We'd like to welcome you to our site YAH STRUCK, where we are introducing the YAH STRUCK series of books. Though they are fictional, they are based on Child Trafficking as well as real events that have happened, though they are disguised. The books have a supernatural aspect to them with the help and strong presence of our Heavenly Father and Creator YAH and a group of Covenant family members destined to take on the sheer evil itself - in all its forms. You will also find blogs and merchandise to help support us as we promote the Name and Authority of Yahuah in this world.

In the fashion of all Hebrew words YAH-STRUCK has two sides. Yahuah can strike us in Righteous Vengeance, or to wake us up and get us to turn back around to Him or the best, for us to be YAH-STRUCK in amazement of Loyal Love, kindness and sheer brilliance.

In 2017 we created a series called "Another Brick in the Wall".

The PDF's were/are located on our website but we only presented the webinar studies live to a small group of Covenant Family Members since the topics, even then, sounded conspiratorial and quite outlandish. In 2021 we now have a good deal of proof that we needed on some accounts and the motivation has become crystal clear as to why this evil is happening.

We also did not publish this on our main video channels for safety reasons and to make sure our channels were not taken down. Now the studies can be presented with the added information and we hope you will prayerfully consider the YAH-Mazing situation we find ourselves in today.

As always, anything written in comic sans font, we inserted in articles as corrections or are our narration.

The questions above will be repeated over and over with each new turn. Some questions like the "Who" have multiple answers. You have the top of the ladder "WHO" and then all the who's in the evil "Who-ville" organization.

THE GREAT DRAGON

called the Devil and Satan

Revelation 12:9

Knowing-Jesus.com

“And the **great dragon** was thrown down, **the serpent of old** who is called the devil and Satan, who deceives the whole world; he was thrown down to the earth, and his angels were thrown down with him.”

THE GREAT DRAGON

called the Devil and Satan

Revelation 12:9

Knowing-Jesus.com

“And the great dragon was thrown down, the serpent of old who is called the devil and Satan, who deceives the whole world; he was thrown down to the earth, and his angels were thrown down with him.”

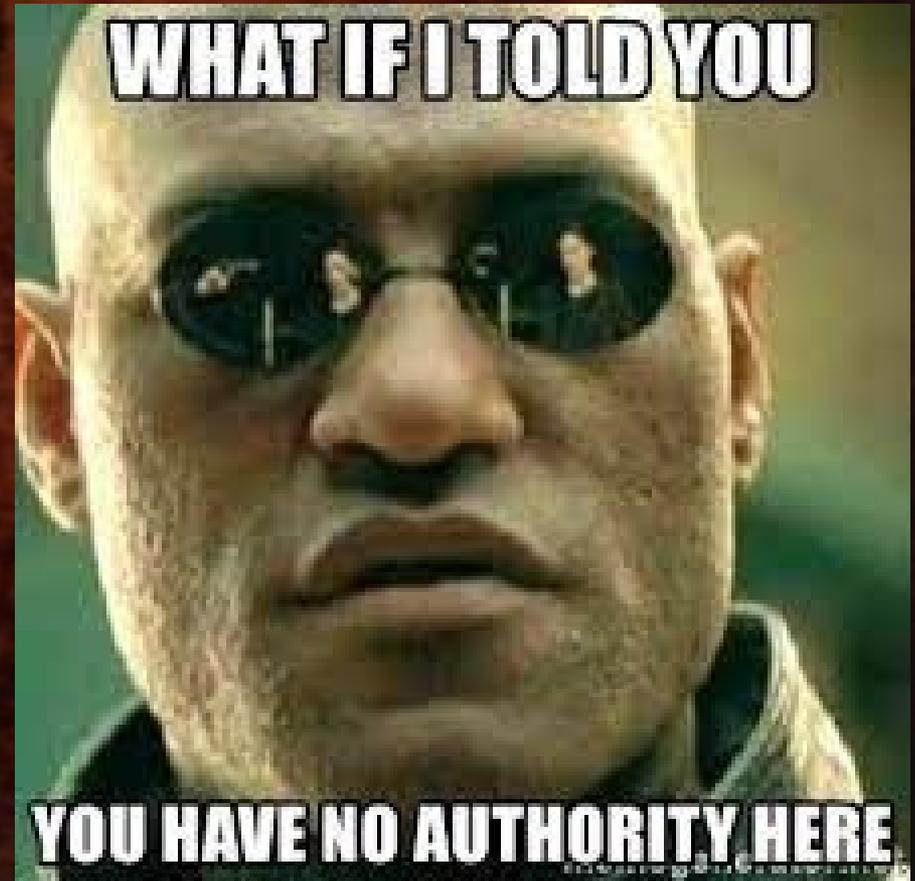

Rev 12:9

Rev 12:17 And the dragon was enraged with the woman, and he went to fight with the remnant of her seed, those guarding the commands of Yahuah and possessing the witness of יהושע Messiah. 12:17

