Studies with Scripture explaining the Covenant with Yahuah - what He expects as well as what He offers us as His children. There are chronological studies showing when they first showed up in Scripture and with amplification of Scripture one will find a whole new look for the Father of the Universe.

## Our Methodology

The tricky thing about going chronological is that we get hints of an instruction way before it was written down in Exodus. This was a great eye opener as we went through Genesis. They knew of these things from somewhere. Adam and Hawah must have taught their children and now that the 365 books of Enoch are lost, we do not have an accurate picture of the first mention of these things.

We have chosen to deal with this by acknowledging the first mention of a subject but will not address it fully until the actual instruction is given. We want to recreate the feeling of starting from scratch. It seems to us that Yahuah watched mankind and as we progressed kept note of the things which caused us to stumble the most. It was then at Sinai that Yahuah was able to set in stone the things for us to guard against and remember that would keep us on the path. But we will see that the moral code was already in practice as well as some ceremonial things. How could it be otherwise? Everyone has had the information they needed to come to love and choose Yahuah, if He has chosen them. There are some things that prevent Him from choosing certain creations, so let us keep that in mind, even if we do not fully understand it.

In Part 15 of our journey in the book of Shemot/Exodus, we continue with our study of what it means to be in Covenant with Yahuah. In today's study we continue examining the instruction regarding how we treat each other and Yahuah. As we look at bearing false witness and the wide range implication of this instruction! Bearing false witness can be a matter of life and death in a court room as we saw in part A and is a very grave matter. In part B, we will be highlighting blistering examples of bearing false witness in a legal setting and in the court of Public opinion and Part 15C, the bearing of false witness against Yahuah in the religious court- from the pulpit- the most grievous action and aspect of this.

## The Pattern

- Yahuah lovingly gives us instructions to follow diligently and carefully
- ❖ IF We seek to understand and return love to Yahuah by applying the instructions, and joyfully clinging to them and Him, knowing they are for our best interest...
- THEN Yahuah will diligently and lovingly protect and care for us until He calls us home.

## The Pattern Of the Covenant Brings The Promise of Success

- When we get off the path we turn around, ask forgiveness and return to the path, determined to not repeat the error. Teshuva.
- Yahuah will diligently protect and care for us until He calls us home.

Exod 20:15

You will not testify, respond as a witness, or speak, falsely  
against your neighbor.

20:16 לא־תענה ברעד עד שקר: ס

This could also read where no-one is telling the truth and the evidence doesn't matter. It cuts both ways in the Court of Public opinion where the courtroom is the media studios/social media and the jury (everyday people talking amongst themselves) never hear all the evidence or get to cross examine. That is called censorship or being cancelled. 11

A false witness will  
not go unpunished,  
and he who pours out  
lies will not go free.

Proverbs 19:5

[fb.com/iLoveProverbs](https://www.facebook.com/iLoveProverbs)

In our study 15 A on "not bearing false witness", we examined The Hebrew words and the consequences of ignoring this instruction. This is not something Yahuah takes lightly and neither should we. After all it was part of what caused Hawah (Eve) and Adam to fall. By believing the Evil one, what was accomplished? Hawah and Adam no longer had the same body as Yahuah had made them. They changed from immortal to mortal. Then what happened? They were banished from the garden. Do you think it's a good idea to ingest something based on a lie that will again change our DNA and is completely unclean and non kosher? Do you think it just might keep us from being able to be adopted into the forever family? Isn't that the goal of the Evil one since our time began? To enchant us with lies as a reliable witness to disconnect from Yahuah?

The KJV translates Strong's H3785 in the following manner: witchcraft (4x), sorcery (2x).

Isa 44:23 Sing, O heavens, for יהוה shall do it! Shout, O depths of the earth! Break forth into singing, O mountains, forest, and every tree in it! For יהוה shall redeem Ya'aqob, and make Himself clear in Yah'shara'al.

Isa 44:24 Thus said יהוה your Redeemer, and He who formed you from the womb, "I am יהוה doing all, stretching out the heavens all alone, spreading out the earth, with none beside Me,

Isa 44:25 **frustrating the evidence, signs- warnings, distinguishing mark or miraculous sign of the liars, babblers (imaginary pretensions or claims), and driving diviners mad, turning wise men backward, and making their knowledge foolish,**

To do anything or ingest anything that changes our DNA- we make a covenant with death. Yahuah will not be mocked.

