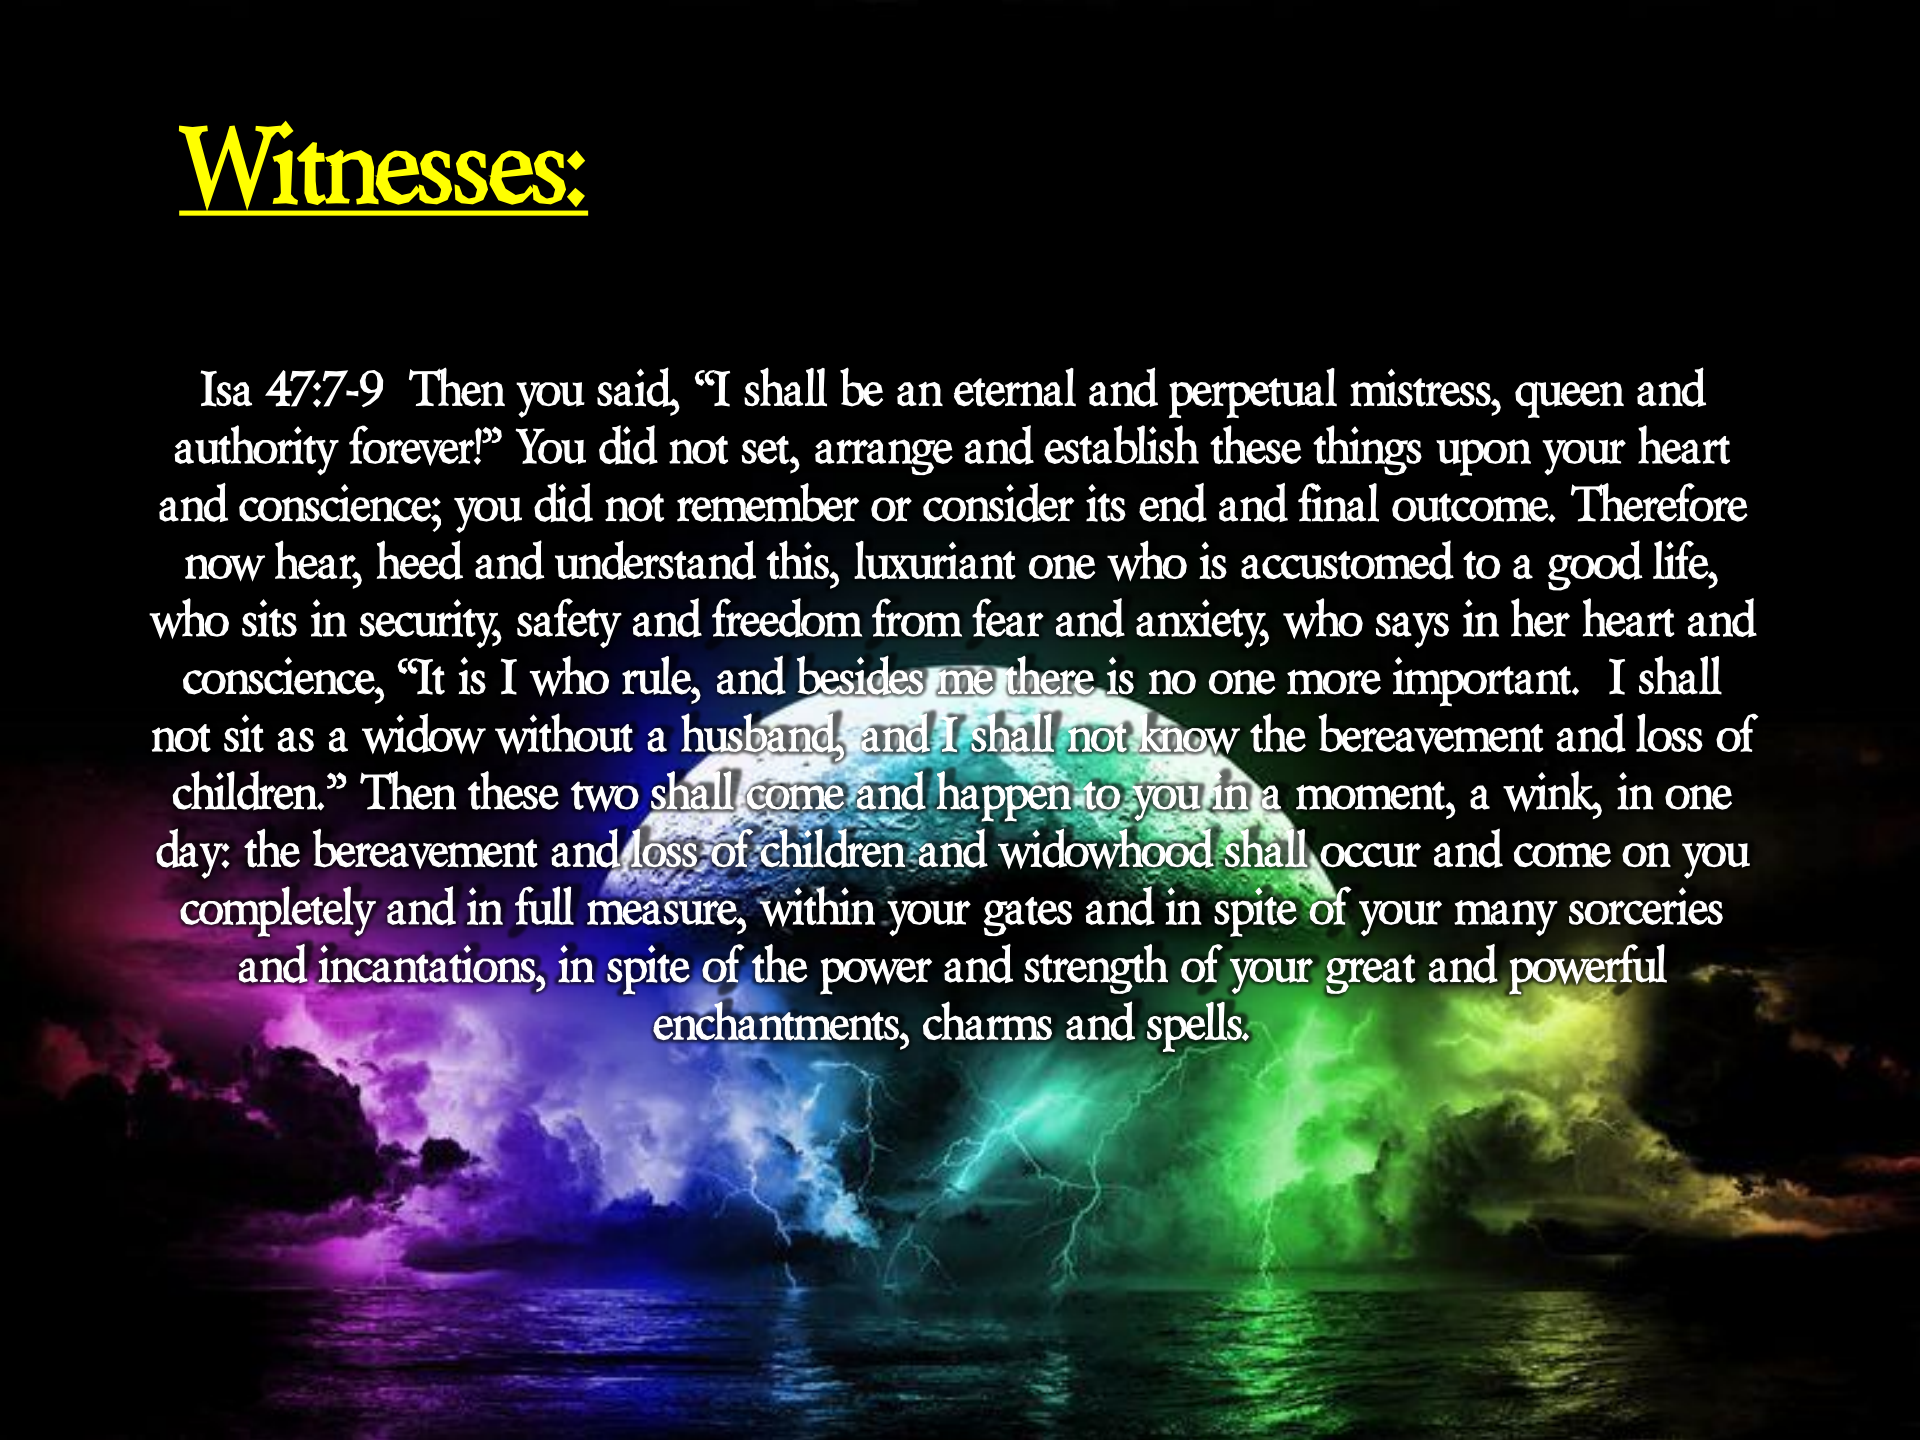

Rev 18:7-10 As much and to the degree she honored and praised herself and lived and indulged extravagantly and sensually in luxury, give, appoint and allow to her so much torment, torture and unbearable pain and mourning, grief and sorrow, because in her heart and conscience she said, “I sit and reside as a queen, and am not a widow, and I will never pay attention and see mourning, grief and sorrow. Because of and on account of this her plagues, distress and great misfortunes will come and arrive in one day – death, great grief, sorrow and songs for the dead and famine resulting in violent hunger and starvation- and she will be completely consumed, destroyed and burned up with fire, because of and on account of this Yahuah who considers, evaluates and pronounces judgment and punishment on her is powerful, strong and mighty. Then the kings of the earth will weep, lament, wail and mourn over her, those who committed and performed fornication, sexual immorality, and idolatry and lived and indulged extravagantly and sensually with her, when they see and come to understand the smoke of her burning and suffering, standing far off and at a great distance because and on account of the fear, panic and terror of her torment and torture, saying, “Alas, alas the great and important city, Babylon the powerful city, because in one hour your judgment and punishment has come and happened.

Witnesses:

Isa 47:7-9 Then you said, "I shall be an eternal and perpetual mistress, queen and authority forever!" You did not set, arrange and establish these things upon your heart and conscience; you did not remember or consider its end and final outcome. Therefore now hear, heed and understand this, luxuriant one who is accustomed to a good life, who sits in security, safety and freedom from fear and anxiety, who says in her heart and conscience, "It is I who rule, and besides me there is no one more important. I shall not sit as a widow without a husband, and I shall not know the bereavement and loss of children." Then these two shall come and happen to you in a moment, a wink, in one day: the bereavement and loss of children and widowhood shall occur and come on you completely and in full measure, within your gates and in spite of your many sorceries and incantations, in spite of the power and strength of your great and powerful enchantments, charms and spells.

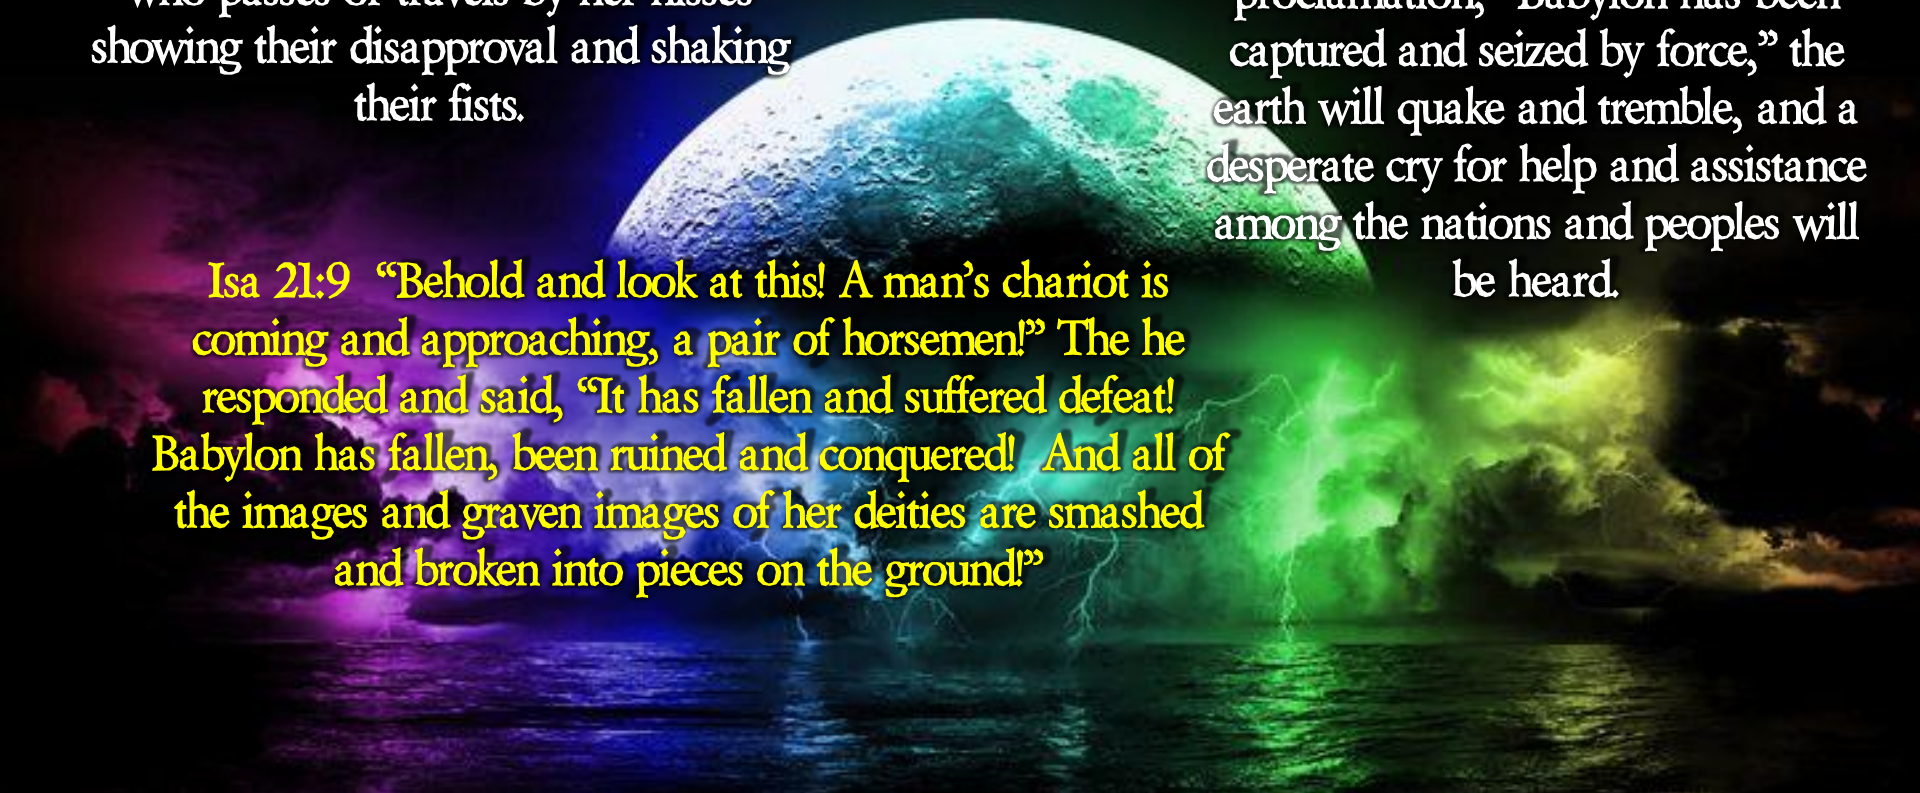

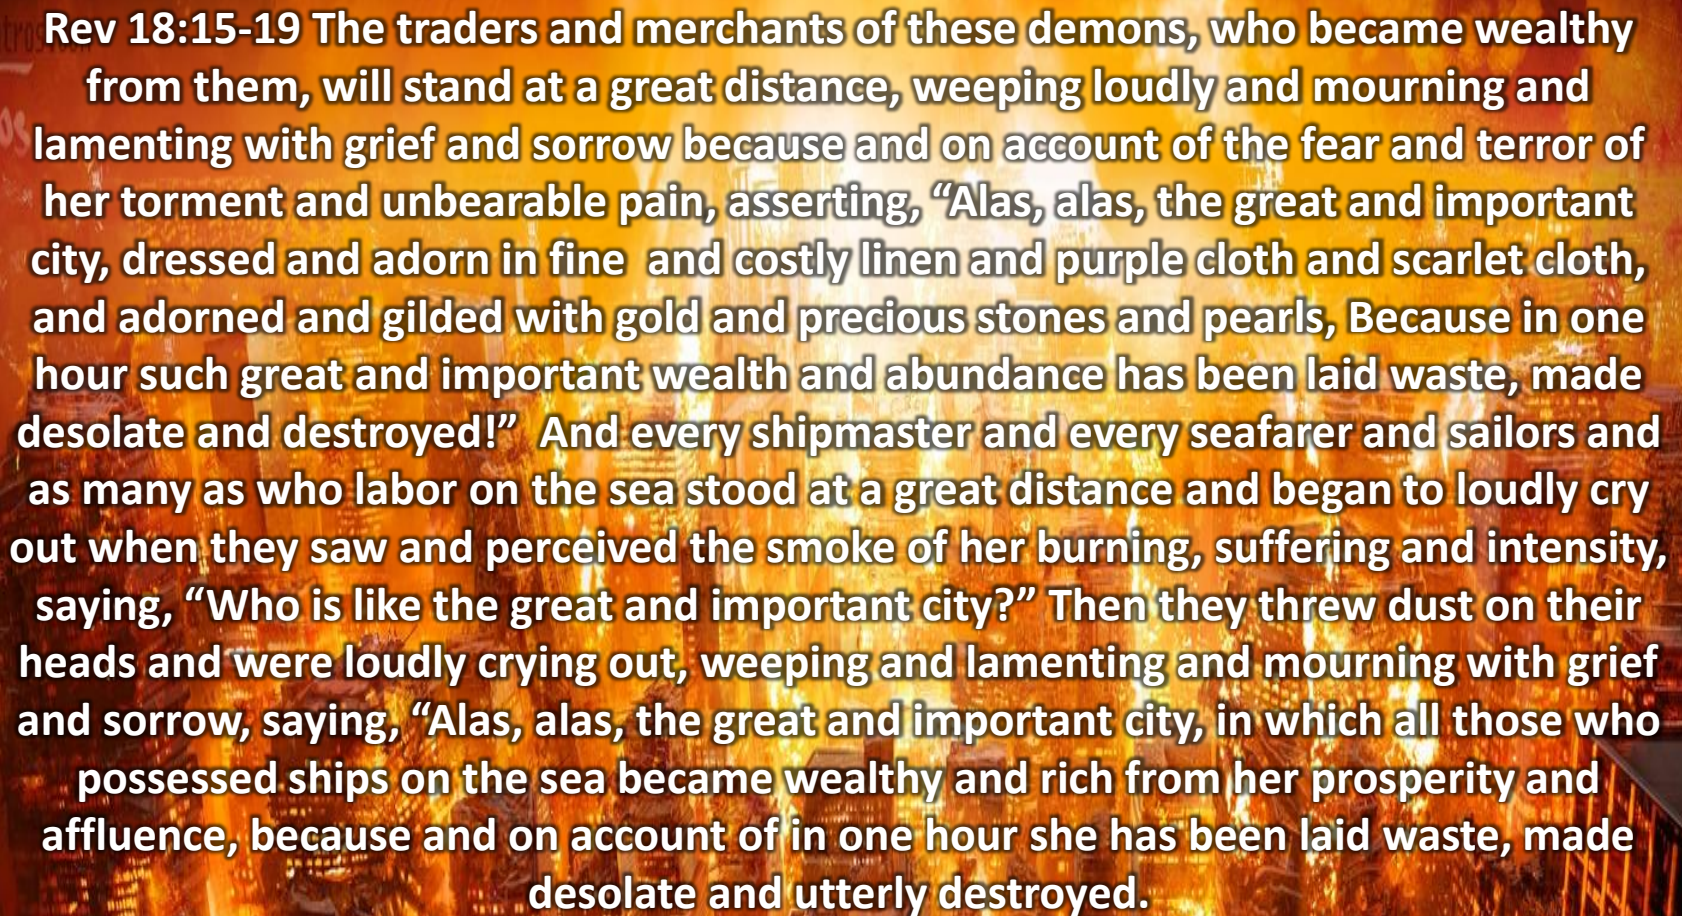

Zep 2:15 This the city of rejoicing and reveling that lived and dwelled securely and safely, free from anxiety; the one saying in her heart, conscience, "I am, and there is nothing or none besides me." How she has become and undergone a change in the direction of desolation, waste and horror, a lair for wild and predatory animals! Everyone who passes or travels by her hisses showing their disapproval and shaking their fists.

Isa 21:9 "Behold and look at this! A man's chariot is coming and approaching, a pair of horsemen!" The he responded and said, "It has fallen and suffered defeat! Babylon has fallen, been ruined and conquered! And all of the images and graven images of her deities are smashed and broken into pieces on the ground!"

Zep 3:1 Alas to you, O rebellious, obstinate, contentious and defiled and stained one! The oppressing and tyrannical city!

Jer 50:46 At the sound and proclamation, "Babylon has been captured and seized by force," the earth will quake and tremble, and a desperate cry for help and assistance among the nations and peoples will be heard.

Rev 18:15-19 The traders and merchants of these demons, who became wealthy from them, will stand at a great distance, weeping loudly and mourning and lamenting with grief and sorrow because and on account of the fear and terror of her torment and unbearable pain, asserting, “Alas, alas, the great and important city, dressed and adorned in fine and costly linen and purple cloth and scarlet cloth, and adorned and gilded with gold and precious stones and pearls, Because in one hour such great and important wealth and abundance has been laid waste, made desolate and destroyed!” And every shipmaster and every seafarer and sailors and as many as who labor on the sea stood at a great distance and began to loudly cry out when they saw and perceived the smoke of her burning, suffering and intensity, saying, “Who is like the great and important city?” Then they threw dust on their heads and were loudly crying out, weeping and lamenting and mourning with grief and sorrow, saying, “Alas, alas, the great and important city, in which all those who possessed ships on the sea became wealthy and rich from her prosperity and affluence, because and on account of in one hour she has been laid waste, made desolate and utterly destroyed.

Witnesses:

Eze 27:29-31 Then they will descend from their ships, all of those holding an oar, mariners, all of the seamen of the sea will stand in position on the land, and they will understand and lament over you with their voice, and they will cry out loud bitterly, in horror and great anguish, and they will throw dust on their heads, they will roll in the dust. They will shave themselves and make bald for your sake, and they will dress and gird themselves in sackcloth of mourning, and they will weep profusely with sadness and distress over you with bitterness and sadness of soul and breath, with bitter and sorrowful wailing and mourning.

Isa 13:19 Then Babylon, the glory and magnificence of kingdoms and dominion, the splendor and distinction of the Chaldeans' pride, arrogance and loftiness, will be like when Yahuah overthrew and demolished Sodom and Gomorrah.

Rev 18:23-24 And the light and illumination of a lamp will never shine, be visible or emit in you any longer! And the sound and cry of a bridegroom and bride will never be detected, perceived, understood or heard in you any longer! For your merchants were the most important and influential people of the earth, because and on account of your sorcery, magic and poison-making they deceived and misled all the nations and peoples. And in her was discovered the blood of prophets, the spokesmen of Yahuah and the Set-Apart believers who had been slaughtered and indiscriminately killed on the earth.

Witness:

Job 18:5 Moreover, the light of the wicked transgressors is put out, extinguished, and the flame of his fire will not shine, be visible or emit brightness.

Rev 19:1-2 After these things I paid attention and heard like a loud and great sound of a great majority in the shamayim saying, “HalleluYAH! Salvation and deliverance and esteem and honor and power and strength belong to our Yahuah, because His judgments and rulings are true and genuine and righteous and just on the great harlot who corrupted, destroyed and ruined the earth with her fornication and whoredom, and has punished and avenged the blood of his servants and Set-Part believers shed by her hand, power and dominion.