Whatever the creature was that spoke to Hawah was not a snake. It was turned into a serpent like we know today as a punishment in 3:14. That previous creature gave permission to the Influencer to speak through it, enchanting Hawah by promising to teach her secret things. The Influencer that possessed the body of the “cunning” beast has now been characterized as The Dragon.

We have made up our own title for this being from Hebrew. We call it "lo-shema" or "no name/no authority". Has a nice ring to it and we can look anew at this entity that is actually hellbent on destroying Yahuah's creation and at the same time giving it absolutely no respect.

no name®

Gen 3:1 And the serpent was more crafty than any beast of the field which יהוה
Eternal had made...

No one ever talks about what that "cunning or crafty creature" was, (that no longer exists). Now it is a slithering serpent eating dust and hated. Lo-shema took out the humans and the animals in this saga. There also had to have been some awareness of consequences for the crafty creature granting this request to lo-shema or else Yahuah would not have cursed it.

Have we ever wondered what lo-shema promised it to defy Yahuah? Yahuah spoke to this creature just like He did Hawah and Adam explaining why it was now turned into a snake. That creature was responsible for cursing the rest of the animals, just like the 1st couple were responsible for cursing the rest of mankind. Lo-shema was already cursed and thus at this point was the only one not additionally cursed along with the others.

We know the character of Lo-shema speaking through the creature in Genesis 3:1-13. Strong's uses H5175 to describe it as a "serpent" due to its hissing sound. But the root word is H5172 (spelled the same way but with different grammar points) To hiss or whisper a divination or witchcraft- with implied power to learn secret things. By the translators using the same word for the creature in Chapter 3 we have missed some big nuances. Lo-shema will try and corrupt us using many forms, creatures and people.

If this is not plausible, then why would a creature of Yahuah suddenly decide on it's own authority to try and get the 1st couple kicked out of the garden? It would have to be enchanted to do so with promises of grandeur. This creature was willing to let lo-shema use it as a host to deceive.

Gen 3:14 And יהוה Yahuah said to the serpent, “Because you have done this, you are cursed more than all livestock and more than every beast of the field. On your belly you are to go, and eat dust all the days of your life.

This picture that we have been propagandized into believing is a false narrative. The influencer lo-shema, could not have taken the shape of a physical snake up in a tree. The original creature (unknown to us now) was turned into this in verse 14. Way after the deed was done! It was changed into a snake from what it was in verse 1.

Lo-shema is definitely a narcissistic psychopath and the demons and co-conspirators will be turned into the same. There is no connection to Yahuah. That has been snuffed out with the lack of remorse or empathy. We need to learn how to spot this characteristic and then be on guard. They do not have your best interest at heart.

Definition of narcissist

an extremely self-centered person who has an exaggerated sense of self-importance and a person who is overly concerned with his or her physical appearance

Definition of sociopathic

: of, relating to, or characterized by asocial or antisocial behavior or exhibiting antisocial personality disorder

Definition of psychopath

: a mentally unstable person especially : a person having an egocentric and antisocial personality marked by a lack of remorse for one's actions, an absence of empathy for others, and often criminal tendencies

Narcissism

1. A grandiose sense of self-importance. Feeling superior to others and that one deserves special treatment.

Narcissism

11. Interactions are superficial
12. Intimacy is avoided
13. Difficulty with attachment and dependency
14. Relies on feedback from the environment
15. Relationships only exist to shore up positive self-image
- 16. Narcissistic personality disorder is also a significant risk factor for suicide and suicidal attempts.**

The last one reminded us that lo-shema is actually suicidal in a kamikaze way. One could relate all this as a "Death by Cop" mission. The top law enforcer being Yahuah. But also being a psychopath, lo-shema is actually convinced on some level that the mission will be successful because narcissism and psychopaths suffer from illusions of grandeur.

If you see some traits listed that you may also have, (I did), it does not mean you are a narcissist. It would be good, to use this as a learning exercise to address those traits and be aware that this is where a chink in our armor is.

