Studies with Scripture explaining the Covenant with Yahuah - what He expects as well as what He offers us as His children. There are chronological studies showing when they first showed up in Scripture and with amplification of Scripture one will find a whole new look for the Father of the Universe.

We'd like to welcome you to our site YAH STRUCK, where we are introducing the YAH STRUCK series of books. Though they are fictional, they are based on Child Trafficking as well as real events that have happened, though they are disguised. The books have a supernatural aspect to them with the help and strong presence of our Heavenly Father and Creator YAH and a group of Covenant family members destined to take on the sheer evil itself - in all its forms. You will also find blogs and merchandise to help support us as we promote the Name and Authority of Yahuah in this world.

In the fashion of all Hebrew words YAH-STRUCK has two sides. Yahuah can strike us in Righteous Vengeance, or to wake us up and get us to turn back around to Him or the best, for us to be YAH-STRUCK in amazement of Loyal Love, kindness and sheer brilliance.

In 2017 we created a series called "Another Brick in the Wall".

The PDF's were/are located on our website but we only presented the webinar studies live to a small group of Covenant Family Members since the topics, even then, sounded conspiratorial and quite outlandish. In 2021 we now have a good deal of proof that we needed on some accounts and the motivation has become crystal clear as to why this evil is happening.

We also did not publish this on our main video channels for safety reasons and to make sure our channels were not taken down. Now the studies can be presented with the added information and we hope you will prayerfully consider the YAH-Mazing situation we find ourselves in today.

As always, anything written in comic sans font, we inserted in articles as corrections or are our narration.

In this study we will explore examples of the Alice in Wonderland interrogation method that is being used on a worldwide public to try and get them to provide more data about themselves and others, become more dependent on the inflictors, and turn them into assets for lo shema and her cohorts. The smart cities they propose are additional Evil Who-Villes as well as acceptance to be citizens in Zuckerberg's Meta-verse. 10

In Part 2 we left with a cliff hanger in Habakkuk. What was Yahuah's response going to be? Habakkuk is very concerned with the evil he saw in his vision. It seemed that Yahuah was allowing lo shema's plans to run wild. Habakkuk is quite concerned that the evil will win because it looks like Yahuah is not wanting to stop it.

A wooden boardwalk path made of horizontal planks leads from the bottom center towards the top center of the image. The path is illuminated from above, creating a bright glow at its end. The surrounding area is a dark, dense forest with many ferns and other plants, mostly in grayscale or very low light, making the path stand out as a bright, clear way forward.

CHAPTER TWO

Hab 2:1 I stand at my watch, and station myself on the watch-tower, and wait to see what He (Yahuah) says to me, and how I should answer when He counters my reasoning.

Most important we WAIT on Yahuah. The hardest lesson but one of the most important. Be still, be on guard and wait. The other thing that we find so amazing is that Habakkuk knows that what he is seeing is not right by what he knows of Yahuah's character. So he questions Him, in fact, he is waiting for Yahuah to correct his reasoning.

If Yahuah is allowing something to happen that we

Wait On Yah

think is not righteous, then we must recognize as Habakkuk does, that he does not have all the information because Yahuah IS ALWAYS JUST AND RIGHTEOUS. It is us that has the problem understanding His level of Righteousness.

Hab 2:2 And יהוה answered me and said, "Write the vision and inscribe it legibly on tablets, so that **he who reads it runs (reads it easily)** . 2:3 "For the vision **is yet for a fixed appointed time**, and **it speaks of the end time**, and does not lie. If it lingers, **wait for it**, for it shall certainly come, it shall not delay.

That he may run that reads it; may run through the whole without any difficulty, without making any stop, being written in such large capital letters; and those cut so well, and made so plain, that a man might run it over at once with ease, or even read it as he was running; nor need he stop his pace, or stand to read. The Targum is, "**write the prophecy, and explain it in the book of the Torah, that he may hasten to obtain wisdom, whoever he is that reads in it.**"

Habakkuk must have given a sigh of relief knowing he would not see this in his lifetime. Gill points out: "it was a doubt that arose in the minds of the prophet and other good men, upon the notice given that the Chaldeans/Babylonians would be raised up to the destruction of the Hebrews; that then the Torah of Yahuah would cease, His worship would not continue; vision and prophecy would be no more. Now in answer to this, and to remove this doubt, they are assured that vision or prophecy should "yet", or still, continue, and even "to the appointed time"; the time fixed for the continuance of it, notwithstanding the people of the Hebrews should be carried captive into another land: and accordingly so it was; there were prophets, as Daniel and Ezekiel, in the time of the captivity; and, after it, Haggai, Zechariah, and Malachi; yes, the Torah and the prophets were until John. **The Torah still remains Mr. Gill.**