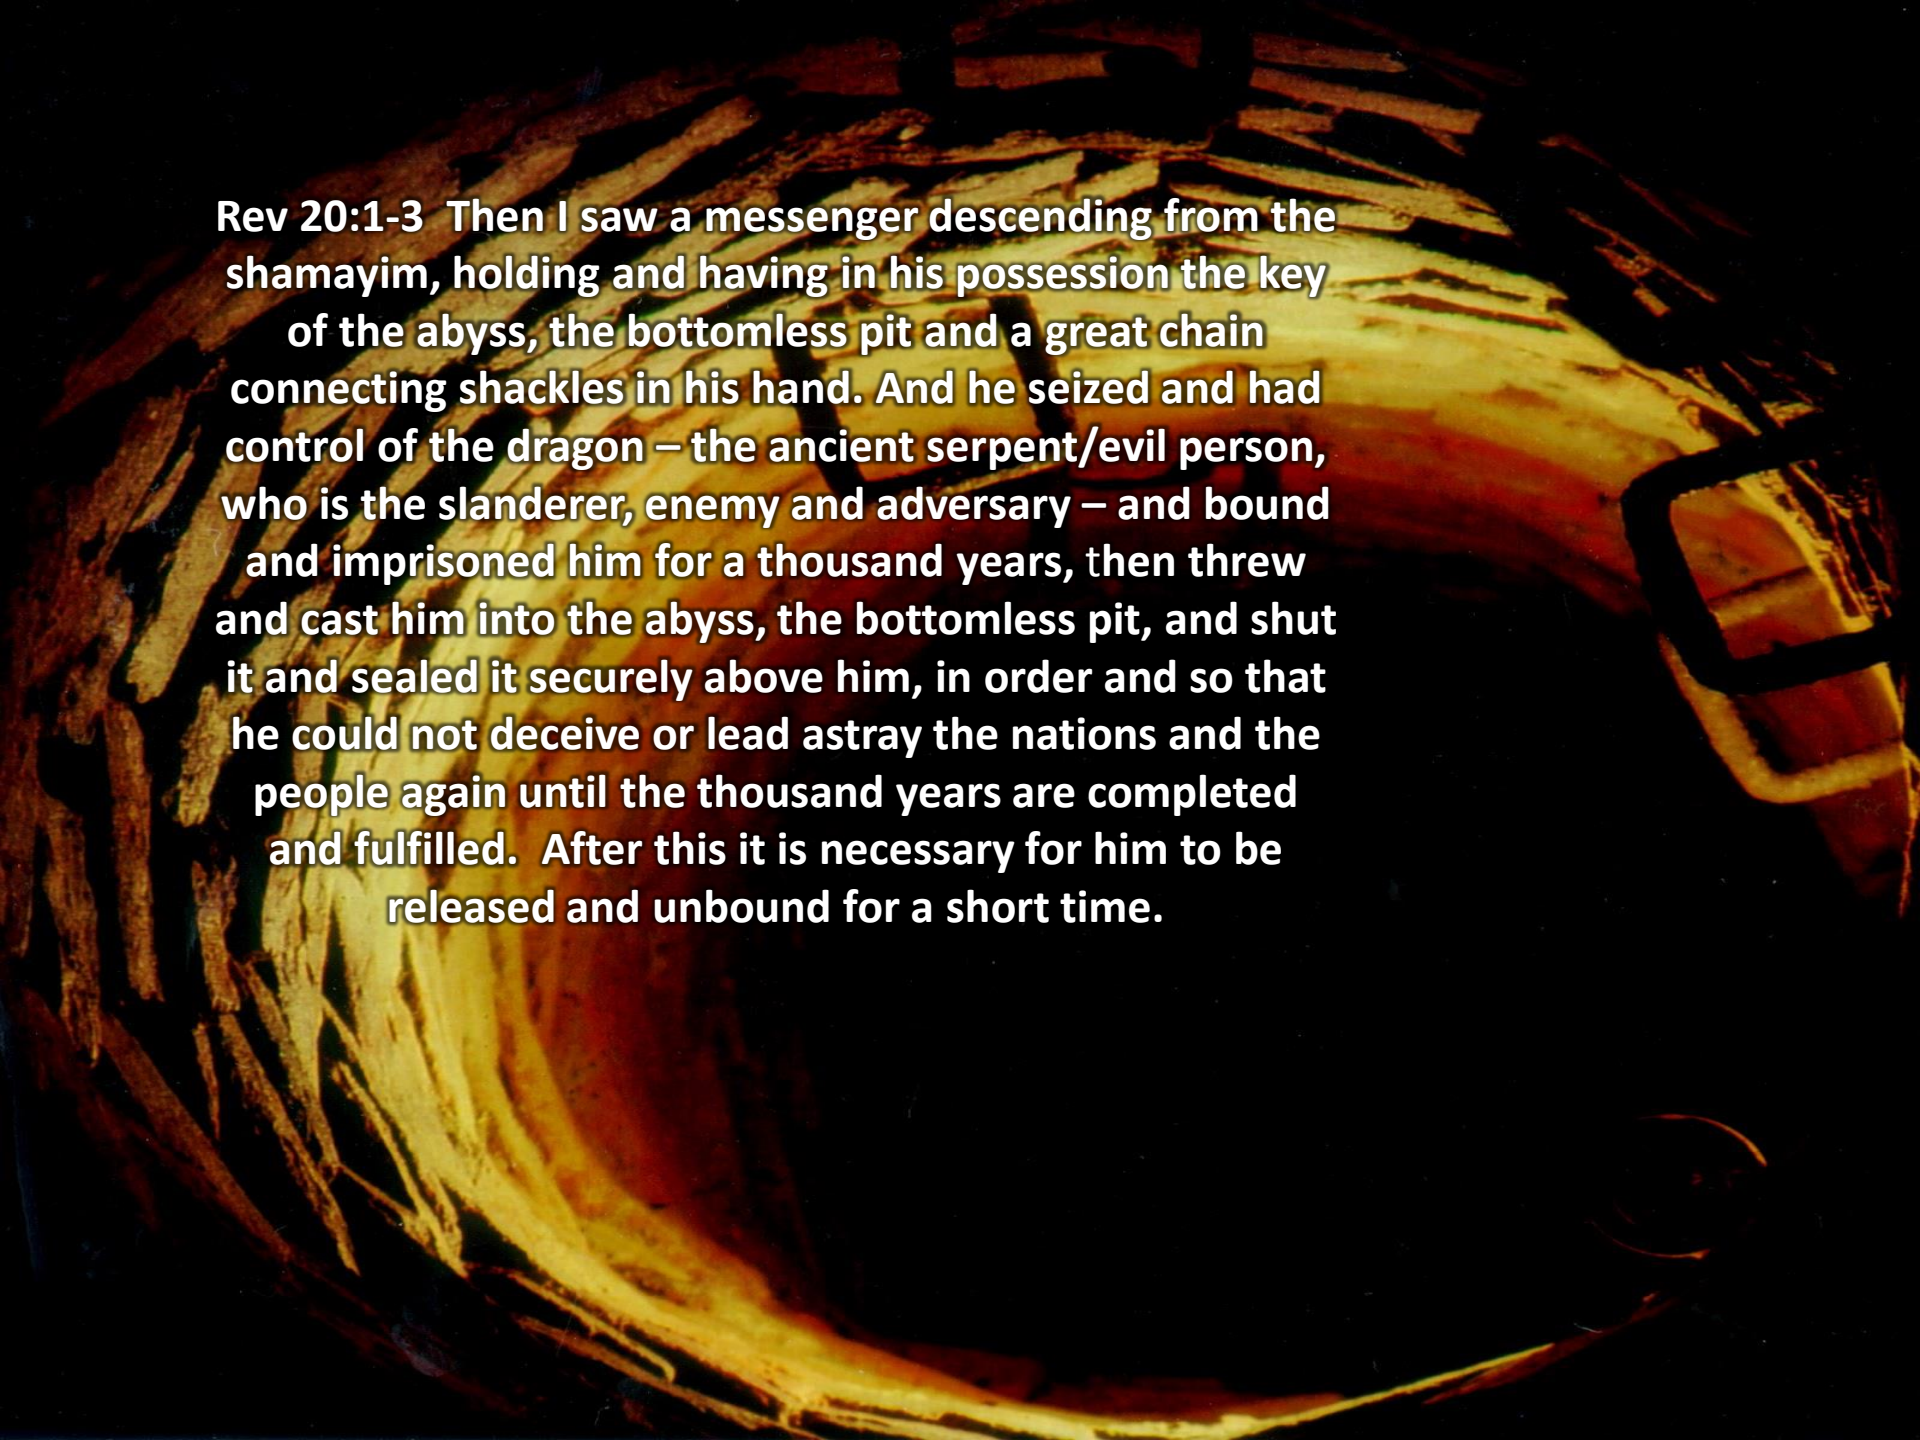

YAHUAH – THE ENDING AND THE
BEGINNING

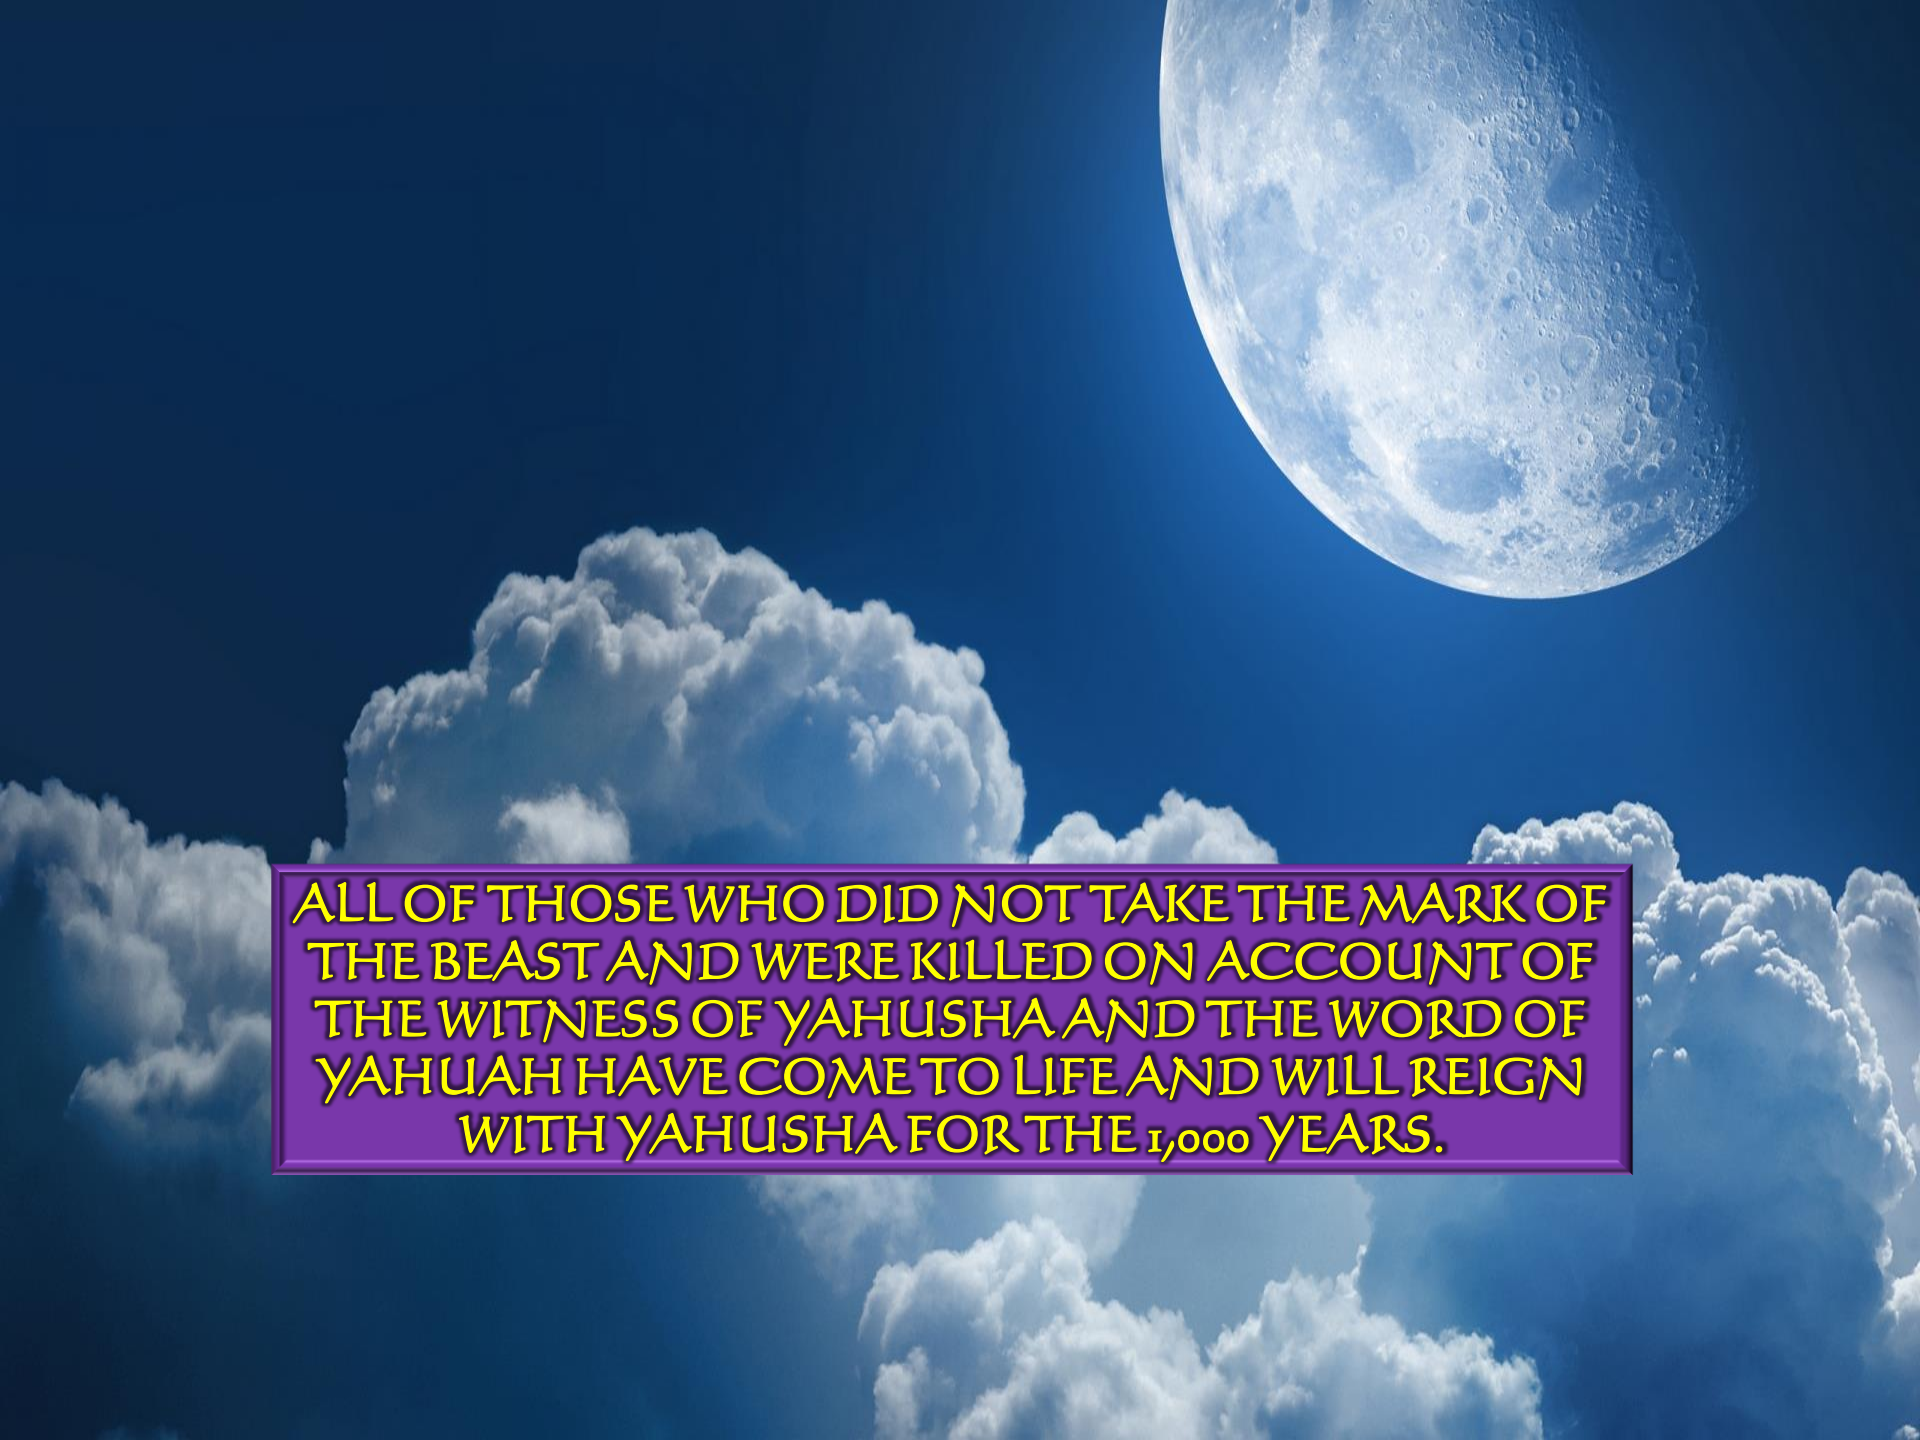

**A MESSENGER DESCENDS FROM THE
SHAMAYIM WITH A KEY TO THE ABYSS, AND
HE SEIZES THE DRAGON AND CASTS HIM
INTO THE ABYSS FOR A 1,000 YEARS.**

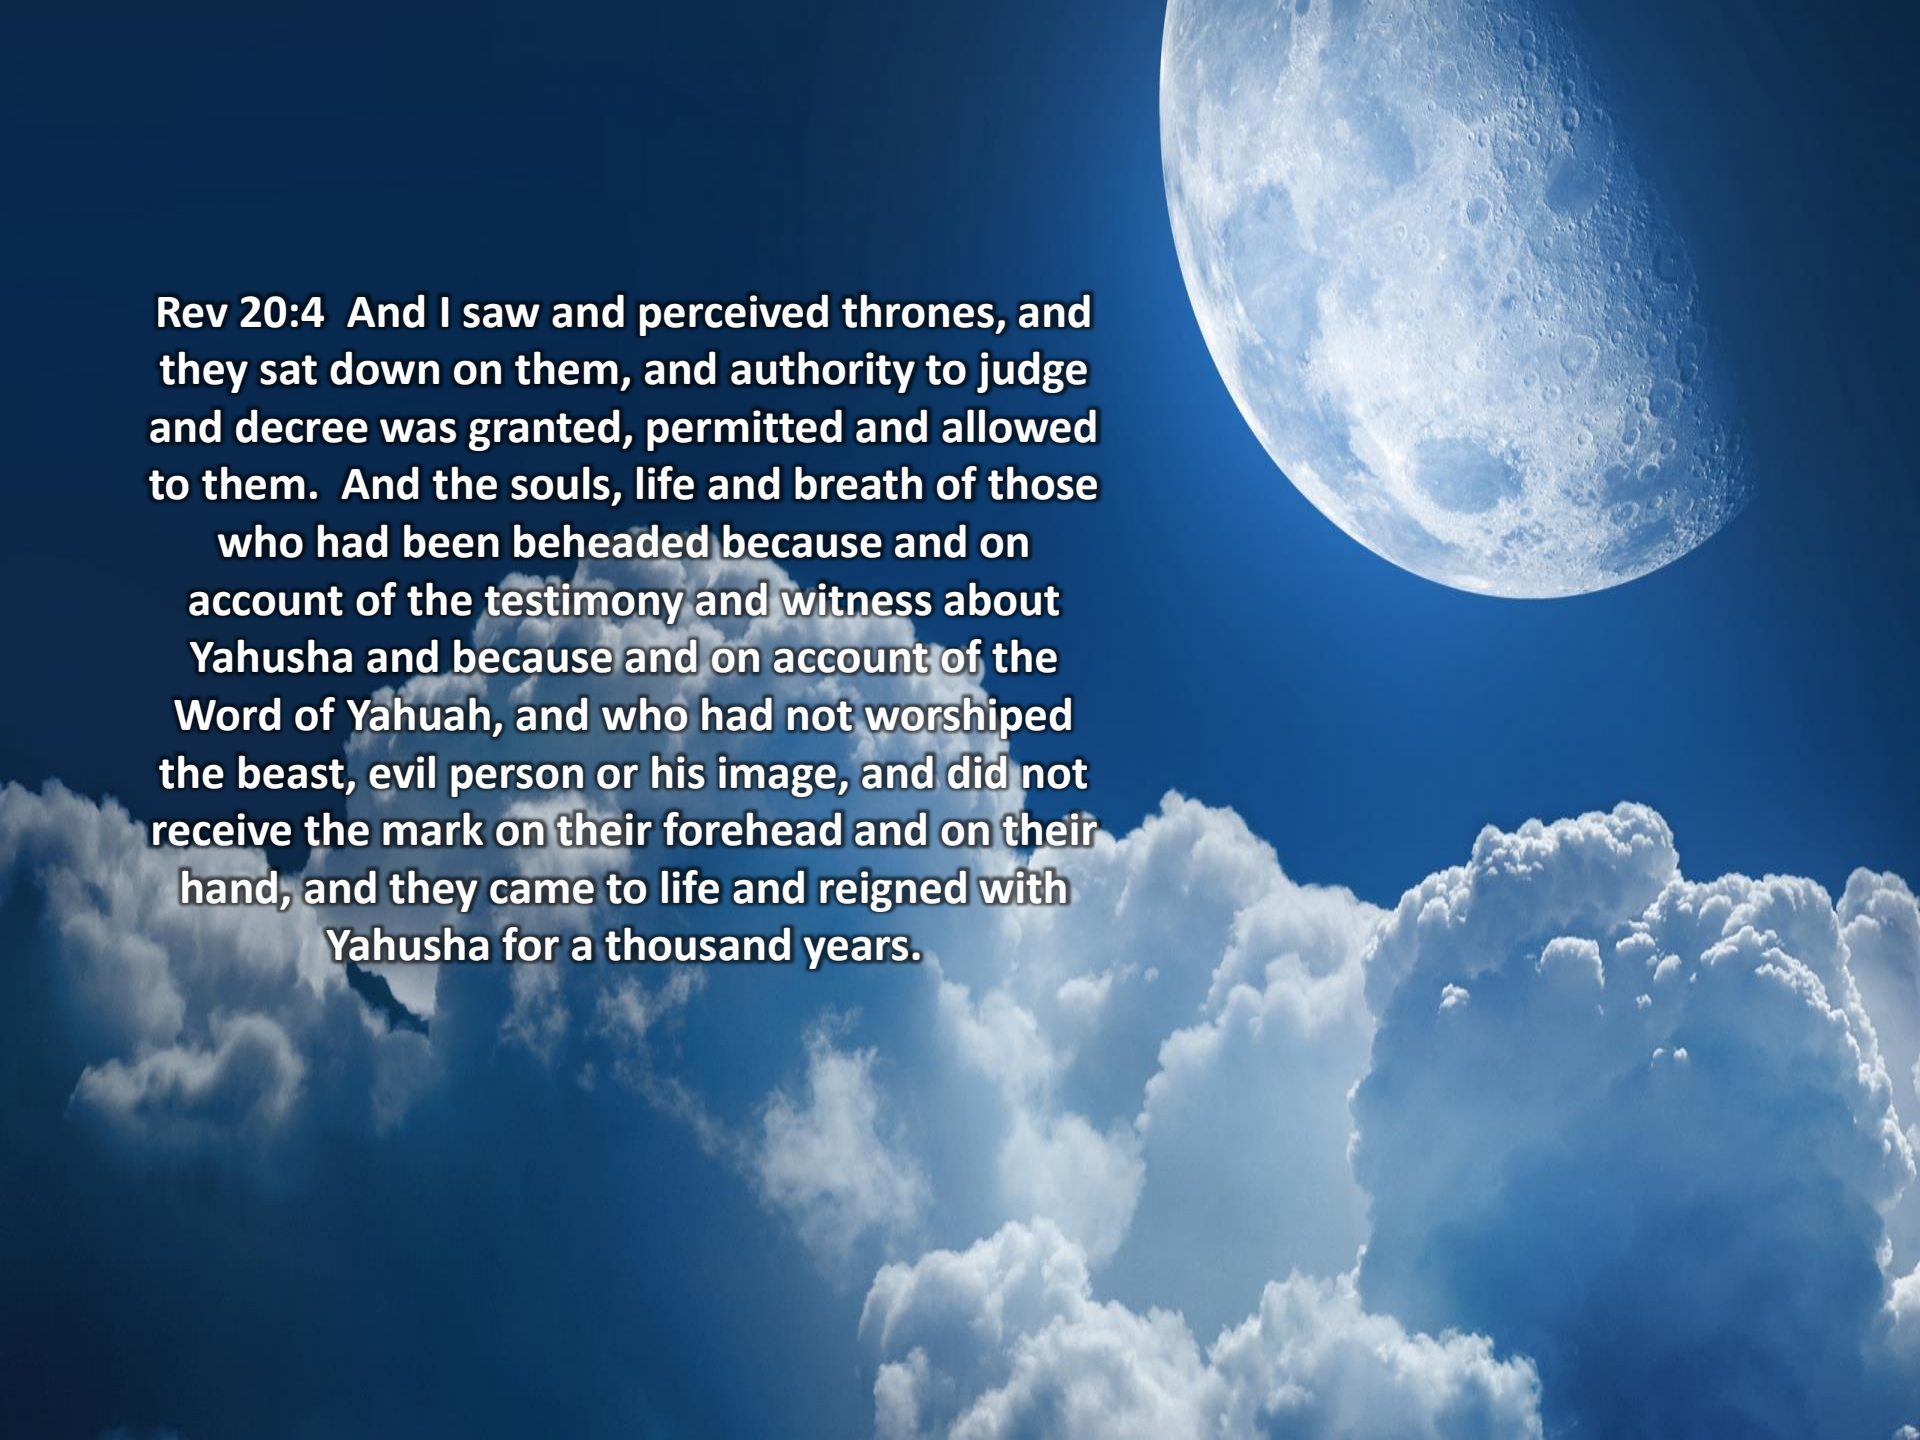

Rev 20:1-3 Then I saw a messenger descending from the shamayim, holding and having in his possession the key of the abyss, the bottomless pit and a great chain connecting shackles in his hand. And he seized and had control of the dragon – the ancient serpent/evil person, who is the slanderer, enemy and adversary – and bound and imprisoned him for a thousand years, then threw and cast him into the abyss, the bottomless pit, and shut it and sealed it securely above him, in order and so that he could not deceive or lead astray the nations and the people again until the thousand years are completed and fulfilled. After this it is necessary for him to be released and unbound for a short time.