Isa 28:15 because you have said, **“We have made a covenant with death, and with the grave we have effected a vision.** When the overflowing scourge passes through, it does not come to us, for we have made lying our refuge, and under falsehood we have hidden ourselves.” 16 Therefore thus said the Master “, יהוה See, I am laying in Tsiyon a stone for a foundation, a tried stone, a precious corner-stone, a settled foundation. He who trusts shall not hasten away. 17 And I shall make right-ruling the measuring line, and righteousness the plummet. And the hail shall sweep away the refuge of lying, and the waters overflow the hiding place. 18 **And your covenant with death shall be annulled, and your vision with the grave not stand. When an overflowing scourge passes through, then you shall be trampled down by it. 19 As often as it passes through it shall take you, for it shall pass through every morning, and by day and by night. And it shall be only trembling to understand the message.”**

This time the evil enchanter used fear to motivate as we have read recently in an article called “America has become Jonestown”. Quite fitting. It was voluntary at first then at the end of a gun.

Today we are going to look at how we in the court of public opinion are being influenced by liars to change our DNA to no longer be in the image of Yahuah- and thus make us ineligible to be adopted into Yahuah's Forever Kingdom Family. We are going to hear from Fauci, his wife Christine Grady who is the current chief of the department of bioethics with the NIH! We will also hear from Dr. David E. Martin, Del Bigtree, Dr. Judy Mikovitz, Jason Goodman and John Cullen and Eugenio Derbez.

Fauci in 2017 telling us what they had in store for us. They love to gloat. How can you have a "surprise" outbreak. If you know it's coming, it's not a surprise.

Eugenio's interview with Fauci was brilliant and the outcome backfired big time and has since gone viral.

Here is a place you can see the whole interview and get a transcript:

We have established with Fauci's testimony that these shots will not protect you from getting the virus or spreading the virus, and you can still get sick. Only with a 3<sup>rd</sup> booster, it might keep you from going to the hospital and dying. This does not sound like it is 90% effective at preventing or protecting anyone per the language of the law.

If they do not qualify as Vaccines- this is nothing more than an human experiment which they do not know how it will affect people since they did not base the clinical trials on effectiveness! A Spike protein is not a Virus or disease!! It is something synthetic that your body is now being instructed to make. But what did Fauci say to influence the court of public opinion?