Hab 2:4 “See, he whose (Nephesh) being is not upright in him is puffed up. But the righteous one lives by his (Em-oo-nah) **steadfast trust and faithfulness-**. 2:5 “And also, because he betrays by intoxicating effervescence, a man is proud, and he adorns himself but is restless. Because he makes his nephesh’s desires as wide, spacious and deep as Sheol, he is in the realm of the dead. And like death, he is not satisfied or fulfilled. And gathers to himself all nations and heaps up for himself all peoples. 2:6 “Shall not all these people lift up a proverb (**a Meme**) against him, and a mocking satire against him, and say, ‘Woe to him who increases what is not his! How long will this go on that he gets honor and riches by extortion of heavy debt on others?’

We see this as speaking of lo shema and its army who are taking the marching orders to destroy Yahuah's people.

Hab 2:7 "In an instant shall not your oppressed wake up and become active and cause you to be shaken? And will rob you? 2:8 "Because you have robbed many nations, all the remnant of the people shall rob you, because of the shed blood of humankind, and doing violence to the land, to the cities, and to all who dwell in it.

Well this is good news and what we are seeing. The people will rise up and take matters into their own hands! Looks like things are going according to Yahuah's plan after all!!!

An aerial photograph of a large, intricate maze made of tall, green hedges. A wooden staircase with a railing leads down from the top left into the maze. The maze is composed of many paths and dead ends, creating a complex pattern of green walls. The sky is not visible, and the focus is on the maze's structure and the entrance.

It is so powerful when Yahuah allows us to see above the maze from His perspective. It gives us chills to see how He predicts everything and always gives us hope that He will take care of His own. Chapter 3 is for next time. What a blessing!

Now as promised let's go down the rabbit hole of the C.I.A's Alice in Wonderland.

ALICE IN WONDERLAND TECHNIQUE: THE POWER OF APPLIED CONFUSION

DOWN THE RABBIT HOLE

As we will explore in future studies, there is/was a reason why there has been such a push to get all our data from us, voluntarily on line, in the cloud and stored away on "secure" data bases. In order for coercion to work, (willingly give up DNA, Get the job, COMPLY), the "interrogators" need to know everything about us. Otherwise they do not know what buttons to collectively push. People fall in phases. Maybe not in the beginning, but then if their movements are restricted, or if the job is threatened etc. Each time getting more heavy-handed. This is not the first time they have used it but we would say it's the first time on a global scale.

SPECIAL REPORT

Alice in Wonderland

The aim of the Alice in Wonderland or confusion technique is to confound the expectations and conditioned reactions of the interrogatee. He is accustomed to a world that makes some sense, at least to him: a world of continuity and logic, a predictable world. He clings to this world to reinforce his identity and powers of resistance.

The confusion technique is designed not only to obliterate the familiar but to replace it with the weird.

“Desmond Is Amazing is the future and we're here for it,” declared media news site Mashable on Sunday, tweeting a video featuring Desmond describing visiting drag clubs at five years of age, and telling “haters” to “just go away.”

Although this method can be employed by a single interrogator, it is better adapted to use by two or three. When the subject enters the room, the first interrogator asks a double-talk question -- one which seems straightforward but is essentially nonsensical. Whether the interrogatee tries to answer or not, the second interrogator follows up (interrupting any attempted response) with a wholly unrelated and equally illogical query. Sometimes two or more questions are asked simultaneously. Pitch, tone, and volume of the interrogators' voices are unrelated to the import of the questions. No pattern of questions and answers is permitted to develop, nor do the questions themselves relate logically to each other. In this strange atmosphere the subject finds that the pattern of speech and thought which he has learned to consider normal have been replaced by an eerie meaninglessness. The interrogatee may start laughing or refuse to take the situation seriously. But as the process continues, day after day if necessary, the subject begins to try to make sense of the situation, which becomes mentally intolerable. Now he is likely to make significant admissions, or even to pour out his story, just to stop the flow of babble which assails him. This technique may be especially effective with the orderly, obstinate type.

ALICE IN WONDERLAND TECHNIQUE: THE POWER OF APPLIED CONFUSION

May 24, 2020

On May 12th, Anthony Fauci testified before the Senate that reopening the economy too quickly could lead to “suffering and death that could be avoided [that] could even set you back on the road to...economic recovery.”

On May 23rd, Anthony Fauci appeared to reverse course when he told CNBC that the stay-at-home orders could end up causing “irreparable damage” and “I don’t want people to think that any of us feel that staying locked down for a prolonged period of time is the way to go.”

This about-face triggered tweets of exasperation.