Enoch 103:2-4 I have read the heavenly tablets, and have seen the set-apart books, and have found written in it and inscribed regarding them. that all goodness and joy and honor are prepared for them, and written down for the spirits of those who have died in righteousness, and that much good shall be given to you in reward for your labors, and that your lot is abundant beyond the lot of the living. And the spirits of you who have died in righteousness shall live and rejoice, and your spirits shall not perish, nor shall your memory from before the face of the Great One to all the generations of the world, therefore no longer fear the abuse.

ALL OF THOSE WHO DID NOT TAKE THE MARK OF
THE BEAST AND WERE KILLED ON ACCOUNT OF
THE WITNESS OF YAHUSHA AND THE WORD OF
YAHUAH HAVE COME TO LIFE AND WILL REIGN
WITH YAHUSHA FOR THE 1,000 YEARS.

Rev 20:4 And I saw and perceived thrones, and they sat down on them, and authority to judge and decree was granted, permitted and allowed to them. And the souls, life and breath of those who had been beheaded because and on account of the testimony and witness about Yahusha and because and on account of the Word of Yahuah, and who had not worshiped the beast, evil person or his image, and did not receive the mark on their forehead and on their hand, and they came to life and reigned with Yahusha for a thousand years.

Remember this from the very 1st part of this study? We would contend that this was actually the first resurrection and the souls (nephesh) that Yahusha released from sheol in 33 CE during first fruits – but, this is just our reasoning due to the next two slides. Remember, anything past Revelation 16 we don't have confirmation of pre-Constantine manuscripts. We have seen the shofars and the bowls out of order, it's not unreasonable to assume this has been tampered with as well.

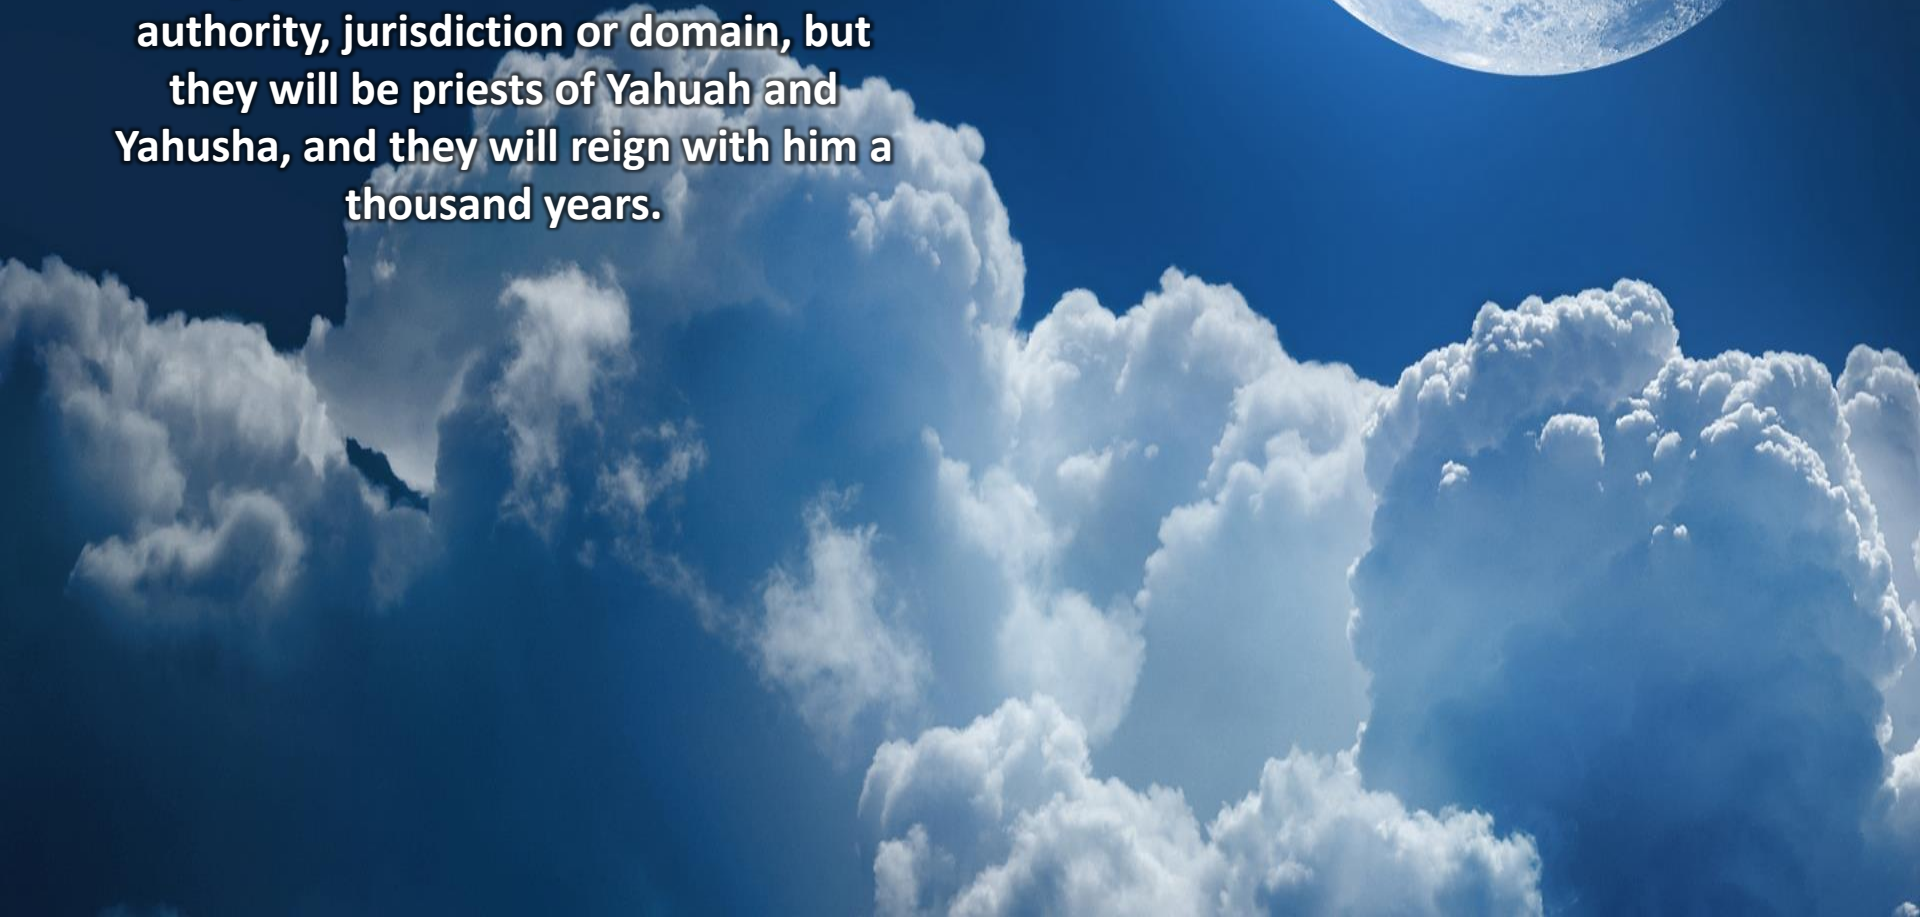

Revelation 6:11

καὶ ἐδόθη αὐτοῖς ἐκάστῳ στολὴ λευκὴ, καὶ ἐρρέθη αὐτοῖς ἵνα ἀναπαύσονται ἔτι χρόνον μικρὸν, ἕως πληρωθῶσιν καὶ οἱ σύνδουλοι αὐτῶν καὶ οἱ ἀδελφοὶ αὐτῶν οἱ μέλλοντες ἀποκτείνεσθαι ὡς καὶ αὐτοί. | LEB NT RI

And to each one of them a white robe was given, and it was said to them that they should rest yet a short time, until the number of their fellow slaves and their brothers who were about to be killed as they had been were completed also. | LEB

Then to each one of them a radiant white robe, raiment was given, and it was said to them that they should rest and abide yet a short time, until their fellow servants and their brothers who were about to be put to death as they likewise were fulfilled and completed also.

Rev 20:5-6 The rest of the dead did not come to life until the thousand years were completed and fulfilled. This is the first resurrection. Baruked and set-apart is the one who has a part in the rising most prominent and important. Over this person the second death has no authority, jurisdiction or domain, but they will be priests of Yahuah and Yahusha, and they will reign with him a thousand years.

It is very important to look again at Rev 20:6 and how translations can be misleading:

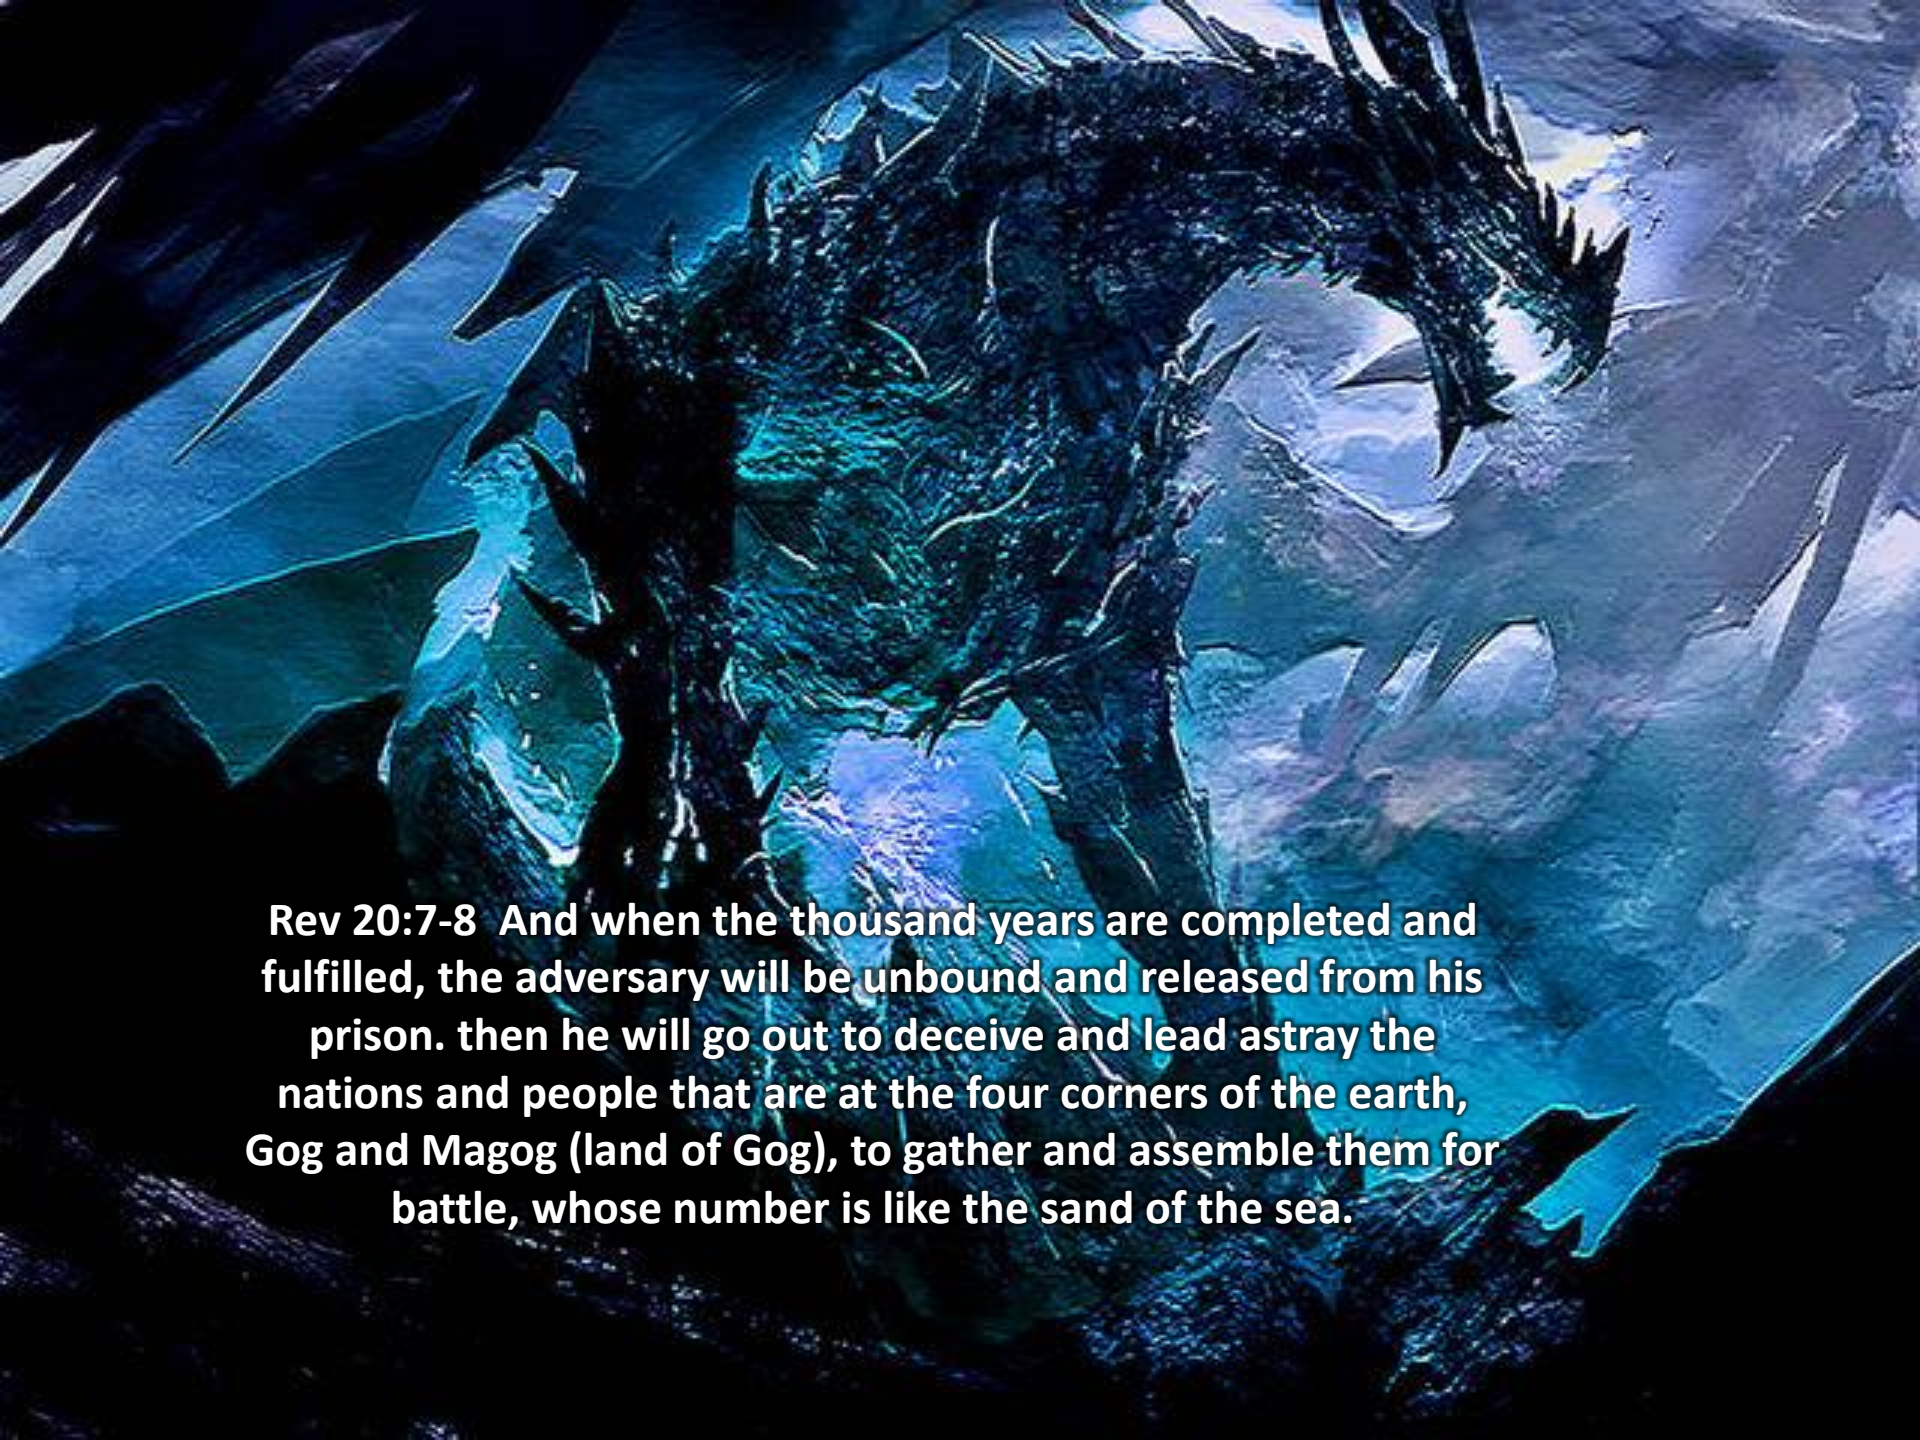

The way it reads here the words are out of order. Resurrection or rising is before the word first. So in context it is this individual's most important and best possible situation because the 2nd death will have not authority over them and these are the righteous. The first group and this group, both rise or resurrect before the unrighteous, so they precede them in time and space.