the

THE COURT OF

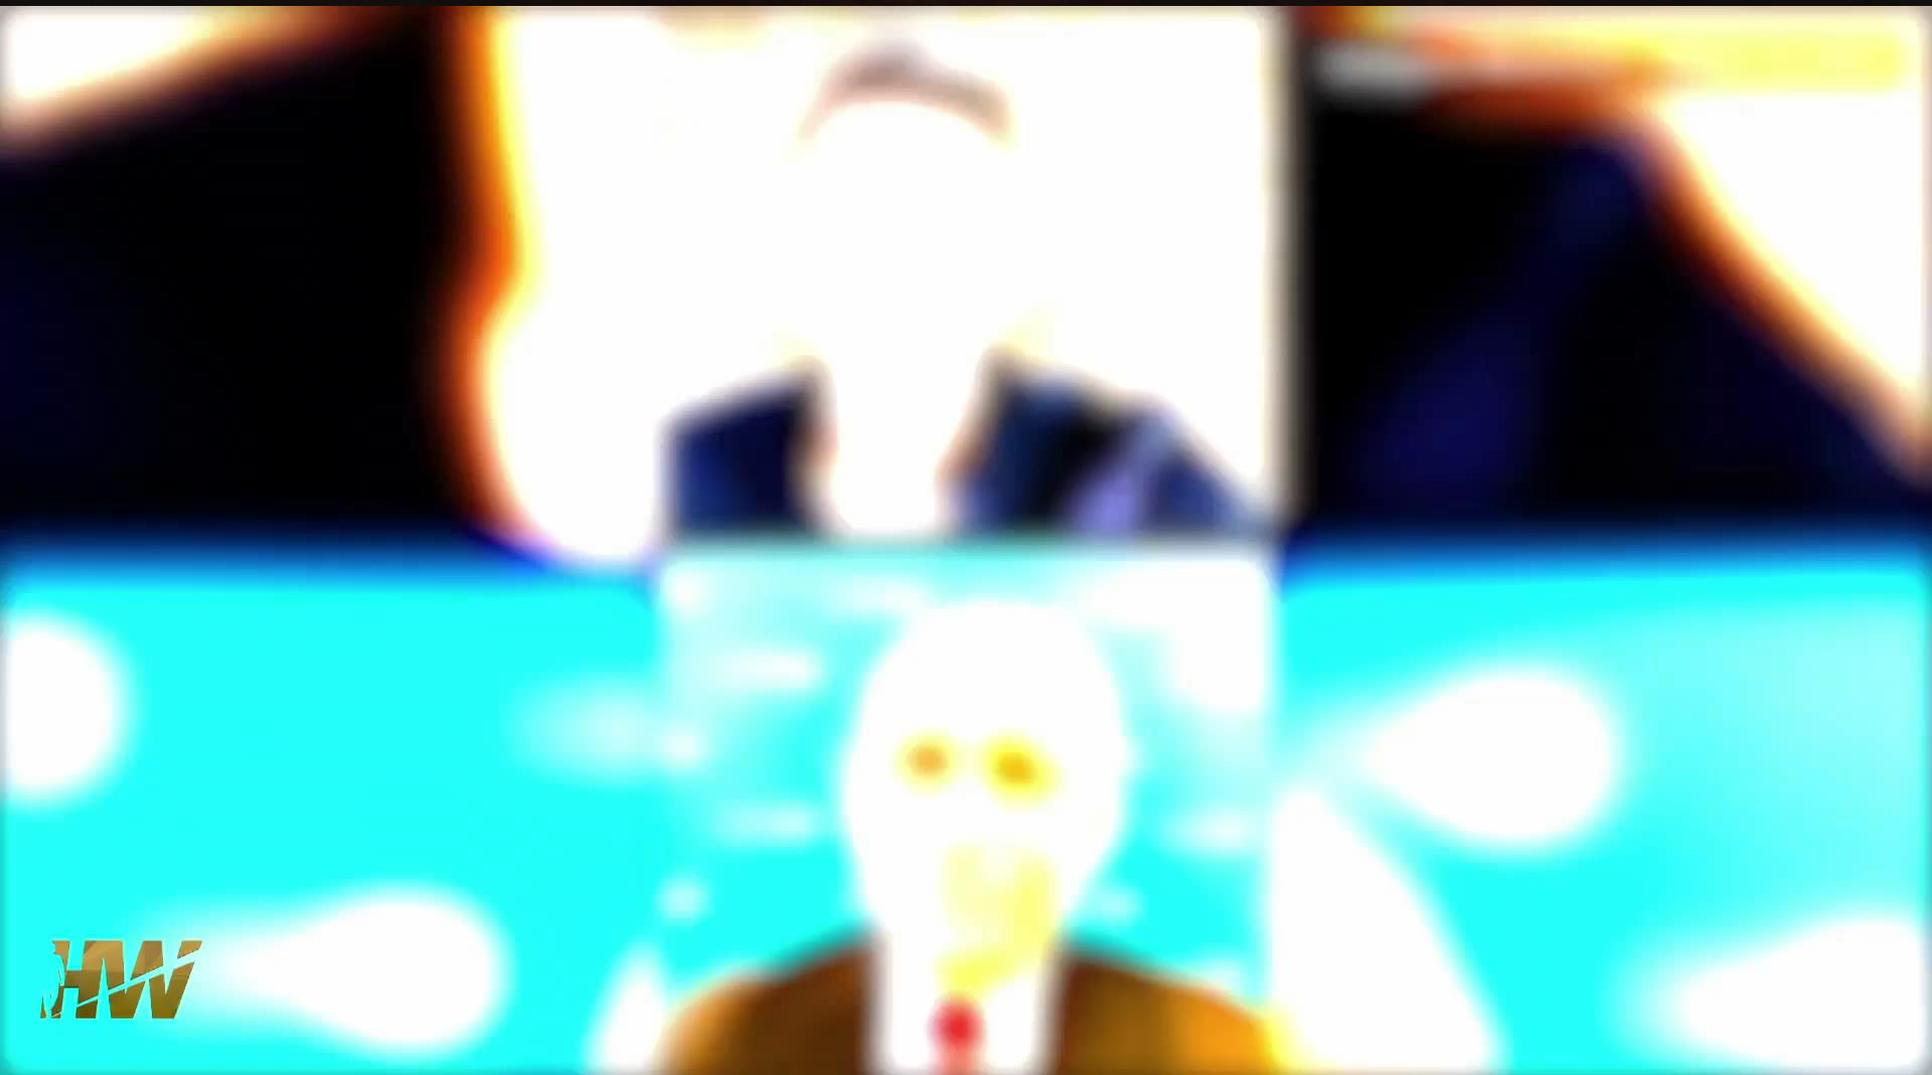

PROVEN TO BE HIGHLY EFFECTIVE???

**Was that the question?**

How can he make the claim they are safe and effective if they have never been put in humans AND they were never tested to be effective against getting infected with the virus? Because of word salad. They are not meeting the standard of a vaccine but a biological license approval.

6/26/2021

What about the aborted fetal tissue? It is pretty important to not ingest that if we want to be adopted into the forever family! This had to be of a great concern to Israel and Jews everywhere as well! **Just so you are aware- It is in ALL flu vaccines.**

We have given you some wide ranging applications of "Do not continue to bear false witness". As we have seen the consequences go far beyond what any could have imagine. Death, despair, prison, humiliation and shame. No one gets away with it forever.

As we let this percolate in our spirits, let us be broad minded in identifying what this is. Every time we speak we are giving a witness to something! We must remember this! The larger habitual offenses create pandemics, wars, famines, economic, political, medical and societal disasters. If we are quick to identify if a person has this false witness character flaw, maybe our future will hold a brighter promise.