Right now a small number of people in lo-shema's camp are attempting to run the world out in the open. They have been doing it in the shadows for eons, so we would not notice the snare around us. They think the trap has been sprung but they are wrong--again. But the masses are starting to wake up and take a closer look at them.

We have been ensnared with the internet, Cell phones, bogus science, tyrannical governments, big tech, big media and big religion. It is only now when the ropes have been pulled tight that we realize we cannot move. We trusted them. We never questioned their motives. As they moved away from Yahuah's word and brought in morally abhorrent social directives we were tolerant. But is that Torah? The book of Habakkuk is very relevant for this discussion and our time. 3 chapters packed with wisdom and prophecy.

"EMBRACE"

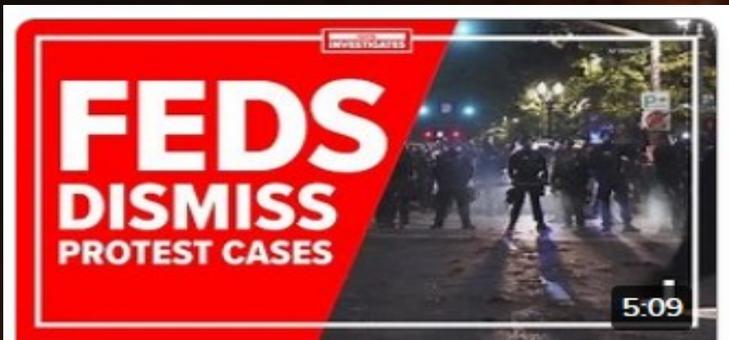

CHAPTER ONE

Hab 1:1 The message which the prophet Habacquq saw.

1:2 O יהוה, till when shall I cry, and You not hear? I cry to You, “Violence!” and You do not save. 1:3 Why do You show me wickedness, and cause me to see perversity? For ruin and violence are before me. And there is strife, and contention arises.

Hab 1:4 Therefore the Torah grows numb and ceases, and Mishpat- right-ruling judgement never goes forth or carried out. For the wicked, hem in, surround and intimidate the righteous. For this reason justice comes out twisted and is perverted.

Hab 1:6 “See, I am raising up and the **Chaldeans/Babylonians**, a bitter, hasty, ruthless and greedy nation. They will sweep across the earth, to possess dwelling places that are not theirs and do not belong to them.

It is our contention, that these Neo-Babylonians are lo-shema's army of demons/humans that are now implanted in every aspect of life and in every country. Right now the Science/Medical arm is at the forefront. They have taken our rights, freedoms and some bodies and souls where the Spirit and connection to Yahuah dwells that does not belong to them. They are relentless. But YAHUAH has given them this authority to do this but we do not submit. Remember! Job did not submit!

Hab 1:10 “And they scoff at kings, and judges are a laughing matter to them. They laugh at every fortified city, for they pile up seize ramps and capture them. 1:11 “Then shall (the kings of Neo- Babylon) spirit’s transgress and become invalid and be guilty and suffer punishment, and ascribe his power to his god.”

Gill- “The mind of the king of Babylon; **not that, when he had taken Jerusalem, he altered his purpose, and laid aside his designs of attacking other nations, and returned to his own country;** where he became guilty of gross idolatry, in setting up the golden image in the plain of Dura, which he required all his subjects to worship, and to which he ascribed all his victories; for, five years after this, Josephus (w) says, he led his army into Coelesyria, and conquered the Moabites and Ammonites, and entered Egypt, and slew the reigning king of it: **but rather the disposition of his mind changed for the worse upon his success in subduing kings and princes, and their kingdoms; for though his mind was never good, but always proud, haughty, and ambitious, insolent, cruel, and tyrannical; yet, being flushed with his conquests, he grew more and more so: and** “transgress”, all bounds of modesty and sobriety, of humanity and goodness.

Offending and imputing this his power unto his god (y); this particularly will be the sin he will be guilty of, he will ascribe all his achievements to his idol Bel; or rather to himself, to his own prowess and valor, his wisdom and skill in military affairs; for so it will bear to be rendered, making “this his own power to be his god”; and perhaps the golden image Nebuchadnezzar set up to be worshipped was for himself.” see Dan_4:30.