ARMAGGEDDON

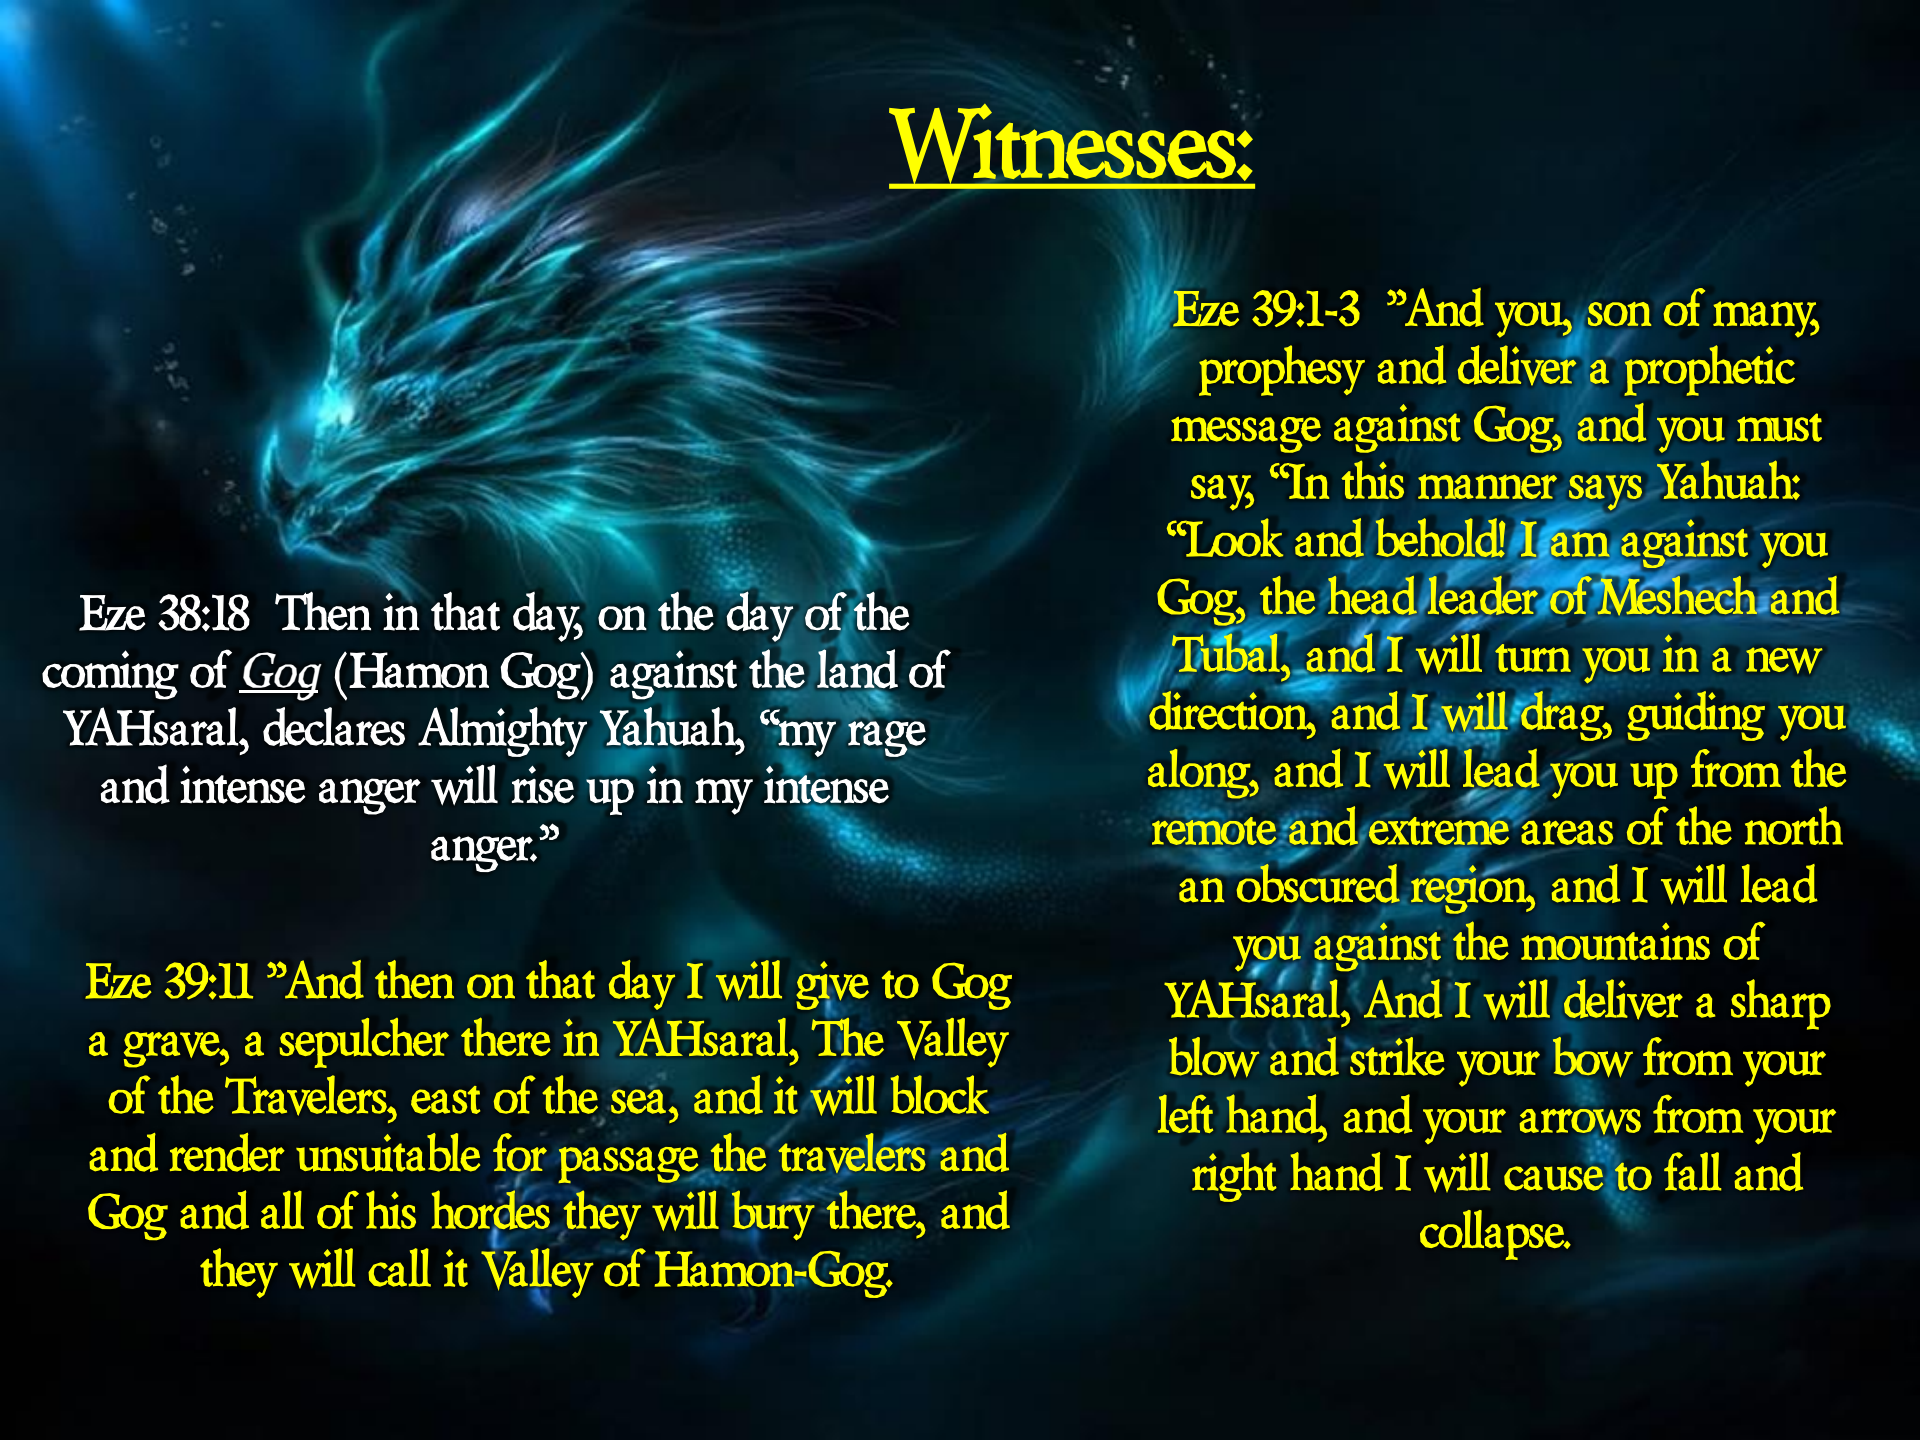

The background of the entire image features two dragons facing each other. The dragon on the left is composed of bright orange and yellow flames, appearing to breathe fire. The dragon on the right is composed of vibrant blue and purple flames, appearing to breathe a cold, ethereal fire. The background is a dark, starry space.

THEN THE 1,000 YEARS ARE COMPLETED, AND THE DRAGON IS RELEASED AND HE GOES OUT TO DECEIVE AND LEAD ASTRAY THE NATIONS AND PEOPLE THAT ARE AT THE FOUR CORNERS OF THE EARTH, TO GATHER AND ASSEMBLE THEM FOR THE LAST BATTLE.

A dark, textured dragon-like creature with sharp spines and wings, set against a dark, stormy background. The creature is the central focus, with its body covered in intricate, scale-like patterns and sharp, pointed protrusions. Its wings are spread, and it appears to be in a dynamic, powerful pose. The background is a dark, swirling mass of black and grey, suggesting a storm or a chaotic, apocalyptic scene. The overall mood is ominous and menacing.

Rev 20:7-8 And when the thousand years are completed and fulfilled, the adversary will be unbound and released from his prison. then he will go out to deceive and lead astray the nations and people that are at the four corners of the earth, Gog and Magog (land of Gog), to gather and assemble them for battle, whose number is like the sand of the sea.

Witnesses:

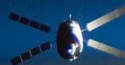

Eze 38:18 Then in that day, on the day of the coming of Gog (Hamon Gog) against the land of YAHsaral, declares Almighty Yahuah, “my rage and intense anger will rise up in my intense anger.”

Eze 39:11 ”And then on that day I will give to Gog a grave, a sepulcher there in YAHsaral, The Valley of the Travelers, east of the sea, and it will block and render unsuitable for passage the travelers and Gog and all of his hordes they will bury there, and they will call it Valley of Hamon-Gog.

Eze 39:1-3 ”And you, son of many, prophesy and deliver a prophetic message against Gog, and you must say, “In this manner says Yahuah: “Look and behold! I am against you Gog, the head leader of Meshech and Tubal, and I will turn you in a new direction, and I will drag, guiding you along, and I will lead you up from the remote and extreme areas of the north an obscured region, and I will lead you against the mountains of YAHsaral, And I will deliver a sharp blow and strike your bow from your left hand, and your arrows from your right hand I will cause to fall and collapse.

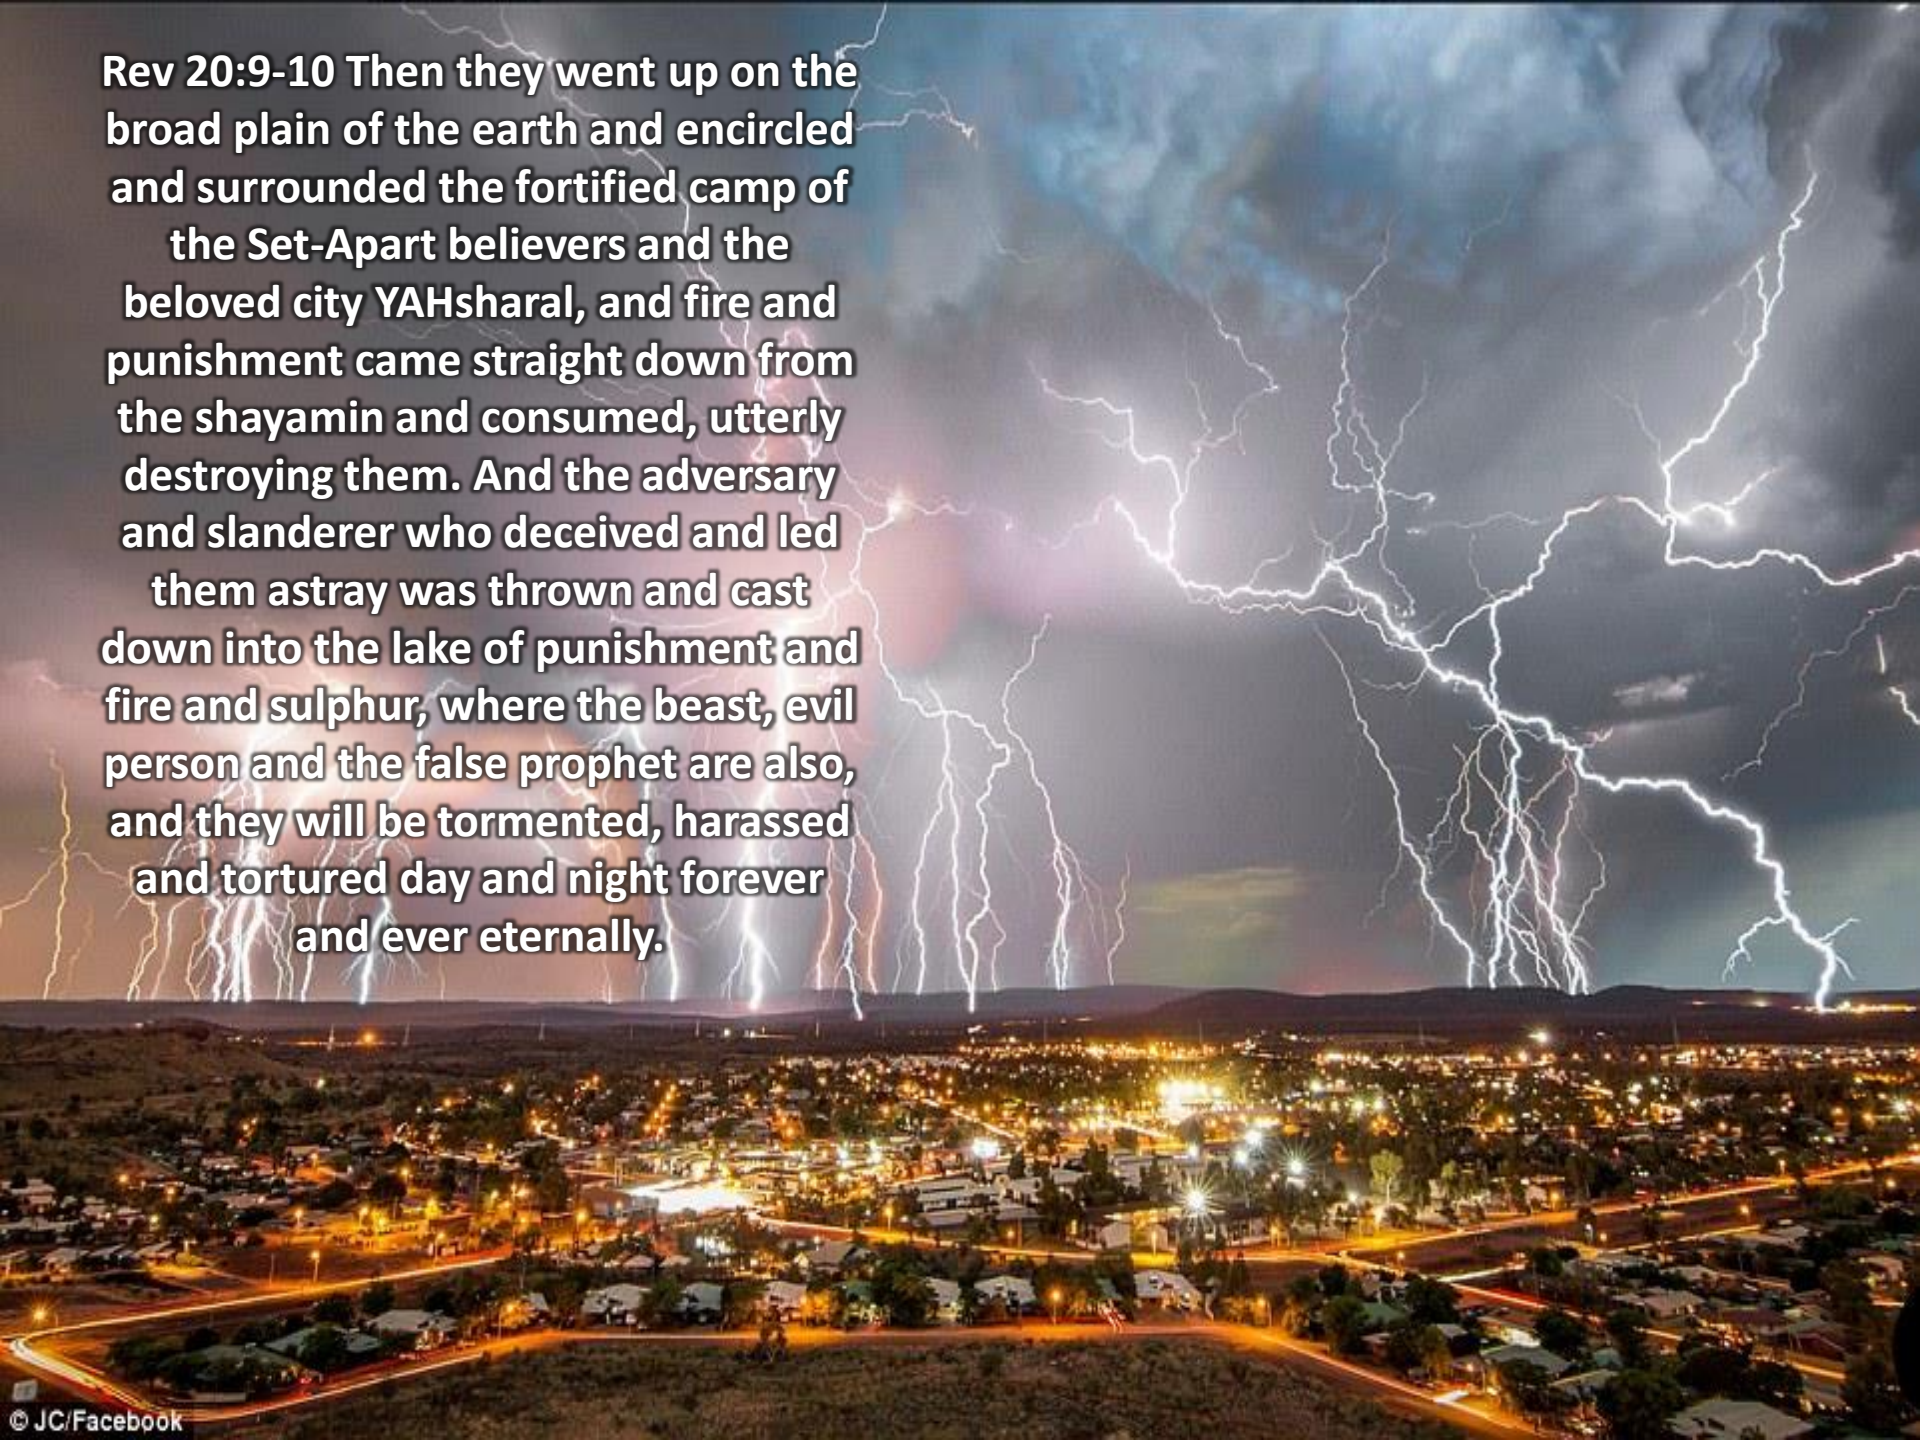

Rev 16:13-14; 16 Then I perceived and saw issuing and coming forth out of the mouth of the dragon, adversary and out of the mouth of the beast, wicked person and out of the mouth of the false prophet three unclean, impure and evil spirits like frogs, detestable things. For they are identical spirits of demons performing and causing to happen supernatural signs that go out to the kings of the whole inhabited world, to gather and assemble them for the battle of the great day of Yahuah the All-Powerful. Then he assembled and gathered them to the place designated and called in Hebrew Armageddon (the hill or city of Megiddo).

**AFTER GATHERING HIS ARMY THEY HEAD TO MEGIDDO, TO
ENCIRCLE AND SURROUND THE FORTIFIED CAMP OF THE SET-
APART BELIEVERS AND THE CITY OF YAHSHARAL.....AND TAKING
A BEAT....A FIRE AND PUNISHMENT CAME STRAIGHT DOWN FROM
THE SHAMAYIM AND CONSUMED AND UTTERLY DESTROYED
THEM AND THE ADVERSARY/DRAGON WAS THROWN DOWN INTO
LAKE OF PUNISHMENT AND FIRE AND SULPHUR.**

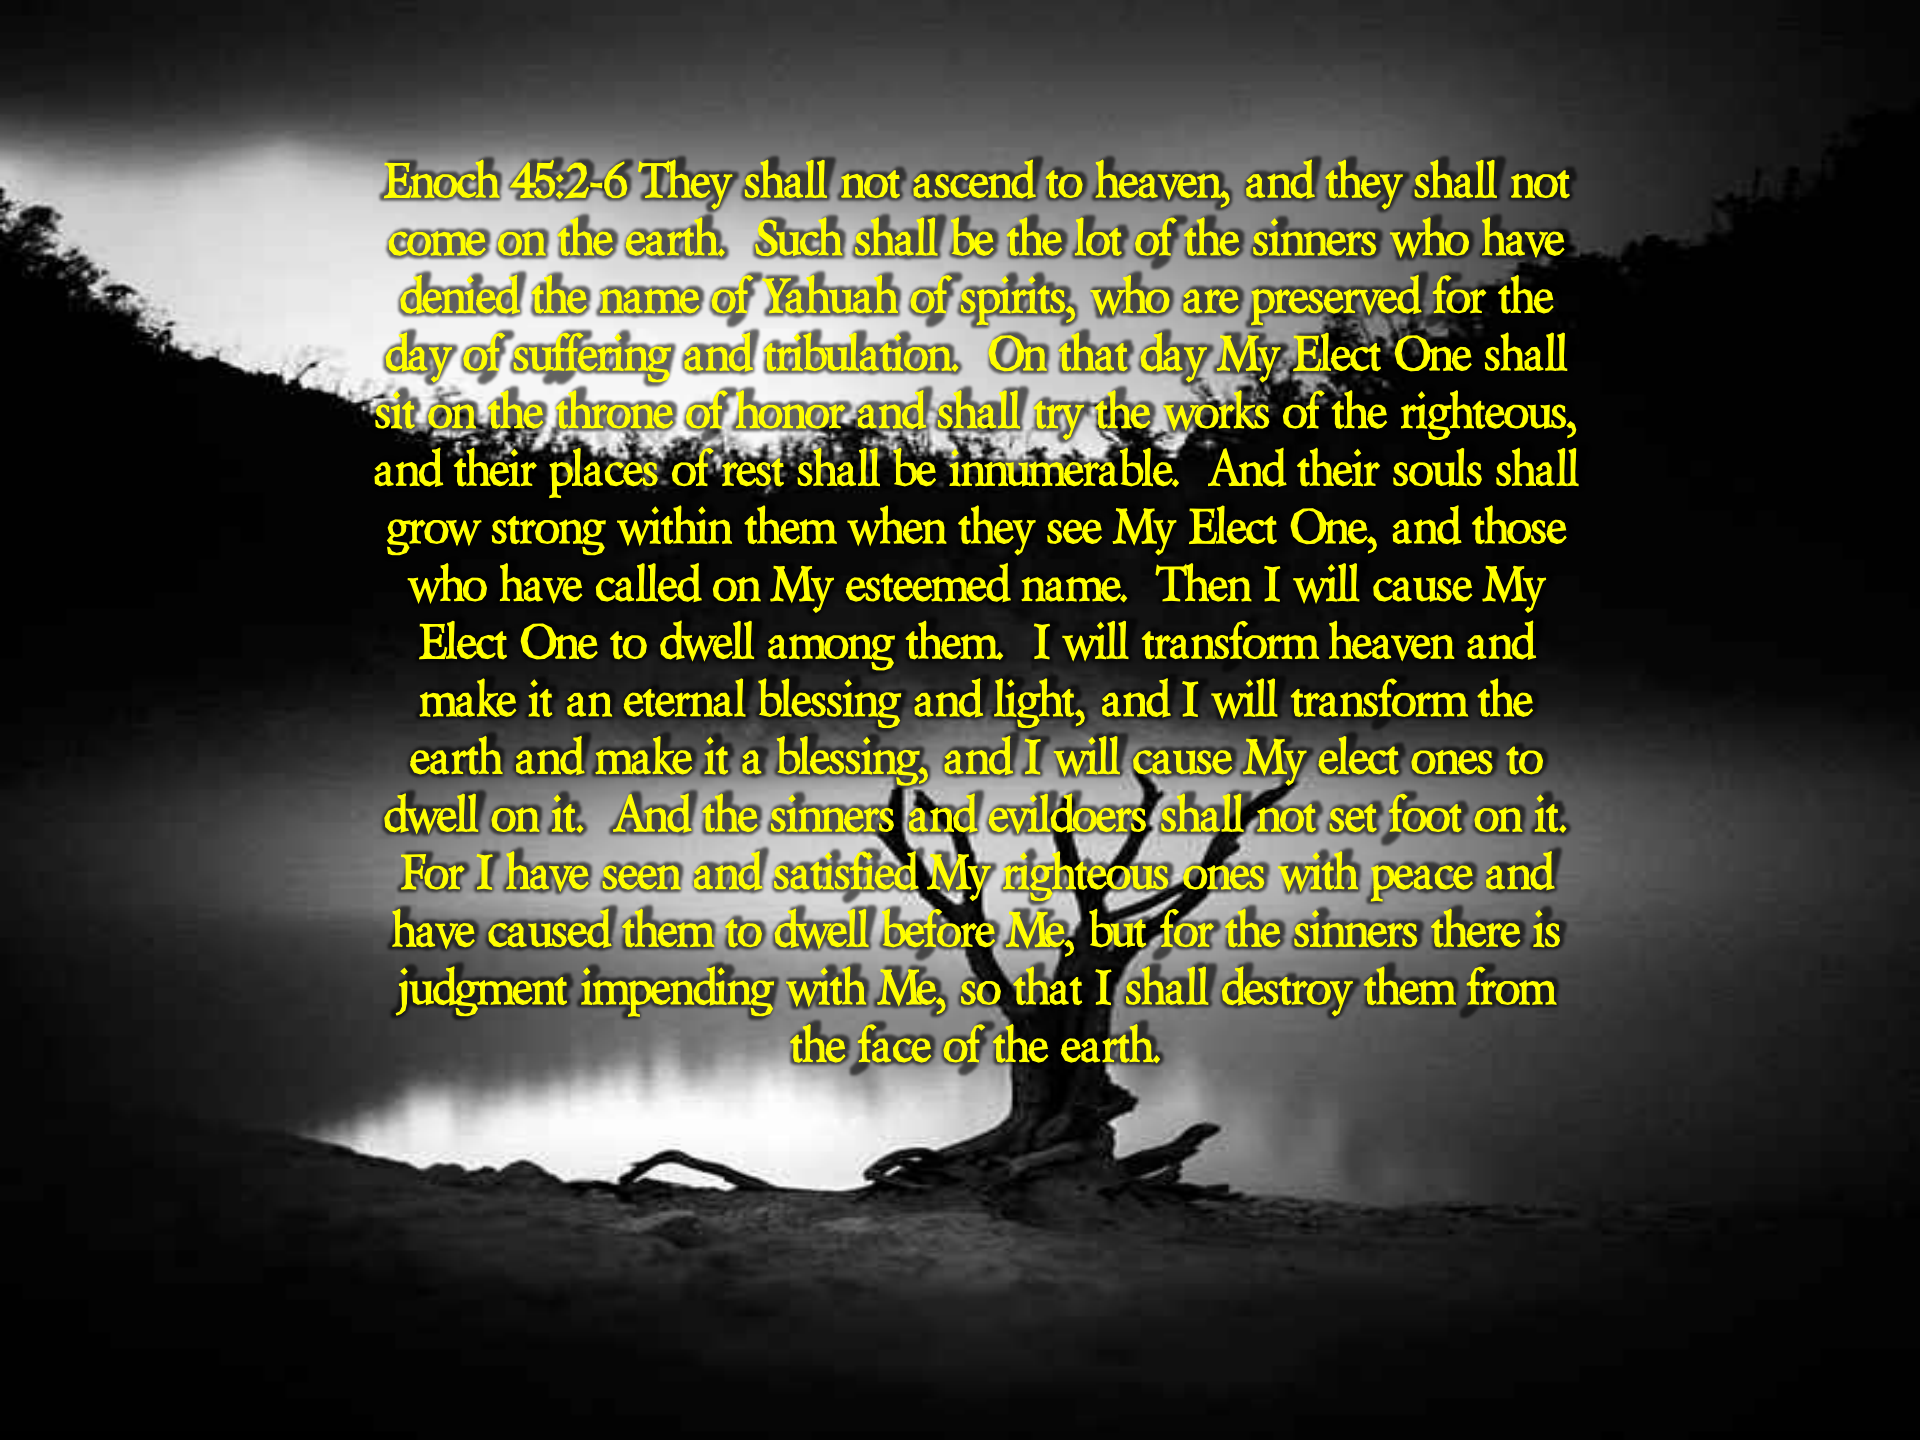

Rev 20:9-10 Then they went up on the broad plain of the earth and encircled and surrounded the fortified camp of the Set-Apart believers and the beloved city YAHsharal, and fire and punishment came straight down from the shayamin and consumed, utterly destroying them. And the adversary and slanderer who deceived and led them astray was thrown and cast down into the lake of punishment and fire and sulphur, where the beast, evil person and the false prophet are also, and they will be tormented, harassed and tortured day and night forever and ever eternally.