<https://forbiddenknowledgetv.net/alice-in-wonderland-technique-the-power-of-applied-confusion>

I've heard of Alice in Wonderland – but a technique by that name? This sent me down a rabbit hole for which I'm grateful, because for the past three years, I've been talking about the “psychological civil war” being waged against us, not knowing that the orchestrated gas lighting we've been subjected to is a scaled-up version of what was originally developed as an interrogation technique.

In other words, what we've been being put through is literally torture and the technique described in “Alice in Wonderland: The Power of Applied Confusion”, a chapter starting on page 129 of a manual entitled, ‘EDUCING INFORMATION – Interrogation: Science and Art’, published by the National Defense Intelligence College in 2006, citing a 1963 torture manual entitled, “KUBARK Counterintelligence Interrogation Manual, Human Resource Exploitation Training Manual,” based on CIA research, much of it conducted through the MK ULTRA program but some of it going all the way back to the 1350s, to the work of Nicholas Eymerich, Inquisitor General of Aragon, Spain.

GASLIGHTING

THE NARCISSIST'S
FAVORITE TOOL

To me, this describes the antics seen in the unrelenting #FakeNews, the Mueller Investigation and the fake impeachment, concomitant with things like #MeToo and the transgender putsch that have become the themes of this era.

Christine Blasey Ford, Jussie Smollett and the media crucifixion of Nick Sandmann were illogical orchestrated psyops designed to badger everyone into agreement, in order to just make it stop.

We've known that this was unconventional warfare but knowing that it's called the Alice in Wonderland technique empowers you to identify it when it's happening, to help you distance yourself from the fragmentation that it is attempting to induce.

COMMON GASLIGHTING PHRASES

YOU'RE OVERREACTING

THIS IS YOUR PROBLEM TO DEAL WITH

WHY WOULD YOU THINK THAT?
WHAT DOES THAT SAY ABOUT YOU?

CAN YOU HEAR YOURSELF?

IT DIDN'T HAPPEN THAT WAY

HAZEL MEAD

I NEVER SAID THAT

YOU'RE SO INSECURE

In this video, Richard Grannon does a good job explaining the details of this torture technique that I feel could help us to cope with the madness of COVID-19. When we know that it's called Alice in Wonderland and that it incorporates Gregory Bateson's double-bind theory of Schizophrenia, scaled-up to the level of a global psyop, it can help us release ourselves from its thrall.

THE SIGNS OF GASLIGHTING

BlessingManifesting

Gaslighting is a form of manipulation and abuse concentrated on making someone doubt reality.

Blatant lying or constant coverups.

Actions contradict words. Broken promises.

Your self-esteem slowly erodes away & you begin to question what is real. You start to think you are bad or crazy.

Denying conversations or events ever happened.

Feeling like you have to defend reality.

Manipulating others to see you differently.

Perfect example!

It was so amazing to read Habakkuk and know that Yahuah saw the people trying to return to Him. They may not know His name or all the other aspects but they know they need Him and will be more open to His calling them to truth. As Yahuah's Covenant Children, He will keep us safe. HALLALU-YAH! Let us be ever on guard to those that are just talking the talk and not walking the walk. Right now there are so many infiltrators in all areas it makes it an easy choice to ONLY TRUST YAHUAH!

These tactics are being used all the time now in all aspects of life. Now that we have pointed this part out, you should start to be able to hear it for yourself. We are going to dig deeper into this next time with more examples.

Let us be broad minded in identifying the Influencer and the army of deceivers. Do not give them access or permission to dwell anywhere near you or have any authority over your life. No matter the cost here on Earth. If it does not look right, it probably isn't. Be grateful you can spot it. Shalom! It has been a blessing to share with you!

The Pattern

- Yahuah lovingly gives us instructions to follow diligently and carefully
- ❖ IF We seek to understand and return love to Yahuah by applying the instructions, and joyfully clinging to them and Him, knowing they are for our best interest...
- THEN Yahuah will diligently and lovingly protect and care for us until He calls us home.

The Pattern Of the Covenant Brings The Promise of Success

- When we get off the path we turn around, ask forgiveness and return to the path, determined to not repeat the error. Teshuva.
- Yahuah will diligently protect and care for us until He calls us home.

Professor of clinical psychology at Ghent University Mattias Desmet. He holds a masters degree in statistic.

Four things need to be in place if you want a large-scale mass phenomenon to emerge. (1) socially isolated people, people who experience a lack of social bond. (2) a lot of people who experience a lack of sense-making in life. (3) a lot of free-floating anxiety, (4) a lot of free-floating psychological discontent—meaning anxiety and discontent that is not connected to specific representations.

It needs to be in the mind without people being able to connect it to something. If you have these four things... then society is highly at risk for the emergence of mass phenomena, and these four conditions existed shortly before the corona crisis."