Hab 1:12 Are You not from everlasting, O יהוה my Eternal, my Set-apart One? You do not die! O יהוה, You have appointed them for Judgement, O Rock, You have established them for reproof. 1:13 *You*, whose eyes are too clean to see evil, You are not able to look on wrong. Why do You look on those who act treacherously – keep silent when the wrong devours one more righteous than he? 1:14 And would You make men like fish of the sea, like creeping creatures that have no ruler over them? 1:15 *The wicked foe* has pulled all of them up with a hook, caught them in his net, and gathers them in his dragnet. Therefore he rejoices and exults. 1:16 Therefore he offers to his net, and burns incense to his dragnet, for by them is his portion fat and his food is rich. 1:17 Is he therefore to keep on emptying his net, and slaying nations without sparing?

Habakkuk is asking the same thing we are all praying. We want a swift judgement from Yahuah on these matters but we are forgetting He allowed lo-shema to prevail for a reason. We needed to be spanked. Habakkuk means EMBRACE. We should embrace this time and be grateful we are children of Yahuah and have been spared the lock step ignorance that is sealing peoples eternal fate. Everyone needed to get a wakeup call to come back to Him. We will leave the cliff hanger on Yahuah's answer to Habakkuk and us till next time.

Those who do not know Yahuah. Yet they have seen the movie "It's a wonderful life" every year at x mas. Go figure. ³¹

Just look at us. Everything is backwards; everything is upside down. Doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the major media destroys information, and religions destroy spirituality.

Lakeville, MN · Posted 2h ago

It takes all of us to Shamar- Be on guard. So let us look at a few examples of this personality trait in some well known people so we can get really good at spotting them.

As we start to look at Anthony Fauci we are going to present information from— Dr Judy Mikovits – Dr. David Martin - Robert F. Kennedy Jr. This is just the tip of our iceberg, but also answers why the hospitals have now become the “killing fields” and will not prescribe life saving alternatives.

Focus on Fauci - Testimony, Fact Delivery - Dr. Mikovits, Dr. David Martin, Robert F Kennedy Jr.

We will be looking more into Fauci as we put up the pictures of the guilty and see where they connect. He is definitely a narcissist and psychopath. The fact that he thinks if you question him you are questioning the institution of Science says it all, but his inhumanity to his fellow man and animals make him a dangerous foe. He has been a very productive member of Evil Whoville. He not only is reducing the population, shockingly by their own consent, but in controlling huge sums of money and propaganda to keep brainwashing the public to keep on doing it. We encourage you to look up the three Yah-mazing speakers and educate yourself on what is going on in the "health" industry. This is going to be one wild ride. HALLALU-YAH!

The psyop is real. It is far reaching but we have the best protection ever. Next time we will get into why the babble they are spewing makes no sense unless you are in "Alice in Wonderland".

Let us be broad minded in identifying lo-shema's foot soldiers and army of deceivers. Do not give them access or permission to dwell anywhere near you or have any authority over your life. No matter the cost here on Earth. Shalom! It has been a blessing to share with you!

The Pattern

- Yahuah lovingly gives us instructions to follow diligently and carefully
- ❖ IF We seek to understand and return love to Yahuah by applying the instructions, and joyfully clinging to them and Him, knowing they are for our best interest....
- THEN Yahuah will diligently and lovingly protect and care for us until He calls us home.

The Pattern Of the Covenant Brings The Promise of Success

- When we get off the path we turn around, ask forgiveness and return to the path, determined to not repeat the error. Teshuva.
- Yahuah will diligently protect and care for us until He calls us home.

- ❖ Yahuah is allowing this to happen now for a reason
- ❖ Lo-shema a title we gave the enemy meaning “no name or authority” is the dragon and head of this resistance to Yahuah
- ❖ The timing was perfect due to the unrest of society that has been propagated by lo-shema to lead a coup against the world
- ❖ The Evil WHO’s in Whosville have Narcissistic and Psychopathic tendencies in common

Professor of clinical psychology at Ghent University **Mattias Desmet**. He holds a masters degree in statistic.

- “Four things need to be in place if you want a large-scale mass phenomenon to emerge.
- (1) socially isolated people, people who experience a lack of social bond.
 - (2) a lot of people who experience a lack of sense-making in life.
 - (3) a lot of free-floating anxiety,
 - (4) a lot of free-floating psychological discontent—meaning anxiety and discontent that is not connected to specific representations.

It needs to be in the mind without people being able to connect it to something. If you have these four things... then society is highly at risk for the emergence of mass phenomena, and these four conditions existed shortly before the corona crisis.”