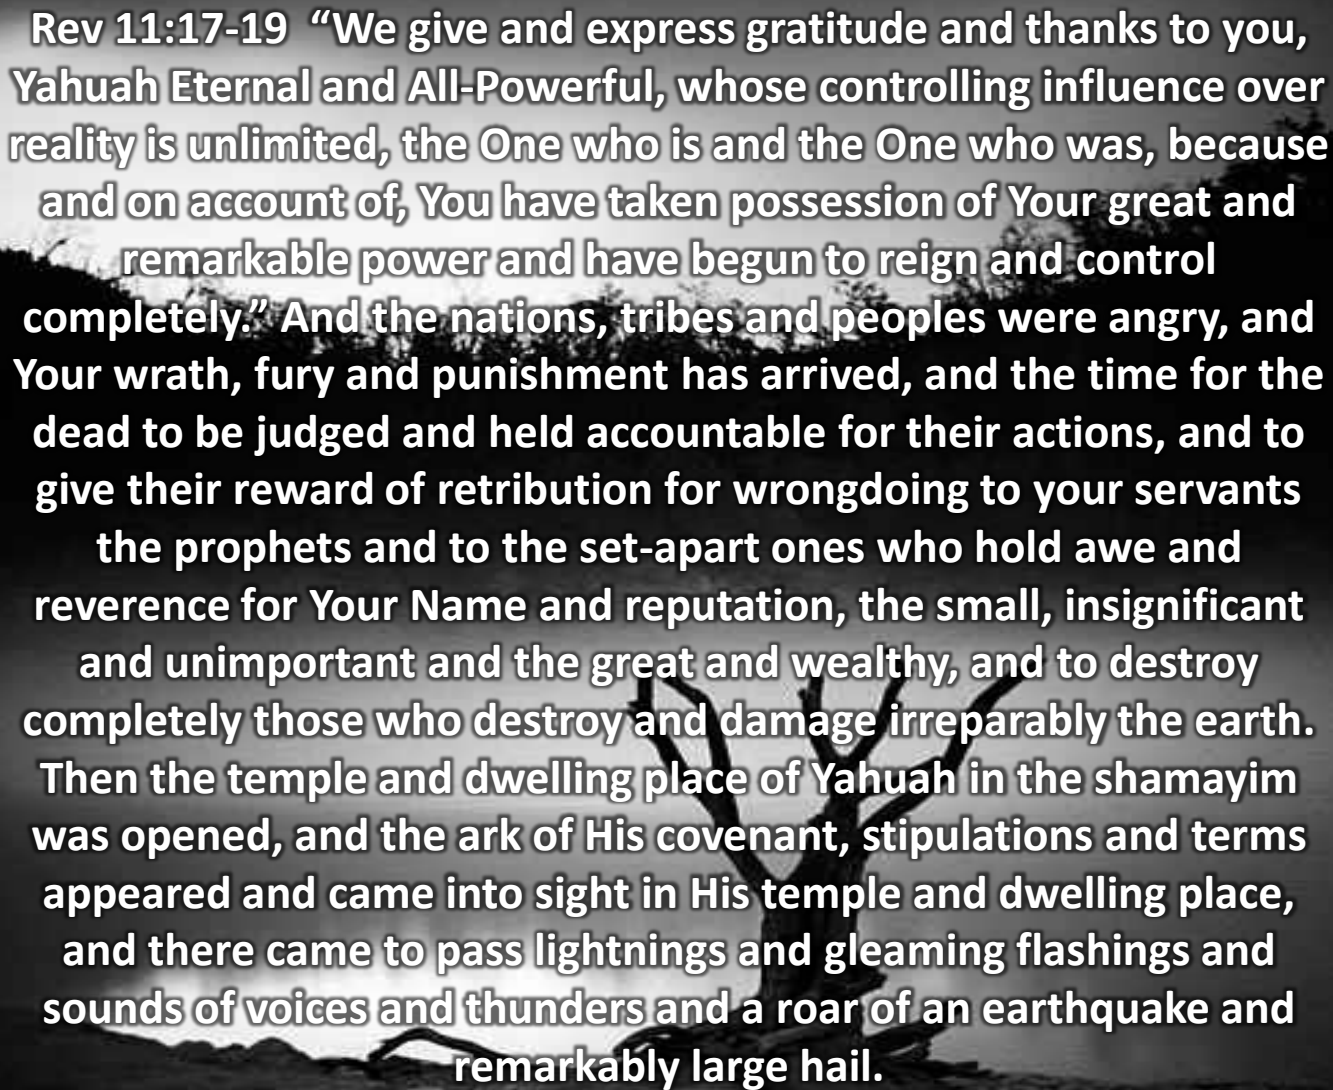

YAHUAH'S JUDGMENT

YAHUAH WILL NOW MAKE FINAL JUDGMENT – STANDING BEFORE YAHUAH WERE THE DEAD, AND WITH THE BOOKS OPENED, THEY WERE EVALUATED BY THEIR WORKS AND DEEDS. THE SEA GAVE UP THEIR DEAD; DEATH AND SHEOL GAVE UP THEIR DEAD, EACH ONE WAS EVALUATED AND HELD ACCOUNTABLE ACCORDING TO THEIR WORKS AND DEEDS. DEATH AND SHEOL WERE CAST DOWN INTO THE LAKE OF FIRE. ALL OF THOSE NOT FOUND WRITTEN IN THE BOOK OF LIFE WERE ALSO CAST DOWN INTO THE LAKE OF FIRE.

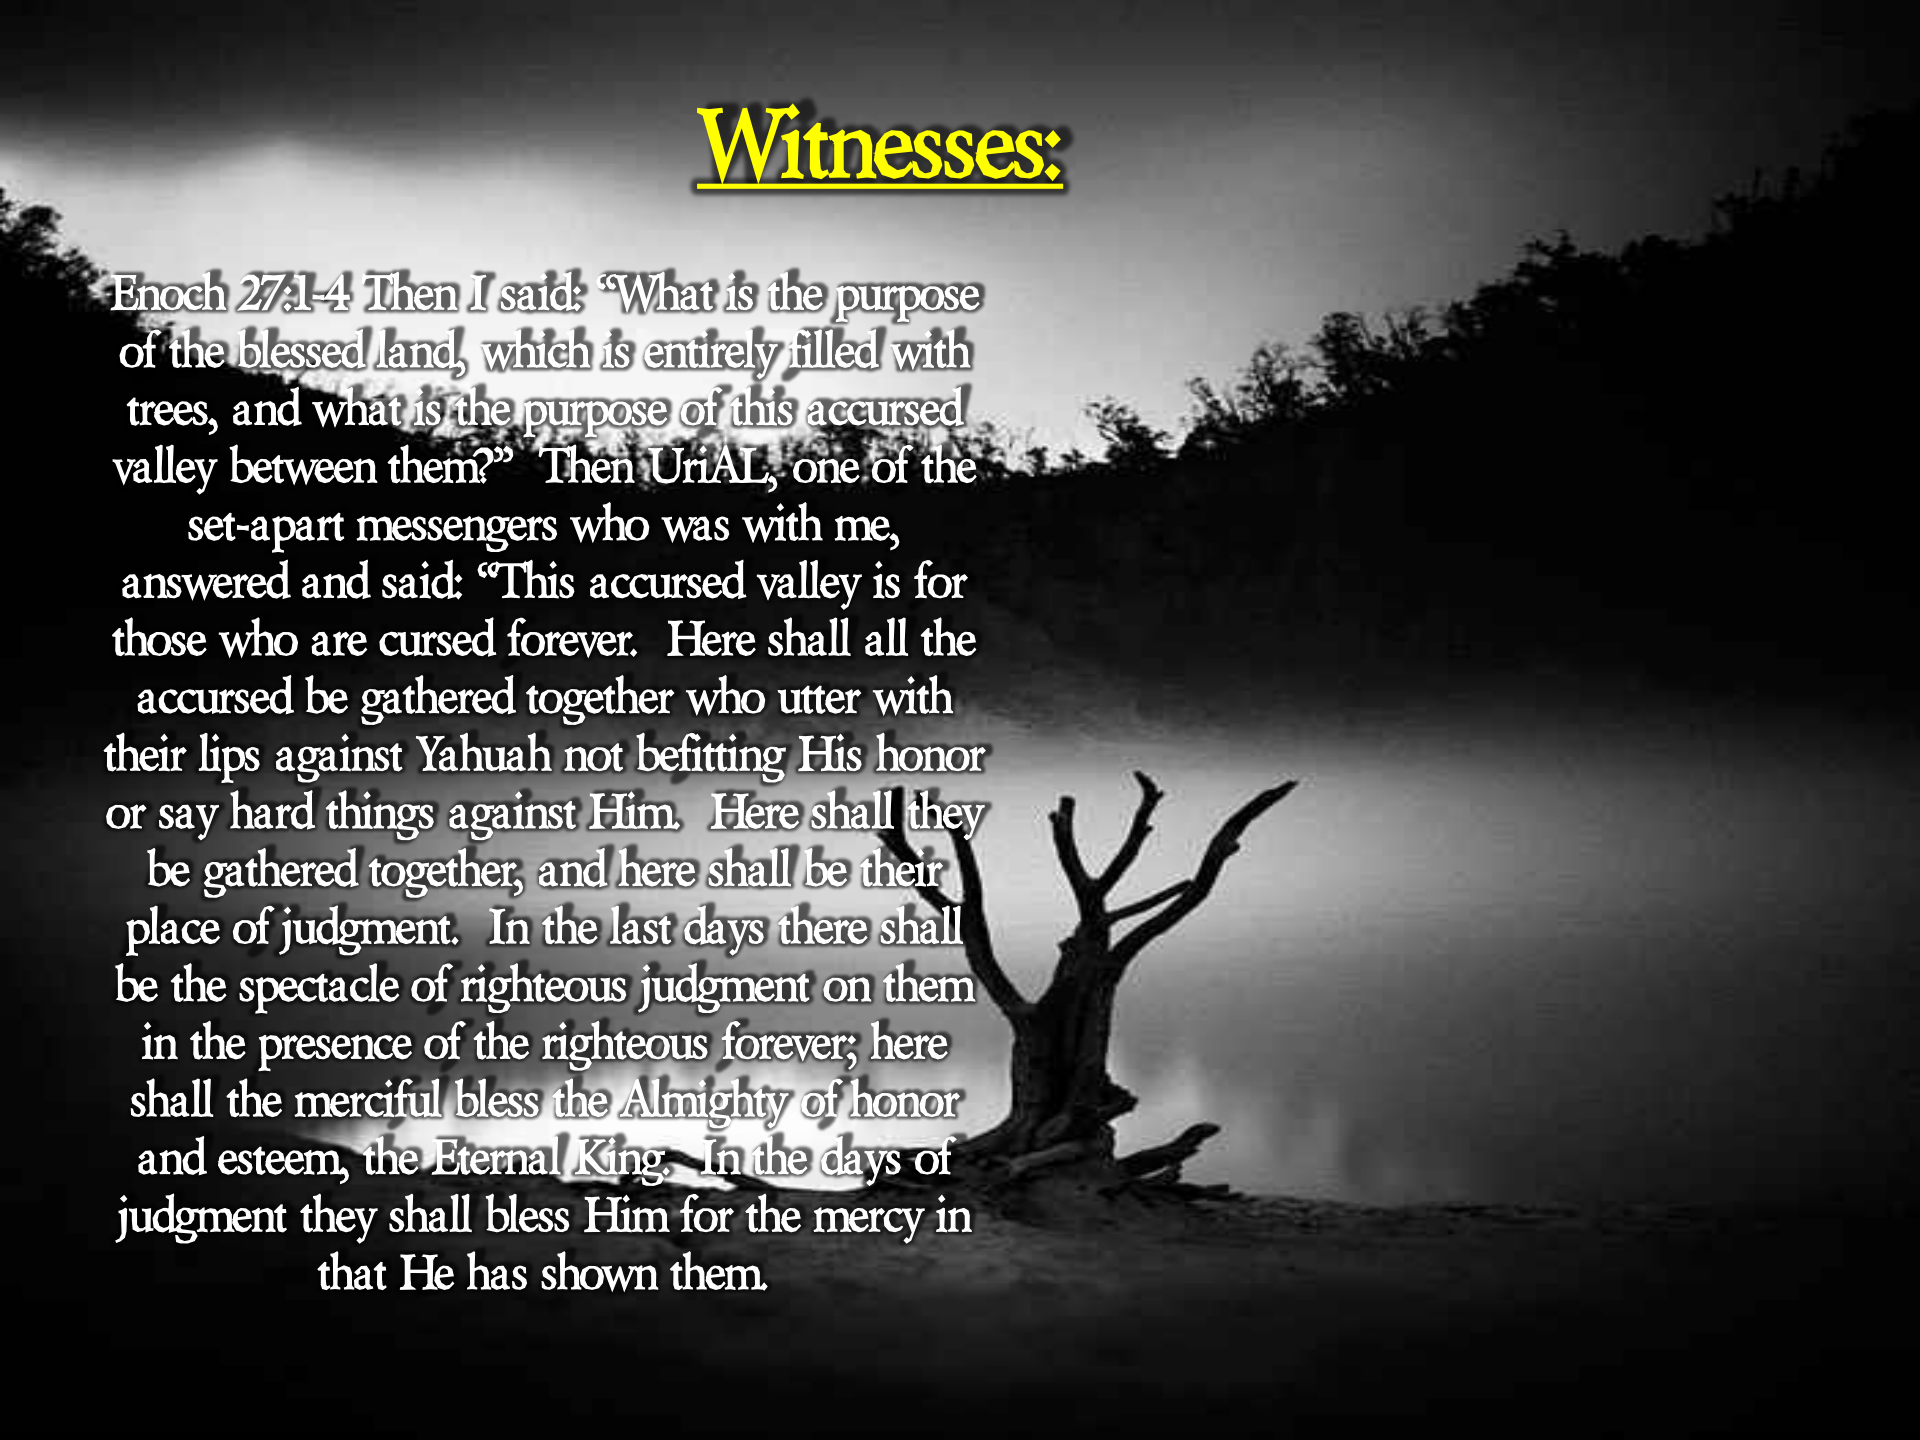

Enoch 45:2-6 They shall not ascend to heaven, and they shall not come on the earth. Such shall be the lot of the sinners who have denied the name of Yahuah of spirits, who are preserved for the day of suffering and tribulation. On that day My Elect One shall sit on the throne of honor and shall try the works of the righteous, and their places of rest shall be innumerable. And their souls shall grow strong within them when they see My Elect One, and those who have called on My esteemed name. Then I will cause My Elect One to dwell among them. I will transform heaven and make it an eternal blessing and light, and I will transform the earth and make it a blessing, and I will cause My elect ones to dwell on it. And the sinners and evildoers shall not set foot on it. For I have seen and satisfied My righteous ones with peace and have caused them to dwell before Me, but for the sinners there is judgment impending with Me, so that I shall destroy them from the face of the earth.

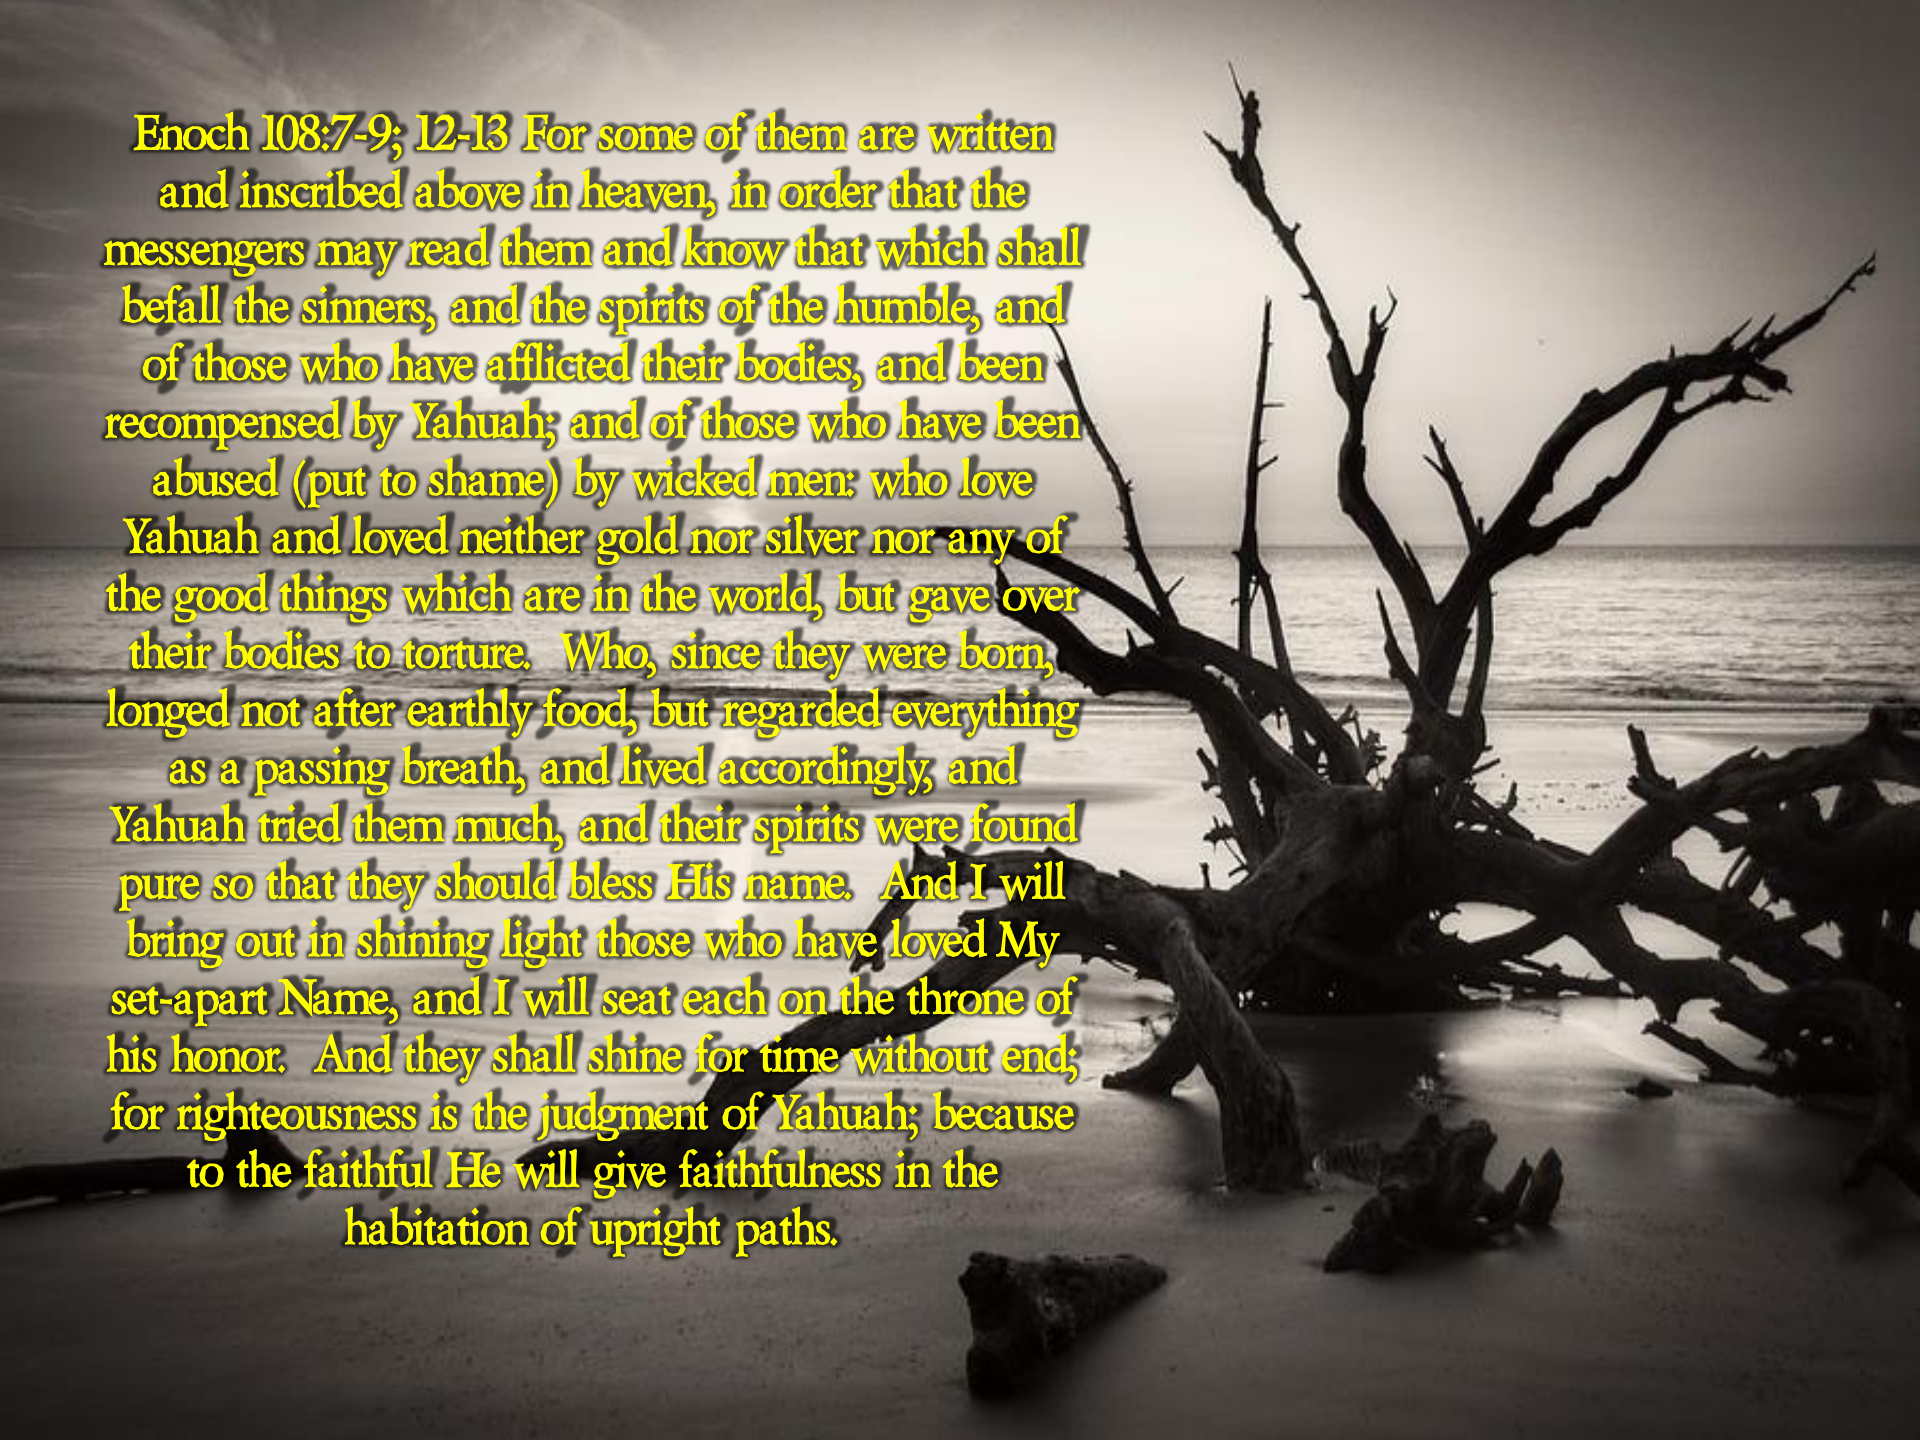

Rev 11:17-19 “We give and express gratitude and thanks to you, Yahuah Eternal and All-Powerful, whose controlling influence over reality is unlimited, the One who is and the One who was, because and on account of, You have taken possession of Your great and remarkable power and have begun to reign and control completely.” And the nations, tribes and peoples were angry, and Your wrath, fury and punishment has arrived, and the time for the dead to be judged and held accountable for their actions, and to give their reward of retribution for wrongdoing to your servants the prophets and to the set-apart ones who hold awe and reverence for Your Name and reputation, the small, insignificant and unimportant and the great and wealthy, and to destroy completely those who destroy and damage irreparably the earth. Then the temple and dwelling place of Yahuah in the shamayim was opened, and the ark of His covenant, stipulations and terms appeared and came into sight in His temple and dwelling place, and there came to pass lightnings and gleaming flashings and sounds of voices and thunders and a roar of an earthquake and remarkably large hail.

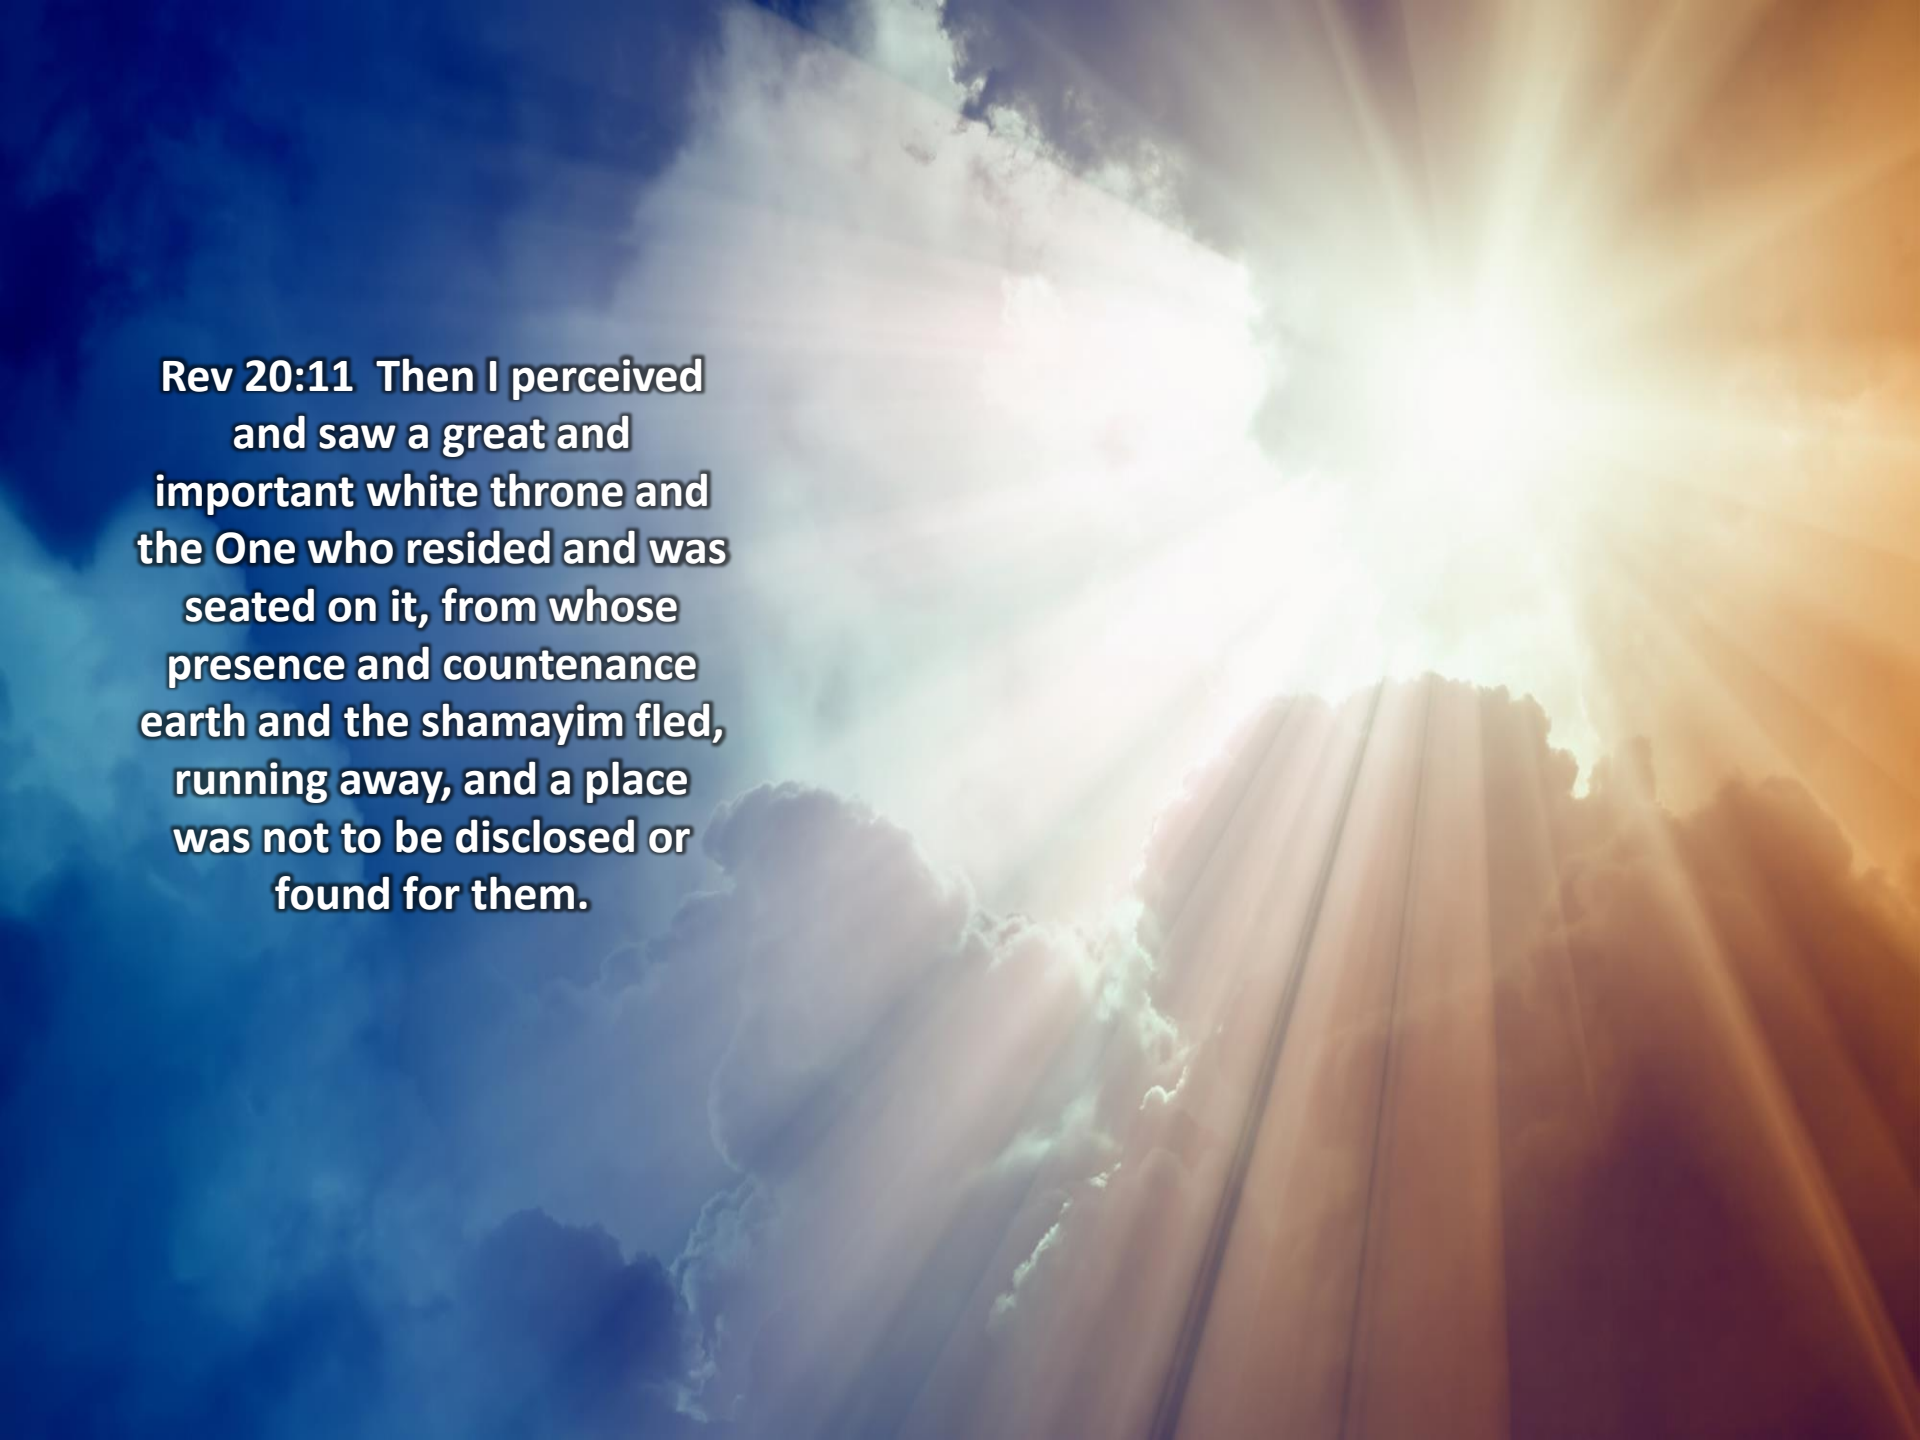

Witnesses:

Enoch 27:1-4 Then I said: "What is the purpose of the blessed land, which is entirely filled with trees, and what is the purpose of this accursed valley between them?" Then UriAL, one of the set-apart messengers who was with me, answered and said: "This accursed valley is for those who are cursed forever. Here shall all the accursed be gathered together who utter with their lips against Yahuah not befitting His honor or say hard things against Him. Here shall they be gathered together, and here shall be their place of judgment. In the last days there shall be the spectacle of righteous judgment on them in the presence of the righteous forever; here shall the merciful bless the Almighty of honor and esteem, the Eternal King. In the days of judgment they shall bless Him for the mercy in that He has shown them.

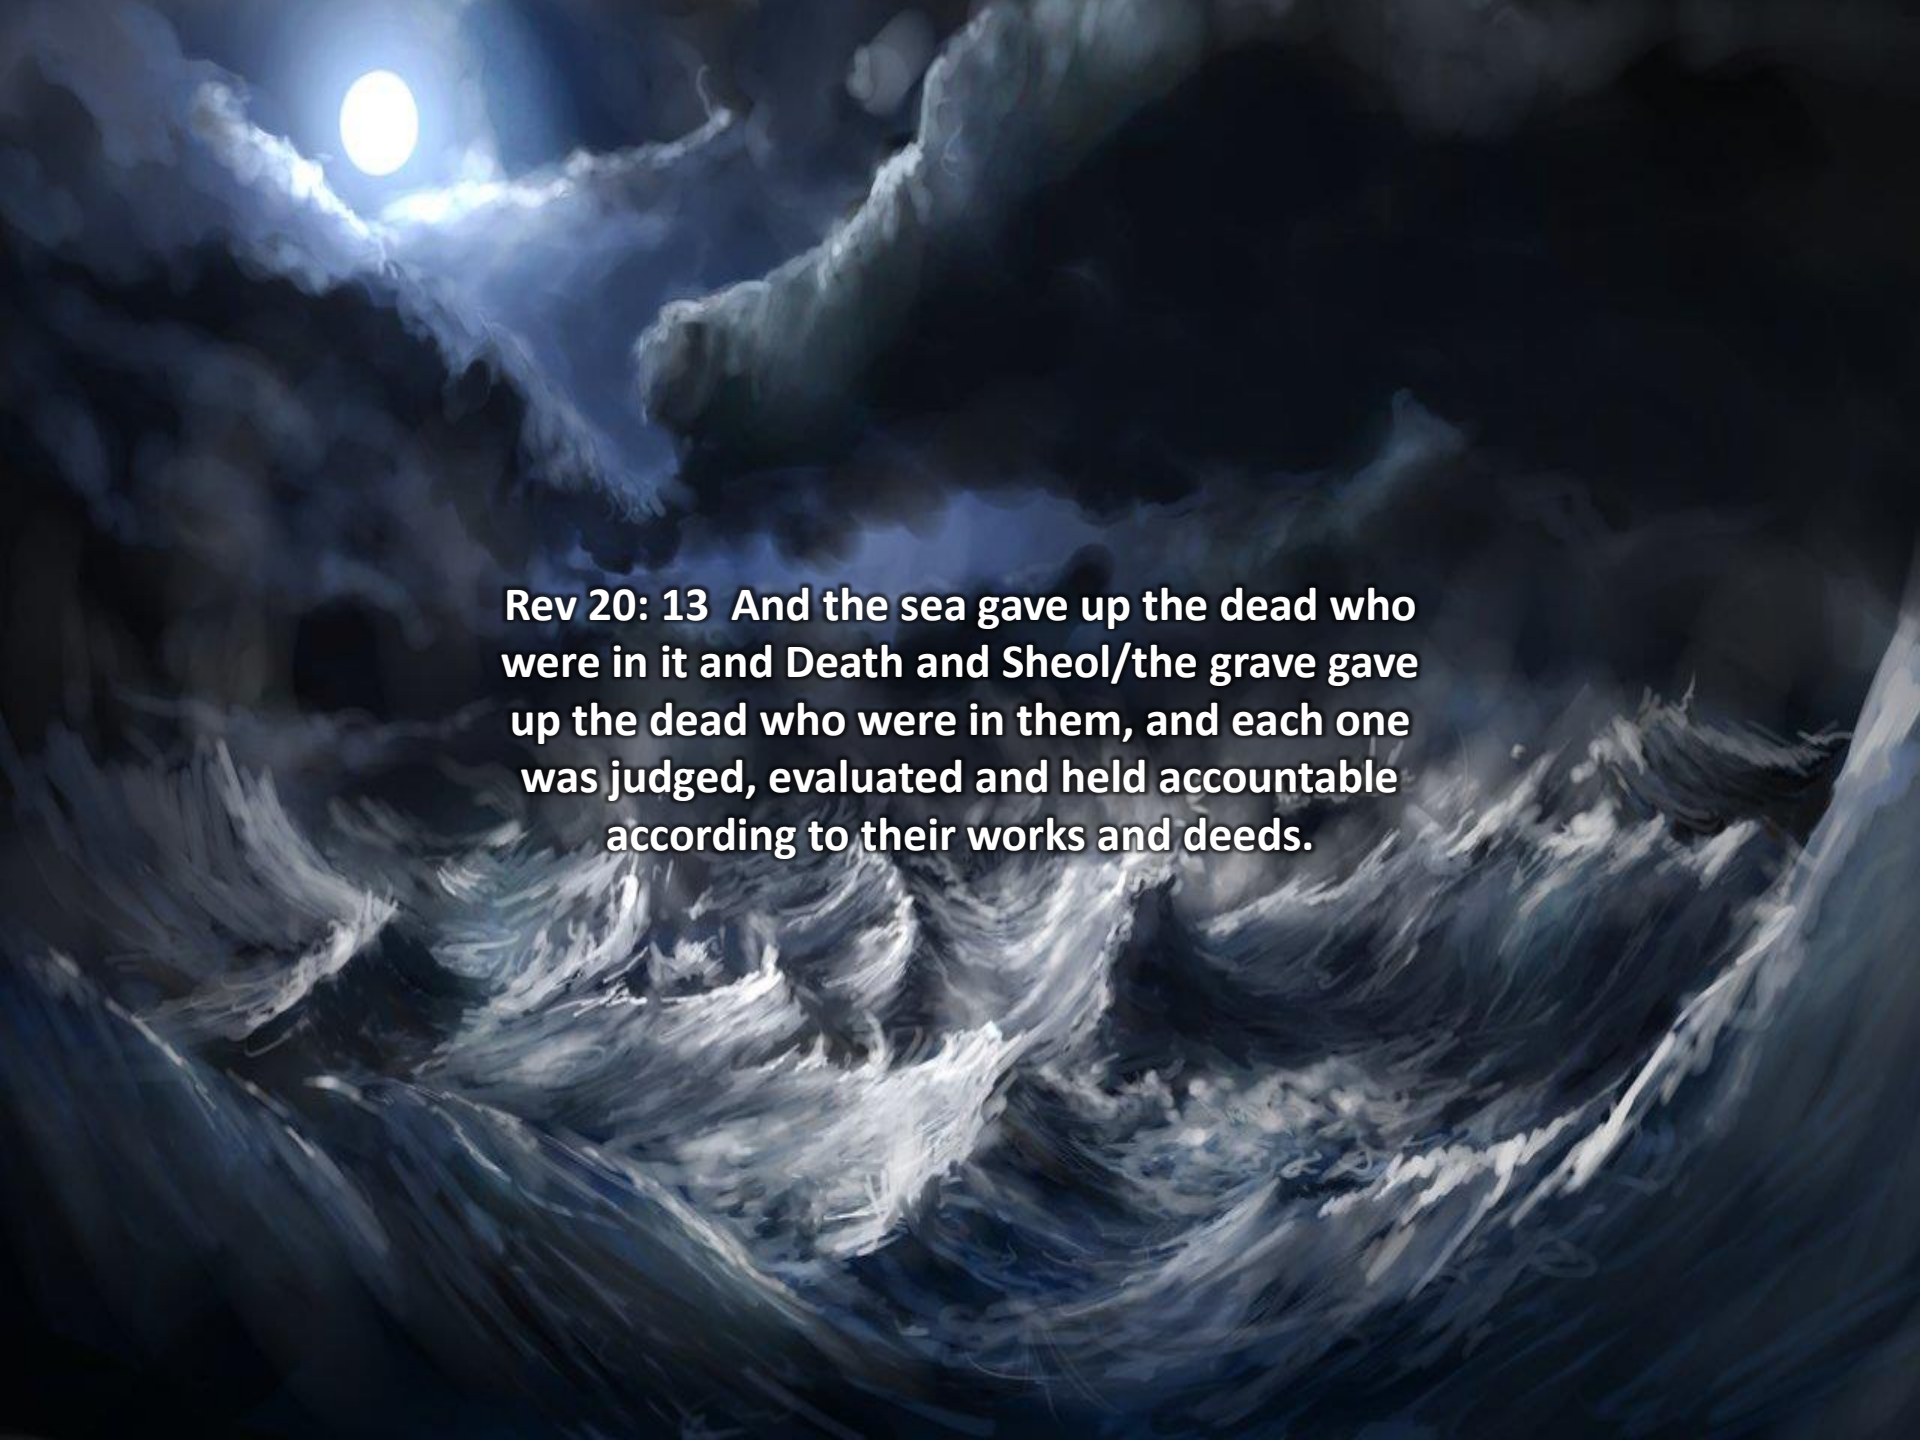

A dark, atmospheric landscape with a gnarled, leafless tree in the foreground and a misty background.

A black and white photograph of a beach. In the foreground, there is a large, dark, gnarled piece of driftwood lying on the sand. The ocean is visible in the background, with waves breaking on the shore. The sky is overcast. The text is overlaid on the left side of the image.

Enoch 108:7-9; 12-13 For some of them are written and inscribed above in heaven, in order that the messengers may read them and know that which shall befall the sinners, and the spirits of the humble, and of those who have afflicted their bodies, and been recompensed by Yahuah; and of those who have been abused (put to shame) by wicked men: who love Yahuah and loved neither gold nor silver nor any of the good things which are in the world, but gave over their bodies to torture. Who, since they were born, longed not after earthly food, but regarded everything as a passing breath, and lived accordingly, and Yahuah tried them much, and their spirits were found pure so that they should bless His name. And I will bring out in shining light those who have loved My set-apart Name, and I will seat each on the throne of his honor. And they shall shine for time without end; for righteousness is the judgment of Yahuah; because to the faithful He will give faithfulness in the habitation of upright paths.

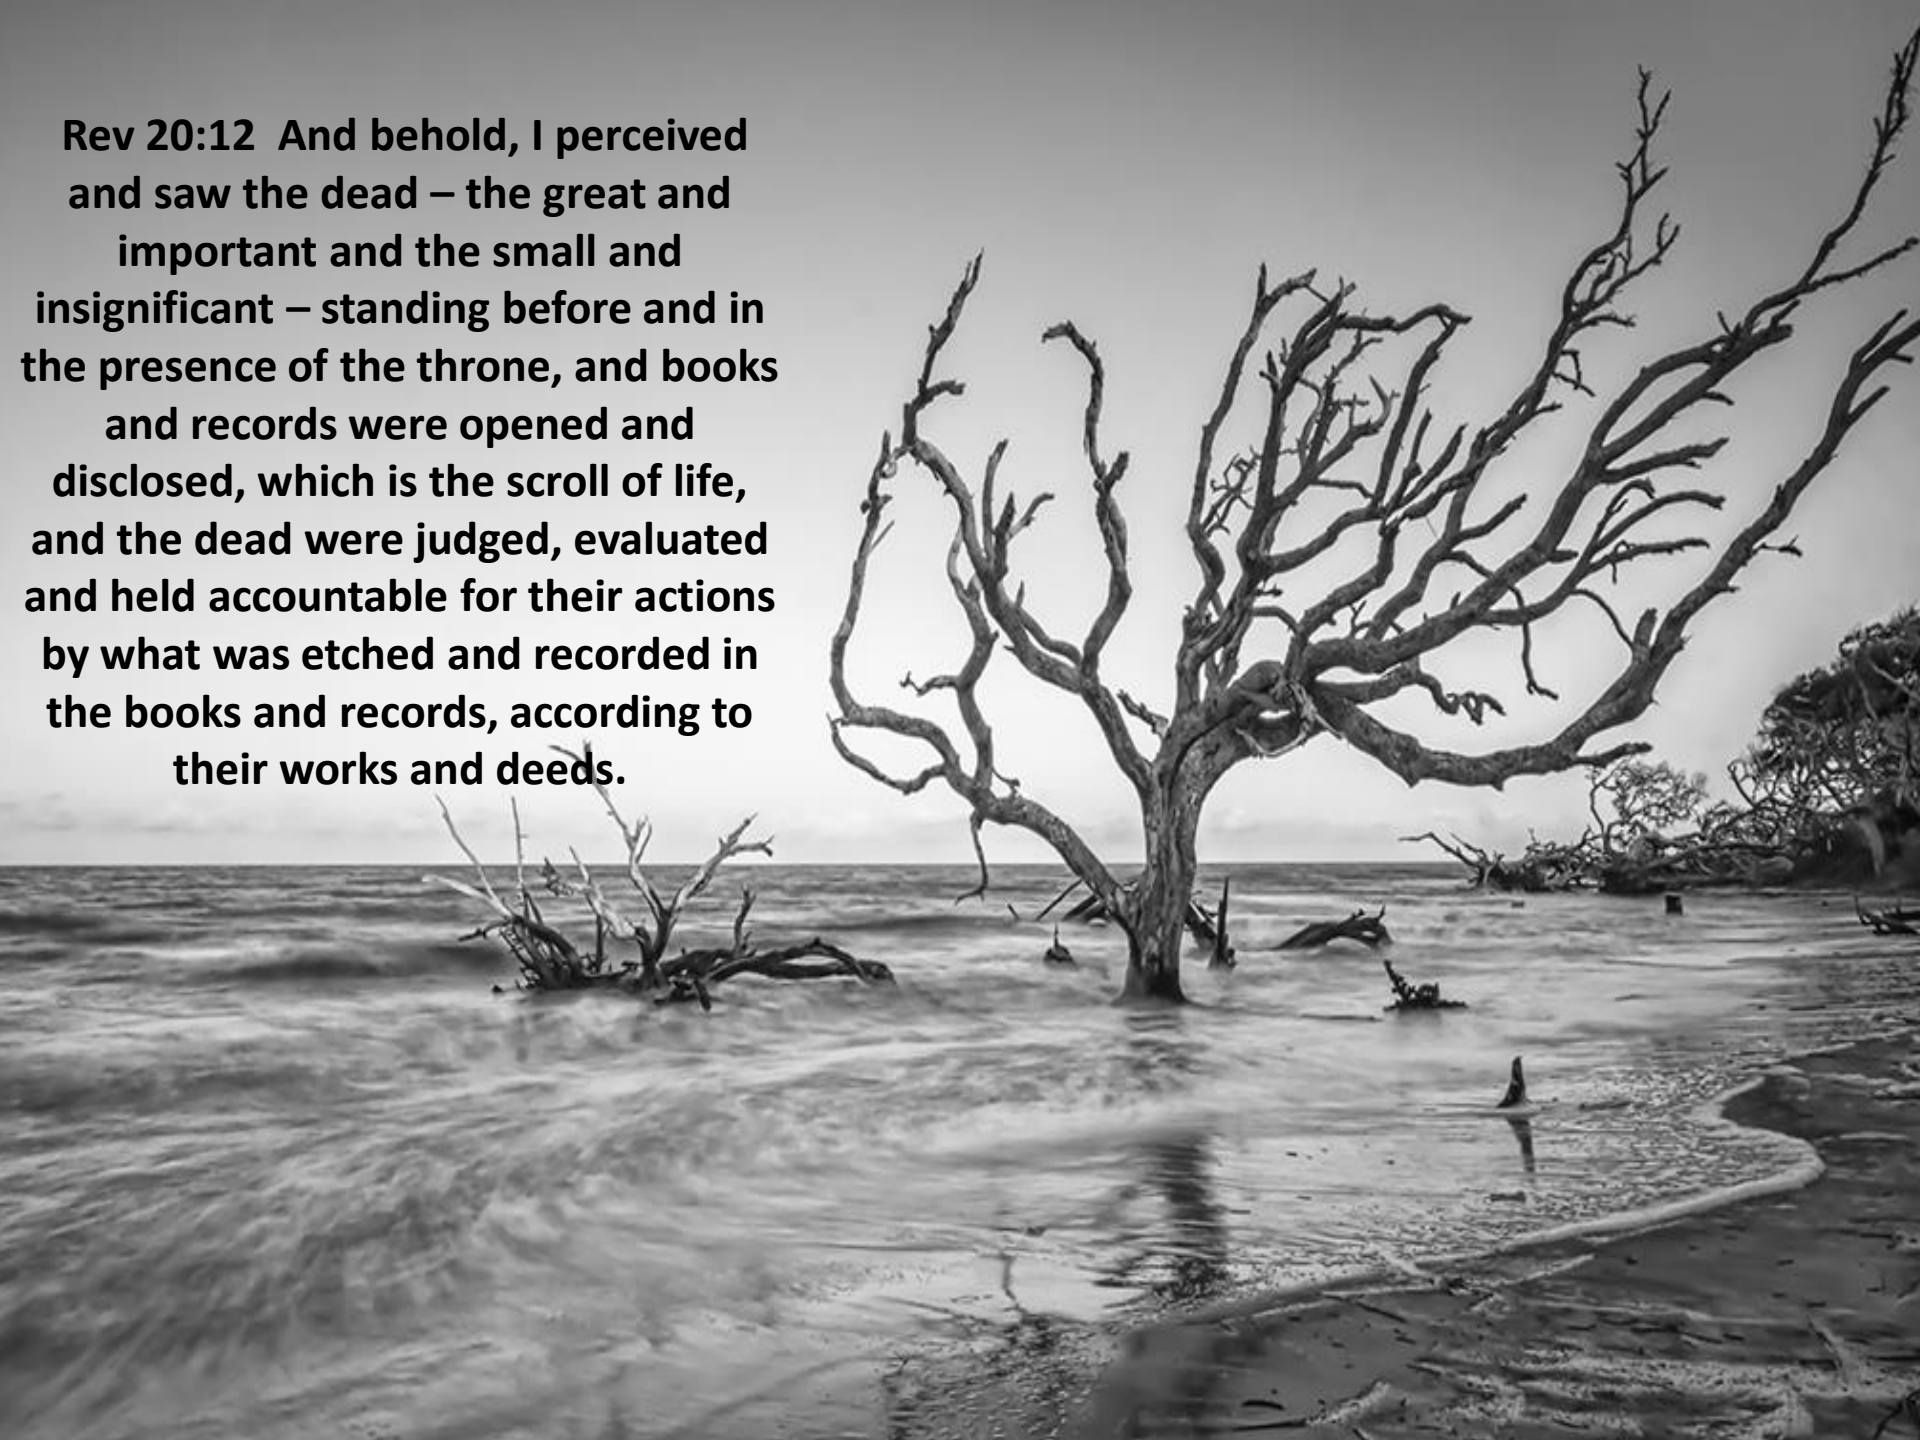

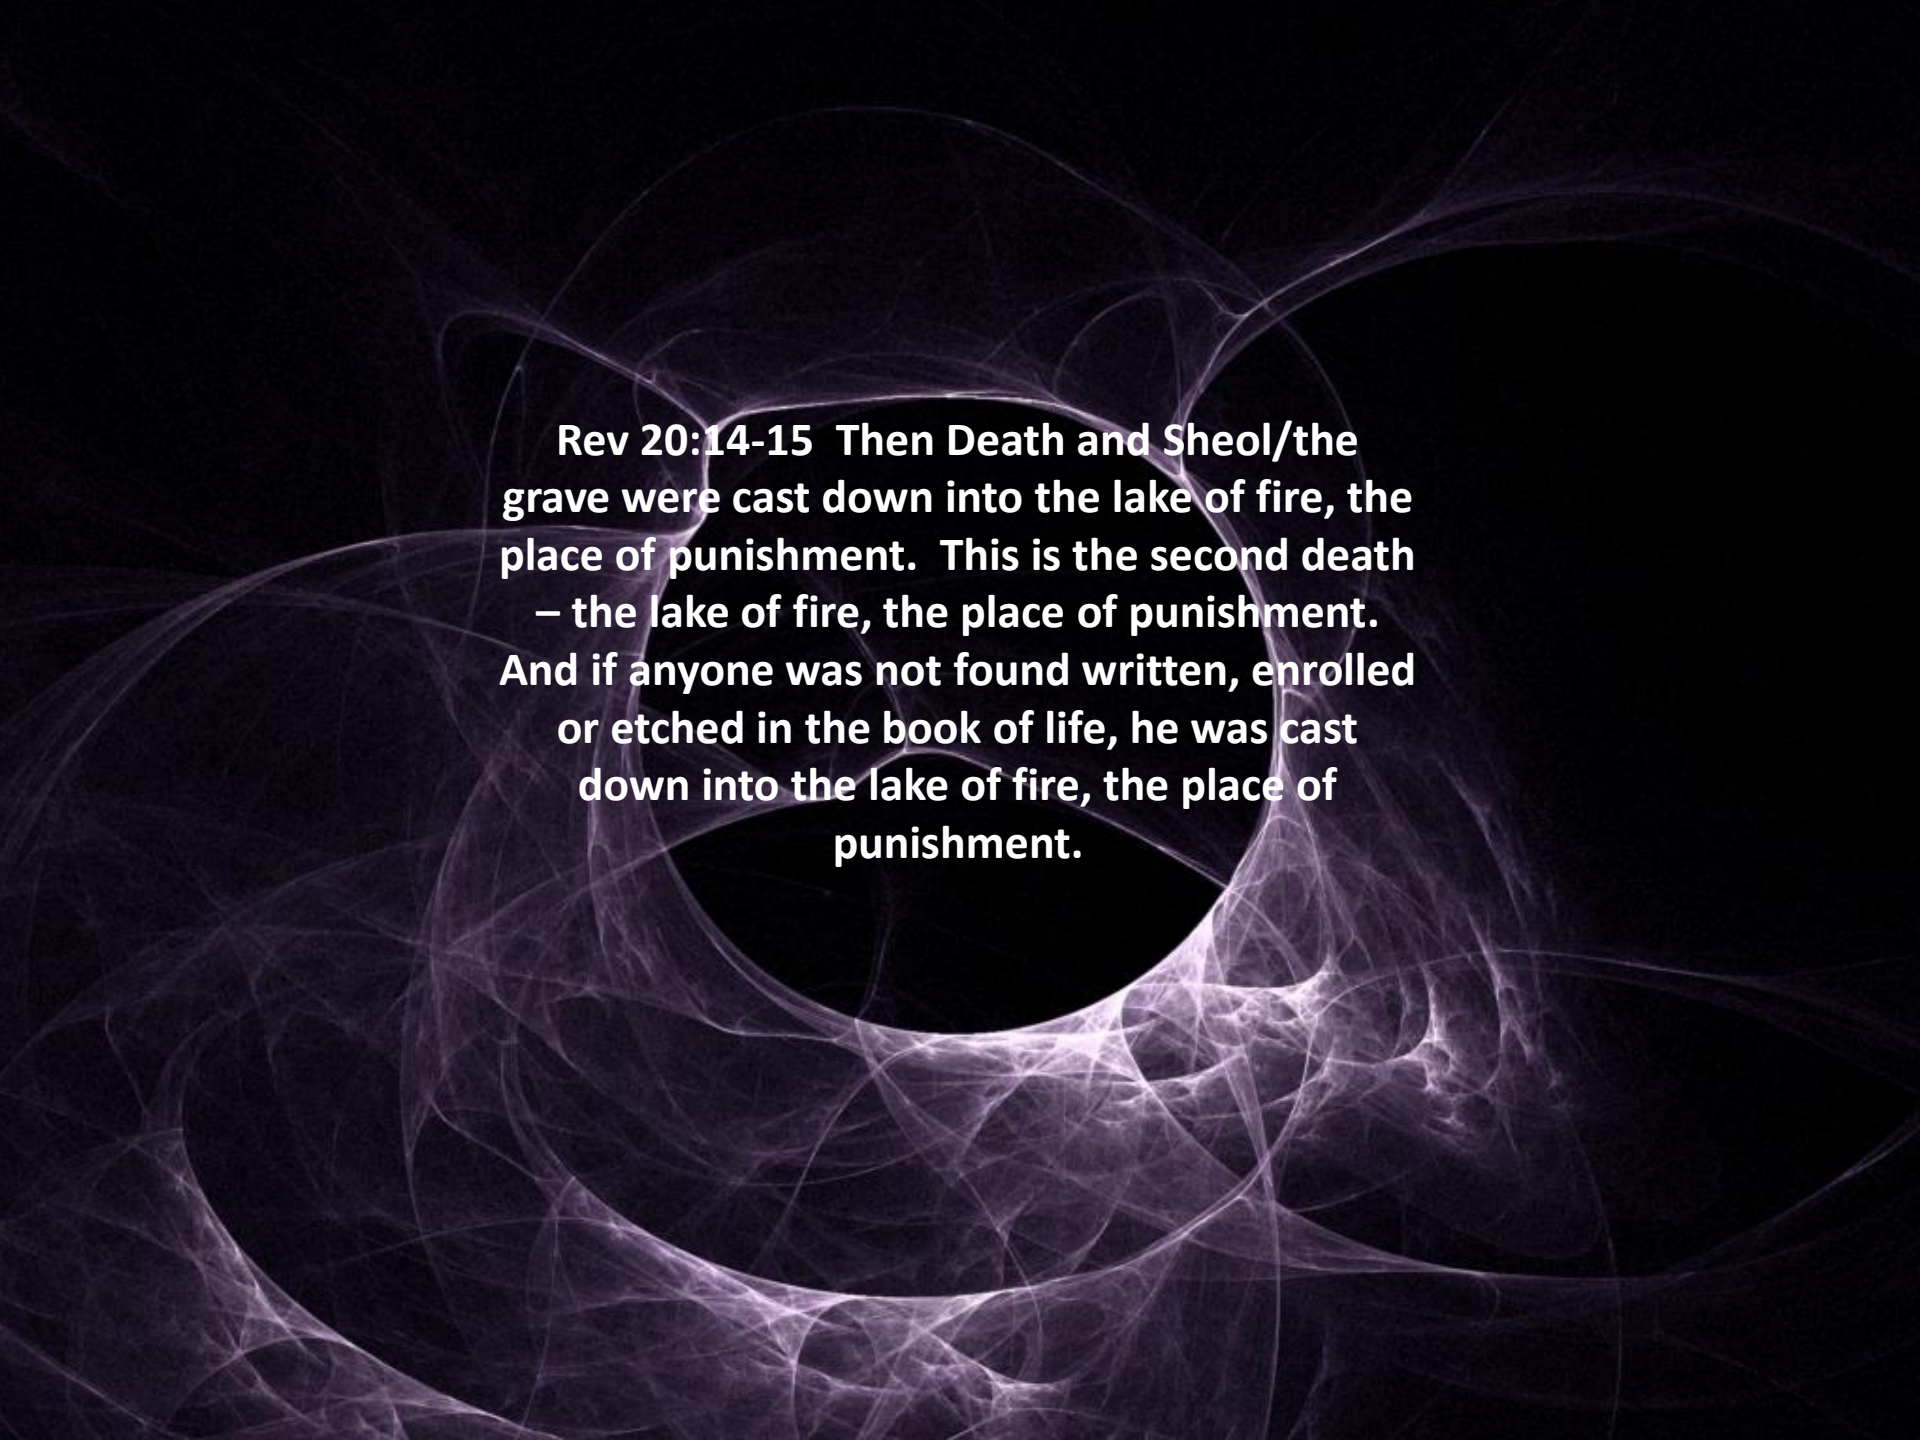

**Rev 20:11 Then I perceived
and saw a great and
important white throne and
the One who resided and was
seated on it, from whose
presence and countenance
earth and the shamayim fled,
running away, and a place
was not to be disclosed or
found for them.**

The background of the image is a dark, moody scene of a stormy sea. The water is rendered in shades of deep blue and black, with white, frothy waves crashing and churning. In the upper left corner, a bright, glowing orb, possibly the sun or moon, is partially obscured by dark, heavy clouds. The overall atmosphere is one of intense, divine judgment.

Rev 20: 13 And the sea gave up the dead who were in it and Death and Sheol/the grave gave up the dead who were in them, and each one was judged, evaluated and held accountable according to their works and deeds.

Rev 20:12 And behold, I perceived and saw the dead – the great and important and the small and insignificant – standing before and in the presence of the throne, and books and records were opened and disclosed, which is the scroll of life, and the dead were judged, evaluated and held accountable for their actions by what was etched and recorded in the books and records, according to their works and deeds.

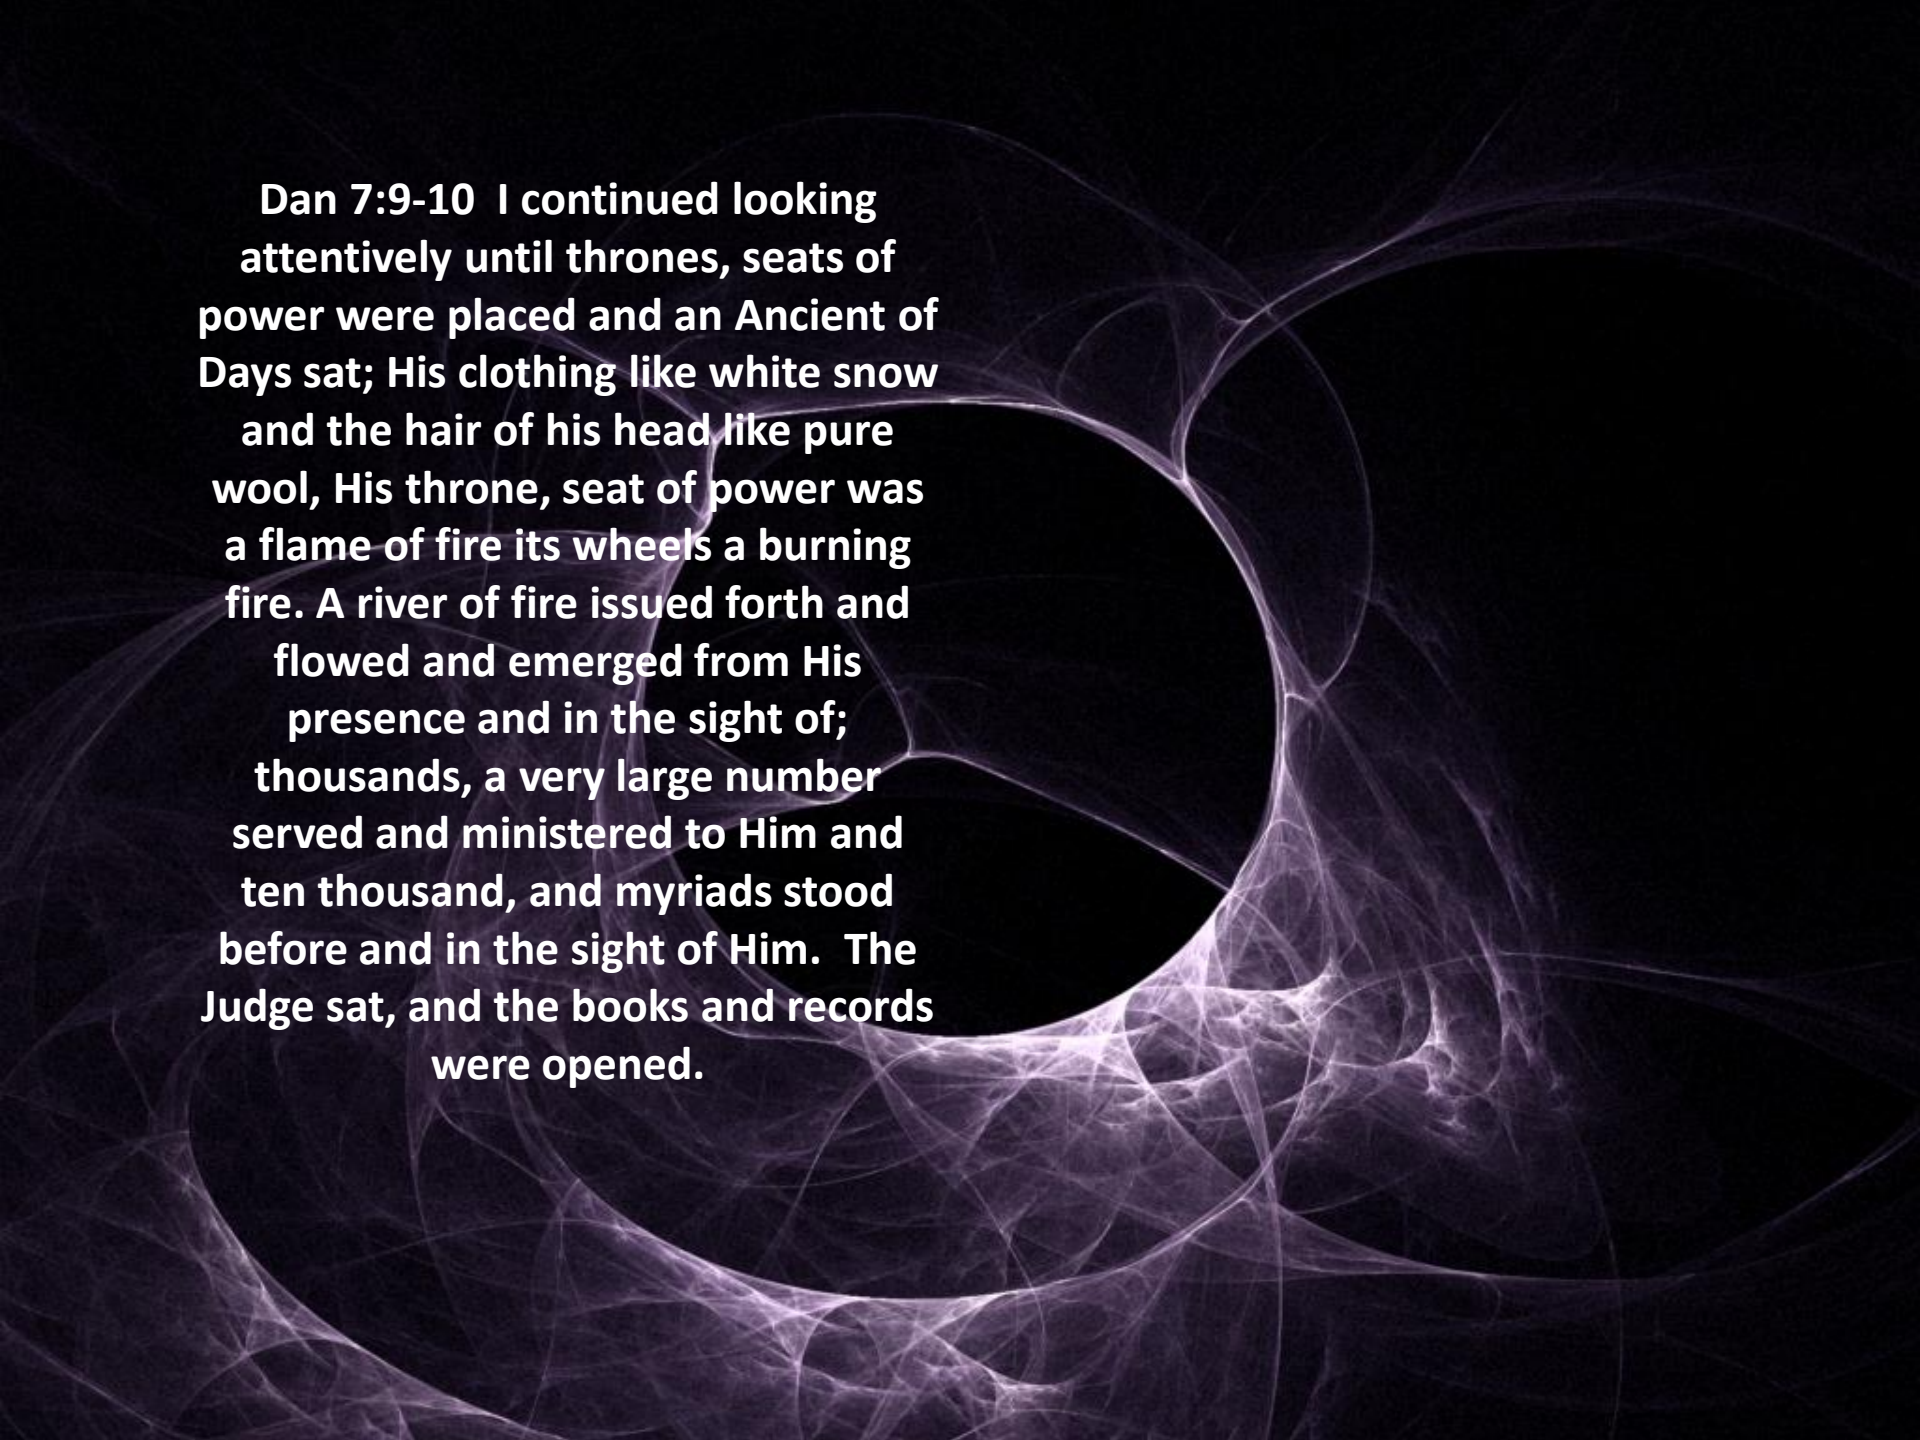

The background features intricate, glowing purple and white fractal-like patterns that resemble smoke or ethereal light trails. These patterns are set against a solid black background, creating a complex, organic, and somewhat chaotic visual texture. The patterns are most concentrated in the center and bottom half of the image, framing the text.

Rev 20:14-15 Then Death and Sheol/the grave were cast down into the lake of fire, the place of punishment. This is the second death – the lake of fire, the place of punishment. And if anyone was not found written, enrolled or etched in the book of life, he was cast down into the lake of fire, the place of punishment.

Witnesses:

Enoch 53:2-7 And their hands commit lawless deeds, and everything the righteous work at the sinner devours. The sinners shall be destroyed in front of the face of Yahuah of spirits, and they shall be banished from off the face of His earth, and they shall perish forever and ever. For I saw all the messengers of punishment abiding there and preparing all the instruments of the adversary. And I asked the messenger of peace who went with me: "For whom are they preparing these instruments?" And he said to me: "They prepare these for the kings and the powerful of the earth, that they may with them be destroyed. After this the Righteous and Elect One shall cause the house of his congregation to appear and from then on they shall hinder no more, in the name of Yahuah of spirits. And these mountains shall not stand as solid ground before His righteousness, but the hills shall be like springs of water, and the righteous shall have rest from the oppression of sinners.

Enoch 51:1-5 And in those days shall the earth also give back that which has been entrusted to it, and Sheol (the grave) also shall give back that which it has received, and hell shall give back what it owes. For in those days the Elect One shall arise, and he shall choose the righteous and set-apart from among them. For the day has drawn near that they should be saved. And in those days the Elect One shall sit on his throne, and all the secrets of wisdom and counsel shall pour from his mouth, for Yahuah of spirits has given them to him and has honored him. In those days shall the mountains leap like rams, and the hills shall skip like lambs satisfied with milk, and the faces of all the messengers in the shamayim shall be lighted up with joy. And the earth shall rejoice, and the righteous shall dwell on it, and the elect shall walk on it.

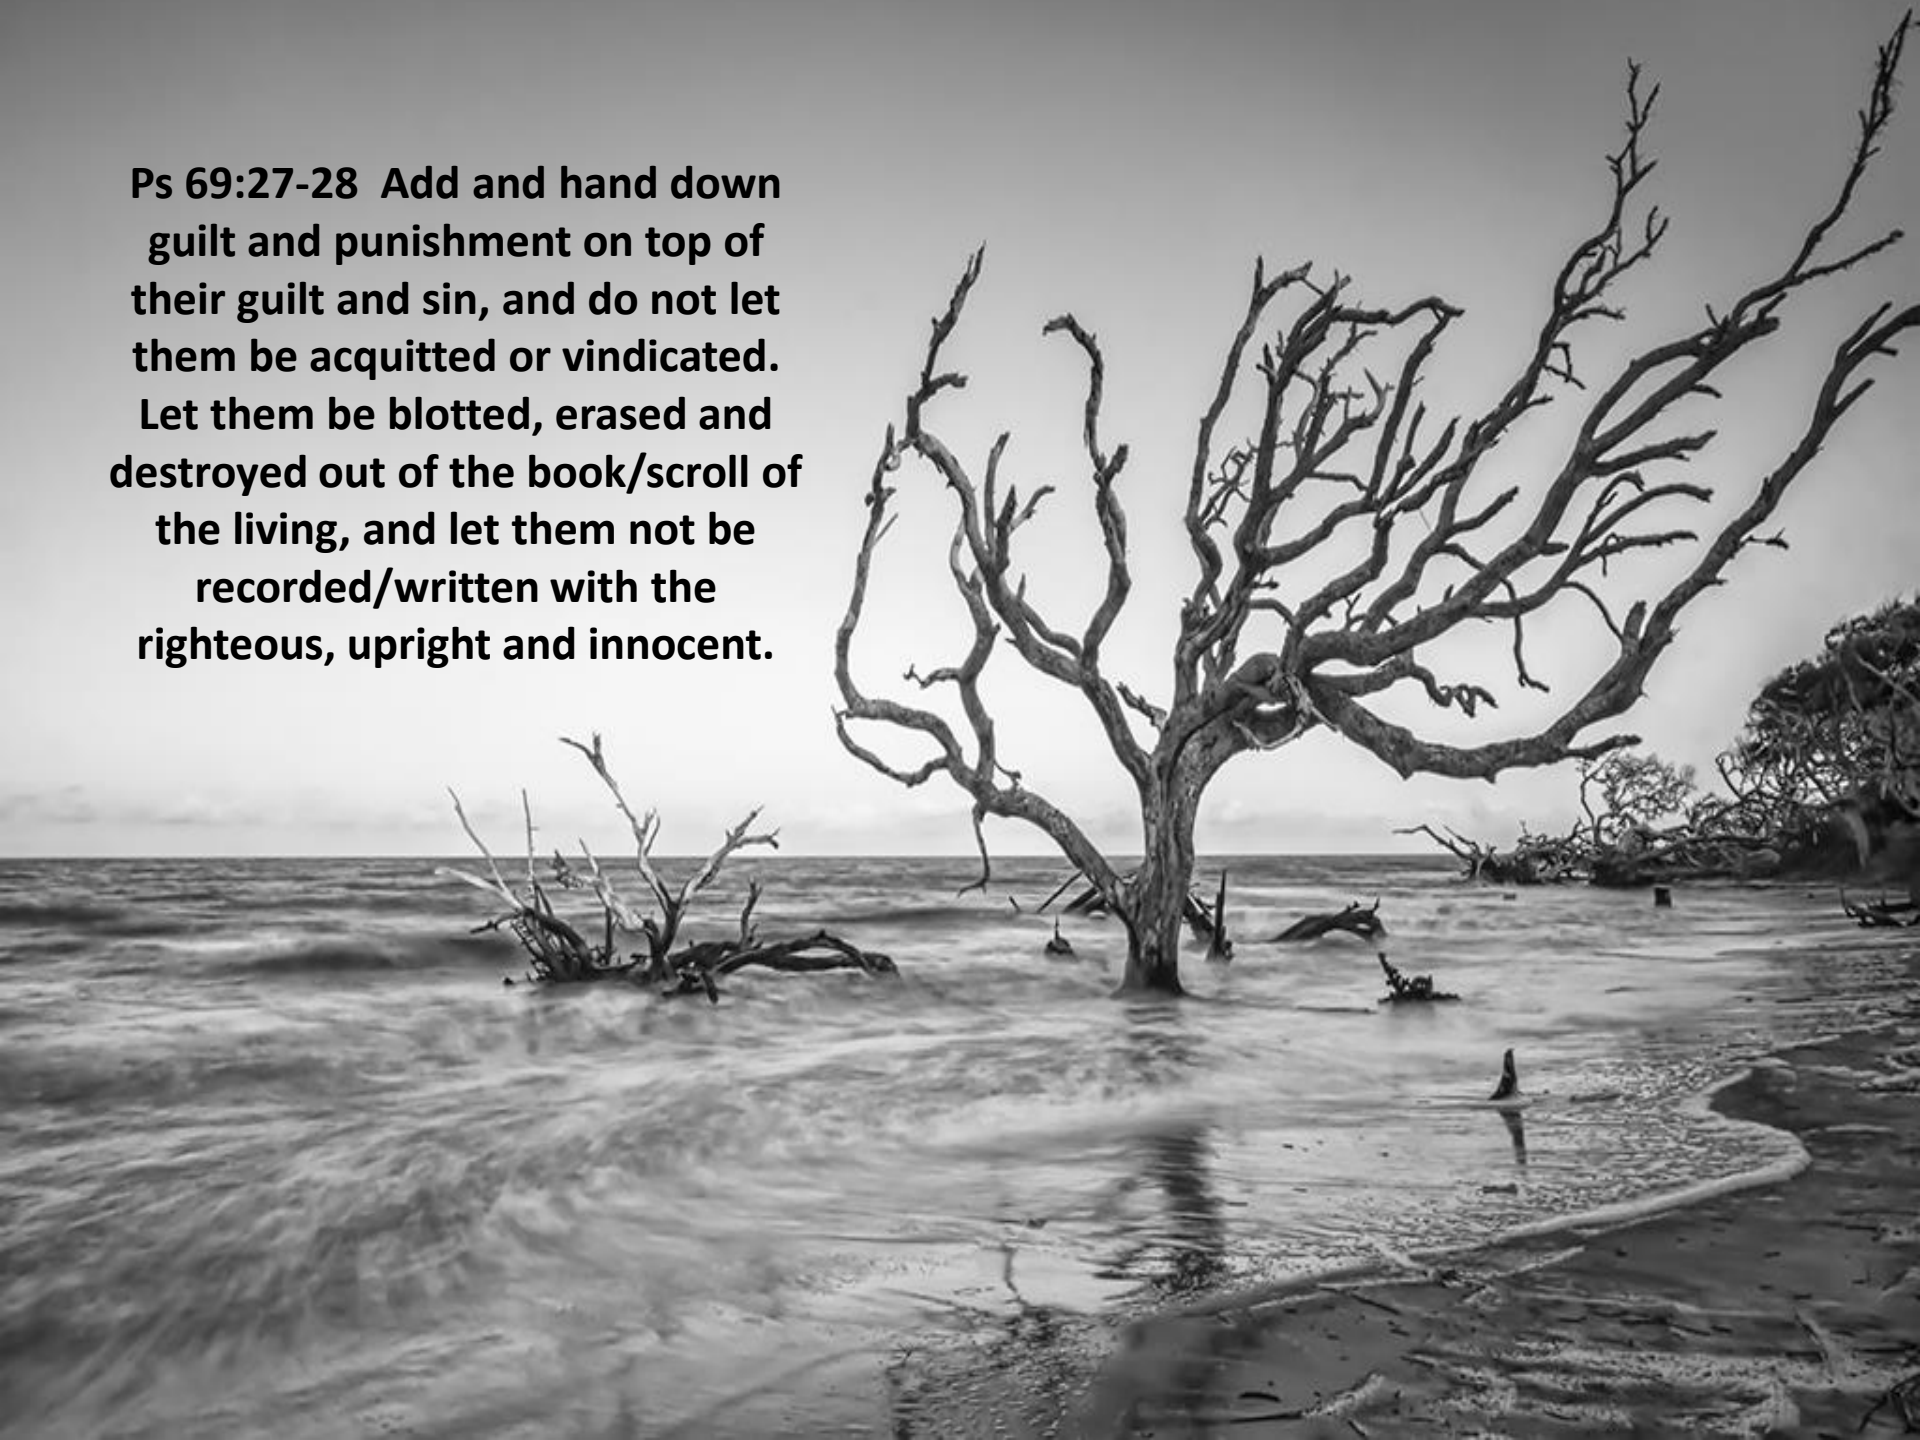

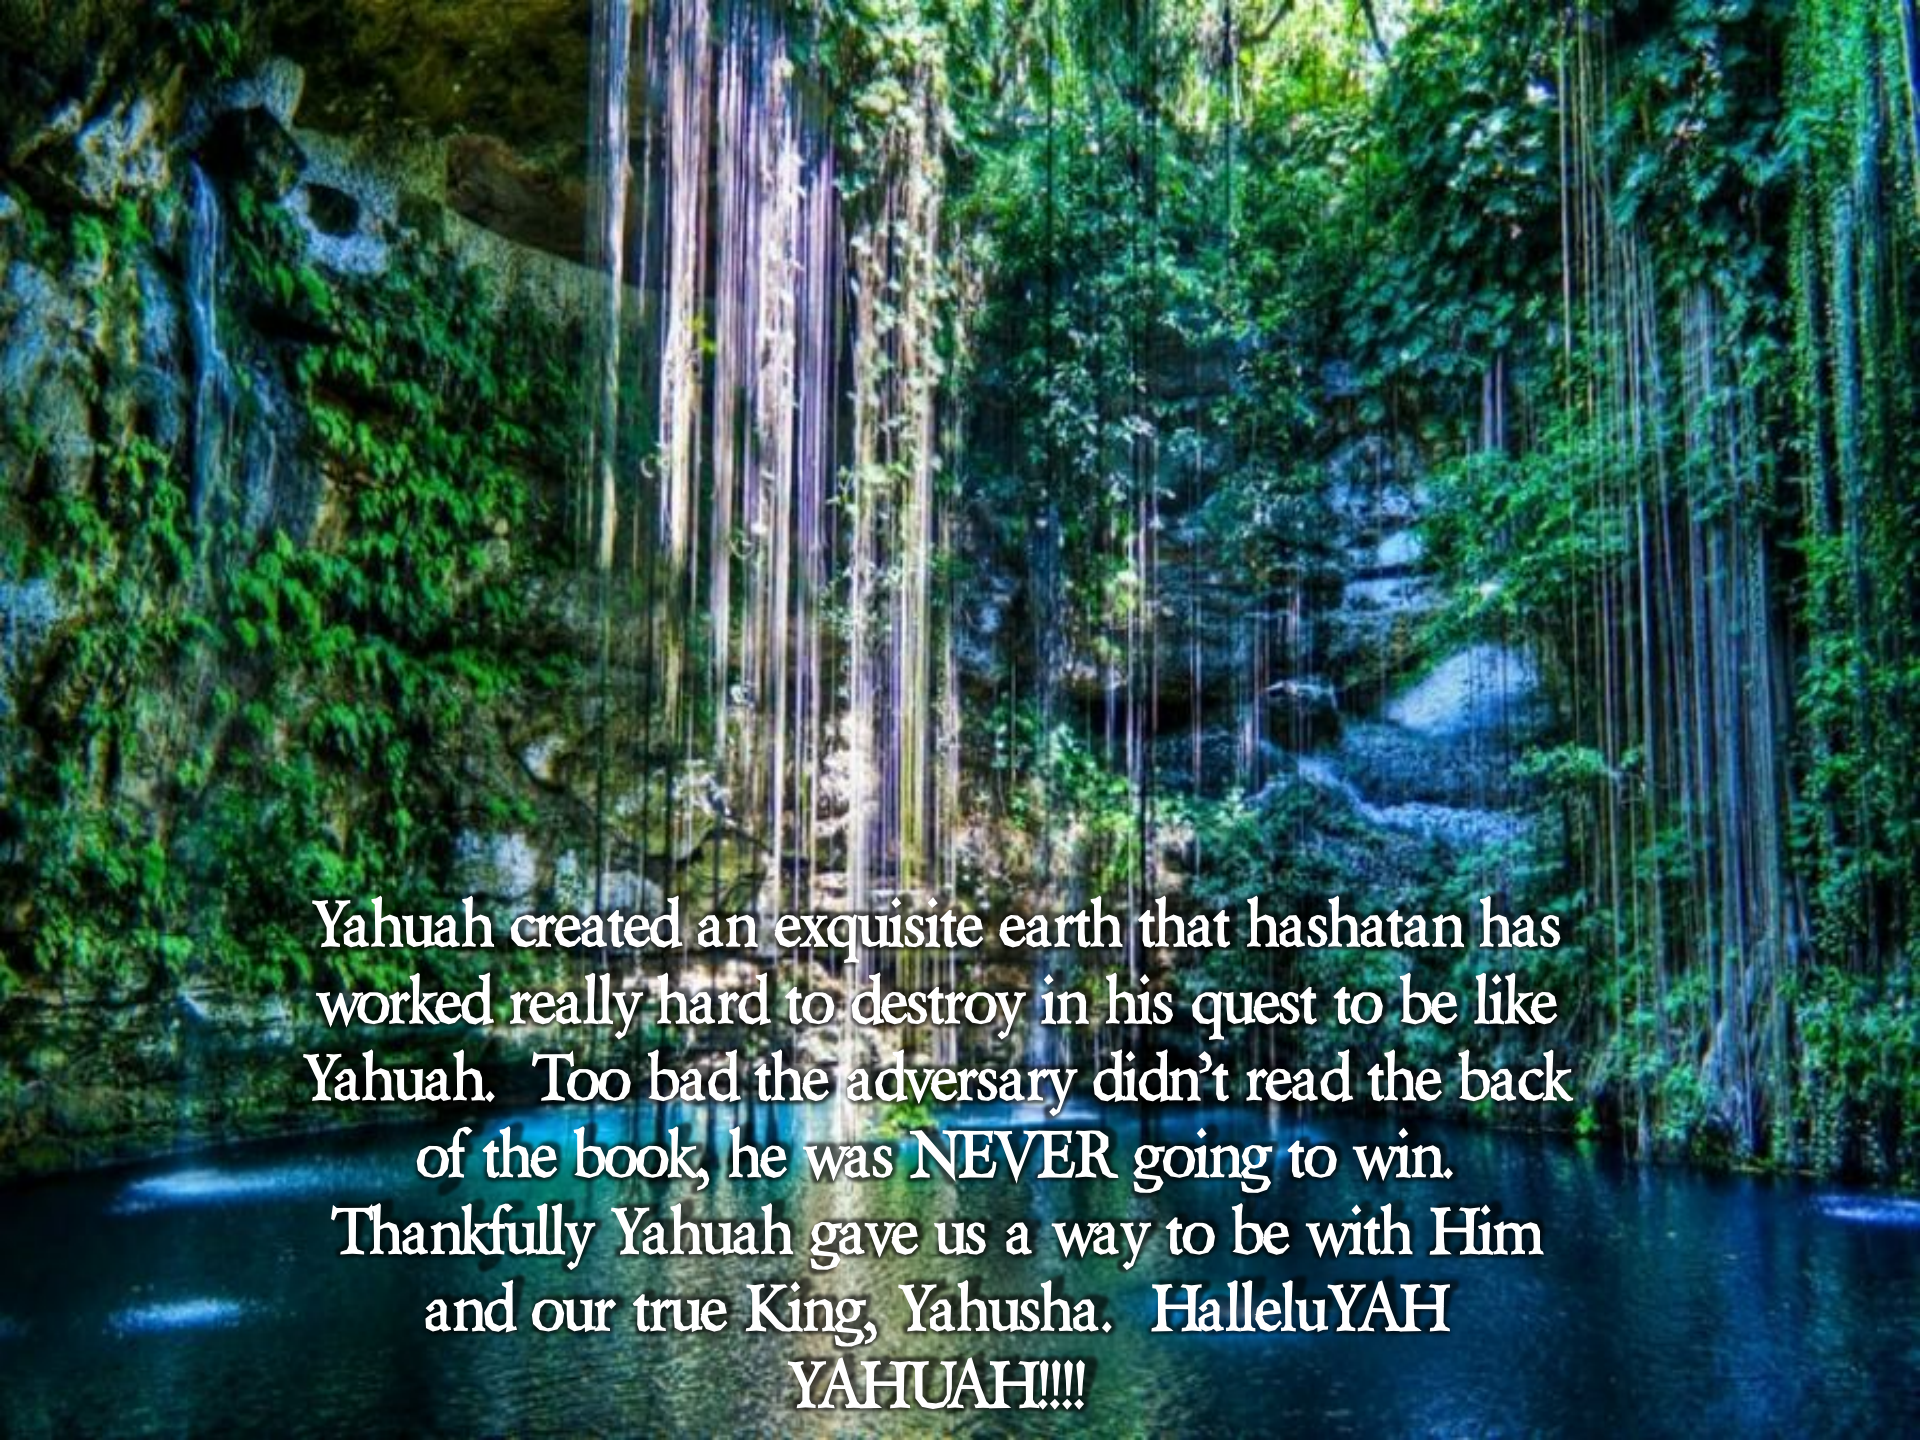

Dan 7:9-10 I continued looking attentively until thrones, seats of power were placed and an Ancient of Days sat; His clothing like white snow and the hair of his head like pure wool, His throne, seat of power was a flame of fire its wheels a burning fire. A river of fire issued forth and flowed and emerged from His presence and in the sight of; thousands, a very large number served and ministered to Him and ten thousand, and myriads stood before and in the sight of Him. The Judge sat, and the books and records were opened.

Dan 12:1-3 “Now at that proper time, Micha’al, the great Messenger, will arise and take a stand, the protector, being upright over the sons of your people, and it will be and come to pass in a time of distress, trouble and anxiety that has not been or occurred since or before, being a part of a nation until that time. And at the time your people will escape and be freed from harm and evil, everyone who is found written or marked in the scroll/book. And many from those sleeping/dead in the dusty earth will awake, some to everlasting and eternal life and some to everlasting and eternal dishonor, contempt, reproach and loathing. But the ones having insight and understanding will shine and be distinguished like the brightness and splendor of the expanse and firmament of the shamayim, and the ones providing justice in accordance with righteousness and morality for the many are in the same way like the stars forever and ever, eternally.

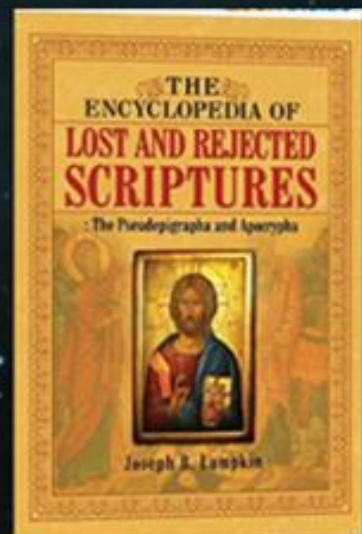

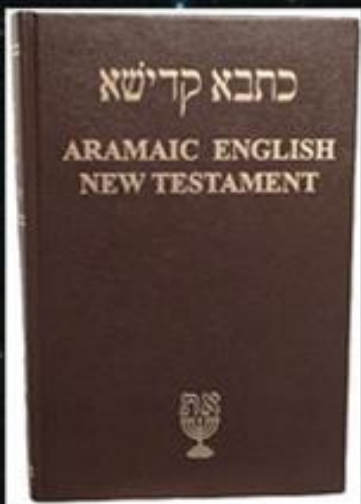

Remember the 1st Seal – the White Horse – Micha’al could be the rider on that horse.

**Ps 69:27-28 Add and hand down
guilt and punishment on top of
their guilt and sin, and do not let
them be acquitted or vindicated.
Let them be blotted, erased and
destroyed out of the book/scroll of
the living, and let them not be
recorded/written with the
righteous, upright and innocent.**

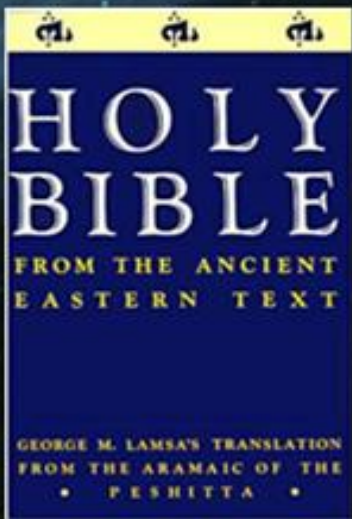

Yahuah created an exquisite earth that hashatan has worked really hard to destroy in his quest to be like Yahuah. Too bad the adversary didn't read the back of the book, he was NEVER going to win. Thankfully Yahuah gave us a way to be with Him and our true King, Yahusha. HalleluYAH
YAHUAH!!!!
